

1
00:00:16,000 --> 00:00:07,929
how many people here tonight are afraid

2
00:00:21,880 --> 00:00:18,880
if tonight we can contribute something

3
00:00:25,659 --> 00:00:21,890
constructive to the explanation of these

4
00:00:27,040 --> 00:00:25,669
phenomena it might be able to assure

5
00:00:30,210 --> 00:00:27,050
these people who have nothing to be

6
00:00:34,330 --> 00:00:30,220
alarmed about the noise did occur and

7
00:00:37,660 --> 00:00:34,340
already confirmed the lady who was too

8
00:00:39,639 --> 00:00:37,670
scared to this folder named Batman she

9
00:00:43,690 --> 00:00:39,649
did hear it and floated on it woke the I

10
00:00:47,889 --> 00:00:43,700
I was wakened by this dreadful groaning

11
00:00:51,790 --> 00:00:47,899
sound and then I went to the bedroom

12
00:00:55,300 --> 00:00:51,800
window and I saw this brilliant object

13
00:00:59,710 --> 00:00:55,310

it was quite low in the sky and I'll

14

00:01:03,220 --> 00:00:59,720

never be confused that way and it seemed

15

00:01:05,590 --> 00:01:03,230

to be traveling very slowly I'm how is

16

00:01:08,050 --> 00:01:05,600

petrified I just couldn't move shaking

17

00:01:17,910 --> 00:01:08,060

like a leaf I just couldn't move and

18

00:01:24,760 --> 00:01:21,249

early the object was likened unto a

19

00:01:28,149 --> 00:01:24,770

cross console Willie just said - here we

20

00:01:32,410 --> 00:01:28,159

go then and we drove out after its if

21

00:01:37,569 --> 00:01:32,420

you know what I mean we're running very

22

00:01:40,870 --> 00:01:37,579

fast don't know sign that I heard it

23

00:01:43,149 --> 00:01:40,880

tore this thing outside that noisy

24

00:01:45,190 --> 00:01:43,159

parking Leroy's at the car itself in

25

00:01:46,050 --> 00:01:45,200

acceleration the acceleration away from

26

00:01:49,480 --> 00:01:46,060

us was terrific

27

00:01:52,480 --> 00:01:49,490

so really we didn't get under it to hear

28

00:01:56,440 --> 00:01:52,490

any sound it was definitely there it was

29

00:01:58,870 --> 00:01:56,450

definitely are their minds by some sort

30

00:02:01,779 --> 00:01:58,880

of thing or remotely controlled it this
