

A UFO flying over a desert landscape with mountains in the background. The UFO is a classic saucer shape with a glowing blue light underneath. The background features a desert with mountains under a hazy sky. A rainbow is visible on the right side of the image. The text is overlaid on the image.

UFO PRESENTATION

BOB LAZAR : AREA 51 & FLYING SAUCERS

- BY JEREMY KENYON LOCKYER CORBELL -

1
00:00:03,820 --> 00:00:12,700

[Music]

2
00:00:17,029 --> 00:00:14,799

Jeremy Fogel

3
00:00:21,410 --> 00:00:17,039

everybody thanks for having me back

4
00:00:23,720 --> 00:00:21,420

again today wow I just got out of

5
00:00:25,609 --> 00:00:23,730

editing a movie come here to join you

6
00:00:29,210 --> 00:00:25,619

guys and had to whip together this

7
00:00:31,790 --> 00:00:29,220

presentation current and modern because

8
00:00:35,620 --> 00:00:31,800

so much of this footage I've never been

9
00:00:39,020 --> 00:00:35,630

able to show anybody this is the case of

10
00:00:41,840 --> 00:00:39,030

bob lazar who in this audience is

11
00:00:44,690 --> 00:00:41,850

unfamiliar with the claims of bob lazar

12
00:00:49,090 --> 00:00:44,700

don't be shy raise your hands I need to

13
00:00:53,270 --> 00:00:49,100

know cool that's gonna change okay

14

00:00:57,770 --> 00:00:53,280

so this case is really close to my heart

15

00:01:01,069 --> 00:00:57,780

because it is the reason most likely

16

00:01:03,740 --> 00:01:01,079

that I got interested in UFOs at all

17

00:01:06,830 --> 00:01:03,750

this was before I started looking into

18

00:01:09,980 --> 00:01:06,840

the subject it was before I even knew

19

00:01:13,070 --> 00:01:09,990

anything about the subject probably like

20

00:01:15,530 --> 00:01:13,080

most of you I heard Bob Lazarre's claims

21

00:01:18,109 --> 00:01:15,540

and that's what inspired me to try to

22

00:01:21,649 --> 00:01:18,119

find out is he telling the truth

23

00:01:24,380 --> 00:01:21,659

the central question about Bob Lazar and

24

00:01:27,950 --> 00:01:24,390

his story if he's telling the truth it's

25

00:01:30,800 --> 00:01:27,960

huge it's game-changing but there's that

26

00:01:33,710 --> 00:01:30,810

nagging question do you believe Bob

27

00:01:36,560 --> 00:01:33,720

Lazar so I'm not gonna try to convince

28

00:01:39,590 --> 00:01:36,570

you one way or the other I'm gonna just

29

00:01:42,050 --> 00:01:39,600

show you my journey in trying to get

30

00:01:44,359 --> 00:01:42,060

closer to that truth for those of you

31

00:01:46,639 --> 00:01:44,369

that I've never met I'm an investigative

32

00:01:49,580 --> 00:01:46,649

filmmaker self-proclaimed

33

00:01:52,100 --> 00:01:49,590

okay I make films that I investigate

34

00:01:53,510 --> 00:01:52,110

things I think anybody with an iPhone

35

00:01:56,420 --> 00:01:53,520

these days can be an investigative

36

00:01:58,789 --> 00:01:56,430

filmmaker eventually have to put the the

37

00:02:00,709 --> 00:01:58,799

film out the movies out and I've been

38

00:02:02,569 --> 00:02:00,719

luckily been able to do that recently

39

00:02:07,639 --> 00:02:02,579

just kind of started after all these

40

00:02:09,830 --> 00:02:07,649

years I can put this footage out there

41

00:02:11,660 --> 00:02:09,840

will probably be a lot of questions

42

00:02:14,240 --> 00:02:11,670

after the presentation about Bob Lazar

43

00:02:16,250 --> 00:02:14,250

so I will leave some room for that for

44

00:02:18,949 --> 00:02:16,260

those either want to talk about that

45

00:02:22,610 --> 00:02:18,959

because it's a complex case but I have

46

00:02:26,870 --> 00:02:22,620

to take you all the way back to 1989 in

47

00:02:29,870 --> 00:02:26,880

order to start this story so again my

48

00:02:32,960 --> 00:02:29,880

curiosity was weaponized when I heard

49

00:02:35,059 --> 00:02:32,970

Bob's claims he was on the radio with my

50

00:02:36,680 --> 00:02:35,069

mentor and journalism George Knapp and I

51
00:02:39,470 --> 00:02:36,690
heard them talking about the propulsion

52
00:02:43,390 --> 00:02:39,480
system that Bob said he back engineered

53
00:02:47,780 --> 00:02:43,400
at a sub base of area 51 called s4

54
00:02:50,300 --> 00:02:47,790
nobody had ever heard about s4 it was

55
00:02:51,920 --> 00:02:50,310
not a subject of conversation nobody

56
00:02:54,460 --> 00:02:51,930
even knew about the area that he was

57
00:02:57,800 --> 00:02:54,470
that he was claiming this was going on

58
00:03:00,050 --> 00:02:57,810
totally new information but the part

59
00:03:03,589 --> 00:03:00,060
that stuck with me was the way he

60
00:03:06,740 --> 00:03:03,599
described propulsion that was my

61
00:03:09,050 --> 00:03:06,750
interest typically if you want to make

62
00:03:11,270 --> 00:03:09,060
something move forward you have to have

63
00:03:14,660 --> 00:03:11,280

something pushing back it's really

64

00:03:17,449 --> 00:03:14,670

simple but the way he described this

65

00:03:21,259 --> 00:03:17,459

propulsion system was completely

66

00:03:24,170 --> 00:03:21,269

counterintuitive his claim was that

67

00:03:28,430 --> 00:03:24,180

these non terrestrial craft these flying

68

00:03:30,530 --> 00:03:28,440

saucers that he saw and had a chance to

69

00:03:35,270 --> 00:03:30,540

try to work on one of the propulsion

70

00:03:38,660 --> 00:03:35,280

systems worked by generating gravity

71

00:03:41,750 --> 00:03:38,670

waves and if you can generate a gravity

72

00:03:43,599 --> 00:03:41,760

wave and you can distort or amplify a

73

00:03:48,319 --> 00:03:43,609

gravity wave you can distort space-time

74

00:03:51,020 --> 00:03:48,329

space-time and gravity they're they they

75

00:03:54,110 --> 00:03:51,030

all operate together so if you affect

76
00:03:57,860 --> 00:03:54,120
one you affect the others basic physics

77
00:04:01,160 --> 00:03:57,870
the way that he described it the best

78
00:04:02,720 --> 00:04:01,170
way I can imagine it is the way exactly

79
00:04:04,640 --> 00:04:02,730
how he described it put a bowling ball

80
00:04:06,140 --> 00:04:04,650
on a mattress and push your fist down on

81
00:04:09,559 --> 00:04:06,150
the mattress and the bowling ball will

82
00:04:11,150 --> 00:04:09,569
roll towards your fist right so it's a

83
00:04:13,610 --> 00:04:11,160
completely different type of propulsion

84
00:04:17,000 --> 00:04:13,620
it's like as if you're falling into

85
00:04:19,699 --> 00:04:17,010
where you're wanting to go you're not

86
00:04:23,740 --> 00:04:19,709
pushing anything out so that was just

87
00:04:29,510 --> 00:04:23,750
crazy that was a wild concept to me

88
00:04:31,820 --> 00:04:29,520

his claims went everywhere what Bob

89

00:04:34,629 --> 00:04:31,830

Lazar claimed whether you believe his

90

00:04:38,320 --> 00:04:34,639

claims or not something that is

91

00:04:41,869 --> 00:04:38,330

undeniable is the effect that his words

92

00:04:44,600 --> 00:04:41,879

had on the world no words are weapons

93

00:04:47,540 --> 00:04:44,610

they're used as weapons propaganda

94

00:04:49,040 --> 00:04:47,550

that's how things work his words were

95

00:04:51,140 --> 00:04:49,050

weapons they sliced through the

96

00:04:54,499 --> 00:04:51,150

imagination of the American public and

97

00:04:55,550 --> 00:04:54,509

then the international public this was

98

00:04:57,050 --> 00:04:55,560

in Omni magazine

99

00:04:59,180 --> 00:04:57,060

you might recognize when the most iconic

100

00:05:02,779 --> 00:04:59,190

pictures of Bob Lazar with his geeky

101
00:05:04,070 --> 00:05:02,789
coke bottle glasses and he said that he

102
00:05:07,909 --> 00:05:04,080
worked on alien propulsion for the

103
00:05:11,890 --> 00:05:07,919
United States military but in 30 years

104
00:05:14,930 --> 00:05:11,900
now he has rarely made himself available

105
00:05:17,059 --> 00:05:14,940
he doesn't talk about it wants to get on

106
00:05:19,339 --> 00:05:17,069
with his life and getting to know Bob

107
00:05:22,670 --> 00:05:19,349
there's a lot of really good reasons for

108
00:05:25,059 --> 00:05:22,680
that but most people that's the image in

109
00:05:29,990 --> 00:05:25,069
their mind that they have a bob lazar

110
00:05:32,450 --> 00:05:30,000
however it's a new day Bob is again

111
00:05:35,450 --> 00:05:32,460
talking and he's talking to me

112
00:05:39,709 --> 00:05:35,460
and he's allowing me to finally put his

113
00:05:42,019 --> 00:05:39,719

story in documentary film form after 30

114

00:05:45,829 --> 00:05:42,029

years this is a guy that has never

115

00:05:47,749 --> 00:05:45,839

profited off of his UFO celebrity he

116

00:05:50,899 --> 00:05:47,759

never sought it he doesn't like the

117

00:05:53,719 --> 00:05:50,909

attention but he simply is telling a

118

00:05:55,999 --> 00:05:53,729

story and it's up to you whether or not

119

00:05:57,950 --> 00:05:56,009

you believe him he just wants to make

120

00:06:01,010 --> 00:05:57,960

sure at least you know his story and

121

00:06:04,730 --> 00:06:01,020

then it's up to you and there's more to

122

00:06:07,670 --> 00:06:04,740

that but we have to go back all the way

123

00:06:11,119 --> 00:06:07,680

to how this started so I'm taking you

124

00:06:14,779 --> 00:06:11,129

way back the world's best-known secret

125

00:06:18,290 --> 00:06:14,789

base I love that the reason you know

126

00:06:21,800 --> 00:06:18,300

about area 51 is because of Bob Lazar

127

00:06:26,809 --> 00:06:21,810

it's because of Bob Lazar George Knapp

128

00:06:28,809 --> 00:06:26,819

and a man named John Lear you probably

129

00:06:32,300 --> 00:06:28,819

would have found out about it anyway our

130

00:06:33,999 --> 00:06:32,310

government has now finally acknowledged

131

00:06:36,100 --> 00:06:34,009

area 51

132

00:06:38,260 --> 00:06:36,110

but really the reason that it's in your

133

00:06:39,969 --> 00:06:38,270

mind anybody's mind why it's become a

134

00:06:42,219 --> 00:06:39,979

meme and their shot glasses and hot

135

00:06:45,070 --> 00:06:42,229

saucers is because it became this

136

00:06:47,049 --> 00:06:45,080

household name for secrecy for UFOs and

137

00:06:49,929 --> 00:06:47,059

that is directly because of the

138

00:06:52,029 --> 00:06:49,939

reporting of George Knapp on what John

139

00:06:56,950 --> 00:06:52,039

Lear was saying and what Bob Lazar was

140

00:06:58,179 --> 00:06:56,960

saying so that's kind of crazy so I'm

141

00:07:00,489 --> 00:06:58,189

gonna take you all the way back to the

142

00:07:03,670 --> 00:07:00,499

first time that Bob Lazar

143

00:07:06,730 --> 00:07:03,680

was ever mentioned publicly and they

144

00:07:09,279 --> 00:07:06,740

didn't even say his name they referenced

145

00:07:12,579 --> 00:07:09,289

a guy so you're gonna see in this video

146

00:07:14,980 --> 00:07:12,589

George Knapp on a little tiny show that

147

00:07:16,450 --> 00:07:14,990

he had that nobody watched it was at a

148

00:07:18,700 --> 00:07:16,460

terrible time before he was this

149

00:07:21,969 --> 00:07:18,710

big-time investigative news reporter

150

00:07:24,820 --> 00:07:21,979

right and John Lear is his guest John

151
00:07:27,519 --> 00:07:24,830
Lear is the Godfather of conspiracy I've

152
00:07:29,829 --> 00:07:27,529
known John for a long time and he came

153
00:07:32,619 --> 00:07:29,839
out and started telling George all this

154
00:07:35,499 --> 00:07:32,629
wild stuff and the ratings went through

155
00:07:37,540 --> 00:07:35,509
the roof people wanted to know is what

156
00:07:39,969 --> 00:07:37,550
John's saying true so this is the first

157
00:07:42,879 --> 00:07:39,979
time Bob bazaars name was it was not

158
00:07:51,180 --> 00:07:42,889
said where he was referenced so check it

159
00:07:51,190 --> 00:07:56,470
[Music]

