

1

00:00:00,000 --> 00:00:08,200

For decades, a dedicated global network of UFO investigators has been lobbying world leaders

2

00:00:08,200 --> 00:00:15,840

for the release of all top secret files on UFOs and the presence of aliens here on Earth.

3

00:00:15,840 --> 00:00:23,600

Today, many are seeing signs that full disclosure may be just around the corner.

4

00:00:23,600 --> 00:00:31,080

It may be that this generation will be the first to answer that great and profound question,

5

00:00:31,080 --> 00:00:34,040

are we alone or not in the universe?

6

00:00:34,040 --> 00:00:36,440

What are the signs?

7

00:00:36,440 --> 00:00:38,720

When will it happen?

8

00:00:38,720 --> 00:00:43,200

And what will it mean for the future of the human race?

9

00:00:43,200 --> 00:00:48,640

Join us as we reveal shocking new evidence that world governments are preparing to disclose

10

00:00:48,640 --> 00:00:55,400

proof of alien life on Unsealed Alien Files.

11

00:00:55,400 --> 00:00:57,920

A global effort has begun.

12

00:00:57,920 --> 00:01:04,120

Secret files hidden from the public for decades, detailing every UFO account, are now available

13

00:01:04,120 --> 00:01:05,120

to the public.

14

00:01:05,120 --> 00:01:09,240

We are about to uncover the truth behind these classified documents.

15

00:01:09,240 --> 00:01:14,040

Find out what the government doesn't want you to know.

16

00:01:14,040 --> 00:01:21,000

Unsealed alien files exposing the biggest secret on planet Earth.

17

00:01:21,000 --> 00:01:26,280

Phoenix, Arizona, March 13, 1997.

18

00:01:26,280 --> 00:01:31,320

Residents of the desert capital watch in wonder as a dazzling array of lights appears in the

19

00:01:31,320 --> 00:01:33,880

evening sky.

20

00:01:33,880 --> 00:01:39,040

They're far away to the north and seem to hang motionless in the air.

21

00:01:39,040 --> 00:01:44,920

To those closer to the phenomenon, the lights are hardly still.

22

00:01:44,920 --> 00:01:50,920

Near the Nevada border, onlookers report a massive V-shaped UFO lined with lights racing

23

00:01:50,920 --> 00:01:53,760

south across the sky.

24

00:01:53,760 --> 00:01:59,560

Thousands watch as it crosses a 300-mile stretch from Phoenix to Tucson.

25

00:01:59,560 --> 00:02:04,440

Dozens of eyewitnesses capture compelling footage of the object.

26

00:02:04,440 --> 00:02:10,440

The next morning, the Phoenix lights are a front-page story receiving national coverage.

27

00:02:10,440 --> 00:02:12,800

The event is a cause for excitement.

28

00:02:12,800 --> 00:02:16,400

A UFO event of this magnitude is incredibly rare.

29

00:02:16,400 --> 00:02:24,280

Usually, UFO sightings are seen in not so populated areas, couple witnesses, maybe four,

30

00:02:24,280 --> 00:02:26,040

maybe five, that's about it.

31

00:02:26,040 --> 00:02:30,080

But when you're talking about hundreds in a huge city like Phoenix, that's incredibly

32

00:02:30,080 --> 00:02:31,080

rare.

33

00:02:31,080 --> 00:02:35,880

The second rare point to this is the fact that it was shot by multiple cameras from

34

00:02:35,880 --> 00:02:37,120

multiple angles.

35

00:02:37,120 --> 00:02:40,920

Generally, you only have one visual piece of evidence to analyze.

36

00:02:40,920 --> 00:02:45,600

With the case of the Phoenix lights, you had multiple angles, multiple cameras, multiple

37

00:02:45,600 --> 00:02:48,800

witnesses, and that was all real.

38

00:02:48,800 --> 00:02:54,320

At last, there has been a mass sighting of an object with no earthly explanation, producing

39

00:02:54,320 --> 00:03:00,920

thousands of credible accounts and dozens of pieces of matching video evidence.

40

00:03:00,920 --> 00:03:07,000

We are optimistic that this is the moment the world will finally accept that UFOs are

41

00:03:07,000 --> 00:03:09,160

real.

42

00:03:09,160 --> 00:03:14,520

But the USAF identified the second group of lights as flares dropped during a training

43

00:03:14,520 --> 00:03:21,400

exercise by jets flying out of Berry Goldwater Range in southwest Arizona.

