

1
00:00:03,889 --> 00:00:01,730
well now it's time for our first guest

2
00:00:05,539 --> 00:00:03,899
Jeremy Corbyn is an investigative

3
00:00:08,150 --> 00:00:05,549
filmmaker known for creating projects

4
00:00:09,740 --> 00:00:08,160
focused on the paranormal and UFOs his

5
00:00:12,379 --> 00:00:09,750
latest film bob lazar

6
00:00:14,930 --> 00:00:12,389
area51 and flying saucers investigates

7
00:00:16,609 --> 00:00:14,940
Bob Lazar who made headlines in 1989

8
00:00:19,700 --> 00:00:16,619
when he came forward with groundbreaking

9
00:00:21,560 --> 00:00:19,710
claims about area 51 Lazar has not let

10
00:00:23,420 --> 00:00:21,570
any journalist or filmmaker into the

11
00:00:31,669 --> 00:00:23,430
private world of his day life that is

12
00:00:34,549 --> 00:00:31,679
until now the story is extraordinary it

13
00:00:36,979 --> 00:00:34,559

all started in the desert just north of

14

00:00:39,049 --> 00:00:36,989

Las Vegas a local scientist who worked

15

00:00:41,060 --> 00:00:39,059

at Groom Lake said to beware top-secret

16

00:00:43,520 --> 00:00:41,070

weapon systems have been tested over the

17

00:00:45,529 --> 00:00:43,530

years he has asked that his identity be

18

00:00:47,360 --> 00:00:45,539

shielded exactly what's going on up

19

00:00:50,860 --> 00:00:47,370

there what's going on up there could be

20

00:00:54,020 --> 00:00:50,870

the most important event in history

21

00:00:55,819 --> 00:00:54,030

physical contact and proof from another

22

00:00:59,630 --> 00:00:55,829

another system and other planet and

23

00:01:01,040 --> 00:00:59,640

other intelligence what would happen to

24

00:01:03,840 --> 00:01:01,050

you if the government learned that you

25

00:01:06,300 --> 00:01:03,850

were giving us this information

26
00:01:09,410 --> 00:01:06,310
it just wanted to stay alive maybe this

27
00:01:12,030 --> 00:01:09,420
has been kept from us for a good reason

28
00:01:16,590 --> 00:01:12,040
sir how do we know you are who you say

29
00:01:18,889 --> 00:01:16,600
you are my name is Bob Lazar I'm known

30
00:01:26,190 --> 00:01:18,899
for working at a classified base and

31
00:01:38,050 --> 00:01:30,249
area 51 of the bath can we ever be made

32
00:01:41,830 --> 00:01:38,060
whole before not believe I have no

33
00:01:45,399 --> 00:01:41,840
motivation to live the science and the

34
00:01:48,149 --> 00:01:45,409
technology can change us the boys look

35
00:01:55,950 --> 00:01:48,159
to the skies for answers

36
00:02:00,490 --> 00:01:58,170
[Music]

