

1

00:00:00,000 --> 00:00:02,000

The Flying Saucer.

2

00:00:02,000 --> 00:00:06,000

For decades, it's been synonymous with UFO terror.

3

00:00:06,000 --> 00:00:11,000

But millions of reported encounters, in fact, tell a very different story.

4

00:00:11,000 --> 00:00:16,000

Slowly but surely, saucer sightings have been on the decline.

5

00:00:16,000 --> 00:00:20,000

Fear has taken a new shape.

6

00:00:20,000 --> 00:00:22,000

Black triangles.

7

00:00:22,000 --> 00:00:27,000

Reports say they can penetrate the world's highest security airspace with ease.

8

00:00:27,000 --> 00:00:32,000

And our most powerful weapons have proven powerless against them.

9

00:00:32,000 --> 00:00:37,000

I think it's rather obvious that the United States military and government would keep it a secret.

10

00:00:37,000 --> 00:00:40,000

I think the reason is simple. Fear.

11

00:00:40,000 --> 00:00:44,000

What are black triangles? Who is at the controls?

12

00:00:44,000 --> 00:00:49,000

Is a new alien species lurking in our skies?

13

00:00:49,000 --> 00:00:54,000

And most importantly, why are they here?

14

00:00:54,000 --> 00:01:03,000

Join us as we track the rise of the black triangles on Unsealed Alien Files.

15

00:01:03,000 --> 00:01:05,000

A global effort has begun.

16

00:01:05,000 --> 00:01:13,000

Secret files hidden from the public for decades, detailing every UFO account, are now available to the public.

17

00:01:13,000 --> 00:01:18,000

We are about to uncover the truth behind these classified documents.

18

00:01:18,000 --> 00:01:21,000

Find out what the government doesn't want you to know.

19

00:01:21,000 --> 00:01:25,000

Unsealed Alien Files.

20

00:01:25,000 --> 00:01:29,000

Exposing the biggest secret on planet Earth.

21

00:01:29,000 --> 00:01:34,000

Jacksonville, Florida. October 27th, 1967.

22

00:01:34,000 --> 00:01:39,000

Flight Instructor Charlie Little and three others are flying at night over the Atlantic coast

23

00:01:39,000 --> 00:01:44,000

when they catch sight of a bright light closing on their aircraft.

24

00:01:44,000 --> 00:01:50,000

Fearing a mid-air collision, Little descends to 6,500 feet.

25

00:01:50,000 --> 00:01:53,000

But the maneuver appears to only make matters worse,

26

00:01:53,000 --> 00:02:00,000

as the pilot now finds his craft pursued by six lights flying in perfect horizontal formation.

27

00:02:00,000 --> 00:02:05,000

Little and his passengers watch in terror as the lights rush toward them.

28

00:02:05,000 --> 00:02:07,000

They brace for impact.

29

00:02:07,000 --> 00:02:11,000

But the fateful moment never comes.

30

00:02:11,000 --> 00:02:16,000

Instead, the flyers find themselves enveloped in a green light.

31

00:02:16,000 --> 00:02:23,000

Outside, they see a massive triangular UFO with sides measuring over 200 feet.

32

00:02:23,000 --> 00:02:30,000

Seconds later, there is a blinding flash and the triangle is gone.

33

00:02:30,000 --> 00:02:34,000

The pilot can't believe what he's just seen.

34

00:02:34,000 --> 00:02:41,000

But on returning to Jacksonville, Little is informed that a commercial pilot flying over Washington, DC,

35

00:02:41,000 --> 00:02:46,000

has just reported a UFO matching the Jacksonville object.

36

00:02:46,000 --> 00:02:49,000

What were these massive triangles?

37

00:02:49,000 --> 00:02:54,000

How did one manage to penetrate the most closely monitored airspace on Earth?

38

00:02:54,000 --> 00:02:59,000

And why was the public never informed of the incursion?

39

00:02:59,000 --> 00:03:06,000

If we were to let the public know that we, meaning America, the strongest military in the world, is no longer number one,

40

00:03:06,000 --> 00:03:08,000

how many people would fear that?

41

00:03:08,000 --> 00:03:13,000

How many would know that now there is an enemy that could beat us?

42

00:03:13,000 --> 00:03:21,000

Twenty years after Jacksonville, the triangles step out of the shadows and reveal themselves to the world.

43

00:03:21,000 --> 00:03:27,000

Unsealed case file, The Belgian Wave.

44

00:03:27,000 --> 00:03:32,000

Eupen, Belgium, November 29, 1989.

45

00:03:32,000 --> 00:03:39,000

Two police officers patrolling a country road spot a blinding light coming from a nearby field.

