

1

00:00:00,000 --> 00:00:03,680

This program is about unsolved mysteries.

2

00:00:03,680 --> 00:00:06,280

Whenever possible, the actual family members and police

3

00:00:06,280 --> 00:00:09,280

officials have participated in recreating the events.

4

00:00:09,280 --> 00:00:12,120

What you are about to see is not a news broadcast.

5

00:00:16,320 --> 00:00:18,960

In New Hampshire, freak accidents take the lives

6

00:00:18,960 --> 00:00:22,120

of a mother and her son 25 years apart.

7

00:00:22,120 --> 00:00:24,560

Some believe that Rena and Donnie Paquette

8

00:00:24,560 --> 00:00:27,400

were in reality murdered by a woman who was killed

9

00:00:27,400 --> 00:00:30,040

by a woman who was killed by a woman.

10

00:00:30,040 --> 00:00:33,040

Rena and Donnie Paquette were in reality murdered

11

00:00:33,040 --> 00:00:36,600

because he had seen the face of the same killer.

12

00:00:36,600 --> 00:00:38,520

In Aurora, Illinois, Lavelta Richmond

13

00:00:38,520 --> 00:00:41,680

was injured in a car crash on a lonely country road.

14

00:00:41,680 --> 00:00:44,880

Simultaneously, her identical twin sister, LaVona,

15

00:00:44,880 --> 00:00:48,120

claims that she saw the accident from her living room 20

16

00:00:48,120 --> 00:00:49,520

miles away.

17

00:00:49,520 --> 00:00:54,960

Could this be a case of ESP between identical twins?

18

00:00:54,960 --> 00:00:58,120

In this edition of the FBI's 10 Most Wanted List,

19

00:00:58,120 --> 00:01:03,360

perhaps you can help track down a serial child molester.

20

00:01:03,360 --> 00:01:05,120

Also, we have a heartwarming update

21

00:01:05,120 --> 00:01:07,840

from our story of a Tennessee adoption home which abducted

22

00:01:07,840 --> 00:01:10,960

children and sold them to wealthy clients.

23

00:01:10,960 --> 00:01:13,000

After our broadcast, one of those orphans

24

00:01:13,000 --> 00:01:14,640

was reunited with her two brothers

25

00:01:14,640 --> 00:01:17,200

after a 30-year separation.

26

00:01:17,200 --> 00:01:20,320

You can share in their joyous reunion tonight

27

00:01:20,320 --> 00:01:21,600

on Unsolved Mysteries.

28

00:01:55,120 --> 00:01:56,120

The End.

29

00:02:16,600 --> 00:02:18,480

30 years ago, Hooks at New Hampshire

30

00:02:18,480 --> 00:02:22,840

was home to 2,500 people, many of them farmers.

31

00:02:22,840 --> 00:02:25,520

The surrounding woods concealed an abundant population

32

00:02:25,520 --> 00:02:28,120

of deer that attracted hunters all over New England.

33

00:02:32,440 --> 00:02:36,360

But by the winter of 1964, a hunter of a different kind

34

00:02:36,360 --> 00:02:38,440

had arrived in the area.

35

00:02:38,440 --> 00:02:40,760

Two teenage girls had been found murdered

36

00:02:40,760 --> 00:02:43,680

after having first been tortured.

37

00:02:43,680 --> 00:02:45,960

The second victim was a 15-year-old high school

38

00:02:45,960 --> 00:02:47,520

sophomore named Pamela Mason.

39

00:02:50,360 --> 00:02:52,720

It was thought that her killer lived in the area

40

00:02:52,720 --> 00:02:55,800

and neighbor regarded neighbor with suspicion.

41

00:02:55,800 --> 00:02:58,280

One area resident had good reason to be frightened.

42

00:03:02,360 --> 00:03:05,640

47-year-old Rena Pequett told her friends and family

43

00:03:05,640 --> 00:03:09,640

that she believed she knew who had killed the two teenage girls.

44

00:03:09,640 --> 00:03:11,600

At the time, nobody took her seriously.

45

00:03:15,280 --> 00:03:19,720

February 3, 1964, Rena's son, 13-year-old Danny Pequett,

46

00:03:19,720 --> 00:03:21,480

had the day off from school.

47

00:03:21,480 --> 00:03:22,480

Mom?

48

00:03:25,240 --> 00:03:27,960

Danny and Rena were alone at the family farm.

49

00:03:27,960 --> 00:03:31,840

But when the boy came down for breakfast, his mother was gone.

50

00:03:31,840 --> 00:03:33,560

Uncle Charlie, this is Danny speaking.

51

00:03:33,560 --> 00:03:35,640

Yeah, I can't find my mom.

52

00:03:35,640 --> 00:03:38,080

Well, she said she was going to take me to Dennis today.

53

00:03:38,080 --> 00:03:40,560

When Danny got up that morning, he couldn't find my mom.

54

00:03:40,560 --> 00:03:41,960

All right, all right.

55

00:03:41,960 --> 00:03:43,000

Bye.

56

00:03:43,000 --> 00:03:47,000

Dan couldn't understand where she was because her purse

57

00:03:47,000 --> 00:03:49,600

and her winter coat were there.

58

00:03:49,600 --> 00:03:53,360

And it was extremely bitterly cold.

59

00:03:53,360 --> 00:03:56,200

And it was highly unlikely that she went anywhere

60

00:03:56,200 --> 00:03:59,440

without her coat or her purse.

61

00:03:59,440 --> 00:04:01,040

She's not in there, Uncle Charlie.

62

00:04:01,040 --> 00:04:02,480

Let's try the big find for her.

63

00:04:02,480 --> 00:04:05,880

Danny's uncle immediately came over to help look for Rena.

64

00:04:05,880 --> 00:04:07,640

Though the two searched for over an hour,

65

00:04:07,640 --> 00:04:09,120

Rena was nowhere to be found.

66

00:04:09,120 --> 00:04:10,000

Mom?

67

00:04:10,000 --> 00:04:11,000

Rena?

68

00:04:11,000 --> 00:04:12,000

Mom?

69

00:04:12,000 --> 00:04:13,000

Rena?

70

00:04:13,000 --> 00:04:14,000

Mom?

71

00:04:14,000 --> 00:04:15,000

Rena?

72

00:04:15,000 --> 00:04:16,000

Rena?

73

00:04:16,000 --> 00:04:17,000

Rena?

74

00:04:17,000 --> 00:04:18,000

Smoke.

75

00:04:18,000 --> 00:04:19,000

Smoke.

76

00:04:19,000 --> 00:04:19,880

Mom?

77

00:04:19,880 --> 00:04:20,800

No, it's Mom.

78

00:04:20,800 --> 00:04:22,800

Danny, no, Mom.

79

00:04:22,800 --> 00:04:23,800

No, Mom.

80

00:04:23,800 --> 00:04:24,800

No, Mom.

81

00:04:24,800 --> 00:04:25,800

No, Mom.

82

00:04:25,800 --> 00:04:26,800

No, Mom.

83

00:04:26,800 --> 00:04:29,640

Rena's paquette was dead.

84

00:04:29,640 --> 00:04:31,960

Her charred body was found in the paquette barn

85

00:04:31,960 --> 00:04:34,320

one mile from the family home.

86

00:04:34,320 --> 00:04:38,000

Police concluded that she had somehow set herself on fire

87

00:04:38,000 --> 00:04:40,680

and then crawled into the barn to die.

88

00:04:40,680 --> 00:04:43,080

However, no flammable substances or containers

89

00:04:43,080 --> 00:04:45,040

were found near the area.

90

00:04:45,040 --> 00:04:46,920

Though her death was ruled a suicide,

91

00:04:46,920 --> 00:04:51,520

her other son, Victor, believes that she was murdered.

92

00:04:51,520 --> 00:04:55,200

I don't really believe my mother committed suicide

93

00:04:55,200 --> 00:04:59,080

because of the tremendous amount of fear and panic

94

00:04:59,080 --> 00:05:04,800

in the community, because of the too earlier brutal murders

95

00:05:04,800 --> 00:05:10,840

that I think it was just kind of like kept

96

00:05:10,840 --> 00:05:16,000

on a very low profile, not to create more public hysteria.

97

00:05:16,000 --> 00:05:17,880

I feel at the time of my mother's death,

98

00:05:17,880 --> 00:05:23,800

the person that was found to be the person responsible for killing

99

00:05:23,800 --> 00:05:26,600

the young Pamela Mason girl was the same person that

100

00:05:26,600 --> 00:05:29,840

was responsible for my mother's death.

101

00:05:29,840 --> 00:05:33,040

In February of 1964, a local delivery man

102

00:05:33,040 --> 00:05:35,560

was arrested, convicted, and sentenced to life in prison

103

00:05:35,560 --> 00:05:37,960

for the murder of Pamela Mason.

104

00:05:37,960 --> 00:05:40,800

At long last, the nightmare seemed over.

105

00:05:40,800 --> 00:05:44,280

But 20 years later, Rena's son Danny was also found dead,

106

00:05:44,280 --> 00:05:46,440

gunned down in front of his house.

107

00:05:46,440 --> 00:05:48,280

There are those who believe that Danny and his mother

108

00:05:48,280 --> 00:05:50,640

both died for the same reason.

109

00:05:50,640 --> 00:05:51,680

They knew too much.

110

00:05:56,240 --> 00:05:58,600

The Rena paquette left behind five children.

111

00:05:58,600 --> 00:06:02,320

Her son Danny seemed the most affected by her death.

112

00:06:02,320 --> 00:06:06,040

His brother Victor became his closest friend.

113

00:06:06,040 --> 00:06:10,520

Mom being killed was very traumatic for Danny.

114

00:06:10,520 --> 00:06:14,320

I think everybody's mom is a little security blanket.

115

00:06:14,320 --> 00:06:17,680

And from there, you lose that.

116

00:06:17,680 --> 00:06:22,120

Emotionally, it leads to a lot of problems.

117

00:06:22,120 --> 00:06:23,960

Danny grew from a troubled adolescent

118

00:06:23,960 --> 00:06:25,640

into a troubled adult.

119

00:06:25,640 --> 00:06:30,200

He married, became a father, but then divorced in 1981.

120

00:06:30,200 --> 00:06:35,360

In a bitter legal battle, Danny lost custody of his children.

121

00:06:35,360 --> 00:06:39,400

I believe that Danny loved his children more than anything.

