

1

00:00:00,000 --> 00:00:09,460

This program is about unsolved mysteries. Whenever possible, the actual family members

2

00:00:09,460 --> 00:00:13,540

and police officials have participated in recreating the events. What you are about

3

00:00:13,540 --> 00:00:15,940

to see is not a news broadcast.

4

00:00:15,940 --> 00:00:23,500

1970, across the country, student protests escalated into campus violence. One small

5

00:00:23,500 --> 00:00:29,380

group turned to bank robbery and murdered to finance their vision of the revolution.

6

00:00:29,380 --> 00:00:34,180

In March of 1950, in the town of Beatrice, Nebraska, an explosion blew apart a small

7

00:00:34,180 --> 00:00:39,500

church. Twelve devoted choir members were spared from certain death by an amazing chain

8

00:00:39,500 --> 00:00:45,980

of events which today remain an unsolved mystery. On a lonely back road in Tennessee, three

9

00:00:45,980 --> 00:00:50,720

men out for a joyride drove straight into a nightmare. They were blown apart by multiple

10

00:00:50,720 --> 00:00:52,220

shotgun blasts.

11

00:00:52,220 --> 00:00:56,900

We'll also bring you the intriguing story of a 20-year-old girl who was plagued by a

12

00:00:56,900 --> 00:01:02,180

series of bizarre and troubling dreams, and some believe foretold her ultimate fate.

13

00:01:02,180 --> 00:01:06,620

One year later, Cindy Anderson disappeared. She has never been seen again.

14

00:01:56,900 --> 00:02:09,900

In 1980, 20-year-old Cindy Anderson was plagued by a series of vivid dreams.

15

00:02:09,900 --> 00:02:22,900

In one episode, Cindy recognized the man at the door and let him in. Then in the nightmare,

16

00:02:22,900 --> 00:02:43,820

her trust was betrayed. Cindy became increasingly tormented by these bizarre dreams.

17

00:02:43,820 --> 00:02:48,860

One morning while I was getting ready for work, I overheard Cindy talking to my mother.

18

00:02:48,860 --> 00:02:49,860

What's wrong?

19

00:02:49,860 --> 00:02:53,380

Mom, I had a dream last night. Tell me about it.

20

00:02:53,380 --> 00:02:57,980

There was this man, and I kept trying to get away, and he kept chasing me and coming after

21

00:02:57,980 --> 00:02:58,980

me.

22

00:02:58,980 --> 00:02:59,980

Cindy, it was only a dream.

23

00:02:59,980 --> 00:03:02,020

No, Mom, but he murdered me.

24

00:03:02,020 --> 00:03:08,380

I do believe that the dreams could have been a premonition of fears that Cindy actually

25

00:03:08,380 --> 00:03:12,820

had in her subconscious at the time.

26

00:03:12,820 --> 00:03:19,820

The nightmares lasted for a year. Then on August 4, 1981, Cindy Anderson went to work as usual.

27

00:03:20,780 --> 00:03:26,900

She was employed as a legal secretary, and in the mornings usually manned the office alone.

28

00:03:26,900 --> 00:03:32,780

She kept the door locked at all times. A buzzer had even been installed at her desk so that

29

00:03:32,780 --> 00:03:38,140

if trouble did arise, she could alert the shop next door.

30

00:03:38,140 --> 00:03:46,300

At noon, Jim Rabbit and Jay Felsteen, two of the lawyers, arrived back at their office.

31

00:03:46,300 --> 00:03:53,300

Jay and I came back from downtown, went up to the door, and the lights were on. The door

32

00:03:53,300 --> 00:04:00,300

was locked. We unlocked the door, went inside, yelled for Cindy, and there was no answer.

33

00:04:00,300 --> 00:04:01,300

Put it aside, Mr.

34

00:04:01,300 --> 00:04:02,300

Hey, Cindy!

35

00:04:02,300 --> 00:04:07,780

I started to look around out front. Cindy, once she would leave, would place the phones

36

00:04:07,780 --> 00:04:10,780

on hold, and that wasn't done either.

37

00:04:10,780 --> 00:04:11,780

Hey, Jim.

38

00:04:11,780 --> 00:04:18,780

Come back here and take a look at this.

39

00:04:23,780 --> 00:04:27,780

Take a look at this for a second. Look what that page was turned to.

40

00:04:27,780 --> 00:04:32,780

The lawyers discovered that Cindy had left her romance novel open at the only violence

41

00:04:32,780 --> 00:04:37,780

scene in the entire book, where the heroine is abducted at knife point.

42

00:04:37,780 --> 00:04:39,780

Perhaps we should call somebody?

43

00:04:39,780 --> 00:04:45,780

It wasn't until really looking at the book, particularly reading the passage in the novel,

44

00:04:45,780 --> 00:04:50,780

I just had a sickening feeling that something was wrong.

45

00:04:50,780 --> 00:04:56,780

Cindy was never heard from or seen again. There was no body, no farewell letter, no

46

00:04:56,780 --> 00:05:02,780

hint where she had gone or why. Were Cindy's dreams premonitions of a terrible fate, or

47

00:05:02,780 --> 00:05:07,780

were they just coincidences? For eight years, this extraordinary case has baffled the police

48

00:05:07,780 --> 00:05:12,780

and Cindy's friends and family. Was this young girl abducted and murdered? Could Cindy be

49

00:05:12,780 --> 00:05:19,780

alive somewhere, suffering from amnesia? Or did she simply run away to start a new life?

50

00:05:21,780 --> 00:05:26,780

Cindy Anderson was raised in a strict religious environment. Her family, her boyfriend, and

51

00:05:26,780 --> 00:05:31,780

most of her inner social circle were all devout Christian fundamentalists.

52

00:05:31,780 --> 00:05:38,780

She was a very quiet, obedient type of a girl. She never made waves with either myself or

53

00:05:38,780 --> 00:05:46,780

her mother. And she had lots of friends. She was the type of daughter that you just enjoy.

54

00:05:46,780 --> 00:05:51,780

I mean, the type of daughter that, you know, just a beautiful young girl.

55

00:05:51,780 --> 00:05:57,780

At the time of Cindy's disappearance, there were no circumstances in her life that any

56

00:05:57,780 --> 00:06:02,780

of us were aware of that would have caused her to have run away. She was looking forward

57

00:06:02,780 --> 00:06:08,780

to quitting her job in two weeks and going to a Bible college where she would attend with

58

00:06:08,780 --> 00:06:13,780

her boyfriend. She was very excited about it.

59

00:06:13,780 --> 00:06:19,780

Just before she disappeared, however, she was becoming like a debutante. She was spending

60

00:06:19,780 --> 00:06:24,780

a lot of time on her face and herself, and she'd skip breakfast for this reason. She

61

00:06:24,780 --> 00:06:28,780

spent more time on herself than she did on her stomach, and that may be part of the

62

00:06:28,780 --> 00:06:31,780

reason of part of the problem.

