

1

00:00:00,000 --> 00:00:02,000

You

2

00:00:30,000 --> 00:00:32,000

You

3

00:00:35,160 --> 00:00:37,400

You talked to that person

4

00:00:40,000 --> 00:00:42,000

Who are you?

5

00:00:44,000 --> 00:00:46,000

I'm in the ocean

6

00:00:47,000 --> 00:00:49,000

Do I live or die?

7

00:00:52,000 --> 00:00:54,000

A big earthquake came

8

00:00:54,000 --> 00:00:57,000

and the tsunami after that was probably involved in it

9

00:00:57,000 --> 00:01:01,000

and you died

10

00:01:27,000 --> 00:01:32,200

ALIEN

11

00:01:32,200 --> 00:01:37,080

But nothing can sully it against the human minority.

12

00:01:37,140 --> 00:01:40,880

We let peace have its name.

13

00:01:43,020 --> 00:01:45,160

In silent fate,

14

00:01:45,160 --> 00:01:51,800

their tragedy what they take is

15

00:01:51,960 --> 00:01:56,300

nothing even for the time they die.

16

00:01:57,540 --> 00:02:00,220

No hope is a possibility.

17

00:02:00,220 --> 00:02:02,220

I'm also a part of the family.

18

00:02:03,220 --> 00:02:06,220

The mother, Kitakami Nawa,

19

00:02:06,220 --> 00:02:09,220

built the Minato in Ishinomaki.

20

00:02:11,220 --> 00:02:13,220

Everyone living here

21

00:02:13,220 --> 00:02:16,220

has lived in the river and sea

22

00:02:16,220 --> 00:02:19,220

to get a glimpse of the sea.

23

00:02:21,220 --> 00:02:25,220

My relatives are also doing sea work.

24

00:02:25,220 --> 00:02:27,220

They're making a ride.

25

00:02:30,220 --> 00:02:34,220

The people of Ishinomaki are sea-divers,

26

00:02:34,220 --> 00:02:36,220

living and living.

27

00:02:38,220 --> 00:02:40,220

I think it was a sea

28

00:02:40,220 --> 00:02:43,220

that I really loved until the earthquake.

29

00:03:00,220 --> 00:03:03,220

Ishinomaki is a place

30

00:03:03,220 --> 00:03:05,220

where many people have experienced

31

00:03:05,220 --> 00:03:07,220

the earthquake.

32

00:03:30,220 --> 00:03:34,220

When there was a big earthquake,

33

00:03:34,220 --> 00:03:38,220

the tsunami came next.

34

00:03:38,220 --> 00:03:41,220

We used the water-free route

35

00:03:41,220 --> 00:03:43,220

to get to the locals.

36

00:03:43,220 --> 00:03:46,220

We tried our best to avoid the tsunami.

37

00:03:48,220 --> 00:03:50,220

We could train ourselves.

38

00:03:51,220 --> 00:03:52,220

But...

39

00:03:53,220 --> 00:03:57,220

But the only difference was the size of the tsunami.

40

00:04:01,220 --> 00:04:04,220

■ ■ ■ ■ ■ ■ ■ ■ ■ ■

41

00:04:06,220 --> 00:04:09,220

The tsunami warning has been announced.

42

00:04:13,220 --> 00:04:17,220

Please stay at the ■ port of Kaga.

43

00:04:30,220 --> 00:04:35,980

shops.

44

00:04:35,980 --> 00:04:39,840

Camera announcer

45

00:04:39,840 --> 00:04:45,400

was

46

00:04:45,400 --> 00:04:50,860

caught

47

00:04:50,860 --> 00:04:51,860

Oh, no!

48

00:04:53,860 --> 00:04:56,860

The tsunami has started to rise.

49

00:04:59,860 --> 00:05:01,860

The tsunami is rising.

50

00:05:04,860 --> 00:05:06,860

Oh, no!

51

00:05:07,860 --> 00:05:08,860

Oh, no!

52

00:05:08,860 --> 00:05:09,860

Don't do it!

53

00:05:13,860 --> 00:05:16,860

The warning is about to fall.

54

00:05:16,860 --> 00:05:18,860

This is bad.

55

00:05:18,860 --> 00:05:20,860

The moment I thought of it,

56

00:05:20,860 --> 00:05:21,860

I came to the point

57

00:05:24,860 --> 00:05:27,860

and the tsunami was thrown out.

58

00:05:40,860 --> 00:05:44,860

I don't know where the point is or where the ground is.

59

00:05:47,860 --> 00:05:50,860

At that time, I was hiding my own death.

60

00:05:50,860 --> 00:05:54,860

I could see my wife and children's faces.

61

00:06:02,860 --> 00:06:05,860

I was shaking my hands seriously.

62

00:06:09,860 --> 00:06:12,860

I just came out of the tsunami.

63

00:06:16,860 --> 00:06:19,860

I was wondering how far I could go

64

00:06:19,860 --> 00:06:21,860

to catch the fire.

65

00:06:21,860 --> 00:06:23,860

I was wondering how far I could go,

66

00:06:23,860 --> 00:06:25,860

and I was being thrown out.

67

00:06:46,860 --> 00:06:48,860

noticed this

68

00:06:59,860 --> 00:07:01,860

The big earthquake has spread messily

69

00:07:01,860 --> 00:07:04,860

there is no trace of people being taken away.

70

00:07:07,860 --> 00:07:09,860

and there aren't there

71

00:07:09,860 --> 00:07:11,860

We■ a little behind us.

