

1

00:00:00,000 --> 00:00:04,000

Do aliens exist?

2

00:00:04,000 --> 00:00:08,000

And have they visited planet Earth?

3

00:00:08,000 --> 00:00:12,000

These are perhaps the most important questions of our time.

4

00:00:12,000 --> 00:00:16,000

Skeptics say seeing is believing,

5

00:00:16,000 --> 00:00:20,000

but many experts say they have already seen

6

00:00:20,000 --> 00:00:23,000

enough.

7

00:00:23,000 --> 00:00:26,000

There were bodies that were seen at Roswell Army Airfield,

8

00:00:26,000 --> 00:00:29,000

so you have to ask if it really was a weather balloon

9

00:00:29,000 --> 00:00:31,000

which is unmanned that had crashed,

10

00:00:31,000 --> 00:00:34,000

where did the bodies come from?

11

00:00:34,000 --> 00:00:37,000

For decades, eye witnesses have come forward

12

00:00:37,000 --> 00:00:39,000

with unsettling stories of alien bodies

13

00:00:39,000 --> 00:00:42,000

recovered from crashed UFOs.

14

00:00:42,000 --> 00:00:46,000

Some have even provided detailed accounts of military doctors

15

00:00:46,000 --> 00:00:51,000

conducting alien autopsies in top secret government installations.

16

00:00:51,000 --> 00:00:53,000

But is it true?

17

00:00:53,000 --> 00:00:57,000

Does the government possess alien remains?

18

00:00:57,000 --> 00:01:02,000

And why is this information being kept from the public?

19

00:01:02,000 --> 00:01:07,000

Join us as we uncover the truth about alien remains

20

00:01:07,000 --> 00:01:12,000

and reveal the shocking secrets hidden inside their bodies.

21

00:01:12,000 --> 00:01:16,000

On Unsealed, Alien Files.

22

00:01:16,000 --> 00:01:18,000

A global effort has begun.

23

00:01:18,000 --> 00:01:21,000

Secret files hidden from the public for decades,

24

00:01:21,000 --> 00:01:25,000

detailing every UFO account, are now available to the public.

25

00:01:25,000 --> 00:01:30,000

We are about to uncover the truth behind these classified documents.

26

00:01:30,000 --> 00:01:34,000

Find out what the government doesn't want you to know.

27

00:01:34,000 --> 00:01:37,000

Unsealed, Alien Files.

28

00:01:37,000 --> 00:01:41,000

Exposing the biggest secret on planet Earth.

29

00:01:41,000 --> 00:01:46,000

Virginia, Brazil. January 20, 1996.

30

00:01:46,000 --> 00:01:49,000

Three women spot a small figure

31

00:01:49,000 --> 00:01:53,000

stumbling through the streets in the early morning hours.

32

00:01:53,000 --> 00:01:56,000

It's not an unusual sight here.

33

00:01:56,000 --> 00:02:00,000

But on closer inspection, this is no late night partygoer

34

00:02:00,000 --> 00:02:04,000

winding their way home after a long night on the town.

35

00:02:04,000 --> 00:02:08,000

In fact, it isn't even human.

36

00:02:08,000 --> 00:02:10,000

The women flee in fear,

37

00:02:10,000 --> 00:02:14,000

but not before getting a good look at the creature.

38

00:02:14,000 --> 00:02:18,000

They later describe it as five feet tall with brown skin.

39

00:02:18,000 --> 00:02:20,000

A large head.

40

00:02:20,000 --> 00:02:23,000

And red eyes.

41

00:02:23,000 --> 00:02:27,000

Two days later, a similar creature is discovered dead in the street

42

00:02:27,000 --> 00:02:31,000

and is quickly recovered by Brazilian security forces.

43

00:02:31,000 --> 00:02:33,000

Over the next three weeks,

44

00:02:33,000 --> 00:02:38,000

they reportedly capture seven more creatures in the area.

