[Music]

2
00:01:21,279 --> 00:01:18,429

I'm just so grown tired of all of this

3
00:01:23,289 --> 00:01:21,289

always my world will not be turned

4
00:01:26,919 --> 00:01:23,299

upside down I just want to live my life

5
00:01:28,300 --> 00:01:26,929

I mean we want to read it that's either

6
00:01:45,899 --> 00:01:28,310

people are going to believe you don't

7
00:01:51,700 --> 00:01:48,580

dr. Roger Leir did confirm up with the

8
00:01:56,710 --> 00:01:51,710

clinician number 17 you need to get a

9
00:01:59,109 --> 00:01:56,720

hat that's what he's telling me and let

10
00:02:01,300 --> 00:01:59,119

you know if dr. Leir before absolutely

11
00:02:03,320 --> 00:02:01,310

nothing nothing about doctor until I was

12
00:02:10,630 --> 00:02:03,330

introduced

13
00:02:17,089 --> 00:02:13,970

would you consider your life to have

14

00:02:18,589 --> 00:02:17,099

been completely normal up until the

15

00:02:22,009 --> 00:02:18,599

point where you've engaged people

16

00:02:24,979 --> 00:02:22,019

interested in your story my left has

17

00:02:30,320 --> 00:02:24,989

been normal but the biggest thrown into

18

00:02:33,199 --> 00:02:30,330

a storm once I met these UFO folks when

19

00:02:37,009 --> 00:02:33,209

dr. Lehrer and his associates holding

20

00:02:38,979 --> 00:02:37,019

that this could be implant now it's all

21

00:02:40,820 --> 00:02:38,989

been brought back up to the surface

22

00:02:44,449 --> 00:02:40,830

wondering why I'm going to be in the

23

00:02:51,920 --> 00:02:44,459

shadows oh we're missing height with

24

00:03:03,300 --> 00:02:56,030

[Music]

25

00:03:08,390 --> 00:03:03,310

do you met dr. Leir d trusted you know I

26

00:03:12,350 --> 00:03:10,580

and to follow at the end I just want to

27

00:03:17,150 --> 00:03:12,360

remove not to worry about a piece of

28

00:03:19,430 --> 00:03:17,160

metal float around my body who knows

29

00:03:21,170 --> 00:03:19,440

what it is really tension so I'm doing

30

00:03:21,949 --> 00:03:21,180
