

1

00:00:00,000 --> 00:00:04,000

The End

2

00:00:06,000 --> 00:00:08,000

Tonight on Unsolved Mysteries

3

00:00:10,000 --> 00:00:13,000

July 12, 1996, Boca, Washington

4

00:00:14,000 --> 00:00:17,000

July 27, 1996, Atlanta, Georgia

5

00:00:18,000 --> 00:00:22,000

Two vicious attacks separated by 15 days and 3,000 miles

6

00:00:22,000 --> 00:00:24,000

Is there a connection?

7

00:00:24,000 --> 00:00:27,000

In a special report, we'll examine compelling evidence

8

00:00:27,000 --> 00:00:30,000

that may help solve the infamous Olympic Park bombing

9

00:00:31,000 --> 00:00:34,000

According to his ex-wife, Salvatore Spinato

10

00:00:34,000 --> 00:00:37,000

had everything you'd expect a con artist to have

11

00:00:37,000 --> 00:00:40,000

Charm, a glib tongue and a secret past

12

00:00:40,000 --> 00:00:43,000

According to the police, Spinato has something extra

13

00:00:43,000 --> 00:00:46,000

A nasty temper and a taste for violence

14

00:00:48,000 --> 00:00:50,000

Christina Jumowski was still a toddler

15

00:00:50,000 --> 00:00:52,000

When doctors told her parents she would likely die

16

00:00:52,000 --> 00:00:54,000

before the age of 10

17

00:00:54,000 --> 00:00:57,000

Today, Christina is a happy, healthy 12-year-old

18

00:00:57,000 --> 00:01:00,000

Did the sublime faith of Father Ralph Diorio

19

00:01:00,000 --> 00:01:03,000

bring about her miraculous recovery?

20

00:01:04,000 --> 00:01:06,000

Join me for these intriguing cases

21

00:01:06,000 --> 00:01:10,000

Perhaps you may be able to help solve the mystery

22

00:01:54,000 --> 00:01:57,000

The con artist we have profiles seem to share similar characteristics

23

00:01:57,000 --> 00:02:00,000

They are seductively charming, totally convincing

24

00:02:00,000 --> 00:02:03,000

Utterly without conscience, but rarely violent

25

00:02:03,000 --> 00:02:06,000

Some who know the debonair hustler you're about to meet

26

00:02:06,000 --> 00:02:08,000

say he also fits the type

27

00:02:08,000 --> 00:02:11,000

That is, unless you cross him

28

00:02:15,000 --> 00:02:16,000

Hello?

29

00:02:16,000 --> 00:02:18,000

Tony, the usual table, please

30

00:02:18,000 --> 00:02:20,000

I'm sorry, I'm sorry

31

00:02:20,000 --> 00:02:22,000

I'm sorry, I'm sorry

32

00:02:22,000 --> 00:02:24,000

The usual table, please

33

00:02:24,000 --> 00:02:26,000

Well, this looks very nice

34

00:02:26,000 --> 00:02:30,000

When Beth Smith met Sal Oliverio, she had one vulnerability

35

00:02:30,000 --> 00:02:33,000

Oliverio found it and latched on

36

00:02:33,000 --> 00:02:34,000

Wow

37

00:02:34,000 --> 00:02:35,000

Thank you

38

00:02:35,000 --> 00:02:37,000

Tony, you're best champagne

39

00:02:37,000 --> 00:02:40,000

I was single mother of two children

40

00:02:40,000 --> 00:02:42,000

Financially, I was very stable

41

00:02:42,000 --> 00:02:44,000

Career-wise, I was very stable

42

00:02:44,000 --> 00:02:46,000

And I guess the only thing that was really missing

43

00:02:46,000 --> 00:02:50,000

in that equation was a husband and a father

44

00:02:50,000 --> 00:02:51,000

for my children

45

00:02:51,000 --> 00:02:54,000

Ah, you're gorgeous

46

00:02:54,000 --> 00:02:58,000

At the time, Beth was a computer consultant

47

00:02:58,000 --> 00:03:01,000

Oliverio ran a physical therapy business

48

00:03:01,000 --> 00:03:05,000

Beth says he recounted in detail his distinguished navy career

49

00:03:05,000 --> 00:03:08,000

including two years as a POW in Vietnam

50

00:03:08,000 --> 00:03:11,000

He can't understand unless you were over there

51

00:03:11,000 --> 00:03:14,000

He told me stories about how he was captured in Vietnam

52

00:03:14,000 --> 00:03:16,000

how he was a prisoner of war

53

00:03:16,000 --> 00:03:18,000

How long were you a prisoner?

54

00:03:18,000 --> 00:03:19,000

About two years

55

00:03:19,000 --> 00:03:21,000

He told these war stories to me

56

00:03:21,000 --> 00:03:23,000

He told them to my children

57

00:03:23,000 --> 00:03:26,000

My children thought of him as a war hero

58

00:03:26,000 --> 00:03:28,000

The only thing I knew was I was not going to die there

59

00:03:28,000 --> 00:03:31,000

When he would tell these stories, he would cry

60

00:03:31,000 --> 00:03:33,000

He would literally cry

61

00:03:33,000 --> 00:03:36,000

He would be very believable

62

00:03:36,000 --> 00:03:38,000

Very believable

63

00:03:40,000 --> 00:03:44,000

Beth fell in love with a man Sal Oliverio pretended to be

64

00:03:44,000 --> 00:03:46,000

War hero turned entrepreneur

65

00:03:47,000 --> 00:03:50,000

They were married in October of 1988

66

00:03:50,000 --> 00:03:53,000

Beth quit her own job to run Oliverio's company

67

00:03:53,000 --> 00:03:55,000

She says that before long

68

00:03:55,000 --> 00:03:58,000

His charming facade had started to flake away

69

00:04:01,000 --> 00:04:03,000

The bottom line numbers always showed him in the red

70

00:04:03,000 --> 00:04:05,000

And it was just, you know, amazing

71

00:04:05,000 --> 00:04:08,000

I didn't understand how he thought he was going to pay

72

00:04:08,000 --> 00:04:10,000

these bills that he had coming in

73

00:04:10,000 --> 00:04:13,000

Sal, could you come in here for a minute?

74

00:04:16,000 --> 00:04:17,000

Yes, dear

75

00:04:17,000 --> 00:04:19,000

You know, I have been over and over these numbers

76

00:04:19,000 --> 00:04:21,000

and I just don't understand what's going on

77

00:04:21,000 --> 00:04:22,000

Don't worry about it

78

00:04:22,000 --> 00:04:23,000

What do you mean, don't worry about it?

79

00:04:23,000 --> 00:04:24,000

Where's the money going to come from?

80

00:04:24,000 --> 00:04:25,000

Don't worry about it

81

00:04:25,000 --> 00:04:26,000

I've got some checks coming in

82

00:04:26,000 --> 00:04:28,000

Sal, what about the quarterly taxes?

