ONGOING

JEREMY KENYON LOCKYER CORBELL

1  
00:00:08,709 --> 00:00:04,690

[Music]

2  
00:00:11,299 --> 00:00:08,719

Jeremy Canyon Lockyer Korbelt thank you

3  
00:00:12,589 --> 00:00:11,309

alright thanks you have so many names I

4  
00:00:15,799 --> 00:00:12,599

didn't know which ones I could skip in

5  
00:00:20,029 --> 00:00:15,809

which ones I had to hit my friends and

6  
00:00:21,679 --> 00:00:20,039

enemies call me for name see you last

7  
00:00:25,310 --> 00:00:21,689

time we had you on you were kind of just

8  
00:00:26,720 --> 00:00:25,320

talking about moving out into teachers

9  
00:00:28,370 --> 00:00:26,730

move out to the what part of the desert

10  
00:00:30,679 --> 00:00:28,380

you're over in yeah pioneer town

11  
00:00:32,930 --> 00:00:30,689

California yeah so deep Mojave up in the

12  
00:00:35,090 --> 00:00:32,940

mountains pretty secluded yeah super

13  
00:00:36,799 --> 00:00:35,100

cool and then also you were working on

14

00:00:38,180 --> 00:00:36,809

all of your artwork which we can talk

15

00:00:40,360 --> 00:00:38,190

about here in just a bit and you it I

16

00:00:43,700 --> 00:00:40,370

think we're already kind of getting into

17

00:00:46,340 --> 00:00:43,710

the citizens hearing on disclosure

18

00:00:48,020 --> 00:00:46,350

hearing on disclosure and also running

19

00:00:50,180 --> 00:00:48,030

extraordinary beliefs calm that's right

20

00:00:51,770 --> 00:00:50,190

yeah but you're coming to us today

21

00:00:52,369 --> 00:00:51,780

because you have a new movie coming out

22

00:00:54,830 --> 00:00:52,379

I do

23

00:00:56,150 --> 00:00:54,840

it's exciting about yeah it's been so

24

00:00:58,670 --> 00:00:56,160

long tell us everything that's been

25

00:01:00,920 --> 00:00:58,680

going on cuz it's not just this it's

26

00:01:04,130 --> 00:01:00,930

also like you've got skinwalker ranch

27

00:01:08,080 --> 00:01:04,140

stuff coming up you did an art art

28

00:01:09,380 --> 00:01:08,090

display tied into Charles Manson and

29

00:01:11,210 --> 00:01:09,390

Ashanti

30

00:01:12,859 --> 00:01:11,220

thank you Sharon Tate I mean less

31

00:01:14,420 --> 00:01:12,869

Charles Manson more celebrating Sharon

32

00:01:16,850 --> 00:01:14,430

Tate way more yeah that's how are you

33

00:01:19,310 --> 00:01:16,860

connected to so tell me what's what's up

34

00:01:20,570 --> 00:01:19,320

yeah so I just been since I saw you last

35

00:01:22,550 --> 00:01:20,580

I've just been working hard

36

00:01:23,780 --> 00:01:22,560

extraordinary beliefs is the you know

37

00:01:25,850 --> 00:01:23,790

banner that I work under and I do

38

00:01:28,670 --> 00:01:25,860

investigations into things they're

39

00:01:30,080 --> 00:01:28,680

extraordinary people that are ordinary

40

00:01:31,940 --> 00:01:30,090

they have extraordinary beliefs I try to

41

00:01:33,830 --> 00:01:31,950

find people that are credible and have

42

00:01:35,780 --> 00:01:33,840

some sort of you know thing that I can

43

00:01:38,420 --> 00:01:35,790

prove and so this has been my work over

44

00:01:40,609 --> 00:01:38,430

I mean the last 10 years but since we've

45

00:01:42,469 --> 00:01:40,619

talked so a lot of those stories have

46

00:01:44,990 --> 00:01:42,479

broke for me so everything from

47

00:01:46,999 --> 00:01:45,000

filmmaking to putting on my first major

48

00:01:50,030 --> 00:01:47,009

released movie a mass release movie

49

00:01:53,090 --> 00:01:50,040

which is patient 17 yeah it's been

50

00:01:55,100 --> 00:01:53,100

[h\_\_\h] wild and non-stop and exciting

51

00:01:56,810 --> 00:01:55,110

yeah has there anything that

52

00:02:00,640 --> 00:01:56,820

and that's really shock to you like

53

00:02:03,710 --> 00:02:00,650

really shaky oh yeah yeah for sure

54

00:02:06,350 --> 00:02:03,720

don't tell us no I mean look all of

55

00:02:07,670 --> 00:02:06,360

these investigations they they tend you

56

00:02:10,370 --> 00:02:07,680

know since I've gotten into them they

57

00:02:13,010 --> 00:02:10,380

tend to evolve in pretty curious ways so

58

00:02:15,050 --> 00:02:13,020

there have been I was recently able to

59

00:02:17,270 --> 00:02:15,060

break a case and it's a military case

60

00:02:19,970 --> 00:02:17,280

and I was able to publicly break that

61

00:02:22,730 --> 00:02:19,980

case about a 2004 event off the coast of

62

00:02:24,650 --> 00:02:22,740

San Diego the USS Nimitz there was a

63

00:02:27,770 --> 00:02:24,660

whole fleet that was going out to battle

64

00:02:31,430 --> 00:02:27,780  
and there was or going out to do

65

00:02:34,699 --> 00:02:31,440  
deployment and there was a series of UFO

66

00:02:36,770 --> 00:02:34,709  
and USO events that are all on the

67

00:02:38,300 --> 00:02:36,780  
record it's something that we don't have

68

00:02:40,010 --> 00:02:38,310  
all the documents on I was tipped off

69

00:02:41,840 --> 00:02:40,020  
before couldn't talk about it for a few

70

00:02:43,460 --> 00:02:41,850  
years but was able to go kind of live

71

00:02:45,290 --> 00:02:43,470  
with it when some of the footage got

72

00:02:48,199 --> 00:02:45,300  
leaked from the FLIR camera from one of

73

00:02:50,570 --> 00:02:48,209  
the fighter jets that went out a tic-tac

74

00:02:52,460 --> 00:02:50,580  
shaped object descending from 80,000

75

00:02:54,650 --> 00:02:52,470  
feet all the way down to 50 feet above

76  
00:02:57,050 --> 00:02:54,660  
the water and docking is the best word

77  
00:02:59,509 --> 00:02:57,060  
to use with some USO unidentified

78  
00:03:02,509 --> 00:02:59,519  
submerged object and our military

79  
00:03:05,199 --> 00:03:02,519  
thought it was a pretty massive threat I

80  
00:03:07,970 --> 00:03:05,209  
mean they they responded as such and

81  
00:03:11,150 --> 00:03:07,980  
documented these objects all the fighter

82  
00:03:14,060 --> 00:03:11,160  
pilots that saw this object the ones in

83  
00:03:16,400 --> 00:03:14,070  
particular that I'm speaking with said

84  
00:03:17,810 --> 00:03:16,410  
that it was otherworldly and we don't

85  
00:03:20,570 --> 00:03:17,820  
have the technologies I mean they tried

86  
00:03:22,340 --> 00:03:20,580  
to lock their planes on to it so they

87  
00:03:24,380 --> 00:03:22,350  
could fire if they needed to and this

88  
00:03:28,550 --> 00:03:24,390

thing actively jammed all of our known

89  
00:03:30,170 --> 00:03:28,560  
top end radar and weapon systems so that

90  
00:03:32,090 --> 00:03:30,180  
was kind of shocking that was kind of

91  
00:03:33,289 --> 00:03:32,100  
cool to be able to be on the frontlines

92  
00:03:34,789 --> 00:03:33,299  
of that because I've been talking to

93  
00:03:36,470 --> 00:03:34,799  
people within the military for years

94  
00:03:38,600 --> 00:03:36,480  
before they don't usually focus on

95  
00:03:41,000 --> 00:03:38,610  
military cases this one kind of landed

96  
00:03:42,620 --> 00:03:41,010  
in my lap but so that was fascinating

97  
00:03:48,380 --> 00:03:42,630  
and then I got to spend time at

98  
00:03:52,190 --> 00:03:48,390  
skinwalker ranch one of the I know only

99  
00:03:53,840 --> 00:03:52,200  
a light surface dusting unsure what most

100  
00:03:56,390 --> 00:03:53,850  
people that that's all they get because

101  
00:03:58,310 --> 00:03:56,400  
it was shrouded in secrecy there is a

102  
00:04:00,050 --> 00:03:58,320  
guy named Robert Bigelow Robert big

103  
00:04:02,000 --> 00:04:00,060  
Louis one of the wealthiest people he

104  
00:04:04,040 --> 00:04:02,010  
owns Bigelow Aerospace right so it works

105  
00:04:05,780 --> 00:04:04,050  
with NASA put inflatables onto the

106  
00:04:07,490 --> 00:04:05,790  
international space station called beam

107  
00:04:09,860 --> 00:04:07,500  
it blows up habitats

108  
00:04:12,410 --> 00:04:09,870  
for Humanity so the guy basically is

109  
00:04:15,320 --> 00:04:12,420  
this really interesting dude made his

110  
00:04:17,090 --> 00:04:15,330  
fortune as a billionaire in budget

111  
00:04:20,569 --> 00:04:17,100  
motels out of Las Vegas Nevada

112  
00:04:22,970 --> 00:04:20,579  
he pretty secretly bought a ranch this

113  
00:04:26,870 --> 00:04:22,980

ranch is known as a paranormal hotspot

114

00:04:28,520 --> 00:04:26,880

there is more before he bought it wasn't

115

00:04:30,710 --> 00:04:28,530

already known as a paranormal the whole

116

00:04:32,600 --> 00:04:30,720

Uintah Basin which is the the ute tribe

117

00:04:35,240 --> 00:04:32,610

that has a sovereign nation there it

118

00:04:37,370 --> 00:04:35,250

goes back to pre Civil War that there

119

00:04:40,700 --> 00:04:37,380

are these accounts of shadow people

120

00:04:42,320 --> 00:04:40,710

beast creatures UFOs mother ships

121

00:04:44,630 --> 00:04:42,330

dimensional portholes I mean it's just

122

00:04:46,790 --> 00:04:44,640

it's not reads like science fiction the

123

00:04:49,250 --> 00:04:46,800

difference is is that when a family

124

00:04:51,500 --> 00:04:49,260

bought that ranch and started to

125

00:04:53,270 --> 00:04:51,510

experience what was going on they went

126  
00:04:54,560 --> 00:04:53,280  
to the Associated Press or actually got

127  
00:04:56,270 --> 00:04:54,570  
picked up by The Associated Press and

128  
00:04:57,890 --> 00:04:56,280  
they're like something's going on we're

129  
00:05:00,080 --> 00:04:57,900  
being run off our land we think it's the

130  
00:05:02,360 --> 00:05:00,090  
government trying to freak us out well

131  
00:05:04,520 --> 00:05:02,370  
it turns out Bigelow bought the ranch

132  
00:05:06,170 --> 00:05:04,530  
and he put seven scientists for seven

133  
00:05:08,960 --> 00:05:06,180  
years we're talking Nobel prize-winning

134  
00:05:10,400 --> 00:05:08,970  
phd-level scientists and they studied

135  
00:05:13,640 --> 00:05:10,410  
this ranch for seven years trying to

136  
00:05:15,440 --> 00:05:13,650  
document these events and they to some

137  
00:05:17,510 --> 00:05:15,450  
degree they were successful but all of

138  
00:05:19,490 --> 00:05:17,520

this was private information well my

139

00:05:22,420 --> 00:05:19,500

mentor George in journalism George Knapp

