

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:19,200 --> 00:00:24,020

When I moved into that apartment I immediately started

3

00:00:24,800 --> 00:00:27,040

having bizarre dreams I

4

00:00:27,680 --> 00:00:29,680

Could see a dungeon

5

00:00:31,680 --> 00:00:33,680

Really weird and dark

6

00:00:35,800 --> 00:00:38,200

But there was one light in there

7

00:00:40,360 --> 00:00:46,320

And I saw a girl in there and this weird couple

8

00:00:48,440 --> 00:00:51,840

Now all of a sudden they're doing creepy things to this girl

9

00:00:52,680 --> 00:00:54,680

What

10

00:00:55,160 --> 00:01:01,160

I discovered was there's a person that went missing from that apartment I

11

00:01:03,120 --> 00:01:07,680

Feel like her spirit was trying to get in touch with someone I

12

00:01:09,760 --> 00:01:11,760

Think she wants to be found

13

00:01:21,840 --> 00:01:23,840

You

14

00:01:23,840 --> 00:01:49,540

■omotive Baby.

15

00:01:49,540 --> 00:01:51,540

Yay!

16

00:01:51,540 --> 00:01:53,540

Marilyn!

17

00:01:53,540 --> 00:01:55,540

Hi!

18

00:01:55,540 --> 00:01:57,540

That's a big smile!

19

00:01:57,540 --> 00:02:01,540

I am a grandma and I'm a mom.

20

00:02:01,540 --> 00:02:05,540

And I share a name with a famous actress,

21

00:02:05,540 --> 00:02:08,540

Jody Foster, the director.

22

00:02:10,540 --> 00:02:14,540

I was born in Orange County, California.

23

00:02:15,540 --> 00:02:20,540

I had my daughter in 1997 and I was a single mom.

24

00:02:20,540 --> 00:02:24,540

And I moved to Chico, California.

25

00:02:27,540 --> 00:02:29,540

I thought it was a beautiful town.

26

00:02:31,540 --> 00:02:33,540

There was a college here.

27

00:02:34,540 --> 00:02:39,540

It's a small town, but big enough to raise a family.

28

00:02:40,540 --> 00:02:46,540

It was quaint and beautiful and it felt like home.

29

00:02:50,540 --> 00:02:53,540

When I first got to Chico,

30

00:02:53,540 --> 00:02:56,540

I had seen a sign that said for rent.

31

00:02:56,540 --> 00:02:59,540

And it said Walnut Garden apartment.

32

00:02:59,540 --> 00:03:03,540

There's flowers, there's a pool.

33

00:03:04,540 --> 00:03:09,540

It looked like, you know, just a regular nice apartment complex.

34

00:03:11,540 --> 00:03:19,540

We moved into the apartment, apartment number 14, January 31st, 2000.

35

00:03:19,540 --> 00:03:22,540

Hannah was three and I was 33 at the time.

36

00:03:24,540 --> 00:03:28,540

It's hard to explain, but when I first moved in, it didn't feel peaceful.

37

00:03:29,540 --> 00:03:32,540

It felt kind of like dark.

38

00:03:34,540 --> 00:03:37,540

And it had this bizarre smell.

39

00:03:37,540 --> 00:03:41,540

Like I thought maybe it was a chemical smell from a carpet or something.

40

00:03:42,540 --> 00:03:47,540

And I say to myself, why are you feeling like this?

41

00:03:48,540 --> 00:03:52,540

And I just think, okay, I'm here now and Chico,

42

00:03:52,540 --> 00:03:58,540

I am going to start a really peaceful and happy life for me and my daughter.

43

00:03:58,540 --> 00:04:03,540

And I'm like, right now, then the shit hit the fan.

44

00:04:07,540 --> 00:04:12,540

The first things that seemed out of the ordinary to me,

45

00:04:12,540 --> 00:04:15,540

Hannah had this little pair of pink shoes.

46

00:04:16,540 --> 00:04:20,540

I always kept them by the door so that when we were ready to leave,

47

00:04:20,540 --> 00:04:22,540

she could just put them on.

48

00:04:22,540 --> 00:04:26,540

I remember my mama trying to get me ready to go out for the day.

49

00:04:26,540 --> 00:04:29,540

And she was looking for this pink little sneakers.

50

00:04:29,540 --> 00:04:31,540

And she's like, where are the sneakers?

51

00:04:31,540 --> 00:04:32,540

You know, where are they at?

52

00:04:33,540 --> 00:04:36,540

I remember them being right in the middle of the bed.

53

00:04:39,540 --> 00:04:40,540

I got out of nowhere.

54

00:04:42,540 --> 00:04:44,540

And my mama was like, did you put those there, Hannah?

55

00:04:44,540 --> 00:04:45,540

I'm like, no.

56

00:04:47,540 --> 00:04:52,540

She would be very adamant, like, mom, it wasn't me.

57

00:04:53,540 --> 00:04:57,540

Like day after day, the shoes would be in the middle of the bed.

58

00:04:58,540 --> 00:05:02,540

So now these shoes are moving and things progressively got stranger.

59

00:05:04,540 --> 00:05:07,540

There was like salt and pepper shakers.

60

00:05:07,540 --> 00:05:09,540

And in the morning when I'd wake up,

61

00:05:09,540 --> 00:05:12,540

they would be like at the very edge of the table.

62

00:05:13,540 --> 00:05:16,540

And I thought, am I going crazy here?

63

00:05:16,540 --> 00:05:22,540

I remember the things that would happen in the apartment are scary things.

64

00:05:22,540 --> 00:05:28,540

But I remember just not really understanding why it was happening.

65

00:05:31,540 --> 00:05:35,540

The other thing that was happening was I had these dreams.

66

00:05:36,540 --> 00:05:41,540

I had a dream that there was a girl walking down a street in Chico.

67

00:05:41,540 --> 00:05:47,540

And I saw a couple in either blue or gray car.

68

00:05:47,540 --> 00:05:51,540

And they asked a girl if she wanted to ride.

69

00:05:54,540 --> 00:06:00,540

During the dream, this man came behind her and put something over her mouth.

70

00:06:01,540 --> 00:06:05,540

Like, why am I dreaming about this weird couple?

71

00:06:11,540 --> 00:06:17,540

Then one day, Hannah goes, hi.

