

1

00:00:00,000 --> 00:00:07,360

This program is about unsolved mysteries.

2

00:00:07,360 --> 00:00:10,000

Whenever possible, the actual family members and police

3

00:00:10,000 --> 00:00:12,960

officials have participated in recreating the events.

4

00:00:12,960 --> 00:00:15,400

What you are about to see is not a news broadcast.

5

00:00:20,800 --> 00:00:24,080

Tonight on Unsolved Mysteries, we continue our examination

6

00:00:24,080 --> 00:00:26,920

into New York's infamous Son of Sam shootings.

7

00:00:26,920 --> 00:00:29,640

New evidence suggests that the Son of Sam killer, David

8

00:00:29,640 --> 00:00:35,680

Berkowitz, was part of a satanic cult that murdered six people.

9

00:00:35,680 --> 00:00:38,320

At an inn near Philadelphia, the head waitress

10

00:00:38,320 --> 00:00:43,600

sees a revolutionary war soldier on the main staircase.

11

00:00:43,600 --> 00:00:46,800

In Jackson, Mississippi, a wealthy woman is kidnapped.

12

00:00:46,800 --> 00:00:50,040

Her millionaire husband gives in to the kidnappers' demands.

13

00:00:50,040 --> 00:00:53,200

Annie Heron is still missing.

14

00:00:53,200 --> 00:00:56,000

These intriguing stories all need one final clue,

15

00:00:56,000 --> 00:00:59,520

one final piece of information before they can be solved.

16

00:00:59,520 --> 00:01:02,120

Perhaps someone watching tonight can help.

17

00:01:02,120 --> 00:01:05,000

Perhaps it's you.

18

00:01:35,000 --> 00:01:35,900

Yeah!

19

00:01:50,280 --> 00:01:53,120

For over 100 years, people have seen and heard things

20

00:01:53,120 --> 00:01:55,360

around the general Wayne Inn in Philadelphia

21

00:01:55,360 --> 00:01:57,280

that they cannot explain.

22

00:01:57,280 --> 00:01:59,440

A number of different ghosts will seem

23

00:01:59,440 --> 00:02:02,240

to have an unusual agenda of mischief in mind.

24

00:02:05,520 --> 00:02:06,500

I am.

25

00:02:10,360 --> 00:02:13,800

Located in Marion, Pennsylvania, the general Wayne Inn

26

00:02:13,800 --> 00:02:18,080

opened in 1704 and is reputed to be the oldest continuously

27

00:02:18,080 --> 00:02:20,880

functioning inn in America.

28

00:02:20,880 --> 00:02:24,240

Ben Franklin visited the inn, and George Washington

29

00:02:24,240 --> 00:02:28,200

slept in what is today this dining room.

30

00:02:28,200 --> 00:02:31,560

Edgar Allan Poe wrote part of his famous poem, The Raven,

31

00:02:31,600 --> 00:02:33,440

here in 1836.

32

00:02:37,040 --> 00:02:39,320

But it is a history of hauntings that brings us

33

00:02:39,320 --> 00:02:40,520

to the general Wayne Inn.

34

00:02:43,640 --> 00:02:47,000

Barton Johnson is the innkeeper and serves as vice president

35

00:02:47,000 --> 00:02:50,280

of the local historical society.

36

00:02:50,280 --> 00:02:53,600

We have had towels thrown all over the kitchen.

37

00:02:53,600 --> 00:02:56,480

We have had adding machine problems.

38

00:02:56,480 --> 00:02:59,000

We've had television problems directly attributable

39

00:02:59,000 --> 00:03:01,720

to something that's not understandable.

40

00:03:01,720 --> 00:03:06,880

We have had reports of sightings of entities, ghosts.

41

00:03:06,880 --> 00:03:10,880

We have had a funny incident with a new Cadillac

42

00:03:10,880 --> 00:03:14,080

in the parking lot outside.

43

00:03:14,080 --> 00:03:17,120

Last year, a valet walked by a Cadillac

44

00:03:17,120 --> 00:03:18,960

parked in front of the inn.

45

00:03:18,960 --> 00:03:22,000

The owner had gone inside and had taken his keys with him.

46

00:03:30,000 --> 00:03:33,000

Doors were locked, windows were all closed.

47

00:03:33,000 --> 00:03:35,000

The kid was scared to death.

48

00:03:35,000 --> 00:03:36,000

And I said, look, calm down.

49

00:03:36,000 --> 00:03:38,000

These things happen around here.

50

00:03:38,000 --> 00:03:41,000

I'm just relaxing.

51

00:03:41,000 --> 00:03:42,000

I enjoy these ghosts.

52

00:03:42,000 --> 00:03:44,000

I mean, they don't bother me at all.

53

00:03:44,000 --> 00:03:47,000

I think they come up with some real clever little things.

54

00:03:47,000 --> 00:03:49,000

For God's sake, what are you doing?

55

00:03:49,000 --> 00:03:51,000

What the hell are you doing?

56

00:03:51,000 --> 00:03:56,000

On a busy night, that's when this entity will start.

57

00:03:56,000 --> 00:03:57,000

What did you do, Larry?

58

00:03:57,000 --> 00:04:00,000

And he'll go down the entire side of the bar,

59

00:04:00,000 --> 00:04:02,000

blowing on the back of the girls' necks.

60

00:04:02,000 --> 00:04:05,000

And the poor guys, they really were doing nothing.

61

00:04:05,000 --> 00:04:07,000

Who are you?

62

00:04:07,000 --> 00:04:10,000

Now, I knew when the first one started

63

00:04:10,000 --> 00:04:13,000

that it would continue all the way down to the end of the bar.

64

00:04:13,000 --> 00:04:14,000

It always did.

65

00:04:14,000 --> 00:04:15,000

Did you do that?

66

00:04:15,000 --> 00:04:16,000

Do what?

67

00:04:16,000 --> 00:04:17,000

Blow on the back of my neck.

68

00:04:17,000 --> 00:04:19,000

It happened so often that I enjoyed

69

00:04:19,000 --> 00:04:23,000

standing back on the other side of the bar and watching.

70

00:04:23,000 --> 00:04:26,000

Hundreds of occurrences have happened.

71

00:04:26,000 --> 00:04:28,000

Some very minor, some more dramatic,

72

00:04:28,000 --> 00:04:32,000

but there have been hundreds of them.