140

00:05:24,380 --> 00:05:22,430

he is a two-time Peabody award

141

00:05:26,480 --> 00:05:24,390

award-winning 27 Emmy

142

00:05:28,550 --> 00:05:26,490

journalists the guy's a major journalist

143

00:05:30,560 --> 00:05:28,560

and he came out and was able to

144

00:05:31,670 --> 00:05:30,570

basically put little bits out about

145

00:05:33,409 --> 00:05:31,680

skinwalker ranch you couldn't see

146

00:05:35,540 --> 00:05:33,419

everything because Bigelow wanted it

147

00:05:38,690 --> 00:05:35,550

private but he wrote a book called hunt

148

00:05:41,270 --> 00:05:38,700

for the skinwalker and that book details

149

00:05:43,010 --> 00:05:41,280

every event that this group called knids

150

00:05:44,990 --> 00:05:43,020

the National Institute of Discovery

151

00:05:47,000 --> 00:05:45,000

Science owned by Bigelow what they

152

00:05:49,490 --> 00:05:47,010

recorded documented and they were trying

153

00:05:51,890 --> 00:05:49,500

to hunt the phenomenon as they call it

154

00:05:54,710 --> 00:05:51,900

what's the point of Bigelow trying to do

155

00:05:57,250 --> 00:05:54,720

this well okay so at the time it was his

156

00:06:00,020 --> 00:05:57,260

interest in UFOs and so this whole area

157

00:06:01,969 --> 00:06:00,030

allegedly had these UFO encounters and

158

00:06:05,090 --> 00:06:01,979

all this stuff but he quickly learned

159

00:06:08,150 --> 00:06:05,100

that it went far beyond UFOs that the

160

00:06:10,130 --> 00:06:08,160

phenomenon itself is not confined to UFO

161

00:06:11,690 --> 00:06:10,140

activity and having these great

162

00:06:13,670 --> 00:06:11,700

scientists on the ranch and being able

163

00:06:15,260 --> 00:06:13,680

to document it was a huge leap forward

164

00:06:16,670 --> 00:06:15,270

for studying these hot spots because

165

00:06:18,930 --> 00:06:16,680

he'd been talked about for a long time

166

00:06:20,220 --> 00:06:18,940

there are areas with high activity and

167

00:06:21,600 --> 00:06:20,230

I can attest to you just from being

168

00:06:24,180 --> 00:06:21,610

there and speaking with local law

169

00:06:26,070 --> 00:06:24,190

enforcement they take every call and

170

00:06:28,200 --> 00:06:26,080

every case seriously because there have

171

00:06:30,540 --> 00:06:28,210

been repercussions when they haven't so

172

00:06:32,070 --> 00:06:30,550

everybody in the Uintah Basin has a

173

00:06:34,830 --> 00:06:32,080

story they have seen everything from

174

00:06:36,120 --> 00:06:34,840

mother ships to creatures and you have

175

00:06:38,760 --> 00:06:36,130

to take it kind of seriously once you

176

00:06:41,400 --> 00:06:38,770

kind of understand that this is a real

177

00:06:43,650 --> 00:06:41,410

phenomenon people are reporting this so

178

00:06:47,310 --> 00:06:43,660

what is this phenomenon what is it doing

179

00:06:49,710 --> 00:06:47,320

engaging humanity and it is a big

180

00:06:51,540 --> 00:06:49,720

eye-opener if you read this book and no

181

00:06:53,910 --> 00:06:51,550

one has ever been able to film on the

182

00:06:55,350 --> 00:06:53,920

you know Tribal Nation in that area we

183

00:06:57,090 --> 00:06:55,360

were able to because of George Knapp

184

00:06:58,800 --> 00:06:57,100

spoke and the scientists in colum

185

00:07:00,750 --> 00:06:58,810

Kelleher who also wrote the book with

186

00:07:01,980 --> 00:07:00,760

George so he got interviews who got that

187

00:07:04,260 --> 00:07:01,990

footage we're going back

188

00:07:06,930 --> 00:07:04,270

studying the ratchet also just using

189

00:07:08,190 --> 00:07:06,940

journalism as a way to expose at least

190

00:07:09,750 --> 00:07:08,200

the human level at least the

191

00:07:11,730 --> 00:07:09,760

psychological human level that people

192

00:07:14,640 --> 00:07:11,740

are reporting this and they are shaken

193

00:07:17,010 --> 00:07:14,650

up and there is physical evidence you

194

00:07:19,860 --> 00:07:17,020

know Wikipedia mentions like everything

195

00:07:21,780 --> 00:07:19,870

from UFOs to bigfoot-like creatures and

196

00:07:23,820 --> 00:07:21,790

poltergeists yeah I guess I've never

197

00:07:25,950 --> 00:07:23,830

thought of or heard of a hot spot that

198

00:07:36,120 --> 00:07:25,960

had like well I guess Griffith Park was

199

00:07:38,070 --> 00:07:36,130

kind of that same way specific things

200

00:07:41,159 --> 00:07:38,080

that are directly tied to the history of

201  
00:07:42,990 --> 00:07:41,169  
that spot not just kind of a way where

202  
00:07:44,610 --> 00:07:43,000  
was it we went somewhere where it was

203  
00:07:47,250 --> 00:07:44,620  
like aliens oh maybe I'm thinking of

204  
00:07:49,920 --> 00:07:47,260  
Catalina Catalina was a little weird

205  
00:07:51,720 --> 00:07:49,930  
that was like everything that's the

206  
00:07:55,050 --> 00:07:51,730  
first time actually on our Catalina trip

207  
00:07:58,590 --> 00:07:55,060  
that I had heard of prominently heard of

208  
00:08:00,630 --> 00:07:58,600  
the u.s. oohs yeah which apparently

209  
00:08:02,580 --> 00:08:00,640  
they've seen out there as well u.s. OS

210  
00:08:04,140 --> 00:08:02,590  
are actually the key to all of this it's

211  
00:08:05,700 --> 00:08:04,150  
just most people are not able to use

212  
00:08:07,920 --> 00:08:05,710  
submarines that kind of thing but I mean

213  
00:08:10,050 --> 00:08:07,930

I was told by some of my contacts in the

214

00:08:10,650 --> 00:08:10,060

Navy that they tracked these all the

215

00:08:12,840 --> 00:08:10,660

time

216

00:08:15,210 --> 00:08:12,850

think about it it's if this phenomenon

217

00:08:16,860 --> 00:08:15,220

is real if there are unknown aerial

218

00:08:19,560 --> 00:08:16,870

vehicles or anomalous air vehicles

219

00:08:20,580 --> 00:08:19,570

piloted by nonhumans engaging humanity

220

00:08:22,560 --> 00:08:20,590

since the beginning of recorded human

221

00:08:24,930 --> 00:08:22,570

history which is the premise if that is

222

00:08:27,390 --> 00:08:24,940

true then the obvious place to hide

223

00:08:29,700 --> 00:08:27,400

would be you know in the oceans because

224

00:08:31,500 --> 00:08:29,710

these craft if they do work the way that

225

00:08:32,079 --> 00:08:31,510

they're purported to work it wouldn't

226

00:08:34,389 --> 00:08:32,089

matter what

227

00:08:36,100 --> 00:08:34,399

they go through let it be water airspace

228

00:08:37,389 --> 00:08:36,110

it's all the same it's gravity wave

229

00:08:39,369 --> 00:08:37,399

amplification they can literally

230

00:08:41,199 --> 00:08:39,379

traverse space-time so it's really easy

231

00:08:43,540 --> 00:08:41,209

to move through these mediums that's not

232

00:08:45,819 --> 00:08:43,550

necessarily what I believe although it's

233

00:08:47,619 --> 00:08:45,829

pretty damn close at this point I don't

234

00:08:49,869 --> 00:08:47,629

have the luxury of disbelief I mean I've

235

00:08:51,369 --> 00:08:49,879

just been you know really deep into this

236

00:08:53,829 --> 00:08:51,379

and talking with people and filming

237

00:08:55,929 --> 00:08:53,839

people for years now credible people

238

00:08:57,489 --> 00:08:55,939

some of whom are high-ranking military

239

00:09:00,249 --> 00:08:57,499

officials which somehow gives people

240

00:09:02,829 --> 00:09:00,259

credit but you can be crazy on any side

241

00:09:04,869 --> 00:09:02,839

right but ultimately I have people

242

00:09:06,519 --> 00:09:04,879

telling me their stories and letting me

243

00:09:08,439 --> 00:09:06,529

publish them and there is physical

244

00:09:11,139 --> 00:09:08,449

evidence for a lot of this we have radar

245

00:09:12,910 --> 00:09:11,149

reports so without giving away what

246

00:09:14,410 --> 00:09:12,920

you're working on there is there a way

247

00:09:16,809 --> 00:09:14,420

that you can tell us what some of your

248

00:09:19,090 --> 00:09:16,819

theories are as far as why is why is it

249

00:09:22,239 --> 00:09:19,100

like a seemingly random spot on earth

250

00:09:24,489 --> 00:09:22,249

suddenly a hot spot well it's been a hot

251

00:09:27,639 --> 00:09:24,499

spot for centuries if not you know for

252

00:09:29,410 --> 00:09:27,649

thousands of years but right now we just

253

00:09:33,069 --> 00:09:29,420

have a very unique opportunity which is

254

00:09:34,480 --> 00:09:33,079

to study these events from a different

255

00:09:36,669 --> 00:09:34,490

level because we have different

256

00:09:38,499 --> 00:09:36,679

technologies now so for example there

257

00:09:40,239 --> 00:09:38,509

are cattle mutilations that go on on

258

00:09:41,860 --> 00:09:40,249

that property and that was a big deal

259

00:09:43,360 --> 00:09:41,870

back in the day I mean their Congress

260

00:09:45,189 --> 00:09:43,370

got involved one point about the the

261

00:09:46,809 --> 00:09:45,199

mutilation of cattle they had so many

262

00:09:48,699 --> 00:09:46,819

theories so many were being taken they

263

00:09:51,189 --> 00:09:48,709

were being studied genetically studied

264

00:09:52,299 --> 00:09:51,199

blood was being drained there's no way

265

00:09:54,009 --> 00:09:52,309

that somebody could come up to these

266

00:09:56,919 --> 00:09:54,019

animals or strip the meat off so on

267

00:09:58,660 --> 00:09:56,929

skinwalker ranch this one cattle it was

268

00:10:01,150 --> 00:09:58,670

like 25 minutes the rancher turns around

269

00:10:03,069 --> 00:10:01,160

and this and they had a team jump in

270

00:10:05,619 --> 00:10:03,079

from Ned's and do the analysis so we can

271

00:10:07,299 --> 00:10:05,629

study that stuff biologically we can we

272

00:10:09,189 --> 00:10:07,309

have a whole different way to study

273

00:10:11,889 --> 00:10:09,199

things now so it's a very exciting time

274

00:10:14,169 --> 00:10:11,899

for the weirdness and to be able to

275

00:10:17,710 --> 00:10:14,179

debunk it or to say hey there's

276

00:10:20,139 --> 00:10:17,720

something to this so can I ask what just

277

00:10:22,509 --> 00:10:20,149

what is the name skinwalker that's

278

00:10:23,949 --> 00:10:22,519

