

LAZAR

COSMIC WHISTLEBLOWER

by Jeremy Kenyon Lockyer Corbell

Jeremy Corbell

1
00:00:09,950 --> 00:00:07,630

[Music]

2
00:00:11,690 --> 00:00:09,960

this week we've heard the contention of

3
00:00:13,760 --> 00:00:11,700

UFO researchers that there's a secret

4
00:00:15,440 --> 00:00:13,770

government within our government while

5
00:00:17,420 --> 00:00:15,450

that may be hard to believe coming from

6
00:00:19,310 --> 00:00:17,430

the UFO perspective we've certainly

7
00:00:21,740 --> 00:00:19,320

learned in Watergate and the iran-contra

8
00:00:23,990 --> 00:00:21,750

scandal that factions within our

9
00:00:26,300 --> 00:00:24,000

government can and do pursue pursue

10
00:00:28,400 --> 00:00:26,310

their own hidden agendas outside of the

11
00:00:30,710 --> 00:00:28,410

law outside the control of Congress or

12
00:00:32,689 --> 00:00:30,720

the Knology of the American people this

13
00:00:34,340 --> 00:00:32,699

is exactly the type of operation we'll

14

00:00:36,110 --> 00:00:34,350

hear about tonight it's a chilling

15

00:00:39,739 --> 00:00:36,120

scenario with worldwide implications

16

00:00:42,259 --> 00:00:39,749

that may have its roots right here area

17

00:00:44,389 --> 00:00:42,269

51 that mysterious corner of the Nevada

18

00:00:46,549 --> 00:00:44,399

Test Site is no longer much of a secret

19

00:00:49,040 --> 00:00:46,559

the fact that secretive things go on

20

00:00:51,200 --> 00:00:49,050

here is a given even to the Soviets who

21

00:00:53,719 --> 00:00:51,210

make daily spy flights over the facility

22

00:00:56,299 --> 00:00:53,729

to take a peek at what's going on these

23

00:00:58,399 --> 00:00:56,309

photos never before shown in public are

24

00:00:59,629 --> 00:00:58,409

about as close as anyone will ever come

25

00:01:01,969 --> 00:00:59,639

to seeing what the place looks like

26

00:01:04,579 --> 00:01:01,979

again the dry bed of groom Lake

27

00:01:06,469 --> 00:01:04,589

corrugated metal buildings a three mile

28

00:01:08,510 --> 00:01:06,479

long runway and some highly

29

00:01:10,340 --> 00:01:08,520

sophisticated radar and detection

30

00:01:11,480 --> 00:01:10,350

equipment it's been known by many names

31

00:01:14,060 --> 00:01:11,490

over the years

32

00:01:16,399 --> 00:01:14,070

dreamland the ranch the skunk works if

33

00:01:18,620 --> 00:01:16,409

ever there was a place to test a secret

34

00:01:20,330 --> 00:01:18,630

new technology this is it and that's

35

00:01:22,700 --> 00:01:20,340

exactly what's been done here for

36

00:01:25,429 --> 00:01:22,710

decades 51 is where stealth technology

37

00:01:27,889 --> 00:01:25,439

was nurtured where star wars devices are

38

00:01:30,050 --> 00:01:27,899

still tested and were all manner of CIA

39

00:01:32,300 --> 00:01:30,060

monkey business has been plotted and

40

00:01:34,459 --> 00:01:32,310

refined it's the perfect place for

41

00:01:37,039 --> 00:01:34,469

secret things but of course that's no

42

00:01:39,230 --> 00:01:37,049

secret 51 is ringed by the forbidden

43

00:01:41,660 --> 00:01:39,240

vastness of the Nevada Test Site by the

44

00:01:44,270 --> 00:01:41,670

looming groom mountains and by sparsely

45

00:01:46,520 --> 00:01:44,280

populated desert expanses speculation

46

00:01:49,010 --> 00:01:46,530

was heightened in 1984 when the Air

47

00:01:51,169 --> 00:01:49,020

Force seized nearly 90,000 acres around

48

00:01:52,910 --> 00:01:51,179

groom Lake the action was by most

49

00:01:55,550 --> 00:01:52,920

accounts illegal during congressional

50

00:01:57,410 --> 00:01:55,560

hearings about the land grab Congressman

51
00:01:59,539 --> 00:01:57,420
