

1

00:00:00,000 --> 00:00:02,000

It's the stuff of nightmares.

2

00:00:02,000 --> 00:00:07,000

Emergency lines are flooded with calls as UFOs appear in the sky

3

00:00:07,000 --> 00:00:10,000

faster than authorities can track them.

4

00:00:10,000 --> 00:00:13,000

It all seems too incredible to be true.

5

00:00:13,000 --> 00:00:19,000

But mounting evidence has revealed that UFO waves are a very real phenomenon

6

00:00:19,000 --> 00:00:24,000

able to penetrate the world's most closely guarded airspace at will.

7

00:00:24,000 --> 00:00:30,000

The fleet of UFOs invaded the airspace over Washington, D.C.

8

00:00:30,000 --> 00:00:33,000

They flew over the capital, they flew over the Pentagon,

9

00:00:33,000 --> 00:00:36,000

they were seen by hundreds of people.

10

00:00:36,000 --> 00:00:40,000

But what is behind these sudden surges in alien activity?

11

00:00:40,000 --> 00:00:43,000

Is there a pattern to when and where they appear?

12

00:00:43,000 --> 00:00:47,000

And do they pose a threat to the human race?

13

00:00:47,000 --> 00:00:53,000

From the dawn of the atomic age to fantastic voyages through invisible dimensions.

14

00:00:54,000 --> 00:01:00,000

Join us as the shocking secrets of UFO waves are unsealed.

15

00:01:02,000 --> 00:01:04,000

A global effort has begun.

16

00:01:04,000 --> 00:01:08,000

Secret files hidden from the public for decades,

17

00:01:08,000 --> 00:01:12,000

detailing every UFO account, are now available to the public.

18

00:01:12,000 --> 00:01:17,000

We are about to uncover the truth behind these classified documents.

19

00:01:17,000 --> 00:01:20,000

Find out what the government doesn't want you to know.

20

00:01:20,000 --> 00:01:23,000

Unsealed. Alien files.

21

00:01:23,000 --> 00:01:27,000

Exposing the biggest secret on planet Earth.

22

00:01:28,000 --> 00:01:32,000

UPON BELGium, November 29, 1989.

23

00:01:32,000 --> 00:01:36,000

Two police officers patrolling a country road as night falls

24

00:01:36,000 --> 00:01:39,000

spot a nearby field lit by a light so bright

25

00:01:39,000 --> 00:01:43,000

they later claim they could have read a newspaper by it.

26

00:01:43,000 --> 00:01:49,000

Arriving at the scene, they are shocked to see an enormous triangular UFO hovering overhead.

27

00:01:50,000 --> 00:01:53,000

On its underside are lights at each of the three tips

28

00:01:53,000 --> 00:01:57,000

and a single red flashing beacon at its heart.

29

00:01:57,000 --> 00:02:02,000

The UFO begins floating silently toward UPON with the police in pursuit.

30

00:02:02,000 --> 00:02:08,000

There, it hovers above the astonished town for over 30 minutes.

31

00:02:08,000 --> 00:02:15,000

By the end of the night, an estimated 1500 people, including at least 13 police officers,

32

00:02:15,000 --> 00:02:21,000

report a UFO encounter in one of history's biggest mass sightings.

33

00:02:21,000 --> 00:02:25,000

But for Belgium, it's only the beginning.

34

00:02:25,000 --> 00:02:31,000

For the next two years, the nation experiences an unending wave of UFO sightings

35

00:02:31,000 --> 00:02:34,000

that leave experts baffled.

36

00:02:34,000 --> 00:02:38,000

By the time the wave comes to an end in 1991,

37

00:02:38,000 --> 00:02:43,000

some 13,000 people claim to have seen a UFO.

38

00:02:43,000 --> 00:02:49,000

Skeptics will claim the objects to be American stealth aircraft on routine maneuvers.

39

00:02:49,000 --> 00:02:55,000

But the U.S. Air Force denies any of its aircraft were operating in the area at the time.

40

00:02:55,000 --> 00:03:01,000

The Belgium wave is just one of many that have occurred over the past seven decades,

41

00:03:01,000 --> 00:03:04,000

in skies all over the world.

