

1

00:00:00,000 --> 00:00:09,240

UFOs, they can fly at blinding speed or hover just a few feet above the ground.

2

00:00:09,240 --> 00:00:13,640

And they can do it all without making a sound.

3

00:00:13,640 --> 00:00:16,080

But how is this possible?

4

00:00:16,080 --> 00:00:21,600

Many experts believe the answer is anti-gravity propulsion.

5

00:00:21,600 --> 00:00:28,240

Advanced technology, capable of controlling one of the most powerful forces in the universe.

6

00:00:28,240 --> 00:00:35,280

And some believe this gift is no longer exclusive to extraterrestrials.

7

00:00:35,280 --> 00:00:40,120

Do we now secretly possess advanced anti-gravity technology?

8

00:00:40,120 --> 00:00:43,720

And if so, how did it happen?

9

00:00:43,720 --> 00:00:48,400

And what are the implications for the human race?

10

00:00:48,400 --> 00:00:56,200

From secret alien treaties to the hidden labs of Area 51, join us as the mysteries of anti-gravity

11

00:00:56,200 --> 00:01:01,360

propulsion are unsealed.

12

00:01:01,360 --> 00:01:03,880

A global effort has begun.

13

00:01:03,880 --> 00:01:10,000

Secret files hidden from the public for decades, detailing every UFO account, are now available

14

00:01:10,000 --> 00:01:11,000

to the public.

15

00:01:11,000 --> 00:01:16,440

We are about to uncover the truth behind these classified documents.

16

00:01:16,440 --> 00:01:20,080

Find out what the government doesn't want you to know.

17

00:01:20,080 --> 00:01:23,440

Unsealed alien files.

18

00:01:23,440 --> 00:01:28,440

The biggest secret on planet Earth.

19

00:01:28,440 --> 00:01:31,560

It's one thing to see a UFO in the sky.

20

00:01:31,560 --> 00:01:37,760

But many eyewitnesses who experience a UFO up close report a powerful physical presence

21

00:01:37,760 --> 00:01:41,560

that defies understanding.

22

00:01:41,560 --> 00:01:43,320

Unsealed case file.

23

00:01:43,320 --> 00:01:46,240

The Rendlesham Forest incident.

24

00:01:46,240 --> 00:01:47,920

Suffolk, England.

25

00:01:47,920 --> 00:01:51,360

December 27th, 1980.

26

00:01:51,360 --> 00:01:57,560

One airman stationed at the twin RAF Bentwaters and RAF Woodbridge airbases see strange flashing

27

00:01:57,560 --> 00:02:01,960

lights appear in nearby Rendlesham Forest.

28

00:02:01,960 --> 00:02:07,000

But just as the airman approached the light, it rises and drifts off silently through the

29

00:02:07,000 --> 00:02:08,400

forest.

30

00:02:08,400 --> 00:02:10,640

The team follows.

31

00:02:10,640 --> 00:02:17,200

Each time they draw near, the light floats away in the opposite direction.

32

00:02:17,200 --> 00:02:22,680

When they at last get close enough to see the object in detail, they are shocked to discover

33

00:02:22,680 --> 00:02:29,520

a triangular shaped UFO with strange markings on its hull that bear an uncanny resemblance

34

00:02:29,520 --> 00:02:34,280

to Egyptian hieroglyphics.

35

00:02:34,280 --> 00:02:40,520

Deputy Commander Charles Halt is highly skeptical of their story until two days later when the

36

00:02:40,520 --> 00:02:43,920

mysterious lights reappear.

37

00:02:43,920 --> 00:02:47,680

This time, he decides to see for himself.

38

00:02:47,680 --> 00:02:54,840

Colonel Halt routinely carried with him a handheld tape recorder on which it was his

39

00:02:54,840 --> 00:03:00,840

custom and practice to record his observations and thoughts.

40

00:03:00,840 --> 00:03:05,440

What follows is the recording made by Halt as he approaches the UFO.

41

00:03:05,440 --> 00:03:25,280

Moments later, the UFO darts off into the night sky at great velocity.

42

00:03:25,280 --> 00:03:31,440

The Rendlesham object is just one of hundreds of reported UFOs that exhibit flight capabilities

43

00:03:31,440 --> 00:03:35,400

far beyond those of any conventional aircraft.

44

00:03:35,400 --> 00:03:37,720

They can hover close to the ground.

45

00:03:37,720 --> 00:03:43,000

In the blink of an eye, they can jump to high speeds without acceleration and all without

46

00:03:43,000 --> 00:03:45,320

making a sound.