63

00:06:31,780 --> 00:06:38,780

The day Cindy vanished, the police immediately began a search for clues. They could not find

64

00:06:38,780 --> 00:06:45,780

Cindy's car keys and purse. The office was undisturbed. There were no signs of a struggle.

65

00:06:45,780 --> 00:06:53,780

Her car was parked in front of the law office. Her bank account, which had a nice substantial

66

00:06:53,780 --> 00:07:00,780

amount of money, was never touched. Her social security numbers has never shown up under any

67

00:07:00,780 --> 00:07:09,780

other workplace. It's a complete mystery how and why Cindy disappeared.

68

00:07:09,780 --> 00:07:16,780

Ten months earlier, Cindy noticed an odd coincidence. On the parking lot wall across from her office,

69

00:07:16,780 --> 00:07:23,780

someone had painted the words, I love you Cindy, by GW.

70

00:07:23,780 --> 00:07:28,780

There are lots of Cindy's in the world, but I think from the very beginning she wondered,

71

00:07:28,780 --> 00:07:35,780

it was so largely printed and so visible to her, it was just very eerie, and it was the only

72

00:07:35,780 --> 00:07:37,780

graffiti on the wall.

73

00:07:37,780 --> 00:07:41,780

There was no other woman named Cindy working in that side of the strip mall that it could

74

00:07:41,780 --> 00:07:48,780

have been for, so it was strategically placed and it really gave us the pvgs.

75

00:07:48,780 --> 00:07:54,780

The spray-painted sign was visible for about six months, then it was covered up.

76

00:07:54,780 --> 00:08:08,780

Within weeks, the same message reappeared. This time it was even larger.

77

00:08:08,780 --> 00:08:15,780

Cindy tried to figure out who GW could have been, and we couldn't think of anyone at school,

78

00:08:15,780 --> 00:08:22,780

at church, in our group of friends, at home, in the neighborhood, so it did bother us a lot.

79

00:08:22,780 --> 00:08:35,780

We attempted to locate people that Cindy would know with those initials.

80

00:08:35,780 --> 00:08:43,780

Among the people that were investigated with the initials of GW was the maintenance man

81

00:08:43,780 --> 00:08:54,780

who had worked for the law firm for some time. He had keys to both doors, in fact he had keys to all the offices.

82

00:08:54,780 --> 00:09:02,780

The police did not find any evidence that the maintenance man wrote the graffiti and are still puzzled by the message.

83

00:09:02,780 --> 00:09:09,780

The day before Cindy and Anderson disappeared, I had been in the law offices to pay off a legal fee.

84

00:09:09,780 --> 00:09:11,780

She got a phone call.

85

00:09:11,780 --> 00:09:12,780

Law offices?

86

00:09:12,780 --> 00:09:17,780

She kind of reacted like maybe it was obscene or something because she hung up real quick.

87

00:09:17,780 --> 00:09:18,780

It was \$30.

88

00:09:18,780 --> 00:09:19,780

Okay.

89

00:09:19,780 --> 00:09:26,780

And she got another phone call and the look on her face still, I can picture it today, she was scared.

90

00:09:26,780 --> 00:09:29,780

She was honestly, sincerely scared.

91

00:09:29,780 --> 00:09:31,780

She shivers to think of the look on her face.

92

00:09:31,780 --> 00:09:33,780

So I'm going to problem?

93

00:09:33,780 --> 00:09:35,780

No, it's just been happening lately.

94

00:09:35,780 --> 00:09:36,780

You sure?

95

00:09:36,780 --> 00:09:37,780

Yeah, it's okay.

96

00:09:37,780 --> 00:09:39,780

Okay, well here you go.

97

00:09:39,780 --> 00:09:41,780

I'll call him later to see how things are going.

98

00:09:41,780 --> 00:09:42,780

Great.

99

00:09:42,780 --> 00:09:43,780

Thank you.

100

00:09:43,780 --> 00:09:44,780

Bye bye.

101

00:09:44,780 --> 00:09:48,780

I went home and I called the police department and asked them to do a drive by and check on her.

102

00:09:48,780 --> 00:09:54,780

Something scared the hell out of her, in my opinion.

103

00:09:54,780 --> 00:10:02,780

In September 1981, a month after Cindy vanished, another strange phone call gave police their first concrete lead.

104

00:10:02,780 --> 00:10:04,780

I'll call you later.

105

00:10:04,780 --> 00:10:06,780

I'm going to Cindy and Anderson case.

106

00:10:06,780 --> 00:10:07,780

Who is this?

107

00:10:07,780 --> 00:10:10,780

No, I can't give you my name.

108

00:10:10,780 --> 00:10:12,780

She said that she was scared.

109

00:10:12,780 --> 00:10:14,780

She was talking in low whispers.

110

00:10:14,780 --> 00:10:17,780

All I know is I was told she was being held in a basement in a white house.

111

00:10:17,780 --> 00:10:19,780

Can't you give me the address?

112

00:10:19,780 --> 00:10:20,780

No, no, no, I can't.

113

00:10:20,780 --> 00:10:23,780

She kept saying that she had to go.

114

00:10:24,780 --> 00:10:32,780

I kept begging her to stay on the line, give me more information, give me an exact address, something that we could act on.

115

00:10:32,780 --> 00:10:34,780

I've got to go.

116

00:10:37,780 --> 00:10:40,780

A short while later, she again called.

117

00:10:40,780 --> 00:10:41,780

You take your badm.

118

00:10:41,780 --> 00:10:43,780

Calling again about the Cindy or Anderson case.

119

00:10:43,780 --> 00:10:45,780

I'm glad you called back, ma'am.

120

00:10:45,780 --> 00:10:49,780

Adam signals Sergeant Mahalov to pick up the extension.

121

00:10:49,780 --> 00:10:53,780

But as soon as he came on the line, the woman abruptly hung up again.

122

00:10:53,780 --> 00:10:56,780

She's called twice now and she hangs up the whole time.

123

00:10:56,780 --> 00:11:07,780

The lady mentioned that there was two houses side by side owned by the same family and that the family was out of town.

124

00:11:07,780 --> 00:11:13,780

But their son was home and he was the party that was holding Cindy in the basement.

125

00:11:14,780 --> 00:11:22,780

We did check street after street in the north end to see if we could find the two houses side by side.

126

00:11:22,780 --> 00:11:28,780

There's so many that you can't get a positive location for the house.

127

00:11:29,780 --> 00:11:36,780

If she is watching, I would like her to call us again.

128

00:11:36,780 --> 00:11:42,780

I appeal to her to call for any further information that she might have.

129

00:11:42,780 --> 00:11:45,780

My hope is that my daughter is alive and well.

130

00:11:45,780 --> 00:11:46,780

I'm living a normal life.

