[Music]

2  
00:00:15,200 --> 00:00:12,290

some of this stuff just sounds crazy to

3  
00:00:17,359 --> 00:00:15,210

me and I I understand I'm biased because

4  
00:00:21,679 --> 00:00:17,369

I'm behind my eyes and see everything

5  
00:00:23,840 --> 00:00:21,689

but this is this is crazy you think

6  
00:00:26,870 --> 00:00:23,850

there's something more secret than that

7  
00:00:29,419 --> 00:00:26,880

that the flying saucers are huh all

8  
00:00:31,820 --> 00:00:29,429

right cover up floor I'm trying to tell

9  
00:00:34,880 --> 00:00:31,830

you exactly the way things work I mean

10  
00:00:38,660 --> 00:00:34,890

when I was exposed to where is it show

11  
00:00:44,049 --> 00:00:38,670

me the alternate reality that you

12  
00:00:47,060 --> 00:00:44,059

believe that doesn't lock up with my

13  
00:00:48,529 --> 00:00:47,070

actual reality I mean where are those

14

00:00:50,959 --> 00:00:48,539

other facts to show me what they are

15

00:00:53,150 --> 00:00:50,969

these facts you grabbed together and

16

00:00:54,820 --> 00:00:53,160

painted a different story of my life
