ALIEN IMPLANTS
NOT OF THIS WORLD?

1
00:00:04,360 --> 00:00:12,580

[Music]

2
00:00:18,560 --> 00:00:14,509

good evening everyone

3
00:00:20,960 --> 00:00:18,570

this is coast to coast am we have sad

4
00:00:23,240 --> 00:00:20,970

news to report tonight prominent UFO

5
00:00:26,570 --> 00:00:23,250

researcher dr. Roger Leir has passed

6
00:00:28,400 --> 00:00:26,580

away due to a heart attack dr. Leir was

7
00:00:30,500 --> 00:00:28,410

a pioneer in the investigation for

8
00:00:47,140 --> 00:00:30,510

physical evidence of extraterrestrial

9
00:00:53,560 --> 00:00:49,900

while dr. Leir worked hard in pursuit of

10
00:00:57,510 --> 00:00:53,570

the truth and he he was striving to

11
00:00:59,700 --> 00:00:57,520

bring slants to the UFO community and

12
00:01:03,640 --> 00:00:59,710

bring the scientific method to

13
00:01:04,930 --> 00:01:03,650

investigate UFO sightings and he was

14

00:01:08,020 --> 00:01:04,940

particularly interested in hard evidence

15

00:01:10,510 --> 00:01:08,030

of UFO sightings and abductions and

16

00:01:13,090 --> 00:01:10,520

that's why he got into the implant field

17

00:01:14,590 --> 00:01:13,100

because that's one of the only which we

18

00:01:17,440 --> 00:01:14,600

can get hard evidence that people visit

19

00:01:20,290 --> 00:01:17,450

by visited by aliens of these devices

20

00:01:25,480 --> 00:01:20,300

left behind in their bodies do you still

21

00:01:29,820 --> 00:01:28,500

[Music]

22

00:01:32,330 --> 00:01:29,830

we have reason to believe there's a

23

00:01:35,010 --> 00:01:32,340

complex web of communication between

24

00:01:37,140 --> 00:01:35,020

aliens and some supercomputer someplace

25

00:01:37,770 --> 00:01:37,150

and advocates are also plugged into this

26

00:01:40,260 --> 00:01:37,780

system

27

00:01:42,240 --> 00:01:40,270

it's a biggest story of the 20th and

28

00:01:45,240 --> 00:01:42,250

21st centuries as the the biggest story
