

1  
00:00:05,480 --> 00:00:03,830  
newsmakers Sunday with foxtons john hook

2  
00:00:06,950 --> 00:00:05,490  
guys you're wondering what the

3  
00:00:10,009 --> 00:00:06,960  
background is we are gonna make a

4  
00:00:12,049 --> 00:00:10,019  
complete departure today we are going to

5  
00:00:14,780 --> 00:00:12,059  
talk about things from out-of-this-world

6  
00:00:16,250 --> 00:00:14,790  
UFOs and since it's early in the morning

7  
00:00:18,710 --> 00:00:16,260  
it's a great time to get off on a

8  
00:00:20,510 --> 00:00:18,720  
subject that many people they're a

9  
00:00:25,939 --> 00:00:20,520  
little ticklish talking about it frankly

10  
00:00:28,400 --> 00:00:25,949  
but 36% of Americans 80 million believe

11  
00:00:30,470 --> 00:00:28,410  
UFOs exist and 1/10 believe they have

12  
00:00:33,319 --> 00:00:30,480  
spotted one this is from a National

13  
00:00:35,780 --> 00:00:33,329

Geographic poll 17% said they did not

14

00:00:37,490 --> 00:00:35,790

believe in UFOs or unidentified flying

15

00:00:40,639 --> 00:00:37,500

objects and nearly half of those

16

00:00:42,049 --> 00:00:40,649

surveyed said they were unsure put me in

17

00:00:42,380 --> 00:00:42,059

that category I don't know what to

18

00:00:45,860 --> 00:00:42,390

believe

19

00:00:47,720 --> 00:00:45,870

don't know if we've been visited but

20

00:00:50,090 --> 00:00:47,730

we're gonna talk about it with two guys

21

00:00:52,160 --> 00:00:50,100

who were here for this massive UFO

22

00:00:52,970 --> 00:00:52,170

convention going on a week opaw up in

23

00:00:56,479 --> 00:00:52,980

Scottsdale

24

00:00:58,040 --> 00:00:56,489

Jeremy is a Korbelt yep Jeremy Korbelt is

25

00:00:58,700 --> 00:00:58,050

an investigative filmmaker he's on the

26

00:01:01,250 --> 00:00:58,710

right of your screen

27

00:01:02,510 --> 00:01:01,260

Ryan Sprague is a UFO journalist thanks

28

00:01:05,060 --> 00:01:02,520

for joining us thank you

29

00:01:07,039 --> 00:01:05,070

usually when you do a news program and

30

00:01:10,940 --> 00:01:07,049

we have politicians on we have guys on

31

00:01:12,950 --> 00:01:10,950

all the time do are the journalists

32

00:01:16,039 --> 00:01:12,960

skeptical or fairly open-minded about

33

00:01:17,149 --> 00:01:16,049

this subject well you're a journalist

34

00:01:19,789 --> 00:01:17,159

yeah

35

00:01:22,399 --> 00:01:19,799

that's a great question um I think as a

36

00:01:24,920 --> 00:01:22,409

journalist it is your job to remain

37

00:01:27,380 --> 00:01:24,930

open-minded about the topic you're

38

00:01:30,890 --> 00:01:27,390

covering especially when it comes to

39

00:01:32,690 --> 00:01:30,900

UFOs there's such a broad spectrum of

40

00:01:36,560 --> 00:01:32,700

phenomenon that seems to be happening

41

00:01:39,140 --> 00:01:36,570

and I think by remaining open that's

42

00:01:40,730 --> 00:01:39,150

when the journalists can really get to

43

00:01:42,469 --> 00:01:40,740

the core of the phenomenon and the

44

00:01:44,300 --> 00:01:42,479

people they're dealing with Jeremy let

45

00:01:47,030 --> 00:01:44,310

me ask you there it seems that this is

46

00:01:49,190 --> 00:01:47,040

broken down into out of a hundred

47

00:01:51,020 --> 00:01:49,200

percent of sightings and UFOs are only

48

00:01:52,340 --> 00:01:51,030

unidentified flying objects that's all

49

00:01:54,289 --> 00:01:52,350

we don't know what they are it doesn't

50

00:01:56,510 --> 00:01:54,299

hang there space aliens they're just we

51  
00:01:58,929 --> 00:01:56,520  
don't know what it is it seems that when

52  
00:02:01,609 --> 00:01:58,939  
you break it down the research I've done

53  
00:02:04,010 --> 00:02:01,619  
90% can be explained and then you're

54  
00:02:06,050 --> 00:02:04,020  
left with 10% that can't really be

55  
00:02:08,570 --> 00:02:06,060  
explained very well and that's where

56  
00:02:10,639 --> 00:02:08,580  
that's where the rub is right you make a

57  
00:02:13,340 --> 00:02:10,649  
really good point your your intro this

58  
00:02:16,010 --> 00:02:13,350  
is not about belief it's either true or

59  
00:02:17,930 --> 00:02:16,020  
it's not true if one sighting in the

60  
00:02:20,660 --> 00:02:17,940  
millions of sightings from credible

61  
00:02:22,190 --> 00:02:20,670  
Americans people that have walked on the

62  
00:02:25,730 --> 00:02:22,200  
moon like dr. Edgar Mitchell right

63  
00:02:27,920 --> 00:02:25,740

astronauts if even one of these

64

00:02:30,710 --> 00:02:27,930

sightings is real and it is in fact a

65

00:02:32,720 --> 00:02:30,720

craft of origin from somewhere other

66

00:02:34,970 --> 00:02:32,730

than Earth just one out of the millions

67