131

00:11:46,780 --> 00:11:48,780

Perhaps with loss of memory.

132

00:11:48,780 --> 00:11:53,780

If she herself is out there, we want her to know that we love her and we certainly want her to come back.

133

00:11:53,780 --> 00:11:56,780

Whatever the case may be, the door is open.

134

00:11:56,780 --> 00:12:01,780

We certainly want anybody and everybody that can possibly help in this situation to do so.

135

00:12:03,780 --> 00:12:08,780

Cynthia Anderson has been missing from the Toledo, Ohio area since August of 1981.

136

00:12:08,780 --> 00:12:12,780

If she is still alive, she would be 28 years old today.

137

00:12:12,780 --> 00:12:15,780

These computers show what she might look like now.

138

00:12:15,780 --> 00:12:20,780

She's five feet four inches tall with brown hair and brown eyes.

139

00:12:39,780 --> 00:12:45,780

Paul's and my viewers continue to help authorities track down wanted fugitives.

140

00:12:45,780 --> 00:12:51,780

Recently, your tips led to the arrest of an escaped felon wanted by the Illinois State Police.

141

00:12:51,780 --> 00:12:59,780

In November, we featured a story about a family of fortune tellers who have allegedly conned their clients out of millions of dollars.

142

00:12:59,780 --> 00:13:06,780

Fifty-three-year-old Lena Marie Wilson, her 26-year-old daughter Ann Coricelli and their accomplice, 39-year-old Joe Marks,

143

00:13:06,780 --> 00:13:10,780

were all wanted by authorities on charges stemming from a fortune telling scheme

144

00:13:10,780 --> 00:13:14,780

operated by Wilson and Coricelli in Peoria, Illinois.

145

00:13:17,780 --> 00:13:20,780

Update! Joe Marks has been captured.

146

00:13:20,780 --> 00:13:27,780

Within minutes of our broadcast, the Springfield, Missouri Police Department received a call from a viewer who recognized Joe Marks.

147

00:13:27,780 --> 00:13:32,780

On November 20, Green County, Missouri shares deputies arrested Marks at his parents' home

148

00:13:32,780 --> 00:13:35,780

as his mother was operating a palm reading business.

149

00:13:57,780 --> 00:14:02,780

Music plays

150

00:14:11,780 --> 00:14:16,780

On February 22, 1950, the West End Baptist Church, Beatrice, Nebraska,

151

00:14:16,780 --> 00:14:23,780

between the years of 1920 and 1950, fire director Martha Paul ruled the roost every Wednesday night.

152

00:14:24,780 --> 00:14:31,780

She demanded punctuality. If he wanted to sing in her choir, who showed up no later than 7.25 p.m.,

153

00:14:31,780 --> 00:14:35,780

all the members of Martha's Choir told the line.

154

00:14:35,780 --> 00:14:40,780

On Wednesday evening, mother expected all of us to be punctual.

155

00:14:40,780 --> 00:14:45,780

No one was ever really late. There might have been very, very few circumstances,

156

00:14:45,780 --> 00:14:48,780

but most often everyone was there all the time.

157

00:14:48,780 --> 00:14:51,780

I really can't think of a time that anyone came late.

158

00:14:51,780 --> 00:14:56,780

Music plays

159

00:14:58,780 --> 00:15:02,780

Very nice. See you Sunday and next week at 7.15 p.m.

160

00:15:02,780 --> 00:15:07,780

Though no one knew it, that night would be the last choir rehearsal in the West End Church.

161

00:15:10,780 --> 00:15:15,780

One week later, the members of the choir became part of a baffling, unsolved mystery.

162

00:15:15,780 --> 00:15:20,780

Some call it a strange coincidence, but others believe it was something more.

163

00:15:20,780 --> 00:15:26,780

On March 1st, at exactly 7.27 p.m., tragedy struck the West End Baptist Church.

164

00:15:26,780 --> 00:15:32,780

But despite years of unfailing punctuality, this Wednesday night was different.

165

00:15:32,780 --> 00:15:36,780

The afternoon of March 1st turned bitter cold.

166

00:15:36,780 --> 00:15:41,780

The churches passed to Reverend Walter Clemples, stopped by the church at 4.30 to light the furnace,

167

00:15:41,780 --> 00:15:45,780

so the church would be warm in time for that evening's choir practice.

168

00:15:46,780 --> 00:15:52,780

Reverend Cemple and his wife always brought their 18-month-old daughter with them to choir practice.

169

00:15:52,780 --> 00:15:57,780

But that night, the baby stained her dress, and Mrs. Cemple had to iron another one.

170

00:15:57,780 --> 00:16:01,780

It was 7.15, and they were running late.

171

00:16:01,780 --> 00:16:06,780

At the same time, Martha Paul's teenage daughter, Marilyn, was sound asleep.

172

00:16:06,780 --> 00:16:09,780

Marilyn was a choir's accompanist.

173

00:16:09,780 --> 00:16:12,780

We've got time. There's lots of time. She's had a tough day.

174

00:16:12,780 --> 00:16:20,780

I was very tired, and I wanted to rest for a very short period of time before going to the church to practice.

175

00:16:20,780 --> 00:16:29,780

So I decided that maybe a little 15-minute nap wouldn't hurt, and it ended up being a little bit longer, probably about a half an hour.

176

00:16:29,780 --> 00:16:36,780

A few blocks away, Herbert Kipf, who sang bass in a choir, was preoccupied working on church business.

177

00:16:36,780 --> 00:16:38,780

I know. I just need to finish this by tonight.

178

00:16:38,780 --> 00:16:46,780

That night, I was writing a letter to our denomination at Hidden Quarter, and it seemed very important for me to get it into the mail that evening.

179

00:16:46,780 --> 00:16:53,780

Back to the matter is, my mother was hounding me to get going because the time was late already,

180

00:16:53,780 --> 00:16:59,780

but I felt it was more important to get it in the mail and drop it on the way to church.

181

00:16:59,780 --> 00:17:06,780

18-year-old Lucille Jones, who sang out, let herself get hooked on a radio program that night.

182

00:17:07,780 --> 00:17:10,780

I turned on the radio to listen to, This is Your Life.

183

00:17:10,780 --> 00:17:16,780

So I just sat down and listened, and I thought, well, I'd have time to make it up there on time.

184

00:17:16,780 --> 00:17:25,780

I don't know why I turned it on that night, but I turned it on, and they said this was going to be Edgar Bergen's life, and I just decided I was going to listen to it.

185

00:17:25,780 --> 00:17:31,780

Lucille was also responsible for picking up another choir member, but tonight she didn't care.

186

00:17:31,780 --> 00:17:34,780

Edgar Bergen was worth being late for.

187

00:17:36,780 --> 00:17:43,780

At 7.23, Madonna Vandedriff, the 15-year-old soprano in the choir, was struggling with a geometry equation.

