

# DESERT ORACLE

JEREMY CORBELL + HOST KEN LAYNE

1  
00:00:10,720 --> 00:00:08,200  
transmitting from the mojave wilderness

2  
00:00:13,060 --> 00:00:10,730  
in Joshua Tree California now is the

3  
00:00:24,579 --> 00:00:13,070  
time for desert Oracle radio the voice

4  
00:00:27,489 --> 00:00:24,589  
of the desert I don't know if you saw

5  
00:00:32,619 --> 00:00:27,499  
the news on Saturday but it has been

6  
00:00:38,709 --> 00:00:32,629  
revealed that the United States

7  
00:00:45,669 --> 00:00:38,719  
Department of Defense has for many years

8  
00:00:51,069 --> 00:00:45,679  
run a secret black budget UFO research

9  
00:00:53,860 --> 00:00:51,079  
program out of the Pentagon when it was

10  
00:00:58,599 --> 00:00:53,870  
the big news on Saturday the big news

11  
00:01:02,369 --> 00:00:58,609  
and the New York Times I have often

12  
00:01:06,600 --> 00:01:02,379  
wondered what it would be like when the

13  
00:01:12,240 --> 00:01:06,610

US government confirmed that

14

00:01:19,690 --> 00:01:12,250

unidentified aerial phenomena were real

15

00:01:23,380 --> 00:01:19,700

and here we are our friend Jeremy Canyon

16

00:01:27,399 --> 00:01:23,390

Lockyer Korbelt the documentary filmmaker

17

00:01:31,139 --> 00:01:27,409

at extraordinary beliefs calm has just

18

00:01:35,679 --> 00:01:31,149

returned to pioneer town from the

19

00:01:38,920 --> 00:01:35,689

mysterious Utah ranch mentioned in that

20

00:01:45,029 --> 00:01:38,930

New York Times article Jeremy let's get

21

00:01:56,310 --> 00:01:45,039

right to it what we have long known is

22

00:01:56,320 --> 00:02:03,930

[Applause]

