

1

00:00:00,000 --> 00:00:20,320

The last thing I want is for Lester U-Banks to die a free man.

2

00:00:20,320 --> 00:00:23,000

You murdered my sister.

3

00:00:23,000 --> 00:00:29,960

The Bible says you take a life, you give your life.

4

00:00:29,960 --> 00:00:41,400

To go from death row to the shopping mall and then allow him to escape is unfathomable.

5

00:00:41,400 --> 00:00:42,160

I want him caught.

6

00:00:59,960 --> 00:01:19,960

The last thing I want is for Lester U-Banks to die a free man.

7

00:01:30,960 --> 00:01:33,960

I've been here since I was three.

8

00:01:33,960 --> 00:01:37,960

It was a great place to live.

9

00:01:37,960 --> 00:01:42,960

Like any small town, just everybody knew everybody.

10

00:01:42,960 --> 00:01:47,960

Mansfield was a very safe place.

11

00:01:47,960 --> 00:01:56,960

I never remember feeling scared or afraid or something happening to me.

12

00:01:56,960 --> 00:02:00,960

Never.

13

00:02:00,960 --> 00:02:12,960

Mariela was a typical little girl.

14

00:02:12,960 --> 00:02:19,960

Riding bikes and hopscotch and, you know, I played with dolls.

15

00:02:19,960 --> 00:02:22,960

She had a lot of friends.

16

00:02:22,960 --> 00:02:25,960

She was just a giggly girl.

17

00:02:25,960 --> 00:02:31,960

That's all I remember doing, just giggling with her friends.

18

00:02:31,960 --> 00:02:35,960

There was seven of us.

19

00:02:35,960 --> 00:02:43,960

We all had things that we had to do in the home, the boys trash and mopping the floor.

20

00:02:43,960 --> 00:02:54,960

And the girls did like the dishes and washing and folding clothes and all that.

21

00:02:54,960 --> 00:03:00,960

It's how she came about during the laundry that night.

22

00:03:00,960 --> 00:03:13,960

Mariela and Brenda had washed all the clothes and they ended up with wet clothes because the dryer broke.

23

00:03:13,960 --> 00:03:21,960

So they had to get a taxi to go to take the wet clothes to the laundromat.

24

00:03:21,960 --> 00:03:28,960

I felt comfortable sending them there at that time of night because my grandmother lived right next door to the laundromat.

25

00:03:28,960 --> 00:03:39,960

And they knew they could go there if anything happened.

26

00:03:39,960 --> 00:03:45,960

They got there, of course, and the water was drying the clothes and they ran out of change.

27

00:03:45,960 --> 00:04:12,960

And Mariela went to the other laundromat to get change, take five minutes to walk that distance.

28

00:04:12,960 --> 00:04:24,960

And then when she didn't come back, Brenda went to my grandmother's and told her that Mariela and I went to get change and she wasn't back yet.

29

00:04:24,960 --> 00:04:38,960

And my grandmother told her to stay there and she'd go and see if she could find her.

30

00:04:38,960 --> 00:04:46,960

On her way down there, she saw the police.

31

00:04:46,960 --> 00:04:59,960

And she eventually saw that it was Mariela there and what had happened to her.

32

00:04:59,960 --> 00:05:12,960

Mariela and Brenda had been shot.

33

00:05:12,960 --> 00:05:22,960

The police were able to determine what caliber of gun that she was shot with.

34

00:05:22,960 --> 00:05:31,960

So they started going to all the gun stores and hardware stores that sold guns in Mansfield.

35

00:05:31,960 --> 00:05:39,960

They ended up at the Diamond Hardware, up on South Diamond Street, and they asked to see the books.

36

00:05:39,960 --> 00:05:48,960

They see a weapon that fit the description of the gun that was used to shoot Mariela.

37

00:05:48,960 --> 00:05:56,960

And then they were purchased by Lester Eubanks.