42

00:03:04,000 --> 00:03:08,000

But what is behind these sudden surges in alien activity?

43

00:03:08,000 --> 00:03:11,000

Do they serve some secret purpose?

44

00:03:11,000 --> 00:03:17,000

And most important of all, do they pose a danger to our planet?

45

00:03:17,000 --> 00:03:23,000

The search for answers begins with the wave that started it all.

46

00:03:23,000 --> 00:03:29,000

Unsealed case file, the 1947 UFO wave.

47

00:03:29,000 --> 00:03:34,000

Bakersfield, California, June 23, 1947.

48

00:03:34,000 --> 00:03:41,000

Richard Rankin, an experienced pilot, spots a strange formation of ten silver discs in the sky,

49

00:03:41,000 --> 00:03:45,000

speeding north at three to four hundred miles an hour.

50

00:03:45,000 --> 00:03:49,000

They are unlike any aircraft he has ever seen.

51

00:03:49,000 --> 00:03:56,000

He fears that reporting such an outlandish story might jeopardize his credibility and his job.

52

00:03:56,000 --> 00:04:02,000

Rankin elects to wait and see if someone else reports a similar encounter.

53

00:04:02,000 --> 00:04:05,000

But he would not have long to wait.

54

00:04:05,000 --> 00:04:08,000

June 24, 1947.

55

00:04:08,000 --> 00:04:10,000

Mount Rainier, Washington.

56

00:04:10,000 --> 00:04:13,000

Pilot Kenneth Arnold is flying a search and rescue mission,

57

00:04:13,000 --> 00:04:19,000

when he catches sight of a chain of nine UFOs flying in impossibly tight formation,

58

00:04:19,000 --> 00:04:24,000

as though they were one aircraft, and at supersonic speed.

59

00:04:24,000 --> 00:04:30,000

Arnold tells his story to the press, and the term flying saucer is born.

60

00:04:30,000 --> 00:04:36,000

It's a landmark moment, but the wave of 1947 isn't over.

61

00:04:36,000 --> 00:04:46,000

Just two weeks later, the UFO wave of 1947 will culminate with an event that will change the course of American history.

62

00:04:46,000 --> 00:04:54,000

July 8, 1947. The Army Air Force has announced that a flying disc has been found and is now in the possession of the Army.

63

00:04:55,000 --> 00:05:01,000

Several witnesses report a strange object crashing in the desert outside Roswell, New Mexico.

64

00:05:01,000 --> 00:05:12,000

The Army dispatches a group of soldiers to investigate, but rumors would later tell of alien bodies, also among the wreckage.

65

00:05:12,000 --> 00:05:19,000

But just one day after announcing they recovered a flying disc, the military retracts the statement,

66

00:05:19,000 --> 00:05:27,000

calling the wreckage nothing more than a weather balloon, launching decades of government deception on the subject of UFOs.

67

00:05:27,000 --> 00:05:34,000

But what could have brought alien visitors out of the shadows at this particular moment in history?

68

00:05:34,000 --> 00:05:40,000

Alamogordo, New Mexico. July 16, 1945.

69

00:05:40,000 --> 00:05:45,000

The U.S. military detonates the world's first nuclear weapon.

70

00:05:45,000 --> 00:05:52,000

It's a momentous event in human history, one that leads project director Dr. Robert Oppenheimer to say,

71

00:05:52,000 --> 00:05:57,000

I am become death, the destroyer of worlds.

72

00:05:57,000 --> 00:06:09,000

Earth has entered the atomic age, and humanity now possesses the means to utterly destroy itself and turn the entire planet into an uninhabitable wasteland.

73

00:06:09,000 --> 00:06:14,000

The human race was now tampering with the most powerful force in the universe.

74

00:06:14,000 --> 00:06:25,000

Many experts believe this to be the moment when the extraterrestrials began to take a hard look at human civilization.

75

00:06:25,000 --> 00:06:32,000

The year 1947 saw the first of many UFO waves to appear in our skies.

76

00:06:32,000 --> 00:06:37,000

An alien show of force at the dawn of the atomic age.