72

00:06:19,540 --> 00:06:22,540

And I go, who you saying hi to?

73

00:06:24,540 --> 00:06:27,540

She goes, that girl right there, mom.

74

00:06:29,540 --> 00:06:31,540

I said, did someone walk by the window?

75

00:06:32,540 --> 00:06:34,540

No, mom, that girl right there.

76

00:06:34,540 --> 00:06:36,540

Like she's insisting that there's a girl.

77

00:06:36,540 --> 00:06:39,540

And she said she has a white shirt on.

78

00:06:42,540 --> 00:06:45,540

I remember calling her my Liz.

79

00:06:46,540 --> 00:06:49,540

And I remember seeing her vividly.

80

00:06:49,540 --> 00:06:54,540

I just remember her eyes and her face and her hair and everything.

81

00:06:54,540 --> 00:06:56,540

Just thinking she was just a normal friend.

82

00:06:56,540 --> 00:06:57,540

Just somebody in the house.

83

00:06:57,540 --> 00:07:00,540

Just like one of her regular friends that would come over.

84

00:07:06,540 --> 00:07:09,540

One night, me and Hannah, we went out to dinner.

85

00:07:09,540 --> 00:07:18,540

When we came back, the phone, it was like one of those ones that you hang on the wall.

86

00:07:19,540 --> 00:07:22,540

We found the receiver in the back bedroom.

87

00:07:25,540 --> 00:07:30,540

And all the toys that were in Hannah's room were like in a pile.

88

00:07:30,540 --> 00:07:33,540

We had Hannah sleep and snore Ernie doll.

89

00:07:34,540 --> 00:07:39,540

And Ernie was on the top of the pile and he had like a noose around his neck.

90

00:07:39,540 --> 00:07:43,540

A little like a tube string or something on his neck.

91

00:07:45,540 --> 00:07:46,540

I was shaken.

92

00:07:46,540 --> 00:07:51,540

I grabbed Hannah up, I scooped her up and I ran out the front door.

93

00:07:52,540 --> 00:08:00,540

So I call the Chico police and I say, my daughter and I, we went out to dinner, we came home and this is what we found.

94

00:08:01,540 --> 00:08:07,540

And so the police took a report and on the other end of the phone, they're like, mm-hmm, okay, lady, whatever.

95

00:08:11,540 --> 00:08:23,540

I can't even imagine what my mom went through having to take care of your kid and also deal with these, you know, bizarre things that are happening.

96

00:08:23,540 --> 00:08:32,540

It all culminated into this one night in February of 2000.

97

00:08:36,540 --> 00:08:46,540

I woke up in the middle of the night and then I hear white, static-y TV noise.

98

00:08:46,540 --> 00:08:53,540

How is the TV on? You had to literally get up and turn it on.

99

00:08:56,540 --> 00:08:58,540

The cupboards were flapping open.

100

00:09:00,540 --> 00:09:03,540

The burner in the kitchen was on high.

101

00:09:05,540 --> 00:09:13,540

All of a sudden, the Ernie doll is going, I feel great like crazily.

102

00:09:16,540 --> 00:09:18,540

I thought the battery's going dead.

103

00:09:20,540 --> 00:09:23,540

So I take the batteries out of the doll.

104

00:09:33,540 --> 00:09:35,540

The Ernie doll was scary.

105

00:09:37,540 --> 00:09:44,540

I remember it going off in the middle of the night and then my mom freaking out because there was no batteries in it.

106

00:09:46,540 --> 00:09:48,540

I feel great. I feel great.

107

00:09:49,540 --> 00:09:52,540

And then all of a sudden, boom.

108

00:09:57,540 --> 00:10:02,540

Lights are all on. Holy hell, like what's happening? Like what?

109

00:10:03,540 --> 00:10:07,540

I feel great. I feel great. I feel great.

110

00:10:08,540 --> 00:10:14,540

So I went to the neighbor who was actually the manager of the apartment complex.

111

00:10:15,540 --> 00:10:20,540

I knock on her door and I say, there's something wrong.

112

00:10:21,540 --> 00:10:25,540

So she grabbed her little poodle and she went into the apartment.

113

00:10:26,540 --> 00:10:30,540

The dog jumps out of her arms and it's barking like,

114

00:10:33,540 --> 00:10:40,540

and then all of a sudden there's this lamp with the cord on it and the cord is swinging in the air like a jump rope.

115

00:10:40,540 --> 00:10:45,540

We're all just screaming. The dog's barking. She grabs the dog.

116

00:10:46,540 --> 00:10:48,540

We hightailed it out of there.

117

00:10:55,540 --> 00:11:03,540

So by now it's about six o'clock in the morning and I'm sitting out at the pool just crying.

118

00:11:04,540 --> 00:11:11,540

And then this older man who was walking his dog who had lived there for like about 25 years,

119

00:11:12,540 --> 00:11:18,540

he says, you know, Jody, nobody lives in that apartment very long.

120

00:11:19,540 --> 00:11:23,540

And I go, what? What do you mean? What are you talking about?

121

00:11:24,540 --> 00:11:27,540

And I'm crying at this point like, please tell me why.

122

00:11:27,540 --> 00:11:36,540

So he looks at me and he says, there was a girl who lived there in the apartment, apartment number 14.

123

00:11:37,540 --> 00:11:42,540

I can't remember her name, but she's been missing ever since.

124

00:11:48,540 --> 00:11:54,540

On January 31, 1976, the Chico Police Department received a missing person.

125

00:11:54,540 --> 00:12:00,540

Report on Marie Elizabeth Spanicki. She went by the nickname Marliz.

126

00:12:03,540 --> 00:12:10,540

The missing person's report indicated she's a white female, 5'5", brown hair, 110 pounds.

127

00:12:11,540 --> 00:12:18,540

Her boyfriend indicated in the report that they had gone to a flea market in Chico

128

00:12:18,540 --> 00:12:27,540

and that they got into a disagreement about something and Marliz decided to walk home instead of riding with him.

129

00:12:30,540 --> 00:12:35,540

He last seen her walking on Mangrove Avenue away from this flea market

130

00:12:36,540 --> 00:12:42,540

and no one had seen nor heard from Marie Elizabeth Spanicki

131

00:12:42,540 --> 00:12:47,540

since January 31st of 1976.

