

1

00:00:00,000 --> 00:00:07,320

Experts have long believed the universe to be riddled with mysterious portals, shortcuts

2

00:00:07,320 --> 00:00:14,120

through space that allow travelers to span vast distances in the blink of an eye.

3

00:00:14,120 --> 00:00:19,960

Most believe these lies scattered throughout the cosmos, but other side evidence pointing

4

00:00:19,960 --> 00:00:25,720

to the existence of portals right here on Earth, thresholds that were first crossed

5

00:00:25,720 --> 00:00:30,720

long ago, but not by us.

6

00:00:30,720 --> 00:00:37,280

Aliens may have been secretly passing through these portals for untold millennia, and they

7

00:00:37,280 --> 00:00:43,960

may be coming to Earth not only from deep space, but from other dimensions as well,

8

00:00:43,960 --> 00:00:47,720

maybe even another universe.

9

00:00:47,720 --> 00:00:53,520

Do mysterious portals exist here on Earth, and are these doorways the true secret behind

10

00:00:53,520 --> 00:00:57,400

the UFO presence in our skies?

11

00:00:57,400 --> 00:01:04,040

From mighty volcanoes to secret underground civilizations, join us as we seek out these

12

00:01:04,040 --> 00:01:12,040

Earth portals and attempt to unravel their secrets on unsealed alien files.

13

00:01:12,040 --> 00:01:14,560

A global effort has begun.

14

00:01:14,560 --> 00:01:20,600

Secret files hidden from the public for decades detailing every UFO account are now available

15

00:01:20,600 --> 00:01:21,600

to the public.

16

00:01:22,080 --> 00:01:27,120

We are about to uncover the truth behind these classified documents.

17

00:01:27,120 --> 00:01:30,760

Find out what the government doesn't want you to know.

18

00:01:30,760 --> 00:01:34,000

Unsealed alien files.

19

00:01:34,000 --> 00:01:38,320

Exposing the biggest secret on planet Earth.

20

00:01:38,320 --> 00:01:44,040

The Cascades, Northern California, 1992.

21

00:01:44,040 --> 00:01:49,240

Ufologist Brian Wallenstein is driving through one of America's most picturesque mountain

22

00:01:49,240 --> 00:01:50,960

ranges.

23

00:01:50,960 --> 00:01:56,240

Before him lies Mount Chasta, a mountain the area's original inhabitants have long believed

24

00:01:56,240 --> 00:02:00,800

to be home to a heavenly spirit known as Skel.

25

00:02:00,800 --> 00:02:06,920

It was Skel who came to the aid of the ancients in a fiery battle against Laos, the spirit

26

00:02:06,920 --> 00:02:09,720

of the underworld.

27

00:02:09,720 --> 00:02:16,000

Glancing up at the night sky, Wallenstein notices a triangular formation of stars that

28

00:02:16,000 --> 00:02:20,000

seems too perfect to occur naturally.

29

00:02:20,040 --> 00:02:25,600

The lights moving slowly and two of the lights begin to pulse and the space between the three

30

00:02:25,600 --> 00:02:28,920

begins to ripple and oscillate.

31

00:02:28,920 --> 00:02:33,960

Wallenstein would later describe the phenomenon as something trying to come out of a fluid

32

00:02:33,960 --> 00:02:37,520

state into a solid state.

33

00:02:37,520 --> 00:02:44,800

It's at this moment the UFO expert realizes he is looking at the genuine article.

34

00:02:44,800 --> 00:02:50,680

But then, out of nowhere, the object makes a sharp turn toward nearby Mount Chasta, an

35

00:02:50,680 --> 00:02:52,640

active volcano.

36

00:02:52,640 --> 00:02:57,400

It speeds toward the rock face and its certain destruction.

37

00:02:57,400 --> 00:02:59,680

But the impact never comes.

38

00:02:59,680 --> 00:03:06,120

Instead, Wallenstein watches in awe as the craft disappears into a kind of portal that

39

00:03:06,120 --> 00:03:09,360

has opened up on the side of the mountain.

40

00:03:09,360 --> 00:03:14,760

Stopping the car, Wallenstein and his companions watch as eight more objects disappear into

41

00:03:14,760 --> 00:03:18,640

the mountain over a three hour span.

42

00:03:18,640 --> 00:03:25,240

The ufologist is convinced that what he saw were alien craft crossing a portal through

43

00:03:25,240 --> 00:03:27,640

time and space.

44

00:03:27,640 --> 00:03:34,520

It's a shocking theory, but one that raises many questions, perhaps first and foremost,

45

00:03:34,520 --> 00:03:37,400

how long has this doorway existed?

