

IMMACULATE DECEPTION

THE JOHN LEAR STORY

1
00:00:21,820 --> 00:00:10,930
it doesn't just happen it's written the

2
00:00:27,210 --> 00:00:21,830
exact second that we're going to die am

3
00:00:32,170 --> 00:00:27,220
I going to leave a message for my family

4
00:00:35,010 --> 00:00:32,180
to open on my demise about what I've

5
00:00:37,720 --> 00:00:35,020
discovered I think it's pretty well out

6
00:00:39,010 --> 00:00:37,730
there what I've discovered I hadn't

7
00:00:40,810 --> 00:00:39,020
thought about it maybe I'll give it some

8
00:00:43,900 --> 00:00:40,820
thought and leave some kind of message

9
00:00:47,560 --> 00:00:43,910
like that the message is pretty scary

10
00:00:52,330 --> 00:00:47,570
it's hard to tell people that your own

11
00:00:53,830 --> 00:00:52,340
lock stock and barrel by the ETS you

12
00:00:56,370 --> 00:00:53,840
don't do anything that they don't know

13
00:01:00,430 --> 00:00:56,380

about having directed and personally

14

00:01:04,299 --> 00:01:00,440

guided we're done everything that they

15

00:01:06,910 --> 00:01:04,309

have told us to do now as we walk in the

16

00:01:08,800 --> 00:01:06,920

path of life sometimes things aren't

17

00:01:11,980 --> 00:01:08,810

going to good that means we're on the

18

00:01:15,430 --> 00:01:11,990

wrong path everything has been

19

00:01:17,830 --> 00:01:15,440

predetermined all then written there

20

00:01:21,120 --> 00:01:17,840

should be no variation get off the path

21

00:01:25,270 --> 00:01:21,130

you're gently guided back on to the path