John Seiberling grilled the military

52
00:02:01,639 --> 00:01:59,549
about the legal authority used in the

53
00:02:03,410 --> 00:02:01,649
action and was told the authority was at

54
00:02:05,929 --> 00:02:03,420
a much much higher level than the Air

55
00:02:07,309 --> 00:02:05,939
Force Seiberling asked what authority is

56
00:02:09,469 --> 00:02:07,319
higher than the laws of the United

57
00:02:11,330 --> 00:02:09,479
States the Air Force official said he

58
00:02:13,940 --> 00:02:11,340
could respond but only in a closed

59
00:02:15,920 --> 00:02:13,950
briefing in 1987 when the air flow

60
00:02:18,290 --> 00:02:15,930
sought to renew its stranglehold on the

61
00:02:19,729 --> 00:02:18,300
groom range news articles once again

62
00:02:22,009 --> 00:02:19,739
mentioned the talk about alien

63
00:02:23,900 --> 00:02:22,019

spacecraft and subsequent articles in

64

00:02:26,690 --> 00:02:23,910

national magazines quoted unnamed

65

00:02:28,820 --> 00:02:26,700

sources about things of alien origin

66

00:02:31,009 --> 00:02:28,830

flying in Nevada things that would make

67

00:02:33,410 --> 00:02:31,019

filmmaker George Lucas drool

68

00:02:35,839 --> 00:02:33,420

despite the speculation no one who knew

69

00:02:38,360 --> 00:02:35,849

area 51 from the inside ever talked

70

00:02:42,740 --> 00:02:38,370

publicly about the saucer stories well

71

00:02:45,500 --> 00:02:42,750

there's several uh actually nine flying

72

00:02:47,900 --> 00:02:45,510

saucers flying discs that are out there

73

00:02:49,970 --> 00:02:47,910

of extraterrestrial origin the live

74

00:02:52,009 --> 00:02:49,980

interview with the shadowy dentist drew

75

00:02:54,410 --> 00:02:52,019

international attention portions were

76

00:02:56,630 --> 00:02:54,420

broadcast by radio and six European

77

00:03:03,830 --> 00:02:56,640

countries and in a nationally televised

78

00:03:06,229 --> 00:03:03,840

TV special in Japan actually nine flying

79

00:03:08,420 --> 00:03:06,239

saucers flying tests despite numerous

80

00:03:10,850 --> 00:03:08,430

inquiries and feelers dennis has

81

00:03:13,280 --> 00:03:10,860

remained anonymous until now his real

82

00:03:15,350 --> 00:03:13,290

name is Robert Lazar a young scientist

83

00:03:17,509 --> 00:03:15,360

with eclectic interests the choice of

84

00:03:19,250 --> 00:03:17,519

Dennis was an inside joke he says that's

85

00:03:21,710 --> 00:03:19,260

the name of his superior at Groom Lake

86

00:03:23,120 --> 00:03:21,720

it wasn't a joke to Dennis he called

87

00:03:25,910 --> 00:03:23,130

right after he said you have an idea

88

00:03:26,690 --> 00:03:25,920

what we're gonna do to you I said no he

89

00:03:28,910 --> 00:03:26,700

hung up the phone

90

00:03:30,979 --> 00:03:28,920

Lazare story is by any standards

91

00:03:32,960 --> 00:03:30,989

fantastic he says he's telling it in

92

00:03:35,420 --> 00:03:32,970

order to protect himself he says he was

93

00:03:37,879 --> 00:03:35,430

hired to work at an area called s4 which

94

00:03:40,460 --> 00:03:37,889

is a few miles south of groom lake at s4

95

00:03:42,800 --> 00:03:40,470

he says are flying saucers antimatter

96

00:03:44,780 --> 00:03:42,810

reactors and other working examples of

97

00:03:47,120 --> 00:03:44,790

technology that is seemingly beyond

98

00:03:48,620 --> 00:03:47,130

human capabilities right this this came

99

00:03:50,180 --> 00:03:48,630

from somewhere else I mean as bizarre as

100

00:03:52,400 --> 00:03:50,190

that is to believe but I mean it's there

101
00:03:55,940 --> 00:03:52,410
I saw it I know what the current state

102
00:03:58,220 --> 00:03:55,950