122

00:06:39,400 --> 00:06:42,160

I'm sure that Danny was extremely upset,

123

00:06:42,160 --> 00:06:48,320

angered at the thought of losing his children.

124

00:06:48,320 --> 00:06:51,520

It would, of course, mean to him another loss.

125

00:06:54,960 --> 00:06:58,120

In the summer of 1983, frustrated by not being

126

00:06:58,120 --> 00:07:00,120

allowed to see his children, Danny

127

00:07:00,120 --> 00:07:02,200

went to his former wife's home.

128

00:07:02,200 --> 00:07:04,160

Steve!

129

00:07:04,160 --> 00:07:05,560

What are you doing here?

130

00:07:05,560 --> 00:07:06,480

What are you doing here?

131

00:07:06,480 --> 00:07:07,680

Steve, I want to see the kids.

132

00:07:07,680 --> 00:07:08,720

I haven't seen them in a month.

133

00:07:08,720 --> 00:07:09,620

Now open the door.

134

00:07:09,620 --> 00:07:10,520

You're not going to see the kids.

135

00:07:10,520 --> 00:07:12,160

You're not even supposed to be around here.

136

00:07:12,160 --> 00:07:13,880

Dee, I'm telling you, if I have to come through this play

137

00:07:13,880 --> 00:07:15,440

glass door, I want to see my kid.

138

00:07:15,440 --> 00:07:16,440

I want to call the cops.

139

00:07:16,440 --> 00:07:17,440

Call the cops!

140

00:07:17,440 --> 00:07:19,000

After this frightening outburst,

141

00:07:19,000 --> 00:07:21,320

Danny's former wife called police.

142

00:07:21,320 --> 00:07:22,600

They took him to the custody.

143

00:07:26,040 --> 00:07:33,560

I'm going to take you back to February the 3rd, 1964.

144

00:07:33,560 --> 00:07:36,320

Danny was ordered to undergo psychiatric examination

145

00:07:36,320 --> 00:07:38,640

at Concord State Medical Hospital.

146

00:07:38,640 --> 00:07:41,440

It was during this time that the tragedy from his past

147

00:07:41,440 --> 00:07:43,680

began to catch up with his present.

148

00:07:43,680 --> 00:07:47,360

Under hypnosis, Danny began to recall details of the morning

149

00:07:47,360 --> 00:07:48,880

that his mother was killed.

150

00:07:48,880 --> 00:07:49,680

I remember, right?

151

00:07:52,520 --> 00:07:57,960

I woke up because I heard, uh, I heard voices.

152

00:07:57,960 --> 00:07:58,860

Why?

153

00:07:58,860 --> 00:07:59,760

Why?

154

00:07:59,760 --> 00:08:00,560

Why?

155

00:08:00,560 --> 00:08:01,800

Why?

156

00:08:01,800 --> 00:08:03,040

It's my mom's voice.

157

00:08:03,040 --> 00:08:06,720

And, uh, you know what you're doing to me by doing this?

158

00:08:06,720 --> 00:08:08,120

You know what you're doing?

159

00:08:08,600 --> 00:08:10,600

There's a man's voice.

160

00:08:10,600 --> 00:08:12,600

You know what you're doing to me by doing this?

161

00:08:12,600 --> 00:08:13,600

Stop, stop.

162

00:08:13,600 --> 00:08:15,080

You're acting like you're acting like you're making me

163

00:08:15,080 --> 00:08:17,080

make me make you stop.

164

00:08:17,080 --> 00:08:18,080

I'm not going to do this.

165

00:08:18,080 --> 00:08:19,580

It's folks want want.

166

00:08:19,580 --> 00:08:21,080

What do I get to my kids?

167

00:08:21,080 --> 00:08:23,080

He was a delivery man.

168

00:08:23,080 --> 00:08:25,640

I knew Danny was yelling at my mother.

169

00:08:25,640 --> 00:08:28,400

And I remember I went back to my room.

170

00:08:28,400 --> 00:08:29,360

I was scared.

171

00:08:29,360 --> 00:08:32,560

I mean, I didn't, I didn't.

172

00:08:32,560 --> 00:08:35,960

Danny became convinced that he had seen his mother's murder.

173

00:08:36,000 --> 00:08:38,400

He told friends that he was certain that the killer was

174

00:08:38,400 --> 00:08:40,200

the same delivery man imprisoned

175

00:08:40,200 --> 00:08:42,640

for the murder of Pamela Mason.

176

00:08:42,640 --> 00:08:44,640

However, there has never been any evidence

177

00:08:44,640 --> 00:08:45,960

to support this belief.

178

00:08:48,760 --> 00:08:52,600

How's things going here anyway?

179

00:08:52,600 --> 00:08:54,700

During this troubled time, Danny's brother

180

00:08:54,700 --> 00:08:56,200

would visit every day.

181

00:08:56,200 --> 00:08:58,320

And when Danny was released after five months,

182

00:08:58,320 --> 00:09:00,640

he found that Victor had paid all of his bills.

183

00:09:00,640 --> 00:09:02,920

Our damnant's, uh, mailed out.

184

00:09:03,200 --> 00:09:08,800

After Danny went home, he tried to pick up

185

00:09:08,800 --> 00:09:10,320

the pieces of his life.

186

00:09:10,320 --> 00:09:13,000

He and Victor would spend many afternoons together,

187

00:09:13,000 --> 00:09:16,320

motorcycling through the countryside.

188

00:09:16,320 --> 00:09:19,760

We spent time together, and we started to enjoy life.

189

00:09:19,760 --> 00:09:21,880

It was a real turning point for him.

190

00:09:27,520 --> 00:09:30,840

Saturday morning, November 9th, 1985,

191

00:09:30,840 --> 00:09:33,600

Danny was repairing a bulldozer while two of his friends

192

00:09:33,600 --> 00:09:35,160

worked on a car in the garage.

193

00:09:41,520 --> 00:09:44,840

At 11 AM, Danny's friends heard a loud pop.

194

00:09:50,040 --> 00:09:53,320

I ran up towards where Danny was working.

195

00:09:53,320 --> 00:09:56,240

It appeared to me that he'd been electrocuted.

196

00:09:56,240 --> 00:09:58,040

We noticed an air escaping from a hole

197

00:09:58,040 --> 00:09:59,720

in the middle of his chest.

198

00:09:59,720 --> 00:10:01,600

And I thought that it was a welding probe that he

199

00:10:01,600 --> 00:10:04,520

fell on when he hit the ground.

200

00:10:04,520 --> 00:10:06,640

The time I didn't know it was a bullet wound.

201

00:10:06,640 --> 00:10:08,720

Staying in them, let's look around.

202

00:10:08,720 --> 00:10:09,520

Something wrong here.

203

00:10:09,520 --> 00:10:11,240

Danny pecketed and shot through the heart

204

00:10:11,240 --> 00:10:12,600

with a single bullet.

205

00:10:12,600 --> 00:10:13,640

He died instantly.

206

00:10:18,800 --> 00:10:21,240

After police arrived, they discovered footprints

207

00:10:21,240 --> 00:10:24,680

behind Danny's house where the bullet may have come from.

208

00:10:24,680 --> 00:10:26,960

The distance between the individual footprints

209

00:10:26,960 --> 00:10:29,520

raised the possibility that someone had been running

210

00:10:29,520 --> 00:10:31,640

from the scene.

211

00:10:31,640 --> 00:10:36,360

A search of the area revealed about 50 to 80 yards away

212

00:10:36,360 --> 00:10:39,160

footprints heading toward the woods,

213

00:10:39,160 --> 00:10:42,840

whether it was incidental or, in fact, someone's

214

00:10:42,840 --> 00:10:45,440

footprint that was fleeing the scene

215

00:10:45,440 --> 00:10:49,480

is speculative at this time.

216

00:10:49,480 --> 00:10:51,800

Telephone service had been interrupted at about the time

217

00:10:51,800 --> 00:10:53,080

Danny was shot.

218

00:10:53,080 --> 00:10:55,640

Their linemen had discovered a projectile in the telephone

219

00:10:55,640 --> 00:10:56,560

cable.

220

00:10:56,560 --> 00:10:58,720

We did recover a bullet from it that

221

00:10:58,720 --> 00:11:01,640

was in line with Danny's position.

222

00:11:04,200 --> 00:11:07,160

Investigators determined that the bullet in the telephone line

223

00:11:07,160 --> 00:11:08,800

was the same one that had killed Danny.

224

00:11:11,760 --> 00:11:13,400

The day of Danny's death was also

225

00:11:13,400 --> 00:11:14,960

the beginning of hunting season.

226

00:11:14,960 --> 00:11:19,440

And police began to theorize that he had been shot accidentally.

227

00:11:19,440 --> 00:11:21,240

In order to test this theory, they

228

00:11:21,240 --> 00:11:23,360

tried to pinpoint the location of the gunman.

229

00:11:23,800 --> 00:11:30,040

We were able to ascertain that there were hunters in a gravel

230

00:11:30,040 --> 00:11:33,000

pit approximately a mile away that was citing their weapons

231

00:11:33,000 --> 00:11:33,840

in at the time.

232

00:11:37,200 --> 00:11:40,280

If Danny was shot accidentally, the fatal bullet

233

00:11:40,280 --> 00:11:42,720

may have come from this gravel pit.

234

00:11:42,720 --> 00:11:46,360

For this to happen, the bullet had to travel nearly a mile,

235

00:11:46,360 --> 00:11:49,440

climb 1,000 feet, pass through Danny,

236

00:11:49,440 --> 00:11:51,160

and lodge in the telephone wire.

237

00:11:53,520 --> 00:12:01,360

In the summer of 1990, ballistics expert RJ

238

00:12:01,360 --> 00:12:03,640

Breglia was brought in from New York City

239

00:12:03,640 --> 00:12:08,680

in order to determine if such a shot could have occurred.

240

00:12:08,680 --> 00:12:11,320

After examining the locations, Breglio concluded

241

00:12:11,320 --> 00:12:14,960

that such a shot would have been impossible.

242

00:12:14,960 --> 00:12:17,560

I would rule out the possibility that there

243

00:12:17,560 --> 00:12:21,280

was an accident, that the gun was fired from a mile or more

244

00:12:21,280 --> 00:12:22,200

away.

245

00:12:22,200 --> 00:12:28,840

Rather, it was a shot fired in the vicinity deliberately.

246

00:12:28,840 --> 00:12:31,880

You would have to traverse through woods.

