00:00:08,480 --> 00:00:06,039

[Music]

2  
00:00:10,730 --> 00:00:08,490

this is a hard part of the story for

3  
00:00:12,410 --> 00:00:10,740

people understand they don't really get

4  
00:00:14,539 --> 00:00:12,420

a sense of what it was like because

5  
00:00:17,029 --> 00:00:14,549

really literally you had to be there for

6  
00:00:19,189 --> 00:00:17,039

some of this I lived through it I know

7  
00:00:20,870 --> 00:00:19,199

what it was like what bob was going

8  
00:00:22,609 --> 00:00:20,880

through at that time they were breaking

9  
00:00:24,140 --> 00:00:22,619

into his house and playing mind games

10  
00:00:26,839 --> 00:00:24,150

you know they'd leave the doors open

11  
00:00:29,060 --> 00:00:26,849

they'd lead drawers open nothing's taken

12  
00:00:31,790 --> 00:00:29,070

and write things on his black board or

13  
00:00:33,950 --> 00:00:31,800

erase things move things around he goes

14

00:00:36,350 --> 00:00:33,960

to the gym with us with his buddy and

15

00:00:38,389 --> 00:00:36,360

he's kind of scared so he's got an Uzi

16

00:00:40,760 --> 00:00:38,399

in his car he comes out an hour later

17

00:00:42,889 --> 00:00:40,770

after working out the doors to the car

18

00:00:45,470 --> 00:00:42,899

opened the windows are down the glove

19

00:00:47,450 --> 00:00:45,480

box is open and the Uzi is laying there

20

00:00:49,279 --> 00:00:47,460

on the front seat it wasn't a burglary

21

00:00:51,340 --> 00:00:49,289

that was somebody messing with him that

22

00:00:55,360 --> 00:00:51,350

stuff really happened it's both