important yeah yes skinwalker it you

279

00:10:26,499 --> 00:10:23,959

know comes to Native American tradition

280

00:10:29,340 --> 00:10:26,509

and it essentially refers to a witch a

281

00:10:32,199 --> 00:10:29,350

shaman a trickster okay or some sort of

282

00:10:33,309 --> 00:10:32,209

yeah like a like a trickster right I was

283

00:10:34,569 --> 00:10:33,319

just picturing like a Bigfoot or

284

00:10:36,340 --> 00:10:34,579

something right well the thing is they

285

00:10:38,259 --> 00:10:36,350

can wear different skins they can that

286

00:10:41,169 --> 00:10:38,269

that's the the lore I don't know how

287

00:10:44,410 --> 00:10:41,179

that translates to physical reality but

288

00:10:44,650 --> 00:10:44,420

these events as I kind of keep you know

289

00:10:48,759 --> 00:10:44,660

say

290

00:10:50,170 --> 00:10:48,769

is that they do leave trace elements I

291

00:10:53,079 --> 00:10:50,180

mean there are things that happen that

292

00:10:55,059 --> 00:10:53,089

we or the scientific community can look

293

00:10:57,040 --> 00:10:55,069

at and that to me is fascinating because

294

00:10:58,569 --> 00:10:57,050

you're getting down to something is it's

295

00:11:00,819 --> 00:10:58,579

not a matter of belief anymore is it

296

00:11:02,860 --> 00:11:00,829

true or not true it's not just witness

297

00:11:05,050 --> 00:11:02,870

testimony and that's what I'm interested

298

00:11:07,329 --> 00:11:05,060

in well so then that's a perfect segue

299

00:11:10,389 --> 00:11:07,339

to talk about patient 17 your new

300

00:11:14,619 --> 00:11:10,399

documentary about this gentleman that

301  
00:11:16,360 --> 00:11:14,629  
you met who was had what do you call it

302  
00:11:17,769 --> 00:11:16,370  
the implant

303  
00:11:19,689 --> 00:11:17,779  
yeah people call them implants ice a

304  
00:11:21,340 --> 00:11:19,699  
foreign body because I'm not convinced

305  
00:11:22,569 --> 00:11:21,350  
yet what it is yeah somebody

306  
00:11:24,610 --> 00:11:22,579  
intentionally put it in although it's

307  
00:11:27,429 --> 00:11:24,620  
seeming very [h\_\_h] strange now but

308  
00:11:28,509 --> 00:11:27,439  
yeah I met a guy a doctor his name was

309  
00:11:31,119 --> 00:11:28,519  
dr. Roger Leir

310  
00:11:33,460 --> 00:11:31,129  
he was a podiatrist a foot doctor but he

311  
00:11:36,129 --> 00:11:33,470  
spent about 20 years listening to people

312  
00:11:38,170 --> 00:11:36,139  
who said I have abductive experiences I

313  
00:11:41,050 --> 00:11:38,180

have this object it's emitting frequency

314

00:11:42,550 --> 00:11:41,060

in my body it was put in there by these

315

00:11:43,509 --> 00:11:42,560

nonhumans people say extraterrestrial

316

00:11:47,230 --> 00:11:43,519

but I don't know their extraterrestrial

317

00:11:48,819 --> 00:11:47,240

by these nonhumans intelligences and you

318

00:11:50,679 --> 00:11:48,829

know we have John Mac at Harvard

319

00:11:52,509 --> 00:11:50,689

University who's head of psychiatry he

320

00:11:54,610 --> 00:11:52,519

took this very seriously he said this is

321

00:11:56,170 --> 00:11:54,620

not delusion that the people that are

322

00:11:58,449 --> 00:11:56,180

experiencing this arts nursing a real

323

00:12:00,879 --> 00:11:58,459

phenomenon he was a great voice in this

324

00:12:03,579 --> 00:12:00,889

field because of John Mac and the books

325

00:12:05,230 --> 00:12:03,589

he wrote out of Harvard about this I had

326

00:12:07,480 --> 00:12:05,240

to kind of give it more credit

327

00:12:09,189 --> 00:12:07,490

so I said to dr. Leir is actually our

328

00:12:10,540 --> 00:12:09,199

common friend Ruben who introduced me to

329

00:12:12,249 --> 00:12:10,550

dr. Lehrer I didn't want to touch it

330

00:12:20,220 --> 00:12:12,259

because I was focused on you know

331

00:12:25,720 --> 00:12:22,300

he put on the Citizen hearing on

332

00:12:27,249 --> 00:12:25,730

disclosure you know 40 witnesses from

333

00:12:28,870 --> 00:12:27,259

the intelligence community astronauts

334

00:12:30,129 --> 00:12:28,880

pilots at the National Press Club in

335

00:12:32,319 --> 00:12:30,139

front of five congressmen and one

336

00:12:34,150 --> 00:12:32,329

senator so that was a very cool event

337

00:12:36,129 --> 00:12:34,160

Ruben did that want to give him credit

338

00:12:37,749 --> 00:12:36,139

for that and anyway so he told me to

339

00:12:40,749 --> 00:12:37,759

talk with dr. Lear talked to dr. Lear

340

00:12:42,790 --> 00:12:40,759

and I said look I don't really believe

341

00:12:44,949 --> 00:12:42,800

this [h\_\_h] and I was like if I point my

342

00:12:46,449 --> 00:12:44,959

camera at you if you are twisting the

343

00:12:48,519 --> 00:12:46,459

evidence or dissuading the public

344

00:12:50,259 --> 00:12:48,529

towards truth I are away from truth I am

345

00:12:52,720 --> 00:12:50,269

going to out you is sure you want me to

346

00:12:54,879 --> 00:12:52,730

do it and he said yes I said okay well

347

00:12:56,170 --> 00:12:54,889

that's interesting you know so I went to

348

00:12:57,319 --> 00:12:56,180

the surgery and I just thought it'd be

349

00:12:58,609 --> 00:12:57,329

like a one day thing

350

00:13:01,309 --> 00:12:58,619

and I figure it out pretty quick that

351

00:13:09,109 --> 00:13:01,319

everybody's lying you got real up close

352

00:13:11,059 --> 00:13:09,119

shots of that leg whole stomach I wanted

353

00:13:12,410 --> 00:13:11,069

to show what the guy went to I mean you

354

00:13:13,519 --> 00:13:12,420

know we're talking about this like it's

355

00:13:16,189 --> 00:13:13,529

somebody else see this guy's my friend

356

00:13:18,650 --> 00:13:16,199

now I know him yeah you know they ripped

357

00:13:21,590 --> 00:13:18,660

open his leg and took out a big chunk of

358

00:13:22,699 --> 00:13:21,600

something yeah right before right before

359

00:13:24,379 --> 00:13:22,709

he goes into surgery

360

00:13:25,489 --> 00:13:24,389

you asked him you're like something

361

00:13:27,559 --> 00:13:25,499

along the lines of like are you nervous

362

00:13:29,809 --> 00:13:27,569

or whatever and he tells you about how

363

00:13:31,429 --> 00:13:29,819

his wife and or his girlfriend and his

364

00:13:32,689 --> 00:13:31,439

mom are like just leave it just leave it

365

00:13:34,910 --> 00:13:32,699

like you don't he's like no it's gonna

366

00:13:37,879 --> 00:13:34,920

be a small incision small incision next

367

00:13:44,059 --> 00:13:37,889

shot is literally like gaping oh oh and

368

00:13:46,100 --> 00:13:44,069

I'm like pressure to not do it how do

369

00:13:48,049 --> 00:13:46,110

the people that have how do they become

370

00:13:49,729 --> 00:13:48,059

aware that they have these implants they

371

00:13:51,739 --> 00:13:49,739

have the memory of it being implanted or

372

00:13:53,449 --> 00:13:51,749

is anyone just discovered I have this

373

00:13:54,499 --> 00:13:53,459

and I don't know where it came from

374

00:13:56,539 --> 00:13:54,509

first of all most people are just

375

00:13:58,819 --> 00:13:56,549

[h\_\_h] crazy and so they don't have an

376

00:14:00,350 --> 00:13:58,829

implant and they believe they do because

377

00:14:06,229 --> 00:14:00,360

it's you know cohesive with their

378

00:14:08,960 --> 00:14:06,239

worldview but the people that dr. Lee it

379

00:14:10,939 --> 00:14:08,970

is but but dr. Leir you know he had

380

00:14:12,650 --> 00:14:10,949

these you know tests so basically he put

381

00:14:13,939 --> 00:14:12,660

someone through a psychological you know

382

00:14:16,999 --> 00:14:13,949

exam and make sure that they're not

383

00:14:18,799 --> 00:14:17,009

[h\_\_h] crazy and then from there he'd

384

00:14:20,299 --> 00:14:18,809

say okay you abductive experiences you

385

00:14:22,309 --> 00:14:20,309

think you have something in your leg get

386

00:14:23,780 --> 00:14:22,319

an x-ray okay it's denser than bone so

387

00:14:25,400 --> 00:14:23,790

it's a foreign body it's not something

388

00:14:27,889 --> 00:14:25,410

that should be in your body okay cool

389

00:14:30,019 --> 00:14:27,899

then he would essentially do a Gauss

390

00:14:31,639 --> 00:14:30,029

meter test and this is for me

391

00:14:33,590 --> 00:14:31,649

trivial but they'd run this

392

00:14:35,539 --> 00:14:33,600

electromagnetic frequency detector over

393

00:14:36,889 --> 00:14:35,549

and these things would ping I mean I saw

394

00:14:38,419 --> 00:14:36,899

it with my own eyes when it was in the

395

00:14:40,009 --> 00:14:38,429

guy's body but again it wasn't

396

00:14:42,079 --> 00:14:40,019

controlled environment so I can't really

397

00:14:45,650 --> 00:14:42,089

count that in as part of my study but

398

00:14:47,179 --> 00:14:45,660

basically he did that and then all said

399

00:14:51,139 --> 00:14:47,189

and done you get a few people that are

400

00:14:53,569 --> 00:14:51,149

eligible and if it's surgically if you

401  
00:14:55,960 --> 00:14:53,579  
can remove it surgically then he would

402  
00:14:59,720 --> 00:14:55,970  
do it or he'd get somebody to do it and

403  
00:15:02,629 --> 00:14:59,730  
that's when it got weird so they did

404  
00:15:06,470 --> 00:15:02,639  
they actually removed 17 objects for Oh

405  
00:15:07,850 --> 00:15:06,480  
70 71 out of patients 17 but there's at

406  
00:15:09,300 --> 00:15:07,860  
least 17 objects some people have

407  
00:15:11,310 --> 00:15:09,310  
multiples but you

408  
00:15:13,530 --> 00:15:11,320  
he went over 20 years you're gonna

409  
00:15:15,210 --> 00:15:13,540  
Whittle it down and get the right people

410  
00:15:18,570 --> 00:15:15,220  
and take them out and get them analyzed

411  
00:15:21,420 --> 00:15:18,580  
and but never before have they had real

412  
00:15:23,460 --> 00:15:21,430  
hardcore scientific evidence that would

413  
00:15:26,460 --> 00:15:23,470

prove any of their claims you know

414

00:15:28,680 --> 00:15:26,470

arguably but that's what I was

415

00:15:30,450 --> 00:15:28,690

attempting to do with this film because

416

00:15:33,150 --> 00:15:30,460

you know that wouldn't that be [h\_\_h]

