

1
00:00:07,110 --> 00:00:03,510
these were spoons

2
00:00:09,669 --> 00:00:07,120
that children bent in their home

3
00:00:10,950 --> 00:00:09,679
and i would hold them like this and the

4
00:00:12,870 --> 00:00:10,960
little boy

5
00:00:14,549 --> 00:00:12,880
could do that because he'd like to work

6
00:00:16,390 --> 00:00:14,559
yellow do it on television

7
00:00:18,390 --> 00:00:16,400
and this damn spoon would just curl up

8
00:00:21,510 --> 00:00:18,400
like that wow

9
00:00:24,550 --> 00:00:21,520
i've had two two different examples

10
00:00:27,509 --> 00:00:24,560
and that is psychokinesis

11
00:00:35,670 --> 00:00:27,519
and it's clearer that we can all do it

12
00:00:39,670 --> 00:00:38,709
so this is possible if i do it right and

13
00:00:41,430 --> 00:00:39,680

it's possible

14

00:00:43,030 --> 00:00:41,440

okay so i'm going to try to bend the

15

00:00:46,229 --> 00:00:43,040

spoon right now

16

00:00:53,110 --> 00:00:49,270

should i think anything in particular

17

00:00:55,270 --> 00:00:53,120

concentrate on what

18

00:00:57,990 --> 00:00:55,280

concentrate on getting a spread there is

19

00:01:13,510 --> 00:00:58,000

no spoon

20

00:01:15,910 --> 00:01:13,520

here we go

21

00:01:16,950 --> 00:01:15,920

well i think i know what the problem is

22

00:01:19,990 --> 00:01:16,960

you need to

23

00:01:22,550 --> 00:01:20,000

shed about 40 years

24

00:01:23,350 --> 00:01:22,560

so can you have it quick with the kids