160
00:08:02,260 --> 00:08:00,490
oh and welcome once again to on the

161
00:08:04,450 --> 00:08:02,270
record if you joined us last week heard

162
00:08:06,610 --> 00:08:04,460
some startling revelations about UFOs

163
00:08:09,010 --> 00:08:06,620

and the government cover-up about UFOs

164

00:08:10,960 --> 00:08:09,020

from noted UFO researcher John Lear

165

00:08:12,730 --> 00:08:10,970

alright you rogue you recently decided

166

00:08:14,860 --> 00:08:12,740

to take it upon yourself to try to get

167

00:08:16,480 --> 00:08:14,870

to the bottom of this major cover-up

168

00:08:17,920 --> 00:08:16,490

what do you say as a cover-up he went up

169

00:08:19,870 --> 00:08:17,930

to groom Lake which you say is like a

170

00:08:21,690 --> 00:08:19,880

center of this UFO activity what

171

00:08:24,040 --> 00:08:21,700

happened is I was approached by

172

00:08:25,540 --> 00:08:24,050

government theoretical physicists

173

00:08:28,090 --> 00:08:25,550

employed by the government who works on

174

00:08:30,570 --> 00:08:28,100

the saucers up at groom like he has seen

175

00:08:34,510 --> 00:08:30,580

the aliens he is tired of the cover-up

176

00:08:36,430 --> 00:08:34,520

he knows what a ripoff it is of how much

177

00:08:38,920 --> 00:08:36,440

how many billions of dollars were

178

00:08:40,330 --> 00:08:38,930

wasting on trying to develop develop

179

00:08:43,450 --> 00:08:40,340

technology that's already been developed

180

00:08:46,030 --> 00:08:43,460

and he told me when and where to stand

181

00:08:47,590 --> 00:08:46,040

and we drove up there we were actually

182

00:08:50,020 --> 00:08:47,600

there on three occasions I mean the fact

183

00:08:51,730 --> 00:08:50,030

that that the military doesn't want you

184

00:08:54,310 --> 00:08:51,740

around the top secret base doesn't mean

185

00:08:57,220 --> 00:08:54,320

there's flying saucers there I know it

186

00:08:59,590 --> 00:08:57,230

doesn't except we had just seen one the

187

00:09:03,670 --> 00:08:59,600

theoretical physicist that was with us

188

00:09:06,010 --> 00:09:03,680

that told us where to stand and you know

189

00:09:08,980 --> 00:09:06,020

what time to work the next day he was

190

00:09:11,710 --> 00:09:08,990

told instead of driving to work to drive

191

00:09:13,930 --> 00:09:11,720

to a certain place he was debriefed with

192

00:09:16,540 --> 00:09:13,940

a gun in his ear and asked why you know

193

00:09:19,300 --> 00:09:16,550

he told this and told us that and well

194

00:09:20,830 --> 00:09:19,310

he's worked in what capacity with him up

195

00:09:22,420 --> 00:09:20,840

there theoretical physicist but I mean

196

00:09:24,940 --> 00:09:22,430

what did he do around the saucers or

197

00:09:27,040 --> 00:09:24,950

whatever all I can tell you is that when

198

00:09:28,990 --> 00:09:27,050

you find out the truth a month from now

199

00:09:31,630 --> 00:09:29,000

a year from now two years from now

200

00:09:33,630 --> 00:09:31,640

you'll look back and you'll say my god

201
00:09:36,250 --> 00:09:33,640
that son of a gun was right

202
00:09:39,430 --> 00:09:36,260
or maybe thirty years from now he must

203
00:09:41,170 --> 00:09:39,440
have said yeah it's so great you know

204
00:09:43,300 --> 00:09:41,180
you see George Knapp talk in there and

205
00:09:45,340 --> 00:09:43,310
you know he had never covered a UFO

206
00:09:47,430 --> 00:09:45,350
story he was covering mob stories

207
00:09:51,190 --> 00:09:47,440
because he knew some of the mob guys and

208
00:09:52,630 --> 00:09:51,200
he was you could see in his face I mean

209
00:09:54,760 --> 00:09:52,640
I love seeing it the first time he

210
00:09:57,790 --> 00:09:54,770
engages this topic with John Lear you

211
00:09:59,680 --> 00:09:57,800
know he's skeptical real skeptical yeah

212
00:10:01,420 --> 00:09:59,690
and he should be if it was wild then

213
00:10:04,150 --> 00:10:01,430

it's wild now what's what's being

214

00:10:06,430 --> 00:10:04,160

claimed but but John had credibility

215

00:10:08,500 --> 00:10:06,440

with the news station John Lear had

216

00:10:09,890 --> 00:10:08,510

credibility because he brought forward

217

00:10:13,670 --> 00:10:09,900

some photographs

218

00:10:16,010 --> 00:10:13,680

it's of area 51 at lake level you will

219

00:10:18,380 --> 00:10:16,020

never see photos like this again it was

220

00:10:20,900 --> 00:10:18,390

from 1977 where the security was a chain

221

00:10:22,790 --> 00:10:20,910

link and I told you that story yesterday

222

00:10:25,790 --> 00:10:22,800

how he snuck out the roll of film it's

223

00:10:27,080 --> 00:10:25,800

pretty funny it's a bar story so John

224

00:10:29,120 --> 00:10:27,090

had credibility because he brought these

225

00:10:31,430 --> 00:10:29,130

photos forward and they actually

226

00:10:33,140 --> 00:10:31,440

identified a stealth fighter and a MIG

227

00:10:35,120 --> 00:10:33,150

fighter Russian MIG that was being I

228

00:10:38,600 --> 00:10:35,130

guess you'd say back engineered as well

229

00:10:42,490 --> 00:10:38,610

so he had really brought the news

230

00:10:45,890 --> 00:10:42,500

station some interesting information and

231

00:10:48,800 --> 00:10:45,900

John came to George's mentor in

232

00:10:50,930 --> 00:10:48,810

journalism a man named Ned day and he

233

00:10:52,820 --> 00:10:50,940

said here's all the UFO stuff there is a

234

00:10:54,680 --> 00:10:52,830

secret program area 51 and they're

235

00:10:58,040 --> 00:10:54,690

reverse engineering alien spacecraft in

236

00:11:00,560 --> 00:10:58,050

Ned days like nope I would have heard

237

00:11:03,530 --> 00:11:00,570

about it no chance that's true John and

238

00:11:05,150 --> 00:11:03,540

then and then there's George Knapp kind

239

00:11:08,210 --> 00:11:05,160

of knew at the station his Hey look at

240

00:11:11,060 --> 00:11:08,220

those documents boy did he not know that

241

00:11:13,340 --> 00:11:11,070

would completely alter his public

242

00:11:19,400 --> 00:11:13,350

identity for the rest of his life you

243

00:11:21,740 --> 00:11:19,410

know so what I like about this photo

244

00:11:24,350 --> 00:11:21,750

you got area 51 up there and you had

245

00:11:27,410 --> 00:11:24,360

that little strip of tan to the right

246

00:11:30,350 --> 00:11:27,420

and that is Papoose Lake that is not a

247

00:11:33,320 --> 00:11:30,360

place that was known or is known as

248

00:11:35,870 --> 00:11:33,330

having anything happen there's no runway

249

00:11:38,090 --> 00:11:35,880

there really there should be nothing

250

00:11:41,240 --> 00:11:38,100

happening there especially at that time

251
00:11:43,010 --> 00:11:41,250
but that's where Bob said he worked he

252
00:11:45,440 --> 00:11:43,020
did not work at area 51

253
00:11:50,690 --> 00:11:45,450
he worked at what he claims it was

254
00:11:53,570 --> 00:11:50,700
called s4 a sub base of area 51 about 15

255
00:11:56,210 --> 00:11:53,580
is 17 miles south on that little tan

256
00:11:57,650 --> 00:11:56,220
strip they're called Papoose Lake so

257
00:11:59,660 --> 00:11:57,660
that's the first thing to know is that

258
00:12:00,320 --> 00:11:59,670
he's claiming to not have worked at area

259
00:12:05,990 --> 00:12:00,330
51

260
00:12:07,850 --> 00:12:06,000
the same complex but I want to still

261
00:12:11,180 --> 00:12:07,860
focus on John here because I spend a lot

262
00:12:14,180 --> 00:12:11,190
of time with John I did film about seven

263
00:12:17,270 --> 00:12:14,190

years of his life I am sure that film

264

00:12:23,160 --> 00:12:17,280

will come out to date I put out a 20

265

00:12:24,940 --> 00:12:23,170

minute short film first episode on John

266

00:12:27,600 --> 00:12:24,950

the whole series would be called

267

00:12:30,340 --> 00:12:27,610

immaculate deception when it gets made

268

00:12:32,260 --> 00:12:30,350

it's all filmed when it gets cut and put

269

00:12:34,420 --> 00:12:32,270

out but I'll just show you a little

270

00:12:38,200 --> 00:12:34,430

trailer for that because John really is

271

00:12:41,019 --> 00:12:38,210

what he was my gateway drug to ufology

272

00:12:42,310 --> 00:12:41,029

yeah you listen to John talk for a

273

00:12:46,300 --> 00:12:42,320

little while and you start questioning

274

00:12:47,530 --> 00:12:46,310

everything about the universe so I'll

275

00:12:49,900 --> 00:12:47,540

show you the little trailer because I

276
00:12:54,050 --> 00:12:49,910
make films so I figure they speak for me

277
00:13:11,860 --> 00:12:55,240
[Music]

278
00:13:13,510 --> 00:13:11,870
oh and welcome to a special edition of

279
00:13:14,980 --> 00:13:13,520
on the record in the more than five

280
00:13:17,470 --> 00:13:14,990
years since we've been hosting these

281
00:13:19,570 --> 00:13:17,480
programs no guest has inspired such a

282
00:13:22,300 --> 00:13:19,580
widespread and enduring audience

283
00:13:24,640 --> 00:13:22,310
response as has John Lear son of the

284
00:13:27,160 --> 00:13:24,650
famed aviation pioneer and a world-class

285
00:13:29,410 --> 00:13:27,170
pilot in his own right as many of you

286
00:13:31,480 --> 00:13:29,420
may know though Lear the son is best

287
00:13:33,610 --> 00:13:31,490
known for his research into UFOs

288
00:13:36,520 --> 00:13:33,620

a phenomenon described by some as

289

00:13:47,690 --> 00:13:36,530

worldwide hoax described by others as

290

00:13:52,800 --> 00:13:49,190

[Applause]

291

00:14:03,660 --> 00:13:52,810

does it just happen it's written the

292

00:14:09,470 --> 00:14:03,670

exact I have talked to his people and I

293

00:14:09,480 --> 00:14:16,879

[Music]

294

00:14:29,670 --> 00:14:19,740

birth is like Allison wonderful things

295

00:14:59,619 --> 00:14:30,080

[Applause]