417

00:15:36,650 --> 00:15:33,160

cool you know or you're like this is

418

00:15:39,540 --> 00:15:36,660

[h\_\_h] and when you're done you know

419

00:15:40,680 --> 00:15:39,550

well now it's very interesting I'm I'm

420

00:15:43,380 --> 00:15:40,690

all ears

421

00:15:44,519 --> 00:15:43,390

I'm waiting right now so you'll see in

422

00:15:46,620 --> 00:15:44,529

my film when you watch it

423

00:15:48,810 --> 00:15:46,630

we had what's called broad spectrum

424

00:15:51,000 --> 00:15:48,820

elemental analysis and isotopic analysis

425

00:15:52,829 --> 00:15:51,010

basically what that means is you look at

426

00:15:55,320 --> 00:15:52,839

this object and you try to find out what

427

00:15:58,200 --> 00:15:55,330

is it made of so the most complex alloys

428

00:16:00,840 --> 00:15:58,210

that we have will typically be four to

429

00:16:01,680 --> 00:16:00,850

five different elements in it I mean

430

00:16:04,829 --> 00:16:01,690

nothing crazy

431

00:16:07,079 --> 00:16:04,839

this had 36 elements inside each one

432

00:16:08,519 --> 00:16:07,089

tiny piece so all those elements play

433

00:16:11,340 --> 00:16:08,529

nicely together it's kind of strange

434

00:16:13,110 --> 00:16:11,350

some of which were highly toxic some of

435

00:16:14,790 --> 00:16:13,120

which were rare earth elements so this

436

00:16:17,460 --> 00:16:14,800

is a highly fabricated machined

437

00:16:19,140 --> 00:16:17,470

something that ended in his leg some

438

00:16:21,200 --> 00:16:19,150

people thought it was meteorite yeah he

439

00:16:25,380 --> 00:16:21,210

got hit by a micrometeorite

440

00:16:27,870 --> 00:16:25,390

actually supposedly the earth is

441

00:16:33,870 --> 00:16:27,880

supposedly bombarded by thousands of

442

00:16:35,520 --> 00:16:33,880

those right and most things do or they

443

00:16:38,100 --> 00:16:35,530

disintegrate in our atmosphere but yeah

444

00:16:39,390 --> 00:16:38,110

sure particulates end up all the time on

445

00:16:41,970 --> 00:16:39,400

earth that's why we can study the

446

00:16:43,470 --> 00:16:41,980

isotopes of meteor I said we we study

447

00:16:44,250 --> 00:16:43,480

extraterrestrial isotopes and why that's

448

00:16:47,250 --> 00:16:44,260

important

449

00:16:49,350 --> 00:16:47,260

isotopes tell you origin to a degree so

450

00:16:51,540 --> 00:16:49,360

if you have zinc you have five although

451

00:16:53,190 --> 00:16:51,550

four are studied major isotopes that

452

00:16:54,840 --> 00:16:53,200

have the same ratio if they're made on

453

00:16:57,480 --> 00:16:54,850

earth the same across the board

454

00:16:59,550 --> 00:16:57,490

it is a ratio of isotope of zinc 64 that

455

00:17:01,260 --> 00:16:59,560

is common on this planet if you get

456

00:17:03,060 --> 00:17:01,270

something outside 1% of that you're like

457

00:17:04,050 --> 00:17:03,070

oh I probably got a meteorite because it

458

00:17:06,809 --> 00:17:04,060

was made somewhere else

459

00:17:09,390 --> 00:17:06,819

well this sample was far outside the

460

00:17:11,100 --> 00:17:09,400

terrestrial norm in the zinc 64 so

461

00:17:13,620 --> 00:17:11,110

somebody said oh okay maybe it's a micro

462

00:17:14,819 --> 00:17:13,630

meteorite hit him in the leg the first

463

00:17:17,400 --> 00:17:14,829

way you got to be really [\h\_\_\h] lucky

464

00:17:19,559 --> 00:17:17,410

to have that happened right but I took

465

00:17:20,600 --> 00:17:19,569

it to the head meteorite specialist at

466

00:17:22,520 --> 00:17:20,610

UCLA

467

00:17:24,530 --> 00:17:22,530

and it was definitively not meteoric

468

00:17:26,150 --> 00:17:24,540

iron so it is not a meteorite

469

00:17:28,549 --> 00:17:26,160

it is a fabricated material as far as

470

00:17:29,750 --> 00:17:28,559

everybody can tell from you know you

471

00:17:31,760 --> 00:17:29,760

know material scientists and

472

00:17:35,930 --> 00:17:31,770

nanotechnologists it is a fabricated

473

00:17:39,919 --> 00:17:35,940

material now is it a chip that tracks a

474

00:17:41,240 --> 00:17:39,929

human made by way no idea that's what

475

00:17:44,330 --> 00:17:41,250

their claim is so where I stand on it

476

00:17:46,190 --> 00:17:44,340

now it is a real [h\_\_\h] mystery and

477

00:17:48,710 --> 00:17:46,200

we're trying my team and me we're trying

478

00:17:49,910 --> 00:17:48,720

to get to the bottom of that and it'll

479

00:17:52,190 --> 00:17:49,920

all be open-source the results are

480

00:17:53,630 --> 00:17:52,200

already on my website interesting so

481

00:17:55,310 --> 00:17:53,640

have you ever gotten somebody that gets

482

00:17:56,570 --> 00:17:55,320

come along asking for your help or

483

00:17:58,070 --> 00:17:56,580

you've just had to turn them away

484

00:18:02,419 --> 00:17:58,080

because you're like listen this has

485

00:18:03,860 --> 00:18:02,429

nothing damn damn

486

00:18:06,100 --> 00:18:03,870

I don't know anything about penis

487

00:18:08,539 --> 00:18:06,110

implants I mean people are crazy I mean

488

00:18:09,169 --> 00:18:08,549

people like you about penis implants oh

489

00:18:12,680 --> 00:18:09,179

yeah

490

00:18:15,620 --> 00:18:12,690

send me photos strange dick pics no I

491

00:18:17,210 --> 00:18:15,630

mean in all honesty I'm joking around

492

00:18:19,490 --> 00:18:17,220

that's Katie part two that's right

493

00:18:21,110 --> 00:18:19,500

you've got a show we've got a thing that

494

00:18:23,270 --> 00:18:21,120

we want to push all about serial killer

495

00:18:27,560 --> 00:18:23,280

dicks being transplanted on death row

496

00:18:29,659 --> 00:18:27,570

Wow yeah mine pretty creative

497

00:18:31,549 --> 00:18:29,669

individuals overnight I already got a

498

00:18:32,960 --> 00:18:31,559

sense of that you have a nice set I

499

00:18:34,930 --> 00:18:32,970

think you get to the bottom a big foot

500

00:18:39,260 --> 00:18:34,940

over there I think so but yeah I mean

501  
00:18:41,330 --> 00:18:39,270  
all joking aside yes I get asked by

502  
00:18:43,580 --> 00:18:41,340  
people on a daily basis whether they're

503  
00:18:46,159 --> 00:18:43,590  
government military employees that have

504  
00:18:49,220 --> 00:18:46,169  
seen something have been involved in a

505  
00:18:51,409 --> 00:18:49,230  
research project to simply somebody's

506  
00:18:52,940 --> 00:18:51,419  
mom who has a lifetime of abductive

507  
00:18:55,010 --> 00:18:52,950  
experiences and doesn't know what to say

508  
00:18:57,650 --> 00:18:55,020  
about it I recently got a call from a

509  
00:18:59,600 --> 00:18:57,660  
young man who was serving in the Navy

510  
00:19:04,159 --> 00:18:59,610  
for quite some time and he saw something

511  
00:19:06,470 --> 00:19:04,169  
that totally blew his mind of what this

512  
00:19:08,870 --> 00:19:06,480  
reality is and it was so shaking to him

513  
00:19:11,480 --> 00:19:08,880

that he literally went on the internet

514

00:19:13,610 --> 00:19:11,490

looked up UFO and research and

515

00:19:16,130 --> 00:19:13,620

investigator and found me and was

516

00:19:17,590 --> 00:19:16,140

disturbed about it you know do you have

517

00:19:20,710 --> 00:19:17,600

a personal estimate unlike

518

00:19:24,669 --> 00:19:20,720

how what the average is on these things

519

00:19:29,230 --> 00:19:24,679

being actually legit UFOs versus just

