[Music]

2  
00:00:17,990 --> 00:00:16,279  
after all these years everybody's making

3  
00:00:19,790 --> 00:00:18,000  
jokes that bob was the janitor at los

4  
00:00:22,040 --> 00:00:19,800  
alamos he never worked there okay he's

5  
00:00:23,900 --> 00:00:22,050  
in the phone book I've talked to a bunch

6  
00:00:25,640 --> 00:00:23,910  
of individuals that were that knew him

7  
00:00:27,710 --> 00:00:25,650  
from working with him there but I

8  
00:00:29,839 --> 00:00:27,720  
couldn't go public with it finally I

9  
00:00:31,900 --> 00:00:29,849  
found a brave individual who was willing

10  
00:00:36,549 --> 00:00:31,910  
to talk to me on the record about

11  
00:00:39,680 --> 00:00:36,559  
working with Bob Lazar at Los Alamos in

12  
00:00:42,680 --> 00:00:39,690  
scientific capacity being in briefings

13  
00:00:45,170 --> 00:00:42,690

classified briefings which by the way

14

00:00:47,680 --> 00:00:45,180

the janitors are not invited to the

15

00:00:50,270 --> 00:00:47,690

highly technical classified briefings

16

00:00:52,369 --> 00:00:50,280

with Bob Lazar and his name was dr.

17

00:00:54,979 --> 00:00:52,379

Robert Crandall I have all of his

18

00:00:56,779 --> 00:00:54,989

documents all of his paperwork from all

19

00:00:59,270 --> 00:00:56,789

the contracts that he did during that

20

00:01:01,340 --> 00:00:59,280

time period at multitude of bases

21

00:01:03,380 --> 00:01:01,350

including Los Alamos during that time

22

00:01:05,450 --> 00:01:03,390

dr. Craig was telling the truth I can

23

00:01:07,280 --> 00:01:05,460

prove it what was your impression of

24

00:01:09,649 --> 00:01:07,290

what bob was doing at Los Alamos in the

25

00:01:11,899 --> 00:01:09,659

80s I didn't know what he was up to any

26  
00:01:14,600 --> 00:01:11,909  
more than he knew what I was up to but

27  
00:01:16,670 --> 00:01:14,610  
you did know that he was a physicist yes

28  
00:01:18,530 --> 00:01:16,680  
and that was very clear to you that he

29  
00:01:21,620 --> 00:01:18,540  
was a physicist at Los Alamos and not

30  
00:01:23,450 --> 00:01:21,630  
again like the janitor right so he

31  
00:01:25,760 --> 00:01:23,460  
worked there and he went on record with

32  
00:01:28,070 --> 00:01:25,770  
me and says of course remember bob bob

33  
00:01:29,929 --> 00:01:28,080  
was the jet car guy he was a rock star

34  
00:01:31,999 --> 00:01:29,939  
he looks like Mick Jagger how can you

35  
00:01:34,160 --> 00:01:32,009  
not remember Bob I remember bob bob was

36  
00:01:36,200 --> 00:01:34,170  
cool as and yeah yeah he worked at

37  
00:01:38,510 --> 00:01:36,210  
los alamos big deal am i big deal to

38  
00:01:40,940 --> 00:01:38,520

beYOU it's a big deal man and he goes

39

00:01:43,010 --> 00:01:40,950

why and I'm like because he's got a

40

00:01:44,389 --> 00:01:43,020

bigger story and everybody says a good

41

00:01:45,560 --> 00:01:44,399

link to that is did he work at los

42

00:01:49,010 --> 00:01:45,570

alamos because if he worked at los

43

00:01:50,060 --> 00:01:49,020

alamos there is a possible reason he

44

00:01:52,300 --> 00:01:50,070

could have been picked up to work on a

45

00:01:56,480 --> 00:01:52,310

highly classified project through EG&G

46

00:01:59,149 --> 00:01:56,490

to go to the test site and work on this

47

00:02:01,850 --> 00:01:59,159

non-terrestrial stuff and dr. Waring was

48

00:02:03,350 --> 00:02:01,860

like okay whatever so I got him on

49

00:02:07,190 --> 00:02:03,360

record the guy's a really funny guy

50

00:02:09,680 --> 00:02:07,200

really smart and next thing you know I

51  
00:02:12,410 --> 00:02:09,690  
published it next - should have warned

52  
00:02:13,770 --> 00:02:12,420  
him he starts getting inundated by calls

53  
00:02:16,680 --> 00:02:13,780  
by Stan Freeman just

54  
00:02:22,140 --> 00:02:16,690  
inundated you know I mean God you know I

55  
00:02:27,480 --> 00:02:22,150  
love Stan Stan and I like him we totally

56  
00:02:29,220 --> 00:02:27,490  
disagree because Stan's wrong so yeah so

57  
00:02:31,710 --> 00:02:29,230  
he attacked dr. Crangle on the phone

58  
00:02:33,420 --> 00:02:31,720  
trying to belittle what dr. Crangle said

59  
00:02:35,340 --> 00:02:33,430  
he goes Jeremy what did you do I this

60  
00:02:36,930 --> 00:02:35,350  
guy keeps calling me all I did was tell

61  
00:02:38,820 --> 00:02:36,940  
you a little thing and he won't leave me

62  
00:02:41,250 --> 00:02:38,830  
alone I'm like yeah he's looking to try

63  
00:02:43,350 --> 00:02:41,260

to discredit you because he's invested

64

00:02:45,360 --> 00:02:43,360

in it not being true about Bob Lazar I

65

00:02:48,300 --> 00:02:45,370

said just tell him what you told me tell

66

00:02:49,890 --> 00:02:48,310

him the truth so anyway you know anyway

67

00:02:52,229 --> 00:02:49,900

you get around it here's a physicist

68

00:02:53,850 --> 00:02:52,239

work to Los Alamos inside the capacity

69

00:03:01,070 --> 00:02:53,860

was in security briefings with Bob Lazar