83

00:04:28,000 --> 00:04:30,000

You don't understand this business

84

00:04:30,000 --> 00:04:31,000

I'll take care of it

85

00:04:31,000 --> 00:04:33,000

It's not your problem

86

00:04:33,000 --> 00:04:35,000

It just started becoming obvious

87

00:04:35,000 --> 00:04:37,000

that things were not as they appeared to be

88

00:04:37,000 --> 00:04:39,000

before we were married at all

89

00:04:39,000 --> 00:04:41,000

in his personality, in his background

90

00:04:41,000 --> 00:04:44,000

It changed, he changed

91

00:04:44,000 --> 00:04:46,000

The true hymn came out

92

00:04:46,000 --> 00:04:49,000

The true hymn was stuffed in a box

93

00:04:49,000 --> 00:04:51,000

hidden in the basement

94

00:04:51,000 --> 00:04:54,000

Beth found it shortly before her third wedding anniversary

95

00:04:54,000 --> 00:04:56,000

It had written on it

96

00:04:56,000 --> 00:04:59,000

Lexington Correctional Institution

97

00:04:59,000 --> 00:05:01,000

And I'd never seen that before

98

00:05:01,000 --> 00:05:03,000

and I'd never heard that name before

99

00:05:07,000 --> 00:05:10,000

Oliverio's untidy past was spelled out

100

00:05:10,000 --> 00:05:12,000

in 20-point bold type

101

00:05:12,000 --> 00:05:15,000

It was his real name, Salvatore Spinato

102

00:05:15,000 --> 00:05:18,000

He had done time in Kentucky for bank fraud

103

00:05:18,000 --> 00:05:21,000

The article said he had run business scams for years

104

00:05:21,000 --> 00:05:23,000

allegedly duping one investor

105

00:05:23,000 --> 00:05:26,000

of more than a quarter of a million dollars

106

00:05:26,000 --> 00:05:29,000

When it suited him, Spinato had worked undercover

107

00:05:29,000 --> 00:05:32,000

for the FBI, posing as a corrupt contractor

108

00:05:32,000 --> 00:05:35,000

in a widely publicized sting operation

109

00:05:35,000 --> 00:05:38,000

The people who had taken him into their confidence

110

00:05:38,000 --> 00:05:40,000

and had paid him bribes, felt double-cross

111

00:05:40,000 --> 00:05:43,000

when they found out he was working for the FBI

112

00:05:43,000 --> 00:05:45,000

And I think the FBI wasn't too sure at the end

113

00:05:45,000 --> 00:05:48,000

whether Sal was leaking information to the other side

114

00:05:48,000 --> 00:05:50,000

for whatever reason

115

00:05:50,000 --> 00:05:53,000

Nobody trusted him at the end of that investigation

116

00:05:54,000 --> 00:05:56,000

It told me that I was married to someone

117

00:05:56,000 --> 00:06:00,000

that was very deceptive, very manipulative

118

00:06:00,000 --> 00:06:03,000

and someone I didn't know at all

119

00:06:03,000 --> 00:06:05,000

And everything that he told me about

120

00:06:05,000 --> 00:06:09,000

what he wanted and who he was was a lie

121

00:06:11,000 --> 00:06:13,000

Beth moved out a few days later

122

00:06:13,000 --> 00:06:15,000

She filed for a marriage annulment

123

00:06:15,000 --> 00:06:18,000

based on Spinato's fraudulent identity

124

00:06:18,000 --> 00:06:21,000

Eventually they settled on a divorce

125

00:06:21,000 --> 00:06:25,000

We still maintained a relationship at that point

126

00:06:25,000 --> 00:06:28,000

because he still owed me a significant amount of money

127

00:06:28,000 --> 00:06:32,000

and he was making payments on that

128

00:06:32,000 --> 00:06:35,000

Not consistently and not by court order at all

129

00:06:35,000 --> 00:06:37,000

Just occasionally he would call and say

130

00:06:37,000 --> 00:06:39,000

I'd give him some extra money and give me a few hundred dollars

131

00:06:39,000 --> 00:06:41,000

towards what he owed me

132

00:06:41,000 --> 00:06:44,000

Oh, Sal, hi, thanks for calling back

133

00:06:44,000 --> 00:06:49,000

In June of 1996, Beth was preparing to leave town for ten days

134

00:06:49,000 --> 00:06:52,000

Her boyfriend Greg had his own plans to be away

135

00:06:52,000 --> 00:06:54,000

for part of that time

136

00:06:54,000 --> 00:06:58,000

Beth asked Spinato to help keep an eye on her 17-year-old son

137

00:06:58,000 --> 00:07:02,000

Sal and my son had a good relationship

138

00:07:02,000 --> 00:07:04,000

the one we were married and before we were married

139

00:07:04,000 --> 00:07:06,000

they got along well together

140

00:07:06,000 --> 00:07:08,000

I knew he was dating several other women

141

00:07:08,000 --> 00:07:11,000

so I assumed there was no other meaning

142

00:07:11,000 --> 00:07:13,000

that he could take from this at all

143

00:07:13,000 --> 00:07:17,000

and he said that was fine, you know, just, you know, that was fine

144

00:07:17,000 --> 00:07:20,000

He would do that, he would look in on my son

145

00:07:20,000 --> 00:07:23,000

A couple days after Beth left the country

146

00:07:23,000 --> 00:07:25,000

I got a call out of the blue from Sal

147

00:07:25,000 --> 00:07:28,000

He had identified himself as Sal Alivarrio

148

00:07:28,000 --> 00:07:32,000

and he called me and said that he needed to talk to me right away

149

00:07:32,000 --> 00:07:35,000

that he was very concerned about her son

150

00:07:35,000 --> 00:07:38,000

that he was involved with some drugs

151

00:07:38,000 --> 00:07:40,000

Yeah, it's drugs, the kid's gonna get in trouble

152

00:07:40,000 --> 00:07:42,000

she's out of the country, I don't know what to do

153

00:07:42,000 --> 00:07:44,000

Greg says it on July 3rd

154

00:07:44,000 --> 00:07:47,000

he met with Spinato at a local convenience store

155

00:07:47,000 --> 00:07:49,000

He's gonna get in trouble with drugs

156

00:07:49,000 --> 00:07:51,000

I had no reason to doubt him

157

00:07:51,000 --> 00:07:53,000

he seemed genuine in what he was saying

158

00:07:53,000 --> 00:07:57,000

he was very concerned about his welfare, his health and well-being

159

00:07:57,000 --> 00:07:59,000

it was his, you know, his stepson

160

00:07:59,000 --> 00:08:02,000

he said there was a house that I just bought around the corner

161

00:08:02,000 --> 00:08:05,000

that I'm in the process of remodeling

162

00:08:05,000 --> 00:08:07,000

would I mind just following him there

163

00:08:07,000 --> 00:08:10,000

and he'd give me some more information

164

00:08:10,000 --> 00:08:13,000

and there was some information that had to do with me

165

00:08:13,000 --> 00:08:14,000

so I agreed

166

00:08:14,000 --> 00:08:17,000

It's a great neighborhood, I got the house for a wonderful price

167

00:08:17,000 --> 00:08:19,000

The drug story was a ruse

168

00:08:19,000 --> 00:08:24,000

According to Greg, Spinato's real motive soon became painfully clear

169

00:08:24,000 --> 00:08:26,000

I thought this would be a little more private

170

00:08:26,000 --> 00:08:28,000

let me show you what I found

171

00:08:32,000 --> 00:08:36,000

The club had an electric shock to it

172

00:08:36,000 --> 00:08:39,000

it was a, it was a taser weapon

173

00:08:39,000 --> 00:08:42,000

I knew that I was in a real bad situation

174

00:08:42,000 --> 00:08:44,000

I mean, nobody saw me go in

175

00:08:44,000 --> 00:08:46,000

nobody knew where I was

176

00:08:46,000 --> 00:08:48,000

I knew I was history

177

00:08:48,000 --> 00:08:50,000

I'm gonna kill you, you ain't walking out of here

178

00:08:50,000 --> 00:08:52,000

you ain't never seeing your kids again

179

00:08:52,000 --> 00:08:55,000

What's going on? I thought this was about the kids

180

00:08:55,000 --> 00:08:58,000

You're hitting me in about him, it's about my wife

181

00:08:58,000 --> 00:09:01,000

She's still my wife, piece

182

00:09:01,000 --> 00:09:04,000

I realized that this had nothing to do with her son

183

00:09:04,000 --> 00:09:08,000

the whole purpose in Sal's mind was to

184

00:09:08,000 --> 00:09:12,000

for me to stop seeing his ex-wife

185

00:09:12,000 --> 00:09:14,000

I've got a decision to make

186

00:09:14,000 --> 00:09:18,000

I can't decide if I want this guy to grow you away or not

187

00:09:18,000 --> 00:09:21,000

Look at him, look at him

188

00:09:21,000 --> 00:09:23,000

So I looked up at him and I recognized him

189

00:09:23,000 --> 00:09:27,000

This is a guy who had been in my house

190

00:09:27,000 --> 00:09:29,000

How old did you say the roof was?

191

00:09:29,000 --> 00:09:32,000

A few weeks earlier, Greg had listed his home for sale

192

00:09:32,000 --> 00:09:36,000

He says the man represented himself as a prospective buyer

193

00:09:36,000 --> 00:09:40,000

but it now seemed he had been a spy for Sal Spinato

194

00:09:40,000 --> 00:09:43,000

We'll be in touch

195

00:09:43,000 --> 00:09:44,000

Sure thing

196

00:09:44,000 --> 00:09:45,000

Thanks

197

00:09:45,000 --> 00:09:48,000

He mentioned his name but I didn't remember it

198

00:09:48,000 --> 00:09:53,000

So as he pulled away, I wrote down his license plate number

199

00:09:53,000 --> 00:09:58,000

I don't know what possessed me to even think of doing that

200

00:09:58,000 --> 00:10:00,000

but thank God that I did

201

00:10:00,000 --> 00:10:04,000

Okay Sal, I'll do whatever you want

202

00:10:04,000 --> 00:10:07,000

I was willing to do anything, say anything

203

00:10:07,000 --> 00:10:09,000

to get out of that house

204

00:10:09,000 --> 00:10:11,000

The whole conversation shifted

205

00:10:11,000 --> 00:10:14,000

You know, he had decided that he had decided

206

00:10:14,000 --> 00:10:16,000

that he was going to let me live

207

00:10:16,000 --> 00:10:18,000

that he wasn't going to kill me

208

00:10:18,000 --> 00:10:21,000

but that I better come up with a real good story

209

00:10:21,000 --> 00:10:23,000

about how to break it off with his wife

210

00:10:23,000 --> 00:10:25,000

We're going to go for a little ride

211

00:10:25,000 --> 00:10:26,000

We've got to come up with a plan

212

00:10:26,000 --> 00:10:28,000

Greg had another plan

213

00:10:28,000 --> 00:10:30,000

He went straight to the police

214

00:10:30,000 --> 00:10:34,000

They identified Paul Homer Schaefer

215

00:10:34,000 --> 00:10:37,000

Spinato's alleged accomplice from the license number

216

00:10:37,000 --> 00:10:39,000

Greg had jotted down earlier

217

00:10:39,000 --> 00:10:41,000

Schaefer is currently in jail

218

00:10:41,000 --> 00:10:45,000

awaiting trial on charges of kidnapping and assault

219

00:10:45,000 --> 00:10:49,000

Salvatore Spinato was arrested, booked, then released on bail

220

00:10:49,000 --> 00:10:52,000

He did not show for a scheduled court date in January

221

00:10:52,000 --> 00:10:56,000

and his whereabouts are currently unknown

222

00:10:56,000 --> 00:10:59,000

I think he's a very desperate man

223

00:10:59,000 --> 00:11:03,000

I think he's gone over the edge of what he's done in the past

224

00:11:03,000 --> 00:11:05,000

with the latest incident

225

00:11:05,000 --> 00:11:08,000

I think he's a very dangerous person

226

00:11:08,000 --> 00:11:10,000

and if he would do this, what else would he do?