520

00:19:31,360 --> 00:19:29,240

you know an airplane or some weird bird

521

00:19:34,180 --> 00:19:31,370

or something that you know weather

522

00:19:36,039 --> 00:19:34,190

balloon or an odd reflection yeah

523

00:19:37,900 --> 00:19:36,049

depends who depends who's looking but

524

00:19:39,100 --> 00:19:37,910

you know the classic study with Project

525

00:19:41,710 --> 00:19:39,110

Blue Book which is actually the

526

00:19:43,690 --> 00:19:41,720

predecessor to project sign and project

527

00:19:45,250 --> 00:19:43,700

grudge which were the military projects

528

00:19:47,200 --> 00:19:45,260

to look at the unidentified flying

529

00:19:48,970 --> 00:19:47,210

object thing moved to become Project

530

00:19:51,159 --> 00:19:48,980

Blue Book it was a public thing it was

531

00:19:53,350 --> 00:19:51,169

largely created to discredit the topic

532

00:19:55,390 --> 00:19:53,360

because there was a tonality within our

533

00:19:58,000 --> 00:19:55,400

military that they wanted to demystify

534

00:20:00,669 --> 00:19:58,010

the UFO topic because it was becoming a

535

00:20:03,700 --> 00:20:00,679

problem when it became a problem was the

536

00:20:05,380 --> 00:20:03,710

1952 I believe flyover of Washington DC

537

00:20:07,570 --> 00:20:05,390

every magazine picked it up all the

538

00:20:09,909 --> 00:20:07,580

teletypes stopped working they got

539

00:20:12,159 --> 00:20:09,919

flooded with reports and they saw this

540

00:20:14,020 --> 00:20:12,169

as a threat to national security so they

541

00:20:16,120 --> 00:20:14,030

made a clear agenda to infiltrate the

542

00:20:18,010 --> 00:20:16,130

UFO community and to make a mockery of

543

00:20:19,630 --> 00:20:18,020

people that talked about it but

544

00:20:21,970 --> 00:20:19,640

everybody involved to this day if

545

00:20:24,190 --> 00:20:21,980

they're still alive I've talked to at

546

00:20:26,200 --> 00:20:24,200

least two of them this is a real

547

00:20:28,360 --> 00:20:26,210

phenomenon it is occurring our military

548

00:20:32,770 --> 00:20:28,370

is quite aware of it and so as the

549

00:20:35,710 --> 00:20:32,780

public actually and they had I think 700

550

00:20:37,210 --> 00:20:35,720

they had some over 700 unsolved cases

551

00:20:39,159 --> 00:20:37,220

things that they couldn't attribute to

552

00:20:40,899 --> 00:20:39,169

these basic things that you just said so

553

00:20:44,110 --> 00:20:40,909

I would say you know they say 5 to 10

554

00:20:45,430 --> 00:20:44,120

percent or real and actual but I also

555

00:20:47,620 --> 00:20:45,440

know a lot of these reports go

556

00:20:48,460 --> 00:20:47,630

completely unreported a lot of these

557

00:20:52,510 --> 00:20:48,470

sightings go unreported

558

00:20:54,370 --> 00:20:52,520

so where I'm at now is really simple the

559

00:20:56,560 --> 00:20:54,380

UFO phenomenon is part of just the

560

00:20:58,870 --> 00:20:56,570

phenomenon that includes UFOs is a much

561

00:21:00,909 --> 00:20:58,880

bigger picture going on because when you

562

00:21:03,190 --> 00:21:00,919

talk with somebody and doesn't matter

563

00:21:05,230 --> 00:21:03,200

what part of life who they are it's

564

00:21:06,520 --> 00:21:05,240

homogeneous around the world this is not

565

00:21:08,640 --> 00:21:06,530

something that just Americans are seeing

566

00:21:10,630 --> 00:21:08,650

or just you know this is homogeneous so

567

00:21:12,460 --> 00:21:10,640

there is something that is occurring

568

00:21:14,560 --> 00:21:12,470

it's been occurring since the beginning

569

00:21:16,659 --> 00:21:14,570

of recorded human history it often

570

00:21:18,220 --> 00:21:16,669

manifests itself as lights but when you

571

00:21:19,510 --> 00:21:18,230

talk with somebody and they say I saw

572

00:21:21,880 --> 00:21:19,520

this I saw a disc

573

00:21:24,250 --> 00:21:21,890

I saw a craft there's usually something

574

00:21:26,890 --> 00:21:24,260

behind that that they're not telling you

575

00:21:29,420 --> 00:21:26,900

because it is acceptable to say I saw a

576

00:21:32,930 --> 00:21:29,430

flying saucer or a UFO like some

577

00:21:35,240 --> 00:21:32,940

that's more specific or weird right and

578

00:21:37,400 --> 00:21:35,250

it's usually yeah usually is more weird

579

00:21:39,140 --> 00:21:37,410

and so the thing is is when people get

580

00:21:40,400 --> 00:21:39,150

comfortable to move out of just telling

581

00:21:41,750 --> 00:21:40,410

you what they reported you get this a

582

00:21:44,210 --> 00:21:41,760

lot with the military guys they tell you

583

00:21:45,950 --> 00:21:44,220

just what what they saw there's usually

584

00:21:47,480 --> 00:21:45,960

some sort of sociological or

585

00:21:50,240 --> 00:21:47,490

psychological impact that comes with

586

00:21:51,890 --> 00:21:50,250

that if you've seen something it's it's

587

00:21:53,990 --> 00:21:51,900

more common that you'll see something

588

00:21:56,510 --> 00:21:54,000

again and if you've had abductive

589

00:21:57,710 --> 00:21:56,520

experiences sure as [h\_\_h] your parents

590

00:21:59,390 --> 00:21:57,720

and your grandparents have too and

591

00:22:01,700 --> 00:21:59,400

that's a weird thing and that's been

592

00:22:04,550 --> 00:22:01,710

studied very well seems to be genetic or

593

00:22:07,520 --> 00:22:04,560

familial yeah you probably covered this

594

00:22:08,810 --> 00:22:07,530

when you are on our podcast before but

595

00:22:11,210 --> 00:22:08,820

how did you and just initially get

596

00:22:13,310 --> 00:22:11,220

interested in all of this I was 13 years

597

00:22:15,590 --> 00:22:13,320

old I heard on the radio George Knapp

598

00:22:17,990 --> 00:22:15,600

and Bob Lazar Bob Lazar was telling his

599

00:22:20,570 --> 00:22:18,000

story of reverse engineering alien

600

00:22:23,000 --> 00:22:20,580

technology and the way he described it

601  
00:22:26,480 --> 00:22:23,010  
the propulsion system was absolutely

602  
00:22:27,920 --> 00:22:26,490  
like a flip from how I saw locomotion

603  
00:22:29,090 --> 00:22:27,930  
the idea of moving something forward by

604  
00:22:31,820 --> 00:22:29,100  
pushing something back

605  
00:22:33,890 --> 00:22:31,830  
this was falling into place by warping

606  
00:22:35,720 --> 00:22:33,900  
space-time with gravity wave amplifiers

607  
00:22:38,000 --> 00:22:35,730  
it's the coolest story as a kid you're

608  
00:22:39,530 --> 00:22:38,010  
like I want this to be real so that's

609  
00:22:41,450 --> 00:22:39,540  
how I got interested is just hearing

610  
00:22:43,310 --> 00:22:41,460  
this story little did I know I'd ended

611  
00:22:46,430 --> 00:22:43,320  
up making the definitive documentary on

612  
00:22:49,760 --> 00:22:46,440  
Bob Lazar which is coming out in 2018 so

613  
00:22:56,480 --> 00:22:49,770

that is full circle no I'm just starting

614

00:22:58,970 --> 00:22:56,490

the editing process I have a deadline

615

00:23:00,830 --> 00:22:58,980

and it will be out in 2018 but that's

616

00:23:02,570 --> 00:23:00,840

that's how I started but I know I did

617

00:23:04,130 --> 00:23:02,580

was talk about it and at that time of

618

00:23:05,300 --> 00:23:04,140

the world you know everything you say

619

00:23:07,820 --> 00:23:05,310

you're most people do you're [h\_\_\h]