44

00:03:21,400 --> 00:03:27,680

How can the government flatly deny evidence from so many witnesses?

45

00:03:27,680 --> 00:03:32,920

Just a few years earlier, another mass sighting, this time in Europe, promised to bring the

46

00:03:32,920 --> 00:03:37,680

moment of disclosure another step closer.

47

00:03:37,680 --> 00:03:42,960

Unsealed case file, the Belgian Wave.

48

00:03:42,960 --> 00:03:47,560

Ubin Belgium, November 29, 1989.

49

00:03:47,560 --> 00:03:53,160

Two police officers patrolling a country road as night falls, spot a nearby field, lit

50

00:03:53,160 --> 00:03:57,640

by a light so bright, they later claim they could have read a newspaper by a man.

51

00:03:58,600 --> 00:04:06,440

Arriving at the scene, they are shocked to see an enormous triangular UFO hovering overhead.

52

00:04:06,440 --> 00:04:12,440

On its underside are lights at each of the three tips and a single red flashing beacon

53

00:04:12,440 --> 00:04:14,600

at its heart.

54

00:04:14,600 --> 00:04:19,960

The UFO begins floating silently toward Ubin, with the police in pursuit.

55

00:04:19,960 --> 00:04:26,680

There, it hovers above the astonished town for over 30 minutes.

56

00:04:26,720 --> 00:04:33,360

By the end of the night, an estimated 1500 people, including at least 13 police officers,

57

00:04:33,360 --> 00:04:38,120

report a UFO encounter in one of history's biggest mass sightings.

58

00:04:38,120 --> 00:04:42,680

But for Belgium, it's only the beginning.

59

00:04:42,680 --> 00:04:50,320

For the next two years, the nation experiences an unending wave of UFO sightings that leave

60

00:04:50,320 --> 00:04:53,200

experts baffled.

61

00:04:53,240 --> 00:04:59,200

The unidentified craft fall into one of two categories, the triangle, like that seen at

62

00:04:59,200 --> 00:05:06,560

Ubin, and a second massive craft dubbed the Inverted Aircraft Carrier.

63

00:05:06,560 --> 00:05:15,120

By the time the wave comes to an end in 1991, some 13,000 people claim to have seen a UFO.

64

00:05:15,120 --> 00:05:20,000

Skeptics will claim the objects to be American stealth aircraft on routine maneuvers.

65

00:05:21,000 --> 00:05:27,440

But the U.S. Air Force denies any of its aircraft were operating in the area at the time.

66

00:05:27,440 --> 00:05:32,960

The Phoenix Lights and the Belgian Wave represent two moments where world authorities could

67

00:05:32,960 --> 00:05:37,560

have ended the truth embargo once and for all.

68

00:05:37,560 --> 00:05:41,720

The question is, why didn't they?

69

00:05:41,720 --> 00:05:46,760

What do they have to fear?

70

00:05:46,760 --> 00:05:51,720

Many experts believe that world authorities are on the brink of disclosing everything

71

00:05:51,720 --> 00:05:54,880

they know about UFOs.

72

00:05:54,880 --> 00:06:00,360

But few in the public are aware that the U.S. government has in fact admitted to their existence

73

00:06:00,360 --> 00:06:06,720

on two occasions in the past, incidents that would ultimately bring down a virtually impenetrable

74

00:06:06,720 --> 00:06:09,200

veil of secrecy.

75

00:06:09,200 --> 00:06:14,560

Roswell, New Mexico, July 2, 1947.

76

00:06:14,560 --> 00:06:19,760

Residents of this desert town spot a blazing disc-shaped object plummeting from the sky

77

00:06:19,760 --> 00:06:22,760

at impossible speed.

78

00:06:22,760 --> 00:06:28,400

Seconds later, it vanishes beyond a line of trees northwest of town.

79

00:06:28,400 --> 00:06:33,800

The next morning, a ranch worker discovers a trail of metallic debris not far from where

80

00:06:33,800 --> 00:06:37,720

the flying disc disappeared the night before.

81

00:06:37,720 --> 00:06:43,880

He collects some of the strange material and brings it to the local sheriff's office.

82

00:06:43,880 --> 00:06:48,400

The sheriff quickly notifies officials at Roswell Army Air Force Base that there has

83

00:06:48,400 --> 00:06:54,320

been some kind of air crash and the base sends an investigator to examine the wreckage.

