

1

00:00:00,000 --> 00:00:06,000

It can happen to anyone at any time.

2

00:00:06,000 --> 00:00:09,000

A close encounter with a UFO.

3

00:00:09,000 --> 00:00:15,000

Citizens all over the world have been reporting incidents with alarming increase.

4

00:00:15,000 --> 00:00:22,000

With so many types of unexplained events, experts have come up with four main categories of sightings.

5

00:00:22,000 --> 00:00:27,000

UFO sightings are usually categorized on a scale of close encounters.

6

00:00:27,000 --> 00:00:34,000

But while government authorities usually step in to investigate, they often keep their findings to themselves.

7

00:00:34,000 --> 00:00:39,000

Ordinary citizens may be much closer to the truth.

8

00:00:39,000 --> 00:00:54,000

From mass sightings in the sky to probes inside the body, we are counting down the top ten civilian close encounters of all time on unsealed alien files.

9

00:00:54,000 --> 00:00:56,000

A global effort has begun.

10

00:00:56,000 --> 00:01:04,000

Secret files hidden from the public for decades detailing every UFO account are now available to the public.

11

00:01:04,000 --> 00:01:09,000

We are about to uncover the truth behind these classified documents.

12

00:01:09,000 --> 00:01:12,000

Find out what the government doesn't want you to know.

13

00:01:12,000 --> 00:01:15,000

Unsealed alien files.

14

00:01:15,000 --> 00:01:19,000

Exposing the biggest secret on planet Earth.

15

00:01:19,000 --> 00:01:25,000

We are counting down the top ten civilian close encounters of all time.

16

00:01:25,000 --> 00:01:32,000

A close encounter of the first kind is when you have a witness or multiple witnesses seeing a craft in the sky.

17

00:01:32,000 --> 00:01:35,000

Unsealed case file number ten.

18

00:01:35,000 --> 00:01:37,000

The Phoenix Lights.

19

00:01:37,000 --> 00:01:40,000

Phoenix, Arizona.

20

00:01:40,000 --> 00:01:42,000

March, 1997.

21

00:01:43,000 --> 00:01:49,000

Residents watch and wonder as a dazzling array of lights appears in the evening sky.

22

00:01:49,000 --> 00:01:55,000

They are far away to the north and seem to hang motionless in the air.

23

00:01:55,000 --> 00:02:04,000

Near the Nevada border, onlookers report a massive V-shaped UFO lined with lights racing south across the sky.

24

00:02:04,000 --> 00:02:11,000

Thousands watch as it crosses a 300-mile stretch from Phoenix to Tucson.

25

00:02:12,000 --> 00:02:19,000

The next morning, the Phoenix Lights are a front-page story receiving national coverage in America.

26

00:02:19,000 --> 00:02:25,000

Experts consider the incidents to be one of the largest urban mass sightings in history.

27

00:02:25,000 --> 00:02:29,000

Generally, you only have one visual piece of evidence to analyze.

28

00:02:29,000 --> 00:02:34,000

With the case of the Phoenix Lights, you have multiple angles, multiple cameras, multiple witnesses.

29

00:02:34,000 --> 00:02:36,000

That was all real.

30

00:02:36,000 --> 00:02:40,000

Unsealed case file number nine.

31

00:02:40,000 --> 00:02:43,000

Kenneth Arnold's Flying Saucers.

32

00:02:43,000 --> 00:02:47,000

June 24, 1947.

33

00:02:47,000 --> 00:02:57,000

Pilot Kenneth Arnold is flying a search and rescue mission over the Cascade Mountains when he sees nine convex-shaped UFOs flying at supersonic speed.

34

00:02:57,000 --> 00:03:06,000

Arnold explains his encounter to the press, describing the UFOs as flying like a saucer would if you skipped it across the water.

35

00:03:06,000 --> 00:03:15,000

The image captures the imagination of a reporter for the Chicago Sun, and the term flying saucer enters the modern lexicon.

