

1

00:00:00,000 --> 00:00:04,600

The image is still provoked stunned disbelief.

2

00:00:04,600 --> 00:00:07,600

As investigators continue the search for answers,

3

00:00:07,600 --> 00:00:10,200

conspiracy buffs continue to push scenarios

4

00:00:10,200 --> 00:00:13,440

of military involvement and high-level cover-up.

5

00:00:13,440 --> 00:00:18,280

What happened to TWA Flight 800?

6

00:00:18,280 --> 00:00:21,280

It was a young family's dream house that turned into a nightmare

7

00:00:21,280 --> 00:00:23,080

of ghostly termites.

8

00:00:23,080 --> 00:00:26,320

The story of the night was told by a young man

9

00:00:26,320 --> 00:00:28,320

who was in the middle of a dream.

10

00:00:28,320 --> 00:00:30,320

He turned into a nightmare of ghostly turmoil

11

00:00:30,320 --> 00:00:32,240

and demonic mayhem.

12

00:00:32,240 --> 00:00:34,200

Can a team of high-tech ghostbusters

13

00:00:34,200 --> 00:00:36,640

find out what's behind the chaos?

14

00:00:36,640 --> 00:00:42,000

Don't miss this hair-raising tour of a haunted house.

15

00:00:42,000 --> 00:00:45,080

From ancient Greece to TV Zema, the mythic exploits

16

00:00:45,080 --> 00:00:47,680

of fearless women warriors have captivated countless

17

00:00:47,680 --> 00:00:49,080

generations.

18

00:00:49,080 --> 00:00:51,880

But were the Amazons more than just a legend?

19

00:00:51,880 --> 00:00:56,800

Recent discoveries in Russia may provide a surprising answer.

20

00:00:56,800 --> 00:01:00,160

In 1992, doctors told Candy Hawner's family

21

00:01:00,160 --> 00:01:02,000

to prepare for the worst.

22

00:01:02,000 --> 00:01:04,280

But as she slipped into a coma, Candy

23

00:01:04,280 --> 00:01:07,840

says she was visited by an extraordinary vision of love,

24

00:01:07,840 --> 00:01:11,720

a vision that brought her back from the brink of death.

25

00:01:11,720 --> 00:01:14,040

Join me for these intriguing cases.

26

00:01:14,040 --> 00:01:18,120

Perhaps you may be able to solve one of tonight's unsolved

27

00:01:18,120 --> 00:01:19,120

mysteries.

28

00:01:56,800 --> 00:02:16,760

For most of us haunted houses are the places we visit on Halloween.

29

00:02:16,760 --> 00:02:20,800

We scream, we jump, we laugh, and we go home.

30

00:02:20,800 --> 00:02:23,920

But for 20 years, a family in a suburb of Cleveland, Ohio

31

00:02:23,960 --> 00:02:26,600

was had to deal with a daunting fact that for them,

32

00:02:26,600 --> 00:02:28,480

home is a haunted house.

33

00:02:31,040 --> 00:02:31,640

OK.

34

00:02:31,640 --> 00:02:32,440

Got it?

35

00:02:32,440 --> 00:02:35,000

Yeah, you first.

36

00:02:35,000 --> 00:02:40,120

In 1972, a newly married couple will call them Joe and Mary Smith,

37

00:02:40,120 --> 00:02:42,640

moved into what they thought was their dream home.

38

00:02:42,640 --> 00:02:44,960

But the dream didn't last long.

39

00:02:44,960 --> 00:02:47,520

By the time Mary was pregnant with her first child,

40

00:02:47,520 --> 00:02:49,320

she got her first warning.

41

00:02:49,320 --> 00:02:50,920

Something was seriously wrong.

42

00:02:53,920 --> 00:03:05,080

On a night when Mary was all alone,

43

00:03:05,080 --> 00:03:07,240

she heard a commotion start up in the attic.

44

00:03:10,640 --> 00:03:13,520

It really worried me because it sounded much more than a ma

45

00:03:13,520 --> 00:03:15,840

with Sarah Raccoon or something.

46

00:03:15,840 --> 00:03:19,240

Sarah like grating noises and things being dragged,

47

00:03:19,240 --> 00:03:19,960

start to speak.

48

00:03:24,800 --> 00:03:28,000

Mary called her father a Cleveland police detective.

49

00:03:28,000 --> 00:03:29,960

He approached the attic with gun drawn,

50

00:03:29,960 --> 00:03:31,040

expecting a burglar.

51

00:03:40,240 --> 00:03:43,600

Sweetheart, take a look at this.

52

00:03:46,800 --> 00:03:49,520

Oh my god.

53

00:03:49,520 --> 00:03:52,000

The attic was a complete mess.

54

00:03:52,000 --> 00:03:53,520

Blankets pulled out.

55

00:03:53,520 --> 00:03:55,600

Boxes of Christmas ornaments dumped.

56

00:03:55,600 --> 00:03:57,920

Childhood trinkets broken.

57

00:03:57,920 --> 00:04:00,320

There was no sign of a human culprit.

58

00:04:00,320 --> 00:04:05,160

The attic was supposed to be sealed tight against animals.

59

00:04:05,160 --> 00:04:09,840

The thought ran through my mind that no animal could possibly

60

00:04:09,840 --> 00:04:12,560

have done that kind of chaos.

61

00:04:12,560 --> 00:04:14,000

It wasn't probable.

62

00:04:14,000 --> 00:04:17,520

And at that point, I just shivered, kind of like with fear,

63

00:04:17,520 --> 00:04:21,080

because something was there that I didn't know about,

64

00:04:21,080 --> 00:04:23,680

and I didn't particularly care for that feeling at all.

65

00:04:27,560 --> 00:04:31,120

Hints of something sinister in the house never stopped.

66

00:04:31,120 --> 00:04:33,240

Door knobs turned of their own accord,

67

00:04:33,240 --> 00:04:35,840

and the strange noises continued.

68

00:04:35,840 --> 00:04:38,600

Mary soon learned the house had a disturbing past.

69

00:04:43,680 --> 00:04:46,520

In the 1940s, previous owners had reportedly

70

00:04:46,520 --> 00:04:48,520

adopted a little boy.

71

00:04:48,560 --> 00:04:51,400

One day, the child mysteriously vanished.

72

00:04:51,400 --> 00:04:55,560

Even now, no one knows what happened to him.

73

00:04:55,560 --> 00:04:58,320

Over the years, Mary couldn't help but suspect

74

00:04:58,320 --> 00:05:02,320

that that boy might be connected to the hauntings.

75

00:05:02,320 --> 00:05:05,080

One night, when her own son was almost the same age

76

00:05:05,080 --> 00:05:09,120

as a long lost child, Mary says he led out a blood curdling

77

00:05:09,120 --> 00:05:10,600

scream.

78

00:05:10,600 --> 00:05:11,560

Mollye!

79

00:05:14,040 --> 00:05:15,040

What's wrong, Mary?

80

00:05:15,040 --> 00:05:16,040

Are you hurt?

81

00:05:16,040 --> 00:05:16,960

Mary.

82

00:05:16,960 --> 00:05:20,440

It just was a very tormented type of a cry.

83

00:05:20,440 --> 00:05:24,200

That's what I heard in his voice, was that horrible fear.

84

00:05:24,200 --> 00:05:26,960

What do you see, honey?

85

00:05:26,960 --> 00:05:30,320

Mary had no idea what had so traumatized her son

86

00:05:30,320 --> 00:05:33,680

until he visited his grandmother a few weeks later.

87

00:05:33,680 --> 00:05:35,640

I'll be in the kitchen if you need me.

88

00:05:35,640 --> 00:05:36,640

Grandma!

89

00:05:45,640 --> 00:05:46,640

Grandma!

90

00:05:51,640 --> 00:05:53,640

Oh, why don't I go home?

91

00:05:53,640 --> 00:05:54,640

Well, why?

92

00:05:54,640 --> 00:05:55,640

I don't know.

93

00:05:55,640 --> 00:05:56,640

What happened?

94

00:05:56,640 --> 00:05:59,640

He says, grandma, I want to go home.

95

00:05:59,640 --> 00:06:01,640

I'm not never coming back here again.

96

00:06:01,640 --> 00:06:02,640

I says, why?

97

00:06:02,640 --> 00:06:03,640

Why?

98

00:06:03,640 --> 00:06:05,640

Why aren't you coming back?