247

00:12:31,880 --> 00:12:35,000

You would have to travel around vehicles,

248

00:12:35,000 --> 00:12:38,480

get through a 24-inch opening on a bulldozer,

249

00:12:38,480 --> 00:12:41,560

and hit somebody directly through the heart

250

00:12:41,560 --> 00:12:44,920

before being projected upwards into the telephone cable.

251

00:12:44,920 --> 00:12:50,680

I think that's very hard to believe that that could happen.

252

00:12:50,680 --> 00:12:53,560

I'm not any expert, but I just don't buy that.

253

00:12:57,240 --> 00:13:00,040

If anybody thinks that I'm going to lay down or go away

254

00:13:00,040 --> 00:13:02,760

on this one, oh, they're wrong.

255

00:13:02,760 --> 00:13:06,760

We as a family are, I think, pretty well determined

256

00:13:06,760 --> 00:13:10,000

that the system is going to have to work.

257

00:13:10,000 --> 00:13:14,760

The system is going to have to get out there and do its job.

258

00:13:15,440 --> 00:13:23,840

Was Danny Paquette the victim of a freak hunting accident?

259

00:13:23,840 --> 00:13:25,360

Or was he deliberately murdered?

260

00:13:25,360 --> 00:13:28,080

Danny, if you knew anything about me,

261

00:13:28,080 --> 00:13:30,320

did someone want him silenced about what he claimed

262

00:13:30,320 --> 00:13:33,160

to have witnessed the morning of his mother's death?

263

00:13:33,160 --> 00:13:35,040

You've been telling everybody in town

264

00:13:35,040 --> 00:13:38,200

that I did something that I did not do.

265

00:13:38,200 --> 00:13:39,920

I got Danny upstairs.

266

00:13:39,920 --> 00:13:41,640

I don't care about Danny.

267

00:13:41,640 --> 00:13:42,560

Let's go outside.

268

00:13:42,600 --> 00:13:45,920

Or did someone just want Danny dead?

269

00:13:45,920 --> 00:13:46,520

No one knows.

270

00:14:17,120 --> 00:14:21,760

In 1949, the Tennessee Children's Home Society in Memphis

271

00:14:21,760 --> 00:14:23,760

was considered a model orphanage.

272

00:14:23,760 --> 00:14:27,160

Director Georgia Tan was credited with placing 5,000

273

00:14:27,160 --> 00:14:29,760

orphans with new families and one national praise

274

00:14:29,760 --> 00:14:31,200

for her efforts.

275

00:14:31,200 --> 00:14:35,360

But Georgia Tan's orphanage had a darker side.

276

00:14:35,360 --> 00:14:37,280

When I was growing up, I was told

277

00:14:37,280 --> 00:14:40,640

that I was adopted from Memphis, Tennessee.

278

00:14:40,640 --> 00:14:43,600

After my adopted mother passed away,

279

00:14:43,640 --> 00:14:47,760

I found correspondence from the Tennessee Children's Home.

280

00:14:47,760 --> 00:14:50,760

And that's when I started my search.

281

00:14:50,760 --> 00:14:54,920

Two and a half years later, I found my name.

282

00:14:54,920 --> 00:14:57,880

Two hours later, I found my mother.

283

00:14:57,880 --> 00:14:59,880

Come on, run over here.

284

00:14:59,880 --> 00:15:00,880

Run over here.

285

00:15:00,880 --> 00:15:03,480

Cindy LaPresto discovered that her mother had never

286

00:15:03,480 --> 00:15:06,440

placed her for adoption.

287

00:15:06,440 --> 00:15:09,760

I was playing on the playground.

288

00:15:10,320 --> 00:15:15,320

And Georgia Tan drove up in her proverbial black limousine.

289

00:15:15,320 --> 00:15:16,240

OK, George.

290

00:15:16,240 --> 00:15:18,360

Let's go home now.

291

00:15:18,360 --> 00:15:23,200

Georgia Tan had simply abducted Cindy.

292

00:15:23,200 --> 00:15:25,880

Good morning, children.

293

00:15:25,880 --> 00:15:27,120

You're going to be on the lawn.

294

00:15:27,120 --> 00:15:28,840

A few days later, Judge Camille Kelly

295

00:15:28,840 --> 00:15:31,080

ordered the custody of Cindy be given to the Tennessee

296

00:15:31,080 --> 00:15:33,000

Children's Home Society.

297

00:15:33,000 --> 00:15:35,160

Miss Tan?

298

00:15:35,160 --> 00:15:37,160

Thank you, Judge Kelly.

299

00:15:38,040 --> 00:15:40,480

Thank you, Judge Kelly.

300

00:15:40,480 --> 00:15:45,280

I'm confident that Camille Kelly was

301

00:15:45,280 --> 00:15:48,560

involved with Georgia Tan in this operation.

302

00:15:48,560 --> 00:15:51,600

Georgia Tan could not have carried it on without her.

303

00:15:51,600 --> 00:15:53,880

And Camille Kelly could not have lived in the style

304

00:15:53,880 --> 00:15:57,320

she lived unless she had outside income.

305

00:15:57,320 --> 00:16:00,720

In 1950, Robert Taylor investigated Georgia Tan

306

00:16:00,720 --> 00:16:03,360

in the Tennessee Children's Home Society.

307

00:16:03,360 --> 00:16:06,040

He discovered that Tan was using the orphanage as a cover

308

00:16:06,040 --> 00:16:08,920

for a black market baby ring, and that she was making

309

00:16:08,920 --> 00:16:10,320

a fortune in the process.

310

00:16:13,400 --> 00:16:16,120

On September 12, 1950, Robert Taylor

311

00:16:16,120 --> 00:16:19,240

presented his report to the governor of Tennessee.

312

00:16:19,240 --> 00:16:22,480

Three days later, Georgia Tan died of cancer.

313

00:16:22,480 --> 00:16:25,880

Two months later, Judge Camille Kelly resigned.

314

00:16:25,880 --> 00:16:30,560

The Tennessee Children's Home Society was shut down.

315

00:16:30,560 --> 00:16:34,120

I get very angry when I think of Georgia Tan and Camille Kelly,

316

00:16:34,120 --> 00:16:36,280

because of what they've done to me

317

00:16:36,280 --> 00:16:38,720

and thousands of other people.

318

00:16:38,720 --> 00:16:41,680

It makes me very angry, because my mother

319

00:16:41,680 --> 00:16:43,360

missed my growing up.

320

00:16:43,360 --> 00:16:45,560

And those years can never be replaced.

321

00:16:45,560 --> 00:16:48,400

We've been robbed.

322

00:16:48,400 --> 00:16:50,000

Tonight, we are pleased to announce

323

00:16:50,000 --> 00:16:52,200

that because of our broadcast, another orphan

324

00:16:52,200 --> 00:16:54,200

from the Tennessee Children's Home Society

325

00:16:54,200 --> 00:16:55,840

has been reunited with her family.

326

00:16:58,760 --> 00:17:00,640

Lin Hines was five years old when

327

00:17:00,640 --> 00:17:04,800

she was adopted by a wealthy California couple.

328

00:17:04,800 --> 00:17:08,680

I was adopted into a very, very fine family,

329

00:17:08,680 --> 00:17:11,520

but there wasn't a lot of love in the family.

330

00:17:11,520 --> 00:17:17,240

And even though you try to make the adopted child part

331

00:17:17,240 --> 00:17:20,800

of the family, you're always still just a little bit different.

332

00:17:20,800 --> 00:17:22,360

And so it meant a great deal to me

333

00:17:22,360 --> 00:17:25,840

to find that I really had a true family.

334

00:17:25,840 --> 00:17:27,680

Lin was born Martha Jean Goukin,

335

00:17:27,840 --> 00:17:31,520

was placed in Georgia Tan's orphanage in 1949.

336

00:17:31,520 --> 00:17:35,000

She never saw or heard from her natural family again.

337

00:17:35,000 --> 00:17:37,240

Then just three weeks after our broadcast,

338

00:17:37,240 --> 00:17:40,360

Lin learned that her father and two brothers, Paul and Randall,

339

00:17:40,360 --> 00:17:42,840

were still living in Tennessee.

340

00:17:42,840 --> 00:17:44,360

One of the things that I had been fearful of

341

00:17:44,360 --> 00:17:48,120

is that the family did not want me to find them.

342

00:17:48,120 --> 00:17:50,120

When I did finally get hold of Randall, Randall said,

343

00:17:50,120 --> 00:17:52,280

if you don't come here, we're coming there.

344

00:17:52,280 --> 00:17:55,440

Like, tomorrow, you know, it wasn't soon enough.

345

00:17:58,680 --> 00:18:02,240

The next day, Lin flew from her home in Dendrick, Colorado

346

00:18:02,240 --> 00:18:06,080

and saw her brothers for the first time in more than 40 years.

347

00:18:06,080 --> 00:18:07,080

I'm so sorry.

348

00:18:07,080 --> 00:18:09,080

I just want to wait here.

349

00:18:09,080 --> 00:18:13,600

Get me that one to find you guys.

350

00:18:13,600 --> 00:18:15,000

She walked all the plane.

351

00:18:15,000 --> 00:18:17,480

I knew she was just like that.

352

00:18:17,480 --> 00:18:19,680

She's spitting image of her mother.

353

00:18:19,680 --> 00:18:21,880

A very spitting image.

354

00:18:21,880 --> 00:18:23,880

You have a void.

355

00:18:23,880 --> 00:18:28,080

That, uh, they've never been filled.

356

00:18:28,080 --> 00:18:30,080

Who was it?

357

00:18:30,080 --> 00:18:33,520

That afternoon, Randall and Paul took Lin to meet

358

00:18:33,520 --> 00:18:37,520

their 86-year-old father, Rufus Gukin.

359

00:18:37,520 --> 00:18:41,680

I had pictures of myself when I was adopted,

360

00:18:41,680 --> 00:18:43,680

that the adopted parents had taken.

361

00:18:43,680 --> 00:18:47,680

And they had pictures of Randall and I and mother

362

00:18:47,680 --> 00:18:51,680

and they had pictures of me and my mother.

363

00:18:51,680 --> 00:18:54,680

I had pictures of Randall and I and mother

364

00:18:54,680 --> 00:18:56,680

before I had been adopted.

365

00:18:56,680 --> 00:18:59,680

So we naturally had to compare all our pictures

366

00:18:59,680 --> 00:19:01,680

and all that type of thing.

367

00:19:01,680 --> 00:19:04,680

And I guess we decided that we really were brothers and sisters.

