

AREA 51 FLYING SAUCERS

DELETED SCENE

1
00:00:04,610 --> 00:00:02,149
the mouths appear to float on dry

2
00:00:06,920 --> 00:00:04,620
lakebeds like spaceships from another

3
00:00:09,589 --> 00:00:06,930
world they seemed to ride on a biscuit

4
00:00:12,740 --> 00:00:09,599
material channels through empty space by

5
00:00:15,560 --> 00:00:12,750
heat that rises and separates it

6
00:00:19,400 --> 00:00:15,570
verifies everything it contacts like a

7
00:00:21,500 --> 00:00:19,410
like a green glass honey the goddamn

8
00:00:26,830 --> 00:00:21,510
psychedelic liquid drowning the

9
00:00:32,630 --> 00:00:29,870
this desert is pocked and punctuated by

10
00:00:35,180 --> 00:00:32,640
a thousand gaping holes created in a

11
00:00:39,440 --> 00:00:35,190
thousand atomic blasts that define an

12
00:00:42,260 --> 00:00:39,450
era what are they building in the desert

13
00:00:45,680 --> 00:00:42,270

north of Las Vegas what are they hiding

14

00:00:47,690 --> 00:00:45,690

where they hide behind I have actually

15

00:00:50,240 --> 00:00:47,700

watched the craft through maneuvers by

16

00:00:52,069 --> 00:00:50,250

night for about 20 minutes even did they

17

00:00:53,860 --> 00:00:52,079

ever seen anything that could really

18

00:00:55,910 --> 00:00:53,870

move this fast

19

00:00:58,340 --> 00:00:55,920

don't open the door because then the

20

00:01:01,470 --> 00:00:58,350

bugs come in

21

00:01:11,800 --> 00:01:01,480

[Music]

22

00:01:14,560 --> 00:01:11,810

well get a few more goodies my name is

23

00:01:16,719 --> 00:01:14,570

Pat Travis I own the little alien in

24

00:01:20,190 --> 00:01:16,729

beautiful downtown Rachel Nevada the

25

00:01:23,109 --> 00:01:20,200

little alien started in 1988 actually in

26

00:01:26,920 --> 00:01:23,119

1990 but my late husband and I have

27

00:01:30,940 --> 00:01:26,930

owned the little alien for since 1988

28

00:01:33,910 --> 00:01:30,950

we were newcomers to Rachel well just

29

00:01:36,010 --> 00:01:33,920

after that the UFO activity started and

30

00:01:39,820 --> 00:01:36,020

it was like a gift that was put in our

31

00:01:41,859 --> 00:01:39,830

hands and we needed something for us we

32

00:01:45,510 --> 00:01:41,869

had added a couple of motel rooms so

33

00:01:51,910 --> 00:01:45,520

here we are with more and better now

34

00:01:54,700 --> 00:01:51,920

next time is spit stay the night are we

35

00:01:57,999 --> 00:01:54,710

ready to roll again we had tour groups

36

00:01:59,980 --> 00:01:58,009

earlier today and it's just you go in

37

00:02:01,960 --> 00:01:59,990

you do what you have to do and then come

38

00:02:03,719 --> 00:02:01,970

out and mingle with everybody that's

39

00:02:07,150 --> 00:02:03,729

what life's all about

40

00:02:09,520 --> 00:02:07,160

this isn't work this is fun there are

41

00:02:12,760 --> 00:02:09,530

people that come here from every country

42

00:02:14,380 --> 00:02:12,770

in the world and if you look at all the

43

00:02:16,360 --> 00:02:14,390

dollar bills that are signed on our

44

00:02:19,000 --> 00:02:16,370

ceiling you'll see so many different

45

00:02:21,339 --> 00:02:19,010

countries every state in the United

46

00:02:25,720 --> 00:02:21,349

States people have been here from and

47

00:02:28,270 --> 00:02:25,730

it's awesome and this is really where

48

00:02:32,170 --> 00:02:28,280

things started you know and and it's

49

00:02:35,350 --> 00:02:32,180

been something that keeps going on the

50

00:02:39,100 --> 00:02:35,360

one question that everybody asked is how

51
00:02:42,369 --> 00:02:39,110
do I get to area 51 it just goes without

52
00:02:45,280 --> 00:02:42,379
saying so we give them we have a little

53
00:02:48,760 --> 00:02:45,290
map we teach them directions and let

54
00:02:51,520 --> 00:02:48,770
them go and we've had some that don't

55
00:02:55,270 --> 00:02:51,530
like to listen to us you've got to pay

56
00:02:57,970 --> 00:02:55,280
attention it is a high secure area every

57
00:03:00,880 --> 00:02:57,980
country in the world has this type but

58
00:03:02,559 --> 00:03:00,890
ours is really well known at that so the

59
00:03:04,869 --> 00:03:02,569
world's best known secret base because

60
00:03:06,820 --> 00:03:04,879
of Bob Lazar that's it and when there

61
00:03:09,699 --> 00:03:06,830
are secrets everybody wants to know a

62
00:03:12,580 --> 00:03:09,709
little bit about that secret you know

63
00:03:17,080 --> 00:03:12,590

when Bob Lazar and

64

00:03:20,800 --> 00:03:17,090

George Knapp John Lear Jean huh it was

65

00:03:23,680 --> 00:03:20,810

just a whole group that we continued to

66

00:03:26,650 --> 00:03:23,690

go and it was all something that was

67

00:03:30,250 --> 00:03:26,660

brought here and given to us and a lot

68

00:03:33,009 --> 00:03:30,260

of articles were written because of so

69

00:03:36,160 --> 00:03:33,019

many different sightings of so much so

70

00:03:38,470 --> 00:03:36,170

many different things that it's like a

71

00:03:40,900 --> 00:03:38,480

snowball and there's no end to this

72

00:03:46,030 --> 00:03:40,910

people come here from around the world

73

00:03:48,940 --> 00:03:46,040

to talk about sightings do I believe all

74

00:03:52,479 --> 00:03:48,950

of them probably not but there are many

75

00:03:55,050 --> 00:03:52,489

of them I do because when you talk to

76
00:03:58,330 --> 00:03:55,060
somebody you know whether they're really

77
00:03:59,710 --> 00:03:58,340
projecting something or if it's kind of

78
00:04:01,539 --> 00:03:59,720
just a story

79
00:04:07,750 --> 00:04:01,549
do you believe Bob Lazar Oh without a

80
00:04:10,180 --> 00:04:07,760
doubt if a man is going to tell a lie

81
00:04:12,910 --> 00:04:10,190
about something it changes because you

82
00:04:15,670 --> 00:04:12,920
don't remember all those things if you

83
00:04:21,250 --> 00:04:15,680
tell the truth about something it always

84
00:04:24,850 --> 00:04:21,260
stays the same can I prove it no but I

85
00:04:27,730 --> 00:04:24,860
can tell you when I tell that my arms

86
00:04:29,940 --> 00:04:27,740
will cover with goosebumps it's

87
00:04:33,390 --> 00:04:29,950
happening now

88
00:04:37,620 --> 00:04:33,400

do I believe that there are aliens that

89

00:04:41,790 --> 00:04:37,630

walk among us without a doubt I have no

90

00:04:42,770 --> 00:04:41,800

qualms about that it's happened here
