

HUNT FOR THE SKINWALKER

A JEREMY KENYON LOCKYER CORBELL FILM

OFFICIAL TRAILER

1
00:00:11,749 --> 00:00:09,169
the global public is not ready

2
00:00:15,320 --> 00:00:11,759
they have global confirmation areas a

3
00:00:21,290 --> 00:00:15,330
lot of disturbing things will occur it's

4
00:00:24,830 --> 00:00:21,300
just too powerful skinwalker ranch this

5
00:00:27,680 --> 00:00:24,840
is like the area 51 of the paranormal it

6
00:00:29,870 --> 00:00:27,690
was not a single phenomena there were a

7
00:00:31,910 --> 00:00:29,880
host of things that happened

8
00:00:34,130 --> 00:00:31,920
have there been experiences there that

9
00:00:38,090 --> 00:00:34,140
have shaken the Pentagon and CIA and

10
00:00:40,130 --> 00:00:38,100
other agencies absolutely nobody knows

11
00:00:45,560 --> 00:00:40,140
what we're dealing with that's the

12
00:00:48,020 --> 00:00:45,570
bottom line nobody knows this is 30 or

13
00:00:52,310 --> 00:00:48,030

40 hours of material that the public has

14

00:00:54,530 --> 00:00:52,320

never seen before they saw this humanoid

15

00:00:58,229 --> 00:00:54,540

creature crawling through this tunnel

16

00:01:04,240 --> 00:01:02,410

something for 2,000 pound bulls to cram

17

00:01:06,399 --> 00:01:04,250

themselves into this trailer without

18

00:01:10,600 --> 00:01:06,409

opening this door it's completely

19

00:01:13,120 --> 00:01:10,610

impossible I've seen things that icon

20

00:01:15,219 --> 00:01:13,130

explained this was one of the most

21

00:01:19,030 --> 00:01:15,229

surprising things that we recorded right

22

00:01:22,120 --> 00:01:19,040

after I purchased the ranch is it really

23

00:01:24,790 --> 00:01:22,130

oh yes and I believe it is something is

24

00:01:28,450 --> 00:01:24,800

here these are real tangible physical

25

00:01:31,719 --> 00:01:28,460

events this is ancient it's one thing to

26

00:01:35,200 --> 00:01:31,729

be reading about UFOs or other realities

27

00:01:37,210 --> 00:01:35,210

or interdimensional it's another thing