368

00:19:04,680 --> 00:19:07,680

It was very exciting, very thrilling.

369

00:19:07,680 --> 00:19:12,680

As we grew older, while we just always had a...

370

00:19:12,680 --> 00:19:17,680

the thought there, the love there, but she wasn't there.

371

00:19:17,680 --> 00:19:20,680

You want me to take it with me when I leave?

372

00:19:20,680 --> 00:19:23,680

You know, just like yesterday, you know,

373

00:19:23,680 --> 00:19:29,680

somebody to love, be loved by, that you never had before.

374

00:19:32,680 --> 00:19:36,680

I would have to say that this is like Christmas, New Year's,

375

00:19:36,680 --> 00:19:38,680

everything rolled up into one.

376

00:19:38,680 --> 00:19:42,680

When I found the family, I felt like I was queen for a day

377

00:19:42,680 --> 00:19:44,680

and all my needs.

378

00:19:51,680 --> 00:19:56,680

There are over 15 million sets of identical twins

379

00:19:56,680 --> 00:19:59,680

living in the world today.

380

00:19:59,680 --> 00:20:03,680

Throughout history, they are fascinated and delighted us all.

381

00:20:03,680 --> 00:20:09,680

Their mirror images are a perfect example of nature's whimsy.

382

00:20:09,680 --> 00:20:12,680

The physical similarities of identical twins

383

00:20:12,680 --> 00:20:14,680

can easily be explained by genetics,

384

00:20:14,680 --> 00:20:17,680

but in the three stories you're about to see,

385

00:20:17,680 --> 00:20:20,680

these eerie likenesses go beyond the realm of science

386

00:20:20,680 --> 00:20:22,680

and defy explanation.

387

00:20:29,680 --> 00:20:32,680

Mark Newman and Jerry Levy are identical twin brothers

388

00:20:32,680 --> 00:20:34,680

who were separated at birth.

389

00:20:34,680 --> 00:20:38,680

For 32 years, neither one knew the other existed.

390

00:20:38,680 --> 00:20:41,680

When they met for the first time three years ago,

391

00:20:41,680 --> 00:20:44,680

they were amazed to discover that their uncanny resemblance

392

00:20:44,680 --> 00:20:46,680

was more than skin deep.

393

00:20:46,680 --> 00:20:48,680

Too much.

394

00:20:48,680 --> 00:20:51,680

The first time we met and we went into the bathroom

395

00:20:51,680 --> 00:20:55,680

and looked in the mirror, to me it was a little spooky.

396

00:20:55,680 --> 00:21:00,680

Now I was seeing four of my faces

397

00:21:00,680 --> 00:21:03,680

instead of just one when I normally looked in the mirror.

398

00:21:03,680 --> 00:21:05,680

I graduated in 1972.

399

00:21:05,680 --> 00:21:08,680

Incredibly, Mark and Jerry separate lives

400

00:21:08,680 --> 00:21:10,680

on a different planet.

401

00:21:11,680 --> 00:21:13,680

Incredibly, Mark and Jerry separate lives

402

00:21:13,680 --> 00:21:16,680

and personal habits were nearly identical.

403

00:21:16,680 --> 00:21:20,680

Both are volunteer firemen and have worked in the lawn care industry.

404

00:21:20,680 --> 00:21:22,680

Both are confirmed bachelors.

405

00:21:22,680 --> 00:21:24,680

They always drink the same brand of beer

406

00:21:24,680 --> 00:21:28,680

and they even carry their keys in the same distinctive manner.

407

00:21:28,680 --> 00:21:31,680

We were instantly comfortable with each other.

408

00:21:31,680 --> 00:21:34,680

The only way I could explain it was it was almost like

409

00:21:34,680 --> 00:21:37,680

a brother who moved away for 32 years

410

00:21:37,680 --> 00:21:42,680

and then came back and what he'd been doing for the last 32 years.

411

00:21:42,680 --> 00:21:45,680

And as it turned out, we were doing the same exact things.

412

00:21:45,680 --> 00:21:47,680

My uncle.

413

00:21:47,680 --> 00:21:50,680

And still after 32 years of separation,

414

00:21:50,680 --> 00:21:53,680

it was like there wasn't any separation.

415

00:21:53,680 --> 00:21:56,680

Our lives were basically parallel.

416

00:21:56,680 --> 00:21:58,680

That's too much coincidence.

417

00:21:58,680 --> 00:22:00,680

Too much.

418

00:22:00,680 --> 00:22:03,680

These identical twins were at a part

419

00:22:03,680 --> 00:22:06,680

of a world where they were remarkably like

420

00:22:06,680 --> 00:22:09,680

on almost everything we look at.

421

00:22:09,680 --> 00:22:12,680

Okay, Mark and Jerry, let's have you stand up against the wall over here.

422

00:22:12,680 --> 00:22:16,680

Mark and Jerry are alike, you know, wide array of ways.

423

00:22:16,680 --> 00:22:20,680

They have a lot of gestures and postures that are the same.

424

00:22:20,680 --> 00:22:23,680

They tend to hold their beer can in the same way.

425

00:22:23,680 --> 00:22:26,680

They tend to laugh in the same way.

426

00:22:26,680 --> 00:22:29,680

There's kind of a cycle and a pattern to their laughter.

427

00:22:29,680 --> 00:22:32,680

And I've watched them sit in chairs

428

00:22:32,680 --> 00:22:35,680

and just watch the way they crossed their legs, things of that sort.

429

00:22:35,680 --> 00:22:39,680

There's a whole pattern to their behavior that's very much alike.

430

00:22:39,680 --> 00:22:41,680

Now that raises the question,

431

00:22:41,680 --> 00:22:46,680

how is it that two individuals, rear to part in entirely different environments,

432

00:22:46,680 --> 00:22:51,680

come 40 years later when they're reunited to be so similar?

433

00:22:51,680 --> 00:22:55,680

We really as scientists simply do not know.

434

00:22:57,680 --> 00:23:01,680

In some cases, the unique bond between identical twins is even more mystifying.

435

00:23:01,680 --> 00:23:04,680

Some identical twins claim to have paranormal experiences,

436

00:23:04,680 --> 00:23:07,680

such as telepathic communication or ESP,

437

00:23:07,680 --> 00:23:11,680

and even a bizarre phenomenon known as shared pain.

438

00:23:11,680 --> 00:23:16,680

Scientists can either dismiss or explain these strange occurrences.

439

00:23:16,680 --> 00:23:19,680

There's a saying among twins that's very, very common.

440

00:23:19,680 --> 00:23:21,680

It's us against the world.

441

00:23:21,680 --> 00:23:25,680

So when we go back to back, we can see 360 degrees.

442

00:23:25,680 --> 00:23:27,680

We're not blindsided.

443

00:23:27,680 --> 00:23:30,680

We see things that other people don't,

444

00:23:30,680 --> 00:23:32,680

and we protect each other.

445

00:23:32,680 --> 00:23:37,680

Identical twins Lewis and Donald Keith have lived in separate cities for most of their lives,

446

00:23:37,680 --> 00:23:40,680

but believe they are connected by a sixth sense.

447

00:23:43,680 --> 00:23:46,680

They even claim to have experienced shared pain.

448

00:23:46,680 --> 00:23:49,680

The first incident occurred three years ago

449

00:23:49,680 --> 00:23:52,680

while Lewis was working out at a health club in Chicago.

450

00:23:54,680 --> 00:23:55,680

I took a swim.

451

00:23:55,680 --> 00:23:58,680

I did a few bicycle exercises,

452

00:23:58,680 --> 00:24:03,680

and I tried this exercise, which had been told to me

453

00:24:03,680 --> 00:24:09,680

was good for getting rid of those, I guess they're colloquially called, love handles

454

00:24:09,680 --> 00:24:12,680

that everybody would like to get rid of.

455

00:24:12,680 --> 00:24:14,680

Anyway, I tried the exercise.

456

00:24:14,680 --> 00:24:16,680

It was going along very well.

457

00:24:16,680 --> 00:24:17,680

It's not difficult.

458

00:24:17,680 --> 00:24:18,680

It's not painful.

459

00:24:18,680 --> 00:24:21,680

It doesn't take any great intellectual talent,

460

00:24:21,680 --> 00:24:23,680

but I hurt myself.

461

00:24:23,680 --> 00:24:29,680

It was probably the most intense pain that I ever felt in my life.

462

00:24:33,680 --> 00:24:38,680

At that exact moment, Donald was over 500 miles away at his office

463

00:24:38,680 --> 00:24:40,680

just outside of Washington, D.C.

464

00:24:42,680 --> 00:24:45,680

I had some papers to Xerox at the office,

465

00:24:45,680 --> 00:24:47,680

and as I was walking down the corridor,

466

00:24:48,680 --> 00:24:53,680

there was this pain in my right groin area.

467

00:24:53,680 --> 00:24:58,680

This pain was unlike any I had ever experienced in my life,

468

00:24:58,680 --> 00:25:00,680

and then it was gone.

469

00:25:00,680 --> 00:25:04,680

And I wondered, what was the pain and what caused it?

470

00:25:05,680 --> 00:25:07,680

Later that day, I called Lewis,

471

00:25:07,680 --> 00:25:10,680

and his secretary said that he had injured himself,

472

00:25:10,680 --> 00:25:12,680

and he was home.

473

00:25:12,680 --> 00:25:17,680

And then my curiosity got the best of me, and I said...

474

00:25:17,680 --> 00:25:19,680

Curiosity or a sixth sense?

475

00:25:19,680 --> 00:25:23,680

I don't know. I really don't know whether it was curiosity or sixth sense,

476

00:25:23,680 --> 00:25:26,680

but I wanted to know where you hurt yourself.

477

00:25:26,680 --> 00:25:31,680

And then I found out that he had injured himself

478

00:25:31,680 --> 00:25:34,680

in the same place that I felt this pain,

479

00:25:34,680 --> 00:25:37,680

and then I asked him about the time.

480

00:25:37,680 --> 00:25:41,680

And when the time clicked, I remembered distinctly

481

00:25:41,680 --> 00:25:45,680

the hair on the back of my neck standing up.

482

00:25:45,680 --> 00:25:46,680

It was electric.

483

00:25:46,680 --> 00:25:50,680

I could just feel every hair sticking straight out.

484

00:25:53,680 --> 00:25:58,680

The experience of sharing pain proved again

485

00:25:58,680 --> 00:26:02,680

that we were identical twins, again that we were very close,

486

00:26:02,680 --> 00:26:06,680

again that psychologically and psychically

487

00:26:06,680 --> 00:26:09,680

we were able to communicate with us.

