

1
00:00:09,589 --> 00:00:05,570
it has been a dream of mine to actually

2
00:00:14,150 --> 00:00:09,599
accomplish a method of propulsion that

3
00:00:19,099 --> 00:00:14,160
could be made economically feasible to
