

# UNCOVERING ALIEN SECRETS

HOW BOB LAZAR'S 1989 INTERVIEW CHANGED AMERICA

1  
00:00:05,420 --> 00:00:03,560  
what drove you to bomb story I was 13

2  
00:00:07,220 --> 00:00:05,430  
years old and I heard on the radio the

3  
00:00:10,250 --> 00:00:07,230  
voice of my mentor in journalism George

4  
00:00:13,039 --> 00:00:10,260  
Knapp he broke the story in 1989 about

5  
00:00:15,680 --> 00:00:13,049  
area 51 and flying saucers and the way

6  
00:00:17,990 --> 00:00:15,690  
this guy described the propulsion system

7  
00:00:19,250 --> 00:00:18,000  
of these craft I wanted to know the

8  
00:00:21,710 --> 00:00:19,260  
truth I wanted to know the truth about

9  
00:00:24,170 --> 00:00:21,720  
UFOs and I wanted to have Bob Lazar was

10  
00:00:26,390 --> 00:00:24,180  
worthy of our trust I want to back up a

11  
00:00:28,220 --> 00:00:26,400  
second what is Bob was our story about

12  
00:00:30,620 --> 00:00:28,230  
area 51 for those who don't know so the

13  
00:00:32,630 --> 00:00:30,630

very simple version is that in 1989 to

14

00:00:34,940 --> 00:00:32,640

protect himself he came forward on the

15

00:00:36,620 --> 00:00:34,950

news with George Knapp and he says I was

16

00:00:39,049 --> 00:00:36,630

working for the United States military

17

00:00:42,200 --> 00:00:39,059

to reverse engineer an alien propulsion

18

00:00:44,840 --> 00:00:42,210

system unlike anything a non reactionary

19

00:00:47,750 --> 00:00:44,850

field propulsion system based on gravity

20

00:00:49,819 --> 00:00:47,760

and an element called element 115 it's

21

00:00:52,069 --> 00:00:49,829

an amazing story so the world exploded

22

00:00:53,779 --> 00:00:52,079

everybody learned his story and then he

23

00:00:56,209 --> 00:00:53,789

kind of like hid back he he wants his

24

00:00:57,799 --> 00:00:56,219

own life you know but I pulled him out

25

00:00:59,869 --> 00:00:57,809

George Knapp was fighting this on his

26

00:01:02,060 --> 00:00:59,879

own for 25 years I pulled him out after

27

00:01:03,860 --> 00:01:02,070

30 years intimate documentary of his

28

00:01:06,859 --> 00:01:03,870

daily life and you get to be the judge

29

00:01:08,480 --> 00:01:06,869

of the veracity of his story and what

30

00:01:09,950 --> 00:01:08,490

when you gave him this pitch and you

31

00:01:12,380 --> 00:01:09,960

said I want to do a documentary about

32

00:01:14,390 --> 00:01:12,390

this what was his response or what was

33

00:01:16,969 --> 00:01:14,400

it what was the convincing thing to him

34

00:01:18,950 --> 00:01:16,979

back after 25 years of hiding this story

35

00:01:20,660 --> 00:01:18,960

ray made him finally decide sure I

36

00:01:22,039 --> 00:01:20,670

listened he didn't hide his story it's

37

00:01:23,630 --> 00:01:22,049

just that the UFO world has done nothing

38

00:01:24,950 --> 00:01:23,640

good for him imagine if you have an

39

00:01:26,719 --> 00:01:24,960

experience obviously have to explain to

40

00:01:29,149 --> 00:01:26,729

your friend Franz and friendly and

41

00:01:31,249 --> 00:01:29,159

everybody and it just it wasn't good for

42

00:01:32,960 --> 00:01:31,259

him so it's not like I pulled him out of

43

00:01:35,810 --> 00:01:32,970

hiding you know he's able to defend

44

00:01:37,789 --> 00:01:35,820

himself I convinced him that all of the

45

00:01:40,429 --> 00:01:37,799

noise all of the lies all of the fake

46

00:01:42,649 --> 00:01:40,439

news about him that would go down in

47

00:01:43,670 --> 00:01:42,659

history if we didn't sort the record out

48

00:01:46,670 --> 00:01:43,680

and people could hear it directly from

49

00:01:48,830 --> 00:01:46,680

him right so what does Bob Lazar think

50

00:01:50,660 --> 00:01:48,840