188

00:17:43,780 --> 00:17:51,780

She was determined to find the solution before she left for rehearsal, but the problem was difficult, and Madonna was running late.

189

00:17:53,780 --> 00:17:57,780

Two miles away, Marina Estes couldn't get her car started.

190

00:17:57,780 --> 00:18:01,780

She, too, was supposed to pick up another choir member, so they were both late.

191

00:18:02,780 --> 00:18:11,780

Joyce Black, who lived across the street from the church, was ready for choir practice, but just couldn't seem to get moving.

192

00:18:11,780 --> 00:18:22,780

I was late because I was just plain lazy, and I just didn't want to get out in the cold, and so I kept putting off going out the door.

193

00:18:22,780 --> 00:18:32,780

At last, I couldn't put it off any longer, so I put my coat on, and when I opened up the door and stepped out, our church just disintegrated.

194

00:18:37,780 --> 00:18:39,780

All over town, the lights went out.

195

00:18:53,780 --> 00:18:58,780

What really impressed me was our sheet music and our songbooks.

196

00:18:58,780 --> 00:19:03,780

Flying through the air, we had a lot of those things. It was really something to see.

197

00:19:04,780 --> 00:19:11,780

A real nice choir book fell right near me, and it was in pretty good condition, so I picked it up.

198

00:19:11,780 --> 00:19:15,780

I didn't think anybody cared, because I wanted to keep it.

199

00:19:16,780 --> 00:19:23,780

Minutes after the explosion, choir members began to arrive, each one thinking that the others had perished.

200

00:19:26,780 --> 00:19:29,780

Quietly, choir members searched the level for survivors.

201

00:19:32,780 --> 00:19:38,780

One by one, all of them struggled in. Each were too turistly lame for his or her own reason.

202

00:19:39,780 --> 00:19:49,780

When we found out that everyone was safe and that no one was in the explosion, we were standing there holding each other's hands,

203

00:19:49,780 --> 00:19:59,780

and one of the members said, let's give thanks to God, and we offered a prayer, a thanksgiving, that we were indeed spared, and that no one lost their life in this explosion.

204

00:19:59,780 --> 00:20:03,780

Thank you for keeping us all together.

205

00:20:03,780 --> 00:20:12,780

If this had been a busload of people stopped by a flat tire or any such occurrence, it might be considered a coincidence,

206

00:20:12,780 --> 00:20:27,780

but where you have 10, 12, 15 people scattered throughout the entire city, and each of them, detained by some trivial little thing, each different thing, it can't be.

207

00:20:27,780 --> 00:20:33,780

When I realized what had happened, I thought, well, if I wouldn't have been listening to this as your life, my life would have been over.

208

00:20:33,780 --> 00:20:43,780

I believe that night, and no one will convince me otherwise that God didn't want us there. We were spared, and I'm very grateful.

209

00:20:45,780 --> 00:20:49,780

It turned out that the explosion was caused by a gas leak from an underground pipeline.

210

00:20:50,780 --> 00:20:58,780

Today, residents of Beatrice, Nebraska still wonder about the unexplained events that kept each and every choir member safely away from the church.

211

00:20:58,780 --> 00:21:05,780

To some, it was simply a remarkable coincidence, but others believe it was a careful design of greater power.

212

00:21:19,780 --> 00:21:21,780

Everybody, this is the hold up!

213

00:21:23,780 --> 00:21:30,780

September 23, 1970. Three criminals robbed the State Street Bank and Brighton, Massachusetts at gunpoint.

214

00:21:32,780 --> 00:21:40,780

Two other gang members waited outside in cars. A well-organized heist netted over \$26,000.

215

00:21:41,780 --> 00:21:45,780

As police arrived at the scene, a Boston patrolman was shot.

216

00:21:49,780 --> 00:21:54,780

The next day, he died. The search for the thieves now became a murder investigation.

217

00:21:58,780 --> 00:22:08,780

What was unusual about this professionally staged crime was the two of the felons were Kathy Power and Susan Sacks, college students at prestigious Brandeis University.

218

00:22:09,780 --> 00:22:15,780

Kathy Power, the driver of the getaway car, is still wanted by the FBI for murder.

219

00:22:16,780 --> 00:22:25,780

Kathy Power's involvement with robbery was symptomatic of the troubled and turbulent 1960s, when radical students erupted in a rash of violent demonstrations.

220

00:22:25,780 --> 00:22:32,780

Her commitment to the politics of protest eventually thruster into a world of mayhem and murder.

221

00:22:32,780 --> 00:22:50,780

Two decades ago, the thrown out conflict yet now triggered a stronger political awareness throughout America.

222

00:22:50,780 --> 00:22:58,780

As the government was pushed unwillingly towards an end to the war, demonstrations in cities fueled the fires of social change.

223

00:23:02,780 --> 00:23:18,780

As Kathy Power entered college in 1967, the mood became increasingly confrontational.

224

00:23:19,780 --> 00:23:22,780

Some peaceful demonstrations became bloody riots.

225

00:23:23,780 --> 00:23:25,780

Student activists became zealous radicals.

226

00:23:26,780 --> 00:23:29,780

Splinter groups and merriesties about aim was to overthrow the government.

227

00:23:30,780 --> 00:23:33,780

The Financed Red Revolution turned to crime.

228

00:23:33,780 --> 00:23:57,780

There was a loose but effective network of underground groups that were responsible for numerous robberies, numerous thefts of weapons, and funneling this money and material through an underground system to some of the more radical, more violent groups that existed in those days.

229

00:23:58,780 --> 00:24:07,780

The groups that were the most violent were the Black Panthers, the Weather Underground group, and groups of that same.

230

00:24:07,780 --> 00:24:18,780

The group that Kathy Power and Susan Sacks belonged to didn't carry any particular name, but nonetheless was very violent and involved in numerous violent activities.

231

00:24:19,780 --> 00:24:30,780

By 1970, Catherine Ann Power was a 21-year-old college senior who became swept up in the maelstrom of radical underground politics.

232

00:24:31,780 --> 00:24:40,780

A straight A student named outstanding teenager of Colorado, Kathy won a full scholarship to exclusive Brandeis University in Waltham, Massachusetts.

233

00:24:41,780 --> 00:24:46,780

Kathy majored in sociology and made the dean's list every year.

234

00:24:47,780 --> 00:24:50,780

But like many students, Kathy wanted to change the world.

235

00:24:56,780 --> 00:25:03,780

Kathy was an active member of the National Strike Information Center, a clearinghouse for student protest across the country.

236

00:25:03,780 --> 00:25:08,780

How many people are you expecting again? How many of those do you think have been at demonstrations?

237

00:25:14,780 --> 00:25:19,780

Susan Sacks and Stanley Bond were also closely involved with the center and Kathy's close friends.

238

00:25:21,780 --> 00:25:23,780

Susan Sacks was an honor student from Philadelphia.