47

00:03:45,320 --> 00:03:48,760

What kind of technology could they be using?

48

00:03:48,760 --> 00:03:51,880

Some experts believe they have the answer.

49

00:03:51,880 --> 00:03:53,120

They are negating gravity.

50

00:03:53,120 --> 00:03:55,240

They're not flying.

51

00:03:55,240 --> 00:03:58,320

They are what the term would be.

52

00:03:58,320 --> 00:04:01,280

They're anegravittically positioning themselves.

53

00:04:01,360 --> 00:04:02,480

These are not big crafts.

54

00:04:02,480 --> 00:04:06,560

Some of them are just 20, 30 feet to 60 feet across.

55

00:04:06,560 --> 00:04:11,680

They're obviously generating a huge amount of energy for the mass that they have.

56

00:04:11,680 --> 00:04:13,720

How are they doing that?

57

00:04:13,720 --> 00:04:18,000

Gravity is a force that causes matter to be attracted to other matter.

58

00:04:18,000 --> 00:04:21,800

An apple to the ground, a planet to the sun.

59

00:04:21,800 --> 00:04:27,720

But experts believe anti-gravity technology would liberate an object from that attraction,

60

00:04:27,720 --> 00:04:33,280

effectively allowing it to move freely through time and space.

61

00:04:33,280 --> 00:04:39,360

Solving the mystery of anti-gravity propulsion would unlock a source of almost unimaginable

62

00:04:39,360 --> 00:04:41,800

power.

63

00:04:41,800 --> 00:04:44,000

Unsealed case file.

64

00:04:44,000 --> 00:04:46,720

The Paintsville train incident.

65

00:04:46,720 --> 00:04:52,600

Paintsville, Kentucky, January 14, 2002.

66

00:04:52,600 --> 00:04:58,200

A coal train rumbles through the early morning hours on a routine run from the city of Russell

67

00:04:58,200 --> 00:05:00,480

to the town of Albania.

68

00:05:00,480 --> 00:05:06,920

Out of nowhere, the trains to engineers notice the dash gauges have begun fluctuating wildly.

69

00:05:06,920 --> 00:05:10,400

One man sees his watch has mysteriously stopped.

70

00:05:10,400 --> 00:05:12,200

And that's not all.

71

00:05:12,200 --> 00:05:18,960

The train too has now lost all power and is rolling forward on its own inertia.

72

00:05:19,000 --> 00:05:24,640

When they round the corner, they see a group of at least three UFOs hovering silently in

73

00:05:24,640 --> 00:05:26,400

their path.

74

00:05:26,400 --> 00:05:32,120

With no power to break, the runaway locomotive slams into one of the objects with an unstoppable

75

00:05:32,120 --> 00:05:33,760

force.

76

00:05:33,760 --> 00:05:39,080

But instead of being pulverized, it's the UFO that tears great metallic chunks out of

77

00:05:39,080 --> 00:05:46,120

the train before darting off into the night, along with the other objects.

78

00:05:46,120 --> 00:05:51,560

In the aftermath, many experts are convinced the train's engine and gauges fell prey to

79

00:05:51,560 --> 00:05:59,000

an immense electromagnetic field generated by the UFO's anti-gravity engines.

80

00:05:59,000 --> 00:06:01,000

Is this the secret?

81

00:06:01,000 --> 00:06:08,280

Are extraterrestrials able to transform electromagnetic energy into anti-gravity propulsion?

82

00:06:08,280 --> 00:06:14,080

But if these craft are alien, how do we explain the very man-made-looking markings on the

83

00:06:14,120 --> 00:06:16,440

Rendlesham object?

84

00:06:16,440 --> 00:06:19,680

Some experts have a startling answer.

85

00:06:19,680 --> 00:06:26,880

We have at least one and very likely several vehicles from extraterrestrial sources.

86

00:06:30,720 --> 00:06:37,240

Mounting evidence suggests that UFOs are propelled by advanced anti-gravity technology.

87

00:06:37,240 --> 00:06:43,760

But some experts believe this anti-gravity know-how may already be in human hands, assembled

88

00:06:43,800 --> 00:06:48,720

from first-hand studies of alien technology.

89

00:06:48,720 --> 00:06:51,760

But how did we acquire this material?

90

00:06:51,760 --> 00:06:57,280

The answer may be found at the dawn of the modern UFO age.

91

00:06:57,280 --> 00:07:02,440

Roswell, New Mexico, July 2, 1947.

92

00:07:02,440 --> 00:07:08,160

Residents of this small frontier town watch in amazement as a blazing disc-shaped object

93

00:07:08,160 --> 00:07:11,920

falls from the sky at a blistering speed.