about aliens and alien technology right

51  
00:01:52,580 --> 00:01:50,670  
now well I mean first of all he knows

52  
00:01:54,380 --> 00:01:52,590  
about alien technology it says real to

53  
00:01:56,539 --> 00:01:54,390  
him as your coffee cup right there's to

54  
00:01:59,060 --> 00:01:56,549  
you he saw it he had his hands on it he

55  
00:02:02,569 --> 00:01:59,070  
disabled to you I I do not have the

56  
00:02:04,520 --> 00:02:02,579  
luxury of disbelief what Bob said what

57  
00:02:06,590 --> 00:02:04,530  
is going on with our government is true

58  
00:02:09,320 --> 00:02:06,600  
and the New York Times broke that story

59  
00:02:11,270 --> 00:02:09,330  
they told you in December of 2017 with

60  
00:02:13,230 --> 00:02:11,280  
two videos from the Pentagon they told

61  
00:02:14,970 --> 00:02:13,240  
you UFOs are real and they have

62  
00:02:17,520 --> 00:02:14,980  
on camera so now everybody's got to

63  
00:02:20,690 --> 00:02:17,530

catch up consensus reality have to catch

64

00:02:23,940 --> 00:02:20,700

up with the data reality that we have

65

00:02:25,290 --> 00:02:23,950

how interesting it is okay so and I'm

66

00:02:27,060 --> 00:02:25,300

also fascinated with the storyline of

67

00:02:29,580 --> 00:02:27,070

him you know going back to his normal

68

00:02:31,680 --> 00:02:29,590

life for 25-30 years you pluck him back

69

00:02:34,050 --> 00:02:31,690

and he's telling his story how is his

70

00:02:36,960 --> 00:02:34,060

life changed since 1989

71

00:02:38,460 --> 00:02:36,970

since he's experienced this and he's and

72

00:02:40,140 --> 00:02:38,470

and now he's coming forward to tell us

73

00:02:42,150 --> 00:02:40,150

again he's happy he's got his own

74

00:02:44,100 --> 00:02:42,160

business called united nuclear out of

75

00:02:45,390 --> 00:02:44,110

Michigan and it's a science and

76

00:02:47,730 --> 00:02:45,400

technology

77

00:02:49,500 --> 00:02:47,740

you know consulting and supplies so he's

78

00:02:52,020 --> 00:02:49,510

doing a normal thing he's got a normal

79

00:02:53,880 --> 00:02:52,030

life as a scientist it brought up a lot

80

00:02:55,230 --> 00:02:53,890

of negative emotions because remember if

81

00:02:57,210 --> 00:02:55,240

you watched the movie it's a very

82

00:02:59,490 --> 00:02:57,220

dramatic thing happen the FBI raided

83

00:03:02,070 --> 00:02:59,500

during the film so it's a very dramatic

84

00:03:03,660 --> 00:03:02,080

story before in his life you know look

85

00:03:05,460 --> 00:03:03,670

they were going after him they were

86

00:03:06,990 --> 00:03:05,470

gunning for him that's why he went on

87

00:03:09,330 --> 00:03:07,000

the news that's why George not put him

88

00:03:11,730 --> 00:03:09,340

on the news was to protect him get all

89

00:03:14,220 --> 00:03:11,740

the story out get it out but over 30

90

00:03:16,470 --> 00:03:14,230

years we have learned new information so

91

00:03:18,990 --> 00:03:16,480

in my film I'm able to show you stuff

92

00:03:21,030 --> 00:03:19,000

that was unable to be uncovered for 30

93

00:03:22,230 --> 00:03:21,040

years that's why this film I think is

94

00:03:23,670 --> 00:03:22,240

number one that's what's been

95

00:03:26,070 --> 00:03:23,680

uncomfortable for the last 30 years

96

00:03:27,330 --> 00:03:26,080

tons of stuff has been uncovered so I

97

00:03:29,220 --> 00:03:27,340

found the guy that did the security

98

00:03:30,810 --> 00:03:29,230

clearance for him to be able to work at

99

00:03:35,540 --> 00:03:30,820

the base the guy nobody could find for

100

00:03:39,450 --> 00:03:37,950

these spider BOTS go through social

101  
00:03:41,250 --> 00:03:39,460  
media people said I know Bob Lazar