239

00:25:24,780 --> 00:25:33,780

Stanley Bond was a convicted felon who was studying at Brandeis as part of an innovative parole program designed to rehabilitate convicts at nearby Walpole Prison.

240

00:25:34,780 --> 00:25:41,780

Stanley Bond was a criminal, but with revolutionary ideas, if I can use that expression, very strong in his beliefs.

241

00:25:41,780 --> 00:25:48,780

He said publicly, you know, if he was in the Commissioner of Crime, he would kill a policeman and consider it an act of war rather than a crime.

242

00:25:48,780 --> 00:25:54,780

He would justify that and he would justify whatever he did in his revolutionary tactics.

243

00:26:01,780 --> 00:26:06,780

April of 1970 saw a new wave of protest as President Nixon expanded the war into Cambodia.

244

00:26:08,780 --> 00:26:13,780

At Kent State University, four students were shot to death by Ohio National Guardsmen.

245

00:26:14,780 --> 00:26:21,780

This was the scene yesterday at Kent State University as demonstrators and National Guardsmen squared off for the second straight day.

246

00:26:22,780 --> 00:26:30,780

Monday's confrontation escalated to a tragic conclusion. Just after noon, the Guardsmen opened fire after rocks were allegedly thrown at them.

247

00:26:31,780 --> 00:26:35,780

Thirteen seconds later, four students were dead and nine were wounded.

248

00:26:36,780 --> 00:26:43,780

The dead students have been identified as Allison Krause, Jeffrey Miller, Sandra Schubert and William Kroger.

249

00:26:47,780 --> 00:26:51,780

This is revolution. This is really revolution.

250

00:27:05,780 --> 00:27:09,780

The Guardsmen were shot to death by Ohio National Guardsmen.

251

00:27:09,780 --> 00:27:13,780

The Guardsmen were shot to death by Ohio National Guardsmen.

252

00:27:26,780 --> 00:27:31,780

Hathie, Susan and Stanley Bond felt strongly that violence was a proper means to their end.

253

00:27:32,780 --> 00:27:36,780

In three months, the group robbed over a dozen banks to fund the revolution.

254

00:27:36,780 --> 00:27:41,780

Stanley Bond recruited two fellow convicts also on the parole program.

255

00:27:42,780 --> 00:27:47,780

Robert Valeri, a convicted armed robber, and William Lefty Gilday, a convicted bank robber.

256

00:27:51,780 --> 00:27:59,780

The group was notorious. Besides the states freed robbery, they committed numerous other crimes up to maybe 17 others.

257

00:27:59,780 --> 00:28:05,780

Several of which we did identify either one or more members of the group of five.

258

00:28:08,780 --> 00:28:14,780

On September 20, 1970, the group stole explosives and automatic weapons from a Massachusetts Armory.

259

00:28:15,780 --> 00:28:18,780

After the heist, they fire bombed the building.

260

00:28:20,780 --> 00:28:25,780

Three days later, the radical gang prepared to rob the State Street Bank and brighten Massachusetts.

261

00:28:25,780 --> 00:28:32,780

Hathie Power got mixed up in a movement that absolutely got out of hand. A revolutionary movement.

262

00:28:33,780 --> 00:28:40,780

There was room for protest in this country. Hathie Power and others took that protest to the point of violence.

263

00:28:41,780 --> 00:28:48,780

So I have no sympathy for her activities. I have sympathy for her views in some ways.

264

00:28:49,780 --> 00:28:57,780

I can't understand how she got swept as far as she did. But I also have a lot more sympathy for the family of the slain police officer.

265

00:28:58,780 --> 00:29:05,780

I can certainly understand people wanting to make changes in our society. There are a lot of inequities. A lot of people are disadvantaged.

266

00:29:06,780 --> 00:29:14,780

And I believe very strongly in trying to give some power to disadvantaged people. But I don't think the way that you do that is to go about killing somebody.

267

00:29:14,780 --> 00:29:22,780

Nothing is worth human life. Nothing replaces human life. No amount of money that you could steal from a bank or anything else.

268

00:29:27,780 --> 00:29:34,780

September 23, 1970, he started normally for Boston Police Patrolman Walter Schroeder at his partner Frank Callahan.

269

00:29:34,780 --> 00:29:50,780

Within 24 hours, Schroeder would be dead. Ironically, just two years earlier, officer Schroeder had received a special commendation for foiling another robbery at the State Street Bank.

270

00:29:55,780 --> 00:30:00,780

I don't think we'd get a better partner than Walter because I could depend on him.

271

00:30:00,780 --> 00:30:17,780

I never had a worry about my back from Walter. Nothing seemed to scare him. Nothing phased him at all. Especially if someone was in trouble. He'd go all out and see if he could help them, regardless of what the situation was.

272

00:30:18,780 --> 00:30:21,780

I've never saw him back down from any incident.

273

00:30:30,780 --> 00:30:34,780

At 9 a.m., Schroeder and Callahan were patrolling. The gang left their hideout.

274

00:30:36,780 --> 00:30:39,780

Bon Valerian Susan Sacks planned to go into the bank itself.

275

00:30:40,780 --> 00:30:44,780

Lefty Gilday was assigned to watch the bank entrance from across the street.

276

00:30:45,780 --> 00:30:48,780

Cathy Power was waiting a few blocks away in a switch car.

277

00:30:49,780 --> 00:30:55,780

At approximately 9.20 a.m., Bon Valerian Sacks pulled up to the bank.

278

00:30:56,780 --> 00:31:01,780

Sacks entered the bank through his side door, and her comrades went through the front door.

279

00:31:03,780 --> 00:31:05,780

Everybody, this is a hold up!

280

00:31:06,780 --> 00:31:10,780

Bon ordered the tellers to place all their available cash into money bags.

281

00:31:11,780 --> 00:31:14,780

One teller pressed the silent alarm, and the authorities were alerted.

282

00:31:15,780 --> 00:31:19,780

Car 14-4, we owe a silent alarm at the State Street Bank. Please respond.

283

00:31:20,780 --> 00:31:22,780

Car 14-4, please respond.

284

00:31:23,780 --> 00:31:26,780

Frank, we're only a couple of blocks away. Why don't we back that 14-4 car up?

285

00:31:27,780 --> 00:31:29,780

14-3. We'll back up that unit at the State Street Bank.

286

00:31:30,780 --> 00:31:33,780

I've got a strange feeling about this one. Might be for real. I'll get a hurry up and get up there.

287

00:31:40,780 --> 00:31:41,780

Wait.

288

00:31:58,780 --> 00:31:59,780

Come on!

289

00:32:00,780 --> 00:32:01,780

Come on! Move back!

290

00:32:01,780 --> 00:32:02,780

Money's up there!

291

00:32:03,780 --> 00:32:08,780

As the robbers ran out of the bank, the well-planned heist started to unravel.