73

00:04:32,000 --> 00:04:34,000

Bart has witnessed many ghostly events,

74

00:04:34,000 --> 00:04:37,000

but has never actually seen a ghost.

75

00:04:37,000 --> 00:04:40,000

Dave Rogers has.

76

00:04:40,000 --> 00:04:42,000

I was Mater D at the time,

77

00:04:42,000 --> 00:04:46,000

and we were closing the restaurant up for the night.

78

00:04:49,000 --> 00:04:52,000

I was starting on my way out,

79

00:04:52,000 --> 00:04:54,000

and I had looked up.

80

00:04:54,000 --> 00:04:57,000

I only saw it for a split second.

81

00:04:57,000 --> 00:05:01,000

It was just a head sitting on this chest of drawers.

82

00:05:01,000 --> 00:05:03,000

It didn't register with me right away,

83

00:05:03,000 --> 00:05:05,000

and when I got out into the bar area,

84

00:05:05,000 --> 00:05:08,000

it was like I hit a brick wall,

85

00:05:08,000 --> 00:05:10,000

and it just stopped dead in my tracks,

86

00:05:10,000 --> 00:05:12,000

and I started saying, I saw a head.

87

00:05:12,000 --> 00:05:14,000

I saw something. I saw a head.

88

00:05:14,000 --> 00:05:17,000

It was just like it happened yesterday.

89

00:05:17,000 --> 00:05:19,000

I'll never forget the details,

90

00:05:19,000 --> 00:05:22,000

although I just saw it for an instant.

91

00:05:24,000 --> 00:05:27,000

Other employees have also seen apparitions.

92

00:05:27,000 --> 00:05:31,000

One day, Alice Gormley was walking through the dining room.

93

00:05:31,000 --> 00:05:36,000

And I heard someone call my name. Alice, Alice.

94

00:05:36,000 --> 00:05:40,000

So I walked out of here to see if it was the manager,

95

00:05:40,000 --> 00:05:47,000

and I saw this apparition, this person on the stairs,

96

00:05:47,000 --> 00:05:52,000

and he was standing on this step,

97

00:05:52,000 --> 00:05:55,000

and he looked so startled.

98

00:05:55,000 --> 00:05:59,000

And when I said, can I help you, he just disappeared.

99

00:06:05,000 --> 00:06:07,000

Local historian Jay Robert Mendte

100

00:06:07,000 --> 00:06:10,000

has studied the inn's history in detail,

101

00:06:10,000 --> 00:06:11,000

and according to him,

102

00:06:11,000 --> 00:06:14,000

the specter has been seen before,

103

00:06:14,000 --> 00:06:16,000

over a hundred years ago.

104

00:06:16,000 --> 00:06:20,000

The first written record of a ghost in the General Wayne Inn

105

00:06:20,000 --> 00:06:22,000

that we came across in writing

106

00:06:22,000 --> 00:06:25,000

was the report of an election in 1848

107

00:06:25,000 --> 00:06:27,000

that took place in here.

108

00:06:27,000 --> 00:06:31,000

A lady went down to the basement to get some more ballots.

109

00:06:31,000 --> 00:06:35,000

When she came up, she said to the lady in charge of the elections,

110

00:06:35,000 --> 00:06:39,000

I just saw a soldier down there in a green uniform.

111

00:06:39,000 --> 00:06:43,000

In recent times, there have been three new sightings of this soldier.

112

00:06:43,000 --> 00:06:45,000

Mendte interviewed three witnesses

113

00:06:45,000 --> 00:06:48,000

who saw the same apparition at different times.

114

00:06:48,000 --> 00:06:52,000

Each of them saw the ghost in this basement.

115

00:06:52,000 --> 00:06:53,000

It's an interesting place.

116

00:06:53,000 --> 00:06:56,000

I know that a wine cellar here

117

00:06:56,000 --> 00:06:59,000

was right by the door of the wine cellar

118

00:06:59,000 --> 00:07:03,000

that each one of them saw the apparition.

119

00:07:06,000 --> 00:07:09,000

This is it. This is where they found him,

120

00:07:09,000 --> 00:07:11,000

and he stood right there.

121

00:07:14,000 --> 00:07:17,000

Each one described the imperfect way

122

00:07:17,000 --> 00:07:21,000

of the green uniform and the yellowish lapel

123

00:07:21,000 --> 00:07:24,000

and the black mustache of a Hessian soldier

124

00:07:24,000 --> 00:07:27,000

of the regiments that were occupying Philadelphia at that time.

125

00:07:29,000 --> 00:07:31,000

Hessians were German mercenaries

126

00:07:31,000 --> 00:07:34,000

who frequented the inn during the Revolutionary War.

127

00:07:38,000 --> 00:07:41,000

Unsolved mysteries invited Michaeline Mayer,

128

00:07:41,000 --> 00:07:44,000

a paranormal investigator to the inn.

129

00:07:44,000 --> 00:07:47,000

Michaeline uses experimental research techniques

130

00:07:47,000 --> 00:07:50,000

that can separate fact from fiction.

131

00:07:50,000 --> 00:07:54,000

For without evidence, she refuses to believe that ghosts exist.

132

00:07:57,000 --> 00:07:59,000

Starting with the tail floor plans,

133

00:07:59,000 --> 00:08:02,000

she uses statistical analysis to evaluate the responses

134

00:08:02,000 --> 00:08:05,000

of both skeptics and hand-picked psychics

135

00:08:05,000 --> 00:08:08,000

who have been brought to the scene of the hauntings.

136

00:08:08,000 --> 00:08:11,000

When we bring them into an experimental situation

137

00:08:11,000 --> 00:08:15,000

into a haunting, we ask them to tour the place

138

00:08:15,000 --> 00:08:17,000

where something has been reported.

139

00:08:19,000 --> 00:08:21,000

Michaeline has asked psychic Paula Rogers

140

00:08:21,000 --> 00:08:23,000

to walk through the building.

141

00:08:23,000 --> 00:08:26,000

Paula knew nothing about the inn's history.

142

00:08:26,000 --> 00:08:28,000

She went through every room,

143

00:08:28,000 --> 00:08:31,000

and in the basement, she made a surprising discovery.

144

00:08:34,000 --> 00:08:37,000

I got an extremely strong impression.

145

00:08:37,000 --> 00:08:40,000

I see a young soldier hiding.

146

00:08:40,000 --> 00:08:43,000

I can still see it, and he's in a very old costume.

147

00:08:43,000 --> 00:08:46,000

It would probably take at least 200 years.

