

# DID THE FBI RAID FOR ELEMENT 115?

1  
00:00:03,870 --> 00:00:11,919

[Music]

2  
00:00:17,779 --> 00:00:15,350

how much monitoring they do with me I'm

3  
00:00:20,810 --> 00:00:17,789

sure it's virtually none after all this

4  
00:00:23,750 --> 00:00:20,820

time little say it let me do you have

5  
00:00:27,109 --> 00:00:23,760

your phone on you yes and let's at this

6  
00:00:28,370 --> 00:00:27,119

point take our let me just um let me put

7  
00:00:35,599 --> 00:00:28,380

them in the ground over there I'll turn

8  
00:00:40,279 --> 00:00:37,729

I mean maybe this has been kept from us

9  
00:00:43,310 --> 00:00:40,289

for a good reason a lot of people agreed

10  
00:00:46,459 --> 00:00:43,320

to keep the secret so first of all who

11  
00:00:48,259 --> 00:00:46,469

am i to upset it and second of all well

12  
00:00:49,939 --> 00:00:48,269

my two out think these guys maybe they

13  
00:00:52,189 --> 00:00:49,949

went over all these scenarios already

14

00:00:54,709 --> 00:00:52,199  
and they know how [h\_\_h] up everything

15

00:00:56,240 --> 00:00:54,719  
will be so there's no guarantee that

16

00:00:58,639 --> 00:00:56,250  
this revelation is going to make

17

00:00:59,689 --> 00:00:58,649  
everything great there's just as much

18

00:01:07,990 --> 00:00:59,699  
chance it's going to make everything

19

00:01:14,779 --> 00:01:11,559  
they identified themselves as FBI and

20

00:01:16,669 --> 00:01:14,789  
they said you're bout Lazar right and

21

00:01:20,059 --> 00:01:16,679  
then you know one of them got on the

22

00:01:23,320 --> 00:01:20,069  
radio saying yeah he's here apparently

23

00:01:26,419 --> 00:01:23,330  
they also had my house staked out and

24

00:01:30,880 --> 00:01:26,429  
they were deciding whether or not to go

25

00:01:35,719 --> 00:01:30,890  
there the conveyor belt of vehicles and

26  
00:01:38,380 --> 00:01:35,729  
agents and police did not stop the whole

27  
00:01:40,580 --> 00:01:38,390  
thing was like a Twilight Zone episode

28  
00:01:42,290 --> 00:01:40,590  
they came in and then they said there'll

29  
00:01:44,839 --> 00:01:42,300  
be a few other people coming here just

30  
00:01:47,169 --> 00:01:44,849  
got a couple questions to ask you in a

31  
00:01:49,790 --> 00:01:47,179  
short time the street filled up with

32  
00:01:52,669 --> 00:01:49,800  
vehicles and the building completely

33  
00:01:54,259 --> 00:01:52,679  
filled with agents it was really

34  
00:01:57,410 --> 00:01:54,269  
something else did they identify

35  
00:02:00,499 --> 00:01:57,420  
themselves initially as yeah FBI

36  
00:02:04,249 --> 00:02:00,509  
identified themselves then came an State

37  
00:02:08,290 --> 00:02:04,259  
Police and a few other agencies I don't

38  
00:02:11,420 --> 00:02:08,300

remember who but there were a lot

39

00:02:12,920 --> 00:02:11,430

self-aligned standing-room-only and the

40

00:02:14,839 --> 00:02:12,930

building it was it was crazy

41

00:02:16,220 --> 00:02:14,849

yeah they had like a forensic truck they

42

00:02:17,780 --> 00:02:16,230

had a bunch of different ages they

43

00:02:20,210 --> 00:02:17,790

gridded off the building I mean

44

00:02:23,089 --> 00:02:20,220

obviously they're they're looking for

45

00:02:25,190 --> 00:02:23,099

something yeah yeah and what they said

46

00:02:27,410 --> 00:02:25,200

they were looking for some paperwork an

47

00:02:29,520 --> 00:02:27,420

old order from two years ago about a

48

00:02:31,980 --> 00:02:29,530

customer that's

49