296

00:15:04,220 --> 00:15:02,030

you certainly couldn't figure in your

297

00:15:07,159 --> 00:15:04,230

wildest dreams that would be the most

298

00:15:10,519 --> 00:15:07,169

important thing when you can't see the

299

00:15:12,829 --> 00:15:10,529

objective right so John Lear is

300

00:15:16,280 --> 00:15:12,839

intimately connected to the bob lazar

301

00:15:17,900 --> 00:15:16,290

story and the reason he's intimately

302

00:15:20,059 --> 00:15:17,910

connected the bob lazar story is because

303

00:15:23,269 --> 00:15:20,069

I've talked with a lot of people that

304

00:15:25,759 --> 00:15:23,279

knew Bob Lazar before he became public

305

00:15:28,519 --> 00:15:25,769

about before he even worked allegedly in

306

00:15:33,049 --> 00:15:28,529

the program and man he would say things

307

00:15:34,519 --> 00:15:33,059

like I feel bad for John you know it

308

00:15:37,569 --> 00:15:34,529

comes from a prominent family the

309

00:15:40,609 --> 00:15:37,579

learjet family and he believes in UFOs

310

00:15:45,289 --> 00:15:40,619

he like felt bad for him so that was

311

00:15:47,299 --> 00:15:45,299

like Bob's standpoint on UFOs way before

312

00:15:50,090 --> 00:15:47,309

he ever found himself in the situation

313

00:15:56,059 --> 00:15:50,100

that he says he did so staying back here

314

00:15:58,460 --> 00:15:56,069

in 1989 Bob comes forward he says I

315

00:16:01,369 --> 00:15:58,470

worked on reverse engineering a

316

00:16:04,129 --> 00:16:01,379

propulsion system he they did not

317

00:16:06,769 --> 00:16:04,139

succeed in reverse engineering it he

318

00:16:09,470 --> 00:16:06,779

said it was an impossible task it was

319

00:16:12,049 --> 00:16:09,480

like you know dropping a iphone out into

320

00:16:14,239 --> 00:16:12,059

the Stone Age and saying make one yeah

321

00:16:16,819 --> 00:16:14,249

he said it was absolutely impossible and

322

00:16:19,489 --> 00:16:16,829

there was such control and there was

323

00:16:20,090 --> 00:16:19,499

such compartmentalization in these

324

00:16:21,949 --> 00:16:20,100

programs

325

00:16:24,049 --> 00:16:21,959

he didn't even really know what he was

326

00:16:28,009 --> 00:16:24,059

supposed to be working on until he went

327

00:16:31,369 --> 00:16:28,019

a few times and in fact this is what he

328

00:16:34,789 --> 00:16:31,379

says he says when I when I saw the craft

329

00:16:36,739 --> 00:16:34,799

for the first time he said I started

330

00:16:38,659 --> 00:16:36,749

kind of chuckling inside because I

331

00:16:41,090 --> 00:16:38,669

thought that's what all those UFO nuts

332

00:16:42,679 --> 00:16:41,100

we're seeing in the skies and thinking

333

00:16:45,619 --> 00:16:42,689

they were extraterrestrial they were

334

00:16:47,439 --> 00:16:45,629

ours you know so that was his thought

335

00:16:50,840 --> 00:16:47,449

when he first saw the craft that's how

336

00:16:52,369 --> 00:16:50,850

kind of skeptical or analytical bob was

337

00:16:54,799 --> 00:16:52,379

he wouldn't take anything on face value

338

00:16:56,989 --> 00:16:54,809

still doesn't you know one of the most

339

00:17:03,319 --> 00:16:56,999

kind of interesting minds that I that

340

00:17:06,379 --> 00:17:03,329

I've met so he did a lot to try to prove

341

00:17:07,340 --> 00:17:06,389

to you his story he did probably more

342

00:17:09,470 --> 00:17:07,350

than you realize

343

00:17:11,329 --> 00:17:09,480

to try to prove to you his story he says

344

00:17:15,130 --> 00:17:11,339

I've tried to prove my story

345

00:17:17,329 --> 00:17:15,140

I can't under the scientific method I

346

00:17:19,100 --> 00:17:17,339

can't prove to you beyond a shadow of a

347

00:17:21,230 --> 00:17:19,110

doubt that what I'm saying is true

348

00:17:23,870 --> 00:17:21,240

so you're obligated not to believe me

349

00:17:27,980 --> 00:17:23,880

and nowadays he goes and if you don't

350

00:17:32,240 --> 00:17:27,990

believe me pass it on because it's

351
00:17:34,909 --> 00:17:32,250
caused you you only see it from it from

352
00:17:36,730 --> 00:17:34,919
a personal perspective you can only

353
00:17:39,649 --> 00:17:36,740
really see it from personal perspective

354
00:17:42,049 --> 00:17:39,659
how it has negatively influenced his

355
00:17:44,990 --> 00:17:42,059
life what he's been through because of

356
00:17:46,850 --> 00:17:45,000
telling this story which supposedly in a

357
00:17:48,820 --> 00:17:46,860
lot of people's mind isn't real yet

358
00:17:51,320 --> 00:17:48,830
there have been some real-world

359
00:17:53,750 --> 00:17:51,330
consequences let me just get an idea

360
00:17:56,000 --> 00:17:53,760
from everybody's you know I really

361
00:17:58,850 --> 00:17:56,010
actually like to know how we're divided

362
00:18:02,000 --> 00:17:58,860
in this group you know who absolutely

363
00:18:03,070 --> 00:18:02,010

believes Bob Lazar the absolutes who's

364

00:18:08,450 --> 00:18:03,080

there

365

00:18:11,779 --> 00:18:08,460

all right all right who maybe maybe not

366

00:18:15,200 --> 00:18:11,789

50% where's the 50% of undecideds okay

367

00:18:18,860 --> 00:18:15,210

and then how do people absolute lying

368

00:18:20,840 --> 00:18:18,870

cockamamie [h__h] where are you come

369

00:18:23,480 --> 00:18:20,850

on it's okay oh come on you're hiding

370

00:18:27,799 --> 00:18:23,490

don't worry I'll get you after right

371

00:18:31,669 --> 00:18:27,809

okay so that's that's about average we

372

00:18:34,130 --> 00:18:31,679

all want to believe Bob Lazar how can

373

00:18:36,799 --> 00:18:34,140

you not we you know how cool would that

374

00:18:39,110 --> 00:18:36,809

be so we all want to believe him it

375

00:18:42,980 --> 00:18:39,120

doesn't mean it's true but it also

376

00:18:44,810 --> 00:18:42,990

doesn't mean that it's false so we're

377

00:18:46,909 --> 00:18:44,820

kind of stuck with that a lot of you

378

00:18:48,890 --> 00:18:46,919

here believe him you raised your hand

379

00:18:50,630 --> 00:18:48,900

majority of people maybe because you

380

00:18:53,690 --> 00:18:50,640

want to believe him we don't have all

381

00:18:57,529 --> 00:18:53,700

the evidence so you're inclined to

382

00:19:00,500 --> 00:18:57,539

believe him as you could tell from the

383

00:19:05,149 --> 00:19:00,510

news reports the George did George dug

384

00:19:08,330 --> 00:19:05,159

deep and that time period was so bizarre

385

00:19:11,270 --> 00:19:08,340

for the people that lived it they were

386

00:19:13,430 --> 00:19:11,280

followed by people George had six other

387

00:19:15,890 --> 00:19:13,440

witnesses that were coming off of the

388

00:19:18,860 --> 00:19:15,900

base to corroborate bob lazar story or

389

00:19:21,200 --> 00:19:18,870

parts of bob lazar story all six of them

390

00:19:23,120 --> 00:19:21,210

declined to ever talk with

391

00:19:25,700 --> 00:19:23,130

again after they're paid a visit and

392

00:19:26,899 --> 00:19:25,710

told that they would be harmed and we're

393

00:19:28,190 --> 00:19:26,909

talking about George Knapp he let's talk

394

00:19:30,590 --> 00:19:28,200

about people that do talk to them and

395

00:19:32,090 --> 00:19:30,600

and the stories of these people that

396

00:19:33,799 --> 00:19:32,100

couldn't tell their story to him

397

00:19:35,029 --> 00:19:33,809

afterwards it's pretty incredible but

398

00:19:37,100 --> 00:19:35,039

other people have come forward and

399

00:19:39,200 --> 00:19:37,110

things have come to light over the last

400

00:19:41,440 --> 00:19:39,210

thirty years and let's look at those

401
00:19:44,570 --> 00:19:41,450
things and let's see if they provide

402
00:19:49,610 --> 00:19:44,580
proof or if they take away from Bob's

403
00:19:52,130 --> 00:19:49,620
story so Bob Lazar began to talk in 1989

404
00:19:54,110 --> 00:19:52,140
and just to give you another little clip

405
00:19:56,210 --> 00:19:54,120
so you can judge for yourself

406
00:19:58,580 --> 00:19:56,220
if what you think he was saying back

407
00:20:14,210 --> 00:19:58,590
then could be true or not true here's

408
00:20:16,760 --> 00:20:14,220
another little clip I had sent resumes

409
00:20:20,090 --> 00:20:16,770
to several national labs around the

410
00:20:24,409 --> 00:20:20,100
country I got a response from a couple

411
00:20:25,549 --> 00:20:24,419
of they said we might have something in

412
00:20:28,340 --> 00:20:25,559
the near future

413
00:20:30,049 --> 00:20:28,350

you would be very interested in you know

414

00:20:31,310 --> 00:20:30,059

you say you work on little project I

415

00:20:34,220 --> 00:20:31,320

said yeah I have a particle accelerator

416

00:20:36,769 --> 00:20:34,230

in my master bedroom and and things of

417

00:20:39,279 --> 00:20:36,779

that sort and some time went by and they

418

00:20:41,810 --> 00:20:39,289

called me back in they said there was a

419

00:20:44,899 --> 00:20:41,820

senior staff physicist that was leaving

420

00:20:51,409 --> 00:20:44,909

this organization and the basically

421

00:20:53,269 --> 00:20:51,419

interviewed me for that job I don't know

422

00:20:54,799 --> 00:20:53,279

many people with particle accelerators

423

00:20:57,139 --> 00:20:54,809

and their master bedrooms and I know a

424

00:21:00,049 --> 00:20:57,149

lot of nerds I'll tell you that you know

425

00:21:03,889 --> 00:21:00,059

and I always found that really

426

00:21:07,430 --> 00:21:03,899

interesting I know for a fact the Bob

427

00:21:09,649 --> 00:21:07,440

Lazar is highly intelligent so he's got

428

00:21:13,850 --> 00:21:09,659

that going for him and that's nice I can

429

00:21:17,029 --> 00:21:13,860

tell for sure that he's smart but I too

430

00:21:18,860 --> 00:21:17,039

was skeptical I was probably like most

431

00:21:22,519 --> 00:21:18,870

you that raised your hand I was like yes

432

00:21:27,549 --> 00:21:22,529

I believe because I want to it makes

433

00:21:31,279 --> 00:21:27,559

sense but that's about all that we had

434

00:21:32,340 --> 00:21:31,289

until you really speak with someone you

435

00:21:35,610 --> 00:21:32,350

can

436

00:21:37,560 --> 00:21:35,620

easily just dismiss them if you're just

437

00:21:39,510 --> 00:21:37,570

talking about a name you don't know them

438

00:21:40,919 --> 00:21:39,520

you don't know their family you don't

439

00:21:43,169 --> 00:21:40,929

know what they've been through

440

00:21:45,630 --> 00:21:43,179

you can't even imagine to imagine none

441

00:21:47,220 --> 00:21:45,640

of us can so we're all stuck with that

442

00:21:50,669 --> 00:21:47,230

because Bob really doesn't make himself

443

00:21:52,860 --> 00:21:50,679

available to get to know him so I was

444

00:21:55,230 --> 00:21:52,870

skeptical and I don't know

445

00:21:57,510 --> 00:21:55,240

I talked with George and George

446

00:22:00,120 --> 00:21:57,520

obviously encouraged me to talk with Bob

447

00:22:02,310 --> 00:22:00,130

like yeah who wouldn't want to talk with

448

00:22:05,580 --> 00:22:02,320

Bob of course I want to talk to him so

449

00:22:07,080 --> 00:22:05,590

George made a point you gotta talk with

450

00:22:08,610 --> 00:22:07,090

Bob and you got to tell this store and

451

00:22:09,899 --> 00:22:08,620

you got to do it yourself to really get

452

00:22:11,850 --> 00:22:09,909

to the bottom of it he's like but you

453

00:22:13,740 --> 00:22:11,860

got to be the luckiest guy on the planet

454

00:22:16,649 --> 00:22:13,750

for that to happen and he kind of

455

00:22:18,299 --> 00:22:16,659

explains that to me here you have to

456

00:22:20,159 --> 00:22:18,309

cover the story of Bob Lazar and the

457

00:22:21,539 --> 00:22:20,169

only way to do that is to talk to Bob

458

00:22:24,720 --> 00:22:21,549

I don't know if it'll talk to you or not

459

00:22:27,419 --> 00:22:24,730

but you need to try well it was it's all

460

00:22:29,370 --> 00:22:27,429

gonna be circumstance for you is the

461

00:22:31,320 --> 00:22:29,380

moment that you approach him the mood

462

00:22:33,990 --> 00:22:31,330

that he's in what else is going on in

463

00:22:35,909 --> 00:22:34,000

his life at the time you might hit the

464

00:22:38,190 --> 00:22:35,919

jackpot and get him in exactly the right

465

00:22:40,470 --> 00:22:38,200

time and the the universe is aligned and

466

00:22:42,899 --> 00:22:40,480

he's willing to talk about it but you'd

467

00:22:45,060 --> 00:22:42,909

have to be awfully lucky because in

468

00:22:47,070 --> 00:22:45,070

general Bob doesn't like to talk about I

469

00:22:49,590 --> 00:22:47,080

think he's very happy in his life he's

470

00:22:52,799 --> 00:22:49,600

happy to have left the UFO stuff behind

471

00:22:56,430 --> 00:22:52,809

he misses his friends he misses John

472

00:22:59,130 --> 00:22:56,440

Leary Mrs. Jean Huff maybe even me some

473

00:23:01,080 --> 00:22:59,140

extent but he doesn't miss the UFO topic

474

00:23:03,299 --> 00:23:01,090

and he doesn't miss talking about it

475

00:23:07,020 --> 00:23:03,309

because ultimately it's disturbing these

476

00:23:09,539 --> 00:23:07,030

are disturbing issues they go to the

477

00:23:12,360 --> 00:23:09,549

heart of who we are as people as human

478

00:23:15,450 --> 00:23:12,370

beings the nature of reality itself is

479

00:23:17,940 --> 00:23:15,460

this a computer simulation are we all

480

00:23:21,480 --> 00:23:17,950

the product of an alien video game or

481

00:23:23,360 --> 00:23:21,490

some multi-dimensional movie drive-in

482

00:23:27,450 --> 00:23:23,370

movie theater production or something

483

00:23:29,280 --> 00:23:27,460

big questions disturbing answers and bob

484

00:23:37,200 --> 00:23:29,290

has never been

485

00:23:39,270 --> 00:23:37,210

and talking about never so that was

486

00:23:41,160 --> 00:23:39,280

about as encouraging as he can get

487

00:23:43,200 --> 00:23:41,170

you're never gonna get him you have to

488

00:23:44,490 --> 00:23:43,210

be the luckiest guy on the planet he

489

00:23:46,200 --> 00:23:44,500

doesn't like to talk about it because

490

00:23:48,480 --> 00:23:46,210

it's disturbing it messed up his life

491

00:23:54,120 --> 00:23:48,490

it's disturbing to everybody good luck

492

00:23:57,540 --> 00:23:54,130

right I'm pretty damn lucky and the

493

00:24:00,090 --> 00:23:57,550

first time that I actually met Bob like

494

00:24:02,220 --> 00:24:00,100

any of you really interested I was like

495

00:24:03,750 --> 00:24:02,230

okay I want to ask him these questions

496

00:24:06,530 --> 00:24:03,760

directly I don't want to look him in the

497

00:24:10,680 --> 00:24:06,540

eye and I want to see how he responds I

498

00:24:13,080 --> 00:24:10,690

happen to have a camera you know and he

499

00:24:15,990 --> 00:24:13,090

happened to let me turn it on

500

00:24:18,690 --> 00:24:16,000

and it had been a long time since he let

501
00:24:20,700 --> 00:24:18,700
somebody turn the camera on right so I

502
00:24:21,960 --> 00:24:20,710
thought oh man this is amazing let me

503
00:24:24,740 --> 00:24:21,970
see what he has to say

504
00:24:27,570 --> 00:24:24,750
so I'll show you a little clip of that

505
00:24:29,130 --> 00:24:27,580
first time I didn't know Bob at that

506
00:24:31,560 --> 00:24:29,140
time I didn't know him he was not a

507
00:24:34,200 --> 00:24:31,570
friend of mine he's just I accidentally

508
00:24:36,270 --> 00:24:34,210
got to be in the same place as him and

509
00:24:38,490 --> 00:24:36,280
had the camera and got to ask him

510
00:24:42,030 --> 00:24:38,500
questions and I wanted to give the

511
00:24:44,160 --> 00:24:42,040
public just a glimpse so I put this out

512
00:24:46,950 --> 00:24:44,170
it's it's in a free 20 minute

513
00:24:48,480 --> 00:24:46,960

documentary just a few minutes of Bob so

514

00:24:52,530 --> 00:24:48,490

you can kind of be updated this was a

515

00:24:55,050 --> 00:24:52,540

few years ago but he talked about it in

516

00:24:56,880 --> 00:24:55,060

a different way and that's what I found

517

00:25:00,390 --> 00:24:56,890

so interesting it wasn't the Bob Lazar

518

00:25:02,040 --> 00:25:00,400

that I saw in all those videos from 25

519

00:25:05,400 --> 00:25:02,050

years ago it was five years ago and I

520

00:25:07,050 --> 00:25:05,410

film this it was a different Bob you

521

00:25:09,030 --> 00:25:07,060

know it's like something had changed and

522

00:25:10,650 --> 00:25:09,040

you'll see the way he talks about it so

523

00:25:12,810 --> 00:25:10,660

I'm gonna show you that little clip just

524

00:25:16,330 --> 00:25:12,820

so you get a update up until five years

525

00:25:23,290 --> 00:25:20,750

you know look you can nitpick anything

526

00:25:25,400 --> 00:25:23,300

you know to the point where you find

527

00:25:27,140 --> 00:25:25,410

inconsistencies and then you can add

528

00:25:29,030 --> 00:25:27,150

those inconsistencies up and say you

529

00:25:31,130 --> 00:25:29,040

know what this can't be true but the

530

00:25:34,280 --> 00:25:31,140

thing is you can do that with factual

531

00:25:36,530 --> 00:25:34,290

events and this was a factual event

532

00:25:38,420 --> 00:25:36,540

where I mean where the project is now

533

00:25:42,890 --> 00:25:38,430

where the parts are now you know this is

534

00:25:45,980 --> 00:25:42,900

all 20 years ago so I know there are

535

00:25:48,740 --> 00:25:45,990

alien craft here from another planet I

536

00:25:51,200 --> 00:25:48,750

know I saw other ones but I was inside

537

00:25:53,090 --> 00:25:51,210

one I know who was now made on earth I

538

00:25:56,270 --> 00:25:53,100

know it was may blue the materials that

539

00:25:58,400 --> 00:25:56,280

we can fabricate we cannot duplicate and

540

00:26:00,950 --> 00:25:58,410

we've never been able to I know it uses

541

00:26:03,320 --> 00:26:00,960

a power source that's so advanced that

542

00:26:05,540 --> 00:26:03,330

we could only dream of something along

543

00:26:06,620 --> 00:26:05,550

those lines and the energy density on it

544

00:26:09,410 --> 00:26:06,630

is phenomenal

545

00:26:14,510 --> 00:26:09,420

it's nothing that I would ever expect to

546

00:26:17,150 --> 00:26:14,520

see I know that you know this is done in

547

00:26:19,430 --> 00:26:17,160

the highest levels of security and you

548

00:26:23,170 --> 00:26:19,440

know that they use all kinds of methods

549

00:26:26,690 --> 00:26:23,180

to keep it quiet from disinformation I

550

00:26:29,390 --> 00:26:26,700

mean some exotic ways of just hiding

551
00:26:31,070 --> 00:26:29,400
things like I said the installation

552
00:26:34,640 --> 00:26:31,080
itself was buried in the side of a

553
00:26:36,680 --> 00:26:34,650
mountain and you know I also know that

554
00:26:39,200 --> 00:26:36,690
there's lots of nonsense information

555
00:26:43,100 --> 00:26:39,210
that has gone around and whether it was

556
00:26:45,590 --> 00:26:43,110
started by the Navy or military or

557
00:26:47,480 --> 00:26:45,600
whoever's at the absolute bottom you

558
00:26:51,470 --> 00:26:47,490
know of the project