72

00:07:11,860 --> 00:07:13,860

we were blown by the heavy snow

73

00:07:16,860 --> 00:07:19,860

It hit me a hole.

74

00:07:20,080 --> 00:07:24,540

That■■■■ was one more time fixed at the height of entonces.

75

00:07:38,620 --> 00:07:41,660

When I saw her, I was ont t fatigued at that time.

76

00:07:41,660 --> 00:07:45,860

So then, why are we tuna cage that hurts or hurts

77

00:07:45,940 --> 00:07:48,100

the equals times of human demands?

78

00:08:11,660 --> 00:08:14,700

I wanted to bring them home.

79

00:08:15,700 --> 00:08:19,680

Do you want's to tell us about this fitness program?

80

00:08:26,620 --> 00:08:28,840

Take me to the bright spot,

81

00:08:33,840 --> 00:08:38,180

Superstition has been boiling in us

82

00:08:38,180 --> 00:08:41,140

That's when I first decided I wanted to go.

83

00:08:43,480 --> 00:08:46,020

Apartment management was like hell.

84

00:08:47,720 --> 00:09:00,220

As I thought...

85

00:09:08,180 --> 00:09:12,540

It's moving.

86

00:09:29,980 --> 00:09:33,880

The girl, thepe of the house,

87

00:09:33,880 --> 00:09:36,880

I saw a big, thick tree.

88

00:09:40,880 --> 00:09:43,880

It was like a tree with a long stomach.

89

00:09:43,880 --> 00:09:45,880

It was like this, and it was down.

90

00:09:48,880 --> 00:09:50,880

It wasn't really sleeping.

91

00:09:51,880 --> 00:09:53,880

I saw it with a beautiful face.

92

00:09:53,880 --> 00:09:55,880

I didn't notice anything.

93

00:09:56,880 --> 00:09:58,880

I found Niobo

94

00:09:59,880 --> 00:10:03,880

in a car from here

95

00:10:03,880 --> 00:10:06,880

for about 2-3 minutes.

96

00:10:10,880 --> 00:10:13,880

It's been about a week since I was born.

97

00:10:16,880 --> 00:10:18,880

I was looking for a place to work

98

00:10:18,880 --> 00:10:20,880

with the local people

99

00:10:20,880 --> 00:10:23,880

while looking for the land.

100

00:10:24,880 --> 00:10:26,880

I was looking for a place to work with the kids.

101

00:10:27,880 --> 00:10:29,880

I saw a big, thick tree.

102

00:10:29,880 --> 00:10:31,880

I saw a big, thick tree.

103

00:10:31,880 --> 00:10:33,880

I was wondering if it was possible

104

00:10:33,880 --> 00:10:35,880

to make a beautiful face

105

00:10:35,880 --> 00:10:37,880

and to make it look like a lake.

106

00:10:37,880 --> 00:10:40,880

I was sure of it.

107

00:10:40,880 --> 00:10:43,880

I was afraid of the sun.

108

00:10:51,880 --> 00:10:53,880

I didn't have any fuel.

109

00:10:53,880 --> 00:10:55,880

I couldn't turn on the electricity

110

00:10:55,880 --> 00:10:57,880

because of the nuclear accident.

111

00:10:57,880 --> 00:10:59,880

I was broken.

112

00:10:59,880 --> 00:11:01,880

I lost my gas.

113

00:11:02,880 --> 00:11:06,880

I couldn't even get a toilet in such a situation.

114

00:11:11,880 --> 00:11:13,880

I was really poor.

115

00:11:13,880 --> 00:11:15,880

But in Japan,

116

00:11:15,880 --> 00:11:18,880

I was forced to do the national work.

117

00:11:18,880 --> 00:11:20,880

I was forced to do the national work.

118

00:11:25,880 --> 00:11:28,880

I was forced to do the national work.

119

00:11:29,880 --> 00:11:32,880

I was forced to do the national work.

120

00:11:35,880 --> 00:11:38,880

I saw the sun rising from the next day

121

00:11:38,880 --> 00:11:41,880

and I felt my body was shaking.

122

00:11:43,880 --> 00:11:45,880

The first group I came to

123

00:11:45,880 --> 00:11:49,880

was two girls from the 5th grade of elementary school.

124

00:11:49,880 --> 00:11:51,880

I couldn't read the book

125

00:11:51,880 --> 00:11:54,880

even with that.

126

00:11:54,880 --> 00:11:56,880

I was shaking.

127

00:12:04,880 --> 00:12:06,880

My role now is

128

00:12:06,880 --> 00:12:09,880

to be the 10th grader of this school.

129

00:12:09,880 --> 00:12:12,880

I'm the 26th grader.

130

00:12:14,880 --> 00:12:16,880

I was raised as a child

131

00:12:16,880 --> 00:12:19,880

in this temple since I was a child.

132

00:12:21,880 --> 00:12:23,880

I went to college and did my homework.

133

00:12:23,880 --> 00:12:26,880

I had a lot of experiences.

134

00:12:27,880 --> 00:12:29,880

I felt that

135

00:12:29,880 --> 00:12:32,880

I didn't have to use this kind of knowledge.

136

00:12:32,880 --> 00:12:35,880

I felt that way.

137

00:12:37,880 --> 00:12:40,880

I couldn't speak.

138

00:12:55,880 --> 00:12:58,880

I first came to Akusinomaki

139

00:12:58,880 --> 00:13:02,880

in June 2011.

140

00:13:02,880 --> 00:13:06,880

I heard a lot of ghost stories.

141

00:13:14,880 --> 00:13:18,880

I had a lot of stories in October.

