

1

00:00:00,000 --> 00:00:12,200

The Nazis, led by Adolf Hitler, they were the greatest evil the world has ever known.

2

00:00:12,200 --> 00:00:20,120

In just 10 years, Hitler took Germany from crushing depression to world domination.

3

00:00:20,120 --> 00:00:21,960

But did he do it alone?

4

00:00:21,960 --> 00:00:27,880

Adolf Hitler and the Nazi Party was bent on gaining the highest level of technology they

5

00:00:27,880 --> 00:00:28,880

could.

6

00:00:28,880 --> 00:00:33,040

Did the Nazis have access to alien technology?

7

00:00:33,040 --> 00:00:40,360

And did they use it to transform their army into a strike force of unprecedented power?

8

00:00:40,360 --> 00:00:42,960

Did this relationship stop there?

9

00:00:42,960 --> 00:00:48,480

Or was it just part of a much bigger strategic alliance?

10

00:00:48,480 --> 00:00:57,520

Join us as shocking reports of Nazi dealings with alien beings are unsealed.

11

00:00:57,520 --> 00:01:00,040

A global effort has begun.

12

00:01:00,040 --> 00:01:06,120

Secret files hidden from the public for decades detailing every UFO account are now available

13

00:01:06,120 --> 00:01:07,600

to the public.

14

00:01:07,600 --> 00:01:12,640

We are about to uncover the truth behind these classified documents.

15

00:01:12,640 --> 00:01:16,360

Find out what the government doesn't want you to know.

16

00:01:16,360 --> 00:01:19,600

Unsealed alien files.

17

00:01:19,600 --> 00:01:23,640

Exposing the biggest secret on planet Earth.

18

00:01:23,640 --> 00:01:28,160

Breifswald, Germany, August 14th, 1990.

19

00:01:28,160 --> 00:01:33,520

Thousands watch in astonishment as a strange formation of seven lights appears in the night

20

00:01:33,520 --> 00:01:36,640

sky over the Baltic Sea.

21

00:01:36,640 --> 00:01:41,680

They hover in place for a full 30 minutes, giving ample opportunity for onlookers to

22

00:01:41,680 --> 00:01:45,640

capture compelling video evidence of the incident.

23

00:01:45,640 --> 00:01:52,400

Later, German UFO researchers will use five of these videos to pinpoint the formation's

24

00:01:52,400 --> 00:01:58,400

exact position, not far from the Breifswald nuclear power plant.

25

00:01:58,400 --> 00:02:01,280

Some see this as cause for concern.

26

00:02:01,280 --> 00:02:07,040

Others however, note the formation's proximity to another landmark, one that no longer appears

27

00:02:07,040 --> 00:02:14,120

on the map, but instills a far greater fear than any nuclear reactor.

28

00:02:14,120 --> 00:02:15,720

Pinnimunde.

29

00:02:15,720 --> 00:02:19,760

The infamous construction site of the V-2 rocket.

30

00:02:19,760 --> 00:02:24,800

During the late stages of the Second World War, the Nazis launched more than 3,000 of

31

00:02:24,800 --> 00:02:30,400

the technologically advanced missiles against the Allies, reining a new kind of death on

32

00:02:30,400 --> 00:02:33,160

victims below.

33

00:02:33,160 --> 00:02:38,240

The V-2 represented an unprecedented leap in weapons technology.

34

00:02:38,240 --> 00:02:43,560

One many believe was too great to be explained by any earthly means.

35

00:02:43,560 --> 00:02:50,240

Today, many ufologists are convinced the Nazis received assistance from extraterrestrial

36

00:02:50,240 --> 00:02:58,400

beings, but the exact nature of this relationship has so far remained a mystery.

37

00:02:58,400 --> 00:03:04,240

The Nazi alien connection can be traced back to the ultra-secret Vril Society in the days

38

00:03:04,240 --> 00:03:06,400

following the First World War.

39

00:03:06,400 --> 00:03:13,200

Its members were fanatical followers of 19th century author Edward Bulver Leighton and

40

00:03:13,200 --> 00:03:18,640

his novel Vril, the power of the coming race.

41

00:03:18,640 --> 00:03:25,240

In it, the author describes a race of ethereal beings living in an underground utopia forged

42

00:03:25,240 --> 00:03:31,320

by their ability to wield a mystical power known as the Vril.

43

00:03:31,320 --> 00:03:33,120

Even the book was a work of fiction.