559
00:26:53,870 --> 00:26:51,480
and I truly suspect that be the case

560
00:26:56,450 --> 00:26:53,880
because look disinformation is the most

561
00:26:58,130 --> 00:26:56,460
powerful you know way to distort facts

562
00:27:01,010 --> 00:26:58,140
you just throw a bunch of useless stuff

563
00:27:03,050 --> 00:27:01,020

out there and you know they just take

564

00:27:04,760 --> 00:27:03,060

the real facts along with the nonsense

565

00:27:07,280 --> 00:27:04,770

and bundle it together and say well this

566

00:27:10,310 --> 00:27:07,290

is just impossible and you know there

567

00:27:14,000 --> 00:27:10,320

your security is maintained but I also

568

00:27:16,670 --> 00:27:14,010

know that at some point they've examined

569

00:27:18,890 --> 00:27:16,680

or had bodies of alien creatures

570

00:27:24,620 --> 00:27:18,900

somewhere so I know that stuff for a

571

00:27:27,260 --> 00:27:24,630

fact and that's the bottom line pretty

572

00:27:28,470 --> 00:27:27,270

cool to hear him talk about it 25 years

573

00:27:32,220 --> 00:27:28,480

after he said

574

00:27:34,739 --> 00:27:32,230

the first time just so I get an idea who

575

00:27:36,029 --> 00:27:34,749

hasn't seen that footage of mine anybody

576

00:27:38,220 --> 00:27:36,039

hasn't seen it okay so you did you're

577

00:27:40,109 --> 00:27:38,230

seeing it for the first time today I'm

578

00:27:42,509 --> 00:27:40,119

glad I mean isn't that cool aren't you

579

00:27:45,330 --> 00:27:42,519

stoked on that it's like man you know

580

00:27:47,159 --> 00:27:45,340

it's like Elvis meets Bigfoot you can

581

00:27:48,840 --> 00:27:47,169

never find a Murray's dad you know

582

00:27:50,700 --> 00:27:48,850

there's always a rumor he's dead and all

583

00:27:53,820 --> 00:27:50,710

of a sudden I got him on camera I have

584

00:27:56,609 --> 00:27:53,830

proof positives are exists and not only

585

00:28:00,060 --> 00:27:56,619

that but he's not backing down

586

00:28:03,060 --> 00:28:00,070

he's doubling down he hasn't changed his

587

00:28:05,399 --> 00:28:03,070

story he's telling you now the same

588

00:28:07,470 --> 00:28:05,409

thing he was telling you then I find

589

00:28:09,599 --> 00:28:07,480

that really interesting and it's

590

00:28:11,159 --> 00:28:09,609

different when you can see someone has

591

00:28:13,049 --> 00:28:11,169

aged and they're a little bit more

592

00:28:14,899 --> 00:28:13,059

confident they're not like a geeky 20

593

00:28:18,629 --> 00:28:14,909

year old kid now there's the geeky adult

594

00:28:22,470 --> 00:28:18,639

but they've changed and so that little

595

00:28:25,739 --> 00:28:22,480

bit of footage was the first step the

596

00:28:27,389 --> 00:28:25,749

first taste I got of [h__h] this I'm gonna

597

00:28:29,999 --> 00:28:27,399

find out the truth I'm gonna do my best

598

00:28:32,099 --> 00:28:30,009

because this story's too big it's too

599

00:28:34,680 --> 00:28:32,109

important and look I've already got them

600

00:28:36,479 --> 00:28:34,690

once on camera maybe down the line five

601
00:28:39,029 --> 00:28:36,489
years later I might be able to do some

602
00:28:40,229 --> 00:28:39,039
more filming with them right and really

603
00:28:42,419 --> 00:28:40,239
I'm doing this to bring it to you

604
00:28:44,879 --> 00:28:42,429
because you're seeing it just like I'm

605
00:28:47,989 --> 00:28:44,889
seeing it you now have three more

606
00:28:50,519 --> 00:28:47,999
minutes in which to judge Bob Lazar by

607
00:28:53,820 --> 00:28:50,529
right and that's all I was trying to do

608
00:28:56,070 --> 00:28:53,830
was get more data into the streams so we

609
00:28:59,039 --> 00:28:56,080
can make a more educated opinion on if

610
00:29:03,239 --> 00:28:59,049
his story is true or not the crux of his

611
00:29:07,049 --> 00:29:03,249
story is about a place called s4 site

612
00:29:10,680 --> 00:29:07,059
for this is a place that nobody had ever

613
00:29:13,229 --> 00:29:10,690

heard of there is not one mention in the

614

00:29:15,749 --> 00:29:13,239

public realm not even private circles I

615

00:29:19,529 --> 00:29:15,759

had no one around that time had ever

616

00:29:22,009 --> 00:29:19,539

even heard about it yet things were

617

00:29:25,680 --> 00:29:22,019

different back then when George Knapp

618

00:29:28,979 --> 00:29:25,690

called Nellis Air Force Base and they

619

00:29:31,109 --> 00:29:28,989

admitted that they had an s4 if not

620

00:29:33,060 --> 00:29:31,119

multiple task force wouldn't tell him

621

00:29:37,190 --> 00:29:33,070

what they did there now they just

622

00:29:39,299 --> 00:29:37,200

completely deny it right we thought but

623

00:29:41,789 --> 00:29:39,309

George got confirmation there was an ask

624

00:29:42,590 --> 00:29:41,799

for so Bob somehow knew things he

625

00:29:45,409 --> 00:29:42,600

somehow

626

00:29:47,029 --> 00:29:45,419

that on Wednesdays at 8:00 p.m. over

627

00:29:49,070 --> 00:29:47,039

this tiny little lake bed that's not

628

00:29:50,509 --> 00:29:49,080

even part of area 51 that there would be

629

00:29:53,240 --> 00:29:50,519

a test flight of something that looks

630

00:29:54,409 --> 00:29:53,250

identical to a flying saucer and he took

631

00:29:57,499 --> 00:29:54,419

people out there on a variety of

632

00:29:59,210 --> 00:29:57,509

occasions and they filmed it right how

633

00:30:01,820 --> 00:29:59,220

did he know that that's probably a real

634

00:30:03,799 --> 00:30:01,830

guarded secret wouldn't you think you

635

00:30:05,659 --> 00:30:03,809

know the existence of a secret little

636

00:30:08,210 --> 00:30:05,669

sub base of area 51 you figured out

637

00:30:09,889 --> 00:30:08,220

everybody would know that so I'm already

638

00:30:11,690 --> 00:30:09,899

kind of intrigued that he knew things

639

00:30:12,909 --> 00:30:11,700

that really he shouldn't know if he

640

00:30:15,289 --> 00:30:12,919

didn't work out there

641

00:30:17,509 --> 00:30:15,299

s4 is kind of the key and I'll show you

642

00:30:20,210 --> 00:30:17,519

little clips about that you've brought

643

00:30:22,909 --> 00:30:20,220

s4 into the forefront it's been

644

00:30:25,789 --> 00:30:22,919

confirmed to you directly from the base

645

00:30:29,049 --> 00:30:25,799

maybe 25 or 5 years ago yeah

646

00:30:33,369 --> 00:30:29,059

s4 has been confirmed to me directly

647

00:30:37,129 --> 00:30:33,379

twice one from an employee of EG&G

648

00:30:39,169 --> 00:30:37,139

security was daunting and then somebody

649

00:30:41,659 --> 00:30:39,179

else who's confirmed to me s4 that

650

00:30:43,789 --> 00:30:41,669

that's exactly how it looks the story

651
00:30:46,789 --> 00:30:43,799
though is that there was a facility like

652
00:30:50,539 --> 00:30:46,799
that at Papoose there is a facility like

653
00:30:52,899 --> 00:30:50,549
that a Papoose flying disks not this UFO

654
00:30:57,860 --> 00:30:52,909
term that's created to make it ambiguous

655
00:31:00,980 --> 00:30:57,870
flying disks saucers that were piloted

656
00:31:03,590 --> 00:31:00,990
by nonhumans they were not ours and this

657
00:31:06,619 --> 00:31:03,600
was confirmed by both of my sources that

658
00:31:10,249 --> 00:31:06,629
this technology is not ours Bob Lazar

659
00:31:14,480 --> 00:31:10,259
story was confirmed to me by those two

660
00:31:16,519 --> 00:31:14,490
same sources one saying that when he was

661
00:31:20,509 --> 00:31:16,529
working in secret capacity at White

662
00:31:23,720 --> 00:31:20,519
Sands in 1989 that it was common

663
00:31:25,070 --> 00:31:23,730

knowledge at the base about Bob's story

664

00:31:27,619 --> 00:31:25,080

and I said well what was the

665

00:31:31,100 --> 00:31:27,629

believability with the general

666

00:31:33,289 --> 00:31:31,110

believability and he said everybody knew

667

00:31:35,149 --> 00:31:33,299

that what was going on out there

668

00:31:37,460 --> 00:31:35,159

were with these types of projects and

669

00:31:40,549 --> 00:31:37,470

they all believed Bob sword no were they

670

00:31:42,769 --> 00:31:40,559

following it as its unfolding 1989 that

671

00:31:45,680 --> 00:31:42,779

was the impression that I got was that

672

00:31:48,909 --> 00:31:45,690

it was big news if you ever see it if

673

00:31:51,019 --> 00:31:48,919

it's soundless noiseless it's hovering

674

00:31:53,840 --> 00:31:51,029

anti-gravity or appearing to be the way

675

00:31:55,710 --> 00:31:53,850

it is not ours as I said not ours like

676
00:32:00,960 --> 00:31:55,720
America

677
00:32:03,180 --> 00:32:00,970
says not ours like humans so 28 it's

678
00:32:04,620 --> 00:32:03,190
about 25 years after Bob's story and I

679
00:32:06,539 --> 00:32:04,630
started digging into it and started

680
00:32:08,399 --> 00:32:06,549
pulling up and calling up a bunch of the

681
00:32:10,169 --> 00:32:08,409
people who have advised my work in

682
00:32:13,710 --> 00:32:10,179
nanotechnology and an aerospace stuff

683
00:32:15,090 --> 00:32:13,720
and in investigations in general the

684
00:32:16,680 --> 00:32:15,100
highest-ranking military individual I've

685
00:32:18,510 --> 00:32:16,690
ever met has been someone that has

686
00:32:20,310 --> 00:32:18,520
advised my work for a while was in

687
00:32:23,730 --> 00:32:20,320
position to know and I've had multiple

688
00:32:25,950 --> 00:32:23,740

confirmations that Bob Lazar is telling

689

00:32:28,649 --> 00:32:25,960

the truth and that asks for as he

690

00:32:30,299 --> 00:32:28,659

described it existed exactly like he

691

00:32:31,890 --> 00:32:30,309

described it and for the purpose that he

692

00:32:35,130 --> 00:32:31,900

described it so I've got all these

693

00:32:38,640 --> 00:32:35,140

independent personal confirmations that

694

00:32:41,279 --> 00:32:38,650

there's a grain of truth to bob lazar

695

00:32:42,480 --> 00:32:41,289

story that was driving me crazy so I sat

696

00:32:44,730 --> 00:32:42,490

down with George and went through with

697

00:32:46,020 --> 00:32:44,740

him showed him he knows who some of you

698

00:32:48,060 --> 00:32:46,030

know the people that advised my work are

699

00:32:50,159 --> 00:32:48,070

he's satisfied with it I'm satisfied

700

00:32:52,110 --> 00:32:50,169

with it so we're getting you know direct

701
00:32:53,730 --> 00:32:52,120
testimony from people not for public

702
00:32:55,590 --> 00:32:53,740
consumption not for me to go on radio

703
00:32:58,590 --> 00:32:55,600
doesn't talk about it not to put him in

704
00:33:01,470 --> 00:32:58,600
movies but just to inform my work people

705
00:33:04,470 --> 00:33:01,480
that care about me and my work too so it

706
00:33:05,880 --> 00:33:04,480
really started to intrigue me because

707
00:33:08,549 --> 00:33:05,890
now all of a sudden it's not just one

708
00:33:11,250 --> 00:33:08,559
person saying this thing but 25 years

709
00:33:13,620 --> 00:33:11,260
later I'm getting independent personal

710
00:33:16,470 --> 00:33:13,630
confirmation of the facilities Bob said

711
00:33:19,549 --> 00:33:16,480
he worked on that wasn't happening 25

712
00:33:22,169 --> 00:33:19,559
years ago so that was pretty cool

713
00:33:23,940 --> 00:33:22,179

everybody's focused on area 51 we know

714

00:33:27,390 --> 00:33:23,950

the great things that were achieved at

715

00:33:30,149 --> 00:33:27,400

area 51 it's a shell game

716

00:33:32,159 --> 00:33:30,159

it's a sleight of hand we're talking

717

00:33:33,990 --> 00:33:32,169

about s4 right and we're talking about

718

00:33:36,899 --> 00:33:34,000

the acknowledgement of a secret base

719

00:33:40,230 --> 00:33:36,909

called s4 that has special projects

720

00:33:42,779 --> 00:33:40,240

there extra-terrestrial projects well I

721

00:33:44,760 --> 00:33:42,789

got confirmation from Nellis Air Force

722

00:33:47,190 --> 00:33:44,770

Base I called their public information

723

00:33:49,860 --> 00:33:47,200

offices back in 1989 we're working on

724

00:33:52,770 --> 00:33:49,870

this do you have a place called s4 on

725

00:33:53,730 --> 00:33:52,780

the Nellis range and they said yes can

726

00:33:58,289 --> 00:33:53,740

you tell me where it is

727

00:34:00,510 --> 00:33:58,299

no do you have more than one yes can you

728

00:34:03,690 --> 00:34:00,520

tell me what goes on there no it's

729

00:34:05,820 --> 00:34:03,700

classified so we know and s4 exists we

730

00:34:06,990 --> 00:34:05,830

know classified work goes on there we

731

00:34:08,490 --> 00:34:07,000

know that they're not going to tell us

732

00:34:09,659 --> 00:34:08,500

any more about it

733

00:34:11,669 --> 00:34:09,669

no one had

734

00:34:12,690 --> 00:34:11,679

at about a place called s4 and public

735

00:34:14,549 --> 00:34:12,700

before Bob Lazar

736

00:34:16,049 --> 00:34:14,559

there's no printed records of it it

737

00:34:18,030 --> 00:34:16,059

didn't appear in the newspaper story

738

00:34:20,190 --> 00:34:18,040

he's the one that told it how did he

739

00:34:21,720 --> 00:34:20,200

know how did he know that those test

740

00:34:23,460 --> 00:34:21,730

flights were gonna take place three

741

00:34:26,819 --> 00:34:23,470

weeks in a row there'd been no news

742

00:34:28,200 --> 00:34:26,829

stories not in in UFO circles about test

743

00:34:30,809 --> 00:34:28,210

flights of something that looks like a

744

00:34:32,490 --> 00:34:30,819

flying saucer over Papoose Lake that

745

00:34:33,930 --> 00:34:32,500

happened three weeks in a row they took

746

00:34:36,149 --> 00:34:33,940

people out there I've interviewed all

747

00:34:38,970 --> 00:34:36,159

the witnesses who were there and they've

748

00:34:41,819 --> 00:34:38,980

got it on videotape how did he know well

749

00:34:44,369 --> 00:34:41,829

maybe somebody told him the you how

750

00:34:46,470 --> 00:34:44,379

ridiculous that is maybe somebody told

751

00:34:49,379 --> 00:34:46,480

him but it's important that Bob didn't

752

00:34:51,750 --> 00:34:49,389

go to MIT how ridiculous is that

753

00:34:54,329 --> 00:34:51,760

here's videotape of a flying saucer

754

00:34:56,369 --> 00:34:54,339

flying over a secret base the government

755

00:34:59,069 --> 00:34:56,379

has never acknowledged and the important

756

00:35:01,799 --> 00:34:59,079

point of this is Bob did go to MIT it's

757

00:35:04,470 --> 00:35:01,809

ridiculous how about the Maine you're

758

00:35:07,170 --> 00:35:04,480

sort of losing burying the headline the

759

00:35:10,799 --> 00:35:07,180

headline is flying saucers at a secret

760

00:35:12,569 --> 00:35:10,809

base there they are on video and we're

761

00:35:17,160 --> 00:35:12,579

quibbling about whether he has a degree

762

00:35:19,380 --> 00:35:17,170

or not George Knapp calls up Nellis Air

763

00:35:22,650 --> 00:35:19,390

Force Base do you have an s4 and they

764

00:35:24,599 --> 00:35:22,660

say yes yeah we hadn't gone with our UFO

765

00:35:26,609 --> 00:35:24,609

stories they weren't on the only thing

766

00:35:29,190 --> 00:35:26,619

that had been on the air was John Lear

767

00:35:31,440 --> 00:35:29,200

on on the record and then this dentist

768

00:35:34,319 --> 00:35:31,450

interview the interview with Dennis so I

769

00:35:38,309 --> 00:35:34,329

wasn't quite the UFO guy than I am now

770

00:35:40,109 --> 00:35:38,319

and and actually the guy I talked to the

771

00:35:42,450 --> 00:35:40,119

public information officer at Nellis is

772

00:35:44,730 --> 00:35:42,460

somebody that I knew we called and he

773

00:35:46,770 --> 00:35:44,740

said does s4 exist

774

00:35:48,299 --> 00:35:46,780

I could try I mean I could certainly ask

775

00:35:49,109 --> 00:35:48,309

them whether they'd still answer or not

776

00:35:51,630 --> 00:35:49,119

I don't know

777

00:35:53,549 --> 00:35:51,640

you'll recall twenty-five years ago they

778

00:35:55,230 --> 00:35:53,559

would answer questions about UFOs

779

00:35:56,700 --> 00:35:55,240

you know they they might keep you on the

780

00:35:58,079 --> 00:35:56,710

phone long enough to figure out if

781

00:35:59,370 --> 00:35:58,089

you're crazy or not but at least they

782

00:36:00,960 --> 00:35:59,380

talk to you about it they don't talk to

783

00:36:02,460 --> 00:36:00,970

you at all they don't have that

784

00:36:04,140 --> 00:36:02,470

conversation with you whether they'd

785

00:36:07,890 --> 00:36:04,150

answer that s4 question around I don't

786

00:36:10,049 --> 00:36:07,900

know we could try we're calling Nellis

787

00:36:13,130 --> 00:36:10,059

Air Force Base of Public Affairs Office

788

00:36:15,390 --> 00:36:13,140

and that's who I called 25 years ago

789

00:36:19,230 --> 00:36:15,400

we'll see if they will confirm for us

790

00:36:21,630 --> 00:36:19,240

that they have an s4 out there or where

791

00:36:28,300 --> 00:36:21,640

I suspect we're gonna have trouble but

792

00:36:33,590 --> 00:36:31,160

hi my name is George Knapp I work with

793

00:36:35,870 --> 00:36:33,600

Channel 8 News and I had a question I'm

794

00:36:37,880 --> 00:36:35,880

not sure if you can answer it or who

795

00:36:40,340 --> 00:36:37,890

might be able to answer it I'm trying to

796

00:36:42,290 --> 00:36:40,350

try to figure out if there is if you can

797

00:36:45,490 --> 00:36:42,300

confirm that there is somewhere on the

798

00:37:13,400 --> 00:36:45,500

Nellis range a place called s4 and

799

00:37:18,290 --> 00:37:13,410

designated s4 facility yes great thanks

800

00:37:21,560 --> 00:37:18,300

thank you hi Airmen my name is George

801
00:37:23,330 --> 00:37:21,570
Knapp with channel 8 I was calling to

802
00:37:24,770 --> 00:37:23,340
see if and I don't know if you can tell

803
00:37:26,720 --> 00:37:24,780
me this or not but whether you have

804
00:37:29,470 --> 00:37:26,730
something on the Nellis range called s4

805
00:38:02,660 --> 00:37:29,480
a site or a facility or a location

806
00:38:04,520 --> 00:38:02,670
designate an s4 this number here yeah

807
00:38:07,280 --> 00:38:04,530
I'll just let you know that I've been

808
00:38:09,410 --> 00:38:07,290
told some years ago that there was there

809
00:38:11,270 --> 00:38:09,420
is a place called s4 they wouldn't tell

810
00:38:13,580 --> 00:38:11,280
me where it was but in fact you might

811
00:38:22,880 --> 00:38:13,590
have more than one like Eskimo meaning

812
00:38:25,520 --> 00:38:22,890
site for right I'd want to know what if

813
00:38:27,860 --> 00:38:25,530

it exists we had been told that there

814

00:38:30,440 --> 00:38:27,870

had been classified work going on out

815

00:38:32,930 --> 00:38:30,450

there one one version of the story is

816

00:38:35,090 --> 00:38:32,940

that there was a facility near Pappu's

817

00:38:35,400 --> 00:38:35,100

dry lake that was called s4 there's

818

00:38:36,870 --> 00:38:35,410

another

819

00:38:40,319 --> 00:38:36,880

version the story that you've got a

820

00:38:41,970 --> 00:38:40,329

place at Tonopah test range and I just

821

00:38:54,830 --> 00:38:41,980

didn't know if you can confirm one way

822

00:38:54,840 --> 00:38:59,750

[Applause]