148

00:08:46,000 --> 00:08:48,000

I could see if it was a memory.

149

00:08:48,000 --> 00:08:51,000

He crouched there, petrifying.

150

00:08:51,000 --> 00:08:54,000

He seemed to have been left behind.

151

00:08:56,000 --> 00:08:59,000

Paula sensed the soldier only several feet from the spot

152

00:08:59,000 --> 00:09:02,000

where witnesses had reported seeing the Hessian.

153

00:09:02,000 --> 00:09:05,000

Coincidence? Or something more?

154

00:09:08,000 --> 00:09:10,000

You never know what they're going to do,

155

00:09:10,000 --> 00:09:12,000

and you never know how long they're going to do it.

156

00:09:12,000 --> 00:09:14,000

At the general weight, if the ghost check in,

157

00:09:14,000 --> 00:09:16,000

but they don't check out.

158

00:09:16,000 --> 00:09:20,000

One night, during a local newscast Halloween story on the inn,

159

00:09:20,000 --> 00:09:24,000

a number of regular patrons gathered in the bar to watch.

160

00:09:25,000 --> 00:09:31,000

As soon as he showed the first scene of the inside of this building,

161

00:09:31,000 --> 00:09:35,000

the whole...no flop over now, no snow, perfect picture,

162

00:09:35,000 --> 00:09:39,000

the whole picture started to go very, very slowly,

163

00:09:39,000 --> 00:09:42,000

clockwise, all the way around.

164

00:09:48,000 --> 00:09:52,000

And all the 50 people in the bar were looking at this

165

00:09:52,000 --> 00:09:54,000

and wondering what was going on,

166

00:09:54,000 --> 00:09:56,000

and their heads were all turning,

167

00:09:56,000 --> 00:10:01,000

and the whole thing just kept going around until our portion was over.

168

00:10:01,000 --> 00:10:03,000

But I've never did that before,

169

00:10:03,000 --> 00:10:05,000

and I never did it afterwards,

170

00:10:05,000 --> 00:10:08,000

and no one else in the whole neighborhood had it that way.

171

00:10:10,000 --> 00:10:12,000

Are there ghosts at the inn?

172

00:10:12,000 --> 00:10:16,000

Michael E. Mayer believes it's something unexplained as going on,

173

00:10:16,000 --> 00:10:18,000

but as is so often the case,

174

00:10:18,000 --> 00:10:22,000

cannot prove for certain that it is caused by ghosts.

175

00:10:22,000 --> 00:10:24,000

We did get some interesting results.

176

00:10:24,000 --> 00:10:26,000

I can only call them tentative at this point,

177

00:10:26,000 --> 00:10:28,000

but our measures, experimental measures,

178

00:10:28,000 --> 00:10:31,000

our measures with random number generators,

179

00:10:31,000 --> 00:10:34,000

and some of our photography measures

180

00:10:34,000 --> 00:10:37,000

have given us enough of a hint that something is actually

181

00:10:37,000 --> 00:10:40,000

going on at the General Wayne Inn

182

00:10:40,000 --> 00:10:43,000

that deserves a great deal of further exploration.

183

00:10:47,000 --> 00:10:50,000

I know I saw something.

184

00:10:50,000 --> 00:10:53,000

I don't think it was a figment of my imagination.

185

00:10:53,000 --> 00:10:58,000

I don't think it was a mirage or whatever you want to call it.

186

00:10:58,000 --> 00:11:00,000

I saw something.

187

00:11:00,000 --> 00:11:03,000

I don't believe in ghosts, but I know they're here.

188

00:11:03,000 --> 00:11:05,000

They have no other place to go,

189

00:11:05,000 --> 00:11:07,000

and they might as well have a little fun,

190

00:11:07,000 --> 00:11:09,000

and that's exactly what they're doing.

191

00:11:09,000 --> 00:11:12,000

And I don't think they're going anywhere either.

192

00:11:20,000 --> 00:11:23,000

Our next story is about a modern-day Good Samaritan,

193

00:11:23,000 --> 00:11:26,000

a woman who dedicated her life to helping others.

194

00:11:26,000 --> 00:11:28,000

First as a mother and community volunteer,

195

00:11:28,000 --> 00:11:30,000

and later as an advocate for children's rights,

196

00:11:30,000 --> 00:11:33,000

and as a court-appointed attorney for criminal defendants

197

00:11:33,000 --> 00:11:36,000

who could not otherwise afford legal counsel.

198

00:11:36,000 --> 00:11:39,000

Two years ago, she fell victim to the same type of street criminal

199

00:11:39,000 --> 00:11:41,000

she once vigorously defended.

200

00:11:43,000 --> 00:11:46,000

After raising three children, Gretchen Burford embarked

201

00:11:46,000 --> 00:11:48,000

on a new life in 1979,

202

00:11:48,000 --> 00:11:51,000

when she enrolled in law school at the age of 41.

203

00:11:51,000 --> 00:11:54,000

By 1984, Gretchen had a full-time practice

204

00:11:54,000 --> 00:11:57,000

in Palo Alto, California.

205

00:11:57,000 --> 00:12:00,000

She specialized in criminal defense and juvenile law,

206

00:12:00,000 --> 00:12:03,000

motivated by a lifelong concern for the underprivileged,

207

00:12:03,000 --> 00:12:06,000

especially minorities and children.

208

00:12:06,000 --> 00:12:08,000

It appears it's a 480-9.

209

00:12:08,000 --> 00:12:11,000

You're looking at possible time in state prison.

210

00:12:11,000 --> 00:12:14,000

I think justice was really important to my mother,

211

00:12:14,000 --> 00:12:17,000

and I think that's part of the reason she was drawn to a career in law.

212

00:12:18,000 --> 00:12:22,000

She wanted to help people who didn't maybe start out

213

00:12:22,000 --> 00:12:25,000

with all the benefits that her children had.

214

00:12:25,000 --> 00:12:28,000

Gretchen put her heart and soul into defending the people,

215

00:12:28,000 --> 00:12:30,000

and she worked hard with them,

216

00:12:30,000 --> 00:12:32,000

not only just with the legal defense,

217

00:12:32,000 --> 00:12:35,000

but there were a lot of things that she would be involved in

218

00:12:35,000 --> 00:12:37,000

as far as their personal lives.

219

00:12:41,000 --> 00:12:45,000

February 26, 1988 was a normal Friday for Gretchen Burford.