44

00:03:33,120 --> 00:03:38,960

There were a group of people that followed the story, that believed it to be true, that

45

00:03:38,960 --> 00:03:45,160

thought the Vril actually existed, that this other worldly power source could be tapped.

46

00:03:45,160 --> 00:03:51,440

Society members including Heinrich Himmler and Rudolf Hess believe the ancient Arians

47

00:03:51,440 --> 00:03:58,520

possessed similar powers, drawn from a mysterious black sun hidden behind our own.

48

00:03:58,520 --> 00:04:02,200

The society really believed in the black sun.

49

00:04:02,200 --> 00:04:10,080

That was one reason why when the Nazis were developing their uniforms for the elite SS

50

00:04:10,080 --> 00:04:15,000

and the black trench coats that were worn by the German secret police, that was why

51

00:04:15,000 --> 00:04:20,960

they were all black and the swastika was black and it became a black symbol because it was

52

00:04:20,960 --> 00:04:24,680

tapping into the power of the black sun.

53

00:04:24,680 --> 00:04:31,280

Hitler himself is rumored to have joined the society in 1919, but the Vril Society will

54

00:04:31,280 --> 00:04:37,600

remain a closely guarded secret throughout the rest of his rise to power until an unexpected

55

00:04:37,600 --> 00:04:42,720

event will force them out of the shadows.

56

00:04:42,720 --> 00:04:48,040

Unsealed Case File, the Nazi Roswell.

57

00:04:48,040 --> 00:04:52,480

Freiberg, Germany, summer 1936.

58

00:04:52,480 --> 00:04:58,440

Residents report a strange disc shaped object has crashed nearby during the night.

59

00:04:58,640 --> 00:05:01,960

SS troops are on the scene within the hour.

60

00:05:01,960 --> 00:05:07,400

There, they allegedly find not only wreckage, but also the bodies of the craft's alien

61

00:05:07,400 --> 00:05:12,040

crew, including one survivor.

62

00:05:12,040 --> 00:05:16,880

The extraterrestrials are quickly whisked away along with the debris.

63

00:05:16,880 --> 00:05:23,040

From Freiberg, this strange cargo is taken to the Welsberg Castle.

64

00:05:23,040 --> 00:05:28,160

It's the spiritual heart of Nazi Germany, lavishly decorated with the symbols of Nazi

65

00:05:28,200 --> 00:05:31,520

nationalism, including the black sun.

66

00:05:31,520 --> 00:05:38,520

There, it is reportedly delivered into the care of the fanatical scientist Hans Kamler,

67

00:05:38,520 --> 00:05:44,080

who years later will oversee the development of the V2 rocket.

68

00:05:44,080 --> 00:05:49,040

In the meantime, Kamler is alleged to have devoted himself to the study of the UFO's

69

00:05:49,040 --> 00:05:58,040

technology, with the intention of using it to develop a Nazi super weapon.

70

00:05:58,080 --> 00:06:03,720

Many leading ufologists believe that Nazi Germany engaged in a secret program to use

71

00:06:03,720 --> 00:06:11,400

technology recovered from a crashed UFO to build a new generation of super weapons.

72

00:06:11,400 --> 00:06:16,400

Some believe it was applying saucer propelled by an anti-gravity drive.

73

00:06:16,400 --> 00:06:20,680

But there is another, even more shocking theory.

74

00:06:20,680 --> 00:06:26,280

Kecksburg, Pennsylvania, December 9th, 1965.

75

00:06:26,280 --> 00:06:31,520

Kecksburg reports a strange, bell-shaped object streaking across the sky.

76

00:06:31,520 --> 00:06:36,520

It appears to adjust trajectory before crashing in the woods outside town.

77

00:06:36,520 --> 00:06:45,520

When they gathered, what they noticed was that almost instantly a group, a unit of American

78

00:06:45,520 --> 00:06:52,840

soldiers who were knowing Signia and came with a flatbed truck were there to retrieve

79

00:06:52,840 --> 00:06:55,400

this object and take it away.

80

00:06:55,400 --> 00:07:05,520

The army quickly loads the object onto a truck and transports it from the site.

81

00:07:05,520 --> 00:07:12,080

Also seen among the recovery team that evening are personnel wearing the NASA insignia, but

82

00:07:12,080 --> 00:07:16,840

no explanation is ever given regarding their presence.

83

00:07:16,840 --> 00:07:23,360

In the years that follow, details of the Kecksburg object are leaked to the public.

84

00:07:23,440 --> 00:07:28,400

According to the amazement of many, they match the reported description of the most infamous

85

00:07:28,400 --> 00:07:35,560

and potentially deadly piece of missing Nazi technology of the Second World War.