142

00:13:21,880 --> 00:13:23,880

I started to gather

143

00:13:23,880 --> 00:13:26,880

stories about my field of study.

144

00:13:26,880 --> 00:13:29,880

I started to gather stories.

145

00:13:30,880 --> 00:13:31,880

One day,

146

00:13:31,880 --> 00:13:33,880

I heard that

147

00:13:33,880 --> 00:13:36,880

I had a phone call with Mr. Endo

148

00:13:36,880 --> 00:13:39,880

and I had a strange experience.

149

00:13:44,880 --> 00:13:47,880

The day of the East Japan earthquake,

150

00:13:47,880 --> 00:13:50,880

my mother was worried

151

00:13:50,880 --> 00:13:53,880

and she went to the evacuation center.

152

00:13:53,880 --> 00:13:56,880

My mother was waiting for me

153

00:13:56,880 --> 00:13:59,880

to come here.

154

00:14:04,880 --> 00:14:06,880

A few elderly women

155

00:14:06,880 --> 00:14:09,880

who had just arrived

156

00:14:09,880 --> 00:14:12,880

were sitting in front of the window.

157

00:14:18,880 --> 00:14:20,880

When I looked closely,

158

00:14:20,880 --> 00:14:22,880

I saw my mother's clothes.

159

00:14:22,880 --> 00:14:24,880

She said,

160

00:14:31,880 --> 00:14:35,880

she was waiting for me in Sendai.

161

00:14:35,880 --> 00:14:37,880

I thought,

162

00:14:37,880 --> 00:14:39,880

I should take a picture of her

163

00:14:39,880 --> 00:14:41,880

and send her to the evacuation center.

164

00:14:50,880 --> 00:14:54,880

She suddenly became another woman.

165

00:14:58,880 --> 00:15:01,880

My mother was evacuated

166

00:15:01,880 --> 00:15:04,880

from the old man's home.

167

00:15:05,880 --> 00:15:07,880

She was being carried away

168

00:15:07,880 --> 00:15:09,880

while she was evacuating.

169

00:15:10,880 --> 00:15:11,880

I thought,

170

00:15:11,880 --> 00:15:14,880

it was just that time.

171

00:15:14,880 --> 00:15:18,880

I was looking for

172

00:15:18,880 --> 00:15:21,880

a ghost experience

173

00:15:21,880 --> 00:15:24,880

until the summer of 2013.

174

00:15:27,880 --> 00:15:30,880

I told my friends

175

00:15:30,880 --> 00:15:33,880

that I wanted to see a ghost

176

00:15:33,880 --> 00:15:35,880

because I wanted to see them.

177

00:15:35,880 --> 00:15:37,880

I was waiting for a message

178

00:15:37,880 --> 00:15:39,880

from my family.

179

00:15:39,880 --> 00:15:42,880

For example,

180

00:15:42,880 --> 00:15:45,880

I was a woman from Ishino-maki.

181

00:15:45,880 --> 00:15:47,880

On the way,

182

00:15:47,880 --> 00:15:50,880

she had a 3-year-old boy

183

00:15:50,880 --> 00:15:52,880

who was missing.

184

00:15:52,880 --> 00:15:55,880

He was in panic disorder

185

00:15:55,880 --> 00:15:58,880

due to his kidney disease.

186

00:16:00,880 --> 00:16:04,880

There was a baby inside the house.

187

00:16:04,880 --> 00:16:06,620

that's the speed left out.

188

00:16:07,620 --> 00:16:08,960

Let's keep our looks in place.

189

00:16:09,960 --> 00:16:11,520

Word said,

190

00:16:11,780 --> 00:16:13,000

Rumble?

191

00:16:19,960 --> 00:16:20,760

Hey.

192

00:16:21,020 --> 00:16:22,300

What's up?

193

00:16:23,300 --> 00:16:24,700

It looks bad.

194

00:16:25,200 --> 00:16:26,500

I'll be fine.

195

00:16:30,480 --> 00:16:32,240

It's a great day.

196

00:16:32,280 --> 00:16:34,280

All right, then.

197

00:16:34,280 --> 00:16:40,280

I was not able to switch the car,

198

00:16:40,280 --> 00:16:43,280

but I switched the slide,

199

00:16:43,280 --> 00:16:46,280

so I tried not to change the power.

200

00:16:46,280 --> 00:16:49,280

I tried not to move.

201

00:16:53,280 --> 00:16:57,280

I was in a hurry to die,

202

00:16:57,280 --> 00:17:00,280

and my remaining sister said,

203

00:17:00,280 --> 00:17:04,280

if my mother dies, I don't know if you will be sad,

204

00:17:04,280 --> 00:17:07,280

but I am happy to go like that.

205

00:17:07,280 --> 00:17:10,280

That's the moment when I was able to move.

206

00:17:10,280 --> 00:17:13,280

When I was watching children next to me,

207

00:17:13,280 --> 00:17:16,280

I had to do it properly as a mother.

208

00:17:16,280 --> 00:17:21,280

I changed the way I lived.

209

00:17:30,280 --> 00:17:34,280

I know that the Americans are a little different from the Americans.

210

00:17:34,280 --> 00:17:38,280

I don't go to counseling very often.

211

00:17:38,280 --> 00:17:42,280

I know that counseling and self-control are easy,

212

00:17:42,280 --> 00:17:49,280

but I also know that it is not easy to forget the person who has died.

213

00:17:51,280 --> 00:17:57,280

Is that the sense of spirituality of Japanese people?