00:02:36,290 --> 00:02:34,980

then we have a real phenomena

68

00:02:38,270 --> 00:02:36,300

something's actually going on but it's

69

00:02:40,190 --> 00:02:38,280

not a matter of belief it's either true

70

00:02:42,200 --> 00:02:40,200

or it's not true it can be an

71

00:02:44,180 --> 00:02:42,210

extraordinary belief until there's

72

00:02:45,860 --> 00:02:44,190

evidence and so that's a investigative

73

00:02:47,450 --> 00:02:45,870

filmmaker that's what I try to do is

74

00:02:49,970 --> 00:02:47,460

talk with people on the inside let me go

75

00:02:51,710 --> 00:02:49,980

through and this this stunned me okay I

76

00:02:55,970 --> 00:02:51,720

just want to run down this list of

77

00:02:59,030 --> 00:02:55,980

believers okay Richard Nixon Jimmy

78

00:03:02,090 --> 00:02:59,040

Carter Ronald Reagan Mikhail Gorbachev

79

00:03:04,760 --> 00:03:02,100

professor Stephen Hawking Hawking now

80

00:03:06,470 --> 00:03:04,770

one of the theoretical physicists one of

81

00:03:09,140 --> 00:03:06,480

the brightest guys in in the in the

82

00:03:10,940 --> 00:03:09,150

known world believes in UFOs and

83

00:03:13,330 --> 00:03:10,950

extraterrestrials and in an interview

84

00:03:17,810 --> 00:03:13,340

said of course it's possible that UFOs

85

00:03:20,000 --> 00:03:17,820

really do contain aliens and are part of

86

00:03:22,820 --> 00:03:20,010

interpolant interplanetary craft of some

87

00:03:25,490 --> 00:03:22,830

sort and my colleagues are confident

88

00:03:27,860 --> 00:03:25,500

that they do not originate in our solar

89

00:03:30,860 --> 00:03:27,870

system so you've got a lot of guys out

90

00:03:33,200 --> 00:03:30,870

there credible people who are believers

91

00:03:35,210 --> 00:03:33,210

yeah we had a huge panel it's called the

92

00:03:36,430 --> 00:03:35,220

Citizen hearing and one of my business

93

00:03:39,050 --> 00:03:36,440

partners Reuben Lange then we

94

00:03:41,480 --> 00:03:39,060

essentially documented the whole thing

95

00:03:42,110 --> 00:03:41,490

and it was you know 40 different

96

00:03:44,180 --> 00:03:42,120

witnesses

97

00:03:46,580 --> 00:03:44,190

you know from everywhere from astronauts

98

00:03:48,050 --> 00:03:46,590

to pilots so people are coming forward

99

00:03:50,360 --> 00:03:48,060

and people are saying and finally

100

00:03:52,430 --> 00:03:50,370

without ridicule saying I believe but

101  
00:03:54,230 --> 00:03:52,440  
again I stand to the point it's not a

102  
00:03:57,470 --> 00:03:54,240  
matter of belief it's an extraordinary

103  
00:03:59,990 --> 00:03:57,480  
religion it's correct it's true or it's

104  
00:04:01,910 --> 00:04:00,000  
not true and so the idea is if it is

105  
00:04:03,800 --> 00:04:01,920  
true what does that mean and to what

106  
00:04:05,510 --> 00:04:03,810  
degree is it okay let me go let me go

107  
00:04:07,370 --> 00:04:05,520  
through the through the list here Ryan

108  
00:04:10,070 --> 00:04:07,380  
let's start with you what is the best

109  
00:04:12,290 --> 00:04:10,080  
proof that we have to date that we've

110  
00:04:15,880 --> 00:04:12,300  
been visited that we've been visited yes

111  
00:04:18,860 --> 00:04:15,890  
that is a great question you can look at

112  
00:04:20,750 --> 00:04:18,870  
Experion Experion sirs such as Travis

113  
00:04:21,440 --> 00:04:20,760

Walton right here in Arizona here in

114

00:04:23,840 --> 00:04:21,450

Arizona

115

00:04:26,360 --> 00:04:23,850

one of the best documented cases of all

116

00:04:26,720 --> 00:04:26,370

time he says he was abducted he says he

117

00:04:28,580 --> 00:04:26,730

was

118

00:04:31,430 --> 00:04:28,590

northern Arizona yes he's been put under

119

00:04:34,520 --> 00:04:31,440

polygraph tests the other witnesses who

120

00:04:37,310 --> 00:04:34,530

saw this with him saw him literally be

121

00:04:39,590 --> 00:04:37,320

shot with a beam by a craft of unknown

122

00:04:40,850 --> 00:04:39,600

origin we're put under polygraph tests

123

00:04:43,490 --> 00:04:40,860

and they all passed with flying colors

124

00:04:44,960 --> 00:04:43,500

what's the best you got Jeremy yeah the

125

00:04:46,490 --> 00:04:44,970

best evidence that I have because man

126

00:04:48,530 --> 00:04:46,500

I'm looking for it too you know I want

127

00:04:50,300 --> 00:04:48,540

the smoking gun either way I mean that's

128

00:04:52,220 --> 00:04:50,310

like I have made so this is what we deal

129

00:04:54,170 --> 00:04:52,230

with I need proof right yeah I've made

130

00:04:56,480 --> 00:04:54,180

some wild films you know I made a film

131

00:04:58,610 --> 00:04:56,490

called patient 17 about a man who had an

132

00:05:00,230 --> 00:04:58,620