38

00:05:56,960 --> 00:06:02,960

And then they started really beating the bushes, talking to informants.

39

00:06:02,960 --> 00:06:12,960

Some informants said he saw Lester Eubanks in that area earlier in the night before the crime occurred.

40

00:06:12,960 --> 00:06:21,960

Lester Eubanks, he was just a guy that walked down the street. I never knew who he was.

41

00:06:21,960 --> 00:06:27,960

But I just always thought he was weird and appeared to be a loner.

42

00:06:27,960 --> 00:06:39,960

Always had these numb chucks within those karate sticks and that's what he'd do with him. He'd walk up and down the street.

43

00:06:39,960 --> 00:06:46,960

Lester Eubanks grew up in Mansfield. He's a sharp-looking man. He is well-liked.

44

00:06:46,960 --> 00:06:52,960

Easily can fit into anywhere.

45

00:06:52,960 --> 00:06:59,960

But he was also what we would consider to label a sexual predator today.

46

00:06:59,960 --> 00:07:07,960

Lester Eubanks, he had been arrested two times in the past for sex offenses.

47

00:07:07,960 --> 00:07:14,960

And at the time of the homicide, he was out on bond for rape attempt.

48

00:07:14,960 --> 00:07:31,960

This guy shouldn't have even been out.

49

00:07:31,960 --> 00:07:36,960

Sunday morning, officers picked him up, took him to the police station.

50

00:07:36,960 --> 00:07:44,960

They conducted an interview of him. He confessed.

51

00:07:44,960 --> 00:07:54,960

And we had the right man.

52

00:07:54,960 --> 00:08:04,960

His confession was pretty detailed in explaining what he did to this little girl.

53

00:08:04,960 --> 00:08:09,960

That night, Lester Eubanks was just hanging in the area.

54

00:08:09,960 --> 00:08:14,960

And he sees an opportunity. He sees this beautiful little girl walk past him.

55

00:08:14,960 --> 00:08:32,960

He grabs her, pulls her behind the house. She starts to scream.

56

00:08:32,960 --> 00:08:38,960

She shoots her twice. They're screaming, stops.

57

00:08:38,960 --> 00:08:49,960

Eubanks left the scene, went around the corner to his apartment, got dressed to go downtown and go dancing.

58

00:08:49,960 --> 00:09:04,960

And on his way downtown, come back by the scene of the crime, and Mary Ellen was writhing in agony.

59

00:09:04,960 --> 00:09:12,960

He was still alive after being shot, wanting help. And so he helped her.

60

00:09:12,960 --> 00:09:19,960

I picked up a brick in the alley, and I went back to where this little girl I can't even read anymore.

61

00:09:19,960 --> 00:09:29,960

He went back. He admitted to it. He's a monster. He's a monster.

62

00:09:29,960 --> 00:09:38,960

That's disgusting.

63

00:09:38,960 --> 00:09:48,960

Sometime during that morning, the detectives came and told us why they were there.

64

00:09:48,960 --> 00:09:57,960

I was just total shocked. I couldn't believe it. My mother was hysterical crying.

65

00:09:57,960 --> 00:10:04,960

And my sister Brenda was, she was in shock for a long time.

66

00:10:04,960 --> 00:10:17,960

I think it affected her up until the time she died. I can't imagine having to deal with that.

67

00:10:17,960 --> 00:10:33,960

This monster takes her entire family's world and just crushes it and changes their future.

68

00:10:33,960 --> 00:10:46,960

I went to the trial daily because I wanted him to know that she had a lot of people that cared about her and loved her and what he had taken from, you know, the world.

69

00:10:46,960 --> 00:10:49,960

I just wanted him to know we cared.

70

00:10:49,960 --> 00:10:59,960

He testified. He wanted to get up. And I think that's really the trait of a narcissist.

71

00:10:59,960 --> 00:11:05,960

He didn't seem to show any remorse at all other than the fact that he was caught.