84

00:06:54,320 --> 00:06:59,440

A day later, the base commander makes an historic announcement.

85

00:06:59,440 --> 00:07:06,160

The Army stepped right up and admitted that there was a crash of a flying saucer at Roswell

86

00:07:06,160 --> 00:07:09,880

and the day retrieved the actual disc itself.

87

00:07:09,880 --> 00:07:11,880

July 8, 1947.

88

00:07:11,880 --> 00:07:17,040

The Army Air Force has announced that a flying disc has been found and is now in the possession

89

00:07:17,040 --> 00:07:18,480

of the Army.

90

00:07:18,480 --> 00:07:21,480

The announcement is a bombshell.

91

00:07:21,480 --> 00:07:25,800

America has recovered an alien spacecraft.

92

00:07:25,800 --> 00:07:29,880

The story quickly becomes international news.

93

00:07:29,880 --> 00:07:35,200

The military appears caught off guard by the intense scrutiny and scrambles to divert the

94

00:07:35,200 --> 00:07:36,960

world's attention.

95

00:07:36,960 --> 00:07:41,600

Shortly after the military said that they had captured a flying saucer, they completely

96

00:07:41,600 --> 00:07:46,400

rebutted their own story and said that it was nothing more than a weather balloon.

97

00:07:46,400 --> 00:07:50,840

But there was a problem that they had yet to address even over six decades later.

98

00:07:50,840 --> 00:07:55,200

There were witnesses, one of which said that there were bodies that were seen at Roswell

99

00:07:55,200 --> 00:07:56,960

Army Air Field.

100

00:07:56,960 --> 00:08:03,560

According to reports, there was much more to Roswell than what appeared in the press.

101

00:08:03,560 --> 00:08:08,440

The Army eyewitnesses that night set out for the crash site to investigate, only to

102

00:08:08,440 --> 00:08:12,720

find it cordoned off by military roadblocks.

103

00:08:12,720 --> 00:08:17,320

The troop standing guard had a chilling message for any who approached.

104

00:08:17,320 --> 00:08:19,840

He said, can't you get this through your head?

105

00:08:19,840 --> 00:08:21,880

You never saw anything.

106

00:08:21,880 --> 00:08:23,960

You were not there.

107

00:08:23,960 --> 00:08:26,560

You don't know anything.

108

00:08:26,560 --> 00:08:30,520

And he said, you can just take you out in the middle of this desert and no one will ever

109

00:08:30,520 --> 00:08:32,520

find your bodies.

110

00:08:32,600 --> 00:08:36,520

He said, you'll be nothing but bones and nobody will ever know what happened to you.

111

00:08:36,520 --> 00:08:43,560

In the end, the denial works and the public furor over Roswell subsides.

112

00:08:43,560 --> 00:08:48,760

But just a few years later, an even bigger UFO incident will see the government on the

113

00:08:48,760 --> 00:08:52,440

hot seat once again.

114

00:08:52,440 --> 00:08:54,520

Unsealed case file.

115

00:08:54,520 --> 00:08:57,520

The Washington Flap.

116

00:08:57,520 --> 00:09:01,520

Washington, DC, 1952.

117

00:09:01,520 --> 00:09:07,520

The Cold War is heating up and the sky over the US Capitol is the most heavily guarded

118

00:09:07,520 --> 00:09:10,520

airspace in the world.

119

00:09:10,520 --> 00:09:15,520

But on the night of July 12th, an air traffic controller at Washington National Airport

120

00:09:15,520 --> 00:09:21,520

detects seven unidentified objects on radar to the southwest of the city.

121

00:09:21,520 --> 00:09:29,520

A colleague makes visual contact with one of the objects, describing it as a bright orange light.

122

00:09:29,520 --> 00:09:35,520

Shortly after, a pilot taxiing for takeoff radios the tower to report six fast moving

123

00:09:35,520 --> 00:09:38,520

lights in the sky nearby.

124

00:09:38,520 --> 00:09:44,520

Just then, the lights dart off in the direction of the White House and Capitol.

125

00:09:44,520 --> 00:09:51,520

One witness reports their movements to be completely radical compared to those of ordinary aircraft.

126

00:09:51,520 --> 00:09:54,520

Fighter jets scramble and set off in pursuit.

127

00:09:54,520 --> 00:10:00,520

But before they can intercept, the UFOs vanish from the sky, though it isn't the last Washington

128

00:10:00,520 --> 00:10:04,520

will see of the mysterious lights.