36

00:03:15,000 --> 00:03:21,000

To this day, the Cascades are considered one of the world's premier UFO hotspots,

37

00:03:21,000 --> 00:03:28,000

prompting both NORAD and CETI to maintain bases in the area.

38

00:03:28,000 --> 00:03:33,000

Unsealed case file number eight.

39

00:03:33,000 --> 00:03:36,000

The Belgian Wave.

40

00:03:36,000 --> 00:03:42,000

Eupen, Belgium. November 29, 1989.

41

00:03:42,000 --> 00:03:48,000

Two police officers patrolling the countryside spot a blinding light coming from a field.

42

00:03:48,000 --> 00:03:55,000

Arriving on the scene, they witness an enormous black triangle hovering silently overhead.

43

00:03:55,000 --> 00:04:03,000

Blazing lights emanate from each of the three corners, while a single blood-red beacon blinks on and off at its heart.

44

00:04:03,000 --> 00:04:10,000

The men look on in astonishment as the UFO begins moving silently toward the nearby town.

45

00:04:10,000 --> 00:04:13,000

They immediately set out in pursuit.

46

00:04:13,000 --> 00:04:22,000

Arriving in Eupen, they are among dozens who watch spellbound as it hangs motionless above the town for over 30 minutes.

47

00:04:22,000 --> 00:04:31,000

By the end of the night, an estimated 1,500 people will report a UFO encounter in one of history's biggest mass sightings.

48

00:04:31,000 --> 00:04:42,000

Over the next two years, the nation will experience an unending wave of black triangle sightings that leave authorities scrambling for answers.

49

00:04:42,000 --> 00:04:48,000

On several occasions, F-16 fighters are ordered to intercept the objects.

50

00:04:48,000 --> 00:05:00,000

But each time they attempt to lock on to the triangles with their targeting systems, they mysteriously malfunction, only to switch back on after the objects are out of range.

51

00:05:00,000 --> 00:05:09,000

By the time the wave comes to an end in 1991, some 13,000 people claim to have seen a UFO.

52

00:05:09,000 --> 00:05:16,000

Skeptics declare the black triangles to be American stealth aircraft on routine maneuvers.

53

00:05:16,000 --> 00:05:22,000

But after analyzing radar reports, even the Air Force flatly denies these allegations.

54

00:05:22,000 --> 00:05:28,000

They knew the objects were there, and yet they weren't ours. So the big question is who's were they?

55

00:05:28,000 --> 00:05:36,000

The Belgian UFO wave remains one of the most extensively documented series of encounters on record.

56

00:05:38,000 --> 00:05:45,000

We are counting down the top 10 most compelling civilian close encounters of all time.

57

00:05:45,000 --> 00:05:52,000

A close encounter of the second kind is when not only do you have the visual sighting, but you have physical evidence left behind.

58

00:06:16,000 --> 00:06:25,000

The two women stop and get out for a better view, only to step inside a wall of blazing heat emanating from the objects.

59

00:06:25,000 --> 00:06:31,000

Suddenly, a group of two dozen unmarked helicopters appear in the air overhead.

60

00:06:31,000 --> 00:06:36,000

But before they can intercept the UFO, it disappears into the night.

61

00:06:37,000 --> 00:06:43,000

In the days that follow, both women begin to feel ill.

62

00:06:43,000 --> 00:06:49,000

They show signs of what appears to be severe sunburn and begin to experience hair loss.

63

00:06:49,000 --> 00:06:57,000

Two weeks after the incident, Betty Cash is admitted to hospital. She has developed skin cancer.

64

00:06:57,000 --> 00:07:04,000

She will survive the disease, but the terrifying experience will haunt her for the rest of her life.

65

00:07:04,000 --> 00:07:11,000

Doctors suspect all three occupants of the car were exposed to a strange form of ionizing radiation.

66

00:07:13,000 --> 00:07:16,000

Unsealed case file number six.