99

00:06:05,640 --> 00:06:08,640

He says, no, no, no, devil, devil.

100

00:06:08,640 --> 00:06:10,640

What is he talking about?

101

00:06:10,640 --> 00:06:11,640

What?

102

00:06:11,640 --> 00:06:12,640

A ghetto.

103

00:06:12,640 --> 00:06:13,640

What are you saying?

104

00:06:13,640 --> 00:06:14,640

A ghetto.

105

00:06:14,640 --> 00:06:15,640

Devil?

106

00:06:15,640 --> 00:06:16,640

A ghetto.

107

00:06:16,640 --> 00:06:20,640

The child was pointing at a religious picture of St. Michael

108

00:06:20,640 --> 00:06:24,640

the Archangel trampling Satan underfoot.

109

00:06:24,640 --> 00:06:27,640

The little boy later told his mother it was the same devil

110

00:06:27,640 --> 00:06:29,640

he had seen in his bedroom.

111

00:06:29,640 --> 00:06:31,640

I'll take the picture down.

112

00:06:32,640 --> 00:06:34,640

Oh, my God.

113

00:06:34,640 --> 00:06:35,640

Oh, my God.

114

00:06:35,640 --> 00:06:36,640

Oh, my God.

115

00:06:36,640 --> 00:06:37,640

Oh, my God.

116

00:06:37,640 --> 00:06:41,640

Life in Mary's house became a ride on a surreal roller coaster,

117

00:06:41,640 --> 00:06:44,640

especially when she realized the hauntings were not always

118

00:06:44,640 --> 00:06:46,640

malevolent.

119

00:06:46,640 --> 00:06:48,640

Shortly after Mary's second child was born,

120

00:06:48,640 --> 00:06:51,640

he developed a life-threatening case of jaundice,

121

00:06:51,640 --> 00:06:53,640

the condition required surgery.

122

00:06:53,640 --> 00:06:57,640

The night before the operation, Mary got down on her knees

123

00:06:57,640 --> 00:06:58,640

and prayed.

124

00:06:58,640 --> 00:07:02,640

Dear Lord, I pray to you tonight.

125

00:07:02,640 --> 00:07:04,640

I am grateful for all you have given me, but please.

126

00:07:04,640 --> 00:07:07,640

And much to my surprise as I was kneeling there praying,

127

00:07:07,640 --> 00:07:10,640

I saw this most beautiful white light that just kind of

128

00:07:10,640 --> 00:07:15,640

engulfed your whole inner being with just a soothing, real soothing

129

00:07:15,640 --> 00:07:17,640

peace that everything will be all right.

130

00:07:20,640 --> 00:07:23,640

Mary says the light was coming directly from the baby's room.

131

00:07:29,640 --> 00:07:30,640

Mary!

132

00:07:36,640 --> 00:07:37,640

Mary was astonished.

133

00:07:37,640 --> 00:07:40,640

All traces of jaundice seemed gone.

134

00:07:40,640 --> 00:07:44,640

The next morning, blood tests confirmed the baby boy was cured.

135

00:07:44,640 --> 00:07:45,640

Oh, my God.

136

00:07:45,640 --> 00:07:46,640

It's gone.

137

00:07:46,640 --> 00:07:50,640

I think it's an evil spirit in our house,

138

00:07:50,640 --> 00:07:53,640

but I also think there's a guardian angel looking over us.

139

00:07:53,640 --> 00:07:58,640

I think that there is a war between good and the evil going

140

00:07:58,640 --> 00:08:01,640

on is my explanation.

141

00:08:04,640 --> 00:08:06,640

And we're kind of caught right in the middle.

142

00:08:09,640 --> 00:08:11,640

When Mary's third son was five, he

143

00:08:11,640 --> 00:08:14,640

had a different kind of encounter with the spirits of the house.

144

00:08:15,640 --> 00:08:19,640

And he stared and blinked his eyes and stared again,

145

00:08:19,640 --> 00:08:20,640

and he still saw it.

146

00:08:28,640 --> 00:08:30,640

During the next several years, the boy

147

00:08:30,640 --> 00:08:32,640

suffered severe stomach pains.

148

00:08:32,640 --> 00:08:35,640

Doctors couldn't find a cause or a cure.

149

00:08:35,640 --> 00:08:37,640

Eventually, like the man on the stairs,

150

00:08:37,640 --> 00:08:39,640

the pains just started to come out.

151

00:08:39,640 --> 00:08:41,640

And Mary was very surprised.

152

00:08:41,640 --> 00:08:43,640

Eventually, like the man on the stairs,

153

00:08:43,640 --> 00:08:47,640

the pains just disappeared.

154

00:08:47,640 --> 00:08:50,640

I think it's going to come down to just plain being

155

00:08:50,640 --> 00:08:51,640

I, saying it's unexplainable.

156

00:08:51,640 --> 00:08:54,640

I can say that the medications that I've used for him

157

00:08:54,640 --> 00:09:00,640

have helped ameliorate his symptoms and maybe have helped

158

00:09:00,640 --> 00:09:02,640

a little bit of the irritation that was there.

159

00:09:02,640 --> 00:09:06,640

But as far as being able to cure and taking responsibility

160

00:09:06,640 --> 00:09:09,640

for curing his problem, I cannot do that.

161

00:09:11,640 --> 00:09:14,640

Mary and her husband considered moving many times,

162

00:09:14,640 --> 00:09:17,640

but they had invested a good deal of money and effort

163

00:09:17,640 --> 00:09:21,640

in the house, and they didn't want to risk losing it.

164

00:09:21,640 --> 00:09:25,640

Finally, in 1993, Mary discovered what she now believes

165

00:09:25,640 --> 00:09:28,640

is the key to the house's unsubtly history.

166

00:09:28,640 --> 00:09:31,640

Rumor had it that the little boy who once lived there

167

00:09:31,640 --> 00:09:34,640

and, in fact, died under mysterious circumstances

168

00:09:34,640 --> 00:09:40,640

and was actually buried somewhere on the property.

169

00:09:40,640 --> 00:09:43,640

It just was creepy.

170

00:09:43,640 --> 00:09:47,640

I perhaps thought there might be a connection.

171

00:09:47,640 --> 00:09:48,640

In fact, it wasn't a might be.

172

00:09:48,640 --> 00:09:51,640

I was very concerned that there probably was a connection.

173

00:09:54,640 --> 00:09:57,640

Mary went to bed that night, believing that the unhappy fate

174

00:09:57,640 --> 00:10:02,640

of the little boy had somehow tainted her house with evil.

175

00:10:02,640 --> 00:10:06,640

I felt an electrical shock going through my whole body.

176

00:10:10,640 --> 00:10:14,640

The shocks were so strong that I felt as though I was well

177

00:10:14,640 --> 00:10:15,640

to do that bed.

178

00:10:15,640 --> 00:10:17,640

I thought I was going to die in that bed, actually,

179

00:10:17,640 --> 00:10:19,640

because I couldn't escape it, and I

180

00:10:19,640 --> 00:10:22,640

didn't know if there were going to be more shocks.

181

00:10:22,640 --> 00:10:24,640

And then the radio started playing, which made it even worse.

182

00:10:24,640 --> 00:10:26,640

It made it more bizarre.

183

00:10:31,640 --> 00:10:34,640

Downstairs, Mary's second son, then a teenager,

184

00:10:34,640 --> 00:10:36,640

had just finished showering.

185

00:10:36,640 --> 00:10:39,640

He noticed that Dreyer had inexplicably gone on by itself

186

00:10:39,640 --> 00:10:41,640

and could not be turned off.

187

00:10:53,640 --> 00:10:56,640

And I attributed it to the spirit that I believe

188

00:10:56,640 --> 00:10:58,640

exists in our home.

189

00:10:58,640 --> 00:11:04,640

I was so angry that the pieces finally fit that it just went crazy.

190

00:11:04,640 --> 00:11:07,640

When most people think of a haunted house,

191

00:11:07,640 --> 00:11:09,640

they think of spirits of the dead.

192

00:11:09,640 --> 00:11:13,640

But in most cases, houses that are haunted genuinely

193

00:11:13,640 --> 00:11:16,640

appear to be haunted by some type of an energy force.

194

00:11:16,640 --> 00:11:20,640

Dr. Andrew Nichols is a parapsychologist, a ghostbuster

195

00:11:20,640 --> 00:11:25,640

who hunts unexplained phenomena with the latest in technology.