alleged implant that we removed

133

00:05:01,970 --> 00:05:00,240

physically and I actually followed the

134

00:05:03,830 --> 00:05:01,980

whole process never thought I would do

135

00:05:05,750 --> 00:05:03,840

something like that that didn't prove it

136

00:05:07,880 --> 00:05:05,760

to me fully but I think what gives me

137

00:05:10,160 --> 00:05:07,890

the greatest sense of proof for myself

138

00:05:12,830 --> 00:05:10,170

to really my imagination has been

139

00:05:15,470 --> 00:05:12,840

weaponized and as a young child it had

140

00:05:17,420 --> 00:05:15,480

been I am so curious I want to know so

141

00:05:20,000 --> 00:05:17,430

the best proof that I have is

142

00:05:23,480 --> 00:05:20,010

essentially people of high credibility

143

00:05:26,450 --> 00:05:23,490

in positions to know have told me

144

00:05:28,850 --> 00:05:26,460

directly off camera and on camera that

145

00:05:31,010 --> 00:05:28,860

yes it is true there other there are

146

00:05:32,480 --> 00:05:31,020

intelligent life you know out there that

147

00:05:34,640 --> 00:05:32,490

they are visiting our planet and

148

00:05:37,970 --> 00:05:34,650

engaging humanity now I personally have

149

00:05:40,550 --> 00:05:37,980

no experience with that but wait because

150

00:05:42,740 --> 00:05:40,560

of becomes heavy evidence becomes heavy

151

00:05:45,110 --> 00:05:42,750

over time I don't have the luxury of

152

00:05:47,180 --> 00:05:45,120

disbelief but what I do have is a camera

153

00:05:48,680 --> 00:05:47,190

which is a passport into these stories

154

00:05:50,600 --> 00:05:48,690

and they'll tell you the story yes they

155

00:05:52,970 --> 00:05:50,610

you know quick quick aside on Travis

156

00:05:56,000 --> 00:05:52,980

Walton I was doing a story back in 94 on

157

00:05:58,640 --> 00:05:56,010

winter sports up up on the muggy on rim

158

00:06:01,130 --> 00:05:58,650

and a guy gave us a ride on a snowmobile

159

00:06:03,080 --> 00:06:01,140

who had taken Travis Walton out to the

160

00:06:05,240 --> 00:06:03,090

area where he had been abducted he took

161

00:06:07,100 --> 00:06:05,250

him out with a film crew and here's what

162

00:06:08,780 --> 00:06:07,110

he told me he said I don't know whether

163

00:06:09,920 --> 00:06:08,790

Travis Walton was abducted or not he

164

00:06:12,110 --> 00:06:09,930

goes but let me tell you something

165

00:06:13,490 --> 00:06:12,120

Travis Walton believes he was abducted

166

00:06:15,980 --> 00:06:13,500

he get said I can tell you that for

167

00:06:17,810 --> 00:06:15,990

certain because as we got closer to

168

00:06:19,910 --> 00:06:17,820

where he was abducted he started

169

00:06:21,170 --> 00:06:19,920

freaking out and actually demanded at

170

00:06:23,360 --> 00:06:21,180

one point that they stop and turn around

171

00:06:25,130 --> 00:06:23,370

and he got so agitated people passed

172

00:06:26,960 --> 00:06:25,140

polygraph tests on the people aren't

173

00:06:28,760 --> 00:06:26,970

lying there's millions and millions of

174

00:06:31,100 --> 00:06:28,770

Americans that are seeing things in the

175

00:06:32,690 --> 00:06:31,110

sky that defy all known physics and

176

00:06:35,120 --> 00:06:32,700

that's the important and interesting I

177

00:06:36,740 --> 00:06:35,130

mean we had it happen here the Phoenix

178

00:06:38,390 --> 00:06:36,750

lights by the way in a recent interview

179

00:06:39,860 --> 00:06:38,400

with governor Fife Symington of course

180

00:06:40,410 --> 00:06:39,870

he was one of the people who saw this

181

00:06:43,200 --> 00:06:40,420

and he

182

00:06:44,820 --> 00:06:43,210

told me I pressed him on it he said look

183

00:06:47,100 --> 00:06:44,830

and he you know he's a Navy aviator

184

00:06:49,110 --> 00:06:47,110

right he flew planes for the Navy he

185

00:06:51,570 --> 00:06:49,120

said all I know is what I saw and it was

186

00:06:53,790 --> 00:06:51,580

not of this world he saw it up by

187

00:06:55,380 --> 00:06:53,800

Peak do you guys have a theory as to

188

00:06:59,340 --> 00:06:55,390

what was going on and has a government

189

00:07:00,600 --> 00:06:59,350

explained this I I honestly don't think

190

00:07:01,080 --> 00:07:00,610

the government knows what they're

191

00:07:03,480 --> 00:07:01,090

dealing with

192

00:07:07,380 --> 00:07:03,490

we hear all the time about government

193

00:07:10,530 --> 00:07:07,390

cover-ups and black ops projects but the

194

00:07:14,550 --> 00:07:10,540

simplest way to deny that it happened is

195

00:07:16,440 --> 00:07:14,560

to to deny that it happened but

196

00:07:17,730 --> 00:07:16,450

thousands of people saw the Phoenix oh

197

00:07:19,440 --> 00:07:17,740