67

00:07:17,000 --> 00:07:19,000

The Dolnogorsk incident.

68

00:07:20,000 --> 00:07:25,000

Dolnogorsk, Russia, January 29, 1986.

69

00:07:26,000 --> 00:07:37,000

Residents of this small mining town on the Soviet Union's Pacific coast watch in disbelief as a red sphere hurtles across the night sky before crashing into a mountainside.

70

00:07:37,000 --> 00:07:40,000

A crowd gathers at the point of impact.

71

00:07:40,000 --> 00:07:48,000

There, they discover a smoking crater surrounded by a wide area covered by a strange black film.

72

00:07:48,000 --> 00:07:54,000

On close inspection, the film contains strange metallic beads.

73

00:07:54,000 --> 00:08:02,000

Three Soviet academic centers and 11 research institutes analyze the objects from this UFO crash.

74

00:08:02,000 --> 00:08:08,000

The distance between atoms is different from ordinary iron in this material.

75

00:08:08,000 --> 00:08:12,000

Radar cannot be reflected from the material.

76

00:08:12,000 --> 00:08:18,000

Elements in the material may disappear and new ones appear after heating.

77

00:08:18,000 --> 00:08:24,000

One piece apparently disappeared completely in front of four witnesses.

78

00:08:25,000 --> 00:08:38,000

A declassified 1989 report states that Soviet scientists are convinced the object was an extraterrestrial space vehicle constructed by highly intelligent beings.

79

00:08:38,000 --> 00:08:46,000

The Dolnogorsk incident contains such compelling evidence it has been referred to as the Russian Roswell.

80

00:08:47,000 --> 00:08:51,000

Unsealed case file number five.

81

00:08:51,000 --> 00:08:54,000

Colores Island.

82

00:08:56,000 --> 00:09:01,000

1977. Colores Island, northern Brazil.

83

00:09:01,000 --> 00:09:09,000

A violent wave of UFO attacks blast mysterious beams of light down on an unsuspecting small town.

84

00:09:09,000 --> 00:09:14,000

35 people are treated for injuries that resemble radiation burns.

85

00:09:14,000 --> 00:09:18,000

Two of them die within 24 hours.

86

00:09:18,000 --> 00:09:21,000

Panic spreads quickly throughout the region.

87

00:09:21,000 --> 00:09:29,000

Villagers stay awake through the night, banging pots and burning bonfires to keep the menacing lights away.

88

00:09:29,000 --> 00:09:33,000

The Brazilian military launches an investigation.

89

00:09:33,000 --> 00:09:38,000

Over 200 UFOs are reported over a four month period.

90

00:09:38,000 --> 00:09:45,000

The victims are interviewed about their ordeals, but the attacks leave officials baffled.

91

00:09:45,000 --> 00:09:51,000

Noted ufologist Jacques Vallée launches his own investigation into the Colores encounters.

92

00:09:51,000 --> 00:10:00,000

He concludes the mysterious light was in fact a complex combination of ionizing and non-ionizing radiation.

93

00:10:00,000 --> 00:10:07,000

And that many of the injuries were consistent with the effects of high power pulsed microwaves.

94

00:10:07,000 --> 00:10:17,000

AJ Gavard, the Brazilian director of MUFON, discusses the Colores incidents at the 2013 Citizen Hearing in Washington, DC.

95

00:10:17,000 --> 00:10:29,000

Now the situation went so intense that the community leaders went to the governor of the state of Barraque.

96

00:10:29,000 --> 00:10:36,000

Asked that something is done about it and the government asked the Brazilian Air Force.

97

00:10:36,000 --> 00:10:41,000

To start an investigation to give answers to the population.

98

00:10:41,000 --> 00:10:45,000

There was already an emphasis in the documents.

99

00:10:45,000 --> 00:10:51,000

There was already a knowledge that there was an intelligence beyond the phenomenon.

