HUNT FOR THE
SKINWALKER

1
00:00:04,639 --> 00:00:03,409
when you try to study something like the

2
00:00:06,349 --> 00:00:04,649
skinwalker ranch

3
00:00:09,500 --> 00:00:06,359
you've got to cast a really wide net

4
00:00:14,509 --> 00:00:09,510
because ultimately this mystery Widow

5
00:00:16,339 --> 00:00:14,519
what the holidays you know there's more

6
00:00:18,590 --> 00:00:16,349
to a story and you're not allowed to

7
00:00:20,270 --> 00:00:18,600
talk about it that's a human burden yeah

8
00:00:22,160 --> 00:00:20,280
I mean it was it was frustrating in the

9
00:00:23,750 --> 00:00:22,170
beginning because colum and Bob Bigelow

10
00:00:25,040 --> 00:00:23,760
would tell me these stories about what

11
00:00:27,470 --> 00:00:25,050
was going on the property and I couldn't

12
00:00:28,370 --> 00:00:27,480
tell anyone there's a lot uncovering all

13
00:00:31,340 --> 00:00:28,380

of this huh

14
00:00:33,380 --> 00:00:31,350
so for whelming this is stuff material

15
00:00:36,079 --> 00:00:33,390
that's specific to the ranch I saved

16
00:00:38,000 --> 00:00:36,089
every scrap of paper ever since dr.

17
00:00:40,309 --> 00:00:38,010
Colin Kelleher and Bob Bigelow sort of

18
00:00:42,079 --> 00:00:40,319
brought me into the loop is there more

19
00:00:45,500 --> 00:00:42,089
to tell now there's a lot more to tell

20
00:00:47,270 --> 00:00:45,510
this is 30 or 40 hours of material that

21
00:00:51,139 --> 00:00:47,280
the public has never seen before

22
00:00:52,939 --> 00:00:51,149
sort of like a veil of secrecy we are

23
00:00:54,979 --> 00:00:52,949
being manipulated by some kind of an

24
00:00:57,229 --> 00:00:54,989
intelligence the things that happened on

25
00:00:59,270 --> 00:00:57,239
the ranch are real what we don't know is