there's no doubts I still get emails

198

00:07:21,900 --> 00:07:19,450

from them okay let me let me play

199

00:07:24,330 --> 00:07:21,910

devil's advocate for a minute if we were

200

00:07:28,680 --> 00:07:24,340

in the development of the b-1 bomber

201  
00:07:31,710 --> 00:07:28,690  
okay the the the diamond-shaped craft

202  
00:07:33,750 --> 00:07:31,720  
right when that was developed if that

203  
00:07:35,430 --> 00:07:33,760  
was being flown over a metro area people

204  
00:07:37,650 --> 00:07:35,440  
would have said oh my god what is that

205  
00:07:39,870 --> 00:07:37,660  
thing it's not like an airplane right is

206  
00:07:42,090 --> 00:07:39,880  
it possible what we're seeing our craft

207  
00:07:44,310 --> 00:07:42,100  
that we're building some of what we're

208  
00:07:45,690 --> 00:07:44,320  
seeing are craft that we're building but

209  
00:07:47,160 --> 00:07:45,700  
the problem you have with that argument

210  
00:07:49,440 --> 00:07:47,170  
is that these sightings go back

211  
00:07:51,240 --> 00:07:49,450  
throughout history you know oh I've

212  
00:07:53,130 --> 00:07:51,250  
heard some from the 1600s

213  
00:07:56,340 --> 00:07:53,140

oh absolutely for anything was flying

214

00:07:59,250 --> 00:07:56,350

discs cylindrical shaped craft I mean

215

00:08:00,750 --> 00:07:59,260

that the the the entire experience that

216

00:08:02,670 --> 00:08:00,760

people are having where they're seeing

217

00:08:04,020 --> 00:08:02,680

these things it's been going on since

218

00:08:06,480 --> 00:08:04,030

the beginning of recorded human history

219

00:08:08,730 --> 00:08:06,490

so that theory just doesn't hold water

220

00:08:10,080 --> 00:08:08,740

because eventually you and by the way I

221

00:08:12,030 --> 00:08:10,090

mean part of what I do is I interview

222

00:08:15,150 --> 00:08:12,040

you know government witnesses so I can

223

00:08:17,370 --> 00:08:15,160

tell you matter of fact that some parts

224

00:08:19,410 --> 00:08:17,380

of the government are just as confused

225

00:08:21,990 --> 00:08:19,420

as we are about the whole are they

226

00:08:23,850 --> 00:08:22,000

scared is the government frightened of

227

00:08:26,130 --> 00:08:23,860

this that's that's a personal question I

228

00:08:28,140 --> 00:08:26,140

mean a fear is a personal human thing it

229

00:08:29,880 --> 00:08:28,150

just is one person scared because they

230

00:08:31,020 --> 00:08:29,890

are you know extremely religious

231

00:08:34,350 --> 00:08:31,030

compared to another person that is just

232

00:08:36,630 --> 00:08:34,360

purely scientific but I do believe doubt

233

00:08:39,360 --> 00:08:36,640

the doubt if there is another

234

00:08:41,340 --> 00:08:39,370

intelligent civilization contacting us

235

00:08:42,960 --> 00:08:41,350

it's more highly advanced I mean that's

236

00:08:45,090 --> 00:08:42,970

a problem that's a problem for anybody

237

00:08:46,470 --> 00:08:45,100

right because if they're not telling us

238

00:08:49,500 --> 00:08:46,480

that because they're able to travel from

239

00:08:51,780 --> 00:08:49,510

insane with impunity throughout our

240

00:08:54,150 --> 00:08:51,790

skies that is a problem for any nation

241

00:08:57,869 --> 00:08:54,160

so it's a serious issue

242

00:09:00,360 --> 00:08:57,879

does anybody talk about whether this and

243

00:09:03,480 --> 00:09:00,370

this is really getting out there that

244

00:09:05,879 --> 00:09:03,490

something from outside I mean way

245

00:09:09,420 --> 00:09:05,889

outside would be the catalyst that could

246

00:09:11,490 --> 00:09:09,430

bring the nations on earth that are

247

00:09:13,559 --> 00:09:11,500

always in conflict together Ronald

248

00:09:15,329 --> 00:09:13,569

Reagan said that like seven times in a

249

00:09:18,030 --> 00:09:15,339

bunch of his speeches at the UN the

250

00:09:21,929 --> 00:09:18,040

threat from an extraterrestrial presence

251  
00:09:23,759 --> 00:09:21,939  
would instantaneously unite humanity so

252  
00:09:25,860 --> 00:09:23,769  
presidents have been talking about this

253  
00:09:29,579 --> 00:09:25,870  
I mean look it up Ronald Reagan at the

254  
00:09:32,009 --> 00:09:29,589  
UN said those exact words so that's

255  
00:09:37,110 --> 00:09:32,019  
that's something that people think about

256  
00:09:39,720 --> 00:09:37,120  
quite a bit if we were to have this

257  
00:09:41,939 --> 00:09:39,730  
disclosure of an et presence the

258  
00:09:44,040 --> 00:09:41,949  
implications are just astounding okay

259  
00:09:46,439 --> 00:09:44,050  
again socially everything if we've been

260  
00:09:52,290 --> 00:09:46,449  
visited because we know kind of the