77

00:06:37,000 --> 00:06:45,000

Many experts now believe the appearance of UFO waves to be connected to incredible leaps in

technological innovation.

78

00:06:45,000 --> 00:06:48,000

And it wouldn't be the last.

79

00:06:48,000 --> 00:06:54,000

In the 1950s, the United States would undergo a period of unprecedented modernization.

80

00:06:54,000 --> 00:07:00,000

By the end of the decade, the nation is the world's undisputed powerhouse.

81

00:07:00,000 --> 00:07:08,000

Barring a nuclear conflict with the Soviet Union, it seemed nothing could stop the United States rise as a superpower.

82

00:07:08,000 --> 00:07:12,000

But one event would change this.

83

00:07:12,000 --> 00:07:15,000

November 9th, 1965.

84

00:07:15,000 --> 00:07:25,000

Hundreds of people across the American Northeast witness a UFO many describe as a dome-shaped fireball speeding across the sky.

85

00:07:25,000 --> 00:07:32,000

At the same time above Tideout, Pennsylvania, a small airplane is chased by two UFOs.

86

00:07:32,000 --> 00:07:36,000

Air Force jets are scrambled to its aid.

87

00:07:36,000 --> 00:07:42,000

But as the jets fire on their targets, the UFOs accelerate and disappear.

88

00:07:42,000 --> 00:07:47,000

The American Northeast is gripped in a state of UFO panic.

89

00:07:47,000 --> 00:07:52,000

But no one could have predicted what would happen next.

90

00:07:52,000 --> 00:08:02,000

Shortly after 5 p.m. Eastern Standard Time, a massive blackout plunges the Northeast United States and Canada into darkness.

91

00:08:02,000 --> 00:08:08,000

For 13 hours, 30 million people struggle without power.

92

00:08:08,000 --> 00:08:10,000

Was this a show of force?

93

00:08:10,000 --> 00:08:17,000

A demonstration that whatever humans can build, aliens can take away in the blink of an eye?

94

00:08:17,000 --> 00:08:22,000

Two decades later, another UFO wave will do just that.

95

00:08:22,000 --> 00:08:25,000

And much more.

96

00:08:25,000 --> 00:08:27,000

1982.

97

00:08:27,000 --> 00:08:36,000

Ronald Reagan is in his first term as President of the United States, and Cold War tensions reach heights not seen since the Cuban Missile Crisis.

98

00:08:36,000 --> 00:08:42,000

The year also sees a curious wave of UFO sightings in the Soviet Union.

99

00:08:42,000 --> 00:08:44,000

The Black Sea.

100

00:08:44,000 --> 00:08:47,000

February 10, 1982.

101

00:08:47,000 --> 00:08:53,000

Six sailors disappear while investigating a reported disabled ship.

102

00:08:53,000 --> 00:09:04,000

Presumed dead, the men miraculously reappear five days later, claiming to have been pulled up into a UFO by extraterrestrials.

103

00:09:04,000 --> 00:09:08,000

Voronez, 200 miles north of the Black Sea.

104

00:09:08,000 --> 00:09:18,000

Two soldiers are driving their jeep through the country at night, when suddenly they see a blinding beam of light shining down from the night sky.

105

00:09:18,000 --> 00:09:22,000

It moves back and forth as those searching for something.

106

00:09:22,000 --> 00:09:32,000

Moments later, an enormous flying saucer, some 400 feet across and over 200 feet tall, lands in the field before them.

107

00:09:32,000 --> 00:09:39,000

The two soldiers continue to watch in disbelief as a hatch opens and several tall humanoids appear.

108

00:09:39,000 --> 00:09:47,000

They walk around the craft for a few moments, before reboarding and flying off into the night.

109

00:09:47,000 --> 00:09:59,000

A steady stream of UFO incidents throughout the Black Sea during that spring and summer culminate in what remains, perhaps the most ominous UFO encounter in history.

110

00:09:59,000 --> 00:10:04,000

Unsealed case file, the Usovo incident.

111

00:10:04,000 --> 00:10:08,000

Usovo, October 4, 1982.