823

00:38:59,760 --> 00:39:06,079

I appreciated airman thank you very much

824

00:39:11,789 --> 00:39:08,670

yes so um you know it's just kind of

825

00:39:13,680 --> 00:39:11,799

interesting he already confirmed it

826

00:39:15,990 --> 00:39:13,690

decades ago we're just wondering what

827

00:39:17,370 --> 00:39:16,000

the climate of the situation was now and

828

00:39:18,870 --> 00:39:17,380

I could like tell you this story but

829

00:39:21,539 --> 00:39:18,880

it's much more fun to show it to you I

830

00:39:23,069 --> 00:39:21,549

make films anyway right so I can talk

831

00:39:24,599 --> 00:39:23,079

about it by showing you how these things

832

00:39:27,750 --> 00:39:24,609

go there's a little bit of humor in it

833

00:39:29,460 --> 00:39:27,760

so we waited for a callback and we

834

00:39:31,170 --> 00:39:29,470

weren't very hopeful we didn't think

835

00:39:32,309 --> 00:39:31,180

they were gonna call us back back in the

836

00:39:34,500 --> 00:39:32,319

day

837

00:39:35,609 --> 00:39:34,510

George knew the the public affairs guy

838

00:39:37,349 --> 00:39:35,619

this time we don't know who we're

839

00:39:39,089 --> 00:39:37,359

talking with the kid didn't even sound

840

00:39:40,349 --> 00:39:39,099

like he knew much of the base you know

841

00:39:42,779 --> 00:39:40,359

so we don't know what kind of

842

00:39:45,510 --> 00:39:42,789

information we're gonna get they called

843

00:39:49,049 --> 00:39:45,520

right back and left a message that's

844

00:39:50,700 --> 00:39:49,059

this is the next morning yesterday you

845

00:39:54,269 --> 00:39:50,710

called to get Nellis Air Force Base to

846

00:39:56,130 --> 00:39:54,279

confirm s4 as a physical location the

847

00:39:59,490 --> 00:39:56,140

one by the post Lake that is one we're

848

00:40:01,620 --> 00:39:59,500

interested in and they and you've called

849

00:40:03,140 --> 00:40:01,630

before back before a lot of this was

850

00:40:05,700 --> 00:40:03,150

secret and you got direct confirmation

851
00:40:07,529 --> 00:40:05,710
yes that facility exists we can't tell

852
00:40:10,049 --> 00:40:07,539
you anything more about it so we get a

853
00:40:12,390 --> 00:40:10,059
guy on there yesterday and he's like I

854
00:40:14,819 --> 00:40:12,400
have to go ask people that would know

855
00:40:17,549 --> 00:40:14,829
and you get a voicemail back the same

856
00:40:22,710 --> 00:40:17,559
day right this yesterday and let's hear

857
00:40:25,109 --> 00:40:22,720
what the voicemail is from Nellis Air

858
00:40:26,760 --> 00:40:25,119
Force Base I'm calling to get you this

859
00:40:30,480 --> 00:40:26,770
formation you requested earlier today I

860
00:40:34,440 --> 00:40:30,490
spoke with the range headquarters and

861
00:40:37,049 --> 00:40:34,450
they let me know that none of their maps

862
00:40:41,990 --> 00:40:37,059
and possession have a location that

863
00:40:45,750 --> 00:40:42,000

depicts s4 or sites or as a designation

864

00:40:47,700 --> 00:40:45,760

so that's what I can tell you right now

865

00:40:48,840 --> 00:40:47,710

so if you have any further questions be

866

00:40:52,580 --> 00:40:48,850

sure to let me know when you get a

867

00:40:57,120 --> 00:40:52,590

chance have a good day

868

00:40:58,680 --> 00:40:57,130

so a couple things one is that 25 years

869

00:41:01,260 --> 00:40:58,690

ago they did confirm not only they have

870

00:41:03,510 --> 00:41:01,270

won and and more than one s4 they

871

00:41:04,830 --> 00:41:03,520

wouldn't tell me where it was they

872

00:41:06,420 --> 00:41:04,840

wouldn't tell me what goes on there but

873

00:41:07,770 --> 00:41:06,430

they said it is a real place and I've

874

00:41:10,680 --> 00:41:07,780

got that from other people who worked

875

00:41:12,720 --> 00:41:10,690

out there not just Lazar secondly it was

876
00:41:14,970 --> 00:41:12,730
the parsing of languages what I thought

877
00:41:16,770 --> 00:41:14,980
was interesting we talked to the people

878
00:41:18,720 --> 00:41:16,780
at the range and they don't find it on

879
00:41:20,910 --> 00:41:18,730
any map well it's not gonna be on any

880
00:41:24,240 --> 00:41:20,920
map it wouldn't be on any map even if it

881
00:41:26,490 --> 00:41:24,250
was even if existed and so just saying

882
00:41:29,490 --> 00:41:26,500
that it it's not on any map is not the

883
00:41:32,910 --> 00:41:29,500
same as saying it doesn't exist it's a

884
00:41:34,350 --> 00:41:32,920
very specific kind of truth it's a new

885
00:41:36,630 --> 00:41:34,360
day and age dealing with public

886
00:41:38,580 --> 00:41:36,640
information officers and not only for

887
00:41:40,290 --> 00:41:38,590
the airforce but every federal agency is

888
00:41:41,970 --> 00:41:40,300

that they are where you go for

889

00:41:44,400 --> 00:41:41,980

information and you never get to speak

890

00:41:46,950 --> 00:41:44,410

unless you get their permission you

891

00:41:49,320 --> 00:41:46,960

never get to speak beyond that it's like

892

00:41:51,450 --> 00:41:49,330

fishing as a journalist you want to see

893

00:41:53,550 --> 00:41:51,460

where the level of secrecy is and s4 is

894

00:41:55,440 --> 00:41:53,560

important is because s4 is linked to all

895

00:41:57,060 --> 00:41:55,450

of these special projects that we've

896

00:41:59,610 --> 00:41:57,070

been looking into dealing with the

897

00:42:01,800 --> 00:41:59,620

extra-terrestrial presence yeah being

898

00:42:03,780 --> 00:42:01,810

able to confirm that there really was an

899

00:42:05,130 --> 00:42:03,790

s4 which is where Bob Lazar said he

900

00:42:06,720 --> 00:42:05,140

worked goes a long way toward

901
00:42:08,460 --> 00:42:06,730
establishing that his story was true

902
00:42:10,800 --> 00:42:08,470
because it had never appeared in any

903
00:42:12,900 --> 00:42:10,810
newspaper it wasn't at any map that's

904
00:42:14,880 --> 00:42:12,910
what he claims so when niplus told me

905
00:42:16,530 --> 00:42:14,890
yeah we've got an s4 but we're not gonna

906
00:42:18,690 --> 00:42:16,540
tell you where it is that was a really

907
00:42:20,760 --> 00:42:18,700
big deal I you know I don't necessarily

908
00:42:22,470 --> 00:42:20,770
think they're lying to me maybe they

909
00:42:24,330 --> 00:42:22,480
this guy doesn't know maybe they don't

910
00:42:25,800 --> 00:42:24,340
call it us for anymore maybe after all

911
00:42:29,400 --> 00:42:25,810
that stuff with Lazar came out they

912
00:42:30,510 --> 00:42:29,410
changed the name who knows but I just

913
00:42:33,600 --> 00:42:30,520

thought it was really interesting that

914

00:42:37,420 --> 00:42:33,610

the parsing of the language to say we

915

00:42:42,100 --> 00:42:40,420

yes that's just a fun little look into

916

00:42:44,200 --> 00:42:42,110

one of the ways that we can go about

917

00:42:46,720 --> 00:42:44,210

getting nothing from our government of

918

00:42:48,790 --> 00:42:46,730

how these facilities but you know it's

919

00:42:50,860 --> 00:42:48,800

kind of fun and you do learn a lot along

920

00:42:53,650 --> 00:42:50,870

the way it it is interesting the way

921

00:42:55,180 --> 00:42:53,660

questions are answered or sometimes very

922

00:42:57,820 --> 00:42:55,190

telling and the guy was kind of

923

00:42:59,860 --> 00:42:57,830

chuckling actually when he had you know

924

00:43:01,720 --> 00:42:59,870

said we don't have any you know maps

925

00:43:04,030 --> 00:43:01,730

with that designation on it he knew it

926
00:43:08,140 --> 00:43:04,040
was a BS answer to get around having to

927
00:43:10,360 --> 00:43:08,150
answer so basically there's a lot of

928
00:43:13,240 --> 00:43:10,370
controversy but what is the proof when

929
00:43:15,700 --> 00:43:13,250
it comes to lazarre's claims after all

930
00:43:18,160 --> 00:43:15,710
this time you know what stands the test

931
00:43:20,710 --> 00:43:18,170
of time I'm not going to go over every

932
00:43:24,070 --> 00:43:20,720
finite detail on what people think is or

933
00:43:26,070 --> 00:43:24,080
is not true about the Lazar story there

934
00:43:29,110 --> 00:43:26,080
are you know a few interesting things

935
00:43:32,050 --> 00:43:29,120
this was just a copy of it but one of

936
00:43:34,420 --> 00:43:32,060
the things I went through is this box of

937
00:43:36,400 --> 00:43:34,430
archives and photographs and you know

938
00:43:38,950 --> 00:43:36,410

Bob would just I could pull any box out

939

00:43:40,990 --> 00:43:38,960

of just garage and he did not you know

940

00:43:42,850 --> 00:43:41,000

have anything to hide he's just like go

941

00:43:44,680 --> 00:43:42,860

for it look through it all you know but

942

00:43:46,420 --> 00:43:44,690

this was like a pay stub he got people

943

00:43:47,560 --> 00:43:46,430

say well why is it for so little and

944

00:43:49,810 --> 00:43:47,570

it's because he's just getting started

945

00:43:52,150 --> 00:43:49,820

with a job and they pay so little at the

946

00:43:54,700 --> 00:43:52,160

beginning it's not that much money even

947

00:43:56,590 --> 00:43:54,710

this has been hyper analyzed and people

948

00:43:58,750 --> 00:43:56,600

trying to see is it real because the

949

00:44:00,040 --> 00:43:58,760

name of the department is different than

950

00:44:02,440 --> 00:44:00,050

what's they know that's an older

951
00:44:04,240 --> 00:44:02,450
department so there's all these tiny

952
00:44:07,000 --> 00:44:04,250
little things that people like to go

953
00:44:11,230 --> 00:44:07,010
through and try to see does it add up

954
00:44:14,470 --> 00:44:11,240
but none of it adds up to is Bob telling

955
00:44:16,510 --> 00:44:14,480
the truth or not like his schooling Bob

956
00:44:19,630 --> 00:44:16,520
is always claimed that he went to MIT

957
00:44:22,090 --> 00:44:19,640
and that he went to you know he got a

958
00:44:24,070 --> 00:44:22,100
you know degree from MIT and there's no

959
00:44:26,890 --> 00:44:24,080
way to prove that the Bob's not offer

960
00:44:29,200 --> 00:44:26,900
him proof we can't find proof okay so

961
00:44:30,850 --> 00:44:29,210
let's let's just say he lied let's just

962
00:44:33,160 --> 00:44:30,860
pretend he lie i don't by the way that's

963
00:44:35,020 --> 00:44:33,170

not my position i'm just saying let's

964

00:44:39,600 --> 00:44:35,030

just say he lied let's say he was

965

00:44:42,730 --> 00:44:39,610

home-schooled and just had no education

966

00:44:45,490 --> 00:44:42,740

okay well does that change the fact that

967

00:44:49,340 --> 00:44:45,500

he worked in scientific capacity at Los

968

00:44:50,660 --> 00:44:49,350

Alamos no that's established fact

969

00:44:52,370 --> 00:44:50,670

and I'll tell you why it's established

970

00:44:56,300 --> 00:44:52,380

back now I actually made sure it was

971

00:44:59,420 --> 00:44:56,310

established back but the point is we can

972

00:45:03,350 --> 00:44:59,430

go back to when he was a baby it's like

973

00:45:06,350 --> 00:45:03,360

is that gonna change is this true about

974

00:45:08,420 --> 00:45:06,360

this story about what he's telling us

975

00:45:10,580 --> 00:45:08,430

now and so that that's kind of what I'm

976

00:45:12,410 --> 00:45:10,590

interested in I really don't care if he

977

00:45:15,770 --> 00:45:12,420

was homeschooled by gnomes

978

00:45:18,110 --> 00:45:15,780

I like care if he worked at los alamos

979

00:45:19,430 --> 00:45:18,120

how did Bob walk George Knapp through

980

00:45:22,190 --> 00:45:19,440

one of the most secret and lockdown

981

00:45:24,800 --> 00:45:22,200

facilities in America at los alamos

982

00:45:27,920 --> 00:45:24,810

going into the maze on facility with

983

00:45:30,110 --> 00:45:27,930

cameras how did that happen it's it's

984

00:45:31,340 --> 00:45:30,120

like people try to belittle the story

985

00:45:33,050 --> 00:45:31,350

because they're afraid of the

986

00:45:37,310 --> 00:45:33,060

implications maybe let's stick to what

987

00:45:40,610 --> 00:45:37,320

we know Bob tried creating recreating

988

00:45:42,980 --> 00:45:40,620

what the badge looked like so that other

989

00:45:44,800 --> 00:45:42,990

people could recognize it maybe and then

990

00:45:47,660 --> 00:45:44,810

people say oh you've made a fake badge

991

00:45:48,560 --> 00:45:47,670

yeah I made a replica so you would

992

00:45:50,420 --> 00:45:48,570

you're welcome

993

00:45:52,790 --> 00:45:50,430

so you would know what it looked like I

994

00:45:54,470 --> 00:45:52,800