261  
00:09:55,800 --> 00:09:52,300  
makeup of at least within our boy what

262  
00:09:57,300 --> 00:09:55,810  
will we say our universe are we know

263  
00:10:00,059 --> 00:09:57,310

that this this has to be something

264

00:10:02,460 --> 00:10:00,069

coming from way way beyond any kind of

265

00:10:04,259 --> 00:10:02,470

propulsion that that we know of that

266

00:10:06,600 --> 00:10:04,269

could get you there and keep people

267

00:10:08,160 --> 00:10:06,610

alive or creatures alive long enough to

268

00:10:10,050 --> 00:10:08,170

get you there it's really interesting

269

00:10:12,509 --> 00:10:10,060

that you bring that up because at this

270

00:10:14,999 --> 00:10:12,519

UFO Congress one of the big highlights

271

00:10:17,699 --> 00:10:15,009

of the Congress is an individual named

272

00:10:19,410 --> 00:10:17,709

Bob Lazar I have followed the case for

273

00:10:22,050 --> 00:10:19,420

many years because my mentors George

274

00:10:24,240 --> 00:10:22,060

Knapp who grew up watching him he's a

275

00:10:25,710 --> 00:10:24,250

new he's a television news reporter he

276

00:10:27,990 --> 00:10:25,720

body award-winning journalist he's

277

00:10:29,280 --> 00:10:28,000

amazing so basically I've been able to

278

00:10:31,439 --> 00:10:29,290

see it from a very unique perspective

279

00:10:34,650 --> 00:10:31,449

Bob is coming in to talk to this

280

00:10:37,710 --> 00:10:34,660

conference he claims that he back

281

00:10:39,540 --> 00:10:37,720

engineered extraterrestrial technologies

282

00:10:42,240 --> 00:10:39,550

propulsion systems advanced propulsion

283

00:10:44,999 --> 00:10:42,250

systems that essentially warp space-time

284

00:10:47,610 --> 00:10:45,009

they essentially amplify gravity waves

285

00:10:49,740 --> 00:10:47,620

in order to travel the most incredible

286

00:10:50,340 --> 00:10:49,750

idea and you know what I just got to say

287

00:10:51,689 --> 00:10:50,350

on the record

288

00:10:53,819 --> 00:10:51,699

after looking at this as an

289

00:10:55,889 --> 00:10:53,829

investigative journalist I believe Bob

290

00:10:57,869 --> 00:10:55,899

and he's gonna be there to talk with

291

00:11:00,090 --> 00:10:57,879

everybody after 25 years of radio

292

00:11:01,559 --> 00:11:00,100

silence when you when you okay yeah he's

293

00:11:02,910 --> 00:11:01,569

been silent on the issue because he

294

00:11:04,590 --> 00:11:02,920

didn't want to be hassled by people

295

00:11:07,210 --> 00:11:04,600

correct the private guy okay let me ask

296

00:11:09,009 --> 00:11:07,220

you this when you say reverse engineered

297

00:11:10,540 --> 00:11:09,019

did they have a piece of a craft yeah

298

00:11:14,170 --> 00:11:10,550

they were trying to back down that is

299

00:11:15,340 --> 00:11:14,180

exactly as story yeah and a number of

300

00:11:17,019 --> 00:11:15,350

people I've talked with who have been on

301

00:11:18,970 --> 00:11:17,029

the inside have also explained that to

302

00:11:21,939 --> 00:11:18,980

the tea so there have been recoveries of

303

00:11:25,300 --> 00:11:21,949

crap we not only allegedly have

304

00:11:26,889 --> 00:11:25,310

recoveries but we also have craft that

305

00:11:29,800 --> 00:11:26,899

may not even be damaged

306

00:11:32,050 --> 00:11:29,810

what about aliens you know the story

307

00:11:35,949 --> 00:11:32,060

about Nessun taking jackie gleason to

308

00:11:37,389 --> 00:11:35,959

homestead Air Force passing aliens but

309

00:11:39,009 --> 00:11:37,399

it may have been a hoax but we don't

310

00:11:40,749 --> 00:11:39,019

know look he may have been pulling a

311

00:11:42,809 --> 00:11:40,759

prank on let's not jump ahead cart

312

00:11:45,790 --> 00:11:42,819

before the horse if there are

313

00:11:47,980 --> 00:11:45,800

intelligent beings that created you know

314

00:11:49,840 --> 00:11:47,990

craft that are visiting earth because

315

00:11:51,490 --> 00:11:49,850

that's the I think the big news let's

316

00:11:52,030 --> 00:11:51,500

say over the next 20 years it is that

317

00:11:54,309 --> 00:11:52,040

true

318

00:11:56,379 --> 00:11:54,319

are we being visited are they drones or

319

00:11:59,350 --> 00:11:56,389

do they have the intelligences that made

320

00:12:02,980 --> 00:11:59,360

them riding in them and you know I want

321

00:12:04,720 --> 00:12:02,990

to know too if this is true are there

322

00:12:06,160 --> 00:12:04,730

extraterrestrials visiting and that

323

00:12:09,759 --> 00:12:06,170

would be you guys find out will you love

324

00:12:17,490 --> 00:12:09,769

me know tweet it to the world this would

325

00:12:21,400 --> 00:12:19,870

all right you may think I've lost my

326