112

00:10:08,000 --> 00:10:14,000

Strange lights are witnessed darting back and forth over the nearby nuclear missile base.

113

00:10:14,000 --> 00:10:22,000

Suddenly, the missile control panel springs to life and complex launch codes begin to unlock the security system.

114

00:10:22,000 --> 00:10:28,000

Someone, or some thing, is preparing to fire the missiles.

115

00:10:28,000 --> 00:10:37,000

If the missiles launch, retaliation will inevitably happen, creating an armageddon of mutual destruction.

116

00:10:37,000 --> 00:10:48,000

For 15 heart-stopping seconds, base personnel watch helplessly, but suddenly the launch sequence shuts down and the UFOs vanish.

117

00:10:48,000 --> 00:10:55,000

Are aliens influencing the development of our most dangerous technology?

118

00:10:55,000 --> 00:11:05,000

One of their primary areas of interest is our technology, nuclear power stations, missile sites, military bases.

119

00:11:05,000 --> 00:11:12,000

Are aliens trying to send us a message about our dangerous experimentation with self-destruction?

120

00:11:12,000 --> 00:11:18,000

Or, like the New York Blackout, was at a terrifying show of force?

121

00:11:19,000 --> 00:11:28,000

Starting in the late 1940s, the world has experienced periodic waves of intense UFO activity.

122

00:11:28,000 --> 00:11:34,000

Many experts believe they may be directly related to sudden advances in technology.

123

00:11:34,000 --> 00:11:39,000

But how much does the U.S. government know about UFO waves?

124

00:11:39,000 --> 00:11:46,000

As it turns out, they have been quietly investigating these phenomena for over 60 years.

125

00:11:47,000 --> 00:11:52,000

Unsealed case file, the Washington, D.C. flap.

126

00:11:52,000 --> 00:11:56,000

Washington, D.C. July 1952.

127

00:11:56,000 --> 00:12:04,000

Cold war tension is at its peak, and America's capital is the most heavily guarded airspace in the world.

128

00:12:04,000 --> 00:12:12,000

But on the night of July 12th, air traffic control at Washington National Airport picks up seven UFOs on radar.

129

00:12:12,000 --> 00:12:20,000

An air traffic controller makes visual contact with one of the UFOs, describing it as a bright orange light.

130

00:12:20,000 --> 00:12:27,000

Then the objects do the unthinkable and make a sudden turn toward the White House.

131

00:12:27,000 --> 00:12:33,000

One witness reports their movements to be completely radical compared to those of ordinary aircraft.

132

00:12:33,000 --> 00:12:39,000

Fighter jets take off in hot pursuit. The mysterious craft vanish from radar.

133

00:12:39,000 --> 00:12:43,000

But the UFOs aren't done with Washington yet.

134

00:12:43,000 --> 00:12:55,000

Wave after wave of similar UFOs will menace the nation's capital for over three weeks and will become known as the Washington UFO Flap.

135

00:12:55,000 --> 00:12:59,000

The shaken city wants answers.

136

00:12:59,000 --> 00:13:07,000

Unknown to most, the military launches Project Stork to try to uncover a pattern to the sightings.

137

00:13:07,000 --> 00:13:16,000

The study concludes that UFO reports from 1952 are three times higher than the five preceding years.

138

00:13:16,000 --> 00:13:21,000

America is clearly in the midst of a UFO wave.

139

00:13:21,000 --> 00:13:31,000

Despite compelling evidence to the contrary, the U.S. military publicly denies that America is under attack by an alien presence.

140

00:13:31,000 --> 00:13:42,000

It does not contain any pattern of purpose or of consistency that we can relate to any conceivable threat to the United States.

141

00:13:42,000 --> 00:13:52,000

Why did the U.S. government deny the Washington Flap findings? Were they afraid the discovery of a UFO wave would create widespread panic?

142

00:13:52,000 --> 00:13:57,000

The question remains, did this cover-up put the world in danger?

143

00:13:57,000 --> 00:14:02,000

Decades pass, bringing countless waves of intense UFO activity.