214

00:17:57,280 --> 00:18:02,280

I have the impression that I don't have a clear sense of personality.

215

00:18:10,280 --> 00:18:14,280

I was cut off with a thin paper.

216

00:18:14,280 --> 00:18:18,280

I was able to open my mouth slowly,

217

00:18:18,280 --> 00:18:21,280

and then I went to the other side of the room.

218

00:18:21,280 --> 00:18:25,280

But by looking at the person all alone

219

00:18:25,280 --> 00:18:29,280

it is reflected on the surface of his elect me.

220

00:18:29,280 --> 00:18:33,280

You can see that there aren't any physical problems like this.

221

00:18:42,280 --> 00:18:47,280

A step on a person to be forced to freeze, is a rock■.

222

00:18:47,280 --> 00:18:51,280

We don't go forward like this.

223

00:18:51,280 --> 00:18:53,280

We go back and forth.

224

00:19:05,280 --> 00:19:10,280

There are people who say goodbye to us.

225

00:19:12,280 --> 00:19:14,280

That's not a common thing.

226

00:19:17,280 --> 00:19:20,280

I don't think they've convinced the dead.

227

00:19:23,280 --> 00:19:28,280

The person who saw the ghost was gathered in the castle.

228

00:19:28,280 --> 00:19:31,280

This is one of the stories.

229

00:19:31,280 --> 00:19:34,280

One day, when the rain stopped,

230

00:19:34,280 --> 00:19:38,280

a woman was preparing to go straight to the castle.

231

00:19:48,280 --> 00:19:50,280

Please change your clothes.

232

00:19:55,280 --> 00:19:58,280

Please use this.

233

00:20:17,280 --> 00:20:21,860

The

234

00:20:31,280 --> 00:20:33,280

I had a house.

235

00:20:34,280 --> 00:20:38,280

It was just around that area.

236

00:20:39,280 --> 00:20:41,280

In the past,

237

00:20:41,280 --> 00:20:45,280

all the houses were lined up around here.

238

00:20:45,280 --> 00:20:48,280

It was like a small town.

239

00:20:50,280 --> 00:20:53,280

There's nothing to be ashamed of.

240

00:20:53,280 --> 00:20:55,280

I'm so lonely.

241

00:20:55,280 --> 00:20:57,280

I'm sorry.

242

00:21:14,280 --> 00:21:16,280

After the earthquake,

243

00:21:16,280 --> 00:21:18,280

I wanted to go home,

244

00:21:18,280 --> 00:21:22,280

but the scenery of the city changed.

245

00:21:22,280 --> 00:21:25,280

I had no idea how to go home

246

00:21:25,280 --> 00:21:28,280

and how to contact my family.

247

00:21:28,280 --> 00:21:30,280

That's what I said.

248

00:21:32,280 --> 00:21:39,280

I think I was living with the next car and the person I was taking.

249

00:21:43,280 --> 00:21:46,280

There are people who can see me,

250

00:21:46,280 --> 00:21:48,280

and there are people who can't.

251

00:21:48,280 --> 00:21:53,280

I was a little bit of a ghost

252

00:21:53,280 --> 00:21:56,280

when I was a little kid.

253

00:21:56,280 --> 00:21:58,280

I was a little bit of a ghost.

254

00:22:00,280 --> 00:22:03,280

I thought everyone could see me,

255

00:22:03,280 --> 00:22:06,280

and I talked to the people who had passed away,

256

00:22:06,280 --> 00:22:09,280

but no one could see me.

257

00:22:13,280 --> 00:22:17,280

I was told how I could see everyone,

258

00:22:18,280 --> 00:22:24,280

and I could see myself in the glass window.

259

00:22:28,280 --> 00:22:35,280

I was stopped by the youth who had passed away.

260

00:22:38,280 --> 00:22:41,280

I thought the people were dead,

261

00:22:41,280 --> 00:22:45,280

but I saw them die.

262

00:22:45,280 --> 00:22:48,280

I was taken away.

263

00:22:49,280 --> 00:22:53,280

I thought I could go back to the city if I tried to go back.

264

00:22:53,280 --> 00:22:56,280

I thought I was going back to the city yesterday,

265

00:22:56,280 --> 00:22:58,280

so I stopped.

266

00:23:00,280 --> 00:23:03,280

I wanted to go home,

267

00:23:03,280 --> 00:23:08,280

but I had no idea how to go home.

268

00:23:10,280 --> 00:23:14,280

I had to change the fact that I was dead

269

00:23:14,280 --> 00:23:18,280

and that the children were suffering.

270

00:23:21,280 --> 00:23:24,280

I was told that they were dead.

271

00:23:24,760 --> 00:23:27,280

ups

272

00:23:27,880 --> 00:23:29,280

ups

273

00:23:40,280 --> 00:23:44,280

In fact, I ■w■■■

274

00:23:44,280 --> 00:23:47,280

...

275

00:23:47,280 --> 00:23:50,280

When this topic involved reality,

276

00:23:50,280 --> 00:23:54,280

I've been thinking about it every year.

277

00:23:54,280 --> 00:23:58,280

When I told my students to think about various topics,

278

00:23:58,280 --> 00:24:04,280

Kudo and I were talking about the ghost of the stone roll.

279

00:24:08,280 --> 00:24:12,280

When I became a taxi driver,

280

00:24:12,280 --> 00:24:17,280

I was talking about the real story.

281

00:24:18,280 --> 00:24:25,280

I realized that the ghost was being recorded.