00:12:23,410 --> 00:12:21,410

mind but I'm having a ball with these

327

00:12:25,240 --> 00:12:23,420

guys this is Jeremy Korbelt on the right

328

00:12:28,060 --> 00:12:25,250

he's an investigative filmmaker Ryan

329

00:12:30,220 --> 00:12:28,070

Sprague is a UFO journalist and as you

330

00:12:34,930 --> 00:12:30,230

can tell by the backdrop we are we are

331

00:12:36,880 --> 00:12:34,940

just exploring what if here I started

332

00:12:39,160 --> 00:12:36,890

the show by saying that 36% of Americans

333

00:12:41,350 --> 00:12:39,170

80 million people believe that UFOs

334

00:12:43,420 --> 00:12:41,360

exist a tenth believe they've spotted

335

00:12:46,480 --> 00:12:43,430

one this is according to a National

336

00:12:48,910 --> 00:12:46,490

Geographic poll do you guys think that

337

00:12:50,740 --> 00:12:48,920

public sentiment is changing on this

338

00:12:54,250 --> 00:12:50,750

issue that people have maybe gone from

339

00:12:57,910 --> 00:12:54,260

Oh hogwash nonsense to you know what I

340

00:13:00,340 --> 00:12:57,920

don't know is that happening yeah I can

341

00:13:03,790 --> 00:13:00,350

see it happening every day especially

342

00:13:05,860 --> 00:13:03,800

within the mass media it's just it's

343

00:13:08,650 --> 00:13:05,870

astounding how much it's changed and

344

00:13:11,020 --> 00:13:08,660

what is that is why is that I think as

345

00:13:12,790 --> 00:13:11,030

we draw closer scientifically I mean

346

00:13:14,830 --> 00:13:12,800

we're discovering all these exoplanets

347

00:13:18,670 --> 00:13:14,840

we're discovering we're sending NASA

348

00:13:21,310 --> 00:13:18,680

sends an unmanned you know craft to

349

00:13:23,410 --> 00:13:21,320

Europa these are opening up the

350

00:13:25,690 --> 00:13:23,420

possibilities of life elsewhere whether

351

00:13:28,750 --> 00:13:25,700

it be biological I have a theory as well

352

00:13:31,300 --> 00:13:28,760

yeah I think as we get smarter we start

353

00:13:33,310 --> 00:13:31,310

to understand how much we don't know

354

00:13:35,140 --> 00:13:33,320

yes and I think that's playing into it

355

00:13:37,210 --> 00:13:35,150

yeah and I think you know my personal

356

00:13:38,830 --> 00:13:37,220

opinion on it is that when I started

357

00:13:41,110 --> 00:13:38,840

talking to people about this when I was

358

00:13:42,520 --> 00:13:41,120

like 13 years old so you know I don't

359

00:13:45,220 --> 00:13:42,530

know how many years ago over two decades

360

00:13:47,770 --> 00:13:45,230

ago people would almost laugh when you

361

00:13:50,380 --> 00:13:47,780

said extraterrestrials probably exist

362

00:13:52,900 --> 00:13:50,390

the worldview has changed now we know

363

00:13:55,240 --> 00:13:52,910

all these exoplanets trillions of star

364

00:13:57,400 --> 00:13:55,250

systems with habitable planets so the

365

00:13:58,780 --> 00:13:57,410

whole paradigm has shifted what's the

366

00:14:01,060 --> 00:13:58,790

next thing and now you're going to be

367

00:14:03,160 --> 00:14:01,070

induct you you're exactly you're gonna

368

00:14:04,900 --> 00:14:03,170

be ahead ten years right now what would

369

00:14:07,210 --> 00:14:04,910

the big deal be what is the biggest lie

370

00:14:10,240 --> 00:14:07,220

well if these things are real are they

371

00:14:12,130 --> 00:14:10,250

coming here so that's the question if we

372

00:14:14,440 --> 00:14:12,140

can kind of narrow in the discussion to

373

00:14:15,970 --> 00:14:14,450

that now rather than extra shows don't

374

00:14:17,740 --> 00:14:15,980

exist okay well we just have the one

375

00:14:19,990 --> 00:14:17,750

planet out of trillions and billions of

376

00:14:22,750 --> 00:14:20,000

billions that has life on it well then

377

00:14:23,830 --> 00:14:22,760

the question about UFOs okay maybe the

378

00:14:26,230 --> 00:14:23,840

question should be do you believe

379

00:14:28,000 --> 00:14:26,240

there's life out there that's a whole

380

00:14:29,320 --> 00:14:28,010

different thing you probably have a lot

381

00:14:30,550 --> 00:14:29,330

more people who believe well I'm just

382

00:14:32,769 --> 00:14:30,560

saying that's the simple one that

383

00:14:34,720 --> 00:14:32,779

we should all be far beyond you know

384

00:14:36,160 --> 00:14:34,730

people have we should be just the

385

00:14:37,780 --> 00:14:36,170

science of it the sheer numbers we

386

00:14:39,940 --> 00:14:37,790

should be on that question the question

387

00:14:42,070 --> 00:14:39,950

we should be asking is okay there

388

00:14:45,370 --> 00:14:42,080

probably is life everywhere microbial

389

00:14:47,860 --> 00:14:45,380

and intelligent are they visiting here

390

