

1
00:00:34,020 --> 00:00:31,920
I came to find the oasis for men seek

2
00:00:36,180 --> 00:00:34,030
freedom from boredom and bitter memory

3
00:00:38,100 --> 00:00:36,190
where light some liquor and possibility

4
00:00:40,290 --> 00:00:38,110
intoxicated the weak-minded in the

5
00:00:42,360 --> 00:00:40,300
willing at least until the bills and

6
00:00:44,610 --> 00:00:42,370
best and better judgment run screaming

7
00:00:47,820 --> 00:00:44,620
from his righteous wrath but he awakes

8
00:00:50,580 --> 00:00:47,830
with pity and regret I came for the

9
00:00:52,920 --> 00:00:50,590
rapture predicted by the misguided it

10
00:00:55,770 --> 00:00:52,930
seemed as good an excuse as any to expel

11
00:00:57,570 --> 00:00:55,780
the demons of desire I came to race

12
00:01:00,120 --> 00:00:57,580
ferraris on the blistered and worn

13
00:01:02,910 --> 00:01:00,130

tracks to [\h__\h] the jets out of engines

14

00:01:06,359 --> 00:01:02,920

designed to make men roar defiant to the

15

00:01:16,420 --> 00:01:06,369

gods steal virility and deals death like

16

00:01:16,430 --> 00:01:23,030

[\h__\h] it

17

00:01:29,610 --> 00:01:26,550

they make up an area 51 or whatever and

18

00:01:31,710 --> 00:01:29,620

like they fly this crazy [\h__\h] [\h__\h]