132

00:12:59,540 --> 00:13:07,540

Marliz was my sister. She was only in Chico about two months before she disappeared.

133

00:13:13,540 --> 00:13:20,540

We are from Cleveland, Ohio. There were seven of us all together in the family.

134

00:13:21,540 --> 00:13:29,540

I was the oldest girl and then Marliz was three years younger than me and she did have a good personality.

135

00:13:30,540 --> 00:13:41,540

She was very outgoing, she was very friendly. She had this long, naturally curly brown hair and she had eyes blue as a sky.

136

00:13:42,540 --> 00:13:45,540

She was very beautiful.

137

00:13:48,540 --> 00:13:57,540

In 1975 Marliz worked with this hoodlum. My mom called him John Baruth. They fell in love.

138

00:13:59,540 --> 00:14:08,540

He came from California and he was moving back to California and asked Marliz to come with him and she did.

139

00:14:12,540 --> 00:14:16,540

I think Marliz's ultimate dream was to become an actor.

140

00:14:20,540 --> 00:14:28,540

She was just so happy and I was excited for her. A big step.

141

00:14:28,540 --> 00:14:31,540

She was very happy.

142

00:14:39,540 --> 00:14:47,540

She wrote me a couple of times. She told me that she wasn't liking it too much in California.

143

00:14:51,540 --> 00:14:56,540

It wasn't what she had dreamed it to be.

144

00:14:59,540 --> 00:15:04,540

I think she was having trouble with John a little bit. Just spads.

145

00:15:07,540 --> 00:15:18,540

She had nobody to run to, nobody to talk to. Marliz said she was coming home in April and she never came home.

146

00:15:29,540 --> 00:15:37,540

I knew there was something going on in that apartment that was not me.

147

00:15:40,540 --> 00:15:49,540

I think some people are born with certain spiritual qualities. Some people are more sensitive or empathic than others.

148

00:15:50,540 --> 00:15:59,540

I think that for some reason my daughter and I both are just sensitive to subtle paranormal energy.

149

00:16:01,540 --> 00:16:13,540

The weird thing is when I moved into that apartment I felt this impending doom sort of feeling like something terrible was about to happen.

150

00:16:14,540 --> 00:16:20,540

My bizarre dreams progressively got weirder and stranger.

151

00:16:22,540 --> 00:16:38,540

Now I'm seeing a location and I'm seeing a couple with a young woman. She was a teenager. She had like Auburn hair in the dream.

152

00:16:44,540 --> 00:16:47,540

I could see that they were in a house.

153

00:16:49,540 --> 00:16:56,540

Like a root cellar. It looked kind of strangely like a dungeon.

154

00:17:03,540 --> 00:17:09,540

There was this weird hook, like a really big logging hook.

155

00:17:10,540 --> 00:17:18,540

They had this girl like there was something around her arms and then she had something on her mouth.

156

00:17:21,540 --> 00:17:28,540

Now all of a sudden they're doing sadistic and weird things to this girl. Like sexually creepy things.

157

00:17:29,540 --> 00:17:39,540

I remember my mom telling me about having dreams about some weird guy and some lady.

158

00:17:43,540 --> 00:17:47,540

It gave her a lot of anxiety and a lot of questions.

159

00:17:49,540 --> 00:17:53,540

It's hard to talk about a little bit because it gives me a little bit of PTSD.

160

00:17:54,540 --> 00:18:02,540

Because of the things that happened in that apartment I didn't want something to happen to Hannah.

161

00:18:03,540 --> 00:18:08,540

So being a single mom I took my daughter and I moved.

162

00:18:11,540 --> 00:18:18,540

I only stayed in that apartment for like three months. That's not a very long time but it seemed like forever.

163

00:18:18,540 --> 00:18:22,540

I just thought I don't want to have anything to do with this anymore.

164

00:18:22,540 --> 00:18:26,540

And so we went to a different apartment in Chico.

165

00:18:27,540 --> 00:18:33,540

When I got out of there I thought it was done. This was behind me.

166

00:18:38,540 --> 00:18:47,540

I ended up dating this guy and so one day he came across this book called The Perfect Victim.

167

00:18:49,540 --> 00:18:54,540

He starts reading through this book and then he comes back to my house and he's like,

168

00:18:54,540 --> 00:18:57,540

Jody, oh my god you're not going to believe this.

169

00:18:58,540 --> 00:19:03,540

There was a girl that had gone missing from my apartment.

170

00:19:06,540 --> 00:19:13,540

And he found an article about a missing girl from 1976.

171

00:19:14,540 --> 00:19:19,540

She had a nickname, Mar-Liz.

172

00:19:21,540 --> 00:19:26,540

I was like, oh my god, Hannah, when she was little.

173

00:19:27,540 --> 00:19:31,540

Cap's saying she was talking to somebody called My Liz.

174

00:19:32,540 --> 00:19:38,540

I remember my mom telling me about the research she was doing.

175

00:19:39,540 --> 00:19:44,540

She's like, I need to tell you something. I need to talk to you about something. Do you remember My Liz?

176

00:19:45,540 --> 00:19:47,540

I'm like, yes.

177

00:19:48,540 --> 00:19:51,540

And she's like, I'm going to show you something.

178

00:19:52,540 --> 00:19:55,540

And then she showed me the picture of her.

179

00:19:56,540 --> 00:20:02,540

And I'm like, that is the girl that was in the apartment with us.

180

00:20:03,540 --> 00:20:09,540

My stomach dropped. That was so freaky, oh my god.

181

00:20:10,540 --> 00:20:15,540

And that's when I'm like, where is she? Where's Mar-Liz? How come no one has been able to find her?

182

00:20:16,540 --> 00:20:25,540

Then I learned that the disappearance of Mar-Liz had been connected possibly to a couple in Reblav.

183

00:20:33,540 --> 00:20:45,540

November 7th of 1984, my supervisor, who was head of the detective division, came to me and said, I need you to respond to the church in Nazarene.

184

00:20:45,540 --> 00:21:05,540

The first thing that I see when I get to the church is Pastor Dabney and a woman named Janice Hooker.

185

00:21:05,540 --> 00:21:24,540

I noticed that Janice was extremely emotionally upset. She indicated that in 1976, her husband Cameron had kidnapped and killed the girl in Chico, California.