00:14:50,230 --> 00:14:47,870

and if so what are the implications what

391

00:14:53,170 --> 00:14:50,240

has anybody come up with a theory if we

392

00:14:54,910 --> 00:14:53,180

have been visited okay I again I I don't

393

00:14:57,579 --> 00:14:54,920

believe we have but I'm keeping an open

394

00:14:59,829 --> 00:14:57,589

mind about it if we've been visited why

395

00:15:02,200 --> 00:14:59,839

have they not presented themselves in a

396

00:15:03,610 --> 00:15:02,210

more dramatic way and said look we come

397

00:15:07,360 --> 00:15:03,620

from Planet X here we are

398

00:15:11,130 --> 00:15:07,370

does anybody explain this yeah I mean

399

00:15:16,600 --> 00:15:11,140

there have been tons in tons of cases of

400

00:15:19,269 --> 00:15:16,610

these supposed beings who may not think

401  
00:15:21,100 --> 00:15:19,279  
we're ready we may be on some sort of

402  
00:15:23,650 --> 00:15:21,110  
timetable of theirs we have to sort of

403  
00:15:26,320 --> 00:15:23,660  
look at it as if they are coming from

404  
00:15:26,829 --> 00:15:26,330  
vast distances and they are this ahead

405  
00:15:29,970 --> 00:15:26,839  
of us

406  
00:15:33,519 --> 00:15:29,980  
you know technologically and perhaps

407  
00:15:37,000 --> 00:15:33,529  
intelligently that maybe we haven't

408  
00:15:39,610 --> 00:15:37,010  
reached that potential to handle it yet

409  
00:15:41,530 --> 00:15:39,620  
yeah yeah I can we have enough issues to

410  
00:15:42,730 --> 00:15:41,540  
worry about on this plan okay this is

411  
00:15:45,370 --> 00:15:42,740  
the last thing on a lot of people's

412  
00:15:47,500 --> 00:15:45,380  
minds where it's one of the first on

413  
00:15:49,570 --> 00:15:47,510

ours I get a drone chime in here on this

414

00:15:51,310 --> 00:15:49,580

so one of my dear friends growing up is

415

00:15:53,170 --> 00:15:51,320

rod Roddenberry Gene Roddenberry's the

416

00:15:54,970 --> 00:15:53,180

son of Gene Roddenberry so I interviewed

417

00:15:56,260 --> 00:15:54,980

him for this conference and I have a

418

00:15:58,360 --> 00:15:56,270

piece that I'm gonna be playing at the

419

00:15:59,680 --> 00:15:58,370

conference where he's weighing and for

420

00:16:01,840 --> 00:15:59,690

the first time on the extra-terrestrial

421

00:16:05,050 --> 00:16:01,850

issue I mean which is weird you figured

422

00:16:07,180 --> 00:16:05,060

he'd way and sooner but essentially they

423

00:16:08,950 --> 00:16:07,190

talk about things like the the prime

424

00:16:10,600 --> 00:16:08,960

directive the idea of non-interference

425

00:16:11,920 --> 00:16:10,610

and this is he kind of talked to me

426

00:16:13,810 --> 00:16:11,930

about this he says I don't know if it's

427

00:16:15,699 --> 00:16:13,820

just microbial life or intelligent life

428

00:16:18,040 --> 00:16:15,709

he says my preference is intelligent

429

00:16:20,050 --> 00:16:18,050

life he says but let's say they are here

430

00:16:21,900 --> 00:16:20,060

let's say they are visiting maybe there

431

00:16:23,829 --> 00:16:21,910

is a prime director maybe there's a

432

00:16:27,730 --> 00:16:23,839

non-interference clause where they want

433

00:16:29,769 --> 00:16:27,740

us to evolve as human beings before you

434

00:16:31,510 --> 00:16:29,779

know before real content right but but

435

00:16:32,890 --> 00:16:31,520

there has been contact that's the thing

436

00:16:34,720 --> 00:16:32,900

that you and I don't get because we

437

00:16:37,420 --> 00:16:34,730

haven't seen anything but people

438

00:16:39,490 --> 00:16:37,430

millions of people have had what they

439

00:16:41,260 --> 00:16:39,500

call content what is interesting about

440

00:16:43,900 --> 00:16:41,270

that I got to take a break is how

441

00:16:46,509 --> 00:16:43,910

similar a lot of these accounts

442

00:16:48,129 --> 00:16:46,519

our oh my gosh there's a similarity with

443

00:16:50,050 --> 00:16:48,139

all of these different people who say

444

00:16:52,240 --> 00:16:50,060

they've seen something yeah what they've

445

00:16:55,480 --> 00:16:52,250

seen a lot of times lines up it's not

446

00:16:57,970 --> 00:16:55,490

the multiple witnesses multiple angles

447

00:17:02,790 --> 00:16:57,980

air radar ground radar air visual

448

00:17:07,059 --> 00:17:05,350

back on newsmakers Sunday final moments

449

00:17:08,079 --> 00:17:07,069

with Jeremy Korbelt an investigative

450

00:17:10,689 --> 00:17:08,089

filmmaker on the right of your screen

451  
00:17:14,679 --> 00:17:10,699  
he's on the right here in Ryan Sprague a

452  
00:17:15,939 --> 00:17:14,689  
UFO journalist final moments what would

453  
00:17:17,529 --> 00:17:15,949  
you like people to take away and I know