72

00:11:05,960 --> 00:11:14,960

Upon his confession in the courtroom, he was convicted by jury of his peers. He was sentenced to death.

73

00:11:14,960 --> 00:11:19,960

He was sent to the death row in the Ohio prison system.

74

00:11:19,960 --> 00:11:32,960

Everybody was happy. It was wrapped up in a bow for a while.

75

00:11:32,960 --> 00:11:48,960

The Ohio Penitentiary was located in downtown Columbus. And that is where Lester Eubanks was confined on his conviction from Richland County.

76

00:11:48,960 --> 00:11:58,960

I knew Lester Eubanks. I didn't go around him. I wasn't afraid of him. I didn't like him.

77

00:11:58,960 --> 00:12:02,960

I didn't know what he was sitting there for except murder.

78

00:12:02,960 --> 00:12:09,960

Lester was a tall guy, very cocky, very opinionated.

79

00:12:09,960 --> 00:12:18,960

Lester had an attitude. There was a lot of people he didn't like, a lot of things he didn't like.

80

00:12:18,960 --> 00:12:25,960

He was basically a loner, painting or writing or doing whatever he'd done, you know.

81

00:12:25,960 --> 00:12:31,960

Eubanks was allowed to have paint brushes and canvases.

82

00:12:31,960 --> 00:12:40,960

That was not unusual for any prisoner on death row in the 60s and 70s to be able to utilize whatever skills they had.

83

00:12:40,960 --> 00:12:44,960

They were able to eat their time doing something constructive.

84

00:12:44,960 --> 00:12:59,960

Three separate times, his execution was pushed back for unknown reasons.

85

00:12:59,960 --> 00:13:06,960

And then finally he was pushed because in 1972 a death penalty was abolished.

86

00:13:07,960 --> 00:13:21,960

The United States Supreme Court in 1972 found that the death penalty was administered in an arbitrary and capricious method.

87

00:13:21,960 --> 00:13:32,960

So Eubanks along with other Ohio death row prisoners had to have their sentence set aside and it reverted to a life sentence.

88

00:13:33,960 --> 00:13:45,960

I was angry. I was angry and shocked and confused.

89

00:13:45,960 --> 00:13:53,960

But if you can't do anything about some things you have to let it go.

90

00:13:53,960 --> 00:14:00,960

That's what we did. We went on with our lives knowing that he was in prison.

91

00:14:03,960 --> 00:14:13,960

After the death penalty was abolished, Buster Eubanks was put into general population.

92

00:14:13,960 --> 00:14:19,960

He could put on a facade, you know, where it looks like a good guy but it's not.

93

00:14:19,960 --> 00:14:29,960

He is a smooth talker. He won the guards over and there's no other reasonable explanation than that.

94

00:14:29,960 --> 00:14:34,960

They allowed him to go into this honor program.

95

00:14:34,960 --> 00:14:47,960

At the time there was a national reform kind of movement to do things in prison with inmates to help them prepare for life on the outside.

96

00:14:48,960 --> 00:14:58,960

Eubanks became eligible for this honor or trustee program that allowed him under certain circumstances to venture outside the prison.

97

00:14:58,960 --> 00:15:04,960

Sometimes they were allowed to drive trucks from prison to prison.

98

00:15:04,960 --> 00:15:09,960

Sometimes they were permitted outside in the presence of a guard to go run errands.

99

00:15:09,960 --> 00:15:14,960

The rationale was to reward prisoners for good behavior.

100

00:15:14,960 --> 00:15:20,960

That would help them both control the population as well as incentivize good conduct.

101

00:15:20,960 --> 00:15:26,960

He was in several art shows where he won awards.

102

00:15:26,960 --> 00:15:33,960

You see photographs of him standing there with these people that don't know who he is or what he did.

103

00:15:34,960 --> 00:15:47,960

He was a serial sex offender. Today we know that he's probably one of the last people you'd want to let in that program because of their recidivism rate or ability to reoffend.