186

00:21:25,540 --> 00:21:38,540

Janice's reason to come forward was she was afraid of Cameron. Also, Janice had a lot of guilt built up for what had occurred over the years at different times.

187

00:21:39,540 --> 00:21:48,540

Detective Shamblin realized that some of this information may be incriminating towards Janice herself, so Al read her rights per Miranda.

188

00:21:48,540 --> 00:21:53,540

And after reading her rights, Janice decided she didn't want to talk anymore with an attorney.

189

00:21:55,540 --> 00:22:07,540

So then I called the district attorney's office, gave the district attorney the information that I had and what information that I didn't have.

190

00:22:08,540 --> 00:22:16,540

And he at that time decided to grant immunity to Janice for her cooperation.

191

00:22:17,540 --> 00:22:22,540

After granting the immunity, I interviewed Janice in detail.

192

00:22:23,540 --> 00:22:33,540

Janice told me that the victim that they kidnapped in Chico was named Marliz. Marliz Spanicki.

193

00:22:38,540 --> 00:22:47,540

On January 31st, 1976, Janice and Cameron had seen her walking on Mangrove Avenue.

194

00:22:51,540 --> 00:23:01,540

And Cameron had circled her a couple of times. Janice knew what he was going to do. She knew he wanted to kidnap a woman.

195

00:23:02,540 --> 00:23:16,540

She was walking along. He offers the ride. He's there with his wife. It looks very safe.

196

00:23:17,540 --> 00:23:25,540

She gets in. And then Cameron is asking questions. What's your name? Where are you from? Where are you going?

197

00:23:26,540 --> 00:23:32,540

She didn't have family nearby. No one knew where she'd gone.

198

00:23:37,540 --> 00:23:43,540

He was looking for this type of woman who didn't have any ties to the community.

199

00:23:47,540 --> 00:23:57,540

At one point, she started to get out of the vehicle and Cameron grabbed her with a knife to her throat, drug her back into the car.

200

00:23:58,540 --> 00:24:01,540

And they placed a head box over the top of her head.

201

00:24:01,540 --> 00:24:20,540

The head box was constructed of wood and styrofoam. And it had hinges on it. So he would enclose the head with this head box and encompass the entire head inside the head box.

202

00:24:21,540 --> 00:24:26,540

And with that foam in there, it basically prevented the person to be heard from any distance.

203

00:24:27,540 --> 00:24:36,540

If someone abducted you off the street and put the 20 pound head box over your head, you'd be so disarranged, you wouldn't know what was going on.

204

00:24:36,540 --> 00:24:45,540

But Cameron wanted to muffle screams. He was very concerned about his captive alerting the neighbors.

205

00:24:46,540 --> 00:24:57,540

Then they drove about 40 miles all the way back to the house on Oak Street in Red Bluff.

206

00:25:01,540 --> 00:25:09,540

Janice said that when they got back to their house in Red Bluff, they pulled up to the garage in the back of the house.

207

00:25:10,540 --> 00:25:28,540

When Janice and Cameron owned this house, none of this was here, so they actually pulled the car into the garage, parked the car, Cameron got out and closed the door.

208

00:25:29,540 --> 00:25:41,540

Janice was in the house for a few minutes. She came back out at which time Marliz was outside the vehicle. The head box was off of her and she was in a disoriented state.

209

00:25:44,540 --> 00:25:55,540

Janice could smell ether in the air. She asked him what he had done and he said he had sprayed starting fluid into the rag and put that over Marliz's mouth to make her semi-unconscious.

210

00:25:59,540 --> 00:26:04,540

After getting out of the garage area, they carried her into the basement.

211

00:26:10,540 --> 00:26:19,540

Although he was fascinated with the torturing and the dominance of people, Cameron did not like the screaming of somebody he was torturing.

212

00:26:20,540 --> 00:26:27,540

So Cameron read that if you cut a person's vocal cords, they will no longer be able to yell or scream.

213

00:26:28,540 --> 00:26:34,540

Janice said that Cameron lifted Marliz up and took her up to the bathroom.

214

00:26:36,540 --> 00:26:48,540

Cameron was very invested in keeping this sex slave utterly cowed and utterly terrorized, but Cameron made a mistake with Marliz.

215

00:26:50,540 --> 00:27:00,540

Janice at first refused to help him with the cutting of her throat and Cameron threatened her that if she didn't help him, he was going to do the same thing to her.

216

00:27:02,540 --> 00:27:12,540

So she ultimately agreed and sat down next to Marliz in the bathroom floor while Cameron started cutting one side of Marliz's throat to try and reach her vocal cords.

217

00:27:13,540 --> 00:27:20,540

But he didn't know what he was doing. Marliz began bleeding heavily, so Cameron kind of got freaked out.

218

00:27:21,540 --> 00:27:24,540

He stopped because he realized he wasn't going to be successful.

219

00:27:26,540 --> 00:27:31,540

Cameron lifted Marliz up and took her back down into the basement.

220

00:27:31,540 --> 00:27:40,540

There's a couple holes up in here where these eye hooks would have existed.

221

00:27:44,540 --> 00:27:52,540

Janice came down here after Cameron had cut her throat. She saw Marliz hanging from the beam. The rope was around her neck.

222

00:27:53,540 --> 00:28:05,540

Janice said she felt that Cameron had strangled her with the rope and then hung her by the beam, unclothed with a pillowcase over her head.

223

00:28:08,540 --> 00:28:10,540

She was dead at that point in time.

224

00:28:10,540 --> 00:28:23,540

Janice said they then carried the body back out to the car. By this time it was about two o'clock in the morning.

225

00:28:28,540 --> 00:28:38,540

They drove 30 miles north of Rebleff on Interstate 5. They then took Highway 44 East towards Lassen Park.

226

00:28:40,540 --> 00:28:42,540

Where they turned off on a dirt road.

227

00:28:53,540 --> 00:29:04,540

Janice said Cameron dug a shallow grave and buried Marliz with Spanicki's body.

228

00:29:05,540 --> 00:29:13,540

After the burial he burned all of her clothing, all of her belongings.

229

00:29:16,540 --> 00:29:20,540

The kidnapping took from start to finish about 10 to 12 hours.

230

00:29:23,540 --> 00:29:30,540

So he kidnapped her, killed her, buried her all within a half of a day.