196

00:11:25,640 --> 00:11:27,640

At the request of Unsolved Mysteries,

197

00:11:27,640 --> 00:11:30,640

Dr. Nichols, his colleague Russ McCarty,

198

00:11:30,640 --> 00:11:33,640

and another well-known parapsychologist, Dr. William Rowe,

199

00:11:33,640 --> 00:11:36,640

investigated Mary's home.

200

00:11:37,640 --> 00:11:39,640

Quite a bit of activity.

201

00:11:39,640 --> 00:11:41,640

The box is moved.

202

00:11:41,640 --> 00:11:45,640

We conducted a series of energy field scans throughout the house

203

00:11:45,640 --> 00:11:48,640

to try to establish a baseline energy field reading,

204

00:11:48,640 --> 00:11:53,640

electromagnetic, electric, magnetic fields, microwave fields,

205

00:11:53,640 --> 00:11:56,640

to try to determine if there are any unusual energy fields

206

00:11:56,640 --> 00:11:58,640

present in the house.

207

00:11:59,640 --> 00:12:02,640

In one of the bedrooms, the parapsychologists found

208

00:12:02,640 --> 00:12:06,640

an unusually strong electromagnetic field surrounding a dresser

209

00:12:06,640 --> 00:12:09,640

left behind by previous owners.

210

00:12:10,640 --> 00:12:12,640

One of the suggestions that I made to the family

211

00:12:12,640 --> 00:12:15,640

was that they removed the dresser at least from the bedroom

212

00:12:15,640 --> 00:12:17,640

and preferably from the house temporarily

213

00:12:17,640 --> 00:12:20,640

and see if it has an effect on the haunting phenomena

214

00:12:20,640 --> 00:12:22,640

that they're experiencing.

215

00:12:22,640 --> 00:12:24,640

In many cases, we find that that's the case.

216

00:12:24,640 --> 00:12:26,640

If a person has acquired a piece, an antique,

217

00:12:26,640 --> 00:12:29,640

and suddenly haunting phenomena starts up,

218

00:12:29,640 --> 00:12:32,640

it may be actually associated with that piece of furniture.

219

00:12:33,640 --> 00:12:37,640

The parapsychologists found even stronger readings in the basement.

220

00:12:37,640 --> 00:12:42,640

Run Abandoned Well ran down 120 feet to an underground lake.

221

00:12:44,640 --> 00:12:46,640

We find many houses that are haunted

222

00:12:46,640 --> 00:12:49,640

are located over sources of underground water,

223

00:12:49,640 --> 00:12:52,640

and so there does seem to be a correlation.

224

00:12:52,640 --> 00:12:55,640

This may conduct some form of psychic energy.

225

00:12:55,640 --> 00:13:00,640

It may conduct some form of natural, earth-based magnetic fields

226

00:13:00,640 --> 00:13:03,640

that stimulates a person's psychic abilities.

227

00:13:05,640 --> 00:13:10,640

The well pipe is located directly under the bedroom of the primary witness,

228

00:13:10,640 --> 00:13:15,640

so it's possible that she is being exposed to these natural, earth-generated

229

00:13:15,640 --> 00:13:19,640

magnetic and electrical fields on a regular basis.

230

00:13:19,640 --> 00:13:22,640

People ask us frequently, do we believe in ghosts?

231

00:13:22,640 --> 00:13:26,640

And the answer is yes, there's no question that people experience ghosts.

232

00:13:26,640 --> 00:13:28,640

But what are they?

233

00:13:28,640 --> 00:13:30,640

Are they actually spirits of the dead?

234

00:13:30,640 --> 00:13:33,640

Are they some type of entities from another dimension?

235

00:13:33,640 --> 00:13:36,640

Or are they some strange artifact of human psyche?

236

00:13:36,640 --> 00:13:40,640

Unfortunately, those are questions which for now remain an unsolved mystery.

237

00:13:49,640 --> 00:13:54,640

The World of Drugs

238

00:13:56,640 --> 00:14:01,640

Coming up, did a missile cause the tragedy of TWA Flight 800?

239

00:14:01,640 --> 00:14:04,640

Could the U.S. Navy be involved?

240

00:14:04,640 --> 00:14:08,640

A special report on the controversy that refuses to go away.

241

00:14:08,640 --> 00:14:12,640

But first, when an undercover drug operation goes bad,

242

00:14:12,640 --> 00:14:14,640

a federal agent is gunned down.

243

00:14:20,640 --> 00:14:26,640

The World of Drugs

244

00:14:30,640 --> 00:14:34,640

I'd like to propose a toast to Richard Fass,

245

00:14:34,640 --> 00:14:37,640

best agent this side of the Mississippi.

246

00:14:37,640 --> 00:14:39,640

Here, here, thank you.

247

00:14:39,640 --> 00:14:44,640

June 30, 1994 was a red-letter day for drug enforcement agent Richard Fass.

248

00:14:44,640 --> 00:14:49,640

I just want to say that I'm really proud to work with all of you guys.

249

00:14:49,640 --> 00:14:53,640

I mean, you guys are the best team of agents I ever worked with.

250

00:14:53,640 --> 00:14:56,640

After more than eight years of dangerous undercover work,

251

00:14:56,640 --> 00:14:58,640

he was finally leaving the streets.

252

00:14:58,640 --> 00:15:02,640

Fass was being promoted to an administrative position.

253

00:15:02,640 --> 00:15:05,640

Fass' partner, Michael Pellonera.

254

00:15:05,640 --> 00:15:10,640

I think Richard was in a position where he was ready to advance his career.

255

00:15:10,640 --> 00:15:17,640

This is really a positive stepping stone in an agent's career.

256

00:15:17,640 --> 00:15:19,640

We're going to miss you, buddy.

257

00:15:19,640 --> 00:15:21,640

Thank you, boss.

258

00:15:21,640 --> 00:15:24,640

The lunch celebration ended at 2 p.m.,

259

00:15:24,640 --> 00:15:28,640

but Richard Fass had one last piece of unfinished business.

260

00:15:30,640 --> 00:15:35,640

Late that afternoon, agents Fass and Pellonera drove to an automotive repair shop

261

00:15:35,640 --> 00:15:37,640

just outside of Phoenix, Arizona.

262

00:15:38,640 --> 00:15:43,640

They were posing as drug buyers and carrying \$160,000 in cash.

263

00:15:43,640 --> 00:15:47,640

It was Richard Fass' last undercover assignment.

264

00:15:48,640 --> 00:15:53,640

The previous day he had set up a deal with this man, Augustine Vasquez Mendoza.

265

00:15:53,640 --> 00:15:58,640

Mendoza had agreed to sell him 22 pounds of methamphetamine or speed.

266

00:15:58,640 --> 00:16:02,640

Mendoza was known to agents Fass and Pellonera as Fernando.

267

00:16:03,640 --> 00:16:09,640

6.45 p.m. Pellonera stays in the truck while Fass enters a garage.

268

00:16:09,640 --> 00:16:14,640

The man in a dark blue shirt is a confidential police informant.

269

00:16:14,640 --> 00:16:19,640

The other man is Juan Vasquez, an associate of Fernando's.

270

00:16:19,640 --> 00:16:22,640

Fernando himself is not present.

271

00:16:22,640 --> 00:16:25,640

The operation proceeds as expected.

272

00:16:25,640 --> 00:16:27,640

Vasquez wants to see the case.

273

00:16:27,640 --> 00:16:30,640

In the back of the garage, two more men wait.

274

00:16:30,640 --> 00:16:33,640

On the left, a second police informant.

275

00:16:33,640 --> 00:16:38,640

On the right, a man named Rafael Rubio, another associate of Fernando's.

276

00:16:40,640 --> 00:16:43,640

Who's this? It's my brother, Loco.

277

00:16:43,640 --> 00:16:46,640

How's it going? Let me see.

278

00:16:46,640 --> 00:16:50,640

He looked into the duffel bag and didn't touch it or anything,

279

00:16:50,640 --> 00:16:52,640

but he was able to see the car.

280

00:16:52,640 --> 00:16:56,640

He looked into the duffel bag and didn't touch it or anything,

281

00:16:56,640 --> 00:17:03,640

but apparently he was satisfied that there was in fact \$160,000 there.

282

00:17:03,640 --> 00:17:06,640

Yeah, we got a deal.

283

00:17:09,640 --> 00:17:14,640

6.30 p.m. Vasquez apparently calls Fernando to confirm that the buy is good.