220

00:12:45,000 --> 00:12:47,000

Late that afternoon, she left her office

221

00:12:47,000 --> 00:12:49,000

and started home for the weekend.

222

00:12:50,000 --> 00:12:53,000

The police are unclear on her subsequent movements,

223

00:12:53,000 --> 00:12:56,000

but with the help of computer banking logs and eyewitness testimony,

224

00:12:56,000 --> 00:12:59,000

they have sketched out a probable scenario.

225

00:13:00,000 --> 00:13:03,000

They do believe that what happened next was a random act of violence

226

00:13:03,000 --> 00:13:06,000

by an assailant unknown to her.

227

00:13:09,000 --> 00:13:12,000

Bank records verify that at 6.37 p.m.,

228

00:13:12,000 --> 00:13:16,000

Gretchen deposited a check for \$449 at a branch bank,

229

00:13:16,000 --> 00:13:19,000

four blocks from her office in Palo Alto.

230

00:13:19,000 --> 00:13:21,000

It was the beginning of a nightmare

231

00:13:21,000 --> 00:13:24,000

that would last for 30 terrifying minutes.

232

00:13:35,000 --> 00:13:38,000

It's here that we suspect that her assailant

233

00:13:38,000 --> 00:13:41,000

may have accosted her for the first time.

234

00:13:42,000 --> 00:13:47,000

She may have been the type of person who left her car unlocked,

235

00:13:47,000 --> 00:13:52,000

which is what assailants look for when they are stalking their victims.

236

00:13:52,000 --> 00:13:56,000

She's near a walk-up teller at night.

237

00:13:57,000 --> 00:14:02,000

Obviously, she would be a target for some type of an attack.

238

00:14:02,000 --> 00:14:06,000

Gretchen was naive about how she handled herself,

239

00:14:06,000 --> 00:14:08,000

especially outdoors.

240

00:14:09,000 --> 00:14:13,000

She was never really aware of what was going on around her.

241

00:14:13,000 --> 00:14:16,000

The way she looked at things, I think she looked at people very trustingly.

242

00:14:18,000 --> 00:14:20,000

Shut up!

243

00:14:20,000 --> 00:14:22,000

Shut up!

244

00:14:22,000 --> 00:14:24,000

Shut up!

245

00:14:24,000 --> 00:14:26,000

Shut up!

246

00:14:26,000 --> 00:14:28,000

I'm not going to hurt you!

247

00:14:28,000 --> 00:14:32,000

Authority speculate that Gretchen was abducted in the bank parking lot

248

00:14:32,000 --> 00:14:35,000

some five to ten minutes after arriving there.

249

00:14:35,000 --> 00:14:38,000

The next 20 minutes are a complete mystery.

250

00:14:39,000 --> 00:14:41,000

What'd you do with the money to gather the machine?

251

00:14:41,000 --> 00:14:44,000

I didn't take any money out. I made a deposit.

252

00:14:44,000 --> 00:14:47,000

How about you take me one of those money machines, okay? You got that?

253

00:14:47,000 --> 00:14:48,000

We can park and we can walk around.

254

00:14:48,000 --> 00:14:49,000

What do you think I'm stupid?

255

00:14:49,000 --> 00:14:50,000

No.

256

00:14:50,000 --> 00:14:51,000

What can you drive up to? Go!

257

00:14:51,000 --> 00:14:54,000

You can do some serious jail time for this.

258

00:14:54,000 --> 00:14:59,000

We can only speculate as to what was going on during that 20 minutes.

259

00:14:59,000 --> 00:15:06,000

She was used to this type of person and perhaps was trying to appeal to him

260

00:15:06,000 --> 00:15:11,000

as to what the consequences would be. Who knows? We don't know.

261

00:15:12,000 --> 00:15:17,000

At 7.02 p.m. 25 minutes after her first bank transaction,

262

00:15:17,000 --> 00:15:22,000

Gretchen attempted to withdraw money from another bank machine three miles away.

263

00:15:22,000 --> 00:15:27,000

This transaction was aborted and she requested more cash than she was authorized to withdraw.

264

00:15:27,000 --> 00:15:28,000

Come on, come on, come on!

265

00:15:28,000 --> 00:15:32,000

Police assumed Gretchen may have been trying to discourage her abductor.

266

00:15:32,000 --> 00:15:33,000

Where's the money?

267

00:15:33,000 --> 00:15:34,000

I don't know. I don't know.

268

00:15:34,000 --> 00:15:35,000

I don't know.

269

00:15:35,000 --> 00:15:36,000

Do it again!

270

00:15:36,000 --> 00:15:37,000

I'm working!

271

00:15:37,000 --> 00:15:38,000

Do it again!

272

00:15:38,000 --> 00:15:42,000

We had two witnesses pull up behind Gretchen's vehicle.

273

00:15:42,000 --> 00:15:46,000

The male driver saw a struggle going on inside the car.

274

00:15:46,000 --> 00:15:52,000

He saw the driver's door open and then it appeared that she was pulled back inside.

275

00:15:52,000 --> 00:16:04,000

He's dancing!

276

00:16:04,000 --> 00:16:09,000

Witnesses have told us that she got out of her car screaming,

277

00:16:09,000 --> 00:16:16,000

he stabbed me, he stabbed me and helped me and she collapsed immediately.

278

00:16:17,000 --> 00:16:22,000

So the wound was definitely a one single stab and it was fatal.

279

00:16:22,000 --> 00:16:29,000

Police believe that Gretchen Berfer deliberately caused the accident in a desperate attempt to escape.

280

00:16:32,000 --> 00:16:36,000

Her car came to rest 150 yards from the drive-up teller machine.

281

00:16:36,000 --> 00:16:42,000

In the aftermath, two witnesses were able to get a clear and detailed look at her killer.

282

00:16:46,000 --> 00:16:50,000

A lady jumped out of the car screaming that she was stabbed

283

00:16:50,000 --> 00:16:55,000

and then he got out of the car, stared me and my friend down,

284

00:16:55,000 --> 00:16:58,000

then he turned around and ran.

285

00:16:58,000 --> 00:17:01,000

Within two seconds, three seconds, he was out of sight.

286

00:17:01,000 --> 00:17:05,000

Since the girl hit the ground, she said she was stabbed. We went for her.

287

00:17:07,000 --> 00:17:09,000

What happened?

288

00:17:09,000 --> 00:17:11,000

He stabbed me.