46

00:03:38,400 --> 00:03:45,440

A hotspot is a particular location where UFO sightings and alien encounters are prevalent.

47

00:03:45,440 --> 00:03:51,200

The Cascades is in fact among the world's most active UFO hotspots, with a long history

48

00:03:51,200 --> 00:03:58,680

of sightings, including one that would bring a significant addition to the English language.

49

00:03:58,680 --> 00:04:00,840

Unsealed case file.

50

00:04:00,840 --> 00:04:03,320

The Flying Saucer.

51

00:04:03,320 --> 00:04:08,640

June 24th, 1947, Mount Rainier, Washington.

52

00:04:08,640 --> 00:04:13,360

Pilot Kenneth Arnold is flying a search and rescue mission over the Cascades, when he

53

00:04:13,360 --> 00:04:22,120

spots nine convex shaped UFOs flying in impossibly tight formation at supersonic speed.

54

00:04:22,120 --> 00:04:27,440

Arnold later explains his encounter to the press, describing the objects as flying like

55

00:04:27,440 --> 00:04:31,520

a saucer would if you skipped it across the water.

56

00:04:31,520 --> 00:04:37,720

The image captures the imagination of a reporter for the Chicago Sun, and the term Flying Saucer

57

00:04:37,720 --> 00:04:42,200

enters the modern lexicon.

58

00:04:42,200 --> 00:04:49,200

Since then, UFO sightings in the Cascades have continued at a steady pace, and many believe

59

00:04:49,200 --> 00:04:53,640

the Mount Shasta portal to be the source.

60

00:04:53,640 --> 00:04:59,520

Over the years, some experts have questioned the government's lack of action on this phenomenon.

61

00:04:59,520 --> 00:05:04,320

Other conspiracy theorists, however, believe officials have quietly had their finger on

62

00:05:04,320 --> 00:05:09,440

the pulse of Mount Shasta for decades.

63

00:05:09,440 --> 00:05:14,280

Not far from Mount Shasta is the Hat Creek Radio Observatory.

64

00:05:14,280 --> 00:05:20,240

Built in the 1950s, the facility is operated by the search for extraterrestrial intelligence,

65

00:05:20,240 --> 00:05:26,440

better known as SETI, whose goal is the discovery of intelligent life beyond the confines of

66

00:05:26,440 --> 00:05:28,320

planet Earth.

67

00:05:28,320 --> 00:05:33,840

The Hat Creek Array scans distant stars for radio wave patterns that might indicate the

68

00:05:33,840 --> 00:05:37,760

presence of an alien civilization.

69

00:05:37,760 --> 00:05:42,760

But many experts have raised serious questions about the facility's close proximity to such

70

00:05:42,760 --> 00:05:45,560

a unique cosmic phenomenon.

71

00:05:45,560 --> 00:05:51,160

Why in the world would advanced civilization be using a radio wave?

72

00:05:51,160 --> 00:05:57,600

Why would SETI be looking for radio waves from a civilization that could be thousands

73

00:05:57,600 --> 00:06:00,760

or millions of years older than we are?

74

00:06:00,760 --> 00:06:02,880

Is it a mere coincidence?

75

00:06:02,880 --> 00:06:09,920

Or is Hat Creek's real purpose to monitor alien traffic passing in and out of the nearby

76

00:06:09,920 --> 00:06:11,320

portal?

77

00:06:11,320 --> 00:06:18,880

And is this the only threshold of its kind here on Earth?

78

00:06:18,880 --> 00:06:24,080

Reports suggest the existence of a mysterious portal on the slopes of Mount Shasta in the

79

00:06:24,080 --> 00:06:26,240

Pacific Northwest.

80

00:06:26,240 --> 00:06:30,840

One that may be providing UFOs access to our planet.

81

00:06:30,840 --> 00:06:36,360

And if local legends are true, this may have been going on for hundreds and perhaps even

82

00:06:36,360 --> 00:06:38,560

thousands of years.

83

00:06:38,560 --> 00:06:43,840

But Mount Shasta may not be the only such portal here on Earth.

84

00:06:43,840 --> 00:06:51,240

Other accounts point to a similar threshold in the most isolated region of our planet.

85

00:06:51,240 --> 00:06:53,840

Unsealed case file.

86

00:06:54,000 --> 00:07:19,720

The mission is to establish a research station and test the fleet's ability to operate in

87

00:07:19,720 --> 00:07:22,840

polar conditions.

88

00:07:22,840 --> 00:07:29,320

But many consider hijack real goal to be the destruction of a hidden Nazi base.