284

00:17:14,640 --> 00:17:17,640

Enrique, yeah, you got it.

285

00:17:17,640 --> 00:17:22,640

Vas waits outside until Agent Pellonaro repositions the truck.

286

00:17:24,640 --> 00:17:28,640

6.32, Pellonaro puts backup units on alert.

287

00:17:28,640 --> 00:17:31,640

The deal is going down.

288

00:17:33,640 --> 00:17:37,640

6.35, the double cross.

289

00:17:37,640 --> 00:17:42,640

Vasquez and Rubio want the drugs and the cash.

290

00:17:43,640 --> 00:17:46,640

Get out of the way!

291

00:17:46,640 --> 00:17:50,640

Richard told the individual that if he wanted the money,

292

00:17:50,640 --> 00:17:54,640

that he didn't have to do this, that he had kids, he had a family,

293

00:17:54,640 --> 00:17:57,640

that he was just doing this for profit,

294

00:17:57,640 --> 00:17:59,640

and that he didn't have to do anything wrong,

295

00:17:59,640 --> 00:18:02,640

that anything he wanted he could have.

296

00:18:04,640 --> 00:18:09,640

One individual told the other one to handcuff Richard and the two informants.

297

00:18:10,640 --> 00:18:15,640

I believe that Richard saw deaths staring him in the face, and he reacted.

298

00:18:20,640 --> 00:18:23,640

Idiots! They say they fall in the mouth!

299

00:18:24,640 --> 00:18:29,640

Rubio has been shot once. He and Vasquez flee in opposite directions.

300

00:18:30,640 --> 00:18:34,640

All units, it's going to hell! It's a rip-off! It's a rip-off! I'm going in!

301

00:18:34,640 --> 00:18:36,640

All the way!

302

00:18:38,640 --> 00:18:42,640

It was very chaotic at that point, but when I saw the vehicle leaving,

303

00:18:42,640 --> 00:18:45,640

I tried to ram it, and I missed it.

304

00:18:46,640 --> 00:18:49,640

I was on the radio all this time, and I just...

305

00:18:49,640 --> 00:18:54,640

I put out a message that that vehicle needs to be stopped.

306

00:18:56,640 --> 00:18:59,640

He's been here! Vasquez's been here! Where is he? He's in there! Let's go!

307

00:18:59,640 --> 00:19:03,640

With backup units in pursuit of the suspects, Pellonaro rushes inside.

308

00:19:04,640 --> 00:19:08,640

Richard Fass has been shot five times at point blank range.

309

00:19:09,640 --> 00:19:11,640

He will be dead within an hour.

310

00:19:16,640 --> 00:19:20,640

641, drug enforcement agents high-speed pursuit of Rubio.

311

00:19:21,640 --> 00:19:25,640

When he fled in the vehicle, it was rush hour traffic.

312

00:19:25,640 --> 00:19:28,640

He was on both sides, weaving in and out of traffic,

313

00:19:28,640 --> 00:19:33,640

and he was making every attempt possible to avoid being captured.

314

00:19:35,640 --> 00:19:41,640

6.45 p.m. Vasquez enters an alleyway a few hundred feet from the crime scene.

315

00:19:53,640 --> 00:19:58,640

652, three miles away, the agents close in on Rubio.

316

00:19:58,640 --> 00:20:00,640

Freeze!

317

00:20:00,640 --> 00:20:02,640

On the car! Get out of the car!

318

00:20:02,640 --> 00:20:04,640

Get out of the car!

319

00:20:04,640 --> 00:20:06,640

Get out of the car!

320

00:20:06,640 --> 00:20:08,640

Get out of the car!

321

00:20:08,640 --> 00:20:10,640

Get out of here! Get out!

322

00:20:10,640 --> 00:20:12,640

By 7.15 p.m. it's all over.

323

00:20:13,640 --> 00:20:17,640

Later, Rafael Rubio and Juan Vasquez are booked on charges of first-degree murder.

324

00:20:18,640 --> 00:20:21,640

They are both convicted and sentenced to life in prison.

325

00:20:22,640 --> 00:20:25,640

However, Augustine Vasquez Mendoza is still on the run.

326

00:20:25,640 --> 00:20:28,640

He has also been charged with first-degree murder.

327

00:20:28,640 --> 00:20:31,640

Authorities believe he masterminded the rip-off.

328

00:20:33,640 --> 00:20:36,640

Robbery was their motive from the very onset.

329

00:20:37,640 --> 00:20:41,640

I don't think that there was ever any intent to do a dope deal with us,

330

00:20:41,640 --> 00:20:45,640

that they knew that the money was outside.

331

00:20:46,640 --> 00:20:50,640

Apparently, these people did not want to negotiate.

332

00:20:50,640 --> 00:20:54,640

They had a plan and no matter what Richard did or said,

333

00:20:54,640 --> 00:20:57,640

was going to deviate them.

334

00:20:59,640 --> 00:21:03,640

And at that particular point in time, I believe that Richard realized

335

00:21:03,640 --> 00:21:07,640

that he had to do something to protect not only his life,

336

00:21:07,640 --> 00:21:10,640

but the life of other people as well.

337

00:21:10,640 --> 00:21:14,640

Richard Fass died a hero's death at the age of 37.

338

00:21:14,640 --> 00:21:17,640

He was honored with a DEA's award of valor.

339

00:21:17,640 --> 00:21:20,640

He left behind a wife and four children.

340

00:21:22,640 --> 00:21:24,640

I lost my first friend.

341

00:21:25,640 --> 00:21:27,640

I miss him purely.

342

00:21:28,640 --> 00:21:30,640

Richard will always be in my heart.

343

00:21:30,640 --> 00:21:35,640

Nothing can ever take those memories from me.

344

00:21:35,640 --> 00:21:40,640

But our main intention now is to seek this fugitive that's out there.

345

00:21:45,640 --> 00:21:49,640

Next, we will be talking about the death of Richard Fass.

346

00:21:49,640 --> 00:21:51,640

He was a very young man.

347

00:21:51,640 --> 00:21:53,640

He was a very young man.

348

00:21:53,640 --> 00:21:55,640

He was a very young man.

349

00:21:55,640 --> 00:21:57,640

He was a very young man.

350

00:21:57,640 --> 00:21:59,640

He was a very young man.

351

00:21:59,640 --> 00:22:01,640

He was a very young man.

352

00:22:01,640 --> 00:22:03,640

He was a very young man.

353

00:22:04,640 --> 00:22:07,640

Next, every week, millions of fans

354

00:22:07,640 --> 00:22:10,640

thrilled to the feats of Zena, the warrior princess,

355

00:22:10,640 --> 00:22:14,640

but did a legendary race of Amazon women ever truly exist?

356

00:22:14,640 --> 00:22:21,640

They called them Amazons, strong fearless women like TV Zena,

357

00:22:21,640 --> 00:22:26,640

ruthless warriors who dominated men.

358

00:22:26,640 --> 00:22:30,640

Contrary to popular belief, the legend of the Amazon women

359

00:22:30,640 --> 00:22:33,640

was the most famous woman in the world.

360

00:22:33,640 --> 00:22:36,640

She was the most famous woman in the world.

361

00:22:36,640 --> 00:22:39,640

She was the most famous woman in the world.

362

00:22:39,640 --> 00:22:42,640

She was the most famous woman in the world.

363

00:22:42,640 --> 00:22:45,640

Contrary to popular belief, the legend of the Amazon

364

00:22:45,640 --> 00:22:48,640

did not originate in South America, but in ancient Greece,

365

00:22:48,640 --> 00:22:51,640

where the historian Herodotus first immortalized

366

00:22:51,640 --> 00:22:54,640

their mythic deeds in the 5th century BC.

367

00:22:56,640 --> 00:22:58,640

Rumor had it that Amazons were so warrior

368

00:22:58,640 --> 00:23:01,640

that they could not marry until they had first killed

369

00:23:01,640 --> 00:23:03,640

an enemy in battle.

370

00:23:05,640 --> 00:23:08,640

Even their name had awesome implications.

371

00:23:08,640 --> 00:23:11,640

In Greek, Amazon apparently meant without one breast.

372

00:23:11,640 --> 00:23:14,640

The women supposedly cut away their own flesh

373

00:23:14,640 --> 00:23:17,640

to make it easier to shoot a bow and arrow.

374

00:23:17,640 --> 00:23:21,640

The Greeks used the Amazons as the antithesis

375

00:23:21,640 --> 00:23:24,640

of what a Greek woman should be.