289

00:17:11,000 --> 00:17:15,000

She was lying on the ground and I could see a little pool of blood.

290

00:17:15,000 --> 00:17:20,000

She was looking up at me, she was saying, I'm dying, I'm going to die.

291

00:17:20,000 --> 00:17:26,000

I said, you're just bleeding and you're going to be fine, so just relax and I held her hand.

292

00:17:26,000 --> 00:17:31,000

She looked up at me, her eyes rolled back and her eyes closed

293

00:17:31,000 --> 00:17:37,000

and it kind of, I guess her life ended right there.

294

00:17:37,000 --> 00:17:43,000

133, can you ask the team a problem number on my last call? 133.

295

00:17:43,000 --> 00:17:49,000

When I arrived at the scene, Gretchen had already been transported to an emergency room.

296

00:17:49,000 --> 00:17:52,000

We have a female stabbing victim.

297

00:17:52,000 --> 00:17:54,000

We have a perimeter set up over there.

298

00:17:54,000 --> 00:17:56,000

Yes, officers are around.

299

00:17:56,000 --> 00:17:58,000

There's some evidence, let's take a look at it.

300

00:17:58,000 --> 00:18:02,000

I almost immediately started processing her vehicle for any evidence.

301

00:18:03,000 --> 00:18:14,000

I looked inside and saw a paisley baseball hat in the rear passenger compartment that just seemed out of place.

302

00:18:14,000 --> 00:18:21,000

We later confirmed that that did not belong to her and it's unknown how that got in her car,

303

00:18:21,000 --> 00:18:25,000

so we assume that it belonged to our suspect.

304

00:18:26,000 --> 00:18:32,000

The next day authorities recovered the murder weapon, a butcher knife with an 8-inch blade.

305

00:18:32,000 --> 00:18:38,000

It was found in a driveway one block from the scene but provided no additional leads.

306

00:18:38,000 --> 00:18:43,000

The investigation next focused on the unusual hat found in Gretchen's car.

307

00:18:43,000 --> 00:18:49,000

A check with the manufacturer revealed that only two stores in the area stocked this item.

308

00:18:49,000 --> 00:18:53,000

Even though all attempts to connect the paisley hat with a suspect have failed,

309

00:18:53,000 --> 00:18:57,000

police are convinced it holds the key to solving the case.

310

00:19:01,000 --> 00:19:07,000

I think it's ironic that my mother would have gone on helping for years probably,

311

00:19:07,000 --> 00:19:14,000

that she'd only just started her law career, that she had so much to give and was giving so much

312

00:19:14,000 --> 00:19:22,000

and helping so many people and that it was just ended by somebody who had no idea who she was

313

00:19:22,000 --> 00:19:26,000

or what she was or no ability to care about her.

314

00:19:53,000 --> 00:20:00,000

Last week, examined the son of Sam shootings that took place in New York in 1976 and 1977.

315

00:20:00,000 --> 00:20:05,000

Investigative reporter Maury Terry believes that the son of Sam did not act alone,

316

00:20:05,000 --> 00:20:12,000

that he was part of an organized conspiracy that carried out a year-long reign of terror in New York City.

317

00:20:13,000 --> 00:20:18,000

The son of Sam shootings began on July 29, 1976.

318

00:20:19,000 --> 00:20:25,000

In eight separate incidents, six people were killed and seven seriously wounded.

319

00:20:25,000 --> 00:20:29,000

All of the shots were fired by a 44-caliber revolver.

320

00:20:30,000 --> 00:20:34,000

Police created composites for my witness accounts of the shootings.

321

00:20:34,000 --> 00:20:38,000

The difference in appearance suggested more than one suspect.

322

00:20:39,000 --> 00:20:46,000

But on August 10th, David Berkowitz was arrested and confessed to all of the son of Sam shootings.

323

00:20:47,000 --> 00:20:53,000

Investigative reporter Maury Terry gathered evidence that indicated that more than one man was involved.

324

00:20:54,000 --> 00:21:00,000

The general perception among the public for years had been that David Berkowitz was a lone gunman.

325

00:21:00,000 --> 00:21:06,000

The facts and the evidence, not speculation, the facts and the evidence say otherwise.

326

00:21:06,000 --> 00:21:13,000

Terry found major discrepancies in eyewitness accounts of the last shooting that support his theory of more than one gunman.

327

00:21:14,000 --> 00:21:20,000

Eyewitness Tommy Zeno was parked just in front of the victim's car and he got a good look at the gun.

328

00:21:21,000 --> 00:21:25,000

No, I didn't think it was David Berkowitz then and I don't think it's him now.

329

00:21:26,000 --> 00:21:28,000

I definitely don't think it's him.

330

00:21:28,000 --> 00:21:31,000

A yellow Volkswagen had been spotted leaving the crime scene.

331

00:21:31,000 --> 00:21:34,000

It may have contained one or more accomplices to the shooting.

332

00:21:35,000 --> 00:21:40,000

Columnist Jimmy Bresen received a letter from the son of Sam.

333

00:21:40,000 --> 00:21:47,000

In this letter there were cryptic references to the quote, 22 disciples of hell and a wicked king wicker.

334

00:21:47,000 --> 00:21:52,000

John Wheaties, the rapist and suffocator of young girls was also mentioned.

335

00:21:53,000 --> 00:21:56,000

The letter was signed the son of Sam.

336

00:21:56,000 --> 00:21:59,000

Underneath was a satanic symbol.

337

00:22:00,000 --> 00:22:09,000

Mori Terry believed that the Breslin letter was sent not by Berkowitz but rather by a satanic cult that operated in Berkowitz's Yonkers neighborhood.

338

00:22:09,000 --> 00:22:17,000

He also believes that Berkowitz was a member of the cult and that it was this group that planned and executed the son of Sam attacks.

339

00:22:19,000 --> 00:22:22,000

David Berkowitz lived in a seventh floor apartment in Yonkers.

340

00:22:24,000 --> 00:22:26,000

Down the hill was a street named Wicker.

341

00:22:27,000 --> 00:22:30,000

Could this be the King Wicker mentioned in the Breslin letter?

342

00:22:31,000 --> 00:22:35,000

Wicker Street was near the home of another character believed to be mentioned in the letter.

343

00:22:36,000 --> 00:22:38,000

John Wheaties.

344

00:22:39,000 --> 00:22:48,000

I learned that the John Wheaties rapist and suffocator, Alias of the Killer in the Breslin letter was not really an Alias at all but it was the name of a real person.