94

00:07:11,960 --> 00:07:18,920

It disappears beyond a line of trees northwest of town, where it presumably impacts in the desert.

95

00:07:18,920 --> 00:07:25,000

Curious, some witnesses set out for the crash site to investigate, only to discover all

96

00:07:25,000 --> 00:07:29,280

routes cut off by military roadblocks.

97

00:07:29,280 --> 00:07:35,160

A recovery operation is clearly underway, but it's unlike anything seen before.

98

00:07:35,160 --> 00:07:40,800

It is conducted under extreme secrecy, and any onlookers are told to keep quiet under

99

00:07:40,880 --> 00:07:46,040

threat of violent reprisal.

100

00:07:46,040 --> 00:07:52,240

The next day, the U.S. military announces the recovery of a flying saucer, only to quickly

101

00:07:52,240 --> 00:07:56,000

retract the story under suspicious circumstances.

102

00:07:56,000 --> 00:08:01,560

The military's official report claims the Roswell object was a weather balloon.

103

00:08:01,560 --> 00:08:06,080

But some government insiders tell a very different story.

104

00:08:06,080 --> 00:08:10,720

According to reports, the wreckage of the Roswell saucer was in fact taken to Wright

105

00:08:10,720 --> 00:08:18,160

Patterson Air Force Base in Ohio, along with something even more incredible, the sole survivor

106

00:08:18,160 --> 00:08:21,040

of the craft's alien crew.

107

00:08:21,040 --> 00:08:26,760

A member of a race ufologist have come to know as the Greys.

108

00:08:26,760 --> 00:08:32,320

Even more astonishing, reports allege the surviving Grey agrees to help the U.S. military

109

00:08:32,360 --> 00:08:39,360

incorporate alien technology from the Roswell wreckage into its latest aerospace projects.

110

00:08:39,360 --> 00:08:45,520

It's an unexpected act of goodwill that will later lead to an unprecedented pact between

111

00:08:45,520 --> 00:08:53,000

the United States and its extraterrestrial visitors called the Grenada Treaty.

112

00:08:53,000 --> 00:09:00,640

Many experts consider an allegedly leaked document entitled SOM1-01 was a direct outcome of that

113

00:09:00,640 --> 00:09:02,160

meeting.

114

00:09:02,160 --> 00:09:08,080

The document states, any encounter with entities known to be of extraterrestrial origin is

115

00:09:08,080 --> 00:09:15,280

considered to be a matter of national security and therefore classified top secrets.

116

00:09:15,280 --> 00:09:22,840

But the Grenada Treaty is one that many experts now view as a deal with the devil.

117

00:09:22,840 --> 00:09:28,600

There was a meeting with President Eisenhower at Haldeman Air Force Base in 1957 where he

118

00:09:28,600 --> 00:09:33,560

met with the Greys, the ones with the big eyes and the pale skin.

119

00:09:33,560 --> 00:09:38,360

And as the story goes, there was an exchange.

120

00:09:38,360 --> 00:09:46,160

We got some of their technology and they take away humans for abductions.

121

00:09:46,160 --> 00:09:47,680

Is it possible?

122

00:09:47,680 --> 00:09:53,840

Did a desperate President of the United States offer his own people for abduction and experimentation

123

00:09:53,840 --> 00:09:56,560

in return for advanced technology?

124

00:09:58,720 --> 00:10:04,760

Unsealed case file, Area 51.

125

00:10:04,760 --> 00:10:10,440

It's located in a remote stretch of desert 80 miles north of Las Vegas.

126

00:10:10,440 --> 00:10:16,720

It has no sign or official name and until recently the U.S. government refused to acknowledge

127

00:10:16,720 --> 00:10:18,800

its existence.

128

00:10:18,800 --> 00:10:22,600

Unmarked security vehicles patrol the perimeter.

129

00:10:22,600 --> 00:10:26,520

Anyone daring to cross it will be shot on sight.

130

00:10:26,520 --> 00:10:31,200

Anyone daring to violate its airspace will be shot down.

131

00:10:31,200 --> 00:10:34,520

It is Area 51.

132

00:10:34,520 --> 00:10:39,320

According to experts, it's the top secret proving ground for America's most advanced

133

00:10:39,320 --> 00:10:41,600

aerospace projects.

134

00:10:41,600 --> 00:10:48,000

It's also rumored to have been the final destination of the Roswell wreckage and that of all UFOs

135

00:10:48,000 --> 00:10:51,080

recovered in the years since.