376

00:23:24,640 --> 00:23:26,640

The Greek woman should stay at home,

377

00:23:26,640 --> 00:23:28,640

take care of the kids, take care of the house,

378

00:23:28,640 --> 00:23:31,640

and the Amazon went out and fought the Greeks,

379

00:23:31,640 --> 00:23:34,640

and so therefore she got what was coming to her

380

00:23:34,640 --> 00:23:36,640

when she was killed.

381

00:23:36,640 --> 00:23:40,640

For centuries, people assumed the tales of wild Amazon warriors

382

00:23:40,640 --> 00:23:43,640

were merely fiction, an ancient myth created

383

00:23:43,640 --> 00:23:46,640

to enhance the glory of Greece.

384

00:23:47,640 --> 00:23:50,640

Now 2,500 years later, archaeological digs

385

00:23:50,640 --> 00:23:52,640

on the windswept Russian steppes

386

00:23:52,640 --> 00:23:55,640

have revealed a long-barried secret.

387

00:23:55,640 --> 00:23:58,640

A tribe of nomadic women warriors,

388

00:23:58,640 --> 00:24:02,640

perhaps real-life Amazons, once rode these desolate plains.

389

00:24:04,640 --> 00:24:06,640

The goal is to determine, if we can determine

390

00:24:06,640 --> 00:24:09,640

any specific ethnicity from these particular tribes,

391

00:24:09,640 --> 00:24:12,640

they're Indo-European, but there may be subtle differences.

392

00:24:12,640 --> 00:24:14,640

There are subtle differences.

393

00:24:14,640 --> 00:24:15,640

Jeanine Davis Kimball,

394

00:24:15,640 --> 00:24:17,640

and a team of American and Russian archaeologists,

395

00:24:17,640 --> 00:24:19,640

has spent four years excavating

396

00:24:19,640 --> 00:24:22,640

Iron Age burial mounds in southern Russia

397

00:24:22,640 --> 00:24:25,640

that date from the time of Herodotus' writings.

398

00:24:25,640 --> 00:24:28,640

Traditional scholars believe early nomads

399

00:24:28,640 --> 00:24:30,640

were male-dominated tribes.

400

00:24:30,640 --> 00:24:33,640

The men were the leaders, the warriors, the priests.

401

00:24:33,640 --> 00:24:36,640

But these graves tell a new story.

402

00:24:37,640 --> 00:24:41,640

We never think of women in the context of a nomadic society.

403

00:24:41,640 --> 00:24:44,640

It's not ever been interpreted from that point of view.

404

00:24:44,640 --> 00:24:47,640

So here we are, out of the steps, we're excavating nomads,

405

00:24:47,640 --> 00:24:51,640

early nomads, and suddenly we have women with weapons.

406

00:24:51,640 --> 00:24:55,640

Women who are actually controlling wealth

407

00:24:55,640 --> 00:24:57,640

because of the wealth in their burials.

408

00:24:57,640 --> 00:24:59,640

We have a different concept entirely

409

00:24:59,640 --> 00:25:02,640

of what we think of nomads.

410

00:25:03,640 --> 00:25:07,640

The burial mounds contain the graves of both men and women.

411

00:25:07,640 --> 00:25:09,640

Perhaps the most intriguing remains

412

00:25:09,640 --> 00:25:13,640

were those of a young girl, no more than 14 years old.

413

00:25:13,640 --> 00:25:16,640

She was only as tall as an average woman today.

414

00:25:16,640 --> 00:25:18,640

But the artifacts buried with her

415

00:25:18,640 --> 00:25:21,640

prove she was no ordinary teenager.

416

00:25:21,640 --> 00:25:25,640

She had a quiver by her side

417

00:25:25,640 --> 00:25:27,640

that had a lot of bronze arrowheads in it.

418

00:25:27,640 --> 00:25:30,640

She had a dagger on the other side.

419

00:25:31,640 --> 00:25:34,640

And then there was this large boar's tusk that was drilled

420

00:25:34,640 --> 00:25:38,640

and it was probably suspended around her waist from a cord.

421

00:25:41,640 --> 00:25:43,640

Another woman was found with a bronze arrowhead,

422

00:25:43,640 --> 00:25:45,640

still embedded in her body cavity,

423

00:25:45,640 --> 00:25:48,640

a sign that she likely died in battle.

424

00:25:48,640 --> 00:25:51,640

But these women were more than warriors.

425

00:25:51,640 --> 00:25:54,640

The wide variety of ritual artifacts found in the graves

426

00:25:54,640 --> 00:25:56,640

showed a society where the power of a woman

427

00:25:56,640 --> 00:25:59,640

was often greater than that of a man.

428

00:26:00,640 --> 00:26:04,640

The graves of the male nomads also revealed surprises.

429

00:26:04,640 --> 00:26:08,640

We have a lesser variety of statuses

430

00:26:08,640 --> 00:26:13,640

among the male population than among the female population.

431

00:26:13,640 --> 00:26:17,640

There's guys that fight and there's guys that don't.

432

00:26:17,640 --> 00:26:21,640

And we even have males that have a child buried with them.

433

00:26:21,640 --> 00:26:23,640

And this is extremely unusual

434

00:26:23,640 --> 00:26:26,640

because we have no females with a child buried.

435

00:26:26,640 --> 00:26:29,640

But who were these warrior women?

436

00:26:29,640 --> 00:26:32,640

Are they the archetypes for the Amazons?

437

00:26:32,640 --> 00:26:34,640

Their matriarchal culture is gone,

438

00:26:34,640 --> 00:26:36,640

overrun 2,000 years ago

439

00:26:36,640 --> 00:26:39,640

by invading Mongols, Huns and Visigoths.

440

00:26:39,640 --> 00:26:42,640

Today, only their bones bear witness.

441

00:26:45,640 --> 00:26:49,640

We've scientifically proven that there were women warriors.

442

00:26:49,640 --> 00:26:51,640

Number one, number two,

443

00:26:51,640 --> 00:26:55,640

we have a lot of women that have been buried with them.

444

00:26:55,640 --> 00:26:58,640

Number two, we also now realize

445

00:26:58,640 --> 00:27:01,640

that women have not always been at the bottom of the pit

446

00:27:01,640 --> 00:27:03,640

and can control their own lives

447

00:27:03,640 --> 00:27:06,640

and be like a woman warrior.

448

00:27:11,640 --> 00:27:14,640

The legend of the Amazon still echoes.

449

00:27:14,640 --> 00:27:16,640

In South America,

450

00:27:16,640 --> 00:27:19,640

the majestic Amazon River is named after them.

451

00:27:19,640 --> 00:27:21,640

In the United States,

452

00:27:21,640 --> 00:27:24,640

California takes its name from an Amazon queen, Caliphah.

453

00:27:24,640 --> 00:27:26,640

And on telly,

454

00:27:26,640 --> 00:27:30,640

the mythic power of warrior women continues to fascinate the world.

455

00:27:38,640 --> 00:27:42,640

The discovery in Russia isn't definitive proof that Amazons were real,

456

00:27:42,640 --> 00:27:45,640

but it does raise tantalizing possibilities.

457

00:27:45,640 --> 00:27:49,640

Who knows what the next excavation will reveal?

458

00:27:49,640 --> 00:27:53,640

Perhaps someday archeologists will discover evidence of other ancient fables.

459

00:27:53,640 --> 00:27:56,640

The true root of Ulysses Odyssey,

460

00:27:56,640 --> 00:27:58,640

the calcified bones of the Cyclops,

461

00:27:58,640 --> 00:28:02,640

or the shattered marble columns of the lost city of Atlantis.

462

00:28:04,640 --> 00:28:06,640

When we return,

463

00:28:06,640 --> 00:28:08,640

a woman on the brink of death,

464

00:28:08,640 --> 00:28:10,640

an extraordinary vision,

465

00:28:10,640 --> 00:28:14,640

a breathtaking recovery that her doctor says can only be a miracle.

466

00:28:14,640 --> 00:28:18,640

And later, ever since the crash of TWA Flight 800,

467

00:28:18,640 --> 00:28:20,640

the investigation has been shadowed

468

00:28:20,640 --> 00:28:24,640

by disturbing rumors of conspiracy and government cover-up.

469

00:28:36,640 --> 00:28:38,640

According to all the medical literature,

470

00:28:38,640 --> 00:28:41,640

Candi Gather, Hauner should have died in 1992.