620

00:23:09,170 --> 00:23:07,830

crazy so you know just talk about it

621

00:23:10,910 --> 00:23:09,180

with people it's funny that you bring

622

00:23:12,770 --> 00:23:10,920

that up because I do feel like you said

623

00:23:14,120 --> 00:23:12,780

a lot more people are coming forward and

624

00:23:16,220 --> 00:23:14,130

talking about the fact that they've seen

625

00:23:18,080 --> 00:23:16,230

something and that the whole like if you

626

00:23:20,180 --> 00:23:18,090

saw a UFO you're crazy doesn't really

627

00:23:21,770 --> 00:23:20,190

hold the same kind of water that it did

628

00:23:27,680 --> 00:23:21,780

back in the past because if you just

629

00:23:29,990 --> 00:23:27,690

look back to 20 2016 with the whole like

630

00:23:31,040 --> 00:23:30,000

it was a running joke well while the

631

00:23:32,930 --> 00:23:31,050

president liked to run for the

632

00:23:34,730 --> 00:23:32,940

presidency presidency was happening that

633

00:23:36,080 --> 00:23:34,740

you know you get on a talk show and

634

00:23:37,940 --> 00:23:36,090

Hillary Clinton

635

00:23:41,779 --> 00:23:37,950

saying the first thing she's gonna do is

636

00:23:43,190 --> 00:23:41,789

release you know UFO documents granted

637

00:23:46,640 --> 00:23:43,200

she put a little caveat in there unless

638

00:23:48,799 --> 00:23:46,650

it was up against oh yeah and she also

639

00:23:50,330 --> 00:23:48,809

tried to give everybody a new term on

640

00:23:52,310 --> 00:23:50,340

that day so is Jimmy Kimmel he's always

641

00:23:53,899 --> 00:23:52,320

pushed that which is great I thank Jimmy

642

00:23:55,880 --> 00:23:53,909

Kimmel for doing that but basically she

643

00:23:58,340 --> 00:23:55,890

came up and said well we now we called

644

00:24:00,680 --> 00:23:58,350

them you AP's unidentified aerial

645

00:24:02,659 --> 00:24:00,690

phenomenon she was giving the public a

646

00:24:04,880 --> 00:24:02,669

search term for FOIA requests Freedom of

647

00:24:07,130 --> 00:24:04,890

Information Act requests right but in

648

00:24:09,560 --> 00:24:07,140

fact in intelligence circles people call

649

00:24:11,810 --> 00:24:09,570

them a a vs and almost aerial vehicles

650

00:24:13,250 --> 00:24:11,820

or a ATS and almost aerial threats so

651  
00:24:14,659 --> 00:24:13,260  
there's all these terminologies that are

652  
00:24:16,610 --> 00:24:14,669  
better than UFO if you don't want

653  
00:24:18,830 --> 00:24:16,620  
somebody to look into FOIA and that kind

654  
00:24:21,110 --> 00:24:18,840  
of thing but that was cool and yeah it's

655  
00:24:22,669 --> 00:24:21,120  
becoming popular but recently I think

656  
00:24:23,930 --> 00:24:22,679  
it's cuz they're gonna I think the

657  
00:24:26,000 --> 00:24:23,940  
government is gonna drop a bomb on us

658  
00:24:29,060 --> 00:24:26,010  
everybody wishes that's the truth but

659  
00:24:31,580 --> 00:24:29,070  
you know here's that's gonna happen

660  
00:24:33,260 --> 00:24:31,590  
disclosure has already happened you know

661  
00:24:35,149 --> 00:24:33,270  
they are disclosing themselves whatever

662  
00:24:36,440 --> 00:24:35,159  
this intelligence is to a degree then

663  
00:24:38,000 --> 00:24:36,450

also how do we know that our government

664

00:24:39,620 --> 00:24:38,010

really knows anything that's not my

665

00:24:41,450 --> 00:24:39,630

information that's it's my understanding

666

00:24:43,190 --> 00:24:41,460

that everybody is just kind of

667

00:24:44,570 --> 00:24:43,200

threatened because they don't know what

668

00:24:46,039 --> 00:24:44,580

it is they've never really known they

669

00:24:47,389 --> 00:24:46,049

get little bits and pieces and try to

670

00:24:49,760 --> 00:24:47,399

reverse-engineer them and there you go

671

00:24:53,510 --> 00:24:49,770

did you see that new article that just I

672

00:24:56,090 --> 00:24:53,520

think dropped yesterday about the the

673

00:24:59,510 --> 00:24:56,100

the group of college students in Turkey

674

00:25:01,190 --> 00:24:59,520

making an announcement that yeah look

675

00:25:03,019 --> 00:25:01,200

this up really fast I can't add it

676  
00:25:05,659 --> 00:25:03,029  
briefly but some something that there

677  
00:25:08,210 --> 00:25:05,669  
was a group of students in Turkey that

678  
00:25:10,330 --> 00:25:08,220  
announced that they that that they feel

679  
00:25:12,710 --> 00:25:10,340  
that the government is absolutely

680  
00:25:14,899 --> 00:25:12,720  
keeping all of this hidden from the

681  
00:25:16,940 --> 00:25:14,909  
public and that there's a whole whole

682  
00:25:19,549 --> 00:25:16,950  
bunch of shady business behind it going

683  
00:25:21,440 --> 00:25:19,559  
on did you see that at all I didn't but

684  
00:25:24,649 --> 00:25:21,450  
we know that we know that there has been

685  
00:25:27,019 --> 00:25:24,659  
you know kind of cone of silence put

686  
00:25:29,480 --> 00:25:27,029  
over this topic as well as active you

687  
00:25:30,919 --> 00:25:29,490  
know mocking of this topic to dissuade

688  
00:25:32,659 --> 00:25:30,929

the public from taking it seriously

689

00:25:35,659 --> 00:25:32,669

because it is one of the more important

690

00:25:37,940 --> 00:25:35,669

topics this can be proved there's a

691

00:25:40,220 --> 00:25:37,950

document trail for this we have the

692

00:25:42,889 --> 00:25:40,230

documents in the public realm so that is

693

00:25:45,049 --> 00:25:42,899

fact it's not like a Eureka moment I'm

694

00:25:46,580 --> 00:25:45,059

glad that they're talking about it but

695

00:25:48,500 --> 00:25:46,590

it's something that if anybody just

696

00:25:49,200 --> 00:25:48,510

looks they can see that this is in fact

697

00:25:51,300 --> 00:25:49,210

the case

698

00:25:53,420 --> 00:25:51,310

now there's a reason for that you know

699

00:25:55,800 --> 00:25:53,430

we want as America let's say a

700

00:25:58,320 --> 00:25:55,810

technological advantage in warfare if we

701  
00:26:00,630 --> 00:25:58,330  
have a technological advantage then we

702  
00:26:03,300 --> 00:26:00,640  
can be a superior technologically nation

703  
00:26:05,220 --> 00:26:03,310  
and every government of the earth wants

704  
00:26:06,510 --> 00:26:05,230  
that so when you get something and you

705  
00:26:08,700 --> 00:26:06,520  
don't know what it is you don't know its

706  
00:26:10,320 --> 00:26:08,710  
potential for weaponization you keep it

707  
00:26:12,270 --> 00:26:10,330  
quiet and you figure out how to

708  
00:26:14,430 --> 00:26:12,280  
weaponize it first that's the mentality

709  
00:26:15,570 --> 00:26:14,440  
but we're way beyond that that was

710  
00:26:18,600 --> 00:26:15,580  
happening you know during the time of

711  
00:26:20,100 --> 00:26:18,610  
the Roswell crashes multiple right so

712  
00:26:22,260 --> 00:26:20,110  
now we're in a different era

713  
00:26:25,230 --> 00:26:22,270

and now you have people you know 25

714

00:26:27,630 --> 00:26:25,240

years in the CIA just came out on stage

715

00:26:29,250 --> 00:26:27,640

with a guy from the Pentagon this was

716

00:26:31,350 --> 00:26:29,260

through Tom DeLonge the musician it was

717

00:26:32,520 --> 00:26:31,360

busy that people look really harshly on

718

00:26:35,010 --> 00:26:32,530

this because they don't I don't think

719

00:26:37,410 --> 00:26:35,020

they can look past Tom and that he's

720

00:26:38,910 --> 00:26:37,420

fundraising for a new company but what

721

00:26:41,910 --> 00:26:38,920

happened on that day at that press

722

00:26:43,710 --> 00:26:41,920

announcement was pretty [h\_\_h] epic you

723

00:26:46,590 --> 00:26:43,720

have now for the first time in history

724

00:26:49,890 --> 00:26:46,600

we know in the Pentagon there was a guy

725

00:26:51,810 --> 00:26:49,900

named Lou and Lou came on stage and he

726  
00:26:54,240 --> 00:26:51,820  
says I was in charge of the anomalous

727  
00:26:56,070 --> 00:26:54,250  
aerial threats department and we have

728  
00:26:57,570 --> 00:26:56,080  
that in the Pentagon I ran it for years

729  
00:27:00,360 --> 00:26:57,580  
and we take this matter very seriously

730  
00:27:02,370 --> 00:27:00,370  
and he basically and you can watch it

731  
00:27:03,660 --> 00:27:02,380  
said you know I am a believer these are

732  
00:27:05,130 --> 00:27:03,670  
not from here after what I've seen in

733  
00:27:07,620 --> 00:27:05,140  
the technology is how they run circles

734  
00:27:09,090 --> 00:27:07,630  
around our craft actually around our

735  
00:27:11,130 --> 00:27:09,100  
nuclear missiles that's something that's

736  
00:27:12,870 --> 00:27:11,140  
well documented we had 10 minute men