454  
00:17:19,090 --> 00:17:17,539  
we've got the conference going on and

455  
00:17:21,189 --> 00:17:19,100  
people you're saying if people want to

456  
00:17:22,510 --> 00:17:21,199  
just drop by do it I mean what I

457  
00:17:24,340 --> 00:17:22,520  
personally want people to take away is I

458  
00:17:26,199 --> 00:17:24,350  
again I want your imagination to be

459  
00:17:28,320 --> 00:17:26,209  
weaponized this is not a marketing ploy

460  
00:17:31,510 --> 00:17:28,330  
this is not that's a lack of imagination

461  
00:17:34,120 --> 00:17:31,520  
there is a true and real phenomena that

462  
00:17:35,590 --> 00:17:34,130  
is occurring with a cursory glance you

463  
00:17:38,890 --> 00:17:35,600

will become interested I guarantee just

464

00:17:40,899 --> 00:17:38,900

look into it personally I my films are

465

00:17:43,690 --> 00:17:40,909

seen that extraordinary beliefs calm you

466

00:17:45,190 --> 00:17:43,700

can see all this ordinary beliefs calm

467

00:17:46,960 --> 00:17:45,200

correct and that's where you can see all

468

00:17:49,510 --> 00:17:46,970

my films on the subject matter that take

469

00:17:51,159 --> 00:17:49,520

a real hardcore documentary approach to

470

00:17:51,610 --> 00:17:51,169

figuring out if any of these stories are

471

00:17:53,409 --> 00:17:51,620

true

472

00:17:54,970 --> 00:17:53,419

okay and that's what I have to say right

473

00:17:58,390 --> 00:17:54,980

what do you guys I mean just to

474

00:18:00,490 --> 00:17:58,400

piggyback off that we have over 3,000

475

00:18:03,039 --> 00:18:00,500

people who have already attended we're

476

00:18:05,020 --> 00:18:03,049

expecting another 2,000 or so over the

477

00:18:07,029 --> 00:18:05,030

weekend and people come from all over

478

00:18:10,570 --> 00:18:07,039

the world to this conference and it's

479

00:18:13,450 --> 00:18:10,580

because we have astrobiologists nuclear

480

00:18:16,630 --> 00:18:13,460

physicists speaking at the event telling

481

00:18:18,820 --> 00:18:16,640

us this is a real phenomenon next I mean

482

00:18:20,919 --> 00:18:18,830

next to questions about God in religion

483

00:18:22,659 --> 00:18:20,929

this is this is probably right there all

484

00:18:25,149 --> 00:18:22,669

right this is the this is the

485

00:18:28,840 --> 00:18:25,159

existential question of are we alone

486

00:18:31,600 --> 00:18:28,850

yeah and people out there I'm sure

487

00:18:33,730 --> 00:18:31,610

believe we are not alone it's gonna be

488

00:18:36,130 --> 00:18:33,740

easier to prove the existence of other

489

00:18:38,470 --> 00:18:36,140

intelligent life it'll be easier to

490

00:18:40,450 --> 00:18:38,480

prove that than the existence of God to

491

00:18:42,549 --> 00:18:40,460

be a mass public I think that it's

492

00:18:44,409 --> 00:18:42,559

either true or it's not true and

493

00:18:45,880 --> 00:18:44,419

hopefully one day soon we'll find out

494

00:18:47,440 --> 00:18:45,890

how much is the government our

495

00:18:50,289 --> 00:18:47,450

government working on trying to make

496

00:18:52,120 --> 00:18:50,299

contact it's a really startling out

497

00:18:53,450 --> 00:18:52,130

stuff out to the universe right we are

498

00:18:55,399 --> 00:18:53,460

very from the very

499

00:18:57,440 --> 00:18:55,409

we shoot up our you know messages all

500

00:18:59,450 --> 00:18:57,450

the time I mean it's like yeah but there

501  
00:19:01,789 --> 00:18:59,460  
that's a there's a much deeper story to

502  
00:19:04,220 --> 00:19:01,799  
that and maybe we will have to talk

503  
00:19:06,980 --> 00:19:04,230  
about that later how worried is we've

504  
00:19:09,440 --> 00:19:06,990  
got 30 seconds how worried is for

505  
00:19:11,659 --> 00:19:09,450  
instance the United States about this

506  
00:19:14,510 --> 00:19:11,669  
issue that this is a threat that we

507  
00:19:16,639 --> 00:19:14,520  
could not handle I think that's a great

508  
00:19:18,740 --> 00:19:16,649  
question we have people like John

509  
00:19:21,560 --> 00:19:18,750  
Podesta who was currently come forward

510  
00:19:23,510 --> 00:19:21,570  
about he regretting that he was not able

511  
00:19:25,730 --> 00:19:23,520  
to get the UFO information out to the

512  
00:19:28,130 --> 00:19:25,740  
public when he was working for Clinton

513  
00:19:29,659 --> 00:19:28,140

and Obama did you see that tweet yeah he

514

00:19:32,419 --> 00:19:29,669

this tweet his biggest number one regret

515

00:19:34,010 --> 00:19:32,429

John that yeah was that he didn't

516

00:19:35,720 --> 00:19:34,020

get disclosure so the government is

517

00:19:37,850 --> 00:19:35,730

worried of course but the main thing is