37
00:02:05,770 --> 00:02:00,500
everyone please give a warm Bill Bunch

38
00:02:07,210 --> 00:02:05,780

welcome to Jeremy core well Jeremy thank

39

00:02:08,949 --> 00:02:07,220

you so so much for being ngratulations

40

00:02:10,960 --> 00:02:08,959

this document is already huge is

41

00:02:12,850 --> 00:02:10,970

successful I heard the premiere or sold

42

00:02:14,910 --> 00:02:12,860

out yeah so what's been like having this

43

00:02:17,830 --> 00:02:14,920

positive reception already it's

44

00:02:19,750 --> 00:02:17,840

unbelievable I mean I didn't expect the

45

00:02:21,910 --> 00:02:19,760

hunger and the appetite that people have

46

00:02:24,340 --> 00:02:21,920

for this subject it number one on iTunes

47

00:02:27,280 --> 00:02:24,350

just took over the charts the world

48

00:02:28,809 --> 00:02:27,290

premiere had over 1600 people I don't

49

00:02:31,030 --> 00:02:28,819

have a company behind me I just put out

50

00:02:32,800 --> 00:02:31,040

a movie it was heartwarming it was

51
00:02:34,990 --> 00:02:32,810
amazing well I think just like we were

52
00:02:36,520 --> 00:02:35,000
talking before the show like UFOs aliens

53
00:02:38,530 --> 00:02:36,530
is so fascinating to us because many of

54
00:02:39,699 --> 00:02:38,540
us believe we we cannot be the only ones

55
00:02:41,920 --> 00:02:39,709
out there so can you tell us a little

56
00:02:44,320 --> 00:02:41,930
bit about this film yes so the question

57
00:02:46,120 --> 00:02:44,330
now is not you know are we alone in the

58
00:02:48,130 --> 00:02:46,130
universe science has finally caught up

59
00:02:49,840 --> 00:02:48,140
and we know that life is homogeneous

60
00:02:51,610 --> 00:02:49,850
throughout the universe I'm sure we're

61
00:02:53,500 --> 00:02:51,620
gonna find microbial life and then

62
00:02:56,320 --> 00:02:53,510
intelligent life the question has always

63
00:02:58,360 --> 00:02:56,330

been are they visiting here or at least

64

00:03:01,120 --> 00:02:58,370

now that's where we are so to give you

65

00:03:03,130 --> 00:03:01,130

the real short basic is in 1989 my

66

00:03:05,500 --> 00:03:03,140

mentor in journalism a man named George

67

00:03:07,180 --> 00:03:05,510

Knapp broke the story of Bob Lazar Bob

68

00:03:10,420 --> 00:03:07,190

Lazar came forward to protect himself

69

00:03:12,280 --> 00:03:10,430

and said I was reverse engineering alien

70

00:03:14,940 --> 00:03:12,290

propulsion system for the United States

71

00:03:17,080 --> 00:03:14,950

military that's what he said he was in

72

00:03:19,420 --> 00:03:17,090

silhouette he didn't want to be known

73

00:03:21,400 --> 00:03:19,430

for 25 years George Knapp has been

74

00:03:23,650 --> 00:03:21,410

trying to prove or disprove his story

75

00:03:26,020 --> 00:03:23,660

and has fought that war on his own and

76

00:03:27,340 --> 00:03:26,030

he's kept bringing Bob out Bob out but

77

00:03:28,660 --> 00:03:27,350

he won't really he doesn't really want

78

00:03:30,670 --> 00:03:28,670

to talk about it's done nothing good for

79

00:03:32,500 --> 00:03:30,680

his life but he let me in and that's

80

00:03:34,539 --> 00:03:32,510

what this film is about and it's up to

81

00:03:37,000 --> 00:03:34,549

you to decide if you believe him or not

82

00:03:39,190 --> 00:03:37,010

but I got to tell you this film you got

83

00:03:40,390 --> 00:03:39,200

to see it before you judge I mean with

84

00:03:41,920 --> 00:03:40,400

you just describing it it sounds

85

00:03:43,690 --> 00:03:41,930

incredibly fascinating so for what other

86

00:03:47,229 --> 00:03:43,700

motivations of you you want that to make

87

00:03:49,809 --> 00:03:47,239