227

00:11:10,000 --> 00:11:13,000

Now he's moved into the realm of manipulating people

228

00:11:13,000 --> 00:11:14,000

by using violence

229

00:11:14,000 --> 00:11:17,000

There's no reason to conclude that he won't do it again in the future

230

00:11:17,000 --> 00:11:21,000

Especially, especially if he sees from some point of view

231

00:11:21,000 --> 00:11:22,000

he's got nothing to lose

232

00:11:22,000 --> 00:11:23,000

and he's got to know

233

00:11:23,000 --> 00:11:25,000

He's been around the system long enough to know

234

00:11:25,000 --> 00:11:27,000

that we're looking for him

235

00:11:27,000 --> 00:11:28,000

We want him

236

00:11:33,000 --> 00:11:38,000

Next, they said she'd never live long enough to jump rope

237

00:11:38,000 --> 00:11:42,000

but that was before Christina Jomowski's remarkable encounter

238

00:11:42,000 --> 00:11:45,000

with a faith healing priest named Ralph Diorio

239

00:11:46,000 --> 00:11:49,000

The journey from sickness to health is often a mysterious passage

240

00:11:49,000 --> 00:11:53,000

at times inexplicable even to doctors themselves

241

00:11:53,000 --> 00:12:08,220

I don't know, someone

242

00:12:08,220 --> 00:12:11,000

Why the hell did Luc hahaha do you do it

243

00:12:11,000 --> 00:12:13,000

It's called a dead end

244

00:12:13,000 --> 00:12:13,840

You do it

245

00:12:13,840 --> 00:12:17,080

Perhaps most baffling of all are the dramatic recoveries

246

00:12:17,180 --> 00:12:19,320

attributed to divine healing.

247

00:12:19,420 --> 00:12:22,260

Tonight, we visit the world of Father Ralph Diario,

248

00:12:22,360 --> 00:12:24,720

a Catholic priest who's been credited with thousands

249

00:12:24,820 --> 00:12:25,920

of miraculous healings.

250

00:12:31,000 --> 00:12:32,700

At Father Diario's prayer meetings,

251

00:12:32,800 --> 00:12:35,900

worshippers topple to the floor left and right.

252

00:12:36,000 --> 00:12:38,340

It is not uncommon to see dozens of people

253

00:12:38,440 --> 00:12:40,040

sprawled around the room.

254

00:12:40,140 --> 00:12:42,340

Some call it the slaying of the spirit,

255

00:12:42,840 --> 00:12:46,280

a total surrender of individual will to the power of God.

256

00:12:46,380 --> 00:12:48,740

He might be getting the gift of tears.

257

00:12:48,840 --> 00:12:50,840

That's a gift, too.

258

00:12:50,940 --> 00:12:53,280

Father Diario ministers to ills of the body

259

00:12:53,380 --> 00:12:56,020

as well as those of the soul, though he

260

00:12:56,120 --> 00:12:58,760

is quick to point out that any miracle cures are not

261

00:12:58,860 --> 00:13:00,060

his work, but God's.

262

00:13:03,160 --> 00:13:09,560

It appears that God has chosen me openly, clearly,

263

00:13:10,020 --> 00:13:11,520

publicly.

264

00:13:11,620 --> 00:13:14,020

And all he needed for me was, OK, Lord,

265

00:13:14,120 --> 00:13:18,160

I want it to be your instrument of speech, of thought,

266

00:13:18,260 --> 00:13:19,760

of touch.

267

00:13:19,860 --> 00:13:23,800

So I become the visible presence of God.

268

00:13:23,900 --> 00:13:27,000

But God is the divine healer.

269

00:13:27,100 --> 00:13:28,600

Steve.

270

00:13:28,700 --> 00:13:32,380

Christina was born with neurofibromatosis.

271

00:13:32,480 --> 00:13:34,880

Stan Jumowski and his family are among those

272

00:13:34,980 --> 00:13:37,080

who speak from experience when they testify

273

00:13:37,100 --> 00:13:38,500

to the fight of the extraordinary power

274

00:13:38,600 --> 00:13:40,300

of Diario's prayers.

275

00:13:40,400 --> 00:13:44,380

It's a degenerative genetic disorder.

276

00:13:44,480 --> 00:13:46,340

The Jumowski's ordeal began a few weeks

277

00:13:46,440 --> 00:13:49,480

before Christmas in 1988.

278

00:13:49,580 --> 00:13:52,080

It was a proverbial ordinary day.

279

00:13:52,180 --> 00:13:54,620

Mary Jumowski was immersed in housework.

280

00:13:54,720 --> 00:13:56,520

Three-year-old Christina was napping

281

00:13:56,620 --> 00:13:58,320

on the living room floor.

282

00:13:58,420 --> 00:13:59,120

You sleeping head.

283

00:13:59,220 --> 00:14:01,500

Did you have a good nap?

284

00:14:01,600 --> 00:14:03,300

Christina.

285

00:14:03,400 --> 00:14:05,600

I walked over to her, and her eyes

286

00:14:05,660 --> 00:14:07,320

were kind of staring up at the ceiling,

287

00:14:07,420 --> 00:14:09,260

and she didn't respond to me.

288

00:14:09,360 --> 00:14:12,500

Sweetie, can you hear me?

289

00:14:12,600 --> 00:14:14,660

Her eyes were open, but she wasn't acknowledging me.

290

00:14:14,760 --> 00:14:16,460

She wasn't saying anything, and she was just

291

00:14:16,560 --> 00:14:20,040

making this little gurgling sound in her throat.

292

00:14:20,140 --> 00:14:22,000

Christina.

293

00:14:22,100 --> 00:14:23,400

Sweetie, come on.

294

00:14:23,500 --> 00:14:24,540

Come on, baby.

295

00:14:24,640 --> 00:14:28,140

Come on, honey.

296

00:14:28,240 --> 00:14:32,480

As I dialed the doctor, that's when she started convulsing.

297

00:14:32,580 --> 00:14:33,620

Not a wild convulsion.

298

00:14:33,680 --> 00:14:36,640

It was basically a tremor on one side of her body.

299

00:14:36,740 --> 00:14:38,040

Sweetie, Christina.

300

00:14:38,140 --> 00:14:38,940

OK.

301

00:14:39,040 --> 00:14:39,840

That's all right.

302

00:14:39,940 --> 00:14:42,120

It's OK.

303

00:14:42,220 --> 00:14:43,980

I don't know what told me to start timing it.

304

00:14:44,080 --> 00:14:47,520

I remember it started at 1 o'clock that day, December 1,

305

00:14:47,620 --> 00:14:50,920

and the seizure lasted for 20 minutes.

306

00:14:51,020 --> 00:14:54,060

I'm sorry, but the news is not good.

307

00:14:54,160 --> 00:14:58,800

Christina is suffering with neurofibromatosis.

308

00:14:58,900 --> 00:15:02,300

NF causes tumors to grow on the nerve endings.

309

00:15:02,380 --> 00:15:06,220

And in Christina's case, she's developed an optic glioma.

310

00:15:06,320 --> 00:15:09,020

The specialists all agreed.

311

00:15:09,120 --> 00:15:11,960

The neurofibromatosis was unstoppable.

312

00:15:12,060 --> 00:15:14,120

It would compromise Christina's vision,

313

00:15:14,220 --> 00:15:16,160

disrupt her physical coordination,

314

00:15:16,260 --> 00:15:18,900

and ultimately take her life.

315

00:15:19,000 --> 00:15:21,800

It was almost a certainty.

316

00:15:21,900 --> 00:15:23,960

Is she going to die?

317

00:15:24,060 --> 00:15:27,600

I'm afraid that's a possibility you're going to have to face.

318

00:15:27,700 --> 00:15:31,140

We sat down and we cried for weeks on end.

319

00:15:31,180 --> 00:15:34,780

Tears would just come to our eyes at any time during the day

320

00:15:34,880 --> 00:15:35,680

or night.

321

00:15:35,780 --> 00:15:36,980

We couldn't sleep.

322

00:15:37,080 --> 00:15:38,720

We were devastated by it.

323

00:15:38,820 --> 00:15:41,360

We were going every six months for a follow-up MRI

324

00:15:41,460 --> 00:15:43,860

and hearing the worst news each time

325

00:15:43,960 --> 00:15:46,920

that the tumor was growing.

326

00:15:47,020 --> 00:15:49,000

The disease took its toll.

327

00:15:49,100 --> 00:15:52,360

As expected, Christina fell far behind her classmates

328

00:15:52,460 --> 00:15:55,140

in physical ability.

329

00:15:55,240 --> 00:15:59,540

There's certain things she would not be able to do at all.

330

00:15:59,580 --> 00:16:01,580

Skipping, forget about it.

331

00:16:01,680 --> 00:16:03,940

Running, I mean, the coordination wasn't

332

00:16:04,040 --> 00:16:05,220

there to do any of these things.

333

00:16:05,320 --> 00:16:08,080

Jumping, she couldn't get her feet off the ground.

334

00:16:08,180 --> 00:16:10,380

Of course, the first question you ask is, why?