231

00:29:35,540 --> 00:29:46,540

During my initial interview with Janice, she started talking about the kidnapping of another victim, Colleen Stan, in Rebleff, California.

232

00:29:52,540 --> 00:30:02,540

Colleen Stan came down from Eugene and was hitchhiking through town to surprise a friend. Cameron and Janice pick her up.

233

00:30:03,540 --> 00:30:07,540

He threatens her, forces her down, puts the head box on her.

234

00:30:10,540 --> 00:30:20,540

When you look at the abduction of Maria Elizabeth Spanicki, it very much mirrors that of Colleen Stan. Marliz was 18, Colleen was 20.

235

00:30:21,540 --> 00:30:27,540

They both had long hair. They had no association to the surrounding area.

236

00:30:28,540 --> 00:30:34,540

Janice told us that Cameron kept Colleen as a hostage for seven years.

237

00:30:36,540 --> 00:30:41,540

Against Colleen, he had committed a number of sex crimes.

238

00:30:42,540 --> 00:30:49,540

He kept her under a water bed for 20 hours a day and tortured her.

239

00:30:50,540 --> 00:30:58,540

And then in 1984, Janice comes to Colleen and tells her that she's going to leave Cameron.

240

00:30:59,540 --> 00:31:06,540

I think Janice was having a spiritual crisis.

241

00:31:07,540 --> 00:31:15,540

She was 16 when she married Cameron and 17 when Janice says he murders Marliz.

242

00:31:15,540 --> 00:31:19,540

And now she knows her husband is capable of murder.

243

00:31:20,540 --> 00:31:31,540

So she has this period of time of years, I mean almost nine years, where she's trying to do what Cameron wants her to do and not get into trouble.

244

00:31:32,540 --> 00:31:37,540

So this is a very dangerous situation if you're female to be in that household.

245

00:31:38,540 --> 00:31:45,540

She was coming unglued. She was mentally just at her last rope.

246

00:31:46,540 --> 00:31:58,540

When Janice comes to her, Colleen begs Janice not to go because Colleen is afraid of what's going to happen to her if it's just her and Cameron.

247

00:31:58,540 --> 00:32:04,540

So Janice and Colleen just kept it a big secret until Cameron went to work the next morning.

248

00:32:05,540 --> 00:32:10,540

And then they packed her belongings and both of them left and went to Janice's parents' house.

249

00:32:13,540 --> 00:32:16,540

For a while, Janice stayed with her parents.

250

00:32:17,540 --> 00:32:22,540

Colleen hadn't contacted the police. She had promised Janice that she wouldn't.

251

00:32:23,540 --> 00:32:34,540

Colleen told her family some of what happened, but it wasn't until Janice came to us three months later that she said anything until law enforcement.

252

00:32:37,540 --> 00:32:45,540

The police called and so then I talked to them for several hours giving my statement about what

happened.

253

00:32:45,540 --> 00:32:51,540

Afterwards they said, well everything you say matches what Janice told us.

254

00:32:52,540 --> 00:32:57,540

And so then they said, well do you know anything about this woman, Marliss?

255

00:32:59,540 --> 00:33:07,540

And I said, the only thing I can tell you is that he had this picture that I saw.

256

00:33:07,540 --> 00:33:11,540

So then I described her and they said that's Marliss.

257

00:33:12,540 --> 00:33:18,540

At that point we knew we had a kidnapping on homicide in Chico.

258

00:33:18,540 --> 00:33:21,540

We also had the other kidnapping with Colleen Stan.

259

00:33:22,540 --> 00:33:30,540

But to be able to continue with the homicide of Marliss, we needed Janice's cooperation.

260

00:33:31,540 --> 00:33:37,540

They didn't have a body. They didn't have any evidence. They had nothing except Janice's testimony.

261

00:33:37,540 --> 00:33:41,540

And so police realized that without her they didn't have a case.

262

00:33:42,540 --> 00:33:51,540

Without having a body, it would be very difficult to prosecute someone and obtain a conviction.

263

00:33:55,540 --> 00:34:03,540

So we wanted Janice to go with us and show us where they had buried Marie Elizabeth Spanicki's body.

264

00:34:07,540 --> 00:34:15,540

We drove several trips out east of Reading on both Highway 44 and Highway 299.

265

00:34:16,540 --> 00:34:25,540

Checking all the roads off on the right hand side to see if Janice could locate the road that they had taken.

266

00:34:28,540 --> 00:34:36,540

There's a lot of country out there that you could very easily dispose of a body and nobody would ever find it.

267

00:34:38,540 --> 00:34:47,540

After taking Janice on a number of trips and not being able to locate the burial site,

268

00:34:48,540 --> 00:34:55,540

the District Attorney's Office felt that there was not enough information to pursue the homicide.

269

00:34:56,540 --> 00:35:01,540

The risk would be that if he took the homicide to trial now and lost it,

270

00:35:02,540 --> 00:35:07,540

that we would not be able to retry Cameron for that.

271

00:35:14,540 --> 00:35:19,540

The homicide of Marie Elizabeth Spanicki was the most important to us.

272

00:35:19,540 --> 00:35:30,540

But we pursued the other kidnap case of Colleen Stan to make sure that Cameron went to jail.

273

00:35:32,540 --> 00:35:39,540

Hooker was arrested and charged with 17 counts of rape, kidnap, sodomy and false imprisonment.

274

00:35:40,540 --> 00:35:48,540

In 1985, Cameron Hooker went to trial for the sex crimes and kidnapping of Colleen Stan.

275

00:35:49,540 --> 00:35:53,540

He was taken to a doctor naked and handcuffed inside a wooden coffin-sized box.

276

00:35:54,540 --> 00:35:58,540

When the story broke, everyone focused on Colleen Stan.

277

00:35:59,540 --> 00:36:01,540

Colleen Stan has a boy-

278

00:36:02,540 --> 00:36:06,540

It was such a sensational story to be kidnapped and held captive for over seven years.

279

00:36:07,540 --> 00:36:13,540

She was stripped, slashed with a leather whip and then watched as Hooker had sex with his wife on a tabletop.

280

00:36:14,540 --> 00:36:19,540

How can a person do that to somebody, you know, and not feel bad?

281

00:36:20,540 --> 00:36:23,540

He's more than capable of torturing somebody.