488

00:26:09,680 --> 00:26:10,680

It didn't surprise it.

489

00:26:10,680 --> 00:26:13,680

It just confirmed what we already knew.

490

00:26:15,680 --> 00:26:17,680

We feel pain for each other.

491

00:26:17,680 --> 00:26:20,680

Whenever anything happens to one,

492

00:26:20,680 --> 00:26:22,680

the other one can experience it,

493

00:26:22,680 --> 00:26:24,680

like if they're going through the same thing herself.

494

00:26:24,680 --> 00:26:27,680

For example, I fell downstairs at school.

495

00:26:27,680 --> 00:26:30,680

They came in to tell my sister they were taking me to the hospital,

496

00:26:30,680 --> 00:26:32,680

and she was unconscious.

497

00:26:33,680 --> 00:26:36,680

LaVona and LaVelda Richmond were born in 1933

498

00:26:36,680 --> 00:26:39,680

and have lived together ever since,

499

00:26:39,680 --> 00:26:42,680

even after they married their identical twin husbands,

500

00:26:42,680 --> 00:26:44,680

Alwyn and Arthur.

501

00:26:46,680 --> 00:26:49,680

We are what they call identical mirror image twins.

502

00:26:49,680 --> 00:26:53,680

Our medical history has been pretty much the same throughout our life.

503

00:26:53,680 --> 00:26:55,680

In fact, when one gets ill anymore,

504

00:26:55,680 --> 00:26:58,680

they check the other one to make sure she's going to be okay.

505

00:26:58,680 --> 00:27:01,680

We've had townials taken out together.

506

00:27:01,680 --> 00:27:04,680

We've had breast biopsies the same time.

507

00:27:04,680 --> 00:27:06,680

And we had major surgery together.

508

00:27:06,680 --> 00:27:09,680

Now eye correction is the same except for opposite eyes.

509

00:27:09,680 --> 00:27:11,680

My left eye is my weak eye.

510

00:27:11,680 --> 00:27:13,680

My right eye is my root weak eye.

511

00:27:13,680 --> 00:27:16,680

And our cavities have appeared on opposite sides.

512

00:27:18,680 --> 00:27:20,680

LaVona and LaVelda have taken part

513

00:27:20,680 --> 00:27:23,680

in many scientific studies of twin behavior.

514

00:27:23,680 --> 00:27:26,680

In one study, they were rated highest among the 300 sets of twins

515

00:27:26,680 --> 00:27:29,680

tested for extrasensory perception.

516

00:27:30,680 --> 00:27:32,680

We feel among every set of twins,

517

00:27:32,680 --> 00:27:35,680

one is the sender and one is the receiver.

518

00:27:35,680 --> 00:27:37,680

I happen to be the receiver.

519

00:27:37,680 --> 00:27:39,680

And I am the sender.

520

00:27:39,680 --> 00:27:41,680

And whenever LaVelda has been in an occasion

521

00:27:41,680 --> 00:27:44,680

where she has felt pain or has been in trouble,

522

00:27:44,680 --> 00:27:46,680

I have sensed it.

523

00:27:48,680 --> 00:27:52,680

The most startling example of this unique psychic bond occurred in 1952.

524

00:27:52,680 --> 00:27:55,680

LaVelda was riding in a car with a young man

525

00:27:55,680 --> 00:27:58,680

who had asked her to join him in town for a cup of coffee.

526

00:27:59,680 --> 00:28:01,680

Where are you going? The coffee shop is this way.

527

00:28:01,680 --> 00:28:03,680

Don't worry about it.

528

00:28:03,680 --> 00:28:05,680

We'll somewhere nice and quiet where you and I can talk.

529

00:28:05,680 --> 00:28:08,680

When this gentleman turned the opposite direction

530

00:28:08,680 --> 00:28:10,680

of what he was supposed to turn,

531

00:28:10,680 --> 00:28:12,680

I knew something was wrong.

532

00:28:12,680 --> 00:28:14,680

I got very, very uneasy.

533

00:28:14,680 --> 00:28:19,680

And I moved over as close to the passenger side of the door as I could.

534

00:28:20,680 --> 00:28:23,680

And the more he drove, the more agitated he got,

535

00:28:23,680 --> 00:28:25,680

and the more frightened I got.

536

00:28:25,680 --> 00:28:28,680

And I thought I was in trouble.

537

00:28:30,680 --> 00:28:32,680

Then when the car skidded,

538

00:28:32,680 --> 00:28:34,680

the only thing I could think of was,

539

00:28:34,680 --> 00:28:37,680

oh my God, what are they going to tell my sister?

540

00:28:38,680 --> 00:28:41,680

And evidently, that's when I got the strong message,

541

00:28:41,680 --> 00:28:43,680

was when she started thinking of me,

542

00:28:43,680 --> 00:28:47,680

how I was going to react if something had happened to her.

543

00:28:48,680 --> 00:28:50,680

I was sitting in the living room studying.

544

00:28:50,680 --> 00:28:54,680

And all of a sudden, it's just like if I went into a trance.

545

00:28:55,680 --> 00:28:58,680

I could see what was happening,

546

00:28:58,680 --> 00:29:02,680

but I could not stop the vision from happening.

547

00:29:08,680 --> 00:29:10,680

Ivona, what's wrong?

548

00:29:10,680 --> 00:29:12,680

Dad, I called the police.

549

00:29:12,680 --> 00:29:13,680

The police what for?

550

00:29:13,680 --> 00:29:15,680

Sis has been in an accident.

551

00:29:15,680 --> 00:29:17,680

And I told father to call the police,

552

00:29:17,680 --> 00:29:20,680

and I could not convince him that Sis was in trouble.

553

00:29:20,680 --> 00:29:23,680

She's hurting. She's been in an accident.

554

00:29:23,680 --> 00:29:24,680

How do you know?

555

00:29:24,680 --> 00:29:26,680

I can see it. She's on a country road.

556

00:29:26,680 --> 00:29:29,680

He told me I was jealous, I couldn't be with him.

557

00:29:29,680 --> 00:29:32,680

That this was the first time we had been separated for any event,

558

00:29:32,680 --> 00:29:34,680

and I'd better get used to it,

559

00:29:34,680 --> 00:29:38,680

because there would be other times that would be separated from her also.

560

00:29:38,680 --> 00:29:40,680

The car stopped just inches

561

00:29:40,680 --> 00:29:43,680

before plummeting into a water-filled ravine.

562

00:29:44,680 --> 00:29:45,680

Are you okay?

563

00:29:45,680 --> 00:29:47,680

Lavelda hit her head on the dashboard,

564

00:29:47,680 --> 00:29:49,680

but was not seriously hurt.

565

00:29:49,680 --> 00:29:53,680

I did not see her hit her head on the dash at the time.

566

00:29:53,680 --> 00:29:59,680

What I did see was a farmer coming with a tractor,

567

00:29:59,680 --> 00:30:01,680

pulling them out of a ditch,

568

00:30:01,680 --> 00:30:04,680

and I turned to dad, it's all right, Dad.

569

00:30:04,680 --> 00:30:08,680

The danger has passed. She's going to be okay.

570

00:30:09,680 --> 00:30:11,680

See, Dad, I told you.

571

00:30:14,680 --> 00:30:15,680

You okay?

572

00:30:15,680 --> 00:30:18,680

I was not surprised when Lavelda came in the house.

573

00:30:18,680 --> 00:30:22,680

I was showing a little bit where for her adventure,

574

00:30:22,680 --> 00:30:25,680

because I could sense what was happening,

575

00:30:25,680 --> 00:30:27,680

and I knew what was happening,

576

00:30:27,680 --> 00:30:30,680

but I was surprised at Dad's reaction.

577

00:30:30,680 --> 00:30:32,680

Listen, I don't say a word.

578

00:30:32,680 --> 00:30:36,680

Lavelda, you said you saw this thing happen, right?

579

00:30:36,680 --> 00:30:38,680

We're going to get in the car right now,

580

00:30:38,680 --> 00:30:40,680

and you're going to take us to where this thing happened.

581

00:30:40,680 --> 00:30:42,680

And I said, hi, am I going to do it, Dad?

582

00:30:42,680 --> 00:30:43,680

I've never been there.

583

00:30:43,680 --> 00:30:46,680

He said, you saw it. You can show me where it is.

584

00:30:49,680 --> 00:30:50,680

Just keep going this way.

585

00:30:50,680 --> 00:30:51,680

All right.

586

00:30:53,680 --> 00:30:56,680

Dad asked Lavelda which way to go,

587

00:30:56,680 --> 00:30:58,680

and she directed him.

588

00:30:58,680 --> 00:31:02,680

I sat in the back seat, and I kept very quiet all the way.

589

00:31:04,680 --> 00:31:06,680

And the last we were driving, I told Dad,

590

00:31:06,680 --> 00:31:07,680

you turn here, Dad.

591

00:31:07,680 --> 00:31:09,680

You say, you ever been here before?

592

00:31:09,680 --> 00:31:10,680

I said, no.

593

00:31:10,680 --> 00:31:11,680

How do you know?

594

00:31:11,680 --> 00:31:13,680

I said, I feel it. Turn here.

595

00:31:13,680 --> 00:31:16,680

And she directed Dad to the actual road,

596

00:31:16,680 --> 00:31:18,680

and when she got there, you could see the tire tracks

597

00:31:18,680 --> 00:31:20,680

where we went off and where we were pulled back

598

00:31:20,680 --> 00:31:21,680

onto the road.

599

00:31:24,680 --> 00:31:25,680

Is this the place, honey?

600

00:31:25,680 --> 00:31:27,680

Yes. It happened right here.

601

00:31:28,680 --> 00:31:30,680

After we reached the crash site,

602

00:31:30,680 --> 00:31:32,680

he said, you were right.

603

00:31:32,680 --> 00:31:35,680

I never actually believed it could happen before.

604

00:31:35,680 --> 00:31:38,680

He said, I know you told me it has happened in the past,

605

00:31:38,680 --> 00:31:41,680

but he said, this is the first time I've actually saw it,

606

00:31:41,680 --> 00:31:42,680

and I would never doubt you again.

607

00:31:42,680 --> 00:31:44,680

If you tell me one of you is in danger,

608

00:31:44,680 --> 00:31:46,680

he said, I'll believe you.