89

00:07:29,320 --> 00:07:35,160

It's a strategic ploy to stay one step ahead of the world's newest superpower, the Soviet

90

00:07:35,160 --> 00:07:36,840

Union.

91

00:07:36,840 --> 00:07:42,920

But Admiral Bird is about to discover that another unexpected force has beaten the allies

92

00:07:42,920 --> 00:07:46,840

to the punch.

93

00:07:46,840 --> 00:07:52,720

Approaching Antarctica, the fleet is allegedly surprised by enormous UFOs rising from the

94

00:07:52,720 --> 00:07:55,560

depths of the Southern Ocean.

95

00:07:55,560 --> 00:08:01,640

A battle ensues, during which the aliens down a number of Allied aircraft and sink at least

96

00:08:01,640 --> 00:08:04,800

one ship before vanishing.

97

00:08:04,800 --> 00:08:09,280

The attack appears to be a warning not to proceed any further.

98

00:08:09,280 --> 00:08:12,680

But Bird refuses to bend to the alien's will.

99

00:08:12,680 --> 00:08:17,320

Undaunted, he orders the fleet to sail on.

100

00:08:17,320 --> 00:08:22,320

Arriving at the reported location of the Nazi base, Bird and his task force are stunned

101

00:08:22,400 --> 00:08:27,320

to find the gaping entrance to a seemingly endless cave.

102

00:08:27,320 --> 00:08:32,120

Bird orders a squadron of aircraft to scout the area.

103

00:08:32,120 --> 00:08:36,120

It isn't long before their worst fears are realized.

104

00:08:36,120 --> 00:08:44,120

This was a wide enough entrance where the planes flew in in fighter formation.

105

00:08:44,120 --> 00:08:47,760

They were attacked by flying saucers.

106

00:08:47,760 --> 00:08:49,560

Most of them were shot down.

107

00:08:49,560 --> 00:08:54,560

Bird was actually captured and he was told, we will let you go.

108

00:08:54,560 --> 00:09:01,560

You go back to your leaders and you say you found nothing.

109

00:09:02,080 --> 00:09:07,800

Returning home, Bird makes no mention of any battles or alien encounters.

110

00:09:07,800 --> 00:09:10,680

But he does offer a cryptic warning.

111

00:09:10,680 --> 00:09:16,040

The bitter reality is that in the event of a new war, the United States will be attacked

112

00:09:16,040 --> 00:09:21,840

by aircraft flying in from one or both poles.

113

00:09:21,840 --> 00:09:27,280

There is no official record of the alleged top secret incident.

114

00:09:27,280 --> 00:09:33,080

What did Admiral Bird's forces encounter deep below the surface of Antarctica?

115

00:09:33,080 --> 00:09:36,800

Was it a secret alien base, as many suggest?

116

00:09:36,800 --> 00:09:43,800

Or could it have been a portal, one the visitors were ready to defend with their lives?

117

00:09:43,800 --> 00:09:49,520

What became of the extraterrestrials at the bottom of the world?

118

00:09:49,520 --> 00:09:55,720

In the years following Operation High Chomp, UFO sightings on the continent dwindle, suggesting

119

00:09:55,720 --> 00:10:01,640

that if there was a portal below the surface, it may have fallen into disuse.

120

00:10:01,640 --> 00:10:08,640

It will be nearly two decades before events once again suggest the door is open.

121

00:10:09,440 --> 00:10:11,800

Unsealed case file.

122

00:10:11,800 --> 00:10:14,800

The Antarctic Wave.

123

00:10:14,800 --> 00:10:21,560

By the mid 1960s, a number of nations have established permanent bases on Antarctica.

124

00:10:21,560 --> 00:10:25,800

Installations are equipped with the latest technology to study the region's climate and

125

00:10:25,800 --> 00:10:28,000

environment.

126

00:10:28,000 --> 00:10:31,800

July 1965.

127

00:10:31,800 --> 00:10:38,800

At 7.15 p.m. on July 2, five members of Britain's base B on Deception Island spot a strange light

128

00:10:39,800 --> 00:10:43,800

in the distance zigzagging across the sky.

129

00:10:43,800 --> 00:10:50,800

For 20 minutes they watch in amazement as it changes from green to red to yellow, slowing

130

00:10:51,440 --> 00:10:58,440

at times to a standstill before suddenly accelerating to resume its haphazard pattern.

131

00:10:58,960 --> 00:11:00,920

July 3rd.

132

00:11:00,920 --> 00:11:05,040

Personnel at the nearby Chilean base catch sight of an object matching the description

133

00:11:05,040 --> 00:11:08,320

of the UFO seen the night before.