this film I mean look I am I love cinema

88

00:03:52,180 --> 00:03:49,819

I love film I'm a one-man band

89

00:03:55,360 --> 00:03:52,190

i film direct edit produce everything on

90

00:03:57,699 --> 00:03:55,370

my own I have a weaponized curiosity I

91

00:03:59,530 --> 00:03:57,709

am dangerous I want to know the truth I

92

00:04:01,120 --> 00:03:59,540

don't want to know it's it's true and I

93

00:04:03,069 --> 00:04:01,130

want to know the truth about UFOs I

94

00:04:05,199 --> 00:04:03,079

wanted to know the truth about Bob is he

95

00:04:06,510 --> 00:04:05,209

worthy of our trust so that's what this

96

00:04:08,910 --> 00:04:06,520

film was about and that the other

97

00:04:11,460 --> 00:04:08,920

to uplift the visual medium of

98

00:04:13,650 --> 00:04:11,470

filmmaking in this genre which I did

99

00:04:15,480 --> 00:04:13,660

mickey rourke narrates the film it's

100

00:04:17,010 --> 00:04:15,490

beautiful to watch whether you believe

101

00:04:19,440 --> 00:04:17,020

or not believe that the film will

102

00:04:20,850 --> 00:04:19,450

captivate you and that's the point is

103

00:04:23,040 --> 00:04:20,860

there are without revealing too much of

104

00:04:25,080 --> 00:04:23,050

any key takeaways we should take away

105

00:04:26,760 --> 00:04:25,090

from the film you know whatever it is

106

00:04:28,020 --> 00:04:26,770

that you are open to taking away from

107

00:04:30,390 --> 00:04:28,030

the film's what you're gonna get but the

108

00:04:32,430 --> 00:04:30,400

film is dramatic the events that happen

109

00:04:35,130 --> 00:04:32,440

I mean it-it's not a spoiler you got to

110

00:04:37,290 --> 00:04:35,140

watch it but after 30 years he's still

111

00:04:40,830 --> 00:04:37,300

being monitored there was an FBI raid

112

00:04:42,540 --> 00:04:40,840

during the film I mean it's crazy so

113

00:04:45,120 --> 00:04:42,550

really what I want you to take away from

114

00:04:48,180 --> 00:04:45,130

it is use your logic your reason you're

115

00:04:50,670 --> 00:04:48,190

optimistic skepticism and look at it and

116

00:04:53,280 --> 00:04:50,680

try to decide for yourself if Bob Lazar

117

00:04:56,850 --> 00:04:53,290

is worthy of your trust and then if he

118

00:04:59,370 --> 00:04:56,860

is right then is the big question which

119

00:05:00,990 --> 00:04:59,380

is that if they are visiting here for

120

00:05:03,390 --> 00:05:01,000

what purpose you know do they like our

121

00:05:05,940 --> 00:05:03,400

top hats and kimonos and cupcakes well

122

00:05:07,680 --> 00:05:05,950

why are they here and and for how long

123

00:05:09,990 --> 00:05:07,690

you know so I don't know it's look it's

124

00:05:11,400 --> 00:05:10,000

fascinating aliens right someone's got

125

00:05:13,440 --> 00:05:11,410

to be piloting those ships

126

00:05:15,240 --> 00:05:13,450

you know people from other places maybe

127

00:05:19,080 --> 00:05:15,250

they don't have rose' weather you know

128

00:05:23,130 --> 00:05:19,090

that would be a crime against a they're

129

00:05:25,020 --> 00:05:23,140

like wow the humans are so smart so as

130

00:05:27,240 --> 00:05:25,030

you mentioned many people have tried to

131

00:05:28,350 --> 00:05:27,250

get to Bob before he's always been very

132

00:05:30,780 --> 00:05:28,360

like no thank you

133

00:05:34,080 --> 00:05:30,790

what do you think made him want to open

134

00:05:37,080 --> 00:05:34,090

up to you my charming personality let me

135

00:05:42,210 --> 00:05:37,090

tell you first vice guys say you are

136

00:05:46,020 --> 00:05:42,220

wearing the classic Bob Lazar glasses a

137

00:05:47,610 --> 00:05:46,030

picture of me okay I was in India and

138