86

00:07:35,560 --> 00:07:37,640

Unsealed case file.

87

00:07:37,640 --> 00:07:40,120

D. Glucker.

88

00:07:40,120 --> 00:07:42,440

1997.

89

00:07:42,440 --> 00:07:47,840

Investigative journalist Igor Witkowski obtains a series of transcripts from the interrogation

90

00:07:47,840 --> 00:07:52,560

of former SS officer, Jakob Sporenberg.

91

00:07:52,560 --> 00:07:57,600

Among them, he describes a highly classified Nazi weapons development project from the

92

00:07:57,600 --> 00:07:59,840

Second World War.

93

00:07:59,840 --> 00:08:02,880

Its codename, D. Gucker.

94

00:08:02,880 --> 00:08:06,600

English translation, the bell.

95

00:08:06,600 --> 00:08:12,840

According to Sporenberg, D. Gucker was reportedly a metallic object approximately nine feet

96

00:08:12,840 --> 00:08:17,080

in diameter and 12 to 15 feet tall.

97

00:08:17,080 --> 00:08:23,320

In operation, a powerful electrical pulse caused two counter-rotating cylinders to circulate

98

00:08:23,320 --> 00:08:31,960

a purplish viscous metal substance similar to mercury, codename Zero-M-525.

99

00:08:31,960 --> 00:08:38,320

According to the former SS man, this substance was likely radioactive as test runs of the

100

00:08:38,320 --> 00:08:44,680

device were known to have deadly effects on any bystanders.

101

00:08:44,680 --> 00:08:48,880

There are quite a few theories about what D. Glicker, the Nazi Bell, actually was.

102

00:08:48,880 --> 00:08:53,080

One of the most prevalent theories is that it was an anti-gravitational craft.

103

00:08:53,080 --> 00:08:57,400

Obviously, a piece of technology like that would alter the war.

104

00:08:57,400 --> 00:09:02,840

Anti-gravity technology would have freed German fighter aircraft from the speed and maneuverability

105

00:09:02,840 --> 00:09:08,800

limitations of conventional planes, giving them supremacy in the sky.

106

00:09:08,800 --> 00:09:12,960

But this isn't the only theory regarding D. Glucker.

107

00:09:13,400 --> 00:09:22,160

What D. Glucker could possibly be is a piece of technology utilized for time travel.

108

00:09:22,160 --> 00:09:28,120

And the reason many theorists have come forward with this idea is that it all indicates that

109

00:09:28,120 --> 00:09:34,120

whatever this object was, whatever D. Glucker was, the Nazi Bell, it could be utilized for

110

00:09:34,120 --> 00:09:41,520

time travel and that in itself would ultimately be the Wunderwaffe of the Nazi Party.

111

00:09:41,560 --> 00:09:48,000

Did the Nazis really invent a time machine using alien technology recovered from a flying

112

00:09:48,000 --> 00:09:49,000

saucer?

113

00:09:49,000 --> 00:09:51,600

And did it work?

114

00:09:51,600 --> 00:09:59,520

Shortly after the war, the United States undertakes Operation Paperclip, a program offering asylum

115

00:09:59,520 --> 00:10:05,560

to top Nazi scientists in return for their help in weapons development projects and America's

116

00:10:05,560 --> 00:10:08,080

newly established space program.

117

00:10:09,080 --> 00:10:15,080

Among them was a man who would appear at the Kecksburg crash site nearly 20 years later.

118

00:10:16,080 --> 00:10:25,080

What were the Americans doing and what were NASA personnel doing to recover this object?

119

00:10:25,080 --> 00:10:34,000

The person in Germany in charge of the Glucker was an SS Colonel by the name of Kurt Daibers.

120

00:10:34,000 --> 00:10:40,720

He disappeared too, but he turned up in America under Operation Paperclip where he became one

121

00:10:40,720 --> 00:10:43,920

of the directors of NASA.

122

00:10:43,920 --> 00:10:49,800

Was De Glucker a time machine and was the Kecksburg incident the result of a test run

123

00:10:49,800 --> 00:10:53,760

of De Glucker from some two decades earlier?

124

00:10:55,760 --> 00:11:02,920

Reports suggest that a UFO crashed in Germany in 1936 and that the Nazis may have used this

125

00:11:02,920 --> 00:11:09,480

technology to build a time machine, one that may have crashed in the Pennsylvania woods

126

00:11:09,480 --> 00:11:11,920

in 1965.

