

BOB LAZAR

AREA 51 & FLYING SAUCERS

- DELETED SCENE -

1
00:00:21,200 --> 00:00:13,090

[Music]

2
00:00:24,439 --> 00:00:23,810

he's not full of [h__\h] Bob Lazar is not

3
00:00:27,859 --> 00:00:24,449

[h__\h]

4
00:00:30,069 --> 00:00:27,869

no all they did was kill us credibility

5
00:00:32,390 --> 00:00:30,079

by making people think he was crazy

6
00:00:35,000 --> 00:00:32,400

that's how you kill anyone's credibility

7
00:00:36,310 --> 00:00:35,010

oh no he that crypt person is crazy they

8
00:00:38,689 --> 00:00:36,320

can see whatever the hell they want

9
00:00:41,450 --> 00:00:38,699

because now everything he says is it's

10
00:00:43,939 --> 00:00:41,460

not true but if I'm from living in the

11
00:00:46,490 --> 00:00:43,949

neighborhood where he lived in meeting

12
00:00:49,820 --> 00:00:46,500

people that actually went out there and

13
00:00:52,880 --> 00:00:49,830

saw the stuff and the look in their eyes

14

00:00:54,619 --> 00:00:52,890

I mean they saw it real testament from

15

00:00:56,420 --> 00:00:54,629

real people in this neighborhood that

16

00:00:56,930 --> 00:00:56,430

has a lot of history here my next-door

17

00:00:59,840 --> 00:00:56,940

neighbor

18

00:01:02,770 --> 00:00:59,850

he actually had lots of interactions

19

00:01:04,700 --> 00:01:02,780

with Bob Lazar and actually went out and

20

00:01:07,130 --> 00:01:04,710

proved everything I've seen in the

21

00:01:09,109 --> 00:01:07,140

videos he was one of the people there

22

00:01:10,969 --> 00:01:09,119

with him I've never met Bob Lazar

23

00:01:11,690 --> 00:01:10,979

personally but I've met people that

24

00:01:17,120 --> 00:01:11,700

worked with him

25

00:01:19,249 --> 00:01:17,130

and I wish I could I could have been

26

00:01:21,469 --> 00:01:19,259

there too I mean I talked about 2:00

27

00:01:21,980 --> 00:01:21,479

3:00 in the morning watching UFOs fly it

28

00:01:24,140 --> 00:01:21,990

Bob's

29

00:01:26,210 --> 00:01:24,150

history here in this neighborhood is

30

00:01:28,310 --> 00:01:26,220

still alive and well well it through

31

00:01:30,740 --> 00:01:28,320

some of us yeah and anybody I see just

32

00:01:33,320 --> 00:01:30,750

like you a photographer I see hey you

33

00:01:36,020 --> 00:01:33,330

know that's Bob Lazar house I mean it's

34

00:01:39,200 --> 00:01:36,030

I think it's a pretty damn neat

35

00:01:43,940 --> 00:01:39,210

you know Bob Lazar there's so much stuff

36

00:01:46,520 --> 00:01:43,950

that were not being told that it'd be

37

00:01:48,350 --> 00:01:46,530

foolish not to believe him I mean why

38

00:01:51,530 --> 00:01:48,360

would people just make crap up I mean

39

00:01:52,430 --> 00:01:51,540

he's not crazy he wasn't crazy then my

40

00:01:56,090 --> 00:01:52,440

neighbors not crazy

41

00:01:58,250 --> 00:01:56,100

they lived normal lives it's not an

42

00:01:59,719 --> 00:01:58,260

attention-seeking thing me and other

43

00:02:01,520 --> 00:01:59,729

people have seen these things what about

44

00:02:03,469 --> 00:02:01,530

New Mexico what about Arizona all these

45

00:02:04,940 --> 00:02:03,479

lights we've all seen something and not

46

00:02:06,770 --> 00:02:04,950

some [h__h] video you don't know if

47

00:02:08,449 --> 00:02:06,780

it's been made up or made people have

48

00:02:10,130 --> 00:02:08,459

seen the stuff and no one's there to

49

00:02:11,720 --> 00:02:10,140

explain it to see something like that

50

00:02:13,610 --> 00:02:11,730

you're never gonna forget it

51
00:02:15,470 --> 00:02:13,620
but somebody telling you an exact time

52
00:02:17,110 --> 00:02:15,480
exact place you go see something and

53
00:02:19,150 --> 00:02:17,120
then it happens

54
00:02:25,089 --> 00:02:19,160
how's that give you chills down your

55
00:02:26,440 --> 00:02:25,099
spine I have met people in this

56
00:02:29,080 --> 00:02:26,450
neighborhood that have had interactions

57
00:02:32,320 --> 00:02:29,090
on the mountains and seeing the UFOs

58
00:02:35,350 --> 00:02:32,330
with Bob Lazar so that's that's one soul

59
00:02:38,530 --> 00:02:35,360
on this earth that definitely could