23

00:02:10,630 --> 00:02:09,010

there is an active UFO program within

24

00:02:13,750 --> 00:02:10,640

the United States government well-funded

25

00:02:17,290 --> 00:02:13,760

by the black budgets now Dana White was

26  
00:02:19,150 --> 00:02:17,300  
the pentagon spokeswoman she confirmed

27  
00:02:21,760 --> 00:02:19,160  
the advanced aviation threat

28  
00:02:25,120 --> 00:02:21,770  
identification program she claimed it

29  
00:02:27,460 --> 00:02:25,130  
ended in 2012 I personally know that to

30  
00:02:33,190 --> 00:02:27,470  
be untrue and I think that information

31  
00:02:36,030 --> 00:02:33,200  
will be coming out soon you are just

32  
00:02:39,190 --> 00:02:36,040  
back in pioneer town from where

33  
00:02:41,440 --> 00:02:39,200  
skinwalker ranch now that is very

34  
00:02:44,949 --> 00:02:41,450  
convenient Jeremy what were you doing at

35  
00:02:46,960 --> 00:02:44,959  
skinwalker ranch so skinwalker ranch as

36  
00:02:50,050 --> 00:02:46,970  
we talked about before on your show is

37  
00:02:55,030 --> 00:02:50,060  
this location that is known as one of

38  
00:02:58,210 --> 00:02:55,040

the many global hot spots for anomalous

39

00:03:00,940 --> 00:02:58,220

activity which includes UFOs

40

00:03:03,430 --> 00:03:00,950

it used to be owned by Robert Bigelow it

41

00:03:06,550 --> 00:03:03,440

is under new ownership and this last

42

00:03:09,310 --> 00:03:06,560

trip out there was tectonic know the

43

00:03:11,860 --> 00:03:09,320

mirror Times mentions the Utah ranch

44

00:03:13,720 --> 00:03:11,870

that big loan says he passed ownership

45

00:03:16,720 --> 00:03:13,730

on to another organization or as an

46

00:03:19,420 --> 00:03:16,730

individual in fact yeah Bigelow did sell

47

00:03:21,520 --> 00:03:19,430

the ranch this is it public information

48

00:03:24,580 --> 00:03:21,530

if people look he did sell the ranch but

49

00:03:27,430 --> 00:03:24,590

the new owner wishes to remain anonymous

50

00:03:29,050 --> 00:03:27,440

at this time and there's no way for

51  
00:03:30,970 --> 00:03:29,060  
people the public in general to find out

52  
00:03:33,190 --> 00:03:30,980  
specifically who it is I don't think

53  
00:03:36,640 --> 00:03:33,200  
that's the most important part however

54  
00:03:38,890 --> 00:03:36,650  
did you buy skinwalker ranch Jeremy you

55  
00:03:40,690 --> 00:03:38,900  
know what I I was on the cusp of

56  
00:03:43,479 --> 00:03:40,700  
throwing down to be part owner I mean

57  
00:03:45,490 --> 00:03:43,489  
what not good lord

58  
00:03:48,039 --> 00:03:45,500  
yeah that'd be that'd be the air B&B

59  
00:03:51,220 --> 00:03:48,049  
from hell that would literally be the

60  
00:03:54,039 --> 00:03:51,230  
air B&B from hell however there needs to

61  
00:03:56,620 --> 00:03:54,049  
be security at the ranch not just

62  
00:04:00,069 --> 00:03:56,630  
because of the reported phenomenon but

63  
00:04:02,440 --> 00:04:00,079

also just because people are trespassing

64

00:04:04,120 --> 00:04:02,450

and that's an area of the world like out

65

00:04:06,850 --> 00:04:04,130

here in pioneer town where you're gonna

66

00:04:10,119 --> 00:04:06,860

be on the wrong end of a shotgun if you

67

00:04:12,010 --> 00:04:10,129

start trespassing this is indeed cattle

68

00:04:13,450 --> 00:04:12,020

country and people take their privacy

69

00:04:15,160 --> 00:04:13,460

very seriously

70

00:04:18,670 --> 00:04:15,170

Walker Ranch is a privately owned

71

00:04:21,460 --> 00:04:18,680

location and people may not go there I'm

72

00:04:24,370 --> 00:04:21,470

us invited we've been doing this work

73

00:04:26,470 --> 00:04:24,380

out there for quite some time and

74

00:04:28,810 --> 00:04:26,480

following in the footsteps and with

75

00:04:31,450 --> 00:04:28,820

George Knapp who has really laid the

76