mean just all these crazy stories I see

995

00:45:56,960 --> 00:45:54,480

tape up there on the right by his neck

996

00:45:58,850 --> 00:45:56,970

yeah he made a badge replica so you

997

00:46:02,450 --> 00:45:58,860

could see what it looks like

998

00:46:04,010 --> 00:46:02,460

he also did diagrams and drawings of you

999

00:46:05,870 --> 00:46:04,020

know these are like on napkins he's like

1000

00:46:08,350 --> 00:46:05,880

famous for napkins I have like a stack

1001
00:46:11,120 --> 00:46:08,360
of napkins from Bob okay so this is like

1002
00:46:14,360 --> 00:46:11,130
one of the first drawings he did back in

1003
00:46:17,180 --> 00:46:14,370
the day of where the the saucer out of

1004
00:46:19,490 --> 00:46:17,190
the nine that he claimed he saw the one

1005
00:46:21,530 --> 00:46:19,500
that he dubbed the sports model that's

1006
00:46:23,990 --> 00:46:21,540
where it was and he you know he kind of

1007
00:46:26,450 --> 00:46:24,000
drew it out so people could see what it

1008
00:46:28,190 --> 00:46:26,460
looked like from what he's telling these

1009
00:46:31,580 --> 00:46:28,200
are drawings I don't know if people have

1010
00:46:33,830 --> 00:46:31,590
really seen some of these but he saw a

1011
00:46:35,870 --> 00:46:33,840
bunch of different shaped UFOs but from

1012
00:46:36,890 --> 00:46:35,880
a distance so he saw there were nine but

1013
00:46:38,780 --> 00:46:36,900

some of them like held that one the

1014

00:46:40,850 --> 00:46:38,790

jello mold the one below that the top

1015

00:46:42,260 --> 00:46:40,860

hat he called that one the light bulb he

1016

00:46:44,270 --> 00:46:42,270

doesn't even remember it now he's like

1017

00:46:46,070 --> 00:46:44,280

oh yeah that was weird that one was

1018

00:46:47,780 --> 00:46:46,080

weird shaped but they were all kind of

1019

00:46:50,870 --> 00:46:47,790

like down this corridor you know he only

1020

00:46:53,360 --> 00:46:50,880

got to see the one little known parts of

1021

00:46:55,610 --> 00:46:53,370

his story very elaborate one time you

1022

00:46:58,010 --> 00:46:55,620

know in that section where he goes I was

1023

00:47:01,400 --> 00:46:58,020

inside one he's talking about a UFO

1024

00:47:02,750 --> 00:47:01,410

because I was inside of one and I said

1025

00:47:05,900 --> 00:47:02,760

well Bob

1026

00:47:07,490 --> 00:47:05,910

did that was that cool you know that's

1027

00:47:12,380 --> 00:47:07,500

gonna be really cool right and he goes

1028

00:47:14,990 --> 00:47:12,390

now it felt all - he goes it was so

1029

00:47:17,840 --> 00:47:15,000

weird first of all everything is

1030

00:47:20,690 --> 00:47:17,850

gunmetal gray there's not any other

1031

00:47:22,790 --> 00:47:20,700

color everything is rounded there's no

1032

00:47:24,710 --> 00:47:22,800

corner or edge it was like an injection

1033

00:47:29,230 --> 00:47:24,720

mold because what it felt hominis

1034

00:47:32,180 --> 00:47:29,240

because I stepped in and the seats

1035

00:47:35,810 --> 00:47:32,190

weren't for grown men they weren't for

1036

00:47:38,720 --> 00:47:35,820

normal grown men human size right they

1037

00:47:41,570 --> 00:47:38,730

were small and he says that was the

1038

00:47:43,609 --> 00:47:41,580

moment when I realized this is weird we

1039

00:47:45,859 --> 00:47:43,619

ain't in Kansas no more toto you know

1040

00:47:47,750 --> 00:47:45,869

something's weird here it's kind of

1041

00:47:49,520 --> 00:47:47,760

dawned on him and I think kind of the

1042

00:47:51,500 --> 00:47:49,530

light display that came up with the

1043

00:47:54,620 --> 00:47:51,510

alien writing probably sunk that right

1044

00:47:57,230 --> 00:47:54,630

in at one point they were operating on a

1045

00:47:59,180 --> 00:47:57,240

little piece on the ground and this

1046

00:48:01,460 --> 00:47:59,190

display came up where side of the craft

1047

00:48:02,900 --> 00:48:01,470

that he was inside to look at a very

1048

00:48:04,670 --> 00:48:02,910

specific part of the propulsion system

1049

00:48:07,099 --> 00:48:04,680

there was this rounded window partner I

1050

00:48:09,349 --> 00:48:07,109

just went transparent but not like even

1051
00:48:10,280 --> 00:48:09,359
glass you know it's just clear she

1052
00:48:13,609 --> 00:48:10,290
doesn't know if it was there or not

1053
00:48:16,520 --> 00:48:13,619
there but on that was very strange

1054
00:48:18,230 --> 00:48:16,530
writing you know to us we don't know

1055
00:48:21,620 --> 00:48:18,240
what kind of writing it was but he tried

1056
00:48:23,180 --> 00:48:21,630
to kind of show what it looked like it

1057
00:48:24,920 --> 00:48:23,190
kind of looked like amoebas you know he

1058
00:48:27,280 --> 00:48:24,930
didn't know in like eyes but it was like

1059
00:48:31,030 --> 00:48:27,290
that's kind of a replica of what he saw

1060
00:48:33,440 --> 00:48:31,040
have you guys seen that before so

1061
00:48:35,540 --> 00:48:33,450
there's all these details to a story

1062
00:48:37,730 --> 00:48:35,550
that are just not well known because we

1063
00:48:41,390 --> 00:48:37,740

get the bullet points okay another thing

1064

00:48:44,270 --> 00:48:41,400

that he avoids talking about cuz it's so

1065

00:48:46,070 --> 00:48:44,280

bizarre but he read all of these

1066

00:48:47,510 --> 00:48:46,080

briefing documents that was one of the

1067

00:48:49,220 --> 00:48:47,520

times he went out there was they just

1068

00:48:51,290 --> 00:48:49,230

had him read through all these documents

1069

00:48:53,150 --> 00:48:51,300

and he wasn't sure if it was like a test

1070

00:48:55,070 --> 00:48:53,160

or a joke he doesn't really know what's

1071

00:48:57,140 --> 00:48:55,080

going on but he flipped through pages

1072

00:49:00,620 --> 00:48:57,150

and saw photographs and he tried to draw

1073

00:49:04,250 --> 00:49:00,630

one thing that he saw on the left which

1074

00:49:06,380 --> 00:49:04,260

was an autopsy page of a being and he

1075

00:49:07,730 --> 00:49:06,390

doesn't like to talk about it he

1076

00:49:09,650 --> 00:49:07,740

actually drew this though from memory

1077

00:49:12,230 --> 00:49:09,660

and I loved it because that's all I know

1078

00:49:13,970 --> 00:49:12,240

you'll have to make up the rest because

1079

00:49:15,730 --> 00:49:13,980

he said that's what everybody does they

1080

00:49:17,530 --> 00:49:15,740

just insert [h__\h] you know you

1081

00:49:19,330 --> 00:49:17,540

like that's what I know that's what it

1082

00:49:22,359 --> 00:49:19,340

looked like that you know to the best of

1083

00:49:23,859 --> 00:49:22,369

my ability so he read all these

1084

00:49:25,510 --> 00:49:23,869

documents he goes I don't know if they

1085

00:49:28,150 --> 00:49:25,520

were true it's like you reading a piece

1086

00:49:29,980 --> 00:49:28,160

of paper do you know that's true he goes

1087

00:49:31,780 --> 00:49:29,990

I didn't have my hands on that so I

1088

00:49:33,609 --> 00:49:31,790

don't know that's true but there were

1089

00:49:38,200 --> 00:49:33,619

tons of things that he read in these

1090

00:49:41,859 --> 00:49:38,210

documents bizarre things back - how the

1091

00:49:45,400 --> 00:49:41,869

hell did Bob know okay this drawing on

1092

00:49:48,460 --> 00:49:45,410

the right that was done by Bob right

1093

00:49:50,800 --> 00:49:48,470

after one of his visits to the base when

1094

00:49:52,750 --> 00:49:50,810

he happened to see on the bus a strange

1095

00:49:54,850 --> 00:49:52,760

airplane they said worked on like a

1096

00:49:58,900 --> 00:49:54,860

methane fuel and he said it sounded like

1097

00:50:01,300 --> 00:49:58,910

it was tearing open the sky turns out we

1098

00:50:03,340 --> 00:50:01,310

now know he drew the back of the Aurora

1099

00:50:05,590 --> 00:50:03,350

which is still a very secret plane that

1100

00:50:08,280 --> 00:50:05,600

was being tested out at area 51 at the

1101
00:50:10,480 --> 00:50:08,290
time he was out there how did Bob know

1102
00:50:12,880 --> 00:50:10,490
how did he know it worked on methane

1103
00:50:16,359 --> 00:50:12,890
propulsion how did he draw the back of

1104
00:50:19,840 --> 00:50:16,369
it correctly if he was never there again

1105
00:50:22,120 --> 00:50:19,850
it's really annoying isn't it because

1106
00:50:24,190 --> 00:50:22,130
all these things are kicking in the ass

1107
00:50:26,020 --> 00:50:24,200
like oh I wanna believe you but I want

1108
00:50:29,170 --> 00:50:26,030
to know the truth I'm starting to

1109
00:50:31,859 --> 00:50:29,180
believe you so then I found someone

1110
00:50:35,020 --> 00:50:31,869
willing to speak with me after 25 years

1111
00:50:37,240 --> 00:50:35,030
from Los Alamos after all these years

1112
00:50:38,770 --> 00:50:37,250
everybody's making jokes that bob was

1113
00:50:40,780 --> 00:50:38,780

the janitor at Los Alamos he never

1114

00:50:42,940 --> 00:50:40,790

worked there okay he's in the phone book

1115

00:50:44,859 --> 00:50:42,950

I've talked to a bunch of individuals

1116

00:50:46,390 --> 00:50:44,869

that were that knew him from working

1117

00:50:48,490 --> 00:50:46,400

with him there but I couldn't go public

1118

00:50:50,530 --> 00:50:48,500

with it finally I found a brave

1119

00:50:53,650 --> 00:50:50,540

individual who was willing to talk to me

1120

00:50:57,670 --> 00:50:53,660

on the record about working with Bob

1121

00:51:00,580 --> 00:50:57,680

Lazar at Los Alamos in scientific

1122

00:51:03,520 --> 00:51:00,590

capacity being in briefings classified

1123

00:51:05,980 --> 00:51:03,530

briefings which by the way the janitors

1124

00:51:09,670 --> 00:51:05,990

are not invited to the highly technical

1125

00:51:11,980 --> 00:51:09,680

classified briefings with Bob Lazar and

1126

00:51:13,990 --> 00:51:11,990

his name was dr. Robert Crandall I have

1127

00:51:16,180 --> 00:51:14,000

all of his documents all of his

1128

00:51:18,880 --> 00:51:16,190

paperwork from all the contracts that he

1129

00:51:21,160 --> 00:51:18,890

did during that time period at multitude

1130

00:51:22,480 --> 00:51:21,170

of bases including Los Alamos during

1131

00:51:25,180 --> 00:51:22,490

that time dr. Craig was telling the

1132

00:51:26,530 --> 00:51:25,190

truth I can prove it what was your

1133

00:51:29,140 --> 00:51:26,540

impression of what bob was doing at Los

1134

00:51:29,470 --> 00:51:29,150

Alamos in the 80s I didn't know what he

1135

00:51:41,770 --> 00:51:29,480

was

1136

00:51:43,599 --> 00:51:41,780

again like the janitor right so he

1137

00:51:45,880 --> 00:51:43,609

worked there and he went on record with

1138

00:51:47,859 --> 00:51:45,890

me and says of course remember bob bob

1139

00:51:50,079 --> 00:51:47,869

was the jet car guy he was a rock star

1140

00:51:52,150 --> 00:51:50,089

he looks like Mick Jagger how can you

1141

00:51:54,310 --> 00:51:52,160

not remember Bob I remember Bob Bob was

1142

00:51:56,349 --> 00:51:54,320

cool as [h__h] and yeah yeah he worked at

1143

00:51:58,120 --> 00:51:56,359

Los Alamos big deal and my big deal -

1144

00:51:59,880 --> 00:51:58,130

boo it's a big deal man

1145

00:52:02,170 --> 00:51:59,890

and he goes why and I'm like because

1146

00:52:04,240 --> 00:52:02,180

he's got a bigger story and everybody

1147

00:52:05,560 --> 00:52:04,250

says a good link - that is did he work

1148

00:52:09,160 --> 00:52:05,570

at los alamos because if he worked at

1149

00:52:10,180 --> 00:52:09,170

los alamos there is a possible reason he

1150

00:52:12,450 --> 00:52:10,190

could have been picked up to work on a

1151
00:52:16,630 --> 00:52:12,460
highly classified project through EG&G

1152
00:52:19,270 --> 00:52:16,640
to go to the test site and work on this

1153
00:52:22,030 --> 00:52:19,280
non-terrestrial stuff and dr. Bergen was

1154
00:52:23,500 --> 00:52:22,040
like okay whatever so I got him on

1155
00:52:27,099 --> 00:52:23,510
record the guy's a really funny guy

1156
00:52:29,950 --> 00:52:27,109
really smart and um next thing you know

1157
00:52:32,770 --> 00:52:29,960
I published it next - shoulda warned him

1158
00:52:35,680 --> 00:52:32,780
he starts getting inundated by calls by

1159
00:52:38,980 --> 00:52:35,690
Stan Freeman just inundated you know I

1160
00:52:44,200 --> 00:52:38,990
mean God you know I love Stan Stan and I

1161
00:52:48,460 --> 00:52:44,210
like him we totally disagree because

1162
00:52:50,559 --> 00:52:48,470
Stan's wrong so yeah so he attacked dr.