737  
00:27:15,270 --> 00:27:12,880  
missiles shut down at maelstrom Air

738  
00:27:16,830 --> 00:27:15,280

Force Base a guy named Robert Salas was

739

00:27:18,900 --> 00:27:16,840

in the bunker at the time these

740

00:27:22,080 --> 00:27:18,910

technologies came in shut down our

741

00:27:23,580 --> 00:27:22,090

number one defense in this world yeah

742

00:27:25,530 --> 00:27:23,590

and there were multiples they happen

743

00:27:27,270 --> 00:27:25,540

also in Russia at the same time and they

744

00:27:29,130 --> 00:27:27,280

happened on a second base in America at

745

00:27:33,240 --> 00:27:29,140

the same time and then that new case I

746

00:27:36,020 --> 00:27:33,250

just told you 2004 Nimitz UFO type that

747

00:27:38,850 --> 00:27:36,030

in tic-tac everybody type that in okay

748

00:27:40,710 --> 00:27:38,860

you will hear and read about the case

749

00:27:42,960 --> 00:27:40,720

that I recently was able to break a lot

750

00:27:45,030 --> 00:27:42,970

of information on it's crazy

751  
00:27:47,040 --> 00:27:45,040  
this stuff is happening and we need to

752  
00:27:48,870 --> 00:27:47,050  
acknowledge it I found an article from

753  
00:27:50,760 --> 00:27:48,880  
this week that talks about a Turkish

754  
00:27:54,210 --> 00:27:50,770  
university that's offering now a major

755  
00:27:58,200 --> 00:27:54,220  
in UF o ology that's [h\_\_h] UF ology and

756  
00:28:00,240 --> 00:27:58,210  
et Encounters yeah it's from this week

757  
00:28:01,860 --> 00:28:00,250  
send me the link yeah it should be

758  
00:28:03,900 --> 00:28:01,870  
studied scientifically it should be

759  
00:28:06,060 --> 00:28:03,910  
studied in academic circles there is

760  
00:28:09,000 --> 00:28:06,070  
more evidence for UFOs than there is God

761  
00:28:11,370 --> 00:28:09,010  
so we might as well look at it it's true

762  
00:28:14,520 --> 00:28:11,380  
so where do you think things go from

763  
00:28:16,530 --> 00:28:14,530

here then I mean if if all of the the

764

00:28:18,090 --> 00:28:16,540

big technological push that we were

765

00:28:19,380 --> 00:28:18,100

exposed to that we've kept quiet and

766

00:28:24,210 --> 00:28:19,390

everything kind of happened back in the

767

00:28:26,250 --> 00:28:24,220

roswell days and now it kind of doesn't

768

00:28:27,660 --> 00:28:26,260

have the same stigma necessarily i mean

769

00:28:30,000 --> 00:28:27,670

there's still stigma there but not as

770

00:28:31,650 --> 00:28:30,010

aggressively as it was back in the day

771

00:28:33,420 --> 00:28:31,660

now you know you've got potential

772

00:28:35,550 --> 00:28:33,430

presidents making jokes about it and

773

00:28:38,220 --> 00:28:35,560

things of that nature where does

774

00:28:40,200 --> 00:28:38,230

everything go from here right so a lot

775

00:28:44,370 --> 00:28:40,210

of presidents pushed for the UFO topic

776

00:28:46,200 --> 00:28:44,380

from JFK to Nixon one of the first

777

00:28:48,240 --> 00:28:46,210

things he did was try to you know make

778

00:28:50,160 --> 00:28:48,250

stuff more available in these black

779

00:28:51,780 --> 00:28:50,170

budgets and these programs to him so

780

00:28:53,280 --> 00:28:51,790

every president I can think of you know

781

00:28:55,260 --> 00:28:53,290

Clinton one of the first things he did

782

00:28:57,690 --> 00:28:55,270

was ask about both JFK because he didn't

783

00:28:59,910 --> 00:28:57,700

want to be killed and the UFO subject so

784

00:29:03,660 --> 00:28:59,920

we've got presidents trying to be read

785

00:29:05,220 --> 00:29:03,670

in to these projects unsuccessfully the

786

00:29:07,980 --> 00:29:05,230

President of the United States has been

787

00:29:10,080 --> 00:29:07,990

told no every time since Eisenhower

788

00:29:11,790 --> 00:29:10,090

Eisenhower had the closest relation

789

00:29:13,470 --> 00:29:11,800

because he was actually a general he was

790

00:29:16,050 --> 00:29:13,480

like I think a three-star general he

791

00:29:17,220 --> 00:29:16,060

actually was a military person so he had

792

00:29:19,650 --> 00:29:17,230

more knowledge on this than other

793

00:29:21,840 --> 00:29:19,660

presidents after him but if you think

794

00:29:24,300 --> 00:29:21,850

about that all these presidents trying

795

00:29:24,930 --> 00:29:24,310

to get information and can't where does

796

00:29:27,780 --> 00:29:24,940

that leave us

797

00:29:30,270 --> 00:29:27,790

what what is what is our ability to have

798

00:29:31,740 --> 00:29:30,280

clearance for that so I'm not very

799

00:29:35,130 --> 00:29:31,750

hopeful that the government's gonna

800

00:29:38,010 --> 00:29:35,140

serve up the the alien saucer on a crap

801

00:29:40,800 --> 00:29:38,020

you know on a platter but I do think

802

00:29:42,930 --> 00:29:40,810

that every individual and what they do

803

00:29:44,910 --> 00:29:42,940

makes a difference if you have a loud

804

00:29:45,840 --> 00:29:44,920

enough voice and you shake the cages we

805

00:29:46,980 --> 00:29:45,850

can get somewhere it's happened

806

00:29:49,950 --> 00:29:46,990

throughout history there's a proof for

807

00:29:51,240 --> 00:29:49,960

that so I think everybody kind of shaken

808

00:29:53,250 --> 00:29:51,250

the cages on this from their different

809

00:29:54,720 --> 00:29:53,260

angles from scientific to spiritual to

810

00:29:56,610 --> 00:29:54,730

whatever we need all kinds of people

811

00:29:58,170 --> 00:29:56,620

looking at this I think that's what we

812

00:29:59,460 --> 00:29:58,180

do I think we just keep talking about it

813

00:30:00,840 --> 00:29:59,470

and we put it as something that's

814

00:30:03,660 --> 00:30:00,850

important to us because if we're not

815

00:30:04,950 --> 00:30:03,670

alone and we're not I mean everybody

816

00:30:06,960 --> 00:30:04,960

knows how big the universe is but

817

00:30:08,040 --> 00:30:06,970

everybody accepts that now most people

818

00:30:09,960 --> 00:30:08,050

accept that now

819

00:30:12,120 --> 00:30:09,970

but if they're visiting here doesn't

820

00:30:14,790 --> 00:30:12,130

that mean something and it does so let's

821

00:30:16,080 --> 00:30:14,800

find out do you have any thoughts on how

822

00:30:17,670 --> 00:30:16,090

it might tie in to all the other

823

00:30:21,960 --> 00:30:17,680

theories out there that we're currently

824

00:30:25,350 --> 00:30:21,970

living in a sim you know I mean I guess

825

00:30:26,940 --> 00:30:25,360

if you play the sims City aliens come

826

00:30:30,780 --> 00:30:26,950

and potentially destroy your city do

827

00:30:33,090 --> 00:30:30,790

they random it's a random disaster event

828

00:30:34,230 --> 00:30:33,100

that happens so I guess I just answered

829

00:30:36,060 --> 00:30:34,240

my own question if we're living in a

830

00:30:38,520 --> 00:30:36,070

sense oh yeah a random and disaster

831

00:30:40,740 --> 00:30:38,530

event it brings up a really interesting

832

00:30:42,630 --> 00:30:40,750

question which is that you know that

833

00:30:43,830 --> 00:30:42,640

theory I'm Elon Musk is famous for

834

00:30:45,330 --> 00:30:43,840

saying it but a lot of people are

835

00:30:47,190 --> 00:30:45,340

seriously talking about this in Silicon

836

00:30:48,960 --> 00:30:47,200

Valley right now this is a big deal you

837

00:30:50,460 --> 00:30:48,970

know any advanced civilization at some

838

00:30:51,930 --> 00:30:50,470

point needs to forego the physical body

839

00:30:53,250 --> 00:30:51,940

and create some sort of simulated

840

00:30:54,900 --> 00:30:53,260

reality which will be just like our

841

00:30:56,930 --> 00:30:54,910

reality maybe we're living in one

842

00:31:00,000 --> 00:30:56,940

maybe we're living in someone else's

843

00:31:02,040 --> 00:31:00,010

here's what I know I know that UFO is

844

00:31:04,110 --> 00:31:02,050

the one thing we can say is that they

845

00:31:05,460 --> 00:31:04,120

represent a huge amount of power in a

846

00:31:08,600 --> 00:31:05,470

small amount of space and this has been

847

00:31:11,340 --> 00:31:08,610

studied so we know that I mean moul

848

00:31:12,930 --> 00:31:11,350

multitude of atomic bombs and the size

849

00:31:16,110 --> 00:31:12,940

of a softball that that's how much power

850

00:31:18,060 --> 00:31:16,120

these things you know display so we can

851

00:31:20,850 --> 00:31:18,070

test that we know that to to a high

852

00:31:23,310 --> 00:31:20,860

degree so the question is is what we're

853

00:31:25,320 --> 00:31:23,320

seeing purely physical like craft from

854

00:31:27,870 --> 00:31:25,330

another star system the evidence

855

00:31:30,510 --> 00:31:27,880