471

00:28:41,640 --> 00:28:44,640

She is convinced she is alive today

472

00:28:44,640 --> 00:28:47,640

because her sister Roxy reached out to save her life.

473

00:28:47,640 --> 00:28:49,640

If so, it's nothing less than amazing.

474

00:28:49,640 --> 00:28:52,640

Roxy had been dead for 13 years.

475

00:28:57,640 --> 00:28:59,640

In October of 1992,

476

00:28:59,640 --> 00:29:01,640

Candi Hauner was fighting a critical rump

477

00:29:01,640 --> 00:29:04,640

in an eight-year battle against leukemia,

478

00:29:04,640 --> 00:29:07,640

a battle no one expected her to win.

479

00:29:10,640 --> 00:29:13,640

Every day I felt I was getting worse,

480

00:29:13,640 --> 00:29:18,640

that I didn't really know if I was going to make it.

481

00:29:20,640 --> 00:29:22,640

Keep fighting, sweetheart.

482

00:29:22,640 --> 00:29:25,640

When I started slipping into my coma,

483

00:29:25,640 --> 00:29:27,640

I thought about Roxy.

484

00:29:27,640 --> 00:29:31,640

I thought about seeing her in her hospital bed.

485

00:29:31,640 --> 00:29:35,640

I thought about where mom and dad

486

00:29:35,640 --> 00:29:37,640

are going to have to go through this again.

487

00:29:37,640 --> 00:29:39,640

I thought a lot about that.

488

00:29:41,640 --> 00:29:43,640

Candi and Roxy were the two oldest

489

00:29:43,640 --> 00:29:45,640

and a family of six children.

490

00:29:46,640 --> 00:29:49,640

They were the only girls born just 13 months apart.

491

00:29:51,640 --> 00:29:53,640

They and their four brothers grew up

492

00:29:53,640 --> 00:29:55,640

in a small farming community in Illinois.

493

00:29:55,640 --> 00:29:57,640

Like most youngsters,

494

00:29:57,640 --> 00:30:00,640

their sisters often fought as much as they played.

495

00:30:02,640 --> 00:30:05,640

But by the time they were both adults and young mothers,

496

00:30:05,640 --> 00:30:08,640

Candi and Roxy had formed a deep and permanent bond.

497

00:30:12,640 --> 00:30:14,640

Roxy and I got real close.

498

00:30:14,640 --> 00:30:17,640

Well, she became a mother first, and then I did.

499

00:30:19,640 --> 00:30:22,640

So I asked her advice, and she gave it to me,

500

00:30:22,640 --> 00:30:25,640

and we started getting along really, really well.

501

00:30:28,640 --> 00:30:33,640

Then on February 27, 1979, Roxy was rushed to the hospital.

502

00:30:37,640 --> 00:30:39,640

Roxy had suffered serious head injuries

503

00:30:39,640 --> 00:30:41,640

after being thrown from a jeep.

504

00:30:41,640 --> 00:30:43,640

I'm sorry, but we need to get Roxy to the hospital.

505

00:30:43,640 --> 00:30:45,640

But we were still in a hurry,

506

00:30:45,640 --> 00:30:47,640

and we were still awake and talking

507

00:30:47,640 --> 00:30:49,640

that her condition was critical.

508

00:30:52,640 --> 00:30:54,640

By the time Candi arrived,

509

00:30:54,640 --> 00:30:56,640

Roxy had slipped into a coma.

510

00:30:59,640 --> 00:31:01,640

I thought that she would be fine.

511

00:31:01,640 --> 00:31:04,640

I thought she would wake up and...

512

00:31:04,640 --> 00:31:07,640

And we'd go home and everything would be fine.

513

00:31:07,640 --> 00:31:09,640

That's what I thought.

514

00:31:10,640 --> 00:31:12,640

I love you, Roxy.

515

00:31:14,640 --> 00:31:16,640

I know I've never said those words before,

516

00:31:16,640 --> 00:31:21,640

but I hope you will always know that.

517

00:31:23,640 --> 00:31:26,640

Candi never knew whether Roxy heard her words.

518

00:31:27,640 --> 00:31:29,640

Two days later, Roxy died.

519

00:31:29,640 --> 00:31:31,640

She was 22 years old.

520

00:31:33,640 --> 00:31:35,640

It was really hard.

521

00:31:36,640 --> 00:31:38,640

For a long time, I just...

522

00:31:38,640 --> 00:31:41,640

I still thought she was just gone for a while.

523

00:31:41,640 --> 00:31:43,640

She'd be back.

524

00:31:43,640 --> 00:31:45,640

It took a long time for me to realize

525

00:31:45,640 --> 00:31:47,640

that she was really gone, gone.

526

00:31:50,640 --> 00:31:52,640

13 years later, Candi herself

527

00:31:52,640 --> 00:31:55,640

was lying in a hospital, desperately ill.

528

00:31:56,640 --> 00:31:58,640

After seven years in remission,

529

00:31:58,640 --> 00:32:01,640

her cancer had revived, more virulent than ever.

530

00:32:01,640 --> 00:32:04,640

The only hope was a bone marrow transplant.

531

00:32:05,640 --> 00:32:08,640

At first, the transplant seemed to be a success,

532

00:32:08,640 --> 00:32:11,640

but five days later, Candi's body began to shut down.

533

00:32:12,640 --> 00:32:15,640

Her liver failed and she started sinking into a coma.

534

00:32:17,640 --> 00:32:19,640

Her family had been very dedicated

535

00:32:19,640 --> 00:32:21,640

in continuously supporting her,

536

00:32:21,640 --> 00:32:24,640

talking to her and praying for her.

537

00:32:24,640 --> 00:32:26,640

But there came a time when I felt

538

00:32:26,640 --> 00:32:29,640

that I needed to prepare them for her possible death.

539

00:32:31,640 --> 00:32:33,640

What Candi needed was a miracle

540

00:32:33,640 --> 00:32:35,640

and she believed she got one.

541

00:32:35,640 --> 00:32:37,640

At some point during her ordeal,

542

00:32:37,640 --> 00:32:40,640

Candi says she felt a gentle touch upon her hand

543

00:32:40,640 --> 00:32:43,640

and awoke to see a young woman bathed in white light.

544

00:32:45,640 --> 00:32:46,640

Roxy.

545

00:32:46,640 --> 00:32:50,640

It was Roxy, exactly as she had appeared in life.

546

00:32:50,640 --> 00:32:53,640

Candi, I love you, but you can't come with me now.

547

00:32:53,640 --> 00:32:55,640

Mom and Dad need you here.

548

00:32:55,640 --> 00:32:57,640

I was so glad to see you.

549

00:32:57,640 --> 00:32:59,640

You need to stay and fight this.

550

00:32:59,640 --> 00:33:00,640

They had been so long.

551

00:33:00,640 --> 00:33:01,640

I can't.

552

00:33:02,640 --> 00:33:04,640

I'm too tired and it hurts too much.

553

00:33:04,640 --> 00:33:06,640

Mom and Dad already lost me.

554

00:33:06,640 --> 00:33:08,640

They couldn't stand to lose you too.

555

00:33:10,640 --> 00:33:13,640

But I don't think I can take the pain any longer.

556

00:33:14,640 --> 00:33:16,640

You have to stay here. You know why?

557

00:33:17,640 --> 00:33:19,640

Because you're going to be a grandmother someday.

558

00:33:21,640 --> 00:33:22,640

Really?

559

00:33:22,640 --> 00:33:24,640

I promise you.

560

00:33:25,640 --> 00:33:27,640

And I'm going to be watching over you.

561

00:33:27,640 --> 00:33:28,640

Always.

562

00:33:28,640 --> 00:33:29,640

Always.

563

00:33:33,640 --> 00:33:36,640

At first, I thought Roxy's visit was a dream.

564

00:33:36,640 --> 00:33:38,640

But then the more I thought about it,

565

00:33:40,640 --> 00:33:43,640

I thought I was so close to death

566

00:33:43,640 --> 00:33:48,640

and I actually believe that she did visit me

567

00:33:48,640 --> 00:33:52,640

and she did give me the strength to fight.

568

00:33:59,640 --> 00:34:01,640

I felt cold one day.

569

00:34:01,640 --> 00:34:02,640

I don't know why.

570

00:34:02,640 --> 00:34:06,640

I just felt real cold and I just opened my eyes.

571

00:34:07,640 --> 00:34:11,640

And there was my husband and my Dad standing there.