45

00:02:38,000 --> 00:02:41,000

The incidents receive international coverage.

46

00:02:41,000 --> 00:02:44,000

Many speculate that a UFO crashed in the area

47

00:02:44,000 --> 00:02:48,000

and in a bizarre twist, all alien remains were turned over

48

00:02:48,000 --> 00:02:52,000

to representatives from the United States.

49

00:02:52,000 --> 00:02:58,000

Why would Brazilian officials hand over such a monumental discovery?

50

00:02:58,000 --> 00:03:00,000

Was it voluntary?

51

00:03:00,000 --> 00:03:03,000

Or were they forced?

52

00:03:03,000 --> 00:03:05,000

Beyond a living specimen,

53

00:03:05,000 --> 00:03:09,000

alien bodies remain the most compelling evidence of intelligent life

54

00:03:09,000 --> 00:03:12,000

on other planets.

55

00:03:13,000 --> 00:03:16,000

If their existence is ever made public,

56

00:03:16,000 --> 00:03:19,000

it would change how we see the universe forever

57

00:03:19,000 --> 00:03:23,000

and could incite panic around the world.

58

00:03:23,000 --> 00:03:25,000

According to experts,

59

00:03:25,000 --> 00:03:28,000

it's this fear that has motivated the US government

60

00:03:28,000 --> 00:03:35,000

to develop recovery tactics to ensure all alien remains stay top secrets.

61

00:03:35,000 --> 00:03:40,000

Insider accounts reveal these operations to be highly coordinated

62

00:03:40,000 --> 00:03:43,000

and have the highest level of secrecy.

63

00:03:43,000 --> 00:03:48,000

They have been going on much longer than most would expect.

64

00:03:48,000 --> 00:03:51,000

Unsealed case file.

65

00:03:51,000 --> 00:03:54,000

The Kingman Incident.

66

00:03:54,000 --> 00:03:56,000

1973.

67

00:03:56,000 --> 00:04:00,000

Veteran UFO investigator Ray Fowler is contacted by a man

68

00:04:00,000 --> 00:04:02,000

with an incredible story to tell.

69

00:04:02,000 --> 00:04:06,000

His name is Arthur Stansel.

70

00:04:06,000 --> 00:04:10,000

As sworn affidavit, Stansel states that in the early 1950s,

71

00:04:10,000 --> 00:04:14,000

he was an Air Force engineer designing landing gear

72

00:04:14,000 --> 00:04:18,000

and studying the effects of nuclear blasts on buildings.

73

00:04:18,000 --> 00:04:23,000

But on May 21st, 1953, he was set on an assignment,

74

00:04:23,000 --> 00:04:26,000

unlike any before.

75

00:04:26,000 --> 00:04:30,000

Stansel found himself on a military plane bound for Phoenix

76

00:04:30,000 --> 00:04:33,000

with 15 other specialists.

77

00:04:33,000 --> 00:04:36,000

Their task was yet to be revealed.

78

00:04:36,000 --> 00:04:40,000

Arriving in Phoenix, the team was ushered aboard a school bus

79

00:04:40,000 --> 00:04:42,000

with blacked out windows.

80

00:04:42,000 --> 00:04:47,000

Their destination was to remain as secrets, permanently.

81

00:04:47,000 --> 00:04:51,000

On route, they were given a briefing by a ranking officer

82

00:04:51,000 --> 00:04:54,000

who told them a top secret Air Force aircraft had crashed

83

00:04:54,000 --> 00:04:59,000

and that they were to conduct a forensic investigation of the site.

84

00:04:59,000 --> 00:05:03,000

Stansel's task was to determine the velocity and angle of descent

85

00:05:03,000 --> 00:05:05,000

at the time of impact.

86

00:05:05,000 --> 00:05:08,000

Four hours later, they arrived at their destination

87

00:05:08,000 --> 00:05:13,000

that the engineer estimated to be somewhere near Kingman, Arizona.