19

00:01:33,600 --> 00:01:31,720

all over the place and then they're like

20

00:01:36,210 --> 00:01:33,610

God's aliens and aliens from another

21

00:01:39,300 --> 00:01:36,220

planet well they might be aliens but

22

00:01:41,400 --> 00:01:39,310

they're not coming here a lot of noise

23

00:01:43,260 --> 00:01:41,410

just went by within every [\h__\h] comment

24

00:01:44,590 --> 00:01:43,270

he was making so evidently there might

25

00:01:46,550 --> 00:01:44,600

be something

26

00:01:48,140 --> 00:01:46,560

somewhere I think that women odd is

27

00:01:49,760 --> 00:01:48,150

light at all in all

28

00:01:51,670 --> 00:01:49,770

I think the Illuminati runs everything

29

00:01:53,600 --> 00:01:51,680

there at the government

30

00:01:55,250 --> 00:01:53,610

or our currency

31

00:01:58,430 --> 00:01:55,260

even our state of mind thank you hit her

32

00:02:01,940 --> 00:01:58,440

[h__\h] life to the biggest risk you're

33

00:02:03,860 --> 00:02:01,950

taking this probably uh when I shot this

34

00:02:07,220 --> 00:02:03,870

dude five times were touching up on my

35

00:02:10,880 --> 00:02:07,230

little sister and spent three years in

36

00:02:13,970 --> 00:02:10,890

prison for it and I went to court and

37

00:02:16,850 --> 00:02:13,980

he's like sitting there in court like

38

00:02:19,250 --> 00:02:16,860

this guy shot but I didn't touch up on

39

00:02:23,600 --> 00:02:19,260

the little girls or anything what he did

40

00:02:25,280 --> 00:02:23,610

not watch them do it I did time for it I

41

00:02:27,980 --> 00:02:25,290

couldn't do this like [h__h] off my

42

00:02:29,600 --> 00:02:27,990

whole life for that thank guys not

43

00:02:31,610 --> 00:02:29,610

around my little sister anymore not

44

00:02:34,430 --> 00:02:31,620

around my mom anymore with my mom's

45

00:02:38,290 --> 00:02:34,440

ex-boyfriend so like now that I did that

46

00:02:43,720 --> 00:02:40,360

it was really creepy our game he put his

47

00:02:46,360 --> 00:02:43,730

hand on my leg and I took the semi I saw

48

00:02:48,490 --> 00:02:46,370

cliff who clip about like 10 20 feet

49

00:02:50,500 --> 00:02:48,500

away and I pulled it into a dirt I

50

00:02:52,450 --> 00:02:50,510

pulled a semi into a dirt lot and it

51
00:02:54,280 --> 00:02:52,460
flipped over on my side I can definitely

52
00:02:57,220 --> 00:02:54,290
cook and died in that situation because

53
00:02:58,840 --> 00:02:57,230
of impact but I did he died lost so I

54
00:03:00,640 --> 00:02:58,850
climbed out of his window filters balls

55
00:03:03,820 --> 00:03:00,650
there was nothing I ran over a [h__\h] ton

56
00:03:05,200 --> 00:03:03,830
of [h__\h] hills back to San Antonio the

57
00:03:06,820 --> 00:03:05,210
dudes not this [h__\h] world in the

58
00:03:08,990 --> 00:03:06,830
morning lager be touching upon traveler

59
00:03:14,130 --> 00:03:09,000
chips

60
00:03:16,229 --> 00:03:14,140
met that extreme trucker [h__\h] the

61
00:03:18,449 --> 00:03:16,239
truth is that the visitor rarely sees

62
00:03:20,670 --> 00:03:18,459
past the glory of desire he rarely

63
00:03:22,530 --> 00:03:20,680

communes with the elemental particles in

64

00:03:24,330 --> 00:03:22,540

the burning souls that provides found

65

00:03:28,199 --> 00:03:24,340

that light and illusion the quench of

66

00:03:32,369 --> 00:03:28,209

conquest for some desires watering holes

67

00:03:35,880 --> 00:03:32,379

the Welcome rough for others its

68

00:03:39,539 --> 00:03:35,890

salvation in death some bring kindness

69

00:03:41,849 --> 00:03:39,549

and others breed some tell stories of

70

00:03:43,710 --> 00:03:41,859

sadness repeated like scripture to also

71

00:03:46,319 --> 00:03:43,720

can feel the regions of the heart and

72

00:03:48,629 --> 00:03:46,329

accessible by the teller others simply

73

00:03:56,770 --> 00:03:48,639

have hope and are blinded by its inner

74

00:04:03,100 --> 00:04:00,670

good guys are cool so yeah but I'm

75

00:04:04,120 --> 00:04:03,110

Brazilian so I've always danced and

76

00:04:06,640 --> 00:04:04,130

didn't break dancing and things like

77

00:04:09,280 --> 00:04:06,650

this so and then with Michael you know

78

00:04:10,809 --> 00:04:09,290

that just inspired me to do more so it's

79

00:04:12,940 --> 00:04:10,819

been doing this for about 17 years now

80

00:04:14,860 --> 00:04:12,950

and I wouldn't trade I want to trade it

81

00:04:16,750 --> 00:04:14,870

for the world yeah I've got a lot of

82

00:04:19,780 --> 00:04:16,760

people to love microfiber such an iconic

83

00:04:21,789 --> 00:04:19,790

symbol and there's a lot of people that

84

00:04:23,530 --> 00:04:21,799

hate you no no come out and she'll

85

00:04:30,790 --> 00:04:23,540

profanity and call me all kinds of names

86

00:04:35,150 --> 00:04:32,990

I'm not even Michael Jackson I'm just

87

00:04:36,920 --> 00:04:35,160

portrayed on a character and some people

88

00:04:38,600 --> 00:04:36,930

would treat me and literally as if I

89

00:04:40,040 --> 00:04:38,610

were Michael Jackson don't call me

90

00:04:42,230 --> 00:04:40,050

pedophile I've had people literally

91

00:04:43,730 --> 00:04:42,240

trying to physically assault me but like

92

00:04:44,840 --> 00:04:43,740

I said I it comes to the job then again

93

00:04:47,060 --> 00:04:44,850

there's a lot of people that are very

94

00:04:49,520 --> 00:04:47,070

nice and love Michael you know I'm one

95

00:04:51,439 --> 00:04:49,530

of them on a huge fan a man I've besides

96

00:04:54,140 --> 00:04:51,449

the music the guy was absolutely amazing

97

00:06:02,860 --> 00:04:54,150

I mean like it's a be noted for 17 years

98

00:06:09,250 --> 00:06:06,430

I put all my money I have saved up on

99

00:06:12,970 --> 00:06:09,260

one bit on blackjack \$10,000 one bit i

100

00:06:17,160 --> 00:06:12,980

won so it was a good it was a good risk

101
00:06:20,740 --> 00:06:17,170
so I walked away of 20-something grand