335

00:16:10,480 --> 00:16:11,080

Why?

336

00:16:11,180 --> 00:16:11,760

Why God?

337

00:16:11,860 --> 00:16:13,280

Why my daughter?

338

00:16:13,380 --> 00:16:15,160

What did she ever do to hurt you?

339

00:16:15,260 --> 00:16:16,420

You know, that type of thing.

340

00:16:16,520 --> 00:16:19,960

Anger set in for a while.

341

00:16:20,060 --> 00:16:21,960

At the urging of a friend, the Umoskis

342

00:16:22,060 --> 00:16:23,840

attended one of Father Diorio's prayer

343

00:16:23,940 --> 00:16:25,440

meetings in February of 1992.

344

00:16:25,940 --> 00:16:28,540

Stan was deeply skeptical.

345

00:16:28,640 --> 00:16:33,380

His doubts, however, were outweighed by his desperation.

346

00:16:33,480 --> 00:16:36,720

I still had some anger in me.

347

00:16:36,820 --> 00:16:41,320

Even though I agreed to go, I carried a tape recorder in my pocket

348

00:16:41,420 --> 00:16:43,560

and I taped the entire service, thinking

349

00:16:43,660 --> 00:16:47,260

that if this man is a fraud, I'll expose him.

350

00:16:49,860 --> 00:16:53,500

Dozens had come to be healed, each hoping for a person

351

00:16:53,520 --> 00:16:54,900

or blessing.

352

00:16:55,000 --> 00:16:57,300

Despite his skepticism, Stan was determined

353

00:16:57,400 --> 00:16:59,360

that Christina would be chosen.

354

00:16:59,460 --> 00:17:01,540

Are there any children out there who are suffering?

355

00:17:01,640 --> 00:17:02,540

Please raise your hand.

356

00:17:02,640 --> 00:17:04,040

Father, right here, Father.

357

00:17:04,140 --> 00:17:04,940

Yes.

358

00:17:05,040 --> 00:17:06,240

Do you have a safe child?

359

00:17:06,340 --> 00:17:07,480

Yes, Father, my daughter.

360

00:17:07,580 --> 00:17:09,140

Would you please bring her here to me?

361

00:17:12,380 --> 00:17:14,780

I was so excited and thrilled just for the fact

362

00:17:14,880 --> 00:17:16,580

that they got cold forward.

363

00:17:16,680 --> 00:17:19,780

You know, after seeing a number of people there,

364

00:17:19,880 --> 00:17:23,260

I thought our chances is that they would be able to do

365

00:17:23,280 --> 00:17:24,480

a little bit of healing.

366

00:17:24,580 --> 00:17:27,080

I thought our chances of even being cold or having

367

00:17:27,180 --> 00:17:29,960

Christina blessed were almost nil.

368

00:17:30,060 --> 00:17:32,360

Sweetheart, what is your name?

369

00:17:32,460 --> 00:17:33,560

Christina.

370

00:17:33,660 --> 00:17:34,760

Christina.

371

00:17:34,860 --> 00:17:37,400

Now, Christina, do you believe in Jesus?

372

00:17:37,500 --> 00:17:38,700

Yes.

373

00:17:38,800 --> 00:17:40,360

Do you love Jesus?

374

00:17:40,460 --> 00:17:42,240

Yes, I love Jesus.

375

00:17:42,340 --> 00:17:43,340

Good.

376

00:17:43,440 --> 00:17:44,280

I'm going to save her and for you right now.

377

00:17:46,940 --> 00:17:48,780

There are three types of healing.

378

00:17:48,880 --> 00:17:51,340

There's the physical healing and the spiritual healing

379

00:17:51,400 --> 00:17:52,840

and the healing healing.

380

00:17:52,940 --> 00:17:56,840

So God is aiming for all three of these healings

381

00:17:56,940 --> 00:17:59,280

to give this person a new chance,

382

00:17:59,380 --> 00:18:01,840

a new chapter in the autobiography

383

00:18:01,940 --> 00:18:04,980

of that person's life, you see?

384

00:18:05,080 --> 00:18:07,680

Those Stan and Mary had come in search of a miracle.

385

00:18:07,780 --> 00:18:10,560

They had no idea what one might look like.

386

00:18:10,660 --> 00:18:11,560

Mommy?

387

00:18:11,660 --> 00:18:12,920

What is it, sweetie?

388

00:18:13,020 --> 00:18:14,920

Mommy, how did that man do that?

389

00:18:15,020 --> 00:18:16,360

Do what, Christina?

390

00:18:16,460 --> 00:18:18,560

How did he make it so hard?

391

00:18:18,660 --> 00:18:20,460

What are you talking about?

392

00:18:20,520 --> 00:18:22,160

That man touched me on my head.

393

00:18:22,260 --> 00:18:25,160

He made me feel hard.

394

00:18:25,260 --> 00:18:27,220

And then I remembered what Father Diorio had said

395

00:18:27,320 --> 00:18:29,100

during the service about people feeling

396

00:18:29,200 --> 00:18:31,000

a warmth in their body.

397

00:18:31,100 --> 00:18:33,560

And then only then, me, who was all bundled up,

398

00:18:33,660 --> 00:18:34,500

I was so cold.

399

00:18:34,600 --> 00:18:35,300

I looked at her.

400

00:18:35,400 --> 00:18:36,600

Her hood was down.

401

00:18:36,700 --> 00:18:38,300

No gloves on.

402

00:18:38,400 --> 00:18:39,740

Her coat was hanging open.

403

00:18:39,840 --> 00:18:41,400

Do you remember when Father Diorio said

404

00:18:41,500 --> 00:18:43,000

that when the Holy Spirit enters your body,

405

00:18:43,100 --> 00:18:44,240

you might feel warm?

406

00:18:44,340 --> 00:18:46,340

Was it a miracle in the making?

407

00:18:46,440 --> 00:18:50,420

Within two days, the answer became clear to Stan and Mary.

408

00:18:50,520 --> 00:18:52,080

Right on the front stoop of this school,

409

00:18:52,180 --> 00:18:53,780

she starts jumping rope.

410

00:18:53,880 --> 00:18:56,120

And her feet are not just an inch off the ground.

411

00:18:56,220 --> 00:18:59,260

She's literally jumping a half a foot off the ground.

412

00:18:59,360 --> 00:19:01,120

And not just a couple of jumps.

413

00:19:01,220 --> 00:19:03,660

She's jumping and she's jumping.

414

00:19:03,760 --> 00:19:06,160

And I'm looking at her like disbelief.

415

00:19:06,260 --> 00:19:09,400

And she calls out to me, mommy, how can I do this

416

00:19:09,500 --> 00:19:11,100

all of a sudden?

417

00:19:11,200 --> 00:19:12,540

Her words, all of a sudden.

418

00:19:12,640 --> 00:19:15,180

Hello?

419

00:19:15,280 --> 00:19:17,040

Doctor, thanks for calling.

420

00:19:17,140 --> 00:19:18,680

Listen, I was wondering if you had a chance

421

00:19:18,780 --> 00:19:19,940

to view the MRIs.

422

00:19:20,000 --> 00:19:23,400

And he lingering doubts dissolved two weeks later,

423

00:19:23,500 --> 00:19:25,340

when Christina's doctor called with the results

424

00:19:25,440 --> 00:19:28,200

from the latest MRI.

425

00:19:28,300 --> 00:19:31,440

Well, how much is it going down?

426

00:19:31,540 --> 00:19:32,540

OK.

427

00:19:32,640 --> 00:19:33,340

All right.

428

00:19:33,440 --> 00:19:35,180

We'll see you at the meeting.

429

00:19:35,280 --> 00:19:38,320

We went to see the doctor in person.

430

00:19:38,420 --> 00:19:42,080

And I said, well, doctor, show me where the tumor is.

431

00:19:42,180 --> 00:19:43,860

You said it was greatly reduced.

432

00:19:43,960 --> 00:19:45,460

Please show me where the tumor is.

433

00:19:45,560 --> 00:19:46,820

And he put his finger on this one.

434

00:19:46,920 --> 00:19:48,820

And he said, well, this is where it was.

435

00:19:49,080 --> 00:19:53,640

We asked a physician, unconnected with this case,

436

00:19:53,740 --> 00:19:56,820

to review two of Christina's MRIs.

437

00:19:56,920 --> 00:19:59,680

One was made in 1991, almost a year

438

00:19:59,780 --> 00:20:01,620

before Christina's visit to Father Diorio.

439

00:20:04,960 --> 00:20:07,460

Christina's tumor showed up as thickening on a part

440

00:20:07,560 --> 00:20:11,660

of the brain known as the optic chiasm.

441

00:20:11,760 --> 00:20:16,200

The other MRI was made in 1992, shortly after Father Diorio's

442

00:20:16,280 --> 00:20:17,080

blessing.

443

00:20:19,580 --> 00:20:24,780

Christina's MRI scan in 1992, in the region of the optic

444

00:20:24,880 --> 00:20:27,120

chiasm, appears to be normal.

445

00:20:27,220 --> 00:20:32,320

It appears that in 1992, the thickening of the optic chiasm

446

00:20:32,420 --> 00:20:38,220

has disappeared when compared with the previous exam of 1991.

447

00:20:38,320 --> 00:20:42,460

In neurofibromatosis, there have been rare instances

448

00:20:42,560 --> 00:20:45,400

of regression of optic nerve gliomas

449

00:20:45,900 --> 00:20:47,600

but this is a rare event.