1163
00:52:52,390 --> 00:52:50,569

Crangle on the phone trying to belittle

1164

00:52:54,400 --> 00:52:52,400

what dr. Crangle said he goes jeremy

1165

00:52:56,140 --> 00:52:54,410

what did you do I this guy keeps calling

1166

00:52:57,490 --> 00:52:56,150

me all I did was tell you a little thing

1167

00:52:59,530 --> 00:52:57,500

and he won't leave me alone I'm like

1168

00:53:01,870 --> 00:52:59,540

yeah he's looking to try to discredit

1169

00:53:04,089 --> 00:53:01,880

you because he's invested in it not

1170

00:53:05,680 --> 00:53:04,099

being true about Bob Lazar I said just

1171

00:53:08,680 --> 00:53:05,690

tell him what you told me tell him the

1172

00:53:10,480 --> 00:53:08,690

truth so anyway you know anyway you get

1173

00:53:12,819 --> 00:53:10,490

around it here's a physicist work to Los

1174

00:53:14,440 --> 00:53:12,829

Alamos inside the capacity was in

1175

00:53:17,069 --> 00:53:14,450

security briefings with Bob Lazar make

1176

00:53:19,720 --> 00:53:17,079

of that what you will now for my most

1177

00:53:21,730 --> 00:53:19,730

exciting part of this story this is the

1178

00:53:25,450 --> 00:53:21,740

thing that really gets me has everybody

1179

00:53:27,700 --> 00:53:25,460

heard of element 115 okay

1180

00:53:29,500 --> 00:53:27,710

so you've heard about that because of

1181

00:53:31,500 --> 00:53:29,510

Bob Lazar there's no other reason you

1182

00:53:35,680 --> 00:53:31,510

would have heard about that back in 1989

1183

00:53:37,720 --> 00:53:35,690

very obscure an element that we

1184

00:53:41,620 --> 00:53:37,730

theorized you know we might be able to

1185

00:53:44,109 --> 00:53:41,630

you know create a few atoms of one day

1186

00:53:46,420 --> 00:53:44,119

element 115 is a huge part of Bob's

1187

00:53:49,960 --> 00:53:46,430

story because it's a very specific part

1188

00:53:54,310 --> 00:53:49,970

he said that we had he was told 500

1189

00:53:57,280 --> 00:53:54,320

pounds of element 115 in fact if you

1190

00:53:59,589 --> 00:53:57,290

remember his story that was the fuel

1191

00:54:03,280 --> 00:53:59,599

source for the gravity wave amplifier

1192

00:54:06,970 --> 00:54:03,290

and this sounded like total science

1193

00:54:09,730 --> 00:54:06,980

fiction and everybody said oh it's very

1194

00:54:11,380 --> 00:54:09,740

unscientific what Bob saying all he said

1195

00:54:13,990 --> 00:54:11,390

was that there was an element that was

1196

00:54:16,570 --> 00:54:14,000

yet to be fabricated by humans that is

1197

00:54:18,070 --> 00:54:16,580

super heavy and has this potentiality to

1198

00:54:20,530 --> 00:54:18,080

create as a fuel source for these

1199

00:54:23,680 --> 00:54:20,540

saucers and it runs off of that well

1200

00:54:26,740 --> 00:54:23,690

it's a minoes

1201

00:54:29,260 --> 00:54:26,750

we can't fabricate at that time we

1202

00:54:30,700 --> 00:54:29,270

couldn't for at all but to this day and

1203

00:54:33,150 --> 00:54:30,710

actually we will never be able to and

1204

00:54:35,680 --> 00:54:33,160

there's reasons why we cannot fabricate

1205

00:54:38,380 --> 00:54:35,690

stabilized element 115 in any

1206

00:54:40,330 --> 00:54:38,390

significant quantity now the argument

1207

00:54:42,190 --> 00:54:40,340

that people make about element 115 is

1208

00:54:44,230 --> 00:54:42,200

that okay you're right okay

1209

00:54:47,290 --> 00:54:44,240

we fabricated some we have a few atoms

1210

00:54:50,079 --> 00:54:47,300

of it sure but it's completely unstable

1211

00:54:52,359 --> 00:54:50,089

just milliseconds and it's gone well Bob

1212

00:54:55,030 --> 00:54:52,369

always said well he recently said he

1213

00:54:57,550 --> 00:54:55,040

goes yeah that's true he goes but there

1214

00:55:00,310 --> 00:54:57,560

is an isotope or I stopped a combination

1215

00:55:02,710 --> 00:55:00,320

that will stabilize it just because we

1216

00:55:05,260 --> 00:55:02,720

haven't found it it doesn't mean it

1217

00:55:08,140 --> 00:55:05,270

doesn't exist so I called up some

1218

00:55:10,329 --> 00:55:08,150

physicists at UCLA at Berkeley a couple

1219

00:55:11,800 --> 00:55:10,339

in Russia and I started asking him there

1220

00:55:14,260 --> 00:55:11,810

they're specialists and isotopes and

1221

00:55:16,570 --> 00:55:14,270

they're specialists and elements one of

1222

00:55:18,880 --> 00:55:16,580

them was very familiar with 115 across

1223

00:55:22,150 --> 00:55:18,890

the board none of them wanted to talk

1224

00:55:24,310 --> 00:55:22,160

about UFOs that was made very clear to

1225

00:55:27,839 --> 00:55:24,320

me this is not about UFOs is it couple

1226

00:55:31,120 --> 00:55:27,849

notes about element 115 okay cool

1227

00:55:35,650 --> 00:55:31,130

totally unwilling to talk about this on

1228

00:55:37,780 --> 00:55:35,660

the record but consensus they all said

1229

00:55:40,870 --> 00:55:37,790

yeah we absolutely cannot rule out a

1230

00:55:43,120 --> 00:55:40,880

stabilized form of element 115 there's

1231

00:55:45,579 --> 00:55:43,130

probably an isotopic combination because

1232

00:55:47,740 --> 00:55:45,589

it is theorized that as you move into

1233

00:55:50,829 --> 00:55:47,750

that realm it becomes stabilized for a

1234

00:55:53,980 --> 00:55:50,839

long duration of period we can't rule

1235

00:55:54,910 --> 00:55:53,990

that out so it is not pseudoscience to

1236

00:55:56,500 --> 00:55:54,920

say that's a pasta

1237

00:55:57,690 --> 00:55:56,510

ability and I'm like oh that's

1238

00:55:59,140 --> 00:55:57,700

interesting cuz I know some like

1239

00:56:01,240 --> 00:55:59,150

physicists who are like that's

1240

00:56:04,120 --> 00:56:01,250

pseudoscience you know what Lazar is

1241

00:56:06,309 --> 00:56:04,130

saying well apparently that's not the

1242

00:56:07,690 --> 00:56:06,319

common thought it's not so I don't know

1243

00:56:10,539 --> 00:56:07,700

why people like scream that all the time

1244

00:56:15,720 --> 00:56:10,549

so it is within possibility that that is

1245

00:56:21,010 --> 00:56:15,730

true now a sensitive part of the story

1246

00:56:24,370 --> 00:56:21,020

is that a Lazar described this very

1247

00:56:28,359 --> 00:56:24,380

specific way in which this element 115

1248

00:56:34,270 --> 00:56:28,369

was machined at Los Alamos freeze in the

1249

00:56:36,309 --> 00:56:34,280

saucers the guys machining the 115 at

1250

00:56:39,069 --> 00:56:36,319

Los Alamos didn't know what it was it

1251
00:56:41,770 --> 00:56:39,079
would be shipped to them something

1252
00:56:45,000 --> 00:56:41,780
called la 1000 that's what they would

1253
00:56:48,940 --> 00:56:45,010
ship back and forth and that was the 115

1254
00:56:52,839 --> 00:56:48,950
Bob alleged that at one point he got

1255
00:56:55,870 --> 00:56:52,849
some element 115 out of the lab out of

1256
00:56:57,039 --> 00:56:55,880
Los Alamos yeah can you imagine now

1257
00:57:00,280 --> 00:56:57,049
that's problematic

1258
00:57:03,250 --> 00:57:00,290
why did Bob claim that whether it's true

1259
00:57:09,430 --> 00:57:03,260
or not we'll get to that why did he

1260
00:57:14,079 --> 00:57:09,440
claim that well if his story is true he

1261
00:57:16,720 --> 00:57:14,089
was in serious danger that is precisely

1262
00:57:19,420 --> 00:57:16,730
why he went on the news with George

1263
00:57:22,120 --> 00:57:19,430

Knapp in fact I wish I could have seen

1264

00:57:24,099 --> 00:57:22,130

this I wish I could have filmed this the

1265

00:57:27,039 --> 00:57:24,109

last second when George is about to

1266

00:57:30,640 --> 00:57:27,049

reveal Bob's identity to the public on

1267

00:57:32,440 --> 00:57:30,650

the news Bob and George start wrestling

1268

00:57:34,539 --> 00:57:32,450

over the tape they're in the news

1269

00:57:36,280 --> 00:57:34,549

station about to go live to air and he's

1270

00:57:38,589 --> 00:57:36,290

like doesn't want George to air this

1271

00:57:40,329 --> 00:57:38,599

tape he is scared shitless what's gonna

1272

00:57:41,440 --> 00:57:40,339

happen when people recognize his face

1273

00:57:43,960 --> 00:57:41,450

and George is like dude you're already

1274

00:57:46,089 --> 00:57:43,970

out we tried to protect you by putting

1275

00:57:49,630 --> 00:57:46,099

you kind of out there under your boss's

1276
00:57:52,059 --> 00:57:49,640
name not a smart choice Bob Dennis that

1277
00:57:54,730 --> 00:57:52,069
caused some problems but so if his

1278
00:57:58,180 --> 00:57:54,740
story's true he's being threatened what

1279
00:57:59,500 --> 00:57:58,190
is the one thing that could prove his

1280
00:58:01,150 --> 00:57:59,510
weather a few things could prove his

1281
00:58:03,160 --> 00:58:01,160
story I actually believe Bob could prove

1282
00:58:05,470 --> 00:58:03,170
his story I don't think he wants to I

1283
00:58:06,640 --> 00:58:05,480
think he wants you to know the story but

1284
00:58:08,260 --> 00:58:06,650
he doesn't want you to know for sure

1285
00:58:10,930 --> 00:58:08,270
he's telling the truth that might

1286
00:58:13,600 --> 00:58:10,940
problems for him but let's just say it's

1287
00:58:14,170 --> 00:58:13,610
true the one thing that would save his

1288
00:58:17,830 --> 00:58:14,180

ass

1289

00:58:20,340 --> 00:58:17,840

his trump card would be having element

1290

00:58:22,420 --> 00:58:20,350

115 stashed somewhere right

1291

00:58:26,230 --> 00:58:22,430

making sure somebody knows where it is

1292

00:58:28,150 --> 00:58:26,240

dude that's proof positive so if we're

1293

00:58:31,270 --> 00:58:28,160

deciding to believe his story right now

1294

00:58:32,830 --> 00:58:31,280

wow that that's a twist right there and

1295

00:58:35,650 --> 00:58:32,840

he and he did claim it not saying

1296

00:58:38,230 --> 00:58:35,660

anything out of line but you notice he

1297

00:58:39,280 --> 00:58:38,240

hasn't talked about it twenty something

1298

00:58:41,920 --> 00:58:39,290

year probably twenty five years hasn't

1299

00:58:46,240 --> 00:58:41,930

even mentioned it cuz it was a sensitive

1300

00:58:49,000 --> 00:58:46,250

topic you might have heard that he was

1301

00:58:51,400 --> 00:58:49,010

once raided in New Mexico by a

1302

00:58:55,000 --> 00:58:51,410

multi-agency raid they were looking for

1303

00:58:56,440 --> 00:58:55,010

something and that is a story he doesn't

1304

00:58:58,090 --> 00:58:56,450

like to bring up because it traumatized

1305

00:59:00,070 --> 00:58:58,100

his life can you imagine so you're at

1306

00:59:02,080 --> 00:59:00,080

home right you have your wife and your

1307

00:59:05,200 --> 00:59:02,090

animals all this stuff and your house is

1308

00:59:07,470 --> 00:59:05,210

just [h__\h] raided and they're looking

1309

00:59:11,440 --> 00:59:07,480

for something which you don't have okay

1310

00:59:14,650 --> 00:59:11,450

okay so I'm gonna show you this this is

1311

00:59:18,190 --> 00:59:14,660

not element 115 okay this is just

1312

00:59:21,160 --> 00:59:18,200

aerogel just say that first okay but

1313

00:59:23,650 --> 00:59:21,170

this is a piece of aerogel before

1314

00:59:26,650 --> 00:59:23,660

anybody knew what aerogel was that they

1315

00:59:28,690 --> 00:59:26,660

used to package around the LA 1000 which

1316

00:59:31,180 --> 00:59:28,700

is element 115 this is actually a piece

1317

00:59:33,820 --> 00:59:31,190

from the 115 which may or may not have

1318

00:59:37,090 --> 00:59:33,830

come out of the lab it's turned yellow

1319

00:59:38,830 --> 00:59:37,100

over time right but this is a piece from

1320

00:59:41,770 --> 00:59:38,840

that packaging material which is so

1321

00:59:45,730 --> 00:59:41,780

funny because nobody knew what aerogel

1322

00:59:47,560 --> 00:59:45,740

was back then in 1989 so they thought it

1323

00:59:49,750 --> 00:59:47,570

was extraterrestrial they're like oh man

1324

00:59:51,250 --> 00:59:49,760

it comes with a 115 it must be alien you

1325

00:59:52,840 --> 00:59:51,260

know they had no idea

1326
00:59:55,210 --> 00:59:52,850
turns out you guys ever seen that

1327
00:59:56,800 --> 00:59:55,220
aerogel it's like lightest smoke it's

1328
00:59:58,990 --> 00:59:56,810
amazing it's like insulation or

1329
01:00:00,790 --> 00:59:59,000
something it's light as smoke and it's

1330
01:00:02,020 --> 01:00:00,800
just this little clear it doesn't even

1331
01:00:04,870 --> 01:00:02,030
feel like you're holding it it's really

1332
01:00:08,040 --> 01:00:04,880
strange anyway so this was part of the

1333
01:00:11,050 --> 01:00:08,050
actual packaging from the LA 1000 and

1334
01:00:13,660 --> 01:00:11,060
you know look this is Bob story in a

1335
01:00:16,120 --> 01:00:13,670
nutshell he's the element 115 the flying

1336
01:00:17,800 --> 01:00:16,130
saucers the government secrecy coming

1337
01:00:21,090 --> 01:00:17,810
forward because he was scared for his

1338
01:00:22,800 --> 01:00:21,100

life and annoyed at all of the

1339

01:00:24,870 --> 01:00:22,810

secrecy and it's really kind of sad

1340

01:00:28,440 --> 01:00:24,880

actually what what happened like how he

1341

01:00:29,850 --> 01:00:28,450

kind of why he decided to do it I don't

1342

01:00:32,370 --> 01:00:29,860

know he would do it again

1343

01:00:33,780 --> 01:00:32,380

I don't know he'd come out again you

1344

01:00:36,090 --> 01:00:33,790

know I think he would have loved to

1345

01:00:37,860 --> 01:00:36,100

continue working on this projects if he

1346

01:00:40,020 --> 01:00:37,870

worked on him right I think he would

1347

01:00:42,450 --> 01:00:40,030

have loved to continue it I got to bring

1348

01:00:44,460 --> 01:00:42,460

back to one thing that that George has

1349

01:00:46,640 --> 01:00:44,470

said to me and I showed you the other

1350

01:00:48,330 --> 01:00:46,650

day which is it's the duty of

1351

01:00:49,650 --> 01:00:48,340

journalists and scientists to

1352

01:00:51,480 --> 01:00:49,660

investigate the unexplained did not

1353

01:00:55,230 --> 01:00:51,490

explain the uninvestigated what does

1354

01:00:57,270 --> 01:00:55,240

that simply mean it's just we need to

1355

01:00:59,310 --> 01:00:57,280

look at the things we don't know not try

1356

01:01:01,290 --> 01:00:59,320

to explain them as if we know them and

1357

01:01:05,250 --> 01:01:01,300

so I've got a couple more clips for you

1358

01:01:07,890 --> 01:01:05,260

that I think you'll find interesting the

1359

01:01:11,070 --> 01:01:07,900

idea that bob was a disinformation agent

1360

01:01:14,850 --> 01:01:11,080

or part of a program to mislead the

1361

01:01:16,350 --> 01:01:14,860

public is wrong he's not and I can say

1362

01:01:18,510 --> 01:01:16,360

that or knowing the guy for a quarter of

1363

01:01:20,700 --> 01:01:18,520

a century the story he told then is the

1364

01:01:23,370 --> 01:01:20,710

story he tells now he didn't add to it

1365

01:01:25,440 --> 01:01:23,380

he's not making it more elaborate he's

1366

01:01:27,330 --> 01:01:25,450

not remembering new parts of it it's the

1367

01:01:33,450 --> 01:01:27,340

same story it's consistent all the way

1368

01:01:37,390 --> 01:01:35,830

so that's you know impactful when

1369

01:01:39,940 --> 01:01:37,400

somebody kind of tells the same story

1370

01:01:42,160 --> 01:01:39,950

over 30 years there's some merit to that

1371

01:01:45,130 --> 01:01:42,170

you know it's not changing one thing we

1372

01:01:47,620 --> 01:01:45,140

know for sure is real is the impact that

1373

01:01:49,420 --> 01:01:47,630

Lazar has had on ufology and the world

1374

01:01:51,700 --> 01:01:49,430

and I love the way George says it and

1375

01:01:53,380 --> 01:01:51,710

just think of the things that in the 25

1376

01:01:54,480 --> 01:01:53,390

years since Bob came forward with the

1377

01:01:56,859 --> 01:01:54,490

story

1378

01:01:58,930 --> 01:01:56,869

there are those who it drives them crazy

1379

01:02:00,970 --> 01:01:58,940

that he gets attention that he is

1380

01:02:05,620 --> 01:02:00,980

obviously is he a phony he didn't go to

1381

01:02:09,849 --> 01:02:05,630

MIT he made this stuff up I'm sorry but

1382

01:02:12,339 --> 01:02:09,859

they lost Bob one you look at how far

1383

01:02:14,320 --> 01:02:12,349

that story has traveled when you've got

1384

01:02:16,540 --> 01:02:14,330

President Clinton on on Jimmy Kimmel

1385

01:02:18,730 --> 01:02:16,550

talking about area 51 that aliens and

1386

01:02:20,740 --> 01:02:18,740

then a week or so later President Obama

1387

01:02:23,290 --> 01:02:20,750

says hey by the way at an event for

1388

01:02:25,240 --> 01:02:23,300

Shirley MacLaine he mentions area 51 and

1389

01:02:27,160 --> 01:02:25,250

I'm the first president to say it in

1390

01:02:29,080 --> 01:02:27,170

public you know look at what has

1391

01:02:30,580 --> 01:02:29,090

happened since Bob came forward the

1392

01:02:32,560 --> 01:02:30,590

government has acknowledged there is a

1393

01:02:35,290 --> 01:02:32,570

place called area 51 for a long time

1394

01:02:37,060 --> 01:02:35,300

they they denied it they pretended that

1395

01:02:39,640 --> 01:02:37,070

it would that the base that everyone

1396

01:02:41,290 --> 01:02:39,650

could see didn't exist we know that

1397

01:02:42,970 --> 01:02:41,300

there is a place called s4 they

1398

01:02:45,490 --> 01:02:42,980

confirmed it to me Nellis Air Force Base

1399

01:02:49,050 --> 01:02:45,500

told me that there was one we know that

1400

01:02:51,190 --> 01:02:49,060

there is something called element 115

1401

01:02:53,800 --> 01:02:51,200

they've synthesized that it's not

1402

01:02:55,750 --> 01:02:53,810

exactly as Bob described it but as he

1403

01:02:58,420 --> 01:02:55,760

says there are different isotopes you

1404

01:03:00,700 --> 01:02:58,430

can make different kinds of different

1405

01:03:02,670 --> 01:03:00,710

versions of it and eventually we might

1406

01:03:05,290 --> 01:03:02,680

be able to make one that's more stable

1407

01:03:08,349 --> 01:03:05,300

scientists who the scientists who made

1408

01:03:10,390 --> 01:03:08,359

it talked to Bob they called him the

1409

01:03:12,550 --> 01:03:10,400

ones that synthesized it the first time

1410

01:03:16,540 --> 01:03:12,560

were in contact with Bob asking him

1411

01:03:19,210 --> 01:03:16,550

questions about 115 the area 51 meme has

1412

01:03:21,480 --> 01:03:19,220

gone everywhere it's in the da vinci

1413

01:03:23,950 --> 01:03:21,490

code it's in national treasure it's an

1414

01:03:26,980 --> 01:03:23,960

independence day it's in the x-files

1415