282

00:36:24,540 --> 00:36:26,540

I know because he did it to me.

283

00:36:27,540 --> 00:36:34,540

He did it through hanging, he did it through whipping, he did it through torture, he did it through electric- electric shocking, he did it through burning.

284

00:36:36,540 --> 00:36:40,540

In the house on Oak Street, which was the same one that he took Marliz to,

285

00:36:40,540 --> 00:36:48,540

he tells me, go ahead and scream, I'll cut your vocal cords, I've done it before.

286

00:36:49,540 --> 00:36:57,540

Then I find out about Marliz and I find out that one of the things he did to her was he cut her vocal cords

287

00:36:58,540 --> 00:37:03,540

because she was screaming and screaming and screaming and he wanted to shut her up.

288

00:37:05,540 --> 00:37:08,540

He's more than capable of murdering somebody.

289

00:37:10,540 --> 00:37:11,540

I have no doubt.

290

00:37:12,540 --> 00:37:18,540

The young woman, speaking in a faint voice, recalled her abduction at Knife Point in May 1977.

291

00:37:19,540 --> 00:37:21,540

The trial was six weeks and there was a lot of media there.

292

00:37:22,540 --> 00:37:24,540

She was hung from a ceiling of Cameron Hooker's basement.

293

00:37:25,540 --> 00:37:28,540

Hooker chained her hand and foot, shocked her with electrical cord.

294

00:37:29,540 --> 00:37:31,540

This appalling device locked over her head.

295

00:37:32,540 --> 00:37:34,540

The torture, the forceful rips.

296

00:37:35,540 --> 00:37:37,540

Years of confinement in a wooden box, the situation was perfect.

297

00:37:37,540 --> 00:37:39,540

He said she was a good slave.

298

00:37:41,540 --> 00:37:47,540

I just learned that the more I fought him, the longer the torture was.

299

00:37:48,540 --> 00:37:51,540

The more it went on, the more excited he got.

300

00:37:52,540 --> 00:38:01,540

Where if I could just try to tolerate the pain the best I could and let him do whatever he did,

301

00:38:01,540 --> 00:38:09,540

well then he would kind of lose interest, you know, and it would be over quicker.

302

00:38:14,540 --> 00:38:18,540

The details that came out during that trial were just staggering.

303

00:38:19,540 --> 00:38:21,540

But none of that had to do with Marlowe's.

304

00:38:22,540 --> 00:38:28,540

Prosecutor Christine McGuire told the jury that Hooker alternated between sexual torture and mind control.

305

00:38:28,540 --> 00:38:38,540

The prosecutor had wanted to introduce Marlowe's to show that he had a method and a history of this kind of behavior.

306

00:38:39,540 --> 00:38:42,540

It does appear to have what is, I would guess, his air holes in it.

307

00:38:43,540 --> 00:38:49,540

But everything about Marlowe's was kept out as too prejudicial because there's no evidence of a murder.

308

00:38:49,540 --> 00:38:55,540

We are forbidden from mentioning Marlowe's.

309

00:38:56,540 --> 00:38:58,540

Her saying anything about her in the trial.

310

00:39:00,540 --> 00:39:04,540

All we could talk about was what he did to me.

311

00:39:05,540 --> 00:39:09,540

And Judge Knight said at his sentencing hearing he said.

312

00:39:10,540 --> 00:39:14,540

I consider this defendant to be probably the most dangerous psychopath that I've ever dealt with.

313

00:39:15,540 --> 00:39:18,540

If for no other reason that he appears to be exactly the opposite of what he is.

314

00:39:19,540 --> 00:39:23,540

He said I feel you'll always be a danger to women as long as you're alive.

315

00:39:24,540 --> 00:39:28,540

And so he told him I'm going to give you as much time as I can.

316

00:39:29,540 --> 00:39:30,540

And he did.

317

00:39:31,540 --> 00:39:34,540

Cameron was convicted on 10 counts.

318

00:39:35,540 --> 00:39:42,540

Kidnapping, rape, sodomy, other sexual charges that could be sentenced consecutively.

319

00:39:43,540 --> 00:39:45,540

And he was sentenced to 104 years.

320

00:39:46,540 --> 00:39:48,540

Serving the sentences for all the crimes at once.

321

00:39:49,540 --> 00:39:51,540

Cameron was sent to prison.

322

00:39:52,540 --> 00:39:55,540

And the Colleen Stan case was resolved.

323

00:40:03,540 --> 00:40:07,540

The homicide of Marie Elizabeth Spanicki was still open.

324

00:40:08,540 --> 00:40:17,540

But it was not active because we didn't really have any new information or avenues to proceed that we could see.

325

00:40:20,540 --> 00:40:28,540

I think I was just so angry probably at everybody for not being able to find her body.

326

00:40:29,540 --> 00:40:32,540

You know, because I mean we all knew she was gone.

327

00:40:33,540 --> 00:40:38,540

I was just more angry that nothing was said or done about it during the trial.

328

00:40:39,540 --> 00:40:46,540

Again this is all after his trial was over with and I'm like he's in there for kidnapping and whatever else he did to Colleen.

329

00:40:46,540 --> 00:40:49,540

But what about my sister's murder?

330

00:40:57,540 --> 00:41:03,540

When I moved out of the Walnut Garden apartment, things were normal.

331

00:41:04,540 --> 00:41:10,540

You know, I never experienced anything weird physically moving to my apartment or anything again.

332

00:41:11,540 --> 00:41:16,540

When I got out of there, it was like a life saver for me.

333

00:41:19,540 --> 00:41:26,540

But about a year later, all of a sudden I would have dreams again.

334

00:41:27,540 --> 00:41:31,540

And I'm thinking, good God, I thought this was behind me.

335

00:41:32,540 --> 00:41:35,540

I thought this was behind me.

336

00:41:36,540 --> 00:41:38,540

There was like a couple.

337

00:41:39,540 --> 00:41:44,540

The man was really tall in my dream and the woman was short and it was dusk.

338

00:41:45,540 --> 00:41:49,540

And they were kind of like stalking somebody or looking for somebody.

339

00:41:50,540 --> 00:41:56,540

And then I would always hear the number 35.76.

340

00:41:57,540 --> 00:42:04,540

And then I would see an A, like a capital A and 17 as I was like flying in my dream.