450

00:20:51,540 --> 00:20:54,740

It would appear that Christina's among those rare few.

451

00:20:54,840 --> 00:20:57,380

Recent MRIs confirm that in the five years

452

00:20:57,480 --> 00:20:59,780

since Father Diorio blessed Christina,

453

00:20:59,880 --> 00:21:04,520

the life-threatening tumor has not returned.

454

00:21:04,620 --> 00:21:05,820

I couldn't jump rope.

455

00:21:05,920 --> 00:21:08,460

And now I could do it very well.

456

00:21:08,560 --> 00:21:10,920

I couldn't really do anything.

457

00:21:11,220 --> 00:21:14,820

I couldn't jump or run or anything.

458

00:21:17,960 --> 00:21:20,220

I'm glad that I can do things now

459

00:21:20,320 --> 00:21:21,760

and I can keep up with the other kids.

460

00:21:25,440 --> 00:21:28,400

There are many healings where both medicine and prayer

461

00:21:28,500 --> 00:21:30,340

are constantly working.

462

00:21:30,440 --> 00:21:33,900

God works through all His creation.

463

00:21:34,000 --> 00:21:36,840

And one of God's primary materialistic, naturalistic,

464

00:21:36,940 --> 00:21:40,020

scientific ways of healing is through the medical profession.

465

00:21:40,980 --> 00:21:43,320

I thank God every day for what He's done.

466

00:21:43,420 --> 00:21:47,280

Of course, I thank Father Diorio for being the catalyst

467

00:21:47,380 --> 00:21:48,220

in that healing.

468

00:21:51,060 --> 00:21:53,700

Absolutely positively was a miracle.

469

00:21:53,800 --> 00:21:55,300

And I could never thank Him enough for that.

470

00:21:59,260 --> 00:22:01,640

In the sage of cold facts and hard science,

471

00:22:01,740 --> 00:22:03,500

is a room for something as unexplainable

472

00:22:03,600 --> 00:22:06,240

as an honest to God miracle.

473

00:22:06,340 --> 00:22:08,580

For the Umoskes in Italy, thousands of others

474

00:22:08,600 --> 00:22:11,080

who believe Father Diorio's intervention saved them

475

00:22:11,180 --> 00:22:14,980

from sickness or death, the answer is a heartfelt yes.

476

00:22:18,780 --> 00:22:23,320

Next, a door-to-door saleswoman has a startling face-to-face

477

00:22:23,420 --> 00:22:24,860

encounter with a murder suspect.

478

00:22:24,860 --> 00:22:29,860

The End of a Hot Summer Day

479

00:22:29,960 --> 00:22:35,200

July 31, 1995, Robuck, South Carolina.

480

00:22:35,300 --> 00:22:38,100

The end of a hot summer day became a prelude to mystery

481

00:22:38,200 --> 00:22:41,440

for a door-to-door saleswoman we will call Shirley.

482

00:22:41,540 --> 00:22:42,340

It's nice meeting you.

483

00:22:42,440 --> 00:22:43,780

It's nice doing business with you.

484

00:22:43,880 --> 00:22:45,080

OK, I better get back to my house.

485

00:22:45,180 --> 00:22:46,980

At around 6.30 p.m. on the way to the hospital,

486

00:22:47,080 --> 00:22:48,580

we have a new home for the young woman.

487

00:22:48,680 --> 00:22:50,080

We're going to have a new home.

488

00:22:50,180 --> 00:22:52,080

We're going to have a new home for the young woman.

489

00:22:52,700 --> 00:22:57,240

At around 6.30 p.m., Shirley sold a bottle of cleaning fluid

490

00:22:57,340 --> 00:23:01,040

to a new customer, 27-year-old Dana Satterfield.

491

00:23:01,140 --> 00:23:03,180

The mother of two children Dana had recently

492

00:23:03,280 --> 00:23:05,120

separated from her husband.

493

00:23:05,220 --> 00:23:07,460

She owned and operated her own beauty salon

494

00:23:07,560 --> 00:23:11,660

just off State Highway 221.

495

00:23:11,760 --> 00:23:13,200

She was real nice.

496

00:23:13,300 --> 00:23:14,860

And you know, she told me to wait

497

00:23:14,960 --> 00:23:17,260

because she wanted to see my product.

498

00:23:17,360 --> 00:23:18,740

She was real friendly.

499

00:23:18,840 --> 00:23:20,700

She was outspoken.

500

00:23:20,760 --> 00:23:21,820

Real friendly later.

501

00:23:24,800 --> 00:23:27,200

After the sale, Shirley headed down the road

502

00:23:27,300 --> 00:23:29,160

to look for other customers.

503

00:23:29,260 --> 00:23:32,100

An hour later, she would pass back by the salon

504

00:23:32,200 --> 00:23:34,580

and emerges the key witness in a murder case.

505

00:23:38,440 --> 00:23:41,020

On her return trip, Shirley looked in the window

506

00:23:41,120 --> 00:23:44,420

and saw that it was 8.11 p.m.

507

00:23:44,520 --> 00:23:47,560

Dana was cleaning up, getting everything, I guess,

508

00:23:47,660 --> 00:23:49,620

to close up the shop for the night.

509

00:23:49,680 --> 00:23:51,080

She was like wiping out the sink.

510

00:23:51,180 --> 00:23:54,420

She was standing right between where I left my product at.

511

00:23:54,520 --> 00:23:59,220

And I waved at her, and I kept going.

512

00:23:59,320 --> 00:24:02,120

At around 8.30 p.m., after she made two more calls,

513

00:24:02,220 --> 00:24:05,000

Shirley returned to the salon one final time

514

00:24:05,100 --> 00:24:08,100

to wait for her ride home.

515

00:24:08,200 --> 00:24:11,940

I noticed the lights was on, and I was going to go into the shop,

516

00:24:12,040 --> 00:24:15,040

the beauty shop, but I just stopped.

517

00:24:15,140 --> 00:24:16,540

And I said, no, I've been not going.

518

00:24:16,640 --> 00:24:17,880

I might get in trouble.

519

00:24:17,940 --> 00:24:19,580

So I went and stood at the street,

520

00:24:19,680 --> 00:24:22,540

at the edge of the pavement.

521

00:24:22,640 --> 00:24:25,640

Then I noticed I heard a noise, a loud thump noise.

522

00:24:29,980 --> 00:24:33,020

I kept hearing about two or three thump noises.

523

00:24:33,120 --> 00:24:35,420

I kept looking back.

524

00:24:35,520 --> 00:24:37,400

The next time Shirley turned around,

525

00:24:37,500 --> 00:24:40,660

someone had turned the lights out.

526

00:24:40,760 --> 00:24:42,960

And I said, wow, she can really come out then.

527

00:24:43,060 --> 00:24:47,100

I was happy because, you know, I wanted to talk to her.

528

00:24:47,220 --> 00:24:50,400

By that time, I heard a big crash sound.

529

00:24:50,500 --> 00:24:53,560

When I looked to my left, I noticed a man getting

530

00:24:53,660 --> 00:24:56,600

off the ground off his knees.

531

00:24:56,700 --> 00:25:00,640

Like this grabbed my bag, and I started running.

532

00:25:00,740 --> 00:25:03,440

Shirley thought she had crossed paths with a burglar.

533

00:25:03,540 --> 00:25:06,820

She ran to the liquor store 50 feet away to call the police.

534

00:25:10,180 --> 00:25:14,120

And we met, and we looked at each other.

535

00:25:14,220 --> 00:25:16,820

You know how a crazy person looked when they crazy?

536

00:25:16,880 --> 00:25:19,540

That's how he looked like he was real crazy.

537

00:25:19,640 --> 00:25:20,720

And he scared me.

538

00:25:20,820 --> 00:25:24,820

So that's why I had to run again to get away from it.

539

00:25:24,920 --> 00:25:27,660

Shirley tried to flag down a motorist.

540

00:25:27,760 --> 00:25:29,820

When that failed, she ran to the nearest house

541

00:25:29,920 --> 00:25:31,160

and phoned 911.

542

00:25:31,260 --> 00:25:33,660

Woo-hoo-hoo!

543

00:25:33,760 --> 00:25:35,560

A deputy sheriff arrived, assuming

544

00:25:35,660 --> 00:25:38,100

that the beauty salon had been robbed.

545

00:25:38,200 --> 00:25:41,240

He had no idea if Dana Satterfield was still inside.

546

00:25:47,820 --> 00:25:51,980

Dana Satterfield had been beaten severely.

547

00:25:52,080 --> 00:25:54,020

She had been raped.

548

00:25:54,120 --> 00:25:55,720

She had been strangled.

549

00:25:55,820 --> 00:25:59,620

And there was no indication that robbery was a motive,

550

00:25:59,720 --> 00:26:02,560

and there was no evidence of any other disturbance

551

00:26:02,660 --> 00:26:05,900

in any other part of the salon.

552

00:26:06,000 --> 00:26:08,640

I just couldn't believe that anybody would want to hurt her,

553

00:26:08,740 --> 00:26:13,240

because she never hurt no one.

554

00:26:13,340 --> 00:26:14,840

She tried to help a lot of people,

555

00:26:14,900 --> 00:26:18,460

and she did help a lot of people.

