

1  
00:00:03,870 --> 00:00:09,730

[Music]

2  
00:00:15,320 --> 00:00:13,009

say it's very easy to produce crafts

3  
00:00:18,200 --> 00:00:15,330

like this and then say they actually can

4  
00:00:22,220 --> 00:00:18,210

it would disrupt all of our

5  
00:00:25,820 --> 00:00:22,230

transportation they're just too many

6  
00:00:28,759 --> 00:00:25,830

things could disrupt our society as it

7  
00:00:32,060 --> 00:00:28,769

exists now maybe they're just looking on

8  
00:00:36,350 --> 00:00:32,070

so much of a bigger scale than I am but

9  
00:00:38,810 --> 00:00:36,360

it's true it's true what I have seen is

10  
00:00:40,250 --> 00:00:38,820

true I don't know about the big story

11  
00:00:43,790 --> 00:00:40,260

where they came from

12  
00:00:46,160 --> 00:00:43,800

what they're like and and but certainly

13  
00:00:47,840 --> 00:00:46,170

in these crafts came from another not

14

00:00:51,350 --> 00:00:47,850

just another planet another solar system