144

00:14:02,000 --> 00:14:13,000

But it isn't until the 1990s when a nation on the other side of the Atlantic would publicly acknowledge that UFO waves exist.

145

00:14:13,000 --> 00:14:18,000

Unsealed case file. The Cosford Incident.

146

00:14:18,000 --> 00:14:33,000

Somerset, England, March 1993. A police officer leading a group of scouts on an outing cites a strange craft he describes as two concords flying side by side and joined together.

147

00:14:33,000 --> 00:14:47,000

Soon after, the Ministry of Defense UFO hotline is flooded with desperate calls from local residents. The man in charge of the department at the time is Nick Pope.

148

00:14:47,000 --> 00:14:54,000

This was a wave of sightings throughout the United Kingdom that took place over a period of around six hours.

149

00:14:54,000 --> 00:15:01,000

There were several dozen witnesses, including numerous police officers and Air Force personnel.

150

00:15:01,000 --> 00:15:10,000

The military sightings take place primarily over the Royal Air Force Base at Cosford, some 150 miles north of the First Encounters.

151

00:15:10,000 --> 00:15:19,000

But for Pope, the account that stands out above all others comes from the meteorological officer at nearby RAF Shawbury.

152

00:15:19,000 --> 00:15:30,000

An Air Force officer with eight years experience described to me an object which he said was quite unlike anything that he had seen in his entire Air Force career.

153

00:15:30,000 --> 00:15:39,000

It's an enormous triangular shaped UFO shining a narrow laser like beam of light down at the ground as though searching for something.

154

00:15:39,000 --> 00:15:50,000

The giant craft moves slowly toward the base before suddenly deactivating its beam and darting off beyond the horizon faster than any known aircraft.

155

00:15:50,000 --> 00:15:54,000

The encounter leaves the veteran airman severely rattled.

156

00:15:54,000 --> 00:16:00,000

When I interviewed the witness the morning after this sighting, his voice was still shaking.

157

00:16:00,000 --> 00:16:11,000

The sheer number of witnesses to the Cosford Incident forces the military to admit that an unidentified object of unknown origin was operating over the UK.

158

00:16:14,000 --> 00:16:23,000

Evidence has revealed the planet wide appearance of menacing waves of UFOs may be tied to mankind's rapid technological evolution.

159

00:16:24,000 --> 00:16:31,000

Is there another major scientific advance on the horizon that may trigger the next wave of intense UFO activity?

160

00:16:32,000 --> 00:16:42,000

According to some experts, there is and it might soon reveal the mystery behind the extraterrestrials most powerful technology.

161

00:16:42,000 --> 00:16:49,000

The world has often wondered how UFOs and aliens are able to appear and disappear at will.

162

00:16:49,000 --> 00:16:55,000

Many believe they don't actually travel across space and time in the same way as our airplanes.

163

00:16:55,000 --> 00:17:01,000

Instead, they may appear and disappear by leaping between dimensions.

164

00:17:01,000 --> 00:17:07,000

We're clearly dealing with the technology way ahead of anything that we have.

165

00:17:07,000 --> 00:17:17,000

Humans experience the world in three dimensions, height, width and depth and the passage of a fourth dimension we call time.

166

00:17:18,000 --> 00:17:29,000

But recently, scientists working at CERN's Large Hadron Collider in Switzerland are actively looking for evidence that the universe contains more than four dimensions.

167

00:17:29,000 --> 00:17:35,000

Inside the collider, particles are smashed apart at velocities approaching the speed of light.

168

00:17:35,000 --> 00:17:46,000

Experts project the results of these interactions may soon reveal as many as seven more dimensions that lie beyond the known realm of human perception.

169

00:17:47,000 --> 00:17:55,000

Hidden dimensions that aliens may be using as intergalactic highways to cross the universe in the blink of an eye.

170

00:17:56,000 --> 00:18:07,000

But how will aliens react when we reach another technological milestone and begin experimenting with the very technology they use to reach us?

171

00:18:08,000 --> 00:18:16,000

Will they see this new breakthrough as a threat and force us to pay the ultimate price?

172

00:18:17,000 --> 00:18:24,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