282

00:24:27,280 --> 00:24:32,280

This is one of the stories of a taxi driver.

283

00:24:40,280 --> 00:24:44,280

In Japan, it's a very hot season.

284

00:24:48,280 --> 00:24:51,580

After a short long time,

285

00:24:52,280 --> 00:24:59,280

a 27-year-old ■ca with a leg of 24 years-old men brought him to the hospital.

286

00:25:04,680 --> 00:25:09,280

Feeling confused about himself,

287

00:25:09,280 --> 00:25:12,280

we run around.

288

00:25:17,280 --> 00:25:22,520

A year later!CK

289

00:25:27,360 --> 00:25:31,640

When we arrived, there was a dark, creepy golden day.

290

00:25:34,160 --> 00:25:37,680

If I look closely, I saw an creatine missing.

291

00:25:47,280 --> 00:25:52,280

I've had a few taxi drivers who have experienced this.

292

00:25:54,280 --> 00:25:59,280

The taxi drivers start the meter at the beginning of the race.

293

00:25:59,280 --> 00:26:04,280

The ghost is left as a record of the race.

294

00:26:08,280 --> 00:26:14,280

The problem is that the driver is a driver.

295

00:26:14,280 --> 00:26:17,280

Who will be the driver?

296

00:26:17,280 --> 00:26:22,280

The driver will be the driver.

297

00:26:32,280 --> 00:26:37,280

Even for a taxi driver, he is a short person.

298

00:26:37,280 --> 00:26:41,280

He has experienced losing his seat.

299

00:26:41,280 --> 00:26:46,280

So, if he comes back again, he will welcome him.

300

00:26:46,280 --> 00:26:49,280

It's a warm scene.

301

00:26:49,280 --> 00:26:54,280

The ghost is left as a record of the race.

302

00:27:07,280 --> 00:27:13,280

The ghost is a big drama.

303

00:27:13,280 --> 00:27:20,280

The ghost is a community of local communities.

304

00:27:20,280 --> 00:27:25,280

I think that's why it's here.

305

00:27:29,280 --> 00:27:34,280

The ghost didn't appear in the story.

306

00:27:34,280 --> 00:27:38,280

It was in Hiroshima, Nagasaki.

307

00:27:38,280 --> 00:27:43,280

The ghost didn't appear in the story.

308

00:27:43,280 --> 00:27:48,280

The ghost didn't appear in the story.

309

00:27:48,280 --> 00:27:53,280

The ghost didn't appear in the story.

310

00:27:53,280 --> 00:27:58,280

Why is there a ghost phenomenon in the East Japan New Year?

311

00:28:08,280 --> 00:28:13,280

The East Japan New Year is the most late-day country in Japan.

312

00:28:13,280 --> 00:28:18,280

The East Japan New Year is the most late-day country in Japan.

313

00:28:18,280 --> 00:28:23,280

There are many places where the ghost is not yet revealed.

314

00:28:23,280 --> 00:28:28,280

So, the ghost's culture is still there.

315

00:28:32,280 --> 00:28:36,280

The ghost is still there.

316

00:28:36,280 --> 00:28:41,280

The ghost is still here in the East Japan New Year.

317

00:28:41,280 --> 00:28:46,280

The ghost is still there in the East Japan New Year.

318

00:28:46,280 --> 00:28:51,280

I think it's a good thing that the ghost is not yet revealed.

319

00:28:51,280 --> 00:28:55,280

The ghost was not yet revealed.

320

00:28:55,280 --> 00:29:00,280

The ghost was not yet revealed.

321

00:29:00,280 --> 00:29:05,180

at Tokunako ■ Susan was being killed in the

322

00:29:05,180 --> 00:29:08,180

radio they created.

323

00:29:08,180 --> 00:29:14,840

she didn't make some akkor

324

00:29:14,840 --> 00:29:27,800

The

325

00:29:27,800 --> 00:29:33,800

I think the old-fashioned feeling of DNA is very strong.

326

00:29:33,800 --> 00:29:36,800

It's like a blowout.

327

00:29:36,800 --> 00:29:40,800

I think the feeling of the old-fashioned feeling is very strong.

328

00:29:47,800 --> 00:29:51,800

I personally don't believe in the type.

329

00:29:51,800 --> 00:29:54,800

I don't see the type.

330

00:29:57,800 --> 00:30:03,800

But what I can't clean up is what I have every day.

331

00:30:05,800 --> 00:30:12,800

I can't process it for now, but I think you all have important data.

332

00:30:14,800 --> 00:30:23,800

At that time, it's a mystery, but leaving it as it is is a matter of our lives.

333

00:30:23,800 --> 00:30:29,800

I think the phenomenon of DNA is also a mystery.

334

00:30:29,800 --> 00:30:33,800

It's a mystery.

335

00:30:43,800 --> 00:30:49,800

The talk of DNA came from the scientist.

336

00:30:49,800 --> 00:30:54,800

I think it's a group that focuses on evidence.

337

00:30:54,800 --> 00:30:57,800

Why do the teachers say that?

338

00:30:57,800 --> 00:30:59,800

Isn't it a mystery?

339

00:30:59,800 --> 00:31:06,800

It's like a psychological trauma.

340

00:31:06,800 --> 00:31:10,800

But is that a interpretation?

341

00:31:10,800 --> 00:31:14,800

It's a interpretation of people who are in a safe place.

342

00:31:15,800 --> 00:31:20,800

The teachers in the field are the ones who do the work.

343

00:31:20,800 --> 00:31:23,800

They don't get in the way.