01:03:30,339 --> 01:03:26,990

the books the TV shows it is part of our

1416

01:03:32,500 --> 01:03:30,349

culture all over the world our baseball

1417

01:03:35,109 --> 01:03:32,510

team is named the 51s and we've got the

1418

01:03:37,630 --> 01:03:35,119

extra-terrestrial highway on a table on

1419

01:03:40,960 --> 01:03:37,640

the other side of this room is 50 or 60

1420

01:03:42,640 --> 01:03:40,970

products that are being sold product

1421

01:03:45,270 --> 01:03:42,650

lines different kinds of trinkets and

1422

01:03:47,640 --> 01:03:45,280

and collectibles from area 51

1423

01:03:50,100 --> 01:03:47,650

did that that's from Bob that's from bob

1424

01:03:53,850 --> 01:03:50,110

lazar that's why this story caught on

1425

01:03:56,970 --> 01:03:53,860

that's why it went worldwide it is now

1426
01:03:59,070 --> 01:03:56,980
part of our shared collective experience

1427
01:04:02,850 --> 01:03:59,080
and knowledge and it's not going away so

1428
01:04:04,530 --> 01:04:02,860
it must drive his detractors crazy who

1429
01:04:09,330 --> 01:04:04,540
those people who think he's phony

1430
01:04:12,030 --> 01:04:09,340
because they lost and Bob one Aldous

1431
01:04:18,840 --> 01:04:12,040
Huxley said facts do not cease to exist

1432
01:04:21,090 --> 01:04:18,850
merely because they're ignored okay so

1433
01:04:22,830 --> 01:04:21,100
you're pretty thoroughly up-to-date now

1434
01:04:25,770 --> 01:04:22,840
and the bob was our story you know we

1435
01:04:27,630 --> 01:04:25,780
could go into finite detail about any of

1436
01:04:29,370 --> 01:04:27,640
the specific claims or what arguments

1437
01:04:32,130 --> 01:04:29,380
people have for or against I'm pretty

1438
01:04:33,480 --> 01:04:32,140

well versed in it at this point I pretty

1439

01:04:35,520 --> 01:04:33,490

much know and have interviewed and

1440

01:04:38,580 --> 01:04:35,530

talked with everybody involved from the

1441

01:04:41,520 --> 01:04:38,590

beginning but also having covered new

1442

01:04:42,900 --> 01:04:41,530

stuff and so that's what my film will be

1443

01:04:45,180 --> 01:04:42,910

showing you it's coming out December

1444

01:04:47,940 --> 01:04:45,190

hell or high water like that's my

1445

01:04:51,150 --> 01:04:47,950

deadline so it's kind it's coming out

1446

01:04:54,630 --> 01:04:51,160

December so this story has really just

1447

01:04:56,790 --> 01:04:54,640

begun and I'm gonna take you in the

1448

01:04:58,530 --> 01:04:56,800

movie through some areas of Bob's life

1449

01:05:00,930 --> 01:04:58,540

which nobody has ever really been able

1450

01:05:03,090 --> 01:05:00,940

to see I've been able to verify some

1451

01:05:06,240 --> 01:05:03,100

things that have been big question marks

1452

01:05:08,370 --> 01:05:06,250

for 30 years Bob's life was not

1453

01:05:09,090 --> 01:05:08,380

traditional I mean he was kind of an

1454

01:05:11,850 --> 01:05:09,100

outlaw

1455

01:05:15,090 --> 01:05:11,860

he was he's a weirdo man and then he had

1456

01:05:17,340 --> 01:05:15,100

this like jet car right just blowing

1457

01:05:20,130 --> 01:05:17,350

fire he still builds jet bikes by the

1458

01:05:21,780 --> 01:05:20,140

way he built me a flamethrower so

1459

01:05:24,030 --> 01:05:21,790

they've really remotely in the desert so

1460

01:05:26,010 --> 01:05:24,040

it's totally safe try like that besides

1461

01:05:28,350 --> 01:05:26,020

maybe blowing myself up but he still

1462

01:05:30,090 --> 01:05:28,360

likes to to do and make these incredible

1463

01:05:32,450 --> 01:05:30,100

things so he had a multitude of jet cars

1464

01:05:39,290 --> 01:05:32,460

still has this jet bike he takes around

1465

01:05:42,120 --> 01:05:39,300

still draws on napkins and you know

1466

01:05:44,400 --> 01:05:42,130

still looks like the same guy it's kind

1467

01:05:45,780 --> 01:05:44,410

of an interesting photo right that's

1468

01:05:51,150 --> 01:05:45,790

from one of our filming's

1469

01:05:53,760 --> 01:05:51,160

different glasses same dude I have yeah

1470

01:05:55,530 --> 01:05:53,770

okay I'll play it I have just like one

1471

01:05:58,500 --> 01:05:55,540

minute clip and one minute clip of just

1472

01:05:59,069 --> 01:05:58,510

audio so you can hear maybe why Bob is

1473

01:06:01,319 --> 01:05:59,079

deciding

1474

01:06:03,150 --> 01:06:01,329

to allow me to bring his story forward

1475

01:06:05,339 --> 01:06:03,160

again I think it's important because you

1476

01:06:07,640 --> 01:06:05,349

understand why it's happening so you can

1477

01:06:10,680 --> 01:06:07,650

just listen to this one the biggest

1478

01:06:13,049 --> 01:06:10,690

roadblock to understanding is the

1479

01:06:15,829 --> 01:06:13,059

ability to dismiss someone because you

1480

01:06:17,849 --> 01:06:15,839

don't see them as human as a person so

1481

01:06:20,880 --> 01:06:17,859

what pisses you off

1482

01:06:23,789 --> 01:06:20,890

I mean disinformation and lies and

1483

01:06:25,650 --> 01:06:23,799

attacks that have no basis in reality I

1484

01:06:27,660 --> 01:06:25,660

mean you can disagree with me and say

1485

01:06:29,099 --> 01:06:27,670

hey I don't believe that that's fine

1486

01:06:31,199 --> 01:06:29,109

I haven't presented you with enough

1487

01:06:33,959 --> 01:06:31,209

information I I understand that I

1488

01:06:36,599 --> 01:06:33,969

probably be in your position but don't

1489

01:06:38,940 --> 01:06:36,609

fabricate stuff there's some important

1490

01:06:42,599 --> 01:06:38,950

information that needs to be released

1491

01:06:45,390 --> 01:06:42,609

and everybody needs to understand the

1492

01:06:47,339 --> 01:06:45,400

truth to it and not distorted versions

1493

01:06:49,859 --> 01:06:47,349

of it you really need to pay attention

1494

01:06:51,959 --> 01:06:49,869

to what I'm saying because I have better

1495

01:06:54,059 --> 01:06:51,969

things to do than come up with this I'm

1496

01:06:56,009 --> 01:06:54,069

not interested in doing this I don't

1497

01:06:58,170 --> 01:06:56,019

like being in the public eye I don't

1498

01:07:00,420 --> 01:06:58,180

have money for doing this and quite

1499

01:07:04,049 --> 01:07:00,430

frankly I could make up a better lie

1500

01:07:06,469 --> 01:07:04,059

but I have no motivation to lie this

1501

01:07:08,819 --> 01:07:06,479

hasn't this hasn't helped me out it's

1502

01:07:11,609 --> 01:07:08,829

something that it's information that I'm

1503

01:07:13,650 --> 01:07:11,619

releasing and that's it it's not an

1504

01:07:17,849 --> 01:07:13,660

ordinary life that's one thing I would

1505

01:07:18,299 --> 01:07:17,859

like I don't like living in a James Bond

1506

01:07:23,039 --> 01:07:18,309

movie

1507

01:07:27,359 --> 01:07:23,049

mean one of the most striking things

1508

01:07:29,880 --> 01:07:27,369

about Bob as a person is he does not

1509

01:07:32,219 --> 01:07:29,890

waste his time on [h__\h] you know it's

1510

01:07:34,650 --> 01:07:32,229

like he could make up a better lie would

1511

01:07:35,670 --> 01:07:34,660

he know I I asked my wife one time I

1512

01:07:38,069 --> 01:07:35,680

said what do you think of Bob you know

1513

01:07:39,569 --> 01:07:38,079

cuz she thinks I'm crazy you know what

1514

01:07:41,009 --> 01:07:39,579

do you think of all this you know she's

1515

01:07:42,749 --> 01:07:41,019

like yeah he just doesn't seem somebody

1516

01:07:44,339 --> 01:07:42,759

that would like waste his time with

1517

01:07:46,199 --> 01:07:44,349

stuff like that I'm like yeah for 30

1518

01:07:48,870 --> 01:07:46,209

years wouldn't waste his time now when

1519

01:07:50,489 --> 01:07:48,880

was 30 seconds of his life so that was

1520

01:07:52,199 --> 01:07:50,499

you know that's the kind of impression

1521

01:07:54,089 --> 01:07:52,209

you get from him I've one more piece of

1522

01:07:56,339 --> 01:07:54,099

audio and you can kind of see why he's

1523

01:07:58,289 --> 01:07:56,349

probably letting this happened now

1524

01:07:59,699 --> 01:07:58,299

people who try to minimize who you are

1525

01:08:01,589 --> 01:07:59,709

people have been trying to trivialize

1526

01:08:04,769 --> 01:08:01,599

who you are people have been trying to

1527

01:08:06,839 --> 01:08:04,779

twist your story based on absolutely

1528

01:08:08,760 --> 01:08:06,849

absurd things that's gotta wear on

1529

01:08:10,950 --> 01:08:08,770

people to a point you gotta set

1530

01:08:13,200 --> 01:08:10,960

certain things straight it's time to

1531

01:08:15,390 --> 01:08:13,210

pull things out by the roots just to get

1532

01:08:18,120 --> 01:08:15,400

things reset and get people familiar

1533

01:08:20,820 --> 01:08:18,130

with the story and who I am and this is

1534

01:08:24,390 --> 01:08:20,830

what's true the divergence has increased

1535

01:08:27,030 --> 01:08:24,400

just over time I'm trying to tell you

1536

01:08:29,880 --> 01:08:27,040

exactly the way things were I mean when

1537

01:08:31,950 --> 01:08:29,890

I was exposed to you think there's

1538

01:08:35,519 --> 01:08:31,960

something more secret than that that the

1539

01:08:37,470 --> 01:08:35,529

flying saucers are a government for some

1540

01:08:40,530 --> 01:08:37,480

of this stuff just sounds crazy to me

1541

01:08:43,140 --> 01:08:40,540

and I understand I'm biased because I'm

1542

01:08:46,559 --> 01:08:43,150

behind my eyes and see everything but

1543

01:08:47,940 --> 01:08:46,569

this is this is crazy [h__h] yes I think

1544

01:08:49,890 --> 01:08:47,950

it gets kind of annoying you know

1545

01:08:51,720 --> 01:08:49,900

getting trolled and you know by people

1546

01:08:53,250 --> 01:08:51,730

and you know oh you're such a liar why

1547

01:08:55,590 --> 01:08:53,260

are you holding all this information

1548

01:08:57,870 --> 01:08:55,600

because well do what back I've told you

1549

01:08:59,820 --> 01:08:57,880

everything so I think that people

1550

01:09:03,630 --> 01:08:59,830

inserting fantasy and fiction and their

1551

01:09:05,849 --> 01:09:03,640

own opinions altering and distorting his

1552

01:09:06,570 --> 01:09:05,859

story is precisely why he's letting this

1553

01:09:08,940 --> 01:09:06,580

happen now

1554

01:09:11,309 --> 01:09:08,950

you're gonna hear a story again and then

1555

01:09:14,190 --> 01:09:11,319

I'll have some updates as I was able to

1556

01:09:16,890 --> 01:09:14,200

uncover some pretty interesting stuff so

1557

01:09:18,150 --> 01:09:16,900

to kind of conclude this part on Bob

1558

01:09:21,809 --> 01:09:18,160

because you're really going to see it in

1559

01:09:24,150 --> 01:09:21,819

my film I I do have an exciting

1560

01:09:27,780 --> 01:09:24,160

announcement which is nobody has seen

1561

01:09:30,150 --> 01:09:27,790

this yet this is a little maybe two

1562

01:09:32,670 --> 01:09:30,160

minute trailer with some new footage we

1563

01:09:34,769 --> 01:09:32,680

get to hear from Bob very very recently

1564

01:09:36,000 --> 01:09:34,779

and of course I've done tons of filming

1565

01:09:37,740 --> 01:09:36,010

but you got to wait for my film but I

1566

01:09:40,500 --> 01:09:37,750

can show you this little piece there

1567

01:09:42,960 --> 01:09:40,510

using a can Film Festival to get the

1568

01:09:46,500 --> 01:09:42,970

movie out to market which is pretty neat

1569

01:09:48,840 --> 01:09:46,510

so first time ever just a little clip to

1570

01:09:55,240 --> 01:09:48,850

again update how much information you

1571

01:10:01,520 --> 01:09:58,580

nothing good comes from europeo forehead

1572

01:10:04,340 --> 01:10:01,530

this is a reluctant UFO Messiah he

1573

01:10:08,090 --> 01:10:06,260

this week we've heard the contention of

1574

01:10:09,950 --> 01:10:08,100

UFO researchers that there is a secret

1575

01:10:14,420 --> 01:10:09,960

government within our government well

1576

01:10:17,180 --> 01:10:14,430

there's several actually nine flying

1577

01:10:18,920 --> 01:10:17,190

saucers flying this that are out there

1578

01:10:20,870 --> 01:10:18,930

of extraterrestrial origin

1579

01:10:22,520 --> 01:10:20,880

the live interview with the shadowy

1580

01:10:25,520 --> 01:10:22,530

dentist drew international attention

1581

01:10:27,800 --> 01:10:25,530

portions were broadcast by radio and six

1582

01:10:31,340 --> 01:10:27,810

European countries and in a nationally

1583

01:10:33,740 --> 01:10:31,350

televised TV special in Japan despite

1584

01:10:36,110 --> 01:10:33,750

numerous inquiries and feelers Dennis

1585

01:10:39,320 --> 01:10:36,120

has remained anonymous until now his

1586

01:10:41,780 --> 01:10:39,330

real name is Robert Lazar he says he was

1587

01:10:43,790 --> 01:10:41,790

hired to work at an area called s4 which

1588

01:10:46,820 --> 01:10:43,800

is a few miles south of Groom Lake and

1589

01:10:49,160 --> 01:10:46,830

so he says our flying saucers antimatter

1590

01:10:51,110 --> 01:10:49,170

reactors and other working examples of

1591

01:10:53,420 --> 01:10:51,120

technology that is seemingly beyond

1592

01:10:55,490 --> 01:10:53,430

human capabilities I did not believe

1593

01:10:58,910 --> 01:10:55,500

that this should be a security matter

1594

01:11:02,260 --> 01:10:58,920

some of it sure but just the concept

1595

01:11:04,640 --> 01:11:02,270

that there's definite group we even have

1596

01:11:08,680 --> 01:11:04,650

articles from another world another

1597

01:11:24,640 --> 01:11:08,690

system you just can't not tell everyone

1598

01:11:30,590 --> 01:11:27,470

it was like a Twilight Zone episode just

1599

01:11:32,960 --> 01:11:30,600

kept getting stranger the fact that that

1600

01:11:33,730 --> 01:11:32,970

was happening at all was the weirdest

1601

01:11:37,340 --> 01:11:33,740

part

1602

01:11:41,270 --> 01:11:37,350

look it's been 30 years and all of a

1603

01:11:43,100 --> 01:11:41,280

sudden you raised it to this level you

1604

01:11:45,500 --> 01:11:43,110

know this is a powerful technology

1605

01:11:49,430 --> 01:11:45,510

fearsome technology and you just don't

1606

01:11:51,860 --> 01:11:49,440

want everyone to have they will become

1607

01:11:54,290 --> 01:11:51,870

obvious how to make constructive as well

1608

01:11:57,410 --> 01:11:54,300

as destructive devices from it it's my

1609

01:12:00,200 --> 01:11:57,420

only guess as to why they have never

1610

01:12:01,550 --> 01:12:00,210

released information it's kind of

1611

01:12:04,400 --> 01:12:01,560

difficult once you release the

1612

01:12:06,320 --> 01:12:04,410

technology to be analyzed and give it to

1613

01:12:08,600 --> 01:12:06,330

everyone they can just run with it you

1614

01:12:12,110 --> 01:12:08,610

really can't keep the weapon potential

1615

01:12:14,570 --> 01:12:12,120

hidden you really can't look with et

1616

01:12:20,690 --> 01:12:14,580

technology you can literally rule the

1617

01:12:24,440 --> 01:12:20,700

world well I am telling the truth

1618

01:12:26,150 --> 01:12:24,450

I've tried to prove that what's going on

1619

01:12:29,350 --> 01:12:26,160

up there could be the most important

1620

01:12:32,870 --> 01:12:29,360

event in history you're talking about

1621

01:12:35,180 --> 01:12:32,880

contact physical physical contact and

1622

01:12:36,790 --> 01:12:35,190

proof from another another system

1623

01:12:39,620 --> 01:12:36,800

another planet and other intelligence

1624

01:12:42,380 --> 01:12:39,630

that's got to be the biggest event in

1625

01:12:44,110 --> 01:12:42,390

history period and it's real and it's

1626

01:12:53,830 --> 01:12:44,120

real and it's there

1627

01:12:59,890 --> 01:12:57,640

so excited for this film to come out I'm

1628

01:13:01,990 --> 01:12:59,900

so excited to actually make the film I

1629

01:13:04,209 --> 01:13:02,000

still have so much to do you have to

1630

01:13:06,399 --> 01:13:04,219

edit the whole thing but this is the

1631

01:13:08,439 --> 01:13:06,409

story that I've always wanted to tell

1632

01:13:11,200 --> 01:13:08,449

you know since I first started looking

1633

01:13:13,779 --> 01:13:11,210

into the idea of UFOs I want to know

1634

01:13:16,209 --> 01:13:13,789

like you is Bob telling the truth

1635

01:13:19,899 --> 01:13:16,219

because if he is if any of that is true

1636

01:13:22,810 --> 01:13:19,909

it is game-changing and I got to tell

1637

01:13:24,819 --> 01:13:22,820

you through my movie process we're

1638

01:13:26,709 --> 01:13:24,829

closer to the truth than ever before but

1639

01:13:28,450 --> 01:13:26,719

you're gonna have to decide for yourself

1640

01:13:31,180 --> 01:13:28,460

because somebody telling you something

1641

01:13:33,279 --> 01:13:31,190

it's not as good but there'll be a lot

1642

01:13:34,600 --> 01:13:33,289

coming out and I'm so excited to be able

1643

01:13:37,000 --> 01:13:34,610

to bring that to you because like just

1644

01:13:39,640 --> 01:13:37,010

as a fan of this I would love to see the

1645

01:13:41,470 --> 01:13:39,650

movie myself so all of my work for those

1646

01:13:44,140 --> 01:13:41,480

of you that haven't met never seen my

1647

01:13:46,899 --> 01:13:44,150

work before you can spend weeks at

1648

01:13:50,169 --> 01:13:46,909

extraordinary beliefs calm but there are

1649

01:13:52,029 --> 01:13:50,179

tons of videos and clips and everything

1650

01:13:54,760 --> 01:13:52,039

from my films investigations and reports

1651

01:13:56,740 --> 01:13:54,770

I hope you enjoy it you know I make it

1652

01:13:58,569 --> 01:13:56,750

so that everybody can just watch it for

1653

01:14:00,370 --> 01:13:58,579

free that's the point you know the films

1654

01:14:03,250 --> 01:14:00,380

are what I do now for a living which is

1655

01:14:05,290 --> 01:14:03,260

great hopefully that works out but

1656

01:14:08,529 --> 01:14:05,300

everything is on that website for you to

1657

01:14:11,770 --> 01:14:08,539

just go to enjoy and experience again

1658

01:14:13,450 --> 01:14:11,780

I'm not trying to tell you to believe or

1659

01:14:14,649 --> 01:14:13,460

not believe or I'm just trying to

1660

01:14:17,529 --> 01:14:14,659

provide you a little bit more

1661

01:14:19,450 --> 01:14:17,539

information hopefully those two clips of

1662

01:14:21,700 --> 01:14:19,460

footage one I know nobody's seen before

1663

01:14:23,589 --> 01:14:21,710

give you a little bit more insight and

1664

01:14:26,109 --> 01:14:23,599

the movie will provide even more than

1665

01:14:26,630 --> 01:14:26,119

that because it is a very important

1666

01:14:27,110 --> 01:14:26,640

story