129

00:10:04,520 --> 00:10:12,520

Wave after wave will menace the area for the next three weeks before disappearing once and for all.

130

00:10:12,520 --> 00:10:16,520

A terrified city looks to the government for answers.

131

00:10:16,520 --> 00:10:23,520

Little did the people know, the American military was already engaged in Project Stork, a large

132

00:10:23,520 --> 00:10:31,520

scale investigation into the nation's UFO sightings to establish some discernible pattern in their appearance.

133

00:10:31,520 --> 00:10:38,520

The study finds that the yearly number of UFO reports is rising at an alarming rate.

134

00:10:38,520 --> 00:10:44,520

Backed into a corner by the Washington Flap, officials make a stunning announcement.

135

00:10:44,520 --> 00:10:55,520

It does not contain any pattern of purpose or of consistency that we can relate to any conceivable threat to the United States.

136

00:10:55,520 --> 00:11:05,520

It's a statement that implicitly confirms the existence of UFOs, but denies any specific knowledge of their nature or origin.

137

00:11:05,520 --> 00:11:19,520

Today, many experts believe the government was attempting to both quell public fears and at the same time protect a top secret weapons program based on technology recovered at Roswell.

138

00:11:19,520 --> 00:11:25,520

This technology would make America the most powerful nation on the planet.

139

00:11:25,520 --> 00:11:34,520

It would be another 40 years before the world would come this close to disclosure again.

140

00:11:34,520 --> 00:11:43,520

Many ufologists believe that world authorities are on the verge of disclosing everything they know about extraterrestrial life.

141

00:11:43,520 --> 00:11:56,520

The United States hinted at its existence in the 1950s, but the world would have to wait another 40 years for a nation to hand over its alien files for all to see.

142

00:11:56,520 --> 00:12:01,520

Somerset, England, March 30, 1993.

143

00:12:01,520 --> 00:12:13,520

A police officer accompanying a group of scouts on an outing spots a bizarre aircraft he describes as two concords flying side by side and joined together.

144

00:12:13,520 --> 00:12:20,520

Soon after, the Ministry of Defense UFO hotline is flooded with calls from across the country.

145

00:12:20,520 --> 00:12:25,520

In charge at the time is Nick Pope.

146

00:12:25,520 --> 00:12:32,520

This was a wave of sightings throughout the United Kingdom that took place over a period of around six hours.

147

00:12:32,520 --> 00:12:39,520

There were several dozen witnesses, including numerous police officers and Air Force personnel.

148

00:12:39,520 --> 00:12:50,520

An Air Force officer with eight years experience described to me an object which he said was quite unlike anything that he had seen in his entire Air Force career.

149

00:12:50,520 --> 00:12:58,520

It's an enormous triangular UFO shining a narrow beam of light down to the ground as though searching for something.

150

00:12:58,520 --> 00:13:08,520

The giant craft moved slowly toward the base before suddenly deactivating its beam and darting off at an incredible rate of speed.

151

00:13:08,520 --> 00:13:14,520

When I interviewed the witness the morning after this sighting, his voice was still shaking.

152

00:13:14,520 --> 00:13:19,520

The Ministry of Defense has always been skeptical about the existence of UFOs,

153

00:13:19,520 --> 00:13:33,520

but the sheer number of witnesses to the Cosford incident leaves the Ministry with no choice but to admit that an unidentified object or objects of unknown origin was operating over the UK.

154

00:13:33,520 --> 00:13:43,520

Cosford sparks an unprecedented public campaign for the release of everything the government knows about the possible presence of aliens in the nation's skies.

155

00:13:43,520 --> 00:13:52,520

In 1998, Prime Minister Tony Blair holds a closed door meeting on the risks of revealing sensitive UFO information.

156

00:13:52,520 --> 00:13:59,520

He is told the Ministry remains open-minded to the existence of alien life forms.

157

00:13:59,520 --> 00:14:09,520

The British government's attitude toward UFOs is changing and would culminate with the most sweeping act of disclosure to date.

158

00:14:09,520 --> 00:14:11,520

Unsealed Case File

159

00:14:11,520 --> 00:14:14,520

The British X-Files

160

00:14:14,520 --> 00:14:22,520

The UK's Ministry of Defense began documenting the nation's UFO sightings in the 1950s,

161

00:14:22,520 --> 00:14:28,520

but all of this potentially explosive information would remain under lock and key.