341

00:42:05,540 --> 00:42:08,540

I had no idea what that meant at all.

342

00:42:10,540 --> 00:42:13,540

Is it a location?

343

00:42:15,540 --> 00:42:21,540

And that's when I kind of was like, okay, do I have information that could help somebody?

344

00:42:22,540 --> 00:42:30,540

And all of a sudden I just get this feeling, stop what you're doing and call the Red Bluff Police Department.

345

00:42:31,540 --> 00:42:38,540

In 2008, we received a phone call from a person who identified herself as Jody Foster, who lived in Chico.

346

00:42:39,540 --> 00:42:47,540

So that she had lived in Marla's apartment and wanted to provide us information that she thought was related to Marla's murder and potential grave site.

347

00:42:48,540 --> 00:42:50,540

It went silent on the other end.

348

00:42:51,540 --> 00:42:56,540

And I thought he probably hung up on me and he says to me, why are you calling right now?

349

00:42:56,540 --> 00:43:03,540

He goes, we are in the middle of opening up a cold case with Marie Elizabeth Spanicki.

350

00:43:04,540 --> 00:43:10,540

He goes, I've never been so freaked out as I was just now by you.

351

00:43:27,540 --> 00:43:31,540

I met with Detective Hale at a coffee shop.

352

00:43:35,540 --> 00:43:37,540

He asked all kinds of questions.

353

00:43:39,540 --> 00:43:41,540

He asked me what I saw.

354

00:43:42,540 --> 00:43:44,540

He talked to me about the dreams.

355

00:43:44,540 --> 00:43:59,540

I think anytime you get information from somebody where they're telling you they're having dreams about something and they want to provide you this information that they think is related to a criminal case, you're probably going to be a little bit skeptical.

356

00:44:00,540 --> 00:44:06,540

I was so nervous. I was afraid I was going to, you know, be criticized.

357

00:44:08,540 --> 00:44:13,540

And then I thought, it doesn't matter if you guys think I'm crazy. I have to give you this information.

358

00:44:15,540 --> 00:44:22,540

And because it was an open murder case, he wasn't allowed to tell me anything.

359

00:44:23,540 --> 00:44:28,540

What I could do is tell him information, but he couldn't confirm or deny anything.

360

00:44:30,540 --> 00:44:35,540

She told us that she was seeing the letter A and the numbers one seven as in a 17.

361

00:44:35,540 --> 00:44:41,540

She believed that was a road that Cameron and Janice took to Marla's grave site.

362

00:44:41,540 --> 00:44:47,540

And there is a road in the area of going out 44 as a 17.

363

00:44:50,540 --> 00:44:58,540

We wanted to get more thorough interviews done with Janice and then see if we can try and put together a potential burial site.

364

00:44:59,540 --> 00:45:03,540

The first time we talked to Janice was in 2010 in Chico.

365

00:45:04,540 --> 00:45:12,540

We introduced ourselves as the investigators now assigned to the case and I think she may have still been concerned that she could potentially be charged.

366

00:45:12,540 --> 00:45:17,540

So upon meeting her, one of the first things we did was remind her that she had an immunity agreement.

367

00:45:17,540 --> 00:45:22,540

We were not there to arrest her, but we were there to try and get some answers for the case.

368

00:45:23,540 --> 00:45:34,540

When we interviewed Janice, we did feel that we got a better descriptive area on the road that they turned down off of 44.

369

00:45:34,540 --> 00:45:39,540

She gave us a little bit more descriptions of some structures that they had passed on the road.

370

00:45:39,540 --> 00:45:43,540

So she still gave us information we felt was good for the case.

371

00:45:44,540 --> 00:45:50,540

Right now we're on highway 44, we're a little ways east of Shingletown, California.

372

00:45:50,540 --> 00:45:58,540

This is one of the primary locations where we believe Marliz Baniqui is buried, but it's still a

large area.

373

00:45:58,540 --> 00:46:07,540

It's vast, so pinpointing her has become very difficult, but we feel like we've narrowed it down to a good approximate area where we believe she's at.

374

00:46:07,540 --> 00:46:22,540

The case with Marliz is still open and is still under investigation by the Revla Police Department.

375

00:46:22,540 --> 00:46:25,540

It's always been a homicide case.

376

00:46:28,540 --> 00:46:35,540

Chico Police Department still has it open as a missing persons case because she was reported missing to the Chico Police Department in 1976.

377

00:46:37,540 --> 00:46:42,540

Marliz Baniqui is still in the hospital.

378

00:46:44,540 --> 00:46:45,540

Hi Jodi, how you been?

379

00:46:45,540 --> 00:46:46,540

Good, how are you?

380

00:46:46,540 --> 00:46:48,540

Good, nice to see you.

381

00:46:48,540 --> 00:46:49,540

It's been a long time.

382

00:46:49,540 --> 00:46:50,540

Long time.

383

00:46:50,540 --> 00:46:51,540

Yeah.

384

00:46:51,540 --> 00:46:54,540

To this day we've never talked to Jodi about the case.

385

00:46:54,540 --> 00:47:00,540

As far as the numbers for the area we thought was a potential gravesite and the number she gave us.

386

00:47:00,540 --> 00:47:07,540

I don't think Jodi knows how close she was when she contacted us in July of 2008.

387

00:47:07,540 --> 00:47:14,540

The District Attorney and I have discussed talking about it now, would that potentially damage the case in a future court hearing?

388

00:47:14,540 --> 00:47:15,540

Yeah.

389

00:47:15,540 --> 00:47:21,540

And we decided it would not, so the hope is by talking about it now that we can get some closure on it.

390

00:47:21,540 --> 00:47:26,540

At the time you called us, that just happened to be the time when we opened the case back up.

391

00:47:26,540 --> 00:47:27,540

Yeah, no, I had no idea.

392

00:47:27,540 --> 00:47:30,540

Intensifying our search for Marliz's gravesite.

393

00:47:30,540 --> 00:47:34,540

We were searching an area where we feel she could be at.

394

00:47:34,540 --> 00:47:38,540

And I don't know if you remember when we talked to you, but you said you were envisioning this number.

395

00:47:38,540 --> 00:47:39,540

Yeah.

396

00:47:39,540 --> 00:47:40,540

35.76.

397

00:47:40,540 --> 00:47:41,540

Yeah.

