

1
00:00:04,400 --> 00:00:02,330
my first impression was what I knew in

2
00:00:07,160 --> 00:00:04,410
history no not just like everybody he

3
00:00:09,709 --> 00:00:07,170
says sharon tate Charles Manson she was

4
00:00:12,620 --> 00:00:09,719
killed and it was violent everybody was

5
00:00:17,510 --> 00:00:12,630
panicked it's really just trying to weed

6
00:00:20,150 --> 00:00:17,520
through and try to find the little bits

7
00:00:22,700 --> 00:00:20,160
of her the people new to explain it to

8
00:00:25,460 --> 00:00:22,710
explore it but really to show that she

9
00:00:27,500 --> 00:00:25,470
had power and why did she have power and

10
00:00:29,060 --> 00:00:27,510
what was it about her that gave her that

11
00:00:31,160 --> 00:00:29,070
power to influence culture and still

12
00:00:32,930 --> 00:00:31,170
influenced culture was it just her death

13
00:00:34,670 --> 00:00:32,940

and I don't think it was I think that

14

00:00:38,030 --> 00:00:34,680

there was something in her that because

15

00:00:39,979 --> 00:00:38,040

she died did that crush something in us

16

00:00:42,910 --> 00:00:39,989

and made us fearful what is in my heart

17

00:00:46,100 --> 00:00:42,920

in my mind right now is the idea of