609

00:31:50,680 --> 00:31:54,680

Three intriguing stories, three sets of identical twins.

610

00:31:54,680 --> 00:31:56,680

Are they born with a paranormal ability

611

00:31:56,680 --> 00:31:58,680

to sanately communicate?

612

00:31:58,680 --> 00:32:02,680

If you were an identical twin, perhaps you already know.

613

00:32:02,680 --> 00:32:04,680

The rest of us can only wonder.

614

00:32:10,680 --> 00:32:12,680

When we return, a poignant story

615

00:32:12,680 --> 00:32:15,680

of a Tennessee family search for their missing sister.

616

00:32:24,680 --> 00:32:28,680

Our next story is about a family in the best sense of the word.

617

00:32:28,680 --> 00:32:30,680

A family that has survived hard times

618

00:32:30,680 --> 00:32:32,680

and endured to see better times.

619

00:32:32,680 --> 00:32:34,680

But for the Hinkle family of Tennessee,

620

00:32:34,680 --> 00:32:37,680

there was a sadness that the passing of 65 years

621

00:32:37,680 --> 00:32:39,680

has not managed to erode.

622

00:32:39,680 --> 00:32:42,680

It began when two infant girls were torn from their home.

623

00:32:42,680 --> 00:32:45,680

Tonight, with your help, those painful memories

624

00:32:45,680 --> 00:32:47,680

may finally be put to rest,

625

00:32:47,680 --> 00:32:50,680

and you may be able to help reunite a family.

626

00:32:53,680 --> 00:32:55,680

Greenville, Tennessee.

627

00:32:55,680 --> 00:32:58,680

A small rural community 60 miles northeast of Knoxville.

628

00:32:58,680 --> 00:33:00,680

It was the summer of 1924,

629

00:33:00,680 --> 00:33:03,680

and though the Great Depression was five years away,

630

00:33:03,680 --> 00:33:06,680

it arrived earlier than the tobacco farmers

631

00:33:06,680 --> 00:33:09,680

who carved out a marginal living in the countryside.

632

00:33:12,680 --> 00:33:14,680

Times were tough that summer,

633

00:33:14,680 --> 00:33:16,680

and tenant farmer Rufus Hinkle

634

00:33:16,680 --> 00:33:19,680

was forced to make an agonizing decision.

635

00:33:19,680 --> 00:33:22,680

Shortly after giving birth to twin girls,

636

00:33:22,680 --> 00:33:25,680

Rufus' wife of 22 years had died.

637

00:33:25,680 --> 00:33:27,680

With nine other miles to feed,

638

00:33:27,680 --> 00:33:30,680

Rufus felt incapable of making ends meet.

639

00:33:33,680 --> 00:33:35,680

We're there a little bit sick,

640

00:33:35,680 --> 00:33:37,680

but they can go to the hospital for a couple of weeks.

641

00:33:37,680 --> 00:33:39,680

Here, hold your sister while I get in the truck.

642

00:33:39,680 --> 00:33:41,680

Now, be careful. Be careful with her now.

643

00:33:41,680 --> 00:33:44,680

Now, while I'm gone, son, Lloyd is in charge.

644

00:33:44,680 --> 00:33:46,680

So you pay attention to what Lloyd says.

645

00:33:46,680 --> 00:33:48,680

You hear me? He'd be a good boy.

646

00:33:48,680 --> 00:33:51,680

He was a man that loved his family,

647

00:33:51,680 --> 00:33:53,680

and he hated to part with any of us,

648

00:33:53,680 --> 00:33:55,680

especially the twins,

649

00:33:55,680 --> 00:33:58,680

but sometime you got to sacrifice

650

00:33:58,680 --> 00:34:01,680

and just do the best you can do.

651

00:34:01,680 --> 00:34:04,680

Bye, Mary. Bye, Martha.

652

00:34:04,680 --> 00:34:06,680

Bye, Papa. Bye, son.

653

00:34:11,680 --> 00:34:14,680

On that hot July afternoon in 1924,

654

00:34:14,680 --> 00:34:16,680

Rufus Hinkle took his two baby girls

655

00:34:16,680 --> 00:34:18,680

on a one-way trip to the orphanage.

656

00:34:18,680 --> 00:34:20,680

He hoped to reclaim Mary and Martha

657

00:34:20,680 --> 00:34:22,680

once his fortunes improved.

658

00:34:25,680 --> 00:34:28,680

I'm sure that after he left the twins at the orphanage

659

00:34:28,680 --> 00:34:31,680

that he worried about them and thought about them a lot,

660

00:34:31,680 --> 00:34:35,680

and one of his sons, Lloyd,

661

00:34:35,680 --> 00:34:38,680

remembers going to the orphanage with Rufus

662

00:34:38,680 --> 00:34:41,680

to see about the twins and see if they could take them back.

663

00:34:43,680 --> 00:34:45,680

Sadly, it was too late.

664

00:34:45,680 --> 00:34:47,680

The twins had already been given away.

665

00:34:47,680 --> 00:34:49,680

We did try to place them together,

666

00:34:49,680 --> 00:34:51,680

but that was just not possible.

667

00:34:51,680 --> 00:34:53,680

They'll be well taken care of, you say?

668

00:34:53,680 --> 00:34:55,680

You don't have to worry about that. They're with fine families.

669

00:34:55,680 --> 00:34:58,680

Well, must be the Lord's will.

670

00:34:58,680 --> 00:35:00,680

I'm very sorry, Mr. Hinkle.

671

00:35:00,680 --> 00:35:02,680

Thank you, ma'am.

672

00:35:07,680 --> 00:35:09,680

Come on, son. We're going home.

673

00:35:11,680 --> 00:35:14,680

Rufus Hinkle never saw his two daughters again.

674

00:35:14,680 --> 00:35:17,680

He passed away in 1950.

675

00:35:19,680 --> 00:35:23,680

Later on, I heard that they would not tell us

676

00:35:23,680 --> 00:35:26,680

where they were at until my father died.

677

00:35:26,680 --> 00:35:29,680

So shortly after he died,

678

00:35:29,680 --> 00:35:33,680

we started looking for the twins and we found Mary.

679

00:35:34,680 --> 00:35:39,680

In 1955, Rufus' son, Shorty, contacted the orphanage.

680

00:35:39,680 --> 00:35:43,680

Though unable to locate Martha, they were able to trace Mary.

681

00:35:44,680 --> 00:35:46,680

In September of that year,

682

00:35:46,680 --> 00:35:49,680

Shorty and his wife drove into Bluefield, West Virginia

683

00:35:49,680 --> 00:35:51,680

to meet the sister he never knew.

684

00:35:52,680 --> 00:35:55,680

As we drove by, my wife says to me,

685

00:35:55,680 --> 00:35:57,680

right there she sat, said,

686

00:35:57,680 --> 00:35:59,680

I know that's her. She looks just like your brother.

687

00:35:59,680 --> 00:36:01,680

And sure it was Mary.

688

00:36:01,680 --> 00:36:04,680

We know the first look that it was.

689

00:36:04,680 --> 00:36:07,680

And it was a very happy time. Very.

690

00:36:14,680 --> 00:36:18,680

It was like finding a part of you that had always been missing.

691

00:36:18,680 --> 00:36:21,680

And just like putting something together,

692

00:36:21,680 --> 00:36:24,680

and when you put two and two together, you got a hold, you know?

693

00:36:24,680 --> 00:36:26,680

And it was just great.

694

00:36:26,680 --> 00:36:28,680

Oh, it feels great to know that we can,

695

00:36:28,680 --> 00:36:31,680

we'll all be together at times and be a family

696

00:36:31,680 --> 00:36:34,680

that they are a part of me and part of my,

697

00:36:34,680 --> 00:36:36,680

I'm part of their blood, they're part of mine.

698

00:36:36,680 --> 00:36:38,680

Why don't you come on over here and have a seat.

699

00:36:38,680 --> 00:36:40,680

Let me take your picture.

700

00:36:40,680 --> 00:36:42,680

Okay. Sit down.

701

00:36:42,680 --> 00:36:44,680

Okay. Smile.

702

00:36:46,680 --> 00:36:48,680

Oh, great. No shorty.

703

00:36:48,680 --> 00:36:51,680

It's amazing how much he looks like Dalton.

704

00:36:51,680 --> 00:36:53,680

I can't believe it. She does.

705

00:36:53,680 --> 00:36:57,680

That afternoon, Mary learned that she had a twin sister.

706

00:36:57,680 --> 00:36:59,680

Mary, I've got some news for you.

707

00:36:59,680 --> 00:37:02,680

You have a twin sister named Martha.

708

00:37:02,680 --> 00:37:04,680

Really? Really.

709

00:37:04,680 --> 00:37:06,680

I just don't came to explain how I did feel,

710

00:37:06,680 --> 00:37:12,680

not knowing that I had a twin sister, a part of me.

711

00:37:12,680 --> 00:37:13,680

Where is she?

712

00:37:13,680 --> 00:37:15,680

Well, we don't know that exactly.

713

00:37:15,680 --> 00:37:19,680

Shorty told Mary that the orphanage had lost track of Martha.

714

00:37:19,680 --> 00:37:21,680

She had never been officially adopted,

715

00:37:21,680 --> 00:37:24,680

and instead been sent to a temporary home.

716

00:37:24,680 --> 00:37:26,680

We can't seem to find her.

717

00:37:26,680 --> 00:37:30,680

I've often wondered if it's been good,

718

00:37:30,680 --> 00:37:33,680

or if Martha's life has been bad.

719

00:37:33,680 --> 00:37:36,680

You wonder about them things.

720

00:37:36,680 --> 00:37:40,680

Thirty years later, Rufus' granddaughter, Jackie,

721

00:37:40,680 --> 00:37:42,680

took on the family quest.

722

00:37:42,680 --> 00:37:46,680

Well, I started my search for Martha at Hostin Home

723

00:37:46,680 --> 00:37:48,680

for children in Greenville,

724

00:37:48,680 --> 00:37:51,680

and I was placed along with Mary in 1924.

725

00:37:51,680 --> 00:37:54,680

And they showed me what records you know that they could

726

00:37:54,680 --> 00:37:56,680

that were available.

727

00:37:56,680 --> 00:37:58,680

Record to her.

728

00:37:58,680 --> 00:38:00,680

Yeah.

729

00:38:00,680 --> 00:38:04,680

In 1986, Jackie uncovered the original orphanage records.

730

00:38:04,680 --> 00:38:06,680

Greenville, Tennessee.