556

00:26:18,560 --> 00:26:21,900

Initially, suspicion focused on Dana's husband, Mike.

557

00:26:22,000 --> 00:26:25,040

However, Mike says their breakup was amicable.

558

00:26:25,140 --> 00:26:28,440

In addition, Mike in no way fit the description of the man

559

00:26:28,540 --> 00:26:31,920

seen fleeing from the trailer.

560

00:26:32,020 --> 00:26:35,920

All friends and family and people that knew us know

561

00:26:36,020 --> 00:26:40,660

that I didn't have anything to do with a dine as murder,

562

00:26:40,760 --> 00:26:43,720

because I wouldn't put someone through that

563

00:26:43,740 --> 00:26:46,440

or put my children through that, or I couldn't do something

564

00:26:46,540 --> 00:26:47,820

like that.

565

00:26:47,920 --> 00:26:52,080

We've not ruled anyone out in terms of saying

566

00:26:52,180 --> 00:26:55,220

that one person or another has absolutely no connection

567

00:26:55,320 --> 00:26:56,820

with this case.

568

00:26:56,920 --> 00:27:00,660

But at this point in time, we're not actively pursuing Mike

569

00:27:00,760 --> 00:27:02,800

Satterfield as a suspect.

570

00:27:05,400 --> 00:27:07,440

The police did look into the possibility

571

00:27:07,540 --> 00:27:10,300

that Mike had hired someone to kill his wife.

572

00:27:10,400 --> 00:27:13,240

But the brutal manner in which Dana had been raped

573

00:27:13,260 --> 00:27:18,740

and strangled was inconsistent with a professional hit.

574

00:27:18,840 --> 00:27:22,900

We believe this is a predator, a serial killer,

575

00:27:23,000 --> 00:27:27,280

a person who would have stalked Ms. Satterfield

576

00:27:27,380 --> 00:27:32,540

and waited for an opportunity to kill her in the manner

577

00:27:32,640 --> 00:27:35,120

that they did.

578

00:27:35,220 --> 00:27:39,520

I'm sure he didn't anticipate a sales lady

579

00:27:39,540 --> 00:27:43,240

and certainly not a sales lady who would make a sale

580

00:27:43,340 --> 00:27:46,780

earlier in the evening and then come back by and be

581

00:27:46,880 --> 00:27:50,620

standing in front of the trailer, maybe even

582

00:27:50,720 --> 00:27:55,420

while this murder was taking place.

583

00:27:55,520 --> 00:27:56,620

I didn't know what had happened,

584

00:27:56,720 --> 00:27:59,420

but I knew somebody needed help.

585

00:27:59,520 --> 00:28:01,720

And I just wanted somebody to get somebody there

586

00:28:01,820 --> 00:28:05,360

to see what was going on.

587

00:28:05,460 --> 00:28:08,000

It was pure luck that Shirley had come face to face

588

00:28:08,080 --> 00:28:09,780

with the alleged killer.

589

00:28:09,880 --> 00:28:12,340

Two weeks later, another bit of luck.

590

00:28:12,440 --> 00:28:16,680

A second eye witness came forward.

591

00:28:16,780 --> 00:28:19,920

Ken Smith was one of Dana Satterfield's customers.

592

00:28:20,020 --> 00:28:22,320

At around 840, on the night of the murder,

593

00:28:22,420 --> 00:28:26,020

he was driving past the salon.

594

00:28:26,120 --> 00:28:29,120

As I come up 221, I looked over at Dana's.

595

00:28:29,220 --> 00:28:30,420

I seen her lights off.

596

00:28:30,520 --> 00:28:31,900

I seen her car sitting there.

597

00:28:32,000 --> 00:28:34,860

And I thought that was odd that she was,

598

00:28:34,960 --> 00:28:37,160

her car was there without her lights on.

599

00:28:37,420 --> 00:28:40,200

As soon as I turned back around and looked at the road,

600

00:28:40,300 --> 00:28:44,200

that's where I see this guy run out of the road to the shoulder.

601

00:28:44,300 --> 00:28:46,540

He turned around and looked at me while he was standing

602

00:28:46,640 --> 00:28:48,240

at his Bronco.

603

00:28:48,340 --> 00:28:50,500

He had his hand in his shirt.

604

00:28:50,600 --> 00:28:54,640

As I come by, he sort of just turned around and gave me

605

00:28:54,740 --> 00:28:56,980

a go to hell look.

606

00:28:57,080 --> 00:28:58,980

Like, what are you looking at?

607

00:28:59,080 --> 00:29:02,380

Why are you looking at me?

608

00:29:02,480 --> 00:29:04,980

Based upon the descriptions of both eye witnesses,

609

00:29:05,040 --> 00:29:07,780

police have come up with this composite.

610

00:29:07,880 --> 00:29:11,040

The suspect is 18 to 25 years old.

611

00:29:11,140 --> 00:29:16,980

He is 5' 6 to 5' 9 inches tall and weighs between 145 and 170

612

00:29:17,080 --> 00:29:18,260

pounds.

613

00:29:18,360 --> 00:29:21,760

He has blonde or light brown hair.

614

00:29:21,860 --> 00:29:24,060

He's got to be stopped.

615

00:29:24,160 --> 00:29:28,300

And he's got to pay for what he did to my child.

616

00:29:28,400 --> 00:29:31,100

And if he's done this to somebody else,

617

00:29:31,200 --> 00:29:32,600

we need to stop him.

618

00:29:35,040 --> 00:29:36,900

Now.

619

00:29:37,000 --> 00:29:40,980

Sometimes I wake up at night and sit straight up in bed,

620

00:29:41,080 --> 00:29:43,640

and I see somebody that's strangling her.

621

00:29:43,740 --> 00:29:44,680

And I can't get to her.

622

00:29:47,620 --> 00:29:51,080

It's hurt us all.

623

00:30:04,980 --> 00:30:10,520

Coming up, a possible break in the Olympic Park bombing,

624

00:30:10,620 --> 00:30:13,860

was that attack connected to similar bombings which

625

00:30:13,960 --> 00:30:17,300

occurred weeks earlier on the other side of the country.

626

00:30:17,400 --> 00:30:21,600

But first, some 20 years ago, a simple act of bullying

627

00:30:21,700 --> 00:30:23,600

was committed to the bombing.

628

00:30:23,700 --> 00:30:26,100

The bombing was a very serious attack.

629

00:30:26,200 --> 00:30:28,100

The bombing was a very serious attack.

630

00:30:28,200 --> 00:30:30,100

The bombing was a very serious attack.

631

00:30:30,200 --> 00:30:32,100

The bombing was a very serious attack.

632

00:30:32,900 --> 00:30:35,260

Some 20 years ago, a simple act of kindness

633

00:30:35,360 --> 00:30:38,540

launched the career of renowned chef Moses Trevis.

634

00:30:38,640 --> 00:30:41,080

Now he wants to find the woman who inspired him

635

00:30:41,180 --> 00:30:42,140

to pursue his dream.

636

00:30:56,020 --> 00:30:58,260

At one time or another, we've all done something nice

637

00:30:58,360 --> 00:31:01,920

for someone else without expecting anything in return.

638

00:31:01,940 --> 00:31:05,220

Whether we realize it or not, such acts can occasionally

639

00:31:05,320 --> 00:31:07,380

have a profound effect.

640

00:31:07,480 --> 00:31:10,460

Every so often, a small kindness can completely

641

00:31:10,560 --> 00:31:11,620

change a person's life.

642

00:31:16,000 --> 00:31:18,400

Moses Trevis is one of the country's most critically

643

00:31:18,500 --> 00:31:19,840

acclaimed chefs.

644

00:31:19,940 --> 00:31:23,000

He owns two award-winning Mexican restaurants in Arizona,

645

00:31:23,100 --> 00:31:26,580

both curiously named Such Is Life.

646

00:31:26,680 --> 00:31:29,040

How Moses acquired that name is at the center

647

00:31:29,060 --> 00:31:33,840

of his own personal unsolved mystery.

648

00:31:33,940 --> 00:31:37,540

In the mid-1970s, Moses was a day cook at a small taco

649

00:31:37,640 --> 00:31:40,540

stand on the island of Carzamel in Mexico.

650

00:31:40,640 --> 00:31:45,980

He had a reputation for making the best tacos in town.

651

00:31:46,080 --> 00:31:48,820

One of Moses' favorite customers was an American tourist

652

00:31:48,920 --> 00:31:50,260

named Judy Anderson.

653

00:31:50,360 --> 00:31:51,460

Oh, hi, Judy.

654

00:31:51,560 --> 00:31:52,520

You on usual?

655

00:31:52,620 --> 00:31:53,960

Yes, por favor.

656

00:31:54,060 --> 00:31:56,400

Judy was a school teacher who visited the island

657

00:31:56,420 --> 00:31:59,260

seven times over a three-year period.

658

00:31:59,360 --> 00:32:03,900

Moses vividly remembers Judy and her last visit in 1977.

659

00:32:04,000 --> 00:32:05,440

You're forgetting me, the hotel.

660

00:32:05,540 --> 00:32:06,600

It's much better.

661

00:32:06,700 --> 00:32:07,740

She was very nice.

662

00:32:07,840 --> 00:32:12,340

Lady quiet, lady with a bow called tap.