127

00:11:11,920 --> 00:11:18,920

But did they achieve this on their own or did they have alien assistance as many attest?

128

00:11:18,920 --> 00:11:26,520

A possible answer would come decades later and from an unexpected source.

129

00:11:26,520 --> 00:11:29,020

1991.

130

00:11:29,020 --> 00:11:31,840

The Soviet Union falls.

131

00:11:31,840 --> 00:11:39,760

Over the next two decades, a series of top secret KGB documents surface for the first time.

132

00:11:39,760 --> 00:11:44,760

One in particular will catch the attention of UFO investigators.

133

00:11:44,760 --> 00:11:49,760

Entitled, Stalin's Secret Report on Task 468.

134

00:11:49,760 --> 00:11:55,760

The document is a report submitted by agents embedded in the U.S. military in the days following

135

00:11:55,760 --> 00:11:57,760

the Second World War.

136

00:11:57,760 --> 00:12:05,680

It recounts what many ufologists consider to be the most important battle in history.

137

00:12:05,680 --> 00:12:07,680

Unsealed case file.

138

00:12:07,680 --> 00:12:10,680

Operation High Jump.

139

00:12:10,680 --> 00:12:12,680

1943.

140

00:12:12,680 --> 00:12:16,680

Allied forces have driven Hitler's army from North Africa.

141

00:12:16,680 --> 00:12:20,680

The tide of war has turned against Germany.

142

00:12:20,680 --> 00:12:26,680

But according to Admiral Donitz, head of the German Navy, the public need not fear for

143

00:12:26,680 --> 00:12:27,680

their safety.

144

00:12:27,680 --> 00:12:33,200

His submarine fleet has constructed a secret fortress in a distant corner of the world he

145

00:12:33,200 --> 00:12:36,800

describes as Shangri-La.

146

00:12:36,800 --> 00:12:43,240

In 1938, the Germans made a well-documented expedition to Antarctica with the stated purpose

147

00:12:43,240 --> 00:12:47,000

of establishing a whaling operation.

148

00:12:47,000 --> 00:12:49,120

But was this true?

149

00:12:49,120 --> 00:12:56,400

Or did this expedition in fact lay the foundation for Donitz's impregnable fortress?

150

00:12:56,520 --> 00:13:04,360

By 1945, Germany is in ruins and Hitler is believed to be dead by his own hand.

151

00:13:04,360 --> 00:13:10,640

But rumors of his survival are widespread and American intelligence is aware that high-ranking

152

00:13:10,640 --> 00:13:16,400

Nazis are escaping to South America through an underground network.

153

00:13:16,400 --> 00:13:21,000

The question is, was this the end of the line?

154

00:13:21,000 --> 00:13:23,560

December 1946.

155

00:13:23,560 --> 00:13:28,960

Admiral Richard Byrd leads a multinational task force on an eight-month expedition to

156

00:13:28,960 --> 00:13:30,880

Antarctica.

157

00:13:30,880 --> 00:13:34,720

Its codename, Operation High Jump.

158

00:13:34,720 --> 00:13:38,720

Operation High Jump was apparently a project that would take the United States Navy down

159

00:13:38,720 --> 00:13:44,320

to Antarctica and see how military technology and our military forces would operate at such

160

00:13:44,320 --> 00:13:46,120

extreme temperatures.

161

00:13:46,120 --> 00:13:48,560

Now, what was their true reason?

162

00:13:48,560 --> 00:13:53,520

Was it to operate this technology to see how it would function in such cold weather and

163

00:13:53,520 --> 00:13:57,080

extreme environments, or were they looking for something else?

164

00:13:57,080 --> 00:14:02,560

Publicly, the mission's objective is to establish a research station and to test the fleet's

165

00:14:02,560 --> 00:14:06,560

ability to operate in polar conditions.

166

00:14:06,560 --> 00:14:12,080

But according to the KGB, High Jump's real goal is to destroy the remnants of a secret

167

00:14:12,080 --> 00:14:17,480

Nazi base and lay claim to the frozen continent.

168

00:14:17,480 --> 00:14:23,480

Approaching Antarctica, the fleet is allegedly surprised by enormous UFOs rising from the

169

00:14:23,560 --> 00:14:26,200

depths of the Southern Ocean.

170

00:14:26,200 --> 00:14:32,040

A battle ensues, during which the aliens down a number of Allied aircraft and sink at least

171

00:14:32,040 --> 00:14:35,280

one ship before vanishing.