100

00:10:51,000 --> 00:10:53,000

And that phenomenon was not perfect.

101

00:11:06,000 --> 00:11:11,000

The Colores incidents often strike fear in the hearts of all who witness them.

102

00:11:11,000 --> 00:11:18,000

But a close encounter of the third kind takes many to a frightening otherworldly level.

103

00:11:18,000 --> 00:11:24,000

A close encounter of the third kind is when you not only have the visual sighting evidence left behind,

104

00:11:24,000 --> 00:11:28,000

but you also see occupants either in or around the UFO.

105

00:11:28,000 --> 00:11:32,000

Unsealed case file number four.

106

00:11:32,000 --> 00:11:35,000

The Solway Firth Spaceman.

107

00:11:35,000 --> 00:11:40,000

Cumbria, England, May 23rd, 1964.

108

00:11:40,000 --> 00:11:45,000

Firefighter Jim Templeton is on a day trip with his five-year-old daughter.

109

00:11:45,000 --> 00:11:51,000

The two stop near the village of Burby Sands where Templeton decides to take a few snapshots.

110

00:11:51,000 --> 00:11:57,000

But after developing the photos, Templeton is shocked to see what appears to be an astronaut

111

00:11:57,000 --> 00:12:01,000

in a spacesuit looming in the background behind his daughter.

112

00:12:01,000 --> 00:12:06,000

And he has no recollection of any such figure from that day.

113

00:12:06,000 --> 00:12:15,000

Templeton takes the photo to a local newspaper, and within hours, the image is appearing in publications all over the world.

114

00:12:15,000 --> 00:12:20,000

But the figure does not appear to be wearing any spacesuit of the era.

115

00:12:20,000 --> 00:12:25,000

Is this the first evidence of an alien being caught on film?

116

00:12:25,000 --> 00:12:30,000

Nowadays we're used to the idea that it's easy to fake a photograph.

117

00:12:30,000 --> 00:12:35,000

Back in 1964, it was a very different story.

118

00:12:35,000 --> 00:12:44,000

Indeed, authorities at Kodak who made the film were sent this and were asked, is this a fake?

119

00:12:44,000 --> 00:12:49,000

They came back and said, no, we see no evidence of any trickery here.

120

00:12:49,000 --> 00:12:59,000

In fact, the image is so credible that Kodak offers a lifetime supply of film to anyone who can debunk or otherwise explain the image.

121

00:12:59,000 --> 00:13:03,000

That prize has never been claimed.

122

00:13:03,000 --> 00:13:10,000

Unsealed case file number three, the Zamora incident.

123

00:13:10,000 --> 00:13:15,000

Socorro, New Mexico, April 24, 1964.

124

00:13:15,000 --> 00:13:23,000

Police officer Lonnie Zamora is chasing a speeding car when he spots a strange flame bursting into the sky.

125

00:13:23,000 --> 00:13:27,000

It's followed by a deafening roar.

126

00:13:27,000 --> 00:13:34,000

Fearing an explosion, Zamora abandons his highway pursuits and sets out into the desert to investigate.

127

00:13:34,000 --> 00:13:44,000

There, he will have an extraordinary close encounter in one of the best documented UFO sightings in history.

128

00:13:44,000 --> 00:13:51,000

Zamora spots a large metallic object that at first glance appears to be an overturned car.

129

00:13:51,000 --> 00:13:59,000

But on closer examination, Zamora states it was like aluminum and shaped like a letter O.

130

00:13:59,000 --> 00:14:08,000

Standing next to it are two small figures that he at first takes to be small adults or possibly children.

131

00:14:08,000 --> 00:14:12,000

Zamora gets out of his car to question the mysterious pair.

132

00:14:12,000 --> 00:14:17,000

Suddenly, he's startled by the same deafening roar from minutes earlier.

133

00:14:17,000 --> 00:14:21,000

A flame bursts from beneath the object, lifting it into the air.