00:04:32,950 --> 00:04:31,460

foundation for 20 years to be able to

77

00:04:35,050 --> 00:04:32,960

report on this and with the sale of the

78

00:04:38,350 --> 00:04:35,060

ranch from Bigelow we're able to now

79

00:04:41,800 --> 00:04:38,360

open the story wide our number one goal

80

00:04:44,560 --> 00:04:41,810

was to work with current law enforcement

81

00:04:47,410 --> 00:04:44,570

the tribal police because the reports of

82

00:04:49,360 --> 00:04:47,420

phenomenon that occur all around the UN

83

00:04:52,060 --> 00:04:49,370

- basin not just the ranch are so

84

00:04:54,100 --> 00:04:52,070

spectacular we figured a good angle to

85

00:04:56,980 --> 00:04:54,110

understand this was to speak with the

86

00:05:00,910 --> 00:04:56,990

law enforcement that needed and needs to

87

00:05:04,060 --> 00:05:00,920

respond to these events seriously but

88

00:05:07,570 --> 00:05:04,070

for me the biggest thing about this trip

89

00:05:09,660 --> 00:05:07,580

was to finally peel back a layer and

90

00:05:12,520 --> 00:05:09,670

that was to speak with long-term

91

00:05:14,470 --> 00:05:12,530

residents people who lived out there

92

00:05:15,730 --> 00:05:14,480

in that area surrounding the ranch

93

00:05:18,970 --> 00:05:15,740

because the ranch is just the most

94

00:05:22,900 --> 00:05:18,980

studied area the entire you intubation

95

00:05:24,970 --> 00:05:22,910

is subject to high activity so talking

96

00:05:27,640 --> 00:05:24,980

with people who have lived out there for

97

00:05:31,600 --> 00:05:27,650

30 years or more this was the most

98

00:05:33,370 --> 00:05:31,610

emotional part of the trip finally I got

99

00:05:36,700 --> 00:05:33,380

to sit down with somebody I had been

100

00:05:40,390 --> 00:05:36,710

speaking with for months and get her on

101  
00:05:42,400 --> 00:05:40,400  
camera her experiences mirror their

102  
00:05:44,620 --> 00:05:42,410  
experiences that were reported in George

103  
00:05:46,180 --> 00:05:44,630  
Nelson column Kelleher's book called

104  
00:05:48,790 --> 00:05:46,190  
hunt for the skinwalker

105  
00:05:50,920 --> 00:05:48,800  
after months of talking about these

106  
00:05:53,950 --> 00:05:50,930  
experiences in a positive light the

107  
00:05:57,520 --> 00:05:53,960  
moment I clicked record she had an

108  
00:06:00,750 --> 00:05:57,530  
absolute emotional meltdown and the

109  
00:06:05,800 --> 00:06:00,760  
question they want answered is is this

110  
00:06:09,040 --> 00:06:05,810  
paranormal is this real phenomena or is

111  
00:06:12,130 --> 00:06:09,050  
this some sick and twisted experiment

112  
00:06:14,770 --> 00:06:12,140  
like MKULTRA by the United States

113  
00:06:17,170 --> 00:06:14,780

government she wants to know skinwalker

114

00:06:20,350 --> 00:06:17,180

ranch it's in the UN - based in the UN -

115

00:06:22,750 --> 00:06:20,360

basin is a sovereign nation by the ute

116

00:06:24,850 --> 00:06:22,760

tribe one of the areas of high activity

117

00:06:26,570 --> 00:06:24,860

of bottle hollow it's an area where

118

00:06:28,850 --> 00:06:26,580

there's lots of reports and that's

119

00:06:30,530 --> 00:06:28,860

we were actually allowed with permits

120

00:06:33,710 --> 00:06:30,540

for the first time ever being given out

121

00:06:36,860 --> 00:06:33,720

media permits to film and to camp in

122

00:06:39,020 --> 00:06:36,870

that area on this last trip we actually

123

00:06:42,050 --> 00:06:39,030

were the first ever to get permits again

124

00:06:44,330 --> 00:06:42,060

to film and to spend time at a place

125

00:06:47,990 --> 00:06:44,340

called dark Canyon dark Canyon is the

126  
00:06:50,420 --> 00:06:48,000  
mouth kind of where the the water flows

127  
00:06:52,880 --> 00:06:50,430  
down through towards the area of

128  
00:06:55,150 --> 00:06:52,890  
skinwalker ranch so they say that the