88

00:05:13,000 --> 00:05:18,000

The mystery only deepened when Stansel first laid eyes on the craft.

89

00:05:18,000 --> 00:05:22,000

It was disc-shaped, some 30 feet in diameter,

90

00:05:22,000 --> 00:05:25,000

with a convex top and bottom.

91

00:05:25,000 --> 00:05:29,000

During his investigation, the engineer noticed a tent nearby

92

00:05:29,000 --> 00:05:32,000

with a military policeman standing guard.

93

00:05:32,000 --> 00:05:38,000

Inside, he saw the body of a humanoid creature in a silver suit.

94

00:05:38,000 --> 00:05:45,000

Its skin was dark brown, and on its head was a metallic skull cap.

95

00:05:45,000 --> 00:05:47,000

Finishing their investigation,

96

00:05:47,000 --> 00:05:51,000

Stansel and the other specialists were quickly ushered from the site.

97

00:05:51,000 --> 00:05:55,000

They were ordered to say nothing of the incident.

98

00:05:55,000 --> 00:06:00,000

It was the last Arthur Stansel ever saw of the Kingman creature.

99

00:06:00,000 --> 00:06:05,000

Did the United States government recover alien remains?

100

00:06:05,000 --> 00:06:10,000

And if so, why is this information being kept from the public?

101

00:06:13,000 --> 00:06:16,000

Reports suggest that for decades,

102

00:06:16,000 --> 00:06:20,000

the United States government has aggressively pursued the recovery

103

00:06:20,000 --> 00:06:23,000

of alien remains from UFO crash sites,

104

00:06:23,000 --> 00:06:28,000

both at home and abroad, under an intense veil of secrecy.

105

00:06:28,000 --> 00:06:32,000

It's an accusation Washington has consistently denied,

106

00:06:32,000 --> 00:06:39,000

but a recently released document may blow the lid of this conspiracy once and for all.

107

00:06:46,000 --> 00:06:49,000

April 2011.

108

00:06:49,000 --> 00:06:54,000

The FBI's website is flooded by traffic after the release of a secret memo

109

00:06:54,000 --> 00:06:58,000

addressed to former FBI director J. Edgar Hoover.

110

00:06:58,000 --> 00:07:04,000

Guy Hottel was a former special agent in charge of the FBI's Washington field office.

111

00:07:04,000 --> 00:07:08,000

In a memo dated March 22, 1950,

112

00:07:08,000 --> 00:07:12,000

he records an eyewitness account of a 1947 incident

113

00:07:12,000 --> 00:07:16,000

that has since become a milestone in human history.

114

00:07:16,000 --> 00:07:22,000

The recovery of flying saucers crashed in the deserts of New Mexico.

115

00:07:22,000 --> 00:07:27,000

Hottel states they were described as being circular in shape

116

00:07:27,000 --> 00:07:32,000

with raised centers approximately 50 feet in diameter.

117

00:07:32,000 --> 00:07:36,000

Each one was occupied by three bodies of human shape,

118

00:07:36,000 --> 00:07:38,000

but only three feet tall,

119

00:07:38,000 --> 00:07:43,000

dressed in metallic cloth of a very fine texture.

120

00:07:43,000 --> 00:07:48,000

The release of the memo sends shock waves throughout the worldwide UFO community.

121

00:07:48,000 --> 00:07:53,000

It finally confirms what independent investigators have long suspected,

122

00:07:53,000 --> 00:07:57,000

that the U.S. government has proof that extraterrestrials exist,

123

00:07:57,000 --> 00:08:03,000

but has deliberately kept it hidden from the world.

124

00:08:03,000 --> 00:08:06,000

But one burning question remained.

125

00:08:06,000 --> 00:08:10,000

What incident was Hottel referring to?

126

00:08:10,000 --> 00:08:13,000

Was it the infamous Roswell crash?