344

00:31:23,800 --> 00:31:26,800

They accept the same things.

345

00:31:26,800 --> 00:31:32,800

Why can't they help us find the answer together?

346

00:31:37,800 --> 00:31:40,800

At that time, my wife was out.

347

00:31:40,800 --> 00:31:50,800

My firm said it's hard to live with me scared of young women.

348

00:31:50,800 --> 00:31:56,800

But she told me many people had died in her good looks.

349

00:31:56,800 --> 00:32:04,800

Her life was full of problems, and had certainly gone through a lot.

350

00:32:04,800 --> 00:32:10,340

My mother comes over in a image out

351

00:32:10,340 --> 00:32:15,480

of Kansas always, her mother

352

00:32:15,480 --> 00:32:19,420

came in and we knew just about

353

00:32:19,420 --> 00:32:22,160

in the room and this a little pretty

354

00:32:22,160 --> 00:32:25,500

good they come in and papers

355

00:32:25,500 --> 00:32:28,700

that is out on the beat and

356

00:32:28,700 --> 00:32:32,540

this in Letts layers

357

00:32:32,540 --> 00:32:34,540

I couldn't do it.

358

00:32:40,540 --> 00:32:44,540

I didn't know what happened at that time.

359

00:32:47,540 --> 00:32:49,540

It was just painful.

360

00:32:52,540 --> 00:32:54,540

It was really painful.

361

00:32:56,540 --> 00:32:59,540

I thought you'd kill me one more time.

362

00:33:00,540 --> 00:33:02,540

I cried out loud.

363

00:33:09,540 --> 00:33:11,540

The girl was crying out loud.

364

00:33:13,540 --> 00:33:17,540

The girl's legs were not taken by the man.

365

00:33:24,540 --> 00:33:28,540

The body was taken by the moment I grabbed my ankle.

366

00:33:30,540 --> 00:33:32,540

Who are you?

367

00:33:37,540 --> 00:33:40,540

I'm the boss of this temple.

368

00:33:46,540 --> 00:33:48,540

Why are you the boss?

369

00:33:50,540 --> 00:33:58,540

I was scared of him screaming.

370

00:33:59,540 --> 00:34:01,540

Do you think I'm done?

371

00:34:06,540 --> 00:34:09,540

It was really long ago.

372

00:34:10,540 --> 00:34:18,540

I realized that she could escape from a curse unless she was held responsible for it.

373

00:34:21,540 --> 00:34:25,540

I felt this when I met her mother.

374

00:34:25,540 --> 00:34:30,540

I didn't think there was a level where I could get a chance to go.

375

00:34:31,540 --> 00:34:34,540

When she was clearly on the line,

376

00:34:34,540 --> 00:34:37,540

her personality was completely different.

377

00:34:38,540 --> 00:34:43,540

I asked her if she had been in a tsunami near Hisaichi.

378

00:34:44,540 --> 00:34:47,540

I asked her if she had been in a tsunami.

379

00:34:47,540 --> 00:34:51,540

Of course, I asked her that information, but she didn't answer.

380

00:34:51,540 --> 00:34:55,540

She didn't have any connection with the tsunami.

381

00:34:57,540 --> 00:34:59,540

Before the disaster,

382

00:35:01,540 --> 00:35:05,540

I was very troubled by them.

383

00:35:06,540 --> 00:35:11,540

The tsunami was actually caused by the disaster.

384

00:35:11,540 --> 00:35:15,540

The disaster occurred a year later.

385

00:35:15,540 --> 00:35:18,540

I asked her to come anytime.

386

00:35:19,540 --> 00:35:21,540

I really came anytime.

387

00:35:22,540 --> 00:35:25,540

It was night, but it was around 7 p.m.

388

00:35:26,540 --> 00:35:30,540

I was caught by the tsunami until 2 p.m.

389

00:35:30,540 --> 00:35:33,540

I was able to listen to the sound of the tsunami

390

00:35:33,540 --> 00:35:37,540

and hear the people screaming at me.

391

00:35:37,540 --> 00:35:41,540

I was able to listen to the sound of the tsunami.

392

00:35:41,540 --> 00:35:45,540

I was able to listen to the sound of the tsunami.

393

00:35:47,540 --> 00:35:49,540

After that,

394

00:35:49,540 --> 00:35:54,540

I was able to hear the people screaming at me.

395

00:35:56,540 --> 00:35:59,540

When I was in the early days,

396

00:36:00,540 --> 00:36:03,540

I was able to hear the woman's voice

397

00:36:03,540 --> 00:36:06,540

talking to her brother.

398

00:36:06,540 --> 00:36:09,540

I was able to hear the woman's voice.

399

00:36:20,540 --> 00:36:22,540

I heard my brother saying,

400

00:36:22,540 --> 00:36:25,540

I can't run anymore.

401

00:36:25,540 --> 00:36:28,540

But I didn't reply.

402

00:36:28,540 --> 00:36:31,540

I had to run anyway.

403

00:36:31,540 --> 00:36:34,540

I was able to hear the sound of the tsunami

404

00:36:34,540 --> 00:36:38,540

and the sound of my brother's small hands.

405

00:36:40,540 --> 00:36:43,540

I was scared, but I couldn't help it.

406

00:36:43,540 --> 00:36:46,540

I was really scared.

407

00:36:46,540 --> 00:36:49,540

I was scared.

408

00:36:58,540 --> 00:37:02,540

I saw my brother drinking.

409

00:37:02,540 --> 00:37:05,540

I was scared.

410

00:37:14,540 --> 00:37:18,540

The heavy food was on my voice.