46

00:03:39,000 --> 00:03:47,000

Arriving on the scene, they are astounded to see an enormous black triangle hovering silently overhead.

47

00:03:47,000 --> 00:03:56,000

Blazing lights emanate from each of the three corners, while a single blood red beacon blinks on and off at its heart.

48

00:03:56,000 --> 00:04:02,000

The men look on in astonishment as the UFO begins moving silently toward the nearby town.

49

00:04:02,000 --> 00:04:05,000

They immediately set out in pursuit.

50

00:04:05,000 --> 00:04:15,000

Arriving in Eupen, they are among dozens who watch spellbound as it hangs motionless above the town for over 30 minutes.

51

00:04:15,000 --> 00:04:25,000

By the end of the night, an estimated 1,500 people will report a UFO encounter in one of history's biggest mass sightings.

52

00:04:25,000 --> 00:04:30,000

But for Belgium, the Eupen incident is only the beginning.

53

00:04:30,000 --> 00:04:40,000

Over the next two years, the nation will experience an unending wave of black triangle sightings that leave authorities scrambling for answers.

54

00:04:40,000 --> 00:04:45,000

On several occasions, F-16 fighters are ordered to intercept the objects.

55

00:04:45,000 --> 00:04:50,000

But each time they attempt to lock on to the triangles with their targeting systems,

56

00:04:50,000 --> 00:04:57,000

they mysteriously malfunction, only to switch back on after the objects are out of range.

57

00:04:57,000 --> 00:05:06,000

By the time the wave comes to an end in 1991, some 13,000 people claim to have seen a UFO.

58

00:05:06,000 --> 00:05:12,000

Skeptics declare the black triangles to be American stealth aircraft on routine maneuvers.

59

00:05:12,000 --> 00:05:16,000

But the Air Force flatly denies these allegations.

60

00:05:16,000 --> 00:05:19,000

They knew the objects were there, and yet they weren't ours.

61

00:05:19,000 --> 00:05:21,000

So the big question is, who's were they?

62

00:05:21,000 --> 00:05:29,000

The Belgian UFO wave remains one of the most extensively documented series of encounters on record.

63

00:05:29,000 --> 00:05:38,000

Were they really UFOs? Or was the US military hiding something?

64

00:05:38,000 --> 00:05:47,000

According to many experts, massive black triangles have replaced flying saucers as the dominant UFOs in our skies.

65

00:05:47,000 --> 00:05:58,000

But other encounters turned this theory upside down, raising serious questions as to whether these black triangles really are from another world.

66

00:05:58,000 --> 00:06:02,000

Folda, West Germany, 1989.

67

00:06:02,000 --> 00:06:11,000

Sergeant Clifford Stone of the United States Army is on duty in a guard tower overlooking the closely monitored border with the Communist East.

68

00:06:11,000 --> 00:06:17,000

Stone's job is to prevent anyone from crossing and to monitor enemy activity.

69

00:06:17,000 --> 00:06:25,000

But today, the veteran soldier receives a report that a Soviet aircraft is speeding toward them, dangerously close to the ground.

70

00:06:25,000 --> 00:06:32,000

But as it comes into view, Stone quickly realizes this is unlike any enemy plane he's ever seen.

71

00:06:32,000 --> 00:06:37,000

It's an enormous black triangle speeding toward them.

72

00:06:37,000 --> 00:06:41,000

The object comes to a sudden stop directly above.

73

00:06:41,000 --> 00:06:50,000

The underside reveals clusters of multicolored lights near each corner and a single flashing red light at its heart.

74

00:06:50,000 --> 00:06:55,000

He claims that the UFO he saw was a large triangle-shaped object with a red pulsating light.

75

00:06:55,000 --> 00:06:57,000

It's like right out of a UFO textbook.

76

00:06:57,000 --> 00:07:03,000

Stone looks on in total astonishment as the UFO looms silently over them.

77

00:07:03,000 --> 00:07:11,000

A radio transmission reveals that jet fighters on both sides of the border are scrambling to intercept the UFO.

78

00:07:11,000 --> 00:07:21,000

Stone fears the intruder's appearance may spark a dangerous confrontation between East and West that could quickly escalate to all-out nuclear war.

79

00:07:21,000 --> 00:07:27,000

But before they take to the air, the triangle disappears into the night.

80

00:07:28,000 --> 00:07:38,000

An investigation into the incident reveals the triangle generated high levels of radiation so intense they should have killed all witnesses on both sides of the wire.

81

00:07:38,000 --> 00:07:44,000

But despite some nausea, none will suffer any lasting effects.

82

00:07:44,000 --> 00:07:53,000

In the aftermath, Stone and his men are told the UFO was in reality the prototype of a new Soviet attack aircraft.