104

00:15:47,960 --> 00:15:50,960

That was a real bad idea.

105

00:15:50,960 --> 00:16:03,960

As part of this furlough program, four prisoners along with Lester Eubanks were permitted to go on a Christmas shopping trip.

106

00:16:03,960 --> 00:16:09,960

Money in hand and he's in civilian attire.

107

00:16:09,960 --> 00:16:15,960

They were given instructions of course, hey, you go ahead and do your shopping for your families.

108

00:16:16,960 --> 00:16:19,960

You have to report back by 2pm.

109

00:16:19,960 --> 00:16:29,960

And rather than staying together as a group, they were permitted to leave the presence of the guard and be on their own shopping among the public.

110

00:16:29,960 --> 00:16:41,960

It was a period of two to three hours later where they were going to meet at a particular place.

111

00:16:41,960 --> 00:16:48,960

And when that time came, Lester Eubanks did not report back to the agreed meeting place.

112

00:17:00,960 --> 00:17:15,960

He avoided the electric chair. He avoided a lifetime in a prison cell. Lester Eubanks was allowed to walk away.

113

00:17:15,960 --> 00:17:29,960

What were they hoping to accomplish with this absurd program of taking up a child murderer to go Christmas shopping and not even having a guard stand beside him the entire time?

114

00:17:29,960 --> 00:17:33,960

It just is baffling.

115

00:17:34,960 --> 00:17:49,960

In my mom called me. She said, Sheriff called her and told her that he had escaped. She was her love set.

116

00:17:49,960 --> 00:17:59,960

I was angry and shocked and Christmas shopping is all we could think of for you to go Christmas shopping from prison.

117

00:18:04,960 --> 00:18:09,960

No one really knows how he escaped from the immediate area, Great Southern Shopping Center.

118

00:18:09,960 --> 00:18:15,960

But I don't think he could have done that if this was a spur of the moment decision by him.

119

00:18:17,960 --> 00:18:22,960

I think there had to have been planning. I think he had to have made some kind of arrangements in advance.

120

00:18:24,960 --> 00:18:30,960

It was found that when he was in prison, his visitation list was alarming.

121

00:18:31,960 --> 00:18:40,960

Eubanks had visitors regularly show up at the prison, but the visitations just prior to his escape truly escalated.

122

00:18:40,960 --> 00:18:50,960

You know, you go from once a month regularly for years to once a week and then all of a sudden you walk away. That's suspicious.

123

00:18:50,960 --> 00:18:58,960

It was pre-planned. It makes you believe that those visitors had a little bit of culpability.

124

00:18:59,960 --> 00:19:06,960

The theory was that someone from his family that supported him may have helped him, or it wouldn't have been so successful.

125

00:19:08,960 --> 00:19:16,960

His family was talked to. His associates were talked to. And they failed to surrender any information to where he was at.

126

00:19:17,960 --> 00:19:25,960

I don't know how anyone cannot think that this is premeditated. His ability to become an honor inmate.

127

00:19:25,960 --> 00:19:30,960

This is him earning the trust of the guards, earning the trust of the prison system.

128

00:19:30,960 --> 00:19:35,960

And it's his ability to become that chameleon to walk outside the walls.

129

00:19:36,960 --> 00:19:45,960

After Eubanks' escape, Franklin County Sheriff's Office put a local warrant in the system and the FBI took out a federal arrest warrant.

130

00:19:45,960 --> 00:19:55,960

This warrant is going to be a nationwide pickup, meaning that if he is caught anywhere in the continental United States, he's going to be arrested and brought back to Ohio.

131

00:20:05,960 --> 00:20:24,960

In December of 1993, I was a Detective Bureau Commander. I was a captain, and I thought, you know, we haven't heard a lot about Eubanks.

132

00:20:24,960 --> 00:20:36,960

Maybe he's been apprehended, and he didn't notify anybody, which might be a little crazy, but he checked in the computer.