134

00:14:21,000 --> 00:14:28,000

It passes over his head and disappears into the distance.

135

00:14:28,000 --> 00:14:38,000

Because of his police training, Lonnie Zamora provides the FBI with one of the most detailed descriptions of a UFO on record.

136

00:14:38,000 --> 00:14:46,000

The agents are impressed by his sincerity, yet they cannot explain his observations.

137

00:14:48,000 --> 00:14:55,000

We are counting down the top 10 most compelling civilian close encounters of all time.

138

00:14:55,000 --> 00:15:06,000

It's one thing to see something that cannot be explained, but some witnesses experience an encounter many people find difficult to comprehend.

139

00:15:06,000 --> 00:15:12,000

A close encounter of the fourth kind is when the witness describes a abduction of some kind,

140

00:15:12,000 --> 00:15:17,000

where the extraterrestrials actually come down and take the witness and then they become a victim.

141

00:15:43,000 --> 00:15:46,000

He blacks out.

142

00:15:46,000 --> 00:15:49,000

Five years later, he is in the Navy.

143

00:15:49,000 --> 00:15:59,000

When he is badly injured and sent for emergency medical treatment, an MRI reveals a metallic implant in his brain.

144

00:15:59,000 --> 00:16:02,000

Doctors refuse to remove it.

145

00:16:02,000 --> 00:16:11,000

Davenport claims that aliens use the implants to control not only his brain, but the brains of the doctors who treat him as well.

146

00:16:11,000 --> 00:16:19,000

Many experts believe that if we are being monitored, it may be the least of our problems.

147

00:16:19,000 --> 00:16:28,000

We have come to the number one close encounter that points to the heart of the extraterrestrial phenomenon.

148

00:16:28,000 --> 00:16:33,000

Unsealed case file number one.

149

00:16:33,000 --> 00:16:36,000

Travis Walton.

150

00:16:37,000 --> 00:16:42,000

Arizona, November 5th, 1975.

151

00:16:42,000 --> 00:16:46,000

Travis Walton is working on a logging crew in an Arizona forest.

152

00:16:46,000 --> 00:16:53,000

After his shift ends, the crew are driving back to camp when a bright light is spotted just off the road.

153

00:16:53,000 --> 00:17:01,000

As the crew approaches, a large silver disc can be seen as the source of the blinding white light.

154

00:17:02,000 --> 00:17:06,000

Walton and his fellow workers stop to investigate.

155

00:17:06,000 --> 00:17:12,000

Walton allegedly blacks out and disappears into the light of the UFO.

156

00:17:12,000 --> 00:17:20,000

When I regained consciousness, I was on board of this spacecraft.

157

00:17:20,000 --> 00:17:24,000

The first type of creature I saw was about five feet tall.

158

00:17:24,000 --> 00:17:27,000

They were very white looking.

159

00:17:27,000 --> 00:17:34,000

Walton was very pale and they didn't have any hair on their heads and they had enormous eyes.

160

00:17:34,000 --> 00:17:42,000

Travis was found several miles from the site of the abduction and could only recall a few hours of his close encounter.

161

00:17:42,000 --> 00:17:48,000

But even more disturbing is that five days had passed.

162

00:17:48,000 --> 00:17:52,000

Shortly after, he and his crew underwent a polygraph test.

163

00:17:52,000 --> 00:17:59,000

They were asked, did you tell the truth about seeing a UFO last Wednesday when Travis Walton disappeared?

164

00:17:59,000 --> 00:18:02,000

All answered yes.

165

00:18:02,000 --> 00:18:07,000

Can aliens manipulate the very fabric of time and space?

166

00:18:07,000 --> 00:18:17,000

And if so, could rising reports of global close encounters only serve to highlight how vulnerable the human race is?

167

00:18:17,000 --> 00:18:21,000

To extraterrestrial domination.

168

00:18:21,000 --> 00:18:28,000

This is Unsealed Alien Files, exposing the biggest secret on planet Earth.
