

1  
00:00:13,280 --> 00:00:55,510  
um

2  
00:00:59,590 --> 00:00:57,270  
so i mean these are the original

3  
00:01:01,430 --> 00:00:59,600  
polaroids right that i ended up taking

4  
00:01:03,590 --> 00:01:01,440  
and blowing up from this shoe so this is

5  
00:01:04,869 --> 00:01:03,600  
a christian dior dress right and like

6  
00:01:05,990 --> 00:01:04,879  
you see all the little dots and

7  
00:01:08,149 --> 00:01:06,000  
everything like that and the ink

8  
00:01:09,750 --> 00:01:08,159  
splatters so there's infinite detail

9  
00:01:12,230 --> 00:01:09,760  
like little words like that you need

10  
00:01:13,910 --> 00:01:12,240  
like a little loop right oh my god so

11  
00:01:15,350 --> 00:01:13,920  
right and dots all around that you

12  
00:01:16,870 --> 00:01:15,360  
probably can't see usually i have

13  
00:01:18,469 --> 00:01:16,880

theatrical lighting because she was an

14

00:01:20,630 --> 00:01:18,479

actress so i've got a crew that has

15

00:01:22,550 --> 00:01:20,640

theatrical lighting for it and so this

16

00:01:25,109 --> 00:01:22,560

pops out right what i read was a part

17

00:01:27,109 --> 00:01:25,119

there's a whole story here up the arm

18

00:01:28,310 --> 00:01:27,119

so and then it's called icons everything

19

00:01:29,990 --> 00:01:28,320

is that's what i was yeah that's what i

20

00:01:31,670 --> 00:01:30,000

was asking you know okay so all these

21

00:01:34,030 --> 00:01:31,680

windows were removed from homes were

22

00:01:37,350 --> 00:01:34,040

built around

23

00:01:39,670 --> 00:01:37,360

1960 to 1970 so i tried to get 1969 i

24

00:01:40,710 --> 00:01:39,680

have about 200 wins in my home studio

25

00:01:42,310 --> 00:01:40,720

you know if you step back you see

26

00:01:45,510 --> 00:01:42,320

there's a positive and negative so what

27

00:01:46,789 --> 00:01:45,520

i'm showing is like how people do that

28

00:01:48,230 --> 00:01:46,799

with the christian your dress that's

29

00:01:50,469 --> 00:01:48,240

what i put in this room right so how you

30

00:01:51,270 --> 00:01:50,479

know her and the words represent and

31

00:01:53,270 --> 00:01:51,280

then