127

00:08:13,000 --> 00:08:17,000

Or was it another lesser known incident?

128

00:08:17,000 --> 00:08:25,000

1947 saw an intense wave of UFO activity across the New Mexico desert.

129

00:08:25,000 --> 00:08:28,000

Unsealed case file.

130

00:08:28,000 --> 00:08:32,000

The Plains of San Augustine.

131

00:08:32,000 --> 00:08:35,000

Plains of San Augustine, New Mexico.

132

00:08:35,000 --> 00:08:38,000

Summer, 1947.

133

00:08:38,000 --> 00:08:41,000

A retired rancher is driving along a remote country road

134

00:08:41,000 --> 00:08:44,000

when he sees what appears to be a child.

135

00:08:44,000 --> 00:08:48,000

Fearing for the child's safety, he pulls over.

136

00:08:48,000 --> 00:08:50,000

But as the rancher approaches,

137

00:08:50,000 --> 00:08:55,000

he sees it bears no resemblance to any youngster he has ever seen.

138

00:08:55,000 --> 00:09:00,000

It has unusually large eyes, but no ears.

139

00:09:00,000 --> 00:09:04,000

Its hands show four long fingers, but no thumbs.

140

00:09:04,000 --> 00:09:09,000

And is wearing a strange gray cover all.

141

00:09:09,000 --> 00:09:12,000

Seeing that it appears frightened and confused,

142

00:09:12,000 --> 00:09:18,000

the rancher helps the strange figure into his truck and takes it home.

143

00:09:18,000 --> 00:09:22,000

Returning home, he and his wife offer their guest food and water,

144

00:09:22,000 --> 00:09:29,000

but it refuses and seems content to remain silent in its chair.

145

00:09:29,000 --> 00:09:32,000

The couple contacts the county sheriff's department,

146

00:09:32,000 --> 00:09:35,000

who make detailed notes of the rancher's story.

147

00:09:35,000 --> 00:09:39,000

They agree to send a deputy the following day.

148

00:09:39,000 --> 00:09:42,000

But when the couple rises in the morning,

149

00:09:42,000 --> 00:09:46,000

their strange guest has disappeared.

150

00:09:46,000 --> 00:09:50,000

The incident would seem destined to become a footnote in local folklore.

151

00:09:50,000 --> 00:09:56,000

Were it not for another incident that happened just days before?

152

00:09:56,000 --> 00:10:00,000

Barney Barnett, an official with the U.S. Soil Conservation Service,

153

00:10:00,000 --> 00:10:04,000

is working on the plains when he discovers a strange disk,

154

00:10:04,000 --> 00:10:06,000

some 30 feet in diameter,

155

00:10:06,000 --> 00:10:12,000

only a few miles from where the rancher would soon discover his strange child.

156

00:10:12,000 --> 00:10:18,000

Barnett claims to have discovered at least three strange-looking bodies among the wreckage.

157

00:10:18,000 --> 00:10:23,000

They look like children with large heads and gray coveralls.

158

00:10:24,000 --> 00:10:27,000

But none appear to be alive.

159

00:10:27,000 --> 00:10:33,000

Shortly after Barnett's discovery, an army detachment arrives and cordons off the scene.

160

00:10:33,000 --> 00:10:39,000

Barnett watches as they quickly load the disk and the bodies onto trucks.

161

00:10:39,000 --> 00:10:45,000

They disappear, leaving no clue as to where the bodies were being taken.

162

00:10:45,000 --> 00:10:50,000

But many experts believe they now know what happened.

163

00:10:50,000 --> 00:10:55,000

The National Security Establishment set up high-powered scientific teams

164

00:10:55,000 --> 00:10:58,000

to study these technologies.