129  
00:06:58,310 --> 00:06:55,160  
path of the skinwalker like any animal

130  
00:07:01,430 --> 00:06:58,320  
follows that stream or follows that

131  
00:07:04,310 --> 00:07:01,440  
water so up where we were in dark Canyon

132  
00:07:05,810 --> 00:07:04,320  
was known to be more of the home of the

133  
00:07:07,420 --> 00:07:05,820  
skinwalker which was terribly

134  
00:07:10,700 --> 00:07:07,430  
frightening being out there at midnight

135  
00:07:14,600 --> 00:07:10,710  
you sent me some pictures from the ranch

136  
00:07:18,110 --> 00:07:14,610  
during your recent trip one you're in a

137  
00:07:21,050 --> 00:07:18,120  
pasture or field pointing at what looks

138  
00:07:23,450 --> 00:07:21,060

like a drainage canal or I'm not quite

139

00:07:26,090 --> 00:07:23,460

sure what it was but he said this is the

140

00:07:27,440 --> 00:07:26,100

center of the recent activity what was

141

00:07:29,690 --> 00:07:27,450

that picture of and what's going on

142

00:07:33,530 --> 00:07:29,700

there that's just a river that basically

143

00:07:36,680 --> 00:07:33,540

runs through skinwalker ranch there was

144

00:07:39,650 --> 00:07:36,690

a particular area right before homestead

145

00:07:41,570 --> 00:07:39,660

- that is an area that is described in

146

00:07:43,220 --> 00:07:41,580

the book that George Knapp and Colin

147

00:07:45,200 --> 00:07:43,230

Kelleher wrote where some of the

148

00:07:48,440 --> 00:07:45,210

scientists were there and they saw what

149

00:07:51,530 --> 00:07:48,450

looked like geometric porthole that

150

00:07:53,690 --> 00:07:51,540

opened up and a creature climbed out of

151

00:07:55,580 --> 00:07:53,700

it additionally it's where the original

152

00:07:59,180 --> 00:07:55,590

owner of the ranch when this all started

153

00:08:01,850 --> 00:07:59,190

going down saw the sky split open on

154

00:08:04,040 --> 00:08:01,860

multiple occasions showing a different

155

00:08:06,620 --> 00:08:04,050

reality on the other side of that sky

156

00:08:09,410 --> 00:08:06,630

and craft flying out so that that photo

157

00:08:11,420 --> 00:08:09,420

was essentially showing this path where

158

00:08:14,000 --> 00:08:11,430

some of the highest activity occur I

159

00:08:15,980 --> 00:08:14,010

mean remember another person mentioned

160

00:08:18,530 --> 00:08:15,990

in these articles it's very important as

161

00:08:22,160 --> 00:08:18,540

the first American to orbit the earth

162

00:08:25,670 --> 00:08:22,170

its former Senator John Glenn so John

163

00:08:29,360 --> 00:08:25,680

Glenn had experiences that he reported

164

00:08:31,760 --> 00:08:29,370

to Senator Harry Reid that was also part

165

00:08:35,510 --> 00:08:31,770

of the push to take this seriously and

166

00:08:37,910 --> 00:08:35,520

let's just quote Lou Elizondo again here

167

00:08:40,370 --> 00:08:37,920

in one of the articles you know he makes

168

00:08:43,460 --> 00:08:40,380

the point if a Russian bear bomber

169

00:08:46,850 --> 00:08:43,470

comes in near California it is all over

170

00:08:50,840 --> 00:08:46,860

the news these are coming in the skies

171

00:08:53,570 --> 00:08:50,850

over our facilities nothing but crickets

172

00:08:56,450 --> 00:08:53,580

so his point is that when you have these

173

00:08:59,600 --> 00:08:56,460

AAA v's or anomalous aerial vehicles

174

00:09:02,990 --> 00:08:59,610

flying saucers coming over nuclear

175

00:09:05,180 --> 00:09:03,000

facilities and shutting down for example

176

00:09:07,790 --> 00:09:05,190

ten minute men intercontinental

177

00:09:10,250 --> 00:09:07,800

ballistic missiles like they did when

178

00:09:13,970 --> 00:09:10,260

Robert Salas was in command of those

179

00:09:17,870 --> 00:09:13,980

missiles when you have missiles shut

180

00:09:20,660 --> 00:09:17,880

down by UFOs this is an aspect of

