shaped objects were seen flying saucers

4
00:00:21,140 --> 00:00:18,210
some witnesses observing the display

5
00:00:24,769 --> 00:00:21,150
from close proximity from underneath the

00:00:29,730 --> 00:00:24,779
craft UFOs were buzzing the locals with

7
00:00:29,740 --> 00:00:33,450
[Music]

8
00:00:39,490 --> 00:00:36,250
nothing really changes it is constant

9
00:00:42,040 --> 00:00:39,500
the phenomenon is engaging people it's a

10
00:00:47,910 --> 00:00:42,050
pattern of close encounters it's

11
00:00:50,470 --> 00:00:47,920
commonplace people hunt the cause

12
00:00:52,450 --> 00:00:50,480
scientists investigate the carnage the

13
00:00:54,910 --> 00:00:52,460

nits team tried to quantify the

performances

15
00:01:04,960 --> 00:01:02,380
[Music]

00:01:07,420 --> 00:01:04,970
they created control studies for plant

17
00:01:12,010 --> 00:01:07,430
growth they monitored the environment

18
00:01:15,910 --> 00:01:12,020
they calculated the variables they

19
00:01:17,830 --> 00:01:15,920
analyzed every event but mostly they

20
00:01:20,800 --> 00:01:17,840
waited for the phenomenon to express

21
00:01:23,460 --> 00:01:20,810
itself and the phenomenon seemed toy

22
00:01:26,620 --> 00:01:23,470
with them to play games with them

23
00:01:31,719 --> 00:01:26,630
silence followed by dramatic displays of

24
00:01:49,680 --> 00:01:31,729
control it did what it wanted it does