731

00:38:06,680 --> 00:38:08,680

She learned that in November of 1924,

732

00:38:08,680 --> 00:38:10,680

Martha had been given temporarily

733

00:38:10,680 --> 00:38:12,680

to a Charles and Lidah meek in Johnson City,

734

00:38:12,680 --> 00:38:15,680

a small town 30 miles away from Greenville.

735

00:38:15,680 --> 00:38:17,680

She's adorable.

736

00:38:17,680 --> 00:38:20,680

Oh, wonderful.

737

00:38:20,680 --> 00:38:24,680

So then I centered my search in Johnson City,

738

00:38:24,680 --> 00:38:28,680

and I went through old record books and census records

739

00:38:28,680 --> 00:38:31,680

and city directories and things of that sort.

740

00:38:31,680 --> 00:38:34,680

Went down Sydney Street where she was supposed to live,

741

00:38:34,680 --> 00:38:39,680

and I've never found any trace of the meeks whatsoever,

742

00:38:39,680 --> 00:38:43,680

so I really don't know what happened to them from there.

743

00:38:43,680 --> 00:38:46,680

Congratulations.

744

00:38:46,680 --> 00:38:48,680

Not much is known about the meeks,

745

00:38:48,680 --> 00:38:51,680

other than the fact that Charles was a 34-year-old farmer

746

00:38:51,680 --> 00:38:54,680

and a member of the Holiness Church.

747

00:38:54,680 --> 00:38:56,680

Well...

748

00:38:56,680 --> 00:38:58,680

In April of 1990,

749

00:38:58,680 --> 00:39:02,680

three generations of Hankels got together for a family reunion.

750

00:39:02,680 --> 00:39:06,680

There was only one person missing.

751

00:39:06,680 --> 00:39:10,680

Today, the family refuses to give up the search for Martha.

752

00:39:10,680 --> 00:39:13,680

They are certain that she is alive somewhere.

753

00:39:13,680 --> 00:39:15,680

They want her to become part of a family

754

00:39:15,680 --> 00:39:18,680

that has never stopped caring about one another.

755

00:39:20,680 --> 00:39:23,680

Our family has been very close, very close,

756

00:39:23,680 --> 00:39:28,680

but we're not a complete family without finding any other sister.

757

00:39:28,680 --> 00:39:31,680

We found Mary, this was the part of it,

758

00:39:31,680 --> 00:39:34,680

but there's still a part of us missing yet.

759

00:39:34,680 --> 00:39:39,680

Oh, it would just be the happiest day of my life

760

00:39:39,680 --> 00:39:44,680

to get to be reunited with my twin sister, Martha.

761

00:39:44,680 --> 00:39:47,680

There are no known pictures of Martha,

762

00:39:47,680 --> 00:39:51,680

but there is a chance that Mary and Martha are identical twins.

763

00:39:51,680 --> 00:39:55,680

These photographs of Mary may help identify her lost sister.

764

00:39:55,680 --> 00:39:59,680

The first was taken when she was eight years old.

765

00:39:59,680 --> 00:40:02,680

The second when she was 17.

766

00:40:02,680 --> 00:40:06,680

This is how Mary appears today.

767

00:40:06,680 --> 00:40:10,680

She and Martha were born in the spring of 1924.

768

00:40:10,680 --> 00:40:14,680

They were taken to the Holston Orphanage in Greenville, Tennessee

769

00:40:14,680 --> 00:40:17,680

when they were four months old.

770

00:40:19,680 --> 00:40:21,680

Shortly after our broadcast,

771

00:40:21,680 --> 00:40:24,680

one of our viewers, Sandy Detain of San Bernardino, California,

772

00:40:24,680 --> 00:40:27,680

contacted the Hankel family with surprising news.

773

00:40:27,680 --> 00:40:30,680

During a search for her mother's biological family,

774

00:40:30,680 --> 00:40:33,680

Sandy accidentally discovered the location

775

00:40:33,680 --> 00:40:36,680

of Martha Hankel's adopted family.

776

00:40:37,680 --> 00:40:40,680

Martha lived with John and Lidah Meeks for three years.

777

00:40:40,680 --> 00:40:42,680

When the couple divorced,

778

00:40:42,680 --> 00:40:45,680

Martha was taken in by the Dan Jackson family

779

00:40:45,680 --> 00:40:47,680

of Johnson County, Georgia.

780

00:40:47,680 --> 00:40:50,680

In 1940, she married James Thomas,

781

00:40:50,680 --> 00:40:53,680

and together they had four sons.

782

00:40:53,680 --> 00:40:56,680

Sadly, Martha passed away just weeks

783

00:40:56,680 --> 00:41:00,680

before the Hankel family could contact her.

784

00:41:00,680 --> 00:41:03,680

I'm glad that I found her.

785

00:41:03,680 --> 00:41:06,680

We won't have to do no more searching,

786

00:41:06,680 --> 00:41:09,680

but it's so sad that I couldn't meet her,

787

00:41:09,680 --> 00:41:12,680

that I couldn't be with her just to talk to her,

788

00:41:12,680 --> 00:41:17,680

just for air to and tell her that I loved her.

789

00:41:19,680 --> 00:41:21,680

Although she never realized her dream

790

00:41:21,680 --> 00:41:23,680

of meeting her twin sister,

791

00:41:23,680 --> 00:41:26,680

Mary's 35-year search was not in vain.

792

00:41:26,680 --> 00:41:29,680

On July 27, 1991,

793

00:41:29,680 --> 00:41:31,680

Martha's four sons met Mary

794

00:41:31,680 --> 00:41:34,680

and decided the family they had never known.

795

00:41:34,680 --> 00:41:37,680

That day, in a bittersweet reunion,

796

00:41:37,680 --> 00:41:40,680

two families came together as one.

797

00:41:43,680 --> 00:41:46,680

We were part of the family before we ever walked up

798

00:41:46,680 --> 00:41:48,680

and touched one of them.

799

00:41:48,680 --> 00:41:50,680

It was written all over their faces.

800

00:41:50,680 --> 00:41:53,680

When we saw those smiles and tender hearts,

801

00:41:53,680 --> 00:41:56,680

all the little fears, big fears,

802

00:41:56,680 --> 00:41:58,680

and apprehensions just left.

803

00:41:58,680 --> 00:42:00,680

It was all over the whip.

804

00:42:00,680 --> 00:42:02,680

I'm glad to be home with our family.

805

00:42:05,680 --> 00:42:08,680

I'm proud that she left four sons,

806

00:42:08,680 --> 00:42:12,680

left part of her here for me to get together

807

00:42:12,680 --> 00:42:15,680

and know her through her sons.

808

00:42:15,680 --> 00:42:19,680

But part of them is gone that I never found,

809

00:42:19,680 --> 00:42:21,680

and I never will find,

810

00:42:21,680 --> 00:42:24,680

but she'll always be in my heart.

811

00:42:26,680 --> 00:42:34,680

The End

812

00:42:34,680 --> 00:42:37,680

Next, a cunning and disturbed child molester

813

00:42:37,680 --> 00:42:40,680

is added to the FBI's 10 Most Wanted List.

814

00:42:50,680 --> 00:42:52,680

40 years ago, the Federal Bureau of Investigation

815

00:42:52,680 --> 00:42:54,680

initiated its 10 Most Wanted List

816

00:42:54,680 --> 00:42:57,680

to alert the public of the most dangerous criminals in America.

817

00:42:57,680 --> 00:42:59,680

Now from Washington, D.C.,

818

00:42:59,680 --> 00:43:03,680

a special appeal by FBI Director William Sessions.

819

00:43:04,680 --> 00:43:09,680

Since 1950, 125 fugitives on the FBI's 10 Most Wanted List

820

00:43:09,680 --> 00:43:12,680

have been captured thanks to your help.

821

00:43:12,680 --> 00:43:15,680

Tonight, with this broadcast of Unsolved Mysteries,

822

00:43:15,680 --> 00:43:17,680

we are announcing the most recent addition

823

00:43:17,680 --> 00:43:19,680

to the Most Wanted List.

824

00:43:19,680 --> 00:43:21,680

He is Kenneth Robert Stanton,

825

00:43:21,680 --> 00:43:24,680

who has been on charges of child molestation, burglary,

826

00:43:24,680 --> 00:43:26,680

unlawful flight to avoid prosecution,

827

00:43:26,680 --> 00:43:28,680

and impersonating a police officer.

828

00:43:28,680 --> 00:43:30,680

Please watch carefully.

829

00:43:32,680 --> 00:43:37,680

In 1964, Kenneth Robert Stanton was convicted of child molestation.

830

00:43:37,680 --> 00:43:41,680

He was committed to a state mental hospital in Ionia, Michigan.

831

00:43:41,680 --> 00:43:45,680

Stanton was diagnosed as a criminal sexual psychopath.

832

00:43:46,680 --> 00:43:50,680

A few years later, Stanton was declared fit to re-enter society

833

00:43:50,680 --> 00:43:52,680

and set free.

834

00:43:55,680 --> 00:44:00,680

In 1989, Kenneth Stanton was identified by a young girl in Jackson, Mississippi.

835

00:44:00,680 --> 00:44:03,680

The events she described matched the modus operandi

836

00:44:03,680 --> 00:44:06,680

of numerous molestations attributed to Stanton.

837

00:44:09,680 --> 00:44:12,680

Kenneth Robert Stanton quite frequently scouts

838

00:44:12,680 --> 00:44:14,680

in upper middle class white neighborhood

839

00:44:14,680 --> 00:44:19,680

and carefully selects a house where a victim is quite often home alone.

840

00:44:19,680 --> 00:44:24,680

Usually, a young white female is between the ages of 7 and 12,

841

00:44:24,680 --> 00:44:29,680

and his job as a traveling salesman permits him time to do this.

842

00:44:29,680 --> 00:44:33,680

He is careful to approach the house so as not to disturb anybody.

843

00:44:33,680 --> 00:44:36,680

He usually wears a conservative suit.

844

00:44:36,680 --> 00:44:38,680

He's nice looking. He's well dressed.

845

00:44:41,680 --> 00:44:44,680

Quite often, Stanton comes to the front door of the house,

846

00:44:44,680 --> 00:44:47,680

presents himself as a person of authority,

847

00:44:47,680 --> 00:44:52,680

and quite often shows a badge as though he were a policeman dressed in plain clothes.

848

00:44:55,680 --> 00:44:57,680

Hi, is your mother home?