133

00:20:38,960 --> 00:20:48,960

I would expect that the sea wanted an unlawful flight, felony escape from the penitentiary for the state of Ohio.

134

00:20:48,960 --> 00:21:01,960

So I discovered there were no warrants to be found. The federal warrant was removed from the database.

135

00:21:01,960 --> 00:21:14,960

So if no warrant was in there when he was encountered in a field interview situation or a car stop, with no warrant in the system, he would have been let go.

136

00:21:15,960 --> 00:21:27,960

And I discovered that nothing, no affirmative steps were being taken by any agency to try and bring this guy to justice.

137

00:21:27,960 --> 00:21:30,960

I thought this is unbelievable.

138

00:21:30,960 --> 00:21:40,960

It was just a lack of either required follow-up or a clerical kind of error that is the only explanation I have or that I can come up with.

139

00:21:41,960 --> 00:21:49,960

It should not have happened, but it did. You have to deal with it. So that's what we did.

140

00:21:51,960 --> 00:21:59,960

We thought maybe if we could get him exposed nationwide, we can get this guy.

141

00:21:59,960 --> 00:22:05,960

That's when we decided to try and get him exposed on America's most wanted.

142

00:22:06,960 --> 00:22:12,960

14-year-old Mary Ellen was exceptionally bright and responsible, but what happened that night?

143

00:22:12,960 --> 00:22:18,960

The night of the show, you get a call from a lady who watched the show and says, I know him.

144

00:22:18,960 --> 00:22:24,960

And I used to run around with him in Los Angeles back in the 70s.

145

00:22:24,960 --> 00:22:32,960

And according to her, you banks ended up living with K Banks, his cousin's widow.

146

00:22:36,960 --> 00:22:45,960

When the detectives in Ohio gave us the name of K Banks, a pair of detectives went down and met with her at her home.

147

00:22:45,960 --> 00:22:54,960

She was fearful that she would somehow be caught up in some trouble herself for harboring a fugitive.

148

00:22:54,960 --> 00:22:57,960

And so she wanted to cooperate.

149

00:22:57,960 --> 00:23:05,960

K told the detectives that he lived with her in Los Angeles, that he was no longer there.

150

00:23:05,960 --> 00:23:16,960

She said that she was originally from Ohio and K was married to Darrell Banks, you banks' cousin.

151

00:23:16,960 --> 00:23:25,960

And he was a pretty popular singer in Detroit back in the 60s. Darrell got shot and killed up in Detroit.

152

00:23:25,960 --> 00:23:29,960

She ended up out in California.

153

00:23:29,960 --> 00:23:36,960

She established a relationship with Lester through the prison walls. She was his pen pal.

154

00:23:36,960 --> 00:23:40,960

There is a photo of K in his jail cell.

155

00:23:40,960 --> 00:23:49,960

K had indicated that after you banks had walked away and affected his escape, he had found his way to Michigan

156

00:23:49,960 --> 00:23:54,960

and stayed there to see if he was going to be chased or not or how diligently.

157

00:23:54,960 --> 00:24:00,960

He was trying to paint houses in a local community in Michigan to earn money.

158

00:24:00,960 --> 00:24:13,960

He stayed there for a couple weeks and then someone put him on a bus because he didn't have any money and paid for a trip to California.

159

00:24:13,960 --> 00:24:22,960

Lester told K that when he gets to California, the bus was pulled over by law enforcement.

160

00:24:22,960 --> 00:24:27,960

And he's sitting there thinking, this is it, it's over.

161

00:24:37,960 --> 00:24:44,960

He thought he was going to go back to jail because he's an escaped prisoner that was a warrant for his arrest.

162

00:24:44,960 --> 00:24:58,960

Well, these guys were looking for illegal fruit being brought across state lines.

163

00:24:58,960 --> 00:25:09,960

Lester looked at him and smiled. And as they walked off the bus, he thought to himself, hey, this is it, I'm free. I got away.