345

00:22:48,000 --> 00:22:52,000

That person was John Carr who was the real life son of Sam Carr.

346

00:22:52,000 --> 00:23:02,000

John Carr's nickname was Wheaties and I learned this within a day of the arrest and from then on I became deeper and deeper involved in the case trying to locate John Carr.

347

00:23:03,000 --> 00:23:09,000

This is the face of John Carr and these are the composite drawings of the 44 caliber killers.

348

00:23:10,000 --> 00:23:15,000

Mori Terry believes that there is a resemblance between these two and John Carr.

349

00:23:16,000 --> 00:23:23,000

Terry tracked John Carr to Minot North Dakota where he had worked as a mechanic at a local Air Force base.

350

00:23:24,000 --> 00:23:31,000

Though he lived in Minot during the mid-seventies, Carr frequently commuted to New York during the time of the son of Sam attacks.

351

00:23:32,000 --> 00:23:36,000

From my experience John Carr was a mixed up drug addict.

352

00:23:36,000 --> 00:23:41,000

He was hanging around with the group of people that were on the other side of the law all the time.

353

00:23:41,000 --> 00:23:49,000

John Carr many many months before Berkowitz was ever arrested had talked about his friend Berkey to his friends out in Minot North Dakota.

354

00:23:50,000 --> 00:23:57,000

John Carr was a friend of a confidant of and an associate of David Berkowitz.

355

00:23:58,000 --> 00:24:06,000

On February 17th, 1978, six months after Berkowitz's arrest, John Carr was found dead in his girlfriend's Minot apartment.

356

00:24:07,000 --> 00:24:15,000

When I first walked in the room it was a ghastly sight. Obviously the guy had set on the edge of the bed, put the gun in his mouth and pulled the trigger.

357

00:24:16,000 --> 00:24:22,000

My first interview with his live-in girlfriend at the time, she told me that he must have just taken his own life.

358

00:24:23,000 --> 00:24:28,000

The next day, same person, new interview, whole new story.

359

00:24:29,000 --> 00:24:35,000

John Carr had to have been murdered. He was wanted by the police in New York for the son of Sam killings.

360

00:24:36,000 --> 00:24:42,000

He was afraid for his life and I fully believe that John Carr was murdered.

361

00:24:44,000 --> 00:24:57,000

Through interviews with Carr's friends and the police officials in North Dakota, the picture emerged of John Carr being heavily involved in satanic cult activity, both in Minot North Dakota

and in Westchester County, New York.

362

00:24:58,000 --> 00:25:08,000

Where he spent part of his time. It involved blood drinking, urine drinking, the ritualistic sacrifice of animals, specifically German shepherds.

363

00:25:09,000 --> 00:25:14,000

All sorts of rather horrible activity that certain satanic cults get into.

364

00:25:15,000 --> 00:25:24,000

The satanic symbol found on the Breslin letter, directly under the signature of son of Sam, was also found inscribed on Carr's Minot phone book.

365

00:25:25,000 --> 00:25:30,000

One of Carr's Minot acquaintances was a man named Phil Falcon.

366

00:25:31,000 --> 00:25:36,000

Falcon accidentally walked in on John Carr and a companion performing a satanic ritual.

367

00:25:38,000 --> 00:25:47,000

Phil Falcon told us that he walked into his own house one night in North Dakota and found John Carr

and another friend of Carr as part of the circle.

368

00:25:47,000 --> 00:25:52,000

In the act of ritualistically sacrificing an animal right into Falcon's house.

369

00:25:57,000 --> 00:26:05,000

And Phil Falcon also told us that John Carr belonged to a very, very violent satanic cult.

370

00:26:06,000 --> 00:26:14,000

Prison sources who knew Berkowitz told Maury Terry that Berkowitz had been introduced to this cult by John Carr's brother, Michael, in 1975.

371

00:26:18,000 --> 00:26:23,000

Michael Carr ended up inviting Berkowitz to attend what he called a floating coven party.

372

00:26:24,000 --> 00:26:31,000

And Berkowitz came in and attended the party and symbolically, not literally, but symbolically, the 44 was put into his hand that night.

373

00:26:32,000 --> 00:26:35,000

That's how he got into the cult scene.

374

00:26:36,000 --> 00:26:44,000

At 4 a.m. on October 4th, 1979, over two years after Berkowitz's arrest, Michael Carr was killed.

375

00:26:44,000 --> 00:26:50,000

He was driving at a high rate of speed when he crashed into a light post on New York's West Side Highway.

376

00:26:52,000 --> 00:26:55,000

He died just 18 months after his brother.

377

00:26:59,000 --> 00:27:05,000

Conclusive proof that Berkowitz knew both John and Michael Carr came during two of his depositions.

378

00:27:06,000 --> 00:27:13,000

On October 25th, 1978, when asked Point Blank whether he knew John Carr, he answered, yes.

379

00:27:14,000 --> 00:27:21,000

In another deposition taken on January 19th, 1982, Berkowitz was asked if the Carrs were part of a satanic cult.

380

00:27:22,000 --> 00:27:24,000

He also answered, yes.

381

00:27:25,000 --> 00:27:32,000

When asked whether the brothers were killed to ensure their silence, Berkowitz again responded, yes.

382

00:27:33,000 --> 00:27:42,000

Maury Terry believes that the death of the Carrs may have been engineered by the, quote, 22 disciples of hell mentioned in the Breslin letter.

383

00:27:44,000 --> 00:27:52,000

He also believes this is a satanic group that held the rituals in Untermeyer Park located just one mile from Berkowitz's apartment.

384

00:27:54,000 --> 00:27:56,000

It's right up ahead, right there.

385

00:27:57,000 --> 00:28:06,000

On August 11th, 1977, the day after Berkowitz's arrest, two young boys led police to a grave that contained the bodies of three German shepherds.

386

00:28:08,000 --> 00:28:10,000

Two of them had been strangled with chains.

387

00:28:10,000 --> 00:28:12,000

One had been shot in the head.

388

00:28:13,000 --> 00:28:16,000

At least 10 other slaughtered dogs had been found in the park area.

389

00:28:18,000 --> 00:28:32,000

We received information that groups of people who attired themselves in black or dark colored robes with hoods were chanting, carrying on some types of rituals on the aqueduct.

390

00:28:32,000 --> 00:28:39,000

The rear of Untermeyer Park subsequently, authorities did find some remains of dogs.