165

00:10:58,000 --> 00:11:03,000

But because the technologies were so far advanced of human engineering,

166

00:11:03,000 --> 00:11:05,000

our scientific principles at the time,

167

00:11:05,000 --> 00:11:08,000

there was great difficulty in understanding these technologies,

168

00:11:08,000 --> 00:11:13,000

and more importantly, reverse engineering them for possible weapons application.

169

00:11:13,000 --> 00:11:18,000

But alien technology is just one part of the conspiracy equation.

170

00:11:18,000 --> 00:11:21,000

Important questions remain.

171

00:11:32,000 --> 00:11:37,000

Mounting evidence suggests that the United States government has long been engaged

172

00:11:37,000 --> 00:11:45,000

in a clandestine program to recover any and all alien remains resulting from crashed UFOs.

173

00:11:45,000 --> 00:11:50,000

But according to many experts, the operations don't end there.

174

00:11:50,000 --> 00:11:57,000

In fact, recovery is just the beginning of a bizarre odyssey with a grisly end.

175

00:11:58,000 --> 00:12:03,000

Roswell, New Mexico, July 2nd, 1947.

176

00:12:03,000 --> 00:12:10,000

Multiple witnesses report a UFO falling from the night sky in the desert outside Roswell, New Mexico.

177

00:12:10,000 --> 00:12:14,000

The army dispatches a team to the crash site.

178

00:12:14,000 --> 00:12:19,000

But nothing could have prepared them for what they would find.

179

00:12:19,000 --> 00:12:24,000

There was a problem that they have yet to address even over six decades later,

180

00:12:24,000 --> 00:12:28,000

and there were witnesses, one of which came out and said that there were bodies

181

00:12:28,000 --> 00:12:30,000

that were seen at Roswell Army Airfield.

182

00:12:30,000 --> 00:12:35,000

So you have to ask, if it really was a weather balloon which is unmanned that had crashed,

183

00:12:35,000 --> 00:12:37,000

where did the bodies come from?

184

00:12:37,000 --> 00:12:43,000

Over time, however, many witnesses will claim they attempted to access the crash site that night,

185

00:12:43,000 --> 00:12:50,000

only to be turned back by soldiers who threatened them with physical harm if they told anyone what they saw.

186

00:12:51,000 --> 00:12:55,000

The army clearly had something to hide.

187

00:12:55,000 --> 00:13:02,000

According to some sources inside the military, the wreckage and alien bodies were first transported

188

00:13:02,000 --> 00:13:08,000

to Wright-Patterson Air Force Base in Ohio before finding a permanent home deep in the Nevada desert

189

00:13:08,000 --> 00:13:13,000

inside the impenetrable confines of Area 51.

190

00:13:15,000 --> 00:13:18,000

But others tell a very different story.

191

00:13:18,000 --> 00:13:27,000

They claim that one or more of the bodies was transported in secret to another location for history's first alien autopsy.

192

00:13:29,000 --> 00:13:31,000

Unsealed case file.

193

00:13:31,000 --> 00:13:33,000

The Roswell autopsy.

194

00:13:34,000 --> 00:13:39,000

Washington, DC. The Walter Reed Army Medical Center.

195

00:13:39,000 --> 00:13:45,000

It's here in the nation's capital where at least one of the Roswell aliens is rumored to have been brought

196

00:13:45,000 --> 00:13:50,000

for post-mortem examination by the nation's top scientists.

197

00:13:50,000 --> 00:13:56,000

The procedure allegedly produced a series of stunning revelations about alien physiology,

198

00:13:56,000 --> 00:14:00,000

starting with the creature's abdomen.

199

00:14:01,000 --> 00:14:05,000

It had no digestive system. It had a respiratory system.

200

00:14:05,000 --> 00:14:09,000

It had no stomach, no inventory canal, nothing.

201

00:14:09,000 --> 00:14:13,000

These features could explain the behavior of the San Augustine creature,

202

00:14:13,000 --> 00:14:18,000

suggesting that it and the Roswell aliens are of the same species.