292

00:32:09,780 --> 00:32:11,780

The gilday began firing indiscriminately.

293

00:32:16,780 --> 00:32:22,780

When we arrived at the bank, I heard six or eight shots, but didn't know where they were coming from.

294

00:32:24,780 --> 00:32:28,780

Evidently, Walter didn't realize where they were coming from because he ran right toward this man.

295

00:32:29,780 --> 00:32:35,780

And he finally realized where they were coming from, and he tried to turn around and run, get around the corner of the bank.

296

00:32:36,780 --> 00:32:37,780

But he didn't quite make it.

297

00:32:42,780 --> 00:32:45,780

I realized Walter was hurt when I saw him fall.

298

00:32:48,780 --> 00:32:52,780

I was hoping that he had just tripped, but deep down I knew that he was hit.

299

00:32:52,780 --> 00:32:57,780

A Boston policeman remains in critical condition tonight following a shootout at the State Street Bank.

300

00:32:57,780 --> 00:33:02,780

Right, Truman Walter Schroeder, a 19-year veteran of the force, shot once in the back.

301

00:33:02,780 --> 00:33:04,780

His three gunmen left the bank.

302

00:33:04,780 --> 00:33:05,780

Not bad for a day's work, huh?

303

00:33:05,780 --> 00:33:07,780

A day's work?

304

00:33:08,780 --> 00:33:10,780

Why don't you go and pick up the cop, man?

305

00:33:10,780 --> 00:33:11,780

What's your problem?

306

00:33:12,780 --> 00:33:13,780

I think we deserve a little extra.

307

00:33:13,780 --> 00:33:16,780

The robbery had netted \$26,000 in cash.

308

00:33:16,780 --> 00:33:21,780

Stanley Bond distributed \$500 in spending money to each member of the gang and held onto the remainder himself.

309

00:33:21,780 --> 00:33:23,780

500. Let's get out of here.

310

00:33:27,780 --> 00:33:30,780

Within eight hours, the five robbers had all gone their separate ways.

311

00:33:31,780 --> 00:33:35,780

An officer Schroeder lay in St. Elizabeth's Hospital fighting for his life.

312

00:33:36,780 --> 00:33:39,780

The robbers were shot in the back, but they were not killed.

313

00:33:39,780 --> 00:33:41,780

The five robbers had all gone their separate ways.

314

00:33:42,780 --> 00:33:46,780

An officer Schroeder lay in St. Elizabeth's Hospital fighting for his life.

315

00:33:47,780 --> 00:33:50,780

His partner kept a silent vigil through the night.

316

00:33:53,780 --> 00:33:55,780

Walter's injury was very serious.

317

00:33:55,780 --> 00:33:59,780

The ordinary person wouldn't last five minutes.

318

00:33:59,780 --> 00:34:02,780

He was shot in the back through the aorta.

319

00:34:02,780 --> 00:34:04,780

I mean, out of reach of the heart.

320

00:34:05,780 --> 00:34:08,780

I guess Walter died around 10 o'clock in the morning.

321

00:34:08,780 --> 00:34:12,780

And it really hit me like a ton of bricks.

322

00:34:12,780 --> 00:34:14,780

I mean, he was real...

323

00:34:14,780 --> 00:34:17,780

I was real close with Walter. He was a real friend.

324

00:34:17,780 --> 00:34:19,780

He was like one of the family.

325

00:34:19,780 --> 00:34:23,780

And I'll never get over it, really.

326

00:34:23,780 --> 00:34:25,780

I haven't gotten over it yet.

327

00:34:26,780 --> 00:34:28,780

The effect of his death was devastating.

328

00:34:29,780 --> 00:34:33,780

As time has passed, we've learned to adjust to it.

329

00:34:33,780 --> 00:34:41,780

But I think that it's created a void that has never been filled and really can't be filled.

330

00:34:42,780 --> 00:34:46,780

You know, it's scary when anybody gets killed.

331

00:34:46,780 --> 00:34:52,780

It's particularly scary when the people who are charged with the responsibility of taking care of the rest of us are killed.

332

00:34:52,780 --> 00:34:59,780

Within 24 hours, the Boston Police Department had picked up the trail of one of the fleeing killers.

333

00:34:59,780 --> 00:35:05,780

A source on the street gave us the name of Robert DeVallieri as being one of the people involved in the bank robbery.

334

00:35:05,780 --> 00:35:08,780

The Boston police arrested DeVallieri.

335

00:35:08,780 --> 00:35:10,780

He was interrogated for quite a few hours.

336

00:35:10,780 --> 00:35:15,780

He finally gave the names of all the people he named William Gilday,

337

00:35:15,780 --> 00:35:17,780

named Stanley Bond,

338

00:35:17,780 --> 00:35:18,780

named Catherine Powers,

339

00:35:18,780 --> 00:35:20,780

and his wife,

340

00:35:20,780 --> 00:35:22,780

named Catherine Powers,

341

00:35:22,780 --> 00:35:23,780

and his son, Sacks,

342

00:35:23,780 --> 00:35:25,780

all being involved in the bank robbery.

343

00:35:27,780 --> 00:35:33,780

Five days later, Stanley Bond was arrested in Grand Junction, Colorado.

344

00:35:33,780 --> 00:35:39,780

The next day, Gilday was picked up in Worcester, Massachusetts after a high-speed chase.

345

00:35:40,780 --> 00:35:45,780

William Gilday is still serving two life sentences for his part in the crime.

346

00:35:46,780 --> 00:35:50,780

DeValliere spent five years in jail and is now out on parole.

347

00:35:50,780 --> 00:35:53,780

Before Stanley Bond's murder trial began,

348

00:35:53,780 --> 00:35:58,780

he accidentally killed himself with a homemade bomb he had built for an escape attempt.

349

00:36:00,780 --> 00:36:04,780

Five years later, Susan Sacks was arrested on a Philadelphia street.

350

00:36:04,780 --> 00:36:09,780

She spent seven years in prison and was released in 1982.

351

00:36:10,780 --> 00:36:17,780

In 1974, a bank surveillance camera photographed Kathy Power opening a bank account in Louisville, Kentucky.

352

00:36:17,780 --> 00:36:21,780

This was the last reported sighting of Kathy Power.

353

00:36:26,780 --> 00:36:29,780

Kathy Power has been on the run for almost 19 years,

354

00:36:29,780 --> 00:36:31,780

living the life of a fugitive,

355

00:36:31,780 --> 00:36:34,780

and has used the following different aliases,

356

00:36:34,780 --> 00:36:39,780

Priscilla Cole, Claire Johnson, Mae Kelly, and Jane Pascarella.

357

00:36:43,780 --> 00:36:46,780

The search for Kathy Power will continue until she is found,

358

00:36:46,780 --> 00:36:48,780

but we have to be realistic.