663

00:32:12,440 --> 00:32:15,880

And she asked me if I can, if I have time to,

664

00:32:15,980 --> 00:32:17,840

because she wants to go to the mainland, which

665

00:32:17,940 --> 00:32:22,880

is across the island, which is 15 miles, 17 miles

666

00:32:22,980 --> 00:32:24,020

across the island.

667

00:32:24,080 --> 00:32:26,480

And the mainland is where all the ruins are.

668

00:32:26,580 --> 00:32:27,880

You know Chichen Itza?

669

00:32:27,980 --> 00:32:29,180

Oh, that's the big one.

670

00:32:29,280 --> 00:32:30,080

Oh, yeah.

671

00:32:30,180 --> 00:32:31,480

The next day, Moses closed up shop

672

00:32:31,580 --> 00:32:34,820

and set off with Judy on a day-long excursion.

673

00:32:34,920 --> 00:32:36,320

Their destination?

674

00:32:36,420 --> 00:32:40,320

The Mayan pyramids along the Yucatan Peninsula.

675

00:32:40,420 --> 00:32:42,300

Around noon, they stopped for lunch

676

00:32:42,400 --> 00:32:46,000

and communicated as best they could in broken English.

677

00:32:46,100 --> 00:32:50,600

Moses, wouldn't you like to own a restaurant like this

678

00:32:50,700 --> 00:32:53,240

someday with tables and chairs?

679

00:32:53,360 --> 00:32:54,460

Oh, yeah.

680

00:32:54,560 --> 00:32:57,140

You know, I dream to open a restaurant, but you know,

681

00:32:57,240 --> 00:32:58,540

no money.

682

00:32:58,640 --> 00:33:00,440

Such as life.

683

00:33:00,540 --> 00:33:03,000

Excuse me?

684

00:33:03,100 --> 00:33:04,700

Such as life.

685

00:33:04,800 --> 00:33:07,780

It means that's the way life is, you know?

686

00:33:07,880 --> 00:33:09,140

Such as life.

687

00:33:09,240 --> 00:33:10,140

I like that.

688

00:33:10,240 --> 00:33:11,340

Yeah.

689

00:33:11,440 --> 00:33:12,540

You know what, Judy?

690

00:33:12,640 --> 00:33:15,820

When I opened my restaurant, I want to call such as life

691

00:33:15,920 --> 00:33:17,520

and put it on the menus.

692

00:33:17,620 --> 00:33:20,720

That's a great idea.

693

00:33:20,780 --> 00:33:23,820

Nothing more was said, but deep inside Moses,

694

00:33:23,920 --> 00:33:26,180

an idea had taken root.

695

00:33:26,280 --> 00:33:31,180

It would begin to blossom later that afternoon.

696

00:33:31,280 --> 00:33:34,660

As the day came to a close, it was time to say goodbye.

697

00:33:34,760 --> 00:33:37,220

Moses would take a ferry back to the island.

698

00:33:37,320 --> 00:33:39,800

Judy would stay on the mainland to catch a flight back

699

00:33:39,900 --> 00:33:42,760

to the United States.

700

00:33:42,860 --> 00:33:43,500

Oh, no, tip.

701

00:33:43,600 --> 00:33:44,300

No, no, no.

702

00:33:44,400 --> 00:33:46,240

It's not a tip.

703

00:33:46,340 --> 00:33:50,700

Before parting, Judy had an unexpected gift for Moses.

704

00:33:50,780 --> 00:33:51,620

OK.

705

00:33:51,720 --> 00:33:52,620

OK.

706

00:33:52,720 --> 00:33:53,720

Bye-bye.

707

00:33:53,820 --> 00:33:54,620

Bye, Judy.

708

00:33:57,220 --> 00:33:58,820

When Moses opened the envelope, he

709

00:33:58,920 --> 00:34:03,320

was stunned to find \$500 bills and a hastily written note.

710

00:34:03,420 --> 00:34:07,100

Dear Moses, go make such as life happen.

711

00:34:07,200 --> 00:34:09,800

Love, Judy.

712

00:34:09,900 --> 00:34:11,640

Moses did just that.

713

00:34:11,740 --> 00:34:14,140

Within a month, he had opened his own tiny restaurant

714

00:34:14,240 --> 00:34:15,640

on Cozumel.

715

00:34:15,740 --> 00:34:18,580

Naturally, he named it Such as Life.

716

00:34:18,640 --> 00:34:21,900

Moses eagerly awaited Judy's next trip to the island,

717

00:34:22,000 --> 00:34:25,340

but he never saw her again.

718

00:34:25,440 --> 00:34:27,740

Now some 20 years later, Moses trevus

719

00:34:27,840 --> 00:34:29,840

is a United States citizen.

720

00:34:29,940 --> 00:34:32,680

His restaurants have been lauded by both local newspapers

721

00:34:32,780 --> 00:34:34,620

and the national press.

722

00:34:34,720 --> 00:34:37,260

He and his family live in Scottsdale, Arizona

723

00:34:37,360 --> 00:34:39,460

and believe they owe much of their good fortune

724

00:34:39,560 --> 00:34:44,260

to the unselfish kindness of Judy Anderson.

725

00:34:44,360 --> 00:34:47,500

The story helps to understand that it

726

00:34:47,520 --> 00:34:49,120

came out of nothing.

727

00:34:49,220 --> 00:34:51,720

I mean, it came out of an act of love.

728

00:34:51,820 --> 00:34:54,460

It's not an act of money or power,

729

00:34:54,560 --> 00:34:58,260

or it's just an act of love.

730

00:34:58,360 --> 00:35:01,500

Moses needed just a little push to become

731

00:35:01,600 --> 00:35:02,700

a wonderful butterfly.

732

00:35:05,200 --> 00:35:09,080

She understood what Moses had inside.

733

00:35:09,180 --> 00:35:13,980

She was very wise to let him know that he was good enough

734

00:35:14,080 --> 00:35:15,280

to become what he is now.

735

00:35:17,860 --> 00:35:21,220

It will be a very nice surprise for somebody like her.

736

00:35:21,320 --> 00:35:24,000

After 20 years, somebody is looking for you

737

00:35:24,100 --> 00:35:27,000

because you are the one that says Such as Life.

738

00:35:27,100 --> 00:35:28,300

That will be nice, no?

739

00:35:28,400 --> 00:35:30,600

I think that will be more than thank you.

740

00:35:30,600 --> 00:35:37,600

Next, two bombings and two bank robberies in Spokane, Washington,

741

00:35:37,700 --> 00:35:41,440

the terrifying explosion during Atlanta's Olympic Games.

742

00:35:41,540 --> 00:35:43,980

Our special report examines possible links

743

00:35:44,080 --> 00:35:45,980

that may be much more than coincidence.

744

00:35:46,080 --> 00:35:48,220

The bombings and two bank robberies in Spokane, Washington

745

00:35:48,320 --> 00:35:52,020

are a terrifying explosion during Atlanta's Olympic Games.

746

00:35:52,120 --> 00:35:54,820

Our special report examines possible links

747

00:35:54,920 --> 00:35:57,060

that may be much more than coincidence.

748

00:36:00,600 --> 00:36:05,000

The Bicycle of the Olympic Games

749

00:36:05,100 --> 00:36:17,480

July 27, 1996, Atlanta's Centennial Park.

750

00:36:17,580 --> 00:36:19,580

Thousands had gathered to share in the excitement

751

00:36:19,680 --> 00:36:21,360

of the Olympic Games.

752

00:36:21,460 --> 00:36:24,960

But no one realized is that a 911 operator had just

753

00:36:25,060 --> 00:36:28,520

received this shocking phone call.

754

00:36:28,540 --> 00:36:31,980

There is a bomb in Centennial Park.

755

00:36:32,080 --> 00:36:33,480

You have 30 minutes.

756

00:36:42,120 --> 00:36:45,700

At 1.25 AM, the park became like a war zone.

757

00:36:45,800 --> 00:36:47,160

Two people died.

758

00:36:47,260 --> 00:36:49,800

111 were injured.

759

00:36:49,900 --> 00:36:52,740

A pipe bomb hidden in a military backpack

760

00:36:52,840 --> 00:36:57,580

had exploded next to the AT&T pavilion.

761

00:36:57,640 --> 00:37:00,340

The initial suspect was a security guard named Richard

762

00:37:00,440 --> 00:37:01,480

Jewel.

763

00:37:01,580 --> 00:37:03,340

But after months of investigation,

764

00:37:03,440 --> 00:37:05,240

he was officially cleared.

765

00:37:05,340 --> 00:37:07,720

I am not the Olympic Park bomber.

766

00:37:10,920 --> 00:37:12,820

With a simple statement, the investigation

767

00:37:12,920 --> 00:37:15,120

threatened to grind to a halt.

768

00:37:15,220 --> 00:37:16,820

Then a West Coast newspaper published

769

00:37:16,920 --> 00:37:18,960

startling new information, as some believe

770

00:37:19,060 --> 00:37:21,960

could lead to an arrest in the Olympic bombing.

771

00:37:22,060 --> 00:37:24,100

The evidence is purely circumstantial,

772

00:37:24,200 --> 00:37:27,000

but it seems much more than coincidence.

773

00:37:27,120 --> 00:37:29,320

In the newspaper scenario, Atlanta

774

00:37:29,420 --> 00:37:31,060

was the last in a series of attacks

775

00:37:31,160 --> 00:37:34,500

that began three months earlier and 3,000 miles away.