411

00:37:18,540 --> 00:37:21,540

The girl stretched her hand

412

00:37:21,540 --> 00:37:24,540

and the heavy food was on my hand.

413

00:37:25,540 --> 00:37:28,540

Then the girl said,

414

00:37:29,540 --> 00:37:33,540

I was able to turn my hand around.

415

00:37:37,540 --> 00:37:40,540

Mother, mother.

416

00:37:40,540 --> 00:37:44,540

I don't want to be your mother.

417

00:37:47,540 --> 00:37:50,540

I'm just an adult.

418

00:37:54,540 --> 00:37:57,540

I thought I could help you.

419

00:37:58,540 --> 00:38:00,540

Mother.

420

00:38:01,540 --> 00:38:04,540

I thought I could help you

421

00:38:04,540 --> 00:38:07,540

by holding your brother's hand.

422

00:38:07,540 --> 00:38:09,540

But I let it go.

423

00:38:10,540 --> 00:38:13,540

I said, I'm sorry, mother.

424

00:38:13,540 --> 00:38:16,540

I was looking for your mother.

425

00:38:17,540 --> 00:38:19,540

I was next to her.

426

00:38:19,540 --> 00:38:22,540

I thought I could be your mother.

427

00:38:22,540 --> 00:38:25,540

I held her hand.

428

00:38:28,540 --> 00:38:31,540

I was really strong.

429

00:38:34,540 --> 00:38:36,540

Mother is here.

430

00:38:36,540 --> 00:38:39,540

I won't let you go.

431

00:38:39,540 --> 00:38:42,540

It's okay. I'm always with you.

432

00:38:46,540 --> 00:38:49,540

I said, let's walk with mother.

433

00:38:49,540 --> 00:38:52,540

I said, let's walk with mother.

434

00:38:52,540 --> 00:38:55,540

We came together.

435

00:38:58,540 --> 00:39:02,540

I said, if I could walk with mother,

436

00:39:02,540 --> 00:39:04,540

I would be with you.

437

00:39:04,540 --> 00:39:08,540

I could see your mother's hand.

438

00:39:19,540 --> 00:39:22,540

She asked me,

439

00:39:22,540 --> 00:39:26,540

is she a mental patient?

440

00:39:29,540 --> 00:39:33,540

I said, I don't want to get sick.

441

00:39:33,540 --> 00:39:36,540

I don't want to be a mental patient.

442

00:39:36,540 --> 00:39:40,540

I thought I had a very sharp sense.

443

00:39:40,540 --> 00:39:43,540

I thought I had a different sense.

444

00:39:43,540 --> 00:39:46,540

I thought I was a person.

445

00:39:46,540 --> 00:39:48,540

I thought I was a person.

446

00:39:48,540 --> 00:39:50,540

I thought I was a person.

447

00:39:50,540 --> 00:39:53,540

I'm sure that even in sound or light,

448

00:39:53,540 --> 00:39:56,540

it's a place where you can see people.

449

00:39:56,540 --> 00:39:59,540

But there's a little difference.

450

00:39:59,540 --> 00:40:02,540

There are people who are very sharp,

451

00:40:02,540 --> 00:40:06,540

or there are people who can't hear even when they hear the same sound.

452

00:40:08,540 --> 00:40:11,540

When I'm in this kind of situation,

453

00:40:11,540 --> 00:40:15,540

I'm like a receiver in the radio.

454

00:40:15,540 --> 00:40:18,540

I'm like a receiver in the radio.

455

00:40:18,540 --> 00:40:21,540

I work in the field,

456

00:40:21,540 --> 00:40:26,540

and there are people who can't see and hear the same sound.

457

00:40:26,540 --> 00:40:29,540

There are many people who can feel it.

458

00:40:29,540 --> 00:40:31,540

I think it's better than thinking.

459

00:40:31,540 --> 00:40:33,540

It's about feeling.

460

00:40:33,540 --> 00:40:38,540

I think we're trying to understand how much we feel.

461

00:40:40,540 --> 00:40:45,540

There's nothing about Ami in the film or in the story.

462

00:40:45,540 --> 00:40:50,540

We don't want to spread this out in the world.

463

00:40:50,540 --> 00:40:55,540

We want to talk to people when they hear it.

464

00:40:55,540 --> 00:41:03,540

I think we're done with the fact that we had this kind of experience.

465

00:41:06,540 --> 00:41:09,540

At that time, I had a lot of experiences.

466

00:41:09,540 --> 00:41:13,540

I had to face the things that happened in this film.

467

00:41:13,540 --> 00:41:18,540

I had to face the things that happened in this film.

468

00:41:18,540 --> 00:41:21,540

I had to face the things that happened in this film.

469

00:41:23,540 --> 00:41:28,540

I think it's a pity that I have to face the people who are traditional.

470

00:41:28,540 --> 00:41:30,540

Why did you do that?

471

00:41:30,540 --> 00:41:35,540

But I think it's not necessary to worry about that.

472

00:41:35,540 --> 00:41:39,540

Because young women are suffering alone.

473

00:41:40,540 --> 00:41:45,540

When I have to help this person who is leaving me,

474

00:41:45,540 --> 00:41:52,540

I don't think God will ever be angry.

475

00:41:52,540 --> 00:41:55,540

I'm glad.

476

00:41:56,540 --> 00:42:01,540

I was able to do that as a young person.

477

00:42:01,540 --> 00:42:04,540

That's what I was able to do.

478

00:42:04,540 --> 00:42:11,540

I noticed that we were able to hear what we were able to do.