391

00:28:40,000 --> 00:28:48,000

And the information that we had was that this group of people were sacrificing animals in a satanic ritual.

392

00:28:50,000 --> 00:29:01,000

I got a call from a young boy in Yonkers, 15-year-old high school sophomore, wanted to know if I knew that there was a satanic cult that was meeting in Untermeyer Park in Yonkers and killing dogs.

393

00:29:02,000 --> 00:29:10,000

And so I met him down there, which is just about a mile from Berkowitz's residence, and he took me around to various spots in Untermeyer Park.

394

00:29:11,000 --> 00:29:19,000

He showed me where the cult was meeting. We saw the satanic graffiti, very sophisticated graffiti at the time, and took me throughout the park.

395

00:29:20,000 --> 00:29:23,000

Over here on the other side of the wall, I had found three dead dogs.

396

00:29:24,000 --> 00:29:38,000

I saw the remains of probably two or three dead German shepherds right there at that time, and he took me along the aqueduct, literally the gutters of NYC from the Breslin letter, and showed me where they had set up an altar.

397

00:29:39,000 --> 00:29:44,000

They had placed the altar board right over here in between the trees.

398

00:29:44,000 --> 00:29:54,000

And now we had the cult and we knew where it was meeting, and we could tie it right to the son of Sam Case and the son of Sam Letter. It was a very significant development in the case.

399

00:29:55,000 --> 00:30:10,000

You'd like to see your cases resolved with a conviction or an acquittal or no case or whatever, but it's when you have these constant doubts, who else was involved? Were there others involved and to what extent? Will they do it again?

400

00:30:10,000 --> 00:30:27,000

You see, that becomes the overriding concern. If there is someone out there who was involved in the Berkowitz cases, in the killing of a number of people and the wounding of a number of people, and that person is bent on doing the same thing again, then the public's in jeopardy.

401

00:30:28,000 --> 00:30:31,000

And so certainly I would like to have that solved and get that person out of the way.

402

00:30:32,000 --> 00:30:44,000

Count activity has continued around Undermire Park since the son of Sam Killings. While we were filming, two local residents told us he had witnessed a satanic ceremony in 1987.

403

00:30:45,000 --> 00:31:01,000

About a year and a half ago, me and my cousin were watching TV and we saw a car headlights go by on

the Aqueduct path. When my cousin took a flashlight and I took on a baseball bat and walked up through my yard onto the Aqueduct path, there must have been about 15 to 30 people.

404

00:31:02,000 --> 00:31:08,000

And it was one guy, and he must have been like the head chanter or something, because he was as chanting aloud as over the other people.

405

00:31:09,000 --> 00:31:15,000

We just froze. We didn't know what to do because we'd never encountered something like this before.

406

00:31:18,000 --> 00:31:22,000

We both decided just to get out of there. We didn't want to get seen because you don't know what people like that'll do.

407

00:31:23,000 --> 00:31:48,000

But I think it would serve the public interest for us to know if in fact a cult does exist, if in fact they engage in satanic activities, if in fact sacrifice is part of that activity, if in fact human life is the sacrificial aspect of that activity and how it's impacting upon life in our respective communities.

408

00:31:49,000 --> 00:32:06,000

The Queens District Attorney would like to question the individuals that match these composites. They would also like to locate the yellow 1971 Volkswagen. Notice that the scene of one of the Son of Sam attacks. Its license ends with the letters G-U-R or G-V-R.

409

00:32:07,000 --> 00:32:23,000

If Mori Terry is correct, the satanic group responsible for the Son of Sam attacks is still alive, still meeting, and still recruiting new members. If this last claim is true, certainly that is a most disturbing thought of all.

410

00:32:24,000 --> 00:32:33,000

Next, the story of a Mississippi millionaire desperately searching for his kidnapped wife. The ransom money has been paid, and Annie Laurie Herron is still missing.

411

00:32:36,000 --> 00:33:05,000

In this house in Jackson, Mississippi, lives 71-year-old Robert Herron, one of the wealthiest men in the state. His wife, Annie Laurie Herron, is 72. A devoted wife and mother, she's well-beloved and extremely active in the social and civic life of Jackson. On July the 26th, Annie Laurie Herron was kidnapped.

412

00:33:07,000 --> 00:33:20,000

12 days later, Robert Herron called a press conference at his home. The kidnapping was linked to one of Herron's businesses, and he wanted to make a personal plea to the kidnapper.

413

00:33:21,000 --> 00:33:33,000

My name is Robert Herron. My wife, Annie Laurie, was taken from my home over 10 days ago. My children and I have done everything humanly possible to obtain her release.

414

00:33:34,000 --> 00:33:53,000

Like any businessman, I've made decisions which may appear to others as unfeeling, but those appearances are just not true. Moreover, those business decisions were mine, not my wife. She had absolutely nothing to do with it.

415

00:33:54,000 --> 00:34:03,000

My children and I appeal, to whomever has my wife, that they may say that she may be safely returned to us. Thank you.

416

00:34:05,000 --> 00:34:18,000

I think about my mom all the time, and I'm sure my daddy does too. There's no real way to quantify what is how enormous a tragedy and ordeal this has been to him and to the rest of the family.

417

00:34:19,000 --> 00:34:32,000

Annie Laurie Herron's kidnapping was unusual. Rather than simply insisting on money for himself, the kidnapper left a note naming 12 people whom he felt were owed money by one of Robert Herron's companies and should be paid back.

418

00:34:33,000 --> 00:34:42,000

It is Robert Herron's desperate hope that someone watching tonight will come forward with information that will lead him to the woman he loves, the woman he married 48 years ago.

419

00:34:43,000 --> 00:34:54,000

When Robert Herron came home from work on the afternoon of July the 26th, he was alarmed to find that his wife was not in the house.

420

00:34:54,000 --> 00:35:01,000

After checking with friends and family, he called the police to report her missing.

421

00:35:01,000 --> 00:35:04,000

I'll wait right here for you officer. Thank you.

422

00:35:04,000 --> 00:35:14,000

Then Mr. Herron made an alarming discovery. A note apparently left by a kidnapper, laid by his front door.

423

00:35:15,000 --> 00:35:23,000

The note said, do not call the police. However, Mr. Herring had notified the police prior to the note being discovered.

424

00:35:24,000 --> 00:35:35,000

Responding to Mr. Herron's missing persons report, police arrived at the scene and found that it was now a kidnapping connected in some way to Robert Herron's business dealings.