00:05:49,260 --> 00:05:47,620

this kid that it was like you know

139

00:05:51,390 --> 00:05:49,270

selling chai and we could communicate

140

00:05:54,540 --> 00:05:51,400

and he spoke great English and basically

141

00:05:56,190 --> 00:05:54,550

he said to me Oh UFOs bob lazar he took

142

00:05:57,900 --> 00:05:56,200

his hair like glasses he's known around

143

00:06:00,180 --> 00:05:57,910

the world everybody has known his story

144

00:06:02,340 --> 00:06:00,190

his story has altered the landscape of

145

00:06:05,400 --> 00:06:02,350

what she know about everything going

146

00:06:08,790 --> 00:06:05,410

with area 51 to UFOs but why he talked

147

00:06:10,500 --> 00:06:08,800

to me I think I convinced him that you

148

00:06:13,410 --> 00:06:10,510

know his critics have had the microphone

149

00:06:15,360 --> 00:06:13,420

for thirty years now and they have gone

150

00:06:16,770 --> 00:06:15,370

unopposed because he does is done

151
00:06:18,600 --> 00:06:16,780
nothing good for his life he didn't want

152
00:06:20,100 --> 00:06:18,610
to be involved anymore he told his story

153
00:06:22,860 --> 00:06:20,110
to save his but George

154
00:06:25,500 --> 00:06:22,870
has kept him in the light for those 25

155
00:06:27,450 --> 00:06:25,510
years before this before I was able to

156
00:06:30,510 --> 00:06:27,460
do it I think what it was I convinced

157
00:06:33,660 --> 00:06:30,520
him if he doesn't tell his story again

158
00:06:36,420 --> 00:06:33,670
all the lies all the fake news

159
00:06:38,490 --> 00:06:36,430
everything people say about him that's

160
00:06:40,290 --> 00:06:38,500
going down in the historic record let's

161
00:06:41,820 --> 00:06:40,300
set the record straight and so we took

162
00:06:45,240 --> 00:06:41,830
back that microphone and we've been

163
00:06:47,250 --> 00:06:45,250

holding it and we are not letting go and

164

00:06:51,120 --> 00:06:47,260

what was the process shooting with him

165

00:06:52,890 --> 00:06:51,130

like well you know it was it's like the

166

00:06:54,180 --> 00:06:52,900

Bigfoot you know you know okay you're

167

00:06:55,260 --> 00:06:54,190

looking for this thing try to catch them

168

00:06:56,610 --> 00:06:55,270

our cameraman he always want to talk

169

00:06:57,870 --> 00:06:56,620

about science and jet cars and all this

170

00:07:00,660 --> 00:06:57,880

stuff and I was like I'm here to film

171

00:07:02,220 --> 00:07:00,670

about UFOs so it was like interesting

172

00:07:04,290 --> 00:07:02,230

but after a while he became so

173

00:07:06,300 --> 00:07:04,300

comfortable so in my film you get to see

174

00:07:08,850 --> 00:07:06,310

his daily life you get to judge his

175

00:07:11,730 --> 00:07:08,860

character not just what people say about

176

00:07:14,070 --> 00:07:11,740

him so it was a very intimate setting I

177

00:07:17,550 --> 00:07:14,080

followed him at his work I talked to his

178

00:07:19,110 --> 00:07:17,560

mom his wife people that back up his

179

00:07:20,610 --> 00:07:19,120

story but have never gone on camera

180

00:07:22,650 --> 00:07:20,620

because they had secure jobs working at

181

00:07:25,050 --> 00:07:22,660

like area 52 instead of where he worked

182

00:07:27,270 --> 00:07:25,060

which is just south of area 51 but

183

00:07:30,690 --> 00:07:27,280

everybody knows about area 51 it's a

184

00:07:32,850 --> 00:07:30,700

household name because of Bob Lazar so

185

00:07:34,650 --> 00:07:32,860

now you get to hear the story now you

186

00:07:37,020 --> 00:07:34,660

get it on iTunes and you get to watch it

187

00:07:40,170 --> 00:07:37,030

and it's it's an incredible moment of

188

00:07:42,360 --> 00:07:40,180