83

00:07:54,000 --> 00:08:02,000

Is it possible, or was the enemy aircraft's story a smokescreen to conceal an even more explosive secret?

84

00:08:03,000 --> 00:08:08,000

Unsealed case file X-47B

85

00:08:08,000 --> 00:08:13,000

June 14th, 2012, Washington, D.C.

86

00:08:13,000 --> 00:08:18,000

Dozens of commuters report a triangular UFO in the middle of the city.

87

00:08:18,000 --> 00:08:21,000

But it isn't in the sky overhead.

88

00:08:21,000 --> 00:08:25,000

It's being carried on the back of an 18-wheeled transport.

89

00:08:25,000 --> 00:08:35,000

Everybody was scared because all of a sudden they saw this craft that was shrouded with some type of covering that looked exactly like a UFO.

90

00:08:35,000 --> 00:08:39,000

What it soon revealed the UFO isn't what it seems.

91

00:08:39,000 --> 00:08:49,000

The U.S. Navy confirms the aircraft is in fact the new unmanned X-47B attack drone, and it's unlike any that's come before.

92

00:08:50,000 --> 00:08:53,000

It requires only a short runway for takeoff and landing.

93

00:08:53,000 --> 00:09:01,000

It can cruise at just under the speed of sound, and has three times the range of any current technology.

94

00:09:01,000 --> 00:09:07,000

But many ufologists have expressed grave concerns about the X-47.

95

00:09:07,000 --> 00:09:13,000

They believe the aircraft may be the product of the biggest government cover-up of all time.

96

00:09:14,000 --> 00:09:20,000

When you look at the technology, like the Bellway UFO, these ideas aren't just going to come out of thin air.

97

00:09:20,000 --> 00:09:30,000

There's another thought process, though, that says that this technology was not necessarily from the human brain, but given to us by an alien civilization.

98

00:09:31,000 --> 00:09:37,000

The appearance of the X-47 has given new life to a theory long held by ufologists.

99

00:09:38,000 --> 00:09:47,000

That generations of cutting-edge U.S. military aircraft have been developed using alien technology, recovered from UFO crash sites.

100

00:09:49,000 --> 00:09:55,000

Is it true? Could this new killer drone be the man-made product of alien technology?

101

00:09:56,000 --> 00:10:04,000

But if it is, why were witnesses in Washington, D.C. so quick to assume the X-47 was a UFO?

102

00:10:05,000 --> 00:10:10,000

Was it a simple case of mistaken identity? Or was something else at work?

103

00:10:10,000 --> 00:10:16,000

Something hidden deep in their subconscious, brought to light by the presence of the drone?

104

00:10:19,000 --> 00:10:30,000

Over the past few decades, the world has seen an alarming increase in reports of black triangle UFOs capable of penetrating Earth's most closely guarded airspace

105

00:10:30,000 --> 00:10:38,000

and neutralizing our most powerful weapons. But this may not be the only threat they pose.

106

00:10:39,000 --> 00:10:43,000

Suffolk, England, December 27, 1980.

107

00:10:43,000 --> 00:10:54,000

American Air Force Sergeant James Peniston, stationed at RAF Bentwaters Woodbridge Air Base, receives a report of strange flashing lights in nearby Rendlesham Forest.

108

00:10:55,000 --> 00:11:02,000

Accompanied by Airman John Burroughs, Peniston sets out to investigate what he fears to be a crashed aircraft.

109

00:11:02,000 --> 00:11:09,000

They approach the light, only to watch as it rises and moves off silently through the forest.

110

00:11:09,000 --> 00:11:16,000

The patrol follows, but each time they draw close, the object backs away in the opposite direction.

111

00:11:17,000 --> 00:11:29,000

When the airmen at last get close enough to see the object in detail, they are shocked to discover a triangular UFO with strange markings on its hull resembling Egyptian hieroglyphics.

112

00:11:30,000 --> 00:11:40,000

Fascinated, Peniston reaches out and touches the object. He senses something like an electrical current running through his hand and into his forearm.

113

00:11:40,000 --> 00:11:49,000

Peniston reported that he touched the surface of the craft as his fingers ran over some symbols that were on it.

114

00:11:49,000 --> 00:12:00,000

And while he was doing this, he felt like his mind was being flooded with some sort of binary code, which are numbers that are often associated with computers.

115

00:12:01,000 --> 00:12:06,000

The triangle darts off at what Peniston later describes as, impossible speed.

116

00:12:07,000 --> 00:12:10,000

The airmen race back to headquarters to report what they've seen.

117

00:12:11,000 --> 00:12:20,000

Deputy Commander Charles Halt is highly skeptical of their story, until two days later, when the mysterious lights reappear.