359

00:36:48,780 --> 00:36:50,780

The times have changed.

360

00:36:50,780 --> 00:36:55,780

I think the government and the country has come back more to a center space.

361

00:36:56,780 --> 00:37:01,780

That would have to have some influence upon what would happen to Kathy Power.

362

00:37:02,780 --> 00:37:05,780

The crime occurred 18 years ago.

363

00:37:07,780 --> 00:37:11,780

And I think if Kathy were to turn herself in or to be apprehended,

364

00:37:12,780 --> 00:37:14,780

she could be tried, she would be found guilty.

365

00:37:14,780 --> 00:37:19,780

But I think a lot of things would have to be taken into consideration at the time of her sentencing.

366

00:37:19,780 --> 00:37:23,780

There's no satisfaction to be derived by me or my family.

367

00:37:23,780 --> 00:37:26,780

What's done is done. You can't bring somebody back.

368

00:37:26,780 --> 00:37:30,780

But I think it's important because there's a larger message contained in all of it

369

00:37:30,780 --> 00:37:34,780

that we all function as a single unit, as a society,

370

00:37:34,780 --> 00:37:37,780

and that there are lines of behavior that are acceptable,

371

00:37:37,780 --> 00:37:40,780

and there are lines, you know, once you step over that line, it's not acceptable.

372

00:37:40,780 --> 00:37:44,780

Her behavior, as with the other people involved, is unacceptable.

373

00:37:45,780 --> 00:37:48,780

And you have to be called to task on that.

374

00:37:48,780 --> 00:37:50,780

You have to take responsibility for what you do.

375

00:37:50,780 --> 00:37:53,780

And if the individual doesn't choose to do it,

376

00:37:53,780 --> 00:37:57,780

society for the protection of everybody else has to be willing to do it,

377

00:37:57,780 --> 00:38:01,780

whether it's something that happened yesterday, last year or 20 years ago.

378

00:38:24,780 --> 00:38:31,780

When we return the story of the brutal shot-in on slaying of three men on a rural Tennessee back

room.

379

00:38:43,780 --> 00:38:47,780

My last count, 20,000 murders are committed each year in the United States.

380

00:38:47,780 --> 00:38:50,780

30% of these remain unsolved.

381

00:38:51,780 --> 00:38:54,780

In many of these cases, a killer is known to the police,

382

00:38:54,780 --> 00:38:57,780

but they are powerless without the testimony of key witnesses.

383

00:38:57,780 --> 00:39:03,780

In our next story, the police have received anonymous calls from people who claim to know the identity of the killer,

384

00:39:03,780 --> 00:39:07,780

but they will not testify until a suspect is safely behind bars.

385

00:39:07,780 --> 00:39:10,780

The reason is simple. Fear.

386

00:39:11,780 --> 00:39:17,780

Signal Mountain, near Chattanooga, Tennessee.

387

00:39:17,780 --> 00:39:22,780

On the evening of July the 9th, 1988, Airman First Class Kenneth Griffith,

388

00:39:22,780 --> 00:39:26,780

Sergeant Earl Smock and Griffith's father-in-law Richard Mason,

389

00:39:26,780 --> 00:39:31,780

warmed up their engines before taking off for a few hours of three-wheel riding.

390

00:39:33,780 --> 00:39:36,780

Kenneth and Earl and Richard All three were anxious to go,

391

00:39:36,780 --> 00:39:41,780

and they got on their motors and revved them up, and they couldn't wait to get out, you know.

392

00:39:41,780 --> 00:39:46,780

They were ready to go because they knew they had a few hours of daylight time.

393

00:39:49,780 --> 00:39:54,780

At 6 p.m., the three men left Mason's home on their ATVs, all-terrain vehicles,

394

00:39:54,780 --> 00:39:57,780

to explore the trails in the neighboring woods.

395

00:39:59,780 --> 00:40:02,780

By the next morning, they had not returned.

396

00:40:03,780 --> 00:40:07,780

When I woke up, I realized that they weren't home,

397

00:40:07,780 --> 00:40:12,780

and I stood at the back door looking for their son to come up

398

00:40:12,780 --> 00:40:17,780

because my feeling was maybe it was cloudy that night,

399

00:40:17,780 --> 00:40:20,780

and they couldn't find their way back,

400

00:40:20,780 --> 00:40:26,780

but I knew deep down that wasn't what happened, that something was wrong.

401

00:40:28,780 --> 00:40:31,780

All three men were experienced ATV riders,

402

00:40:31,780 --> 00:40:35,780

and they were home and ridden in the local backwoods many times before.

403

00:40:35,780 --> 00:40:39,780

Fearing foul play, friends and family began searching.

404

00:40:44,780 --> 00:40:50,780

A few hours later, a local resident stopped five miles from the Mason home to check a bad tire.

405

00:40:54,780 --> 00:40:59,780

He saw three ATVs covered with blood in a trash dump on the bottom of a bluff.

406

00:41:01,780 --> 00:41:04,780

We received a call on July the 10th

407

00:41:04,780 --> 00:41:09,780

that the motorist had found some three-wheelers over the bluff on Roberts Camp Road.

408

00:41:10,780 --> 00:41:14,780

The dispatcher requested for us to respond to that area.

409

00:41:14,780 --> 00:41:18,780

They at this time informed us that three men from Signal Mountain

410

00:41:18,780 --> 00:41:23,780

had left a day earlier going on a ride, and had never returned home.

411

00:41:25,780 --> 00:41:30,780

As police retrieved the ATV, the Signal Mountain resident told them he had heard gunshots

412

00:41:30,780 --> 00:41:34,780

the night before. The same night the men had disappeared.

413

00:41:35,780 --> 00:41:38,780

I heard three shots, might have been four.

414

00:41:38,780 --> 00:41:41,780

I told them I was a damn fan approaching the air off early out here.

415

00:41:41,780 --> 00:41:43,780

It ain't even cold weather yet.

416

00:41:43,780 --> 00:41:45,780

One of the neighbors there was to Joe Skinner,

417

00:41:45,780 --> 00:41:48,780

who stated that the toes were where he had been, and he heard shots,

418

00:41:48,780 --> 00:41:52,780

and he was sure from his experience that they came from a particular place

419

00:41:52,780 --> 00:41:56,780

that he called the gate, but we had never been back in this particular area.

420

00:41:56,780 --> 00:42:00,780

And of course, this is where we wanted to look, is where the shots were heard.

421

00:42:03,780 --> 00:42:07,780

The next morning police searched the area where the shots had been fired.

422

00:42:07,780 --> 00:42:11,780

They found ATV tire tracks. Nothing else seemed out of the ordinary.

423

00:42:11,780 --> 00:42:16,780

Until they approached the gate, an area posted with no trespassing signs.

424

00:42:17,780 --> 00:42:22,780

As we came to that section, Roy had noticed a green fly had landed on it.