849

00:44:57,680 --> 00:44:58,680

No.

850

00:44:58,680 --> 00:45:01,680

Well, I'm Officer Tom Cole. I'm with the local police department.

851

00:45:01,680 --> 00:45:03,680

We're helping out the county health service.

852

00:45:03,680 --> 00:45:05,680

There's been a report of contaminated milk in the area,

853

00:45:05,680 --> 00:45:07,680

and I'd like to come in and check if I could.

854

00:45:07,680 --> 00:45:09,680

I'm not supposed to let strangers in the house.

855

00:45:09,680 --> 00:45:11,680

Well, I'm not a stranger. I'm a policeman.

856

00:45:11,680 --> 00:45:13,680

I've been up and down the neighborhood all day

857

00:45:13,680 --> 00:45:16,680

checking your neighbor's icebox for the milk and the expiration date.

858

00:45:16,680 --> 00:45:23,680

He often has a clipboard and indicates to the child in the house that he's taking a survey

859

00:45:23,680 --> 00:45:29,680

or that he's looking for contaminated milk and that he's there to test the milk and the refrigerator.

860

00:45:29,680 --> 00:45:32,680

Do you know where your milk is coming from?

861

00:45:32,680 --> 00:45:33,680

No.

862

00:45:33,680 --> 00:45:36,680

Well, that's even more reason I should come in and check.

863

00:45:36,680 --> 00:45:38,680

It'll only take a minute.

864

00:45:38,680 --> 00:45:41,680

If a young person would resist entry,

865

00:45:41,680 --> 00:45:46,680

Stanton quite often displays a bag of marijuana or a marijuana cigarette,

866

00:45:46,680 --> 00:45:48,680

stating that he found this on the front porch,

867

00:45:48,680 --> 00:45:52,680

and he's entitled to search the house for evidence.

868

00:45:52,680 --> 00:45:55,680

Well, how do I know that you're really a policeman?

869

00:45:55,680 --> 00:45:58,680

Well, here's my badge.

870

00:45:58,680 --> 00:46:01,680

He has a high IQ, and he's very intelligent,

871

00:46:01,680 --> 00:46:04,680

and he's able to gain their confidence to get inside the house.

872

00:46:04,680 --> 00:46:05,680

I'll be gone.

873

00:46:05,680 --> 00:46:06,680

Okay.

874

00:46:06,680 --> 00:46:07,680

All right.

875

00:46:07,680 --> 00:46:18,680

Once he's inside and he's determined that the children or child is alone,

876

00:46:18,680 --> 00:46:21,680

he blindfolds them frequently.

877

00:46:21,680 --> 00:46:26,680

Quite often he uses eye drops and a thermometer, possibly for a distraction.

878

00:46:26,680 --> 00:46:31,680

It's at that time then that he continues on and assaults the children.

879

00:46:31,680 --> 00:46:32,680

Get out.

880

00:46:32,680 --> 00:46:33,680

Get out.

881

00:46:34,680 --> 00:46:39,680

In the summer of 1989, at Jackson, Mississippi, Stanton,

882

00:46:39,680 --> 00:46:42,680

was in the house of a young white female attempting to assault

883

00:46:42,680 --> 00:46:45,680

when she screamed and scared him away.

884

00:46:45,680 --> 00:46:50,680

When he ran out of the house, a neighbor boy saw him jump into a car

885

00:46:50,680 --> 00:46:53,680

and correctly wrote down his license tag number.

886

00:46:56,680 --> 00:46:59,680

Thereafter, police were able to use that license number

887

00:46:59,680 --> 00:47:05,680

and identify that car as being registered to Kenneth Robert Stanton of Mobile, Alabama.

888

00:47:05,680 --> 00:47:09,680

Christy, what I need you to do is I need you to look at each and every picture

889

00:47:09,680 --> 00:47:13,680

and think in your mind what this man looks like,

890

00:47:13,680 --> 00:47:18,680

and then look at each and every picture and pick out the picture that looks like him.

891

00:47:18,680 --> 00:47:19,680

Okay?

892

00:47:19,680 --> 00:47:20,680

Hey.

893

00:47:20,680 --> 00:47:22,680

The young girl who was assaulted on that day,

894

00:47:22,680 --> 00:47:27,680

thereafter picked out a photograph of Stanton from a spread presented to her

895

00:47:27,680 --> 00:47:30,680

by the Jackson, Mississippi Police Department.

896

00:47:30,680 --> 00:47:32,680

That's the man.

897

00:47:32,680 --> 00:47:33,680

That's the man?

898

00:47:33,680 --> 00:47:35,680

That's him.

899

00:47:35,680 --> 00:47:38,680

After the Jackson, Mississippi assault,

900

00:47:38,680 --> 00:47:42,680

Stanton apparently traveled east through Alabama and Georgia

901

00:47:42,680 --> 00:47:48,680

and committed several crimes before he was identified at Houston County, Georgia.

902

00:47:48,680 --> 00:47:54,680

There were identifications of Stanton at Jackson, Mississippi and Columbus, Mississippi,

903

00:47:54,680 --> 00:48:01,680

as well as Tuscaloosa, Alabama, Leesburg, Georgia, Douglasville, Georgia, and Warner Robbins, Georgia.

904

00:48:03,680 --> 00:48:10,680

Stanton is suspected of at least 11 child molestations from Mississippi, Alabama, and into Georgia.

905

00:48:10,680 --> 00:48:16,680

After reviewing a number of these cases and looking at Stanton's history from the early 1960s,

906

00:48:16,680 --> 00:48:21,680

we were able to conclude that he apparently was a lifelong child molester

907

00:48:21,680 --> 00:48:26,680

and probably could be described as a serial child molester.

908

00:48:26,680 --> 00:48:32,680

Kenneth Robert Stanton is 52 years old, approximately 6 feet tall and weighs 170 pounds.

909

00:48:32,680 --> 00:48:35,680

He has blue eyes and brown thinning hair.

910

00:48:35,680 --> 00:48:39,680

He usually wears glasses and occasionally sports a mustache and beard.

911

00:48:39,680 --> 00:48:43,680

Stanton travels frequently and works as a heavy equipment salesman.

912

00:48:43,680 --> 00:48:45,680

He is known to have relatives in Indiana.

913

00:48:45,680 --> 00:48:50,680

In December of 1989, his car was found abandoned in Terriesburg, Ohio.

914

00:48:54,680 --> 00:48:57,680

Update. Kenneth Robert Stanton has been captured.

915

00:48:57,680 --> 00:49:01,680

Within minutes of our broadcast, several viewers called our telecenter

916

00:49:01,680 --> 00:49:05,680

to report that Stanton was living in a trailer park in Moreno, Ohio with his wife.

917

00:49:05,680 --> 00:49:08,680

He had been married just a few weeks earlier.

918

00:49:08,680 --> 00:49:12,680

Local police and FBI agents arrived at Stanton's trailer

919

00:49:12,680 --> 00:49:16,680

only to learn that he himself had seen our broadcast and fled.

920

00:49:16,680 --> 00:49:20,680

Stanton's wife and neighbors were stuck.

921

00:49:20,680 --> 00:49:23,680

I've talked to my son and I've had him in front of the house

922

00:49:23,680 --> 00:49:26,680

staying in the yard just in case he comes back.

923

00:49:26,680 --> 00:49:29,680

You know, I don't want someone like him running around the streets at all.

924

00:49:29,680 --> 00:49:33,680

You know, anyone that does anything like that should be put away.

925

00:49:33,680 --> 00:49:36,680

Five days later, Stanton's identified in Rock Hill, South Carolina

926

00:49:36,680 --> 00:49:41,680

after he allegedly attempted to molest a nine-year-old girl.

927

00:49:41,680 --> 00:49:43,680

Based on seeing the segment on the program,

928

00:49:43,680 --> 00:49:45,680

coupled with a police report,

929

00:49:45,680 --> 00:49:50,680

we suspected there was a strong possibility that Stanton was in Rock Hill

930

00:49:50,680 --> 00:49:52,680

or somewhere in this area.

931

00:49:52,680 --> 00:49:57,680

And we proceeded on that assumption that he was possibly staying at a local motel.

932

00:49:58,680 --> 00:50:04,680

Two days later, FBI agents spotted Stanton's car in the parking lot of this motel.

933

00:50:04,680 --> 00:50:06,680

After identifying the vehicle,

934

00:50:06,680 --> 00:50:13,680

we established the surveillance of the motel with FBI agents in New York County Sheriff's Department of Detectives.

935

00:50:13,680 --> 00:50:19,680

Incredibly, a check with the motel office revealed that Stanton had registered under his own name.

936

00:50:19,680 --> 00:50:25,680

He had indicated to the clerk previously that he wanted to stay an additional week,

937

00:50:25,680 --> 00:50:28,680

but he also wanted to move to the main building.

938

00:50:28,680 --> 00:50:35,680

The clerk in our direction called his room, told him the new room was ready

939

00:50:35,680 --> 00:50:37,680

and he could move.

940

00:50:37,680 --> 00:50:41,680

When Stanton emerged from his room, we arrested him.

941

00:50:41,680 --> 00:50:44,680

We asked Stanton his name. He said, you know who I am.

942

00:50:44,680 --> 00:50:50,680

And he indicated that he was not a threat to us, that he was only a threat to himself.

943

00:50:50,680 --> 00:50:54,680

He did indicate that the following day was his birthday.

944

00:51:06,680 --> 00:51:17,680

Next week, Unsolved Mysteries falls on Halloween.

945

00:51:17,680 --> 00:51:24,680

In keeping with that tradition, four intriguing mysteries of eerie people and events which cannot be explained.

946

00:51:24,680 --> 00:51:31,680

Scores of witnesses in South Carolina say they have encountered legendary ghosts called the Gray Man.

947

00:51:31,680 --> 00:51:37,680

Some even claim that he has saved their homes by warning them of approaching hurricanes.

948

00:51:37,680 --> 00:51:45,680

We'll also meet a woman named Katie, whose apparent psychic powers have left eyewitnesses baffled and skeptics crying fraud.

949

00:51:45,680 --> 00:51:53,680

On Halloween, just two years ago, 29-year-old David Stone set forth on a spiritual odyssey in the bleak desert in New Mexico.

950

00:51:53,680 --> 00:52:00,680

He never returned. Authorities are still perplexed by a trail of mystical clues he left behind.

951

00:52:00,680 --> 00:52:05,680

Join us on Halloween for a special edition of Unsolved Mysteries.