00:02:36,960 --> 00:02:31,990

you know ordered some potentially toxic

50

00:02:39,990 --> 00:02:36,970

material which click that it called for

51  
00:02:43,980 --> 00:02:40,000  
but this was certainly way over the top

52  
00:02:45,990 --> 00:02:43,990  
I looked up to select their IT and they

53  
00:02:49,170 --> 00:02:46,000  
were right beside me it was quite

54  
00:02:50,610 --> 00:02:49,180  
surprised considering you could see all

55  
00:02:52,590 --> 00:02:50,620  
around here and there were that

56  
00:02:55,320 --> 00:02:52,600  
generally have to be a vehicle in some

57  
00:02:58,020 --> 00:02:55,330  
but I just pulled up got out picked the

58  
00:02:59,400 --> 00:02:58,030  
key and then they started talking from

59  
00:03:02,220 --> 00:02:59,410  
behind me I thought that was really

60  
00:03:04,410 --> 00:03:02,230  
strange cause it got much stranger is

61  
00:03:07,170 --> 00:03:04,420  
the day when what what got stranger

62  
00:03:11,910 --> 00:03:07,180  
about it well just the sheer amount of

63  
00:03:14,370 --> 00:03:11,920

people that came agency after agency I

64

00:03:16,740 --> 00:03:14,380

mean they had computer experts here

65

00:03:18,680 --> 00:03:16,750

going through you know all the computer

66

00:03:21,720 --> 00:03:18,690

equipment we had here that people

67

00:03:24,810 --> 00:03:21,730

sectioning off the building labeling it

68

00:03:26,820 --> 00:03:24,820

in cubic meters so they can search each

69

00:03:31,350 --> 00:03:26,830

one you know what they're looking for

70

00:03:33,290 --> 00:03:31,360

was just a in order for me so very

71

00:03:46,890 --> 00:03:33,300

strange

72

00:03:46,900 --> 00:03:52,610

[Music]

73

00:03:58,920 --> 00:03:56,760

this story is extraordinary especially

74

00:04:02,610 --> 00:03:58,930

if it's trouble it all started in the

75

00:04:03,960 --> 00:04:02,620

desert just north of Las Vegas a local

76

00:04:06,449 --> 00:04:03,970

scientist who's worked at Groom Lake

77

00:04:08,670 --> 00:04:06,459

said to beware top-secret weapon systems

78

00:04:10,560 --> 00:04:08,680

have been tested over the years he has

79

00:04:12,690 --> 00:04:10,570

asked that his identity be shielded

80

00:04:14,280 --> 00:04:12,700

exactly what's going on up there what's

81

00:04:18,330 --> 00:04:14,290

going on up there could be the most

82

00:04:20,940 --> 00:04:18,340

important event in history physical

83

00:04:22,440 --> 00:04:20,950

contact and proof from another another

84

00:04:26,370 --> 00:04:22,450

system another planet and other

85

00:04:27,630 --> 00:04:26,380

intelligence what would happen to you if

86

00:04:31,170 --> 00:04:27,640

the government learned that you were

87

00:04:33,180 --> 00:04:31,180

giving us this information you just

88

00:04:37,140 --> 00:04:33,190

wanted to stay alive maybe this has been

89

00:04:40,320 --> 00:04:37,150

kept from us for a good reason sir how

90

00:04:43,360 --> 00:04:40,330

do we know you are who you say you are

91

00:04:45,820 --> 00:04:43,370

my name's Bob Lazar I'm known for

92

00:04:51,130 --> 00:04:45,830

working at a classified base and reverse

93

00:04:51,140 --> 00:04:55,100

[Music]

94

00:05:05,250 --> 00:04:57,300

and we ever been made whole

95

00:05:08,730 --> 00:05:05,260

before not believe I have no motivation

96

00:05:12,540 --> 00:05:08,740

to live the science and the technology

97

00:05:14,650 --> 00:05:12,550

can change us the boys look to the skies

98

00:05:18,750 --> 00:05:14,660

for answers