425

00:42:22,780 --> 00:42:25,780

Here Larry, tell them to look close. There's a green fly on my wrist.

426

00:42:25,780 --> 00:42:27,780

There has to be something around here.

427

00:42:27,780 --> 00:42:30,780

You know what, y'all need to look close to this area here now.

428

00:42:31,780 --> 00:42:36,780

And he may comment, this green fly is in this area that we need to look

429

00:42:36,780 --> 00:42:39,780

because they're usually after the canned flesh.

430

00:42:41,780 --> 00:42:46,780

A short distance away, just off the road, they discovered a spot of blood.

431

00:42:49,780 --> 00:42:51,780

Hey, come here, look at this.

432

00:42:52,780 --> 00:42:56,780

This time, we began searching more around the area.

433

00:42:56,780 --> 00:43:00,780

We found a section that appeared as something that we'd rubbed through the woods, through the grass.

434

00:43:00,780 --> 00:43:05,780

We were searching through that area and we did find a pool of blood.

435

00:43:06,780 --> 00:43:13,780

And after finding this, we roped the area off and advised the command post

436

00:43:13,780 --> 00:43:15,780

that we think we had found a crime scene.

437

00:43:16,780 --> 00:43:22,780

Because police found brain tissue and bone fragments at the scene,

438

00:43:22,780 --> 00:43:25,780

they were certain that the three men had been killed.

439

00:43:25,780 --> 00:43:27,780

However, no bodies were found.

440

00:43:33,780 --> 00:43:37,780

Two days later, at a dump site 11 miles from the crime center,

441

00:43:37,780 --> 00:43:41,780

the bodies of Kenneth Griffith, Earl Smock and Richard Mason were discovered.

442

00:43:42,780 --> 00:43:45,780

All three men had been killed by shotgun bullets.

443

00:43:47,780 --> 00:43:51,780

Police tried to make sense of the evidence, which was now scattered over a large area.

444

00:43:54,780 --> 00:43:57,780

The three men left from the Mason home, which is located here.

445

00:43:58,780 --> 00:44:01,780

The murder site was here, three miles to the north at the gate.

446

00:44:02,780 --> 00:44:05,780

The three ATVs were discovered here by Roberts Mill Road.

447

00:44:07,780 --> 00:44:10,780

The bodies were dumped here by Suck Creek Road.

448

00:44:10,780 --> 00:44:12,780

11 miles from the crime scene.

449

00:44:16,780 --> 00:44:20,780

Based on the physical evidence, police have reconstructed the crime.

450

00:44:20,780 --> 00:44:25,780

It appears that the three men were riding the dirt road.

451

00:44:25,780 --> 00:44:28,780

They came to the area of the fence.

452

00:44:28,780 --> 00:44:32,780

At that time, they were surprised by some of them.

453

00:44:32,780 --> 00:44:39,780

And it appeared that Kenneth Griffith was apparently the first one that was shot.

454

00:44:39,780 --> 00:44:42,780

He was shot in the left side of the head.

455

00:44:42,780 --> 00:44:45,780

He had apparently killed him instantly.

456

00:44:45,780 --> 00:44:49,780

The further indications are that Richard Mason was the second man that was shot.

457

00:44:49,780 --> 00:44:53,780

He had one shot to the chest area.

458

00:44:53,780 --> 00:44:57,780

Earl Smock was shot directly into the right shoulder.

459

00:44:57,780 --> 00:45:02,780

It appeared that he got off of his three-wheeler and attempted to get away.

460

00:45:06,780 --> 00:45:11,780

The second shot went into the side, through the heart, and that was a fatal wound.

461

00:45:14,780 --> 00:45:21,780

16 years in the business, it is my opinion that this is one of the most brutal uncalled for.

462

00:45:21,780 --> 00:45:24,780

Murders ever.

463

00:45:24,780 --> 00:45:29,780

Police believe that after the murders, the killer carefully covered up the evidence.

464

00:45:29,780 --> 00:45:36,780

Then, with the help of at least one accomplice, he began his grim journey to dispose of the vehicles and the bodies.

465

00:45:40,780 --> 00:45:44,780

An eyewitness told police that he saw two men in the car.

466

00:45:44,780 --> 00:45:48,780

At the same time, the pick-up was spotted.

467

00:45:48,780 --> 00:45:53,780

Another eyewitness reported seeing a woman frantically trying to stop traffic near Roberts Mill Road.

468

00:45:53,780 --> 00:45:55,780

You can't get through there's an accident.

469

00:45:55,780 --> 00:45:58,780

Her light-colored car was in the car.

470

00:45:58,780 --> 00:46:00,780

The car was in the car.

471

00:46:00,780 --> 00:46:02,780

The car was in the car.

472

00:46:02,780 --> 00:46:04,780

The car was in the car.

473

00:46:04,780 --> 00:46:06,780

The car was in the car.

474

00:46:06,780 --> 00:46:08,780

The car was in the car.

475

00:46:08,780 --> 00:46:10,780

The car was in the car.

476

00:46:10,780 --> 00:46:12,780

The car was in the car.

477

00:46:12,780 --> 00:46:14,780

You can't get through there's an accident.

478

00:46:14,780 --> 00:46:21,780

Her light-colored Chevrolet was blocking the road just a quarter mile from the bluff where the ATVs were dropped.

479

00:46:27,780 --> 00:46:35,780

After the killer and his accomplice dumped the ATVs, police speculated they returned to the crime scene to retrieve the three bodies.

480

00:46:35,780 --> 00:46:39,780

They then drove 11 miles to the Suck Creek Road dump site.

481

00:46:40,780 --> 00:46:46,780

It's obvious that whoever put the bodies there, they wanted the bodies to be found.

482

00:46:46,780 --> 00:46:54,780

They wanted to be found sooner than what they were in order to keep the actual crime scene from ever being found.

483

00:46:54,780 --> 00:47:03,780

And had they been found on a Monday instead of on Wednesday, then the actual crime scene at the fence was never been found.

484

00:47:04,780 --> 00:47:09,780

Police are convinced that the killer is a local resident.

485

00:47:09,780 --> 00:47:16,780

The murderer and his accomplices appear to have a detailed and intimate knowledge of the back roads on Signal Mountain.

486

00:47:16,780 --> 00:47:21,780

They also knew the ideal locations to dump the ATVs and the bodies.

487

00:47:21,780 --> 00:47:28,780

Like the authorities, local residents are worried that the killer is part of their small community.

488

00:47:28,780 --> 00:47:32,780

The people in the area are afraid to come forward.

489

00:47:32,780 --> 00:47:41,780

Not fear of it happening again in that area, but fear that who was involved in it, if they say anything, will get them.

490

00:47:58,780 --> 00:48:11,780

For every mystery, there is someone somewhere who knows the truth. Perhaps that someone was watching. Perhaps it's you.