success for UFOs and then for

189

00:07:45,210 --> 00:07:42,370

independent films one last thing I want

190

00:07:47,160 --> 00:07:45,220

to say New York look you guys broke a

191

00:07:50,100 --> 00:07:47,170

story you broke a story in December of

192

00:07:53,130 --> 00:07:50,110

2017 my friend commander David flavor

193

00:07:55,080 --> 00:07:53,140

fighter pilot engaged a UFO off the

194

00:07:57,360 --> 00:07:55,090

coast of California okay everybody's

195

00:08:00,150 --> 00:07:57,370

heard about that big news the Pentagon

196

00:08:02,460 --> 00:08:00,160

released two videos UFOs these are

197

00:08:04,110 --> 00:08:02,470

unknown craft of unknown origin with

198

00:08:06,120 --> 00:08:04,120

technologically advanced capabilities

199

00:08:09,420 --> 00:08:06,130

that completely outpace our machines you

200

00:08:11,880 --> 00:08:09,430

have been told the UFO phenomenon is

201
00:08:14,220 --> 00:08:11,890
real so now you got a look at the Lazar

202
00:08:15,900 --> 00:08:14,230
story the Bob Lazar story and you have

203
00:08:17,730 --> 00:08:15,910
to see it differently and by the way

204
00:08:18,810 --> 00:08:17,740
just on the record I broke that story

205
00:08:20,160 --> 00:08:18,820
before the New York Times about

206
00:08:21,510 --> 00:08:20,170
commander David flavor because he's a

207
00:08:23,490 --> 00:08:21,520
friend of I did it twice just have to

208
00:08:25,440 --> 00:08:23,500
say for you so here's my point right

209
00:08:27,930 --> 00:08:25,450
we're living in a different world right

210
00:08:30,390 --> 00:08:27,940
consensus reality needs to catch up with

211
00:08:33,120 --> 00:08:30,400
the data rich reality that we have of

212
00:08:33,780 --> 00:08:33,130
this phenomenon whether you like it or

213
00:08:36,180 --> 00:08:33,790

not

214

00:08:38,850 --> 00:08:36,190

it's real now let's get down to the big

215

00:08:41,010 --> 00:08:38,860

questions why they're here they like our

216

00:08:46,920 --> 00:08:41,020

coffee or something okay and why haven't

217

00:08:48,630 --> 00:08:46,930

they said hi to me I mean you've been

218

00:08:50,070 --> 00:08:48,640

doing all this research it sounds like

219

00:08:52,200 --> 00:08:50,080

you said you were like passionate about

220

00:08:55,710 --> 00:08:52,210

finding truth yeah why do you think

221

00:08:57,900 --> 00:08:55,720

maybe UFOs have decided to explore total

222

00:09:00,150 --> 00:08:57,910

speculation you know maybe it's space

223

00:09:02,370 --> 00:09:00,160

tourism who knows but I mean I would

224

00:09:05,370 --> 00:09:02,380

like to believe that you know as a

225

00:09:07,230 --> 00:09:05,380

highly advanced intelligence engaging

226

00:09:10,500 --> 00:09:07,240

humanity since the beginning of recorded

227

00:09:14,580 --> 00:09:10,510

human history that they have some innate

228

00:09:17,670 --> 00:09:14,590

desire to help life evolve and for us to

229

00:09:20,040 --> 00:09:17,680

grow as a civilization and as human

230

00:09:22,260 --> 00:09:20,050

beings in humanity but I don't know that

231

00:09:24,060 --> 00:09:22,270

to be true people get all scared about

232

00:09:26,400 --> 00:09:24,070

it but look they haven't hurt us

233

00:09:27,480 --> 00:09:26,410

so whatever is going on the people that

234

00:09:29,970 --> 00:09:27,490

say to you they've seen something

235

00:09:31,980 --> 00:09:29,980

they've seen something it's happening

236

00:09:34,380 --> 00:09:31,990

it's real your government told you that

237

00:09:36,870 --> 00:09:34,390

in December 2017 so now we got to start

238

00:09:38,730 --> 00:09:36,880

asking well what is this about right and

239