of the art is and in in physics and it's

103
00:03:59,930 --> 00:03:58,230
it can't be done checking out lazarre's

104
00:04:01,640 --> 00:03:59,940
credentials proved to be a difficult

105
00:04:03,740 --> 00:04:01,650
task he says he earned degrees in

106
00:04:05,750 --> 00:04:03,750
physics and electronics but the schools

107
00:04:07,220 --> 00:04:05,760
we contacted say they've never heard of

108
00:04:09,379 --> 00:04:07,230
him he also said he worked as a

109
00:04:11,360 --> 00:04:09,389
physicist at Los Alamos National Lab

110
00:04:12,740 --> 00:04:11,370
where he experimented with one of the

111
00:04:15,289 --> 00:04:12,750
world's largest particle beam

112
00:04:18,170 --> 00:04:15,299
accelerators a half mile long behemoth

113
00:04:20,360 --> 00:04:18,180

capable of generating 700 million volts

114

00:04:22,520 --> 00:04:20,370

Los Alamos officials told us they had no

115

00:04:24,680 --> 00:04:22,530

records of her Robert Lazar ever working

116

00:04:27,379 --> 00:04:24,690

there they were either mistaken or were

117

00:04:29,779 --> 00:04:27,389

lying a 1982 phone book from the

118

00:04:32,570 --> 00:04:29,789

lists Lazar right there among the other

119

00:04:34,580 --> 00:04:32,580

scientists and technicians a 1982

120

00:04:36,860 --> 00:04:34,590

clipping from the Los Alamos newspaper

121

00:04:39,260 --> 00:04:36,870

profiled Lazar and his interest in jet

122

00:04:41,330 --> 00:04:39,270

cars - mentioned his employment at the

123

00:04:43,730 --> 00:04:41,340

lab as a physicist we called those

124

00:04:46,070 --> 00:04:43,740

Alamos again an exasperated official

125

00:04:49,100 --> 00:04:46,080

told us he still had no records on Lazar

126
00:04:51,830 --> 00:04:49,110
EG&G which is where Lazar says he was

127
00:04:54,170 --> 00:04:51,840
interviewed for the job at s4 also has

128
00:04:55,760 --> 00:04:54,180
no records it's as if someone has made

129
00:04:58,990 --> 00:04:55,770
him disappear or they're trying to make

130
00:05:01,820 --> 00:04:59,000
me a non-person explain you called where

131
00:05:06,969 --> 00:05:01,830
well the schools that I went to the

132
00:05:08,869 --> 00:05:06,979
hospital that was born it passed job and

133
00:05:09,469 --> 00:05:08,879
essentially nothing comes up with my

134
00:05:11,689 --> 00:05:09,479
name in it

135
00:05:13,610 --> 00:05:11,699
he smiles but out of futility knowing

136
00:05:17,529 --> 00:05:13,620
the whole thing must sound ridiculous I

137
00:05:24,860 --> 00:05:21,740
security matter some of it sure but just

138
00:05:29,659 --> 00:05:24,870

the concept that there's definite proof

139

00:05:32,930 --> 00:05:29,669

and we even have articles from another

140

00:05:35,059 --> 00:05:32,940

world another system you just can't not

141

00:06:16,790 --> 00:05:35,069

tell everyone work now Eyewitness News

142

00:06:16,800 --> 00:06:31,750

are you Robert Scott the Tsar yes

143

00:06:54,640 --> 00:06:37,400

[Music]

144

00:07:01,400 --> 00:06:57,980

about whether you have lied about flying

145

00:07:04,390 --> 00:07:01,410

saucers or antimatter control do you

146

00:07:10,220 --> 00:07:04,400

intend to answer my questions truthfully

147

00:07:13,430 --> 00:07:10,230

yes did you knowingly lie when you said

148

00:07:18,560 --> 00:07:13,440

that you had actually seen anti-gravity

149

00:07:21,320 --> 00:07:18,570

propulsion in operation did you

150

00:07:28,310 --> 00:07:21,330

knowingly lie when you said you had seen

151
00:07:31,250 --> 00:07:28,320
an antimatter reactor did you knowingly

152
00:07:53,970 --> 00:07:31,260
lie when you said that you actually saw

153
00:07:53,980 --> 00:08:06,990
[Music]