134

00:11:08,360 --> 00:11:14,360

Again, the object is too far away to be seen in any detail.

135

00:11:14,360 --> 00:11:20,320

But just 20 minutes later, no fewer than 17 people at the Argentinian base on Deception

136

00:11:20,320 --> 00:11:24,120

Island experience a much closer encounter.

137

00:11:24,120 --> 00:11:29,200

The details of which are later made public by the nation's navy.

138

00:11:29,200 --> 00:11:36,200

The witnesses describe a giant, lens-shaped object, solid in appearance, moving on a zigzagged

139

00:11:36,200 --> 00:11:37,680

trajectory.

140

00:11:37,680 --> 00:11:42,240

The characteristics of the object and its motion were such that the possibility of a

141

00:11:42,240 --> 00:11:47,240

weather balloon, a plane, or a star were ruled out.

142

00:11:47,240 --> 00:11:53,160

Who they were and why they appeared with such frequency over the farthest flung corner of

143

00:11:53,160 --> 00:12:00,160

planet Earth could be explained by the existence of a portal.

144

00:12:01,160 --> 00:12:07,160

Mounting evidence has revealed that Earth may be home to one or more mysterious portals

145

00:12:07,800 --> 00:12:12,800

and that aliens may be using these interstellar pathways to visit our planet.

146

00:12:12,800 --> 00:12:19,800

But how common are these portals and is their presence here an accident?

147

00:12:20,560 --> 00:12:23,560

Unsealed case file.

148

00:12:23,560 --> 00:12:25,800

El Popo.

149

00:12:26,160 --> 00:12:28,040

Central Mexico.

150

00:12:28,040 --> 00:12:34,320

Popocatepetal is a highly active volcano that looms over the countryside, 40 miles southeast

151

00:12:34,320 --> 00:12:35,880

of Mexico City.

152

00:12:35,880 --> 00:12:42,880

El Popo, as it's known to the locals, regularly spews a deadly mix of ash, lava, and superheated

153

00:12:43,920 --> 00:12:45,680

rock.

154

00:12:45,680 --> 00:12:51,400

But these days, a major eruption isn't the only thing they have to fear.

155

00:12:51,400 --> 00:12:54,560

May 30th, 2013.

156

00:12:54,560 --> 00:13:01,560

Amateur video captures remarkable footage of a UFO flying dangerously close to El Popo.

157

00:13:02,160 --> 00:13:08,660

It slows as it approaches, only to execute an impossibly sharp turn and plunge at lightning

158

00:13:08,660 --> 00:13:14,280

speed into the smoking crater, never to emerge.

159

00:13:14,280 --> 00:13:18,720

It's just the latest in a series of reported sightings around the mountain, dating back

160

00:13:18,720 --> 00:13:21,360

to the previous year.

161

00:13:21,360 --> 00:13:26,200

The frequency of these incidents leads one of Latin America's largest media companies

162

00:13:26,200 --> 00:13:29,960

to establish a 24-hour watch on the mountain.

163

00:13:29,960 --> 00:13:36,560

In November, its cameras capture astonishing footage of a UFO, once again plunging into

164

00:13:36,560 --> 00:13:40,160

the fires of El Popo.

165

00:13:40,160 --> 00:13:46,360

Why would UFOs plunge to their certain destruction in the heart of an active volcano?

166

00:13:46,360 --> 00:13:51,080

Could there be a portal hidden deep within El Popo?

167

00:13:51,080 --> 00:13:58,080

El Popo stands at approximately 19.47 degrees north of the equator, a fact that seems trivial,

168

00:13:59,400 --> 00:14:03,040

until compared with some of Earth's planetary neighbors.

169

00:14:03,040 --> 00:14:04,520

Mars.

170

00:14:04,520 --> 00:14:07,680

Its landscape is eerily empty today.

171

00:14:07,680 --> 00:14:10,480

But it wasn't always like this.

172

00:14:10,480 --> 00:14:15,280

Billions of years ago, the red planet was geologically active.

173

00:14:15,280 --> 00:14:21,920

In fact, it was once home to the mightiest volcano the solar system has ever seen.

174

00:14:21,920 --> 00:14:28,200

Olympus Mons stands nearly 90,000 feet high, three times the height of Earth's tallest

175

00:14:28,200 --> 00:14:30,560

peak, Mount Everest.

176

00:14:30,560 --> 00:14:35,240

And its enormous base covers an area the size of Arizona.

177

00:14:35,240 --> 00:14:40,960

As impressive as these statistics are, the mountain's dimensions are not its most remarkable

178

00:14:40,960 --> 00:14:42,800

feature.