00:09:40,710 --> 00:09:38,740

do you think that it sounds like you

240

00:09:42,150 --> 00:09:40,720

spent a lot of time it's Bob do you ever

241

00:09:43,050 --> 00:09:42,160

feel like there were things that he held

242

00:09:45,960 --> 00:09:43,060

back from you

243

00:09:47,700 --> 00:09:45,970

no in fact that was my room one

244

00:09:51,030 --> 00:09:47,710

requirement with him he had one for me I

245

00:09:53,430 --> 00:09:51,040

had one for him mine was open book every

246

00:09:55,620 --> 00:09:53,440

box every piece of paper your cell phone

247

00:09:57,540 --> 00:09:55,630

numbers to your family anything I want

248

00:09:59,580 --> 00:09:57,550

and he did it like that because member

249

00:10:00,630 --> 00:09:59,590

he passed for polygraph test in 1980 and

250

00:10:01,770 --> 00:10:00,640

I'm trying to prove his story he did

251
00:10:05,310 --> 00:10:01,780
everything he could to prove his story

252
00:10:07,980 --> 00:10:05,320
so nothing was restricted his only

253
00:10:10,170 --> 00:10:07,990
restriction to me was I could not lie I

254
00:10:11,160 --> 00:10:10,180
could not make stuff up about him for a

255
00:10:12,900 --> 00:10:11,170
movie which I'd never do my

256
00:10:15,060 --> 00:10:12,910
documentaries are investigative

257
00:10:16,650 --> 00:10:15,070
journalism it's it's a investigative

258
00:10:18,030 --> 00:10:16,660
filmmaking I want to know the truth as

259
00:10:20,220 --> 00:10:18,040
much as you do

260
00:10:21,810 --> 00:10:20,230
so that was it was a really it was not a

261
00:10:23,220 --> 00:10:21,820
smooth process at times because it

262
00:10:25,170 --> 00:10:23,230
brought up all these bad memories for

263
00:10:26,550 --> 00:10:25,180

him I mean he's had a hard run of it you

264

00:10:28,050 --> 00:10:26,560

know he's been bashed by the UFO

265

00:10:29,670 --> 00:10:28,060

community bashed by the government

266

00:10:30,990 --> 00:10:29,680

bashed by people who stopped being

267

00:10:33,840 --> 00:10:31,000

friends with because thought he lost his

268

00:10:35,880 --> 00:10:33,850

mind being a UFO guy but he wasn't UFO

269

00:10:36,680 --> 00:10:35,890

guy before this he was more skeptical

270

00:10:43,620 --> 00:10:36,690

than you

271

00:10:44,720 --> 00:10:43,630

I'm not skeptical okay yeah and you as a

272

00:10:46,970 --> 00:10:44,730

filmmaker are no

273

00:10:48,830 --> 00:10:46,980

for exploring these people's journeys

274

00:10:51,800 --> 00:10:48,840

who are deep within areas of

275

00:10:55,040 --> 00:10:51,810

intelligence conspiracy extraterrestrial

276
00:10:57,140 --> 00:10:55,050
communities what is your goal overall as

277
00:10:59,750 --> 00:10:57,150
a filmmaker to know the truth to find

278
00:11:02,480 --> 00:10:59,760
the truth I only amplify the voices of

279
00:11:04,550 --> 00:11:02,490
people that I find highly credible with

280
00:11:06,320 --> 00:11:04,560
extraordinary beliefs so my whole series

281
00:11:08,870 --> 00:11:06,330
and my website is extraordinary beliefs

282
00:11:11,240 --> 00:11:08,880
calm the idea about that is I find

283
00:11:14,210 --> 00:11:11,250
people of high credibility with

284
00:11:15,800 --> 00:11:14,220
extraordinary beliefs and if I feel it

285
00:11:17,510 --> 00:11:15,810
if I if I get in there and I start

286
00:11:19,910 --> 00:11:17,520
investigating and it's true then I'm

287
00:11:22,160 --> 00:11:19,920
going to amplify that signal and start

288
00:11:24,560 --> 00:11:22,170

getting that information out yeah it's

289

00:11:26,630 --> 00:11:24,570

so interesting to me it really is what

290

00:11:31,280 --> 00:11:26,640

area are you interested in exploring

291

00:11:34,030 --> 00:11:31,290