136

00:10:51,080 --> 00:10:56,200

Conspiracy theorists believe that here, far from the public eye, scientists have been

137

00:10:56,200 --> 00:11:03,680

reverse engineering this alien technology into each new generation of military aircraft.

138

00:11:03,680 --> 00:11:06,400

But how far has this work evolved?

139

00:11:06,400 --> 00:11:12,200

Have the scientists of Area 51 solve the riddle of anti-gravity propulsion?

140

00:11:12,200 --> 00:11:22,760

Then Rich was a director at Lockheed Martin from 1975 to 1991.

141

00:11:22,760 --> 00:11:29,680

Only before his death in 1995, Rich confirmed that American aerospace engineers have long

142

00:11:29,680 --> 00:11:35,960

been working with what he called hand-me-down alien technology.

143

00:11:35,960 --> 00:11:38,480

It's famous for a statement that he made.

144

00:11:38,480 --> 00:11:44,600

Whatever you see out there, flying in the sky, cruising across the desert, we're 50

145

00:11:44,600 --> 00:11:47,240

years ahead of that.

146

00:11:47,240 --> 00:11:49,400

Are these allegations true?

147

00:11:49,400 --> 00:11:55,960

Is the United States secretly in possession of advanced aircraft beyond imagination?

148

00:11:55,960 --> 00:12:05,640

And have they successfully developed anti-gravity propulsion?

149

00:12:05,640 --> 00:12:10,440

Mounting evidence suggests that the United States military has secretly produced highly

150

00:12:10,440 --> 00:12:17,360

advanced anti-gravity propulsion through technology recovered from crashed alien spacecraft.

151

00:12:17,360 --> 00:12:22,800

But how far will they go to conceal its existence?

152

00:12:22,800 --> 00:12:28,080

Anchorage, Alaska, November 17, 1986.

153

00:12:28,080 --> 00:12:34,720

Japan Airlines cargo flight 1628 is en route from Paris to Narita, Japan.

154

00:12:34,720 --> 00:12:42,080

Behind the controls is Captain Kenju Terouichi, an ex-fighter pilot with decades of experience.

155

00:12:42,080 --> 00:12:48,640

It's a routine journey, until suddenly two UFOs appear out of nowhere, directly in the

156

00:12:48,640 --> 00:12:50,440

plane's flight path.

157

00:12:50,440 --> 00:12:57,960

Then, the captain and crew witness the two UFOs join a much larger mothership before vanishing

158

00:12:57,960 --> 00:13:01,160

into the night.

159

00:13:01,160 --> 00:13:08,000

Later, Terouichi recounts the details of the crew's extraordinary encounter.

160

00:13:08,000 --> 00:13:13,800

He describes the UFOs flying as if there was no such thing as gravity, speeding up

161

00:13:13,800 --> 00:13:18,960

and slowing down in ways that defy all known laws of flight.

162

00:13:18,960 --> 00:13:25,120

He concludes the object had somehow overcome gravity.

163

00:13:25,120 --> 00:13:31,520

A week later, John Callahan, then division chief with the Federal Aviation Administration,

164

00:13:31,520 --> 00:13:37,160

heads in a joint meeting of the FBI, CIA, and the President's own scientific study

165

00:13:37,160 --> 00:13:40,360

team to review the evidence.

166

00:13:40,360 --> 00:13:47,400

But Callahan is dismayed when he realizes he's actually been summoned to hand over the investigation.

167

00:13:47,400 --> 00:13:54,560

When they get done, the CIA guy standing at the meeting says to the people, this event

168

00:13:54,560 --> 00:13:56,640

never happened.

169

00:13:56,640 --> 00:13:59,200

We were never here.

170

00:13:59,720 --> 00:14:05,760

We're confiscating all this data and you're all sworn to secrecy.

171

00:14:05,760 --> 00:14:12,000

What did Kenj■ Terouichi and the crew of Japan Airlines flight 1628C in the sky over

172

00:14:12,000 --> 00:14:13,600

Alaska?

173

00:14:13,600 --> 00:14:15,400

Was it a UFO?

174

00:14:15,400 --> 00:14:20,680

Or was it a man-made aircraft powered by anti-gravity?

175

00:14:20,680 --> 00:14:26,520

And how far will the authorities go to keep special top-secret technology from falling

176

00:14:26,520 --> 00:14:29,320

into other hands?

177

00:14:29,320 --> 00:14:35,000

According to many experts and eyewitness reports, there's an elite security force ready to be

178

00:14:35,000 --> 00:14:39,320

deployed at a moment's notice.

179

00:14:39,320 --> 00:14:44,160

Unsealed case file, The Man in Black.