164

00:25:14,960 --> 00:25:25,960

K Banks was surprised when she answered the door. She told us that she didn't know he planned to escape.

165

00:25:25,960 --> 00:25:29,960

He was using an assumed name of Victor Young.

166

00:25:29,960 --> 00:25:39,960

He went and got a hunting license to use as his ID because you'd have to get a fingerprint and he had it in his alias name.

167

00:25:40,960 --> 00:25:46,960

He's smart. He knows what it takes for him to stay out and he knows that he can.

168

00:25:48,960 --> 00:26:01,960

K told us about Lester's love of painting. I've seen pictures of some of the work that he did while in prison and he was talented. He was just evil.

169

00:26:02,960 --> 00:26:12,960

K Banks said that you banks, he was a real bully and she was intimidated by him.

170

00:26:12,960 --> 00:26:20,960

After so much intimidation, she decided she's got to come up with something to get him out of her life.

171

00:26:20,960 --> 00:26:28,960

She says, hey, I got a call today from the FBI or the police asking about you. And that was all it took.

172

00:26:28,960 --> 00:26:32,960

And according to her, that's the last she saw of him.

173

00:26:35,960 --> 00:26:45,960

K provided us with information about a location in Gardena where he had worked or was working in the manufacturing of mattresses.

174

00:26:45,960 --> 00:26:49,960

We went to that location and checked it.

175

00:26:50,960 --> 00:26:58,960

The former owner put Victor Young there up until the mid 80s, 85 or 86.

176

00:27:04,960 --> 00:27:13,960

We worked the case for the better part of two years until somewhere in 96 and you banks is still running.

177

00:27:14,960 --> 00:27:19,960

But it just got to the point where there was no more to do.

178

00:27:31,960 --> 00:27:38,960

I had never really heard about the murder until 2003 when I was tasked with looking into some things.

179

00:27:38,960 --> 00:27:48,960

A superior officer down in Columbus was looking at some older escape cases. So I was contacted.

180

00:27:48,960 --> 00:27:54,960

Basically told, hey, here's the case. Look into this and see what you can find.

181

00:27:54,960 --> 00:28:01,960

My initial thoughts were to look at you banks as father, Moes you banks.

182

00:28:02,960 --> 00:28:07,960

His father was the only known close relative that was living in this area at the time.

183

00:28:07,960 --> 00:28:11,960

So we went out there to just to see if he would talk to us.

184

00:28:11,960 --> 00:28:16,960

He says, well, I'll talk to you about anything you want, but I'm not going to talk to you about Lester.

185

00:28:17,960 --> 00:28:25,960

He went on to explain how he was frequently in the prisons trying to help inmates to turn their life around and that type of thing.

186

00:28:26,960 --> 00:28:32,960

And he says, well, you know, he says there's nothing I could nothing anyone can do to bring that girl back.

187

00:28:32,960 --> 00:28:39,960

And I simply ask him the question. I'm like, what do you think that justice was done in this case with your with your son?

188

00:28:39,960 --> 00:28:45,960

And he specifically he looked at me and he says people change and go on and start new lives.

189

00:28:45,960 --> 00:28:50,960

And he says, and I pray for Lester every day. And he says, that's all I'm going to say about Lester.

190

00:28:50,960 --> 00:28:59,960

We had a little bit of more conversation. And then my partner and I, we kind of looked at each other and we said, he knows exactly where Lester is at.

191

00:29:03,960 --> 00:29:13,960

While later, the detective with the man's police department talked to an informant that had told him that that same summer she had been out to Moes' house.

192

00:29:14,960 --> 00:29:21,960

Well, the lady said, well, when we were there, the phone rang and Moes excused himself and actually went into another room.

193

00:29:21,960 --> 00:29:30,960

And when he came back, he had told the lady that he was on the phone with his son in Alabama who was taking a break from painting a house.

