

**JEREMY CORBELL**  
UFO INTERNATIONAL CONGRESS

1  
00:00:04,039 --> 00:00:01,880  
when I started talking to people about

2  
00:00:05,300 --> 00:00:04,049  
this when I was like 13 years old so you

3  
00:00:08,210 --> 00:00:05,310  
know I don't know how many years ago

4  
00:00:10,100 --> 00:00:08,220  
over two decades ago people would almost

5  
00:00:12,830 --> 00:00:10,110  
laugh when you said extraterrestrials

6  
00:00:14,919 --> 00:00:12,840  
probably exist the world view has

7  
00:00:17,660 --> 00:00:14,929  
changed now we know all these exoplanets

8  
00:00:19,490 --> 00:00:17,670  
trillions of star systems with habitable

9  
00:00:21,859 --> 00:00:19,500  
planets so the whole paradigm has

10  
00:00:23,630 --> 00:00:21,869  
shifted what's the next thing and now

11  
00:00:25,220 --> 00:00:23,640  
you're going to conduct you you're

12  
00:00:27,290 --> 00:00:25,230  
exactly you're going to be ahead ten

13  
00:00:29,210 --> 00:00:27,300

years right now what would the big deal

14

00:00:32,330 --> 00:00:29,220

be what is the biggest lie well if these

15

00:00:34,310 --> 00:00:32,340

things are real are they coming here so

16

00:00:36,229 --> 00:00:34,320

that's the question if we can kind of

17

00:00:38,299 --> 00:00:36,239

narrow in the discussion to that now

18

00:00:40,280 --> 00:00:38,309

rather than extra Stroh's don't exist

19

00:00:41,240 --> 00:00:40,290

okay well we just have the one planet

20

00:00:43,250 --> 00:00:41,250

out of trillions and billions of

21

00:00:44,360 --> 00:00:43,260

billions that has life maybe the

22

00:00:46,010 --> 00:00:44,370

question should be do you believe

23

00:00:48,290 --> 00:00:46,020

there's life out there that's a lack of

24

00:00:51,110 --> 00:00:48,300

imagination and the question we should

25

00:00:53,540 --> 00:00:51,120

be asking is okay there probably is life

26  
00:00:57,139 --> 00:00:53,550  
everywhere microbial and intelligent are

27  
00:00:59,540 --> 00:00:57,149  
they visiting here and if so what are

28  
00:01:01,520 --> 00:00:59,550  
the implication there is a true and real

29  
00:01:03,439 --> 00:01:01,530  
phenomena that is occurring with a

30  
00:01:05,270 --> 00:01:03,449  
cursory glance you will become

31  
00:01:08,060 --> 00:01:05,280  
interested I guarantee just look into it

32  
00:01:10,100 --> 00:01:08,070  
personally I my films are seen at

33  
00:01:12,590 --> 00:01:10,110  
extraordinary beliefs calm you can see

34  
00:01:13,940 --> 00:01:12,600  
all this is ordinary beliefs calm

35  
00:01:15,830 --> 00:01:13,950  
correct and that's where you can see all

36  
00:01:18,410 --> 00:01:15,840  
my films on the subject matter that take

37  
00:01:20,030 --> 00:01:18,420  
a real hardcore documentary approach to

38  
00:01:22,190 --> 00:01:20,040

figuring out if any of these stories are