162

00:14:28,520 --> 00:14:33,520

But in the year 2000, the British government passes the Freedom of Information Act,

163

00:14:33,520 --> 00:14:39,520

granting public access to nearly 60 years of the nation's X-Files.

164

00:14:39,520 --> 00:14:48,520

Upon their release, the millions of pages exposed decades of systematic government misinformation on UFOs.

165

00:14:48,520 --> 00:14:57,520

There are also documents that show how consistently over the years the Ministry of Defense tried to downplay

166

00:14:57,520 --> 00:15:06,520

the extent of the UFO phenomenon and discredit any media outlets that ran serious stories about UFOs

167

00:15:06,520 --> 00:15:12,520

and portray anyone who investigated UFOs as cranks.

168

00:15:12,520 --> 00:15:19,520

Among the documents are stunning accounts of UFOs directly endangering hundreds of lives,

169

00:15:19,520 --> 00:15:29,520

including a terrifying incident in 1995 in which a Boeing 737 approaching Manchester Airport nearly collided with the UFO.

170

00:15:29,520 --> 00:15:38,520

But of all the details to emerge, perhaps none is more alarming than the number of sightings over RAF Woodbridge.

171

00:15:38,520 --> 00:15:43,520

There are lots of rumors that there were nuclear weapons at Woodbridge.

172

00:15:43,520 --> 00:15:47,520

I think the number one issue here is technology.

173

00:15:47,520 --> 00:15:53,520

UFOs are interested in our missile sites, our nuclear weapons program, our military bases.

174

00:15:53,520 --> 00:15:56,520

The number one issue is defense.

175

00:15:56,520 --> 00:16:03,520

Britain's X-Files are a shocking indictment of the government's willingness to mislead the public

176

00:16:03,520 --> 00:16:06,520

and only underscores the need for full disclosure.

177

00:16:06,520 --> 00:16:13,520

And that moment might be just around the corner.

178

00:16:13,520 --> 00:16:23,520

Mounting evidence suggests that world authorities are on the brink of disclosing everything they know about UFOs and extraterrestrials.

179

00:16:23,520 --> 00:16:30,520

In fact, events are currently in motion that could bring this announcement at any moment.

180

00:16:30,520 --> 00:16:39,520

August 16, 2012, a flying saucer appears in the sky over the planet Mars racing toward the surface.

181

00:16:39,520 --> 00:16:41,520

But it's not a UFO.

182

00:16:41,520 --> 00:16:49,520

It's NASA's Curiosity rover, her mission to search the surface of Mars for signs of life.

183

00:16:49,520 --> 00:16:55,520

Recently, these efforts produce solid evidence that liquid water existed on Mars.

184

00:16:55,520 --> 00:17:00,520

For ufologists, this discovery had vast implications.

185

00:17:00,520 --> 00:17:05,520

We know from here on Earth that water is an essential element to creating life.

186

00:17:05,520 --> 00:17:13,520

Knowing that water existed on Mars at some point in liquid form, it just opens the possibilities of there being life on Mars.

187

00:17:13,520 --> 00:17:21,520

All the evidence points to the fact that Mars could have very well supported life in the past and maybe supports alien life to this very day.

188

00:17:21,520 --> 00:17:29,520

Many experts believe that with the discovery of water on Mars, finding life cannot be far off.

189

00:17:30,520 --> 00:17:38,520

And if NASA is allowed to go public with this information, they are convinced that even more profound revelations will soon follow,

190

00:17:38,520 --> 00:17:44,520

ending decades of speculation about the existence of alien life once and for all.

191

00:17:44,520 --> 00:17:47,520

But many experts urge caution.

192

00:17:47,520 --> 00:17:54,520

They warn that full disclosure may turn out to be a double-edged sword.

193

00:17:54,520 --> 00:17:58,520

Why might the revelation of life on Mars cause panic on Earth?

194

00:17:58,520 --> 00:18:03,520

Many people want to feel like we're the only game in town or they're the only game in town.

195

00:18:03,520 --> 00:18:08,520

Any change to that paradigm of us being the center of the universe is very upsetting to some people.

196

00:18:08,520 --> 00:18:12,520

They might be a religion, they might be a government, what have you.

197

00:18:12,520 --> 00:18:18,520

And when those powers are threatened, they tend to fight back and fight for their control.

198

00:18:18,520 --> 00:18:25,520

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