479

00:42:11,540 --> 00:42:16,540

We were able to hear what we were able to do.

480

00:42:16,540 --> 00:42:20,540

We were able to do what we were able to do.

481

00:42:23,540 --> 00:42:28,540

If we leave the table, coffee and delicious cake, people will gather.

482

00:42:28,540 --> 00:42:35,540

We were able to express our painful memories and sad memories.

483

00:42:42,540 --> 00:42:46,540

When you were at home, did you get rid of your grandpa?

484

00:42:46,540 --> 00:42:48,540

Yes.

485

00:42:48,540 --> 00:42:51,540

Did you get rid of him until you were in the real world?

486

00:42:51,540 --> 00:42:56,540

Our brother is really in a state of emergency.

487

00:42:57,540 --> 00:43:01,540

Everyone comes together because the sun is hot.

488

00:43:03,540 --> 00:43:08,540

I hope we can have fun for a moment.

489

00:43:17,540 --> 00:43:20,540

The big one was that.

490

00:43:20,540 --> 00:43:23,540

Why did I help?

491

00:43:26,540 --> 00:43:29,540

I couldn't help.

492

00:43:29,540 --> 00:43:34,540

Who is the one who decides the boundaries of this school?

493

00:43:34,540 --> 00:43:39,540

It was the ghost story.

494

00:43:39,540 --> 00:43:44,540

I was scared of the young man.

495

00:43:46,540 --> 00:43:50,540

I was scared of the young man.

496

00:43:50,540 --> 00:43:53,540

I was a little worried about the answer.

497

00:43:53,540 --> 00:43:56,540

I was scared of the young man.

498

00:43:56,540 --> 00:43:59,540

He was not afraid of anything.

499

00:43:59,540 --> 00:44:04,540

He was worried about what we were going through.

500

00:44:04,540 --> 00:44:08,540

He was worried about what others would think of him.

501

00:44:08,540 --> 00:44:11,540

He was afraid of the young man.

502

00:44:14,540 --> 00:44:18,540

If you saw him, say something like this.

503

00:44:19,540 --> 00:44:23,540

You were dead.

504

00:44:25,540 --> 00:44:29,540

The dead have a world of dead people.

505

00:44:29,540 --> 00:44:34,540

We are alive.

506

00:44:34,540 --> 00:44:45,540

We will stay in this world and bring back the broken city and human relationship.

507

00:44:45,540 --> 00:44:50,540

So, go there and say something like this.

508

00:45:15,540 --> 00:45:19,540

I am a little worried about the answer.

509

00:45:19,540 --> 00:45:23,540

I am a little worried about the answer.

510

00:45:23,540 --> 00:45:27,540

I am a little worried about the answer.

511

00:45:27,540 --> 00:45:31,540

I am a little worried about the answer.

512

00:45:31,540 --> 00:45:35,540

I am a little worried about the answer.

513

00:45:35,540 --> 00:45:39,540

I am a little worried about the answer.

514

00:45:39,540 --> 00:45:43,540

I am a little worried about the answer.

515

00:45:43,540 --> 00:45:47,540

I am a little worried about the answer.

516

00:45:47,540 --> 00:45:51,540

I am a little worried about the answer.

517

00:45:51,540 --> 00:45:55,540

I am a little worried about the answer.

518

00:45:55,540 --> 00:45:59,540

I am a little worried about the answer.

519

00:45:59,540 --> 00:46:03,540

I am a little worried about the answer.

520

00:46:03,540 --> 00:46:07,540

I am a little worried about the answer.

521

00:46:07,540 --> 00:46:11,540

I am a little worried about the answer.

522

00:46:11,540 --> 00:46:15,540

I am a little worried about the answer.

523

00:46:15,540 --> 00:46:19,540

I am a little worried about the answer.

524

00:46:19,540 --> 00:46:23,540

I am a little worried about the answer.

525

00:46:23,540 --> 00:46:27,540

I am a little worried about the answer.

526

00:46:27,540 --> 00:46:31,540

I am a little worried about the answer.

527

00:46:31,540 --> 00:46:35,540

I am a little worried about the answer.

528

00:46:35,540 --> 00:46:39,540

I am a little worried about the answer.

529

00:46:39,540 --> 00:46:43,540

I am a little worried about the answer.

530

00:46:43,540 --> 00:46:47,540

I am a little worried about the answer.

531

00:46:47,540 --> 00:46:51,540

I am a little worried about the answer.

532

00:46:51,540 --> 00:46:55,540

I am a little worried about the answer.

533

00:46:55,540 --> 00:46:59,540

I am a little worried about the answer.

534

00:46:59,540 --> 00:47:03,540

I am a little worried about the answer.

535

00:47:03,540 --> 00:47:07,540

I am a little worried about the answer.

536

00:47:07,540 --> 00:47:11,540

I am a little worried about the answer.

537

00:47:11,540 --> 00:47:15,540

I am a little worried about the answer.

538

00:47:15,540 --> 00:47:19,540

I am a little worried about the answer.

539

00:47:19,540 --> 00:47:23,540

I am a little worried about the answer.

540

00:47:23,540 --> 00:47:27,540

I am a little worried about the answer.

541

00:47:27,540 --> 00:47:31,540

I am a little worried about the answer.

542

00:47:31,540 --> 00:47:35,540

I am a little worried about the answer.

543

00:47:35,540 --> 00:47:39,540

I am a little worried about the answer.

544

00:47:39,540 --> 00:47:43,540

I am a little worried about the answer.