180

00:14:44,160 --> 00:14:48,760

Needles, California, March 2008.

181

00:14:48,760 --> 00:14:53,960

Witnesses look on in astonishment as a gleaming blue object falls to earth in the desert near

182

00:14:53,960 --> 00:14:56,200

the Colorado River.

183

00:14:56,400 --> 00:15:01,680

Among the onlookers is a former security chief of Los Angeles International Airport.

184

00:15:01,680 --> 00:15:07,360

Not long after impact, he sees a response team flying toward the crash site.

185

00:15:07,360 --> 00:15:11,000

But it's unlike anything he's ever seen.

186

00:15:11,000 --> 00:15:16,400

Instead of the normal air ambulance units, a group of unmarked black helicopters gathers

187

00:15:16,400 --> 00:15:18,080

overhead.

188

00:15:18,080 --> 00:15:25,120

It leaves carrying a large glowing object suspended by a cargo hook.

189

00:15:25,120 --> 00:15:30,600

He contacts the owner of Needles' local radio station to report what he's seen.

190

00:15:30,600 --> 00:15:33,880

But its owner has curious news of his own.

191

00:15:33,880 --> 00:15:39,920

In the minutes following the crash, he saw a convoy of dark vans and SUVs bearing government

192

00:15:39,920 --> 00:15:43,640

license plates raced to the scene.

193

00:15:43,640 --> 00:15:48,240

Many now believe they were the legendary Men in Black.

194

00:15:48,240 --> 00:15:53,440

Secret government operatives who appear in the aftermath of an alien encounter to seize

195

00:15:53,440 --> 00:15:58,040

any evidence and silence all witnesses.

196

00:15:58,040 --> 00:16:02,640

If they are from the government, it's probably some super secretive agency.

197

00:16:02,640 --> 00:16:07,080

Could these be the foot soldiers of the UFO cover-up?

198

00:16:07,080 --> 00:16:13,120

But Pope has another theory, one that turns the popular idea of the ultra-secret organization

199

00:16:13,120 --> 00:16:15,840

on its head.

200

00:16:15,840 --> 00:16:19,720

These some sort of alien police force.

201

00:16:19,720 --> 00:16:25,240

These the extraterrestrial guardians of the UFO secret.

202

00:16:25,240 --> 00:16:29,200

Are the Men in Black aliens in human disguise?

203

00:16:29,200 --> 00:16:36,600

And if they are, is their presence a sign of a new kind of cold war between extraterrestrials

204

00:16:36,600 --> 00:16:38,600

and humans?

205

00:16:38,600 --> 00:16:44,200

And would the development of an American anti-gravity fleet mark the tipping point when this new

206

00:16:44,200 --> 00:16:46,840

cold war turns hot?

207

00:16:50,600 --> 00:16:58,120

Mounting evidence suggests the U.S. government has secretly developed immensely powerful

208

00:16:58,120 --> 00:17:01,320

anti-gravity propulsion technology.

209

00:17:01,320 --> 00:17:07,080

But some experts believe our extraterrestrial visitors now see this as a threat and have

210

00:17:07,080 --> 00:17:12,960

begun to intervene in an attempt to prevent any more of alien technology falling into

211

00:17:12,960 --> 00:17:15,280

human hands.

212

00:17:15,280 --> 00:17:17,020

But is it too late?

213

00:17:17,020 --> 00:17:19,980

Have we passed the point of no return?

214

00:17:19,980 --> 00:17:25,100

And is an interplanetary conflict over anti-gravity inevitable?

215

00:17:25,100 --> 00:17:29,020

And what form might the alien onslaught take?

216

00:17:29,020 --> 00:17:34,300

Ufologist Steve Bassett has a terrifying theory.

217

00:17:34,300 --> 00:17:41,020

The extraterrestrials have technology that could wipe out the human race anytime it wants.

218

00:17:41,020 --> 00:17:46,460

The Paintsville object was able to hold its ground against a runaway train without suffering

219

00:17:46,540 --> 00:17:49,060

so much as a scratch.

220

00:17:49,060 --> 00:17:54,060

If extraterrestrials are able to harness that kind of anti-gravity power in the form of

221

00:17:54,060 --> 00:18:05,100

a weapon, they might be able to lift huge objects and hurl them as projectiles.

222

00:18:05,100 --> 00:18:11,740

In the event of a large-scale attack, entire cities might be pulverized by fleets of UFOs

223

00:18:11,740 --> 00:18:19,420

armed with anti-gravity projectors.

224

00:18:19,420 --> 00:18:25,500

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