154
00:08:11,190 --> 00:08:09,030
this is a hard part of the story for

155
00:08:13,530 --> 00:08:11,200
people understand it said they they they

156
00:08:15,840 --> 00:08:13,540
don't really get a sense of what it was

157
00:08:17,520 --> 00:08:15,850
like because really literally you had to

158
00:08:19,830 --> 00:08:17,530
be there for some of this I lived

159
00:08:21,990 --> 00:08:19,840
through it I know what it was like what

160
00:08:23,880 --> 00:08:22,000
bob was going through at that time they

161
00:08:25,380 --> 00:08:23,890
were breaking into his house and playing

162
00:08:27,390 --> 00:08:25,390
mind games you know they'd leave the

163
00:08:29,910 --> 00:08:27,400

doors open they'd leave drawers open

164

00:08:32,310 --> 00:08:29,920

nothing's taken and right things on his

165

00:08:34,950 --> 00:08:32,320

blackboard or erase things move things

166

00:08:37,230 --> 00:08:34,960

around he goes to the gym with us with

167

00:08:39,690 --> 00:08:37,240

his buddy and he's kind of scared so

168

00:08:41,550 --> 00:08:39,700

he's got an Uzi in his car he comes out

169

00:08:43,620 --> 00:08:41,560

an hour later after working out the

170

00:08:46,590 --> 00:08:43,630

doors to the car open the windows are

171

00:08:48,420 --> 00:08:46,600

down the glove box is open and the Uzi

172

00:08:50,040 --> 00:08:48,430

is laying there on the front seat it

173

00:08:51,510 --> 00:08:50,050

wasn't a burglary that was somebody

174

00:08:55,490 --> 00:08:51,520

messing with him that stuff really

175

00:08:57,110 --> 00:08:55,500

happened it's both frightening and

176
00:09:02,730 --> 00:08:57,120
infuriating

177
00:09:07,470 --> 00:09:02,740
do you on a deeper level trust Bob story

178
00:09:10,110 --> 00:09:07,480
now than before what you take away from

179
00:09:13,530 --> 00:09:10,120
it 25 years later after sitting down

180
00:09:16,200 --> 00:09:13,540
with Bob and hearing him tell this story

181
00:09:18,480 --> 00:09:16,210
with the same details he's not adding

182
00:09:20,130 --> 00:09:18,490
any stuff to it doesn't have to worry

183
00:09:21,810 --> 00:09:20,140
about remembering the truth because he

184
00:09:24,240 --> 00:09:21,820
remembers the same version the same

185
00:09:26,400 --> 00:09:24,250
story the same way same details and he's

186
00:09:30,060 --> 00:09:26,410
telling things that actually happened to

187
00:09:32,520 --> 00:09:30,070
him I tend to it it carries a lot of

188
00:09:35,850 --> 00:09:32,530

weight with me I had 25 years later

189

00:09:39,150 --> 00:09:35,860

still telling the same story reluctantly

190

00:09:41,940 --> 00:09:39,160

by the way this is a reluctant UFO

191

00:09:43,860 --> 00:09:41,950

Messiah the only reason he came out to

192

00:09:46,530 --> 00:09:43,870

talk to us again is cuz I bugged him

193

00:09:49,050 --> 00:09:46,540

about it relentlessly come on Bob when

194

00:09:51,960 --> 00:09:49,060

you coming out are we there yet kind of

195

00:09:53,970 --> 00:09:51,970

a and he finally relented and came out

196

00:09:56,520 --> 00:09:53,980

but he wasn't happy about it

197

00:09:58,410 --> 00:09:56,530

nothing good comes from the UFO field

198

00:10:01,440 --> 00:09:58,420

for him it does nothing but cause him

199

00:10:03,500 --> 00:10:01,450

trouble if he had to do it over again I

200

00:10:06,510 --> 00:10:03,510

suspect he wouldn't do it

201
00:10:08,370 --> 00:10:06,520
because he changed his life and there

202
00:10:09,960 --> 00:10:08,380
was a part of him as he said in our most

203
00:10:11,310 --> 00:10:09,970
recent conversation there's a part of

204
00:10:12,690 --> 00:10:11,320
them that would really like to still be

205
00:10:15,300 --> 00:10:12,700
working on that stuff I mean it was

206
00:10:17,940 --> 00:10:15,310
really amazing technology the most

207
00:10:20,370 --> 00:10:17,950
amazing technology he's ever seen I

208
00:10:24,570 --> 00:10:20,380
think I believe the story more

209
00:10:27,210 --> 00:10:24,580
than it did before the idea that bob was

210
00:10:29,910 --> 00:10:27,220
a disinformation agent or part of a

211
00:10:33,300 --> 00:10:29,920
program to mislead the public is wrong

212
00:10:34,980 --> 00:10:33,310
he's not and I can say that or knowing

213
00:10:36,930 --> 00:10:34,990

the guy for a quarter of a century the

214

00:10:39,330 --> 00:10:36,940

story he told then is the story he tells

215

00:10:41,610 --> 00:10:39,340

now he didn't add to it he's not making

216

00:10:44,160 --> 00:10:41,620

it more elaborate he's not remembering

217

00:10:53,070 --> 00:10:44,170

new parts of it it's the same story it's

218

00:11:00,189 --> 00:10:55,120

[Music]