102  
00:03:43,770 --> 00:03:41,260  
certain names that kind of thing

103  
00:03:45,780 --> 00:03:43,780  
but look additionally Bob knew the exact

104  
00:03:48,000 --> 00:03:45,790  
time and date of test flights of a

105  
00:03:49,530 --> 00:03:48,010  
flying saucer over a remote base that

106  
00:03:51,390 --> 00:03:49,540  
nobody knew of how did he know

107  
00:03:53,280 --> 00:03:51,400  
additionally there's all these other

108  
00:03:55,230 --> 00:03:53,290  
elements that like came forward now

109  
00:03:57,360 --> 00:03:55,240  
after 30 years now we know gravity as a

110  
00:03:58,770 --> 00:03:57,370  
wave that's what Bob said back then we

111  
00:04:01,560 --> 00:03:58,780  
didn't prove that yet that's a new

112  
00:04:03,570 --> 00:04:01,570  
scientific discovery also element 115 it

113  
00:04:06,180 --> 00:04:03,580

was on the period or chart maybe like it

114

00:04:07,680 --> 00:04:06,190

could be it has now officially on the

115

00:04:09,990 --> 00:04:07,690

periodic chart because we made a few

116

00:04:11,940 --> 00:04:10,000

atoms of it not stabilized like Bob

117

00:04:14,190 --> 00:04:11,950

worked with so the point is a lot of

118

00:04:17,280 --> 00:04:14,200

what he said is coming to fruition so

119

00:04:18,510 --> 00:04:17,290

look watch the movie be skeptical but

120

00:04:20,310 --> 00:04:18,520

watch the movie and get the evidence

121

00:04:22,530 --> 00:04:20,320

don't listen to the fake stuff that's

122

00:04:25,050 --> 00:04:22,540

out there get the real information and

123

00:04:26,240 --> 00:04:25,060

decide for yourself reality so okay to

124

00:04:27,830 --> 00:04:26,250

your point of the fakes

125

00:04:29,060 --> 00:04:27,840

that's out there how do you build that

126

00:04:29,720 --> 00:04:29,070

trust with the audience of this

127

00:04:31,220 --> 00:04:29,730

documentary

128

00:04:32,510 --> 00:04:31,230

how do you get people to believe what

129

00:04:34,190 --> 00:04:32,520

they're hearing and see I don't need to

130

00:04:36,140 --> 00:04:34,200

get them to believe anything I don't

131

00:04:38,420 --> 00:04:36,150

want their belief I want his story is

132

00:04:41,180 --> 00:04:38,430

convincing enough I want their critical

133

00:04:41,750 --> 00:04:41,190

rational minds to go into it and decide

134

00:04:43,910 --> 00:04:41,760

for themselves

135

00:04:46,280 --> 00:04:43,920

I'm not saying believe okay what I'm

136

00:04:48,470 --> 00:04:46,290

saying is here the story everything has

137

00:04:51,050 --> 00:04:48,480

been so twisted it's been disemboweled

138

00:04:52,850 --> 00:04:51,060

his entire story has been gutted from

139

00:04:54,410 --> 00:04:52,860

the truth of what really happened and I

140

00:04:57,320 --> 00:04:54,420

just want you to hear from him so you

141

00:04:59,600 --> 00:04:57,330

can make your own judgement but UFOs are

142

00:05:01,760 --> 00:04:59,610

real they are in our airspace flying

143

00:05:03,800 --> 00:05:01,770

with impunity our military knows it and

144

00:05:05,210 --> 00:05:03,810

they outpace anything that we have and

145

00:05:06,650 --> 00:05:05,220

we learned that with commander David

146

00:05:08,180 --> 00:05:06,660

flavor and the New York Times which I

147

00:05:10,430 --> 00:05:08,190

broke that story before the New York

148

00:05:12,260 --> 00:05:10,440

Times about commander David flavor so

149

00:05:14,210 --> 00:05:12,270

it's out there people just need to be

150

00:05:16,190 --> 00:05:14,220

open enough to look at the evidence and

151  
00:05:17,270 --> 00:05:16,200  
then the movie speaks for itself we got

152  
00:05:19,580 --> 00:05:17,280  
to ask you where can people see this