179

00:14:42,800 --> 00:14:49,800

Known on a map, Olympus Mons encompasses the 19th parallel of North latitude, the same

180

00:14:49,800 --> 00:14:52,240

as El Popo.

181

00:14:52,240 --> 00:14:59,520

Some 350 million miles further out lies the gas giant Jupiter, the largest planet in our

182

00:14:59,520 --> 00:15:01,880

solar system.

183

00:15:01,880 --> 00:15:08,880

Its trademark feature is the great red spot, a massive swirling storm, big enough to envelop

184

00:15:09,440 --> 00:15:11,760

two Earths.

185

00:15:11,760 --> 00:15:18,760

Like El Popo and Olympus Mons, it too encompasses one of the planet's 19th degrees of latitude,

186

00:15:20,000 --> 00:15:24,080

in this case, south of the equator.

187

00:15:24,080 --> 00:15:29,920

Three violent geographic features occupying the 19th parallel on three separate worlds,

188

00:15:29,920 --> 00:15:32,360

billions of miles apart.

189

00:15:32,360 --> 00:15:34,600

Is this merely coincidence?

190

00:15:34,600 --> 00:15:38,080

Or could these features have been designed?

191

00:15:38,080 --> 00:15:44,320

And an alien civilization construct them as camouflage for an interstellar portal hidden

192

00:15:44,320 --> 00:15:46,200

within.

193

00:15:46,200 --> 00:15:51,560

The connection between the three doesn't end with the 19th parallel.

194

00:15:51,560 --> 00:15:56,960

Over the past two centuries, more than 150 volcanic eruptions are reported to have been

195

00:15:56,960 --> 00:16:01,400

accompanied by spectacular displays of lightning.

196

00:16:01,400 --> 00:16:07,440

On Jupiter, the great red spot regularly sees massive lightning strikes, thousands of times

197

00:16:07,480 --> 00:16:10,880

more powerful than anything here on Earth.

198

00:16:10,880 --> 00:16:17,880

UFOs have long been suspected to disguise themselves as atmospheric anomalies.

199

00:16:18,000 --> 00:16:24,040

Could these lightning strikes be UFOs darting in and out of interstellar portals?

200

00:16:24,040 --> 00:16:30,540

And do El Popo, Olympus Mons and the great red spot represent a massive alien construction

201

00:16:30,540 --> 00:16:36,480

project in our solar system?

202

00:16:36,480 --> 00:16:41,000

Nothing evidence suggests that aliens have been constructing a series of mysterious

203

00:16:41,000 --> 00:16:46,880

portals throughout the solar system, including here on planet Earth.

204

00:16:46,880 --> 00:16:51,240

It's technology that seems beyond the scope of human comprehension.

205

00:16:51,240 --> 00:16:57,040

But today, scientists are in fact well on their way to unlocking the secrets behind

206

00:16:57,040 --> 00:17:01,080

these doorways to the other side of the universe.

207

00:17:01,080 --> 00:17:06,160

As 21st century technology evolves and new bright minds are pushing the envelope of what

208

00:17:06,160 --> 00:17:11,560

we understand as the human race, they're making discoveries that 30, 40 years ago,

209

00:17:11,560 --> 00:17:16,320

the smartest people that we hold in the highest regard in the scientific community were proving

210

00:17:16,320 --> 00:17:17,800

them wrong.

211

00:17:17,800 --> 00:17:23,640

Recently, spacecraft from both NASA and the European Space Agency have detected what

212

00:17:23,640 --> 00:17:29,680

some scientists believe to be the first hard evidence of portals.

213

00:17:29,680 --> 00:17:34,440

Their instruments have revealed a constantly reoccurring series of crosspoints in Earth's

214

00:17:34,440 --> 00:17:40,160

backyard where the planet's magnetic field connects with that of the sun.

215

00:17:40,160 --> 00:17:46,480

These X points create a 93 million mile conduit through which a flood of charged particles

216

00:17:46,480 --> 00:17:51,080

rush into the planet's upper atmosphere.

217

00:17:51,080 --> 00:17:56,360

Using its Themis spacecraft in conjunction with a European cluster probe, NASA found

218

00:17:56,360 --> 00:18:03,060

the X points may open and close dozens of times during a 24 hour period.

219

00:18:03,060 --> 00:18:10,420

How will aliens respond when they realize we are close to possessing this advanced technology?

220

00:18:10,420 --> 00:18:14,280

Will they welcome us as fellow travelers among the stars?

221

00:18:14,280 --> 00:18:20,720

Or will they stop at nothing to keep this ability for themselves?

222

00:18:20,720 --> 00:18:26,820

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