102
00:06:22,430 --> 00:06:20,750
it was a short term than a big-time long

103
00:06:38,259 --> 00:06:22,440
six meant that

104
00:06:46,219 --> 00:06:42,229
individuality is my only reality become

105
00:06:49,279 --> 00:06:46,229
aware we all can let's gather in the

106
00:06:52,639 --> 00:06:49,289
streets and alleyways they want to blind

107
00:06:56,329 --> 00:06:52,649
me in the days why can't they understand

108
00:06:58,069 --> 00:06:56,339
the need communicate fellow man we have

109
00:07:00,469 --> 00:06:58,079
three different ages you're like the

110
00:07:02,149 --> 00:07:00,479
book each data page use mental physical

111
00:07:05,209 --> 00:07:02,159
and chronological it seems to me quite

112
00:07:07,639 --> 00:07:05,219
logical I'm not 46 years old I'm 46

113
00:07:09,589 --> 00:07:07,649

years young flip the script people

114

00:07:11,839 --> 00:07:09,599

who've lost their sight in their 20s it

115

00:07:13,939 --> 00:07:11,849

took a lot longer for their face age the

116

00:07:15,649 --> 00:07:13,949

last eight that last place they remember

117

00:07:16,790 --> 00:07:15,659

he's running with 20 I don't see the

118

00:07:18,469 --> 00:07:16,800

wind cools and all that they don't get

119

00:07:21,829 --> 00:07:18,479

paranoid everyday look in the mirror so

120

00:07:26,869 --> 00:07:21,839

you yeah as you as a man thinketh in his

121

00:07:28,639 --> 00:07:26,879

heart so crazy is not believing is that

122

00:07:30,919 --> 00:07:28,649

the life forms out here statistically

123

00:07:32,479 --> 00:07:30,929

you know billions of galaxies how we

124

00:07:35,299 --> 00:07:32,489

gonna be the only life form there's at

125

00:07:37,339 --> 00:07:35,309

the stars 93 million miles away is a

126

00:07:39,199 --> 00:07:37,349

body a planet from their own star you

127

00:07:41,059 --> 00:07:39,209

know this that's just that ego we're not

128

00:07:42,829 --> 00:07:41,069

the center of the universe anymore get a

129

00:07:44,359 --> 00:07:42,839

layered security we're all different we

130

00:07:45,949 --> 00:07:44,369

all came out at different ones you know

131

00:07:47,659 --> 00:07:45,959

like your aquarium you know your

132

00:07:49,939 --> 00:07:47,669

nonconformist you don't perform to the

133

00:07:51,829 --> 00:07:49,949

norm nobody should nobody should try and

134

00:07:53,509 --> 00:07:51,839

fit anybody else in the pan so I'm gonna

135

00:07:56,059 --> 00:07:53,519

say to me the book is already written

136

00:07:59,509 --> 00:07:56,069

and you're fulfilling your destiny that

137

00:08:01,909 --> 00:07:59,519

they should open up their ass why can

138

00:08:03,819 --> 00:08:01,919

they realize for all different from each

139

00:08:08,389 --> 00:08:03,829

other we should embrace that uniqueness

140

00:08:10,219 --> 00:08:08,399

proclaim your rarity mostly I came to

141

00:08:11,899 --> 00:08:10,229

meet the man who opened my eyes to the

142

00:08:14,389 --> 00:08:11,909

exotic propulsion systems used by

143

00:08:17,359 --> 00:08:14,399

extraterrestrial life the enigmatic

144

00:08:20,059 --> 00:08:17,369

character whose riddles and rhymes led

145

00:08:22,299 --> 00:08:20,069

me to grasp the nature of grand puzzle

146

00:08:25,489 --> 00:08:22,309

without ever revealing a single piece

147

00:08:27,679 --> 00:08:25,499

his ideas sparked my curiosity for over

148

00:08:31,509 --> 00:08:27,689

20 years and I was determined to meet

149

00:08:34,879 --> 00:08:31,519

him I figured the world on the ends one

150

00:08:36,799 --> 00:08:34,889

he applied my dance with the devil the

151

00:08:40,040 --> 00:08:36,809

dance I have a hunch we'll continue

152

00:08:42,110 --> 00:08:40,050

later that night I found myself walking

153

00:08:45,220 --> 00:08:42,120

in Las Vegas colliding with Souls

154

00:08:48,040 --> 00:08:45,230

accelerated by the incendiary of desire

155

00:08:54,840 --> 00:08:48,050

30 years are the he does I'd love to

156

00:08:59,410 --> 00:08:57,280

where the bullet went through my brain

157

00:09:02,140 --> 00:08:59,420

and everything and fix my short-term

158

00:09:07,840 --> 00:09:02,150

memory my process of thinking and my

159

00:09:11,350 --> 00:09:09,850

my old friend shot me in the head just

160

00:09:13,629 --> 00:09:11,360

to see what it felt like to kill

161

00:09:20,120 --> 00:09:13,639

somebody he's doing a maximum of 40

162

00:09:20,130 --> 00:09:25,210

30-8 holiday point like oh

163

00:09:31,360 --> 00:09:28,460

first one hit me when

164

00:09:33,910 --> 00:09:31,370

came out right here I lost my cuz

165

00:09:35,920 --> 00:09:33,920

lid on the ground for five hours and

166

00:09:38,050 --> 00:09:35,930

then I got up and walked home you live

167

00:09:40,840 --> 00:09:38,060

in miracle do this amazing your life you

168

00:09:46,750 --> 00:09:40,850

don't see it it actually even has my

169

00:09:52,610 --> 00:09:49,180

I started charging little kids a dollar

170

00:09:52,620 --> 00:09:56,510

and they paid me to

171

00:10:01,280 --> 00:09:59,010

well to be honest with you I used to do

172

00:10:04,249 --> 00:10:01,290

a bunch of drugs

173

00:10:07,040 --> 00:10:04,259

let's do we'd speed crack coke heroin

174

00:10:09,660 --> 00:10:07,050

pills mushrooms and drink alcohol all at

175

00:10:15,079 --> 00:10:12,180

to be honest with you I really believe

176

00:10:22,850 --> 00:10:21,049

by my home friends if we could open our

177

00:10:26,090 --> 00:10:22,860

heart to the struggle which provide one

178

00:10:28,879 --> 00:10:26,100

another we can feel true rapture we are

179

00:10:30,949 --> 00:10:28,889

both the expanse of freedom and the

180

00:10:33,489 --> 00:10:30,959

binder of gravity our

181

00:10:36,710 --> 00:10:33,499

compartmentalization is an illusion

182

00:10:40,819 --> 00:10:36,720

penetrated by wielding weaponized love

183

00:10:43,069 --> 00:10:40,829