153  
00:05:21,860 --> 00:05:19,590  
documentary right now iTunes number one

154  
00:05:23,600 --> 00:05:21,870  
baby go to iTunes I said I'm so excited

155  
00:05:26,270 --> 00:05:23,610  
but you can get in on any pay-per-view

156  
00:05:27,590 --> 00:05:26,280  
platform okay I'm gone as well amazing

157  
00:05:29,090 --> 00:05:27,600  
with it's all right I have one more

158  
00:05:30,980 --> 00:05:29,100  
question I'm just so fascinated us okay

159  
00:05:32,930 --> 00:05:30,990  
so with all the sci-fi movies out there

160  
00:05:34,930 --> 00:05:32,940  
when it comes to alien life and UFOs all

161  
00:05:37,250 --> 00:05:34,940  
that do you think that colors people's

162  
00:05:39,560 --> 00:05:37,260  
ability to believe this type of

163  
00:05:41,780 --> 00:05:39,570

phenomenon in real life I do believe

164

00:05:43,430 --> 00:05:41,790

that popular media you know art imitates

165

00:05:45,890 --> 00:05:43,440

life and life imitating art so I do

166

00:05:48,140 --> 00:05:45,900

believe films are one way like my film

167

00:05:50,719 --> 00:05:48,150

where people can become exposed to big

168

00:05:52,790 --> 00:05:50,729

ideas and those big ideas can shake the

169

00:05:54,380 --> 00:05:52,800

foundations of even your faith but if

170

00:05:55,640 --> 00:05:54,390

you're open to them and you look at them

171

00:05:57,469 --> 00:05:55,650

and use your rational mind you're gonna

172

00:05:59,270 --> 00:05:57,479

get closer to the truth every day we're

173

00:06:00,740 --> 00:05:59,280

getting closer to the truth yeah Bob

174

00:06:02,330 --> 00:06:00,750

bazaars critics have been holding the

175

00:06:04,219 --> 00:06:02,340

mic for more than 30 years and we took

176

00:06:05,840 --> 00:06:04,229

the mic back and I'm not letting go

177

00:06:07,490 --> 00:06:05,850

so that's what this is about all right

178

00:06:12,200 --> 00:06:07,500

the documentary of course is Bob Lazar

179

00:06:13,730 --> 00:06:12,210

area51 and flying saucers the story is

180

00:06:16,230 --> 00:06:13,740

extraordinary

181

00:06:19,020 --> 00:06:16,240

especially if it's true and it all

182

00:06:21,600 --> 00:06:19,030

started in the desert this is north of

183

00:06:23,520 --> 00:06:21,610

Las Vegas local scientists who worked at

184

00:06:25,530 --> 00:06:23,530

Groom Lake said to be where top-secret

185

00:06:29,460 --> 00:06:25,540

weapon systems have been tested over the

186

00:06:31,320 --> 00:06:29,470

years identity shielded exactly what's

187

00:06:33,090 --> 00:06:31,330

going on up there what's going on up

188

00:06:37,350 --> 00:06:33,100

there could be the most important event

189

00:06:39,660 --> 00:06:37,360

in history physical contact and proof

190

00:06:43,710 --> 00:06:39,670

from another another system another

191

00:06:45,240 --> 00:06:43,720

planet and other intelligence what would

192

00:06:47,930 --> 00:06:45,250

happen to you if the government learned

193

00:06:50,790 --> 00:06:47,940

that you were giving us this information

194

00:06:53,900 --> 00:06:50,800

they just want to stay alive maybe this

195

00:06:56,580 --> 00:06:53,910

has been kept from us for a good reason

196

00:07:01,350 --> 00:06:56,590

sir how do we know you are we say you

197

00:07:03,810 --> 00:07:01,360

are my name's Bob Lazar I'm known for

198

00:07:10,570 --> 00:07:03,820

working at a classified base and reverse

199

00:07:22,550 --> 00:07:14,780

the reason the bath can we ever be made

200

00:07:26,360 --> 00:07:22,560

whole before not believe I have no

201

00:07:29,930 --> 00:07:26,370

motivation to live the science of the

202

00:07:32,659 --> 00:07:29,940

technology can change the boys look