suggests not the evidence suggests that

856

00:31:32,820 --> 00:31:30,520

what we're seeing is manipulated for us

857

00:31:34,500 --> 00:31:32,830

to see that this is a high intelligence

858

00:31:36,600 --> 00:31:34,510

does make mistakes but it's a high

859

00:31:39,330 --> 00:31:36,610

intelligence that is displaying to us

860

00:31:41,490 --> 00:31:39,340

this UFO phenomenon and that there's a

861

00:31:43,890 --> 00:31:41,500

lot more behind it that it's coming in

862

00:31:46,350 --> 00:31:43,900

waves if you track it over time in a

863

00:31:48,180 --> 00:31:46,360

same pattern as any general learning

864

00:31:51,060 --> 00:31:48,190

curve meaning there's something they

865

00:31:52,740 --> 00:31:51,070

want us to know or to learn so what is

866

00:31:55,170 --> 00:31:52,750

that you know I'm a quick learner tell

867

00:31:58,200 --> 00:31:55,180

me so that's kind of where I'm at is

868

00:32:00,240 --> 00:31:58,210

let's find out more but if we just

869

00:32:01,620 --> 00:32:00,250

acknowledge it and we say this is

870

00:32:03,570 --> 00:32:01,630

happening here are the radar reports

871

00:32:06,060 --> 00:32:03,580

here's a historical accounts here's a

872

00:32:07,710 --> 00:32:06,070

scientific data we have well then we can

873

00:32:09,630 --> 00:32:07,720

start to face it and ask the real

874

00:32:11,520 --> 00:32:09,640

questions what are we supposed to be

875

00:32:13,590 --> 00:32:11,530

learning from this what does it mean of

876

00:32:16,080 --> 00:32:13,600

course what's the threat there's no

877

00:32:18,750 --> 00:32:16,090

threat or we would be gone but that's

878

00:32:20,220 --> 00:32:18,760

what I want to know so be open about it

879

00:32:22,740 --> 00:32:20,230

and start talking about it interesting

880

00:32:25,530 --> 00:32:22,750

well we've got ten minutes left okay

881

00:32:27,660 --> 00:32:25,540

is there anything you want to touch base

882

00:32:29,490 --> 00:32:27,670

about what you've got coming up for bob

883

00:32:31,230 --> 00:32:29,500

lazar that you know without having to

884

00:32:33,720 --> 00:32:31,240

give too much away let me just tell you

885

00:32:36,000 --> 00:32:33,730

the quick note of patient 17 which is

886

00:32:37,950 --> 00:32:36,010

that this movie I never thought was

887

00:32:40,530 --> 00:32:37,960

something that I would do I fell in love

888

00:32:43,670 --> 00:32:40,540

with the project by meeting the subject

889

00:32:45,810 --> 00:32:43,680

patient 17 himself he's a normal guy of

890

00:32:48,270 --> 00:32:45,820

unnatural height six foot nine or

891

00:32:50,550 --> 00:32:48,280

something he's a giant of a man yeah

892

00:32:52,080 --> 00:32:50,560

and he has a real mystery in his life

893

00:32:53,400 --> 00:32:52,090

and I'm trying to help him solve it

894

00:32:55,320 --> 00:32:53,410

we're trying to get to the bottom of it

895

00:32:57,240 --> 00:32:55,330

I'm doing scientific research for it but

896

00:33:00,150 --> 00:32:57,250

if you watch the film patient seventeen

897

00:33:01,950 --> 00:33:00,160

it's on iTunes Amazon Xbox Vudu all that

898

00:33:05,160 --> 00:33:01,960

stuff it'll be coming out too in other

899

00:33:06,660 --> 00:33:05,170

forms basically if you watch that you'll

900

00:33:08,730 --> 00:33:06,670

kind of get caught up on this particular

901  
00:33:10,650 --> 00:33:08,740  
mystery and there will be more coming

902  
00:33:13,890 --> 00:33:10,660  
out through my website and such on this

903  
00:33:16,530 --> 00:33:13,900  
case and then yeah Bob Lazar like if you

904  
00:33:18,080 --> 00:33:16,540  
don't know who Bob Lazar is please type

905  
00:33:21,030 --> 00:33:18,090  
in his name it's not that many letters

906  
00:33:23,250 --> 00:33:21,040  
Wow this is a guy reverse engineered

907  
00:33:26,010 --> 00:33:23,260  
alien craft at a sub base of area 51

908  
00:33:28,320 --> 00:33:26,020  
called s4 he is the only person ever to

909  
00:33:32,160 --> 00:33:28,330  
get out of that kind of facility and

910  
00:33:38,310 --> 00:33:32,170  
have some evidence that he did work

911  
00:33:40,470 --> 00:33:38,320  
there there that's why he came out

912  
00:33:42,960 --> 00:33:40,480  
that's why he came out 1989 with George

913  
00:33:46,710 --> 00:33:42,970

Knapp on kls news in Las Vegas because

914

00:33:49,800 --> 00:33:46,720

his life was under threat and it

915

00:33:51,930 --> 00:33:49,810

protected him yeah and people don't

916

00:33:54,750 --> 00:33:51,940

believe his story for X reason why

917

00:33:56,400 --> 00:33:54,760

reason at least have a good reason but

918

00:33:58,110 --> 00:33:56,410

the thing is is that he's telling you

919

00:33:59,790 --> 00:33:58,120

the truth and I think most people are

920

00:34:01,350 --> 00:33:59,800

gonna see that my films just going to

921

00:34:02,880 --> 00:34:01,360

lay out the evidence and the facts and

922

00:34:04,950 --> 00:34:02,890

then it's up to everybody else to decide

923

00:34:06,930 --> 00:34:04,960

so that's to look forward to but find

924

00:34:08,430 --> 00:34:06,940

out who Bob Lazar is go deep down the

925

00:34:10,500 --> 00:34:08,440

rabbit hole pick out all the things that

926  
00:34:12,900 --> 00:34:10,510  
why you think he's lying so that we can

927  
00:34:15,120 --> 00:34:12,910  
get to them in the film are you ever

928  
00:34:17,490 --> 00:34:15,130  
worried about yourself no no I've never

929  
00:34:19,530 --> 00:34:17,500  
been threatened never been stopped only

930  
00:34:20,850 --> 00:34:19,540  
been assisted everybody has helped me

931  
00:34:22,410 --> 00:34:20,860  
it's crazy

932  
00:34:24,310 --> 00:34:22,420  
see that's what you don't hear very

933  
00:34:28,330 --> 00:34:24,320  
options right nice to actually

934  
00:34:30,460 --> 00:34:28,340  
that everybody [h\_\_h] bullshit's there

935  
00:34:32,230 --> 00:34:30,470  
is seriously there someone who run

936  
00:34:33,850 --> 00:34:32,240  
around saying you know I'm under threat

937  
00:34:36,970 --> 00:34:33,860  
oh the sensitive this is sensitive

938  
00:34:39,340 --> 00:34:36,980

information I've briefed X Y & Z people

939

00:34:41,170 --> 00:34:39,350

and they're [h\_\_h] lying well the

940

00:34:43,840 --> 00:34:41,180

government doesn't need some Joe Schmoe

941

00:34:46,330 --> 00:34:43,850

who pretends he's a doctor to go ahead

942

00:34:47,350 --> 00:34:46,340

and you know briefed people basically

943

00:34:49,540 --> 00:34:47,360

they have their own self-contained

944

00:34:51,190 --> 00:34:49,550

system so what I'm saying is if

945

00:34:53,920 --> 00:34:51,200

someone's coming at you like that

946

00:34:56,740 --> 00:34:53,930

most likely it's total [h\_\_h] however

947

00:34:57,880 --> 00:34:56,750

there are some times are documented

948

00:35:00,280 --> 00:34:57,890

where the United States military has

949

00:35:01,990 --> 00:35:00,290

literally run people into the crazy farm

950

00:35:04,060 --> 00:35:02,000

with this is there's a really famous

951  
00:35:05,950 --> 00:35:04,070  
case with a guy named Richard Doty who

952  
00:35:07,750 --> 00:35:05,960  
worked at Nellis Air Force Base and he

953  
00:35:10,030 --> 00:35:07,760  
worked sorry it's Kirtland Air Force

954  
00:35:13,030 --> 00:35:10,040  
Base and he worked for our government

955  
00:35:14,650 --> 00:35:13,040  
and he basically drove a man mad by

956  
00:35:16,720 --> 00:35:14,660  
giving him false information that he was

957  
00:35:25,270 --> 00:35:16,730  
already on to so that stuff does happen

958  
00:35:32,560 --> 00:35:25,280  
hasn't happened to me I don't think I am

959  
00:35:34,120 --> 00:35:32,570  
the worst person big thank you to Jeremy

960  
00:35:36,070 --> 00:35:34,130  
for coming back thanks for having me

961  
00:35:37,750 --> 00:35:36,080  
guys really cool I love your setup here

962  
00:35:38,140 --> 00:35:37,760  
thanks thanks for having me yeah my

963  
00:35:40,780 --> 00:35:38,150

pleasure

964

00:35:42,490 --> 00:35:40,790

you can find patients 17 like he said on

965

00:35:44,380 --> 00:35:42,500

iTunes and pretty much anywhere else

966

00:35:47,740 --> 00:35:44,390

that digital distribution is going on

967

00:35:49,810 --> 00:35:47,750

and keep an eye out back in 2018 it

968

00:35:54,190 --> 00:35:49,820

seems so weird to say that 28 I know but

969

00:35:55,990 --> 00:35:54,200

it is richer 2018 for the Bob Lazar

970

00:35:58,000 --> 00:35:56,000

stuff yeah and all my work can be found

971

00:36:00,130 --> 00:35:58,010

at extraordinary beliefs calm like every

972

00:36:02,110 --> 00:36:00,140

single series that I've created is all