203

00:14:19,000 --> 00:14:24,000

The intrigue continues with the removal of the creature's eyes.

204

00:14:24,000 --> 00:14:30,000

When they autopsied the aliens at Walter Reed, one of the things that the medical examiners discovered

205

00:14:30,000 --> 00:14:36,000

was that black coating over the eye wasn't part of the eye. It was a lens.

206

00:14:36,000 --> 00:14:42,000

When they removed the lens, they could see images in the dark.

207

00:14:42,000 --> 00:14:46,000

The lens was a light-collecting device. It was night vision.

208

00:14:47,000 --> 00:14:53,000

But the most shocking of all is the creature's brain, one radically different from our own.

209

00:14:54,000 --> 00:15:00,000

Instead of two hemispheres, the alien brain is divided into four.

210

00:15:00,000 --> 00:15:06,000

Investigators observing the procedure take careful note of their position.

211

00:15:06,000 --> 00:15:10,000

They have seen this pattern before.

212

00:15:10,000 --> 00:15:15,000

So the aliens' hands were on a panel and we noticed this in the crash wreckage.

213

00:15:15,000 --> 00:15:21,000

You could see that there were hand prints on the panels where the aliens would put their hands.

214

00:15:21,000 --> 00:15:28,000

So somehow their designs on their brain made their way from the headpiece into the panels that were connected to the ship.

215

00:15:29,000 --> 00:15:37,000

The investigators now believe that the Roswell extraterrestrial controlled their spacecraft through direct mental interface.

216

00:15:38,000 --> 00:15:44,000

But this isn't the last connection investigators will make between alien and machine.

217

00:15:45,000 --> 00:16:00,000

Decades of eyewitness testimony have revealed that America has long been involved in an elaborate conspiracy to recover alien bodies and probe them for scientific secrets.

218

00:16:00,000 --> 00:16:04,000

But what have they learned from these autopsies?

219

00:16:04,000 --> 00:16:12,000

Some experts have a terrifying theory that completely changes everything we ever thought about aliens.

220

00:16:13,000 --> 00:16:23,000

Linda Moulton-Howe is an investigative journalist and ufologist who has spent decades collecting evidence surrounding alien autopsies dating back to Roswell.

221

00:16:23,000 --> 00:16:31,000

She presented her findings to the 2013 Citizens' Hearing on UFOs in Washington, D.C.

222

00:16:32,000 --> 00:16:43,000

In my work, I think one of the most interesting revelations that came to me was for the first time actually only about the early 1990s.

223

00:16:43,000 --> 00:16:52,000

I began to hear through leads that in some of the early autopsies they weren't even cutting into what we would consider to be tissue.

224

00:16:52,000 --> 00:17:01,000

It was some sort of a fabric that was either covering tissue, but it was a fabric and it was very difficult for the scalpels to go through.

225

00:17:01,000 --> 00:17:17,000

The artificial nature of alien bodies has led Howe and a growing number of other experts to believe that many of the extraterrestrials we encounter are not individual creatures, but rather a kind of manufactured clone.

226

00:17:18,000 --> 00:17:29,000

Of course, I said that there was an autopsy of an alien delay at the World to Rearming Hospital in 1947 and the autopsy showed that the gray was an android.

227

00:17:29,000 --> 00:17:44,000

It was simply an android, a programmed android, that had a specific algorithmic function that is there to surveil, to record, to take whatever information it could, even to abduct human beings,

228

00:17:44,000 --> 00:17:47,000

and report to those who control them.

229

00:17:47,000 --> 00:17:52,000

Could the aliens we encounter actually be clones?

230

00:17:52,000 --> 00:17:56,000

And if they are, who created them?

231

00:17:56,000 --> 00:18:01,000

Are they under the control of a single, immensely powerful intelligence?

232

00:18:01,000 --> 00:18:09,000

And if so, what is its plan for the human race?

233

00:18:09,000 --> 00:18:18,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