118

00:12:21,000 --> 00:12:26,000

Colonel Halt threw together a small team of men and went out into the forest to investigate.

119

00:12:26,000 --> 00:12:38,000

Colonel Halt routinely carried with him a handheld tape recorder on which it was his custom and practice to record his observations and thoughts.

120

00:12:39,000 --> 00:12:48,000

Halt records his encounter with the triangle. His breathless account will become one of the most compelling pieces of UFO evidence in history.

121

00:12:56,000 --> 00:12:59,000

Oh, it looks like we have a pair of city of theme coming down to the ground.

122

00:13:00,000 --> 00:13:09,000

Moments later, the UFO darts off into the night sky at great velocity, leaving the witnesses in a state of disbelief.

123

00:13:10,000 --> 00:13:16,000

What happened to James Peniston? What implanted those cryptic images in his mind?

124

00:13:16,000 --> 00:13:23,000

And what reduced a veteran airman like Charles Halt to a state of barely controlled terror?

125

00:13:23,000 --> 00:13:33,000

According to ufologists, many who encounter black triangles report bizarre psychological effects and disturbing images imprinted on their minds.

126

00:13:34,000 --> 00:13:41,000

Many eyewitnesses, like the airmen in Rental Shem Forest, will wrestle with these for the rest of their lives.

127

00:13:42,000 --> 00:13:48,000

What is behind this mental manipulation? Are the aliens who pilot black triangles telepathic?

128

00:13:49,000 --> 00:13:55,000

And is this mind control a kind of weapon? Or is something else at work?

129

00:13:57,000 --> 00:14:02,000

Aldergrove, British Columbia, July 17th, 1991.

130

00:14:03,000 --> 00:14:09,000

Corina Sables and a friend spot a massive triangle shaped UFO in the night sky above her house.

131

00:14:10,000 --> 00:14:19,000

Sables' friend steps inside their home for a moment. But when he returns, he's shocked to discover that Sables has vanished.

132

00:14:20,000 --> 00:14:28,000

He searches the house and surrounding area, only to find Sables an hour later in the very same place where she disappeared.

133

00:14:29,000 --> 00:14:36,000

Mysteriously, she has no idea that she was gone and is unable to account for the missing time.

134

00:14:37,000 --> 00:14:48,000

Sables appears unharmed by the experience. But in the period following her disappearance, she senses this isn't the first time she has disappeared and that it won't be the last.

135

00:14:49,000 --> 00:14:55,000

Even more disturbing, she will soon learn she isn't the only target under her roof.

136

00:14:56,000 --> 00:15:03,000

A few weeks later, Sables is shocked to see an alien grey creeping into her daughter's bedroom.

137

00:15:03,000 --> 00:15:09,000

Racing in, she finds the child unharmed, with no sign of any intruder.

138

00:15:10,000 --> 00:15:16,000

But soon after, the young girl begins drawing pictures of an alien she calls the Doctor.

139

00:15:17,000 --> 00:15:28,000

The child's account unleashes a flood of repressed abduction memories in Sables, including needles piercing her abdomen and row after row of alien fetuses stored in liquid.

140

00:15:29,000 --> 00:15:37,000

At that moment, Sables realizes that she has been part of an experiment to produce an alien human hybrid.

141

00:15:38,000 --> 00:15:45,000

Some experts believe this is the secret purpose behind decades of abduction and medical experiments.

142

00:15:46,000 --> 00:15:53,000

Why would you need to take humans, put some type of physical implant in there and do whatever genetic modification they're trying to do?

143

00:15:53,000 --> 00:15:59,000

My guess is they could potentially make a life form that they would like us to evolve into.

144

00:16:00,000 --> 00:16:11,000

Is this the secret behind the Black Triangles? Is their mission the creation of a race of alien human hybrids? And are these intruders telepathic?

145

00:16:12,000 --> 00:16:17,000

Many experts believe this is true, but others have a different theory.

146

00:16:18,000 --> 00:16:24,000

Reports of Black Triangle UFOs are spreading fear across the world.

147

00:16:25,000 --> 00:16:37,000

But recently, many experts have started to question who or what is controlling these terrifying objects, and the answer points to a civilization so advanced it boggles the mind.

148

00:16:38,000 --> 00:16:46,000

Scientists have labeled the moment when our technology will become smarter than humans as a technological singularity.

149

00:16:47,000 --> 00:16:54,000

Could triangle UFOs be the product of an alien civilization's technological singularity?

150

00:16:55,000 --> 00:17:06,000

Many eyewitnesses claim the astounding possibility, Leons, a type of artificial intelligence, part machine, part organism, roaming the earth,

151