194

00:29:33,960 --> 00:29:39,960

At that time, I'd already tracked down all of the siblings and there was none in Alabama at the time.

195

00:29:40,960 --> 00:29:43,960

So that kind of piqued my interest.

196

00:29:44,960 --> 00:29:48,960

I ended up getting a subpoena to get his Moes' phone records.

197

00:29:49,960 --> 00:30:01,960

And lo and behold, there were several calls during that time frame that were coming and going to a Center for Troubled Youth.

198

00:30:02,960 --> 00:30:11,960

And there was a black male that was near that, you know, description of Lester height and age working at this place.

199

00:30:12,960 --> 00:30:16,960

This guy in question did not have a driver's license. He didn't drive.

200

00:30:17,960 --> 00:30:21,960

And so security number was coming back as a false social security number too.

201

00:30:21,960 --> 00:30:24,960

So that kind of triggered me thinking, okay, it might be Lester.

202

00:30:24,960 --> 00:30:37,960

Unfortunately, the person in question that they were talking about had actually left there a couple months prior to us kind of digging into it.

203

00:30:38,960 --> 00:30:50,960

I remember thinking to myself, if it was him, if it was Lester, we were able to get pretty close, but at the same token, you know, here we are all these years later.

204

00:30:54,960 --> 00:31:02,960

Moes' U banks was a supposed man of the cloth and he was willing to forgive and forget.

205

00:31:03,960 --> 00:31:14,960

He was willing to forgive his son for this brutal murder and he was willing to forget about Mary Ellen Deener, the poor child that he murdered.

206

00:31:17,960 --> 00:31:21,960

It's just tragic. He got to live his life and she didn't.

207

00:31:22,960 --> 00:31:31,960

He'd never asked for forgiveness. He could have asked in court and he could have had his dad ask my mom, please forgive him.

208

00:31:32,960 --> 00:31:37,960

Nobody has even said anything to my family from that family.

209

00:31:38,960 --> 00:31:55,960

I've been a police officer for 40 years and this is the biggest miscarriage of justice that I've ever seen. I just can't forget about it. I won't forget about it.

210

00:31:56,960 --> 00:32:14,960

This guy needs to be captured. He needs to be apprehended and pay for this heinous crime that he committed. But law enforcement can't do it by themselves. We have to get the profile out for people to see.

211

00:32:15,960 --> 00:32:23,960

Marshal Service, we fight for those who can't fight for themselves. Mary Ellen Deener cannot fight for herself.

212

00:32:25,960 --> 00:32:39,960

In July of 2018, I started to push forward with Lester U banks being put on a 15 most wanted. These are the type of cases that they're alleged to be the un-catchables.

213

00:32:39,960 --> 00:32:44,960

You make that list. That means you are the worst of the worst.

214

00:32:45,960 --> 00:32:59,960

Lester U banks is friends and associates throughout many states. Florida, Texas, Alabama, California, Washington. Someone's going to identify him. Someone's going to bring him to justice.

215

00:33:00,960 --> 00:33:11,960

Lester's got a huge scar on his right arm. It's about probably an inch and it wraps all the way around his right arm and it's pretty thick and it's pretty identifiable.

216

00:33:12,960 --> 00:33:23,960

The other thing is he was extremely talented painter and I still think today that might be one of the things that could help identify who he is.

217

00:33:23,960 --> 00:33:40,960

The United States Marshal Service is offering a reward for \$25,000 for any information that leads to the arrest and I would be more than happy to provide that person with that money.

218

00:33:40,960 --> 00:34:00,960

It's important that Lester is called because he was given a life sentence. He took my sister's life. She didn't get an extension. Her life is over.

219

00:34:00,960 --> 00:34:13,960

And the law said that's what should happen with him. Living but still, not free. I want him caught.

220

00:35:30,960 --> 00:35:32,960

Thank you.

221

00:36:00,960 --> 00:36:02,960

Thank you.
