1
00:00:03,740 --> 00:00:02,659
when you try to study something like the

2
00:00:05,599 --> 00:00:03,750
skinwalker ranch

3
00:00:08,750 --> 00:00:05,609
you've got to cast a really wide net

4
00:00:13,520 --> 00:00:08,760
because ultimately this mystery Widow

5
00:00:15,379 --> 00:00:13,530
what the hell Adaeze you know there's

6
00:00:17,029 --> 00:00:15,389
more to a story and you're not allowed

7
00:00:19,340 --> 00:00:17,039
to talk about it that's a human burden

8
00:00:21,109 --> 00:00:19,350
yeah I mean it was it was frustrating in

9
00:00:22,250 --> 00:00:21,119
the beginning because column and Bob

10
00:00:23,870 --> 00:00:22,260
Bigelow would tell me these stories

11
00:00:24,710 --> 00:00:23,880
about what was going on the property and

12
00:00:27,560 --> 00:00:24,720
I couldn't tell anyone

13
00:00:30,529 --> 00:00:27,570

there's a lot uncovering all of this huh

14
00:00:32,540 --> 00:00:30,539
Soper whelming this is stuff material

15
00:00:35,090 --> 00:00:32,550
that's specific to the ranch I saved

16
00:00:37,190 --> 00:00:35,100
every scrap of paper ever since dr.

17
00:00:39,470 --> 00:00:37,200
Colin Kelleher and Bob Bigelow sort of

18
00:00:41,270 --> 00:00:39,480
brought me into the loop is there more

19
00:00:44,720 --> 00:00:41,280
to tell now there's a lot more to tell

20
00:00:47,209 --> 00:00:44,730
this is 30 or 40 hours of material that

21
00:00:50,660 --> 00:00:47,219
the public has never seen before sort of

22
00:00:52,160 --> 00:00:50,670
like a veil of secrecy we are being

23
00:00:54,200 --> 00:00:52,170
manipulated by some kind of an

24
00:00:56,240 --> 00:00:54,210
intelligence the things that happened on

25
00:00:58,520 --> 00:00:56,250
the ranch are real what we don't know is