572

00:34:13,640 --> 00:34:14,640

What's going on?

573

00:34:14,640 --> 00:34:16,640

You couldn't be alright, honey.

574

00:34:17,640 --> 00:34:19,640

You couldn't be alright.

575

00:34:19,640 --> 00:34:22,640

I mean, I knew something good had happened.

576

00:34:22,640 --> 00:34:24,640

I just wasn't sure what.

577

00:34:25,640 --> 00:34:28,640

I think all physicians have cases in which

578

00:34:28,640 --> 00:34:30,640

they cannot explain the outcome.

579

00:34:30,640 --> 00:34:32,640

However, in my experience as a physician,

580

00:34:32,640 --> 00:34:34,640

this is truly the most amazing case

581

00:34:34,640 --> 00:34:37,640

and I feel it qualifies truly as a medical miracle.

582

00:34:40,640 --> 00:34:43,640

Two weeks later, Candy was released from the hospital.

583

00:34:43,640 --> 00:34:46,640

Two years later, Roxy's prediction came true.

584

00:34:47,640 --> 00:34:50,640

Candy's daughter had a baby girl, Emmy.

585

00:34:51,640 --> 00:34:53,640

Someday when my granddaughter grows up,

586

00:34:53,640 --> 00:34:56,640

I'm going to tell her all about Roxy.

587

00:34:58,640 --> 00:35:00,640

Mom and Dad already lost her.

588

00:35:00,640 --> 00:35:05,640

I figured people can believe what they want to believe,

589

00:35:05,640 --> 00:35:08,640

but I know that she was there with me.

590

00:35:11,640 --> 00:35:12,640

She was with me.

591

00:35:13,640 --> 00:35:17,640

I don't know how,

592

00:35:17,640 --> 00:35:20,640

but I do know that she was there

593

00:35:20,640 --> 00:35:23,640

and I did talk to her and she did talk to me.

594

00:35:26,640 --> 00:35:28,640

Me and Roxy had such a bond.

595

00:35:29,640 --> 00:35:31,640

I loved her so much.

596

00:35:31,640 --> 00:35:35,640

I never got to tell her that I loved her

597

00:35:35,640 --> 00:35:39,640

and I feel like she came back to tell me,

598

00:35:39,640 --> 00:35:43,640

hey, I know you love me and I love you too.

599

00:35:48,640 --> 00:35:53,640

Next, what caused the crash of TWA Flight 800?

600

00:35:53,640 --> 00:35:55,640

Some conspiracy buffs are adamant

601

00:35:55,640 --> 00:35:57,640

that a missile fired by our own military

602

00:35:57,640 --> 00:35:59,640

brought the plane down.

603

00:35:59,640 --> 00:36:01,640

The investigators insist the charges

604

00:36:01,640 --> 00:36:03,640

are baseless and irresponsible.

605

00:36:18,640 --> 00:36:23,640

It was a summer of 1988.

606

00:36:23,640 --> 00:36:24,640

Tensions were running high

607

00:36:24,640 --> 00:36:27,640

between the United States and Iran.

608

00:36:27,640 --> 00:36:31,640

The USS Vincennes was patrolling the Persian Gulf.

609

00:36:31,640 --> 00:36:34,640

This footage was shot aboard the ship on July 3rd.

610

00:36:37,640 --> 00:36:39,640

That morning, the Vincennes,

611

00:36:39,640 --> 00:36:41,640

believing it was about to be attacked,

612

00:36:41,640 --> 00:36:43,640

fired two surface-to-air missiles

613

00:36:43,640 --> 00:36:45,640

at an unidentified aircraft.

614

00:36:48,640 --> 00:36:50,640

We had it, guys. It was a dead-on.

615

00:36:51,640 --> 00:36:53,640

The cruise jubilant soon turned to horror.

616

00:36:53,640 --> 00:36:56,640

The target turned out to be an Iranian passenger plane

617

00:36:56,640 --> 00:36:59,640

carrying 290 innocent civilians.

618

00:37:01,640 --> 00:37:03,640

It was a terrible tragedy,

619

00:37:03,640 --> 00:37:05,640

but it did occur in what was essentially

620

00:37:05,640 --> 00:37:07,640

considered a war zone.

621

00:37:07,640 --> 00:37:09,640

Certainly it could never happen in peacetime.

622

00:37:09,640 --> 00:37:12,640

Certainly it could never happen here.

623

00:37:13,640 --> 00:37:15,640

Or could it?

624

00:37:15,640 --> 00:37:18,640

July 17th, 1996.

625

00:37:18,640 --> 00:37:21,640

TWA Flight 800 crashed into the Atlantic

626

00:37:21,640 --> 00:37:23,640

off the coast of Long Island,

627

00:37:23,640 --> 00:37:26,640

killing 230 passengers and crew.

628

00:37:28,640 --> 00:37:31,640

I have found some people who have other information that I...

629

00:37:31,640 --> 00:37:33,640

Four months later,

630

00:37:33,640 --> 00:37:35,640

Pair Salinger, former press secretary

631

00:37:35,640 --> 00:37:36,640

to President John Kennedy,

632

00:37:36,640 --> 00:37:38,640

made a stunning allegation.

633

00:37:39,640 --> 00:37:43,640

He claimed TWA 800 had been shot down by our own Navy,

634

00:37:43,640 --> 00:37:46,640

and that the Navy was attempting to conceal the truth.

635

00:37:49,640 --> 00:37:51,640

It's the rumor that refuses to go away,

636

00:37:51,640 --> 00:37:54,640

but is such a scenario even possible?

637

00:37:54,640 --> 00:37:56,640

And if it did happen,

638

00:37:56,640 --> 00:37:59,640

why have hundreds of people not said a word?

639

00:37:59,640 --> 00:38:01,640

Today authorities are still trying to determine

640

00:38:01,640 --> 00:38:03,640

what caused the crash.

641

00:38:03,640 --> 00:38:05,640

The longer it takes, the greater the pain

642

00:38:05,640 --> 00:38:07,640

for those who lost family and friends.

643

00:38:07,640 --> 00:38:09,640

And the more whispered innuendo

644

00:38:09,640 --> 00:38:11,640

turns into public speculation.

645

00:38:14,640 --> 00:38:17,640

The investigation has been painstaking and tedious.

646

00:38:17,640 --> 00:38:19,640

Since the night of the tragedy,

647

00:38:19,640 --> 00:38:22,640

tons of debris have been scraped off the ocean floor

648

00:38:22,640 --> 00:38:25,640

in an attempt to piece the plane back together.

649

00:38:28,640 --> 00:38:31,640

Officials have narrowed down the cause to three possibilities.

650

00:38:31,640 --> 00:38:34,640

A bomb, mechanical malfunction,

651

00:38:34,640 --> 00:38:37,640

or a shoulder-launched terrorist missile.

652

00:38:37,640 --> 00:38:39,640

The missile scenario is largely supported

653

00:38:39,640 --> 00:38:42,640

by more than 30 credible eyewitness accounts

654

00:38:42,640 --> 00:38:44,640

of an unusual streak of light

655

00:38:44,640 --> 00:38:47,640

seen in the sky just before the explosion.

656

00:38:50,640 --> 00:38:53,640

However, physicist and missile expert, Bud Sewell,

657

00:38:53,640 --> 00:38:55,640

says those accounts could just as likely

658

00:38:55,640 --> 00:38:57,640

support a bomb scenario.

659

00:38:59,640 --> 00:39:02,640

A terrorist bomb, if properly designed,

660

00:39:02,640 --> 00:39:06,640

would indeed give you a very bright, luminous streak

661

00:39:06,640 --> 00:39:09,640

out from the aircraft.

662

00:39:09,640 --> 00:39:12,640

So that it would be very possible to have a design

663

00:39:12,640 --> 00:39:17,640

which could produce what the eyewitnesses said they saw.

664

00:39:19,640 --> 00:39:22,640

But eyewitness testimony, no matter how credible,

665

00:39:22,640 --> 00:39:24,640

cannot stand alone.

666

00:39:24,640 --> 00:39:27,640

As far as anyone knew, there was no physical evidence

667

00:39:27,640 --> 00:39:30,640

of a missile hit, much less one fired by the U.S. Navy,

668

00:39:30,640 --> 00:39:33,640

unless you believe Pierre Salinger.

