

EUGENE 
RODDENBERRY
SON OF GENE
RODDENBERRY
CREATOR OF
STAR TREK

1
00:00:22,520 --> 00:00:20,660
my name is Eugene Roddenberry I am the

2
00:00:23,060 --> 00:00:22,530
son of Gene Roddenberry creator of Star

3
00:00:26,120 --> 00:00:23,070
Trek

4
00:00:29,810 --> 00:00:26,130
I believe there's life on other planets

5
00:00:33,110 --> 00:00:29,820
I hope that they are are super evolved

6
00:00:36,020 --> 00:00:33,120
and highly intelligent and and have

7
00:00:37,459 --> 00:00:36,030
chosen I would like to thank Chosen not

8
00:00:38,950 --> 00:00:37,469
to interfere because they're letting us

9
00:00:41,810 --> 00:00:38,960
sort of evolve and make our own mistakes

10
00:00:44,509 --> 00:00:41,820
although I've heard other stories from

11
00:00:46,009 --> 00:00:44,519
people that they have involved

12
00:00:49,040 --> 00:00:46,019
themselves but that's another discussion

13
00:00:50,750 --> 00:00:49,050

I don't have any fears about it like so

14

00:00:52,520 --> 00:00:50,760

many people will be like oh I shouldn't

15

00:00:54,649 --> 00:00:52,530

say anything because that UFO thing its

16

00:00:58,009 --> 00:00:54,659

it's shrouded in all this sort of like

17

00:00:59,329 --> 00:00:58,019

all these crazy people talk about it for

18

00:01:00,829 --> 00:00:59,339

me it's very scientific and matter a

19

00:01:02,989 --> 00:01:00,839

matter of fact with all the different

20

00:01:04,430 --> 00:01:02,999

sightings out there if one is true then

21

00:01:06,800 --> 00:01:04,440

yeah and there's and at least one of

22

00:01:07,789 --> 00:01:06,810

them's got to be true to a degree you

23

00:01:10,030 --> 00:01:07,799

know with all the billions of planets

24

00:01:13,399 --> 00:01:10,040

with all the billion chances for life

25

00:01:18,590 --> 00:01:13,409

there's got to be life out there I think

26

00:01:20,149 --> 00:01:18,600

it's stupid to to think there's not if

27

00:01:20,539 --> 00:01:20,159

you could ask an alien one thing what

28

00:01:25,340 --> 00:01:20,549

would it be

29

00:01:29,300 --> 00:01:27,140

how did they get to where they are today

30

00:01:32,570 --> 00:01:29,310

assuming there are more advanced species

31

00:01:34,490 --> 00:01:32,580

and because it would give me hope that

32

00:01:38,899 --> 00:01:34,500

maybe we can get to that point one day -

33

00:01:41,030 --> 00:01:38,909

did your father ever see a UFO - the

34

00:01:43,310 --> 00:01:41,040

best my a lot knowledge no to the best

35

00:01:45,529 --> 00:01:43,320

of my knowledge I do not know actually

36

00:01:48,590 --> 00:01:45,539

to be completely honest I'm I'm totally

37

00:01:50,870 --> 00:01:48,600

unaware if my father ever knew about any

38

00:01:52,399 --> 00:01:50,880

sort of UFOs or had any interaction and

39

00:01:53,899 --> 00:01:52,409

you've never seen a UFO because I've

40

00:01:55,850 --> 00:01:53,909

never seen enough Oh would you would you

41

00:01:58,730 --> 00:01:55,860

like to if they exist I kid me I want to

42

00:02:02,990 --> 00:01:58,740

fly him on I wouldn't fly it I'd want to

43

00:02:04,999 --> 00:02:03,000

be in more but you know what is UFO I

44

00:02:06,649 --> 00:02:05,009

mean obviously the language unidentified

45

00:02:08,359 --> 00:02:06,659

flying object could mean anything but I

46

00:02:11,660 --> 00:02:08,369

think what we're talking about is a

47

00:02:14,660 --> 00:02:11,670

craft built by another race and other

48

00:02:17,660 --> 00:02:14,670

species from an alien world and that

49

00:02:19,820 --> 00:02:17,670

would be cool to see a highly advanced

50

00:02:22,570 --> 00:02:19,830

intelligence that builds a craft that

51
00:02:25,130 --> 00:02:22,580
can somehow traverse space right yeah

52
00:02:26,270 --> 00:02:25,140
that's not what UFO means but that's

53
00:02:28,550 --> 00:02:26,280
what we're talking right that's what

54
00:02:30,740 --> 00:02:28,560
we're talking about right give anything

55
00:02:33,590 --> 00:02:30,750
that you'd want to say to the audience

56
00:02:35,390 --> 00:02:33,600
right now you know the only thing I

57
00:02:40,940 --> 00:02:35,400
would want to say to the people in this

58
00:02:44,599 --> 00:02:40,950
particular audience is I I I am a

59
00:02:45,830 --> 00:02:44,609
believer that there is some sort of life

60
00:02:48,050 --> 00:02:45,840
out there and my preference is

61
00:02:52,009 --> 00:02:48,060
intelligent life that's evolved beyond

62
00:02:53,960 --> 00:02:52,019
ours and I appreciate everyone who's

63
00:02:58,310 --> 00:02:53,970

been out there kind of trying to find it

64

00:03:00,759 --> 00:02:58,320

who's been digging deep I mostly

65

00:03:06,229 --> 00:03:00,769

appreciate those who have looked at it

66

00:03:09,229 --> 00:03:06,239

in a way that is scientific and rational

67

00:03:11,180 --> 00:03:09,239

and and through deduction and trying to

68

00:03:13,280 --> 00:03:11,190

find evidence and proof it's an uphill

69

00:03:15,410 --> 00:03:13,290

battle I mean I have no doubt whether

70

00:03:17,180 --> 00:03:15,420

whether it's just because the general

71

00:03:19,759 --> 00:03:17,190

public isn't willing to believe or

72

00:03:22,190 --> 00:03:19,769

whether because officials and whatever

73

00:03:25,670 --> 00:03:22,200

programs are closing doors and not

74

00:03:27,559 --> 00:03:25,680

letting you know I but I do appreciate

75

00:03:29,449 --> 00:03:27,569

that there's people out there who are

76
00:03:31,099 --> 00:03:29,459
who keep asking the question and keep

77
00:03:35,150 --> 00:03:31,109
knocking on those doors and keep

78
00:03:37,010 --> 00:03:35,160
discovering things I am excited for you

79
00:03:40,250 --> 00:03:37,020
all to be vindicated

80
00:03:42,530 --> 00:03:40,260
for for us to meet that alien life-form

81
00:03:44,630 --> 00:03:42,540
or whatever it is and for however many

82
00:03:48,710 --> 00:03:44,640
millions of you are out there I see like

83
00:03:52,550 --> 00:03:48,720
see we're not crazy there's life and I I

84
00:03:54,530 --> 00:03:52,560
I don't know if I believe that'll happen

85
00:03:56,390 --> 00:03:54,540
or I just want it to happen it's both I

86
00:04:00,350 --> 00:03:56,400
believe it will happen and I want it to

87
00:04:02,010 --> 00:04:00,360
happen cuz I am a believer to that there

88
00:04:03,690 --> 00:04:02,020

is

89

00:04:08,100 --> 00:04:03,700

there's there's got to be something