next sleep yes I would love to it just

292

00:11:36,560 --> 00:11:34,040

myself just sleep yeah yeah I know

293

00:11:38,030 --> 00:11:36,570

look I've been working nonstop for 10

294

00:11:39,620 --> 00:11:38,040

years on getting all this stuff out and

295

00:11:41,240 --> 00:11:39,630

I won't stop and I am it should I got a

296

00:11:42,710 --> 00:11:41,250

hundred things cooking but you know the

297

00:11:44,450 --> 00:11:42,720

main thing is I've got footage nobody

298

00:11:45,920 --> 00:11:44,460

else has of interviews deep inside

299

00:11:49,130 --> 00:11:45,930

people's lives and I will release them

300

00:11:51,350 --> 00:11:49,140

as time tells what button I should push

301
00:11:53,330 --> 00:11:51,360
but right now I want people to hear this

302
00:11:53,990 --> 00:11:53,340
story I want them to hear the story of

303
00:11:56,630 --> 00:11:54,000
Bob Lazar

304
00:11:59,180 --> 00:11:56,640
area 51 and flying saucers because look

305
00:12:01,280 --> 00:11:59,190
this took 30 years of my mentor and

306
00:12:03,170 --> 00:12:01,290
journalism George not 30 years to get to

307
00:12:04,880 --> 00:12:03,180
this point where I could pop in and

308
00:12:06,410 --> 00:12:04,890
start getting information in interviews

309
00:12:08,510 --> 00:12:06,420
that weren't available before so I want

310
00:12:10,760 --> 00:12:08,520
to honor my mentor I want to honor the

311
00:12:13,700 --> 00:12:10,770
movie really I want to honor Bob Lazar

312
00:12:16,220 --> 00:12:13,710
too because he deserves our respect well

313
00:12:18,350 --> 00:12:16,230

Jeremy thank you so much for being here

314

00:12:20,870 --> 00:12:18,360

when I do come encounter the alien I

315

00:12:23,660 --> 00:12:20,880

would tell them I know you must be

316

00:12:26,510 --> 00:12:23,670

credit with me with aliens maybe me Bob

317

00:12:28,220 --> 00:12:26,520

you can own Bob Lazar area 51 in flying

318

00:12:28,680 --> 00:12:28,230

saucers on digital and catch it on

319

00:12:30,110 --> 00:12:28,690

demand

320

00:12:33,320 --> 00:12:30,120

[Music]

321

00:12:35,920 --> 00:12:33,330

it's extraordinary especially image

322

00:12:38,930 --> 00:12:35,930

trouble and it all started in the desert

323

00:12:40,250 --> 00:12:38,940

just north of Las Vegas a local

324

00:12:42,320 --> 00:12:40,260

scientist who's worked at Groom Lake

325

00:12:44,060 --> 00:12:42,330

said to be where top-secret weapon

326

00:12:46,310 --> 00:12:44,070

systems have been tested over the years

327

00:12:48,320 --> 00:12:46,320

he has asked that his identity be

328

00:12:50,150 --> 00:12:48,330

shielded exactly what's going on up

329

00:12:53,800 --> 00:12:50,160

there what's going on up there could be

330

00:12:56,800 --> 00:12:53,810

the most important event in history

331

00:12:58,600 --> 00:12:56,810

physical contact and proof from another

332

00:13:02,439 --> 00:12:58,610

another system and other planet and

333

00:13:03,850 --> 00:13:02,449

other intelligence what would happen to

334

00:13:07,480 --> 00:13:03,860

you if the government learned that you

335

00:13:09,489 --> 00:13:07,490

were giving us this information you just

336

00:13:12,710 --> 00:13:09,499

wanted to stay alive maybe this has been

337

00:13:19,400 --> 00:13:14,840

sir how do we know you are who you say

338

00:13:21,700 --> 00:13:19,410

you are my name's Bob Lazar I'm known

339

00:13:31,400 --> 00:13:21,710

for working at a classified base and

340

00:13:44,070 --> 00:13:34,110

can we ever be made whole before not

341

00:13:46,699 --> 00:13:44,080

believe I have no motivation to lie the

342

00:13:50,960 --> 00:13:46,709

science and the technology can change us