669

00:39:34,640 --> 00:39:37,640

And despite Navy statements that they had nothing to do

670

00:39:37,640 --> 00:39:39,640

with the TW 800 crash,

671

00:39:39,640 --> 00:39:42,640

we have strong evidence that they are wrong.

672

00:39:42,640 --> 00:39:45,640

Just last month, Salinger was back again.

673

00:39:45,640 --> 00:39:47,640

At a press conference in Paris,

674

00:39:47,640 --> 00:39:49,640

he produced still frames of radar sweeps

675

00:39:49,640 --> 00:39:52,640

that he claimed were recorded in the Tower of New York's

676

00:39:52,640 --> 00:39:55,640

Kennedy Airport on the night of the tragedy.

677

00:39:57,640 --> 00:39:59,640

According to Paris Match Magazine,

678

00:39:59,640 --> 00:40:03,640

TWA Flight 800 is represented by this written designation.

679

00:40:03,640 --> 00:40:06,640

Circled on the right is a Navy plane,

680

00:40:06,640 --> 00:40:08,640

a P-3 Orion.

681

00:40:08,640 --> 00:40:12,640

Circled in the center is U.S. Air Flight 217.

682

00:40:12,640 --> 00:40:15,640

The object circled on the left is unidentified.

683

00:40:15,640 --> 00:40:19,640

The conspiracy camp believes it is a Navy surface-to-air missile.

684

00:40:21,640 --> 00:40:25,640

In this frame, reportedly recorded a second before the crash,

685

00:40:25,640 --> 00:40:28,640

the unidentified object has disappeared.

686

00:40:28,640 --> 00:40:33,640

The P-3 Orion, TWA 800 and U.S. Air 217

687

00:40:33,640 --> 00:40:37,640

are all in close proximity but flying at different altitudes.

688

00:40:39,640 --> 00:40:43,640

In later frames, the TWA 800 designation

689

00:40:43,640 --> 00:40:45,640

has vanished from the scope.

690

00:40:47,640 --> 00:40:50,640

But if the plane was brought down by a missile,

691

00:40:50,640 --> 00:40:52,640

then where is the evidence?

692

00:40:52,640 --> 00:40:54,640

The government has said they found nothing conclusive

693

00:40:54,640 --> 00:40:56,640

to indicate a missile hit.

694

00:40:56,640 --> 00:40:59,640

Pierre Salinger disagrees.

695

00:40:59,640 --> 00:41:02,640

Moreover, we have discovered that certain bodies on the plane

696

00:41:02,640 --> 00:41:07,640

were crushed by something which went through the plane, the missile.

697

00:41:07,640 --> 00:41:10,640

Let us suppose, for the sake of argument,

698

00:41:10,640 --> 00:41:12,640

that the conspiracies are right.

699

00:41:12,640 --> 00:41:16,640

There is some circumstantial evidence to support their claims.

700

00:41:18,640 --> 00:41:20,640

The Navy has admitted that military exercises

701

00:41:20,640 --> 00:41:22,640

were being conducted off the Long Island coast

702

00:41:22,640 --> 00:41:24,640

the night of the crash.

703

00:41:24,640 --> 00:41:28,640

In fact, TWA 800 diverted from its original flight path

704

00:41:28,640 --> 00:41:30,640

to avoid a restricted area.

705

00:41:31,640 --> 00:41:34,640

The Navy will almost certainly try to conduct exercises

706

00:41:34,640 --> 00:41:37,640

where we are not going to get in the way of shipping.

707

00:41:37,640 --> 00:41:40,640

And they don't really fire many missiles

708

00:41:40,640 --> 00:41:43,640

because the darn things cost a million dollars each.

709

00:41:43,640 --> 00:41:47,640

So, you know, they really don't do exercises.

710

00:41:47,640 --> 00:41:50,640

They assume that if they get a radar lock on with the ship,

711

00:41:50,640 --> 00:41:54,640

they will get a hit and they just can't afford to shoot them any missiles.

712

00:41:56,640 --> 00:41:59,640

But suppose the Navy did shoot a live missile that night.

713

00:41:59,640 --> 00:42:01,640

Either accidentally or intentionally.

714

00:42:01,640 --> 00:42:03,640

Then where could it have come from?

715

00:42:06,640 --> 00:42:09,640

According to the Navy, the USS Normandy

716

00:42:09,640 --> 00:42:12,640

was the only ship with standard missile capability in the area.

717

00:42:12,640 --> 00:42:16,640

The Normandy was reportedly on maneuvers in the Atlantic,

718

00:42:16,640 --> 00:42:19,640

180 miles south of the crash site.

719

00:42:20,640 --> 00:42:26,640

The main problem is that the maximum range of the standard missile is 80 miles.

720

00:42:27,640 --> 00:42:31,640

And the Normandy was alleged to be 180 miles away from the incident.

721

00:42:32,640 --> 00:42:35,640

So, it just doesn't make sense.

722

00:42:35,640 --> 00:42:42,640

If a missile ship had been within the 80 mile radius to shoot it,

723

00:42:42,640 --> 00:42:46,640

the eyewitnesses would have seen a tremendous flash of light

724

00:42:46,640 --> 00:42:49,640

because the initial launch of standard missile

725

00:42:49,640 --> 00:42:52,640

essentially lights up the night sky.

726

00:42:53,640 --> 00:42:56,640

But regardless of what they say,

727

00:42:56,640 --> 00:43:00,640

we have now reached the point where we are totally sure

728

00:43:00,640 --> 00:43:02,640

that what we are saying is true.

729

00:43:03,640 --> 00:43:06,640

Assume again that the conspiracy theorists are right.

730

00:43:06,640 --> 00:43:09,640

And the Normandy or some other ship was in fact within range

731

00:43:09,640 --> 00:43:12,640

and did accidentally shoot down the airliner.

732

00:43:13,640 --> 00:43:17,640

Is it conceivable that the Navy brass could successfully engineer a cover-up?

733

00:43:18,640 --> 00:43:21,640

If it were a friendly fire incident,

734

00:43:21,640 --> 00:43:25,640

it would take approximately one day for everybody in the country to know it.

735

00:43:26,640 --> 00:43:31,640

You had what? Several hundred people on that ship on the Normandy.

736

00:43:32,640 --> 00:43:34,640

How can you cover anything up?

737

00:43:35,640 --> 00:43:39,640

Sailors would write home to their sweethearts or their parents and say,

738

00:43:39,640 --> 00:43:41,640

my God, we did this.

739

00:43:41,640 --> 00:43:43,640

You couldn't. There's no way you could cover it up.

740

00:43:43,640 --> 00:43:45,640

Because sailors love to talk.

741

00:43:46,640 --> 00:43:52,640

But the conspiracy camp points out that the Navy has been less than forthcoming in the past.

742

00:43:52,640 --> 00:43:56,640

When the Vincennes shot down the Iranian airliner in 1988,

743

00:43:56,640 --> 00:44:01,640

Navy officials initially tried to justify the action with false information.

744

00:44:03,640 --> 00:44:06,640

They claimed the plane had been emitting military codes.

745

00:44:06,640 --> 00:44:09,640

They have since admitted that this was not true.

746

00:44:10,640 --> 00:44:13,640

Could the same thing have happened with TWA-800?

747

00:44:15,640 --> 00:44:20,640

I did contact a higher-ranking person in the Navy, and for what it's worth,

748

00:44:20,640 --> 00:44:23,640

the Navy, after this incident, did a thorough inventory.

749

00:44:23,640 --> 00:44:26,640

I mean, they should, with things that cost a million dollars.

750

00:44:27,640 --> 00:44:32,640

And they can account for every missile in the Atlantic Fleet by serial number.

751

00:44:33,640 --> 00:44:38,640

Of course, the doubters would say, sure, that's certainly what they'd say,

752

00:44:38,640 --> 00:44:44,640

but I have known this person that I talked to 40 years and have found very reliable.

753

00:44:45,640 --> 00:44:49,640

As you know, in the press yesterday and this morning,

754

00:44:49,640 --> 00:44:52,640

the FBI has been renewing its attack on us.

755

00:44:53,640 --> 00:44:57,640

Here, Salinger and his associates continue to insist that the government is lying.

756

00:44:57,640 --> 00:45:01,640

But critics of the conspiracy theory are quick to point out that a cover-up

757

00:45:01,640 --> 00:45:04,640

would have to include not just hundreds of Navy personnel,

758

00:45:04,640 --> 00:45:08,640

but also hundreds of civilians involved with the investigation.