398

00:47:41,540 --> 00:47:42,540

We kept seeing that number.

399

00:47:42,540 --> 00:47:43,540

Right.

400

00:47:43,540 --> 00:47:47,540

And you kind of felt like that was the distance from the house to her gravesite.

401

00:47:47,540 --> 00:47:49,540

And I think you said in the northeasterly direction.

402

00:47:49,540 --> 00:47:50,540

Yeah.

403

00:47:50,540 --> 00:47:55,540

After we talked to you, we went back and used a mapping software and actually pinpointed the house.

404

00:47:55,540 --> 00:47:57,540

And where we thought she may be at.

405

00:47:57,540 --> 00:47:58,540

Yeah.

406

00:47:58,540 --> 00:48:00,540

And the number you gave us was 35.76.

407

00:48:00,540 --> 00:48:04,540

And the number we came up with that mapping software was 35.77.

408

00:48:04,540 --> 00:48:06,540

So it was very close.

409

00:48:06,540 --> 00:48:07,540

What?

410

00:48:07,540 --> 00:48:08,540

It had some of us a little worried.

411

00:48:08,540 --> 00:48:11,540

I mean, I kind of freak out too, because you had no idea where we were searching.

412

00:48:11,540 --> 00:48:12,540

No.

413

00:48:12,540 --> 00:48:16,540

And all the elements that Janice gave us in her statement were on that road.

414

00:48:16,540 --> 00:48:22,540

So Janice and I gave similar area information.

415

00:48:22,540 --> 00:48:23,540

Correct.

416

00:48:23,540 --> 00:48:27,540

And me not even knowing anything, just having random dreams.

417

00:48:27,540 --> 00:48:28,540

Yes.

418

00:48:28,540 --> 00:48:35,540

For years, I've been wondering if any of anything that I gave you was relevant or how it helped

419

00:48:35,540 --> 00:48:36,540

on any level.

420

00:48:36,540 --> 00:48:40,540

It definitely helped reinforce the area we thought she's at.

421

00:48:40,540 --> 00:48:44,540

So hopefully, you know, this information and hopefully sitting here talking about it will

422

00:48:44,540 --> 00:48:46,540

help get some sort of resolution.

423

00:48:46,540 --> 00:48:47,540

Yeah, absolutely.

424

00:48:47,540 --> 00:48:48,540

Her family.

425

00:48:49,540 --> 00:48:55,540

I've always had a sense that there was something other than me out there, you know, bigger

426

00:48:55,540 --> 00:48:56,540

than me.

427

00:48:56,540 --> 00:49:02,540

And I want to be a person known for being caring, empathetic.

428

00:49:02,540 --> 00:49:09,540

And if I have something that can help another person, then I want to help that person.

429

00:49:09,540 --> 00:49:14,540

I feel like the spirit of Marlis was trying to get in touch with someone.

430

00:49:14,540 --> 00:49:20,540

And I want her soul to find rest, really, you know.

431

00:49:20,540 --> 00:49:24,540

And if I can help her, that's what I want to do.

432

00:49:31,540 --> 00:49:36,540

I retired from the Red Bluff Police Department in June of 2007.

433

00:49:36,540 --> 00:49:43,540

And the only case that is still active is this case, the homicide involving Marlis.

434

00:49:45,540 --> 00:49:50,540

Anytime you have a cold case, you always want to try to obtain closure for the family.

435

00:49:50,540 --> 00:49:55,540

You want to see justice for the victim.

436

00:49:55,540 --> 00:50:00,540

So there's always going to be an effort on law enforcement's part to try and close these

437

00:50:00,540 --> 00:50:02,540

cases.

438

00:50:06,540 --> 00:50:11,540

Cameron was sentenced to 104 years.

439

00:50:11,540 --> 00:50:14,540

You would think that he would be in prison for the rest of his life.

440

00:50:14,540 --> 00:50:21,540

But unfortunately, it does happen that people that shouldn't be set free are set free,

441

00:50:21,540 --> 00:50:24,540

and then they repeat their crimes.

442

00:50:25,540 --> 00:50:31,540

Cameron has already been granted parole, and will go to a county jail somewhere in Alameda area, I believe,

443

00:50:31,540 --> 00:50:35,540

and will actually start mental health evaluations.

444

00:50:35,540 --> 00:50:40,540

So he will probably be held at a mental health hospital for several years,

445

00:50:40,540 --> 00:50:44,540

but at any time he could be released from that potentially.

446

00:50:54,540 --> 00:50:59,540

This was the apartment building my sister Marlis moved into.

447

00:50:59,540 --> 00:51:03,540

She was going to start her new life here in Chico.

448

00:51:06,540 --> 00:51:10,540

I was kind of hoping she would realize her dream out here.

449

00:51:12,540 --> 00:51:16,540

Sometimes I would see movies on a TV show,

450

00:51:16,540 --> 00:51:20,540

and I would see movies on a TV show.

451

00:51:20,540 --> 00:51:26,540

Sometimes I would see movies, and I'd go, God, that looks like Marlis.

452

00:51:26,540 --> 00:51:33,540

But then after a while you're like hoping, I think, just blind hope.

453

00:51:38,540 --> 00:51:41,540

I think Marlis' story never got told.

454

00:51:41,540 --> 00:51:44,540

Her story never got finished.

455

00:51:44,540 --> 00:51:47,540

There was nobody.

456

00:51:47,540 --> 00:51:52,540

Cameron Hooker went to prison for what he did to Colleen,

457

00:51:52,540 --> 00:51:58,540

and my sister's still out there waiting for justice.

458

00:52:17,540 --> 00:52:20,540

I think she's going to be released.

459

00:52:20,540 --> 00:52:23,540

I think she's going to be released.

460

00:52:23,540 --> 00:52:26,540

I think she's going to be released.

461

00:52:26,540 --> 00:52:29,540

I think she's going to be released.

462

00:52:29,540 --> 00:52:32,540

I think she's going to be released.

463

00:52:32,540 --> 00:52:35,540

I think she's going to be released.

464

00:52:35,540 --> 00:52:38,540

I think she's going to be released.

465

00:52:38,540 --> 00:52:41,540

I think she's going to be released.

466

00:52:41,540 --> 00:52:44,540

I think she's going to be released.

467

00:52:44,540 --> 00:52:47,540
