

Antes me gustaba jugar
palillos chinos.

1
00:00:06,829 --> 00:00:04,670
in January of 1971 I boarded a

2
00:00:10,009 --> 00:00:06,839
spacecraft and traveled to a ser this

3
00:00:12,589 --> 00:00:10,019
world of brilliant kurti the soil there

4
00:00:15,470 --> 00:00:12,599
is burn and gray and the horizon is

5
00:00:19,640 --> 00:00:15,480
always further in than it appears it is

6
00:00:22,060 --> 00:00:19,650
a static world has only known science on

7
00:00:24,439 --> 00:00:22,070
its landscape human perspective is alter

8
00:00:26,330 --> 00:00:24,449
millions of human beings were watching

9
00:00:29,359 --> 00:00:26,340
two men walk on the surface of another

10
00:00:32,600 --> 00:00:29,369
world that this wasn't the achievement

11
00:00:34,280 --> 00:00:32,610
of an individual this was rather the

12
00:00:38,330 --> 00:00:34,290
achievement of our species our

13
00:00:40,459 --> 00:00:38,340

civilization diva moment of stands but

14

00:00:42,590 --> 00:00:40,469

what I did not know was that I had yet

15

00:00:45,200 --> 00:00:42,600

to grasp but would prove most

16

00:00:48,110 --> 00:00:45,210

extraordinary but I saw the weather was

17

00:00:51,350 --> 00:00:48,120

all I'd ever known all I never loved and

18

00:00:54,920 --> 00:00:51,360

hated long for all that I once thought

19

00:00:57,049 --> 00:00:54,930

had ever been and it would be it was all

20

00:00:59,869 --> 00:00:57,059

their suspect in the cosmos from that

21

00:01:02,599 --> 00:00:59,879

fragile atmosphere I expect a grand

22

00:01:04,640 --> 00:01:02,609

epiphany accompanied by generation it

23

00:01:06,710 --> 00:01:04,650

occurred to me that the molecules in my

24

00:01:09,830 --> 00:01:06,720

body the molecule to the spacecraft

25

00:01:12,230 --> 00:01:09,840

itself were manufactured long ago the

26

00:01:14,960 --> 00:01:12,240

furnace of the ancient stars that burned

27

00:01:18,050 --> 00:01:14,970

in heaven I perceived the universe's in

28

00:01:20,899 --> 00:01:18,060

some way conscious my life Direction was

29

00:01:23,140 --> 00:01:20,909

about to change I've often likened that

30

00:01:25,969 --> 00:01:23,150

experience to game of pick-up sticks

31

00:01:28,280 --> 00:01:25,979

within a few days my beliefs about life

32

00:01:31,700 --> 00:01:28,290

we're thrown into the air and scattered

33

00:01:33,830 --> 00:01:31,710

about there's taken me 20 years to pick