181

00:09:25,340 --> 00:09:20,670

national security that requires our

182

00:09:27,560 --> 00:09:25,350

funding and our attention these events

183

00:09:30,080 --> 00:09:27,570

they are occurring and have been

184

00:09:33,350 --> 00:09:30,090

occurring ever since we've been watching

185

00:09:37,370 --> 00:09:33,360

we're bombarded by so much information

186

00:09:40,160 --> 00:09:37,380

on a daily basis in the news cycle that

187

00:09:43,370 --> 00:09:40,170

it was easy to miss that the Pentagon

188

00:09:44,930 --> 00:09:43,380

and the New York Times and the former

189

00:09:48,350 --> 00:09:44,940

leader of the US Senate we're all

190

00:09:49,220 --> 00:09:48,360

declaring on the record that we are not

191

00:09:52,700 --> 00:09:49,230

alone

192

00:09:55,280 --> 00:09:52,710

UFOs are real that is precisely what was

193

00:09:58,550 --> 00:09:55,290

said yesterday it is a message that is

194

00:10:01,790 --> 00:09:58,560

yet to has really sunk in it's gonna get

195

00:10:04,520 --> 00:10:01,800

much stranger there's a great mind in

196

00:10:08,120 --> 00:10:04,530

this field named Jacques Vallee Jacques

197

00:10:12,230 --> 00:10:08,130

Vallee was a participant in creating the

198

00:10:15,650 --> 00:10:12,240

ETH the extra-terrestrial hypothesis he

199

00:10:18,740 --> 00:10:15,660

abandoned this hypothesis all the way

200

00:10:21,890 --> 00:10:18,750

back probably in 1960s because he

201  
00:10:25,540 --> 00:10:21,900  
realized the data no longer supported

202  
00:10:27,770 --> 00:10:25,550  
that theory that these craft were simply

203  
00:10:31,100 --> 00:10:27,780  
extraterrestrials visiting from other

204  
00:10:34,640 --> 00:10:31,110  
star systems what we have learned since

205  
00:10:39,380 --> 00:10:34,650  
the 60s is that this display this UFO

206  
00:10:41,540 --> 00:10:39,390  
display that it is much more complex in

207  
00:10:45,230 --> 00:10:41,550  
the old days you know we talked about

208  
00:10:50,000 --> 00:10:45,240  
these entities and these craft in the

209  
00:10:51,740 --> 00:10:50,010  
skies in terms of gods and demons are we

210  
00:10:53,120 --> 00:10:51,750  
going to find out that's correct an

211  
00:10:55,630 --> 00:10:53,130  
advanced

212  
00:10:58,780 --> 00:10:55,640  
seen from the perspective of an

213  
00:11:03,170 --> 00:10:58,790

unintelligible society might appear

214

00:11:06,970 --> 00:11:03,180

magical and mystical godlike there is

215

00:11:10,430 --> 00:11:06,980

more often than not some sort of

216

00:11:13,700 --> 00:11:10,440

physical psychological and spiritual

217

00:11:16,870 --> 00:11:13,710

experience that people have with other

218

00:11:20,240 --> 00:11:16,880

entities that seem to appear

219

00:11:29,670 --> 00:11:20,250

biological and seem to tell a narrative

220

00:11:37,180 --> 00:11:33,250

we have been speaking to Jeremy Korb

221

00:11:39,520 --> 00:11:37,190

of extraordinary beliefs calm Jeremy

222

00:11:42,010 --> 00:11:39,530

you've got a movie out right now tell us

223

00:11:43,990 --> 00:11:42,020

about that one so that movie is called

224

00:11:47,080 --> 00:11:44,000

patient seventeen and it's about an

225

00:11:50,170 --> 00:11:47,090

alleged alien implant removal it is

226

00:12:04,240 --> 00:11:50,180

currently on iTunes my next film will be

227

00:12:06,520 --> 00:12:04,250

on Bob Lazar from Amboy twos Isaac's and

228

00:12:08,460 --> 00:12:06,530

across the Great Mojave wilderness this

229

00:12:13,480 --> 00:12:08,470

has been desert Oracle radio

230

00:12:16,360 --> 00:12:13,490

broadcasting from KC DZ 107.7 FM in

231

00:12:18,940 --> 00:12:16,370

downtown Joshua Tree all over 29 palms

232

00:12:21,280 --> 00:12:18,950

clear across Yucca Valley boy you can

233

00:12:24,060 --> 00:12:21,290

hear it and Kelso and the airs just