425

00:35:35,000 --> 00:35:37,000

John, you need to take a look at this.

426

00:35:40,000 --> 00:35:46,000

Robert Herron put these people back in the shape they was in before they got mixed up with school pictures.

427

00:35:47,000 --> 00:36:02,000

The demands in the note were very vague and made several demands of Mr. Herron, concerning certain individuals listed on the note who were allegedly harmed by a company of which Mr. Herron was president.

428

00:36:04,000 --> 00:36:13,000

Herron had been president of school pictures, a company that sells franchises to photographers throughout the United States to produce portraits of school children.

429

00:36:14,000 --> 00:36:26,000

Between 1981 and 1983, in an effort to collect outstanding debts, school pictures filed lawsuits against 12 franchise owners in eight states, including Florida.

430

00:36:29,000 --> 00:36:36,000

On the day of Annie Laurie Herron's kidnapping, neighbors had reported seeing vehicles that seemed out of place in the neighborhood.

431

00:36:37,000 --> 00:36:51,000

We had calls from various people that there had been two particular vehicles that had been seen in

that neighborhood, one of which was a pickup truck and the other was a white cargo van.

432

00:36:52,000 --> 00:36:55,000

The cargo van had a Florida plate on it.

433

00:36:56,000 --> 00:37:05,000

Police discovered that the 12 people on the kidnapers list were the same 12 sued by school pictures.

434

00:37:06,000 --> 00:37:12,000

They resided in eight different states, but they were all sued through the Highlands County Court in Jackson, Mississippi.

435

00:37:13,000 --> 00:37:17,000

Their names are easily available to the general public and county court records.

436

00:37:18,000 --> 00:37:22,000

This means that the kidnapper need not have been one of the 12 people on the note.

437

00:37:23,000 --> 00:37:28,000

It's possible that these 12 people had absolutely nothing to do with this abduction.

438

00:37:29,000 --> 00:37:37,000

However, you can't rule out the fact that maybe somebody, especially that had the knowledge of school pictures and its operation, could have been involved with it.

439

00:37:39,000 --> 00:37:44,000

No specific ransom demand was contained in the letter.

440

00:37:44,000 --> 00:37:49,000

We assumed it was a ransom note and we wanted to comply.

441

00:37:50,000 --> 00:37:52,000

We wanted to do everything we could to get mother back.

442

00:37:53,000 --> 00:37:57,000

School pictures was requested to look into their files on these 12 people.

443

00:37:58,000 --> 00:38:09,000

The transactions were reviewed and letters were of course sent out to these 12 people trying to determine what damages that they had.

444

00:38:10,000 --> 00:38:11,000

What did they want?

445

00:38:11,000 --> 00:38:19,000

At that point, we didn't get a response except from several of them saying we don't want anything.

446

00:38:21,000 --> 00:38:24,000

Eight days after his press conference, Robert Herron received a letter.

447

00:38:25,000 --> 00:38:30,000

He recognized the handwriting. It belonged to his wife, Annie Laurie.

448

00:38:32,000 --> 00:38:39,000

We had hit a very low ebb prior to August 15th and that was the day that we received a letter in mother's handwriting.

449

00:38:40,000 --> 00:38:48,000

It basically pled with daddy again to comply with the demands and to please save her.

450

00:38:51,000 --> 00:38:56,000

This gave us quite an emotional lift because it meant that mother apparently had survived the initial struggle.

451

00:38:57,000 --> 00:38:59,000

But it still was extremely vague as to what we were to do.

452

00:39:00,000 --> 00:39:08,000

At that point, daddy, in order to do something to show our good faith effort to comply with these vague demands,

453

00:39:09,000 --> 00:39:17,000

instructed his attorneys to check these rolls and find out how much school pictures had sued these 12 individuals for.

454

00:39:19,000 --> 00:39:24,000

Robert Herron Sr. sent out checks totaling nearly one million dollars to the people on the list.

455

00:39:25,000 --> 00:39:27,000

Half of the checks have been returned.

456

00:39:30,000 --> 00:39:34,000

More than four months have passed since Annie Laurie Herron was abducted from her home.

457

00:39:35,000 --> 00:39:42,000

Neither her family nor the authorities has had word from her or the kidnapper since the letter they received on August the 15th.

458

00:39:44,000 --> 00:39:51,000

It's been our sincere desire from the very beginning, from the moment of the kidnapping, that we do everything possible to comply with these demands.

459

00:39:52,000 --> 00:39:53,000

We want mother back.

460

00:39:54,000 --> 00:39:58,000

It's not our intention to question the motive of these people at this point.

461

00:39:59,000 --> 00:40:02,000

Whatever they want, we want to give it to them so we can get mother back.

462

00:40:03,000 --> 00:40:04,000

That is our very paramount concern.

463

00:40:09,000 --> 00:40:18,000

Update. Last month, Newton-Alfred Wynn, 65-year-old lawyer, was arrested by the FBI in Florida on charges relating to the abduction of Annie Laurie Herron.

464

00:40:19,000 --> 00:40:23,000

Wynn was one of the 12 men named in the ransom note left at the Herron home.

465

00:40:24,000 --> 00:40:31,000

Also less than one month before the kidnapping, he allegedly purchased a van which matched the description of the vehicle seen in the Herron neighborhood.

466

00:40:33,000 --> 00:40:39,000

The woman told the FBI that Wynn had promised her \$500 of travel from Florida to Atlanta, Georgia, and mail a letter for him.

467

00:40:40,000 --> 00:40:44,000

Just 16 days after Annie Laurie Herron was kidnapped, he handed her a Manila envelope.

468

00:40:45,000 --> 00:40:48,000

Inside was the letter, wrapped in a gray linen napkin.

469

00:40:49,000 --> 00:40:57,000

Wynn instructed her not to look at or touch the letter, but to deposit the letter in a mail slot she had to ease the napkin off, and she was able to observe the writing on the envelope.

470

00:40:58,000 --> 00:41:05,000

Later, she identified a photograph of the envelope Robert Herron had received from his wife as a one she had mailed in Atlanta.

471

00:41:14,000 --> 00:41:19,000

Wynn was a man of her own, and the woman was a woman of her own.

472

00:41:20,000 --> 00:41:22,000

The man was a woman of her own.

473

00:41:23,000 --> 00:41:25,000

The woman was a woman of her own.

474

00:41:26,000 --> 00:41:28,000