219

00:11:04,480 --> 00:11:00,199

okay go ahead you got involved with this

220

00:11:08,710 --> 00:11:04,490

program I had sent resumes to several

221

00:11:12,550 --> 00:11:08,720

national labs around the country I got a

222

00:11:15,100 --> 00:11:12,560

response to McCullough they said we

223

00:11:17,860 --> 00:11:15,110

might have something in the near future

224

00:11:19,600 --> 00:11:17,870

you would be very interested in you know

225

00:11:21,220 --> 00:11:19,610

you say you work on little projects I

226

00:11:23,769 --> 00:11:21,230

said yeah I have a particle accelerator

227

00:11:26,290 --> 00:11:23,779

in my master bedroom and and things of

228

00:11:28,800 --> 00:11:26,300

that sort and some time went by and they

229

00:11:31,329 --> 00:11:28,810

called me back in they said there was a

230

00:11:34,420 --> 00:11:31,339

senior staff physicist that was leaving

231

00:11:40,450 --> 00:11:34,430

this organization they basically

232

00:11:45,010 --> 00:11:42,430

okay you you're there on the first day

233

00:11:47,200 --> 00:11:45,020

what happens on the first day first day

234

00:11:49,120 --> 00:11:47,210

was mine I read close to the free 120

235

00:11:54,160 --> 00:11:49,130

one of these things right now Lincoln

236

00:11:56,530 --> 00:11:54,170

read what did they say here's some

237

00:11:59,560 --> 00:11:56,540

reaction it produces a gravity field

238

00:12:00,910 --> 00:11:59,570

that's not completely understood one of

239

00:12:02,620 --> 00:12:00,920

the things that they were teaching it

240

00:12:06,699 --> 00:12:02,630

was the physics they can't call this

241

00:12:08,590 --> 00:12:06,709

together to create fields and power such

242

00:12:13,570 --> 00:12:08,600

as these discs required to do what they

243

00:12:16,030 --> 00:12:13,580

do to lift off the ground without a body

244

00:12:19,120 --> 00:12:16,040

of own propulsion system requires it's a

245

00:12:21,850 --> 00:12:19,130

tremendous of my energy how does that

246

00:12:25,840 --> 00:12:21,860

work I mean how does that feel become

247

00:12:31,300 --> 00:12:25,850

useful it's the most potent energy

248

00:12:37,860 --> 00:12:31,310

source that there can be just as a rough

249

00:12:40,870 --> 00:12:37,870

estimate a kilogram of antimatter is

250

00:12:41,769 --> 00:12:40,880

people on interview 247 10 Megaton

251
00:12:43,750 --> 00:12:41,779
hydrogen bombs

252
00:12:47,920 --> 00:12:43,760
it's an extremely potent energy sources

253
00:12:50,260 --> 00:12:47,930
direct conversion of matter to energy

254
00:12:52,960 --> 00:12:50,270
if you want to tell the full story of

255
00:12:54,730 --> 00:12:52,970
John Lear you have to cover the story of

256
00:12:56,410 --> 00:12:54,740
Bob Lazar and the only way to do that is

257
00:12:58,300 --> 00:12:56,420
I talked about I don't know if it'll

258
00:13:01,000 --> 00:12:58,310
talk to you or not but you need to try

259
00:13:03,490 --> 00:13:01,010
well it was it's all gonna be

260
00:13:05,560 --> 00:13:03,500
circumstance for you is the moment that

261
00:13:07,690 --> 00:13:05,570
you approach him the mood that he's in

262
00:13:10,450 --> 00:13:07,700
what else is going on in his life at the

263
00:13:12,160 --> 00:13:10,460

time you might hit the jackpot and get

264

