

1
00:00:05,720 --> 00:00:01,850
the conclusion I've come to is there

2
00:00:08,900 --> 00:00:05,730
seems to be a nonhuman intelligence that

3
00:00:11,080 --> 00:00:08,910
is somehow interacting with humanity and

4
00:00:14,030 --> 00:00:11,090
it's doing so in multiple ways

5
00:00:15,620 --> 00:00:14,040
everything from technologically to the

6
00:00:18,080 --> 00:00:15,630
stovepipe of technology that our

7
00:00:20,840 --> 00:00:18,090
military is interested in to even

8
00:00:23,750 --> 00:00:20,850
poltergeist activity a good example is

9
00:00:25,939 --> 00:00:23,760
the events of skinwalker ranch yeah big

10
00:00:28,759 --> 00:00:25,949
picture there is a nonhuman intelligence

11
00:00:31,669 --> 00:00:28,769
engaging humanity the question is why

12
00:00:33,470 --> 00:00:31,679
what is it for is it monovalent is it

13
00:00:35,479 --> 00:00:33,480

benevolent and that's the big question

14

00:00:37,580 --> 00:00:35,489

and the closer we can get to the truth

15

00:00:39,920 --> 00:00:37,590

the more we learn about reality and