172

00:14:35,280 --> 00:14:40,840

The attack appears to be a warning not to proceed any further, but Byrd refuses to bend

173

00:14:40,840 --> 00:14:43,520

to the aliens' will.

174

00:14:43,520 --> 00:14:48,760

It's the first of a series of reported encounters with UFOs.

175

00:14:48,760 --> 00:14:52,720

Undaunted, Byrd orders the fleet to sail on.

176

00:14:52,760 --> 00:14:59,360

Arriving at the reported location of the Nazi base, Byrd and his task force instead find

177

00:14:59,360 --> 00:15:04,120

the gaping entrance to a seemingly endless cave.

178

00:15:04,120 --> 00:15:07,800

Byrd orders a squadron of aircraft to scout the area.

179

00:15:07,800 --> 00:15:13,360

It isn't long before their worst fears are realized.

180

00:15:13,360 --> 00:15:19,360

This was a wide enough entrance where the planes flew in in fighter formation.

181

00:15:19,360 --> 00:15:22,480

They were attacked by flying saucers.

182

00:15:22,480 --> 00:15:24,240

Most of them were shot down.

183

00:15:24,240 --> 00:15:29,240

Byrd was actually captured and he was told, we will let you go.

184

00:15:29,240 --> 00:15:35,240

You go back to your leaders and you say you found nothing.

185

00:15:35,240 --> 00:15:41,240

Returning home, Byrd makes no mention of any battles or alien encounters.

186

00:15:41,240 --> 00:15:46,680

But he does offer an ominous warning that the world must be ever vigilant to the possibility

187

00:15:46,680 --> 00:15:51,280

of attack from the polar regions.

188

00:15:51,280 --> 00:15:55,600

What did Admiral Byrd encounter during Operation Hyjom?

189

00:15:55,600 --> 00:15:59,520

Was it really a secret Nazi alien base?

190

00:15:59,520 --> 00:16:09,520

And what has become of weapons like Degluccha, alleged to have been built with alien technology?

191

00:16:09,520 --> 00:16:14,920

Mounting evidence suggests the Nazis may have had contact with extraterrestrials and attempted

192

00:16:14,920 --> 00:16:20,080

to create super weapons from recovered alien technology.

193

00:16:20,080 --> 00:16:26,800

Both of these claims may yet lie hidden deep within Germany's government archives.

194

00:16:26,800 --> 00:16:32,360

In the decades since the war, Germany has totally reinvented itself into a progressive

195

00:16:32,360 --> 00:16:36,920

beacon of peace and an economic powerhouse.

196

00:16:36,920 --> 00:16:42,240

But while the United States, France, England and Canada have all granted public access

197

00:16:42,240 --> 00:16:49,080

to at least some of their official records on UFOs, Germany has so far released nothing.

198

00:16:50,080 --> 00:16:56,080

This uncharacteristic veil of secrecy has been the subject of growing concern among Germany's

199

00:16:56,080 --> 00:16:58,440

UFO community.

200

00:16:58,440 --> 00:17:04,560

And recently, one man took his fight to court.

201

00:17:04,560 --> 00:17:11,200

In December 2011, a judge granted ufologist Frank Reitemeyer the right to view a file

202

00:17:11,200 --> 00:17:16,720

he claims to have been written by Germany's scientific service regarding research into

203

00:17:16,760 --> 00:17:21,640

extraterrestrial life and UFOs.

204

00:17:21,640 --> 00:17:28,160

But the German government has filed an appeal to prevent the documents release.

205

00:17:28,160 --> 00:17:34,320

Why are German officials fighting to retain documents they claim do not exist?

206

00:17:34,320 --> 00:17:38,520

Do they fear the secrets of the past?

207

00:17:38,520 --> 00:17:43,640

The Nazi regime virtually had an unlimited amount of resources to put into their technology

208

00:17:43,640 --> 00:17:44,640

research.

209

00:17:44,640 --> 00:17:47,160

They were able to create highly advanced weaponry.

210

00:17:47,160 --> 00:17:50,360

They were able to create highly advanced aircraft.

211

00:17:50,360 --> 00:17:53,360

Really their resources were unlimited when it came to this.

212

00:17:53,360 --> 00:17:58,320

I think there's no doubt that their ability came from just having that unlimited amount

213

00:17:58,320 --> 00:18:01,840

of resources to take their technology to the next level.

214

00:18:01,840 --> 00:18:08,840

Or do they fear what knowledge of this technology might do to our future?

215

00:18:08,840 --> 00:18:16,840

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