00:13:14,230 --> 00:13:12,170

him in exactly the right time and the

265

00:13:16,240 --> 00:13:14,240

the universe is aligned and he's willing

266

00:13:19,180 --> 00:13:16,250

to talk about it but you'd have to be

267

00:13:21,190 --> 00:13:19,190

awfully lucky because in general Bob

268

00:13:23,200 --> 00:13:21,200

doesn't like to talk about I think he's

269

00:13:26,380 --> 00:13:23,210

very happy in his life he's happy to

270

00:13:28,840 --> 00:13:26,390

have left the UFO stuff behind he misses

271

00:13:31,930 --> 00:13:28,850

his friends he misses John Lear he

272

00:13:34,630 --> 00:13:31,940

misses Jeanne huff maybe even me some

273

00:13:36,580 --> 00:13:34,640

extent but he doesn't miss the UFO topic

274

00:13:38,800 --> 00:13:36,590

and he doesn't miss talking about it

275

00:13:42,520 --> 00:13:38,810

because ultimately it's disturbing these

276

00:13:45,070 --> 00:13:42,530

are disturbing issues they go to the

277

00:13:47,890 --> 00:13:45,080

heart of who we are as people as human

278

00:13:51,010 --> 00:13:47,900

beings the nature of reality itself is

279

00:13:53,440 --> 00:13:51,020

this a computer simulation are we all

280

00:13:56,980 --> 00:13:53,450

the product of an alien videogame or

281

00:13:58,890 --> 00:13:56,990

some multi-dimensional movie drive-in

282

00:14:02,950 --> 00:13:58,900

movie theater production or something

283

00:14:05,320 --> 00:14:02,960

big questions disturbing answers and bob

284

00:14:26,710 --> 00:14:05,330

has never been comfortable and talking

285

00:14:33,210 --> 00:14:30,670

you know look you can nitpick anything

286

00:14:35,319 --> 00:14:33,220

you know to the point where you find

287

00:14:37,090 --> 00:14:35,329

inconsistencies and then you can add

288

00:14:38,949 --> 00:14:37,100

those inconsistencies up and say you

289

00:14:40,809 --> 00:14:38,959

know what this can't be true but the

290

00:14:44,170 --> 00:14:40,819

thing is you can do that with factual

291

00:14:46,480 --> 00:14:44,180

events and this was the vacuole then

292

00:14:48,220 --> 00:14:46,490

where I mean where the project is now

293

00:14:52,809 --> 00:14:48,230

where the parts are now you know this is

294

00:14:55,929 --> 00:14:52,819

all twenty years ago so I know there are

295

00:14:58,660 --> 00:14:55,939

alien craft here from another planet I

296

00:15:01,210 --> 00:14:58,670

know I saw other ones but I was inside

297

00:15:03,189 --> 00:15:01,220

one I know was not made on earth I know

298

00:15:06,220 --> 00:15:03,199

it was made with materials that we

299

00:15:08,350 --> 00:15:06,230

cannot fabricate we cannot duplicate and

300

00:15:10,869 --> 00:15:08,360

we've never been able to I know it uses

301
00:15:13,240 --> 00:15:10,879
a power source that's so advanced that

302
00:15:15,490 --> 00:15:13,250
we could only dream of something along

303
00:15:18,579 --> 00:15:15,500
those lines and the energy density on it

304
00:15:23,740 --> 00:15:18,589
is phenomenal it's nothing that I would

305
00:15:25,360 --> 00:15:23,750
ever expect to see I know that you know

306
00:15:28,509 --> 00:15:25,370
this is done in the highest levels of

307
00:15:30,550 --> 00:15:28,519
security and you know that they use all

308
00:15:35,619 --> 00:15:30,560