776

00:37:39,300 --> 00:37:43,840

April Fool's Day, 1996, 2.36 PM.

777

00:37:43,940 --> 00:37:46,680

A customized van pulled up to the rear of the Spokesman

778

00:37:46,780 --> 00:37:49,680

Review, Spokane, Washington's leading newspaper.

779

00:37:57,060 --> 00:37:57,960

Pipe bomb, get out!

780

00:37:58,060 --> 00:37:59,560

Get out, Col. 9-1-1!

781

00:37:59,660 --> 00:38:02,860

Just then, the newspaper's operations manager arrived.

782

00:38:08,100 --> 00:38:10,740

Fortunately, no one was injured in the blast.

783

00:38:10,840 --> 00:38:13,380

But the bombers did leave a calling card,

784

00:38:13,480 --> 00:38:15,480

a rambling, incoherent diatribe that

785

00:38:15,580 --> 00:38:17,980

quoted liberally from the Bible and appeared

786

00:38:18,080 --> 00:38:21,620

to be an extreme right-wing manifesto.

787

00:38:21,720 --> 00:38:24,180

Sir Aubrey, you want me saying nobody gets hurt?

788

00:38:24,280 --> 00:38:26,620

At that very moment, two armed men

789

00:38:26,680 --> 00:38:28,880

operating with military-like precision

790

00:38:28,980 --> 00:38:31,180

entered the US bank 20 blocks away.

791

00:38:36,620 --> 00:38:40,600

The robbers made off with some \$70,000 in cash.

792

00:38:40,700 --> 00:38:43,000

They too left a calling card, copies

793

00:38:43,100 --> 00:38:45,640

of the same rambling diatribe found at the newspaper.

794

00:38:56,680 --> 00:38:59,420

Three months later, another pipe bomb

795

00:38:59,520 --> 00:39:02,920

at a Planned Parenthood office and another robbery

796

00:39:03,020 --> 00:39:04,360

at the same US bank.

797

00:39:07,160 --> 00:39:09,520

These surveillance photos will provide the major break

798

00:39:09,620 --> 00:39:12,940

in the case when a military surplus dealer in Idaho

799

00:39:13,040 --> 00:39:16,840

recognized a parka worn by one of the gunmen.

800

00:39:16,940 --> 00:39:20,800

He told authorities he had sold similar parkas to three men,

801

00:39:20,900 --> 00:39:25,940

Robert Berry, Vern Merrill, and Charles Barbier.

802

00:39:26,000 --> 00:39:28,640

In October of 1996, all three were

803

00:39:28,740 --> 00:39:30,740

arrested in Portland, Oregon.

804

00:39:30,840 --> 00:39:33,840

They were allegedly members of an obscure right-wing religious

805

00:39:33,940 --> 00:39:35,540

sect.

806

00:39:35,640 --> 00:39:37,880

A year earlier, Charles Barbier himself

807

00:39:37,980 --> 00:39:39,440

had been interviewed by the spokesman

808

00:39:39,540 --> 00:39:44,180

review for a series on the anti-government movement.

809

00:39:44,280 --> 00:39:48,120

Barbier said that there may be a time when he and people

810

00:39:48,220 --> 00:39:49,760

like him would have to resort to warfare

811

00:39:49,860 --> 00:39:53,260

and that there would have to, blood would have to be shed

812

00:39:53,320 --> 00:39:57,420

because the government was so evil.

813

00:39:57,520 --> 00:39:59,820

On the day of the arrest, no one imagined

814

00:39:59,920 --> 00:40:01,660

that there might be a possible connection

815

00:40:01,760 --> 00:40:05,900

between these three men and the bombing of the Olympics.

816

00:40:06,000 --> 00:40:08,900

Then in December, the FBI released photographs

817

00:40:09,000 --> 00:40:10,960

of the type of backpack reportedly used

818

00:40:11,060 --> 00:40:13,340

to conceal the bomb in Atlanta.

819

00:40:13,440 --> 00:40:16,740

Once again, the military surplus dealer in Idaho

820

00:40:16,840 --> 00:40:20,140

came forward with a shocking disclosure.

821

00:40:20,240 --> 00:40:22,420

He proceeded to tell me that he believed

822

00:40:22,480 --> 00:40:24,740

he'd sold a backpack to these men that

823

00:40:24,840 --> 00:40:27,120

was similar to the military-style backpack, the Alice

824

00:40:27,220 --> 00:40:29,780

Pack, used in the Atlanta bombing.

825

00:40:29,880 --> 00:40:31,120

He said that the men had asked how

826

00:40:31,220 --> 00:40:32,880

to get fingerprints off such a backpack,

827

00:40:32,980 --> 00:40:35,420

and he'd told them just to throw it in the washing machine.

828

00:40:35,520 --> 00:40:36,960

And he said they'd asked about a detonator,

829

00:40:37,060 --> 00:40:39,020

about how to create a time-delayed detonator,

830

00:40:39,120 --> 00:40:41,620

much like the one used in the Atlanta bombing,

831

00:40:41,720 --> 00:40:45,200

and that he had given them advice on that.

832

00:40:45,300 --> 00:40:46,740

The spokesman review immediately

833

00:40:46,840 --> 00:40:49,100

launched its own investigation.

834

00:40:49,200 --> 00:40:52,000

More possible links between the Spokane and Atlanta

835

00:40:52,060 --> 00:40:55,060

bombings now came to light.

836

00:40:55,160 --> 00:40:58,900

What we found was that one of the men, Charles Barbie,

837

00:40:59,000 --> 00:41:02,860

had worked for AT&T and left the company in disgust

838

00:41:02,960 --> 00:41:05,000

because of their supportive affirmative action

839

00:41:05,100 --> 00:41:07,440

and some other programs.

840

00:41:07,540 --> 00:41:10,740

And if you will recall, the bomb was detonated not far

841

00:41:10,840 --> 00:41:14,240

from the AT&T pavilion within Centennial Park,

842

00:41:14,340 --> 00:41:18,880

suggesting that there might have been a motive.

843

00:41:18,960 --> 00:41:22,460

In addition to that, the FBI had obtained phone records

844

00:41:22,560 --> 00:41:25,820

that showed that there had been telephone calls made

845

00:41:25,920 --> 00:41:31,220

from the Atlanta area to Barbie's North Idaho home

846

00:41:31,320 --> 00:41:34,960

immediately after the bombing in Atlanta.

847

00:41:35,060 --> 00:41:38,700

A backpack, an alleged grudge against AT&T,

848

00:41:38,800 --> 00:41:41,040

several suspicious phone calls.

849

00:41:41,140 --> 00:41:43,040

The evidence was hardly conclusive,

850

00:41:43,140 --> 00:41:46,100

but it was enough for the spokesman review.

851

00:41:46,200 --> 00:41:47,940

The paper went public with its findings

852

00:41:48,000 --> 00:41:51,240

on Superbowl Sunday, 1997.

853

00:41:51,340 --> 00:41:54,440

Within hours, another stunning link between the bombings

854

00:41:54,540 --> 00:41:56,600

was revealed.

855

00:41:56,700 --> 00:41:59,480

An architect in Atlanta was watching the Superbowl.

856

00:41:59,580 --> 00:42:03,420

He saw during the halftime pictures of the three men

857

00:42:03,520 --> 00:42:05,720

who were charged with the bombings up here

858

00:42:05,820 --> 00:42:08,480

and might have been linked to the bombings in Atlanta.

859

00:42:08,580 --> 00:42:11,560

When he saw the picture of Robert Barry,

860

00:42:11,660 --> 00:42:14,620

he said to himself and later to others,

861

00:42:14,680 --> 00:42:19,420

that looks like the man I saw carrying a backpack into Centennial

862

00:42:19,520 --> 00:42:23,080

Park the night of the Olympic bombing.

863

00:42:23,180 --> 00:42:25,760

The architect had twice faxed this sketch of the man

864

00:42:25,860 --> 00:42:28,060

with a backpack to the FBI.

865

00:42:28,160 --> 00:42:30,500

Both times, it was no response.

866

00:42:30,600 --> 00:42:34,400

In January, he faxed it to the spokesman review.

867

00:42:34,500 --> 00:42:37,340

For many people, the resemblance between the sketch

868

00:42:37,440 --> 00:42:41,440

and Robert Barry is striking.

869

00:42:41,540 --> 00:42:43,440

Was Robert Barry among the celebrants

870

00:42:43,500 --> 00:42:47,300

in Centennial Park on the night of the bombing?

871

00:42:47,400 --> 00:42:49,900

If so, was he responsible for the tragedy?

872

00:42:52,740 --> 00:42:55,040

The FBI has interviewed the architect

873

00:42:55,140 --> 00:42:58,420

and investigated the claims of the spokesman review.

874

00:42:58,520 --> 00:43:00,140

They maintained that any connection

875

00:43:00,240 --> 00:43:02,280

between the Spokane and Olympic bombings

876

00:43:02,380 --> 00:43:05,820

is, quote, the creation of the spokesman review.

877

00:43:05,920 --> 00:43:07,860

The newspaper stands by its story.

878

00:43:08,220 --> 00:43:10,260

Cuteapplause.

879

00:43:10,340 --> 00:43:31,040

A sheepish Blue Bear Log

880

00:43:31,040 --> 00:43:45,720

Join me next time for another edition of Unsolved Mysteries.