kinds of methods to keep it quiet from

309
00:15:38,439 --> 00:15:35,629
disinformation I mean some exotic ways

310
00:15:40,569 --> 00:15:38,449
of just hiding things like I said the

311
00:15:43,840 --> 00:15:40,579
installation itself was buried in the

312
00:15:45,879 --> 00:15:43,850
side of a mountain and you know I also

313
00:15:47,860 --> 00:15:45,889

know that there's lots of nonsense

314

00:15:52,119 --> 00:15:47,870

information that has gone around and

315

00:15:54,639 --> 00:15:52,129

whether it was started by the Navy or

316

00:15:58,230 --> 00:15:54,649

military or whoever's at the absolute

317

00:16:01,780 --> 00:15:58,240

bottom you know of the project and I

318

00:16:04,360 --> 00:16:01,790

truly suspect that be the case because

319

00:16:06,910 --> 00:16:04,370

what disinformation is the most powerful

320

00:16:08,679 --> 00:16:06,920

you know way to distort facts you just

321

00:16:11,590 --> 00:16:08,689

throw a bunch of useless stuff out there

322

00:16:13,629 --> 00:16:11,600

and you know they just take the real

323

00:16:14,949 --> 00:16:13,639

facts along with the nonsense and bundle

324

00:16:17,530 --> 00:16:14,959

it together and say well this is just

325

00:16:20,679 --> 00:16:17,540

impossible and you know there your

326

00:16:24,400 --> 00:16:20,689

security is maintained but I also know

327

00:16:27,040 --> 00:16:24,410

that at some point they've examined or

328

00:16:30,569 --> 00:16:27,050

had bodies of alien creatures somewhere

329

00:16:33,110 --> 00:16:30,579

so I know that stuff for a fact and

330

00:16:37,639 --> 00:16:33,120

that's the bottom line

331

00:16:40,850 --> 00:16:37,649

well I am telling the truth I've tried

332

00:16:42,619 --> 00:16:40,860

to prove that what's going on up there

333

00:16:46,309 --> 00:16:42,629

could be the most important event in

334

00:16:49,910 --> 00:16:46,319

history you're talking about contact

335

00:16:51,949 --> 00:16:49,920

physical physical contact and proof from

336

00:16:54,679 --> 00:16:51,959

another another system another planet

337

00:16:57,049 --> 00:16:54,689

and other intelligence that's got to be

338

00:17:02,110 --> 00:16:57,059

the biggest event in history period and

339

00:17:18,010 --> 00:17:08,520

[Music]

340

00:17:20,530 --> 00:17:18,020

Lazare says he has no intention of going

341

00:17:22,270 --> 00:17:20,540

on in a UFO lecture circuit he's not

342

00:17:24,159 --> 00:17:22,280

looking to do any additional interviews

343

00:17:25,809 --> 00:17:24,169

in fact he wasn't too crazy about doing

344

00:17:27,970 --> 00:17:25,819

this one he did it after certain

345

00:17:29,740 --> 00:17:27,980

unfavorable things started happening in

346

00:17:31,480 --> 00:17:29,750

his life and he did it because he feels

347

00:17:33,700 --> 00:17:31,490

that whoever is running the show up at

348

00:17:35,950 --> 00:17:33,710

s4 is perpetrating a fraud on the

349

00:17:43,419 --> 00:17:35,960

American people and on the scientific

350

00:17:45,940 --> 00:17:43,429

community you believe his story don't

351

00:17:47,380 --> 00:17:45,950

you yeah yeah I've got to know him

352

00:17:49,240 --> 00:17:47,390

pretty well over the last couple of

353

00:17:54,480 --> 00:17:49,250

months and I believe he's telling the
