

AMERICA'S UFO PROGRAMS

1
00:00:09,709 --> 00:00:08,150
a Jeremy crebbil hello yeah no I know

2
00:00:11,150 --> 00:00:09,719
last time we had you on we were talking

3
00:00:12,980 --> 00:00:11,160
about skinwalker ranch and then we were

4
00:00:15,919 --> 00:00:12,990
hinting about how you were like eyeballs

5
00:00:19,010 --> 00:00:15,929
deep in the Edit for bob lazar area of

6
00:00:20,510 --> 00:00:19,020
51 and flying saucers the reason I made

7
00:00:22,220 --> 00:00:20,520
this movie because I'm fascinated I want

8
00:00:24,349 --> 00:00:22,230
to know - this is what inspired me when

9
00:00:27,800 --> 00:00:24,359
I was a kid mm-hmm is this real is this

10
00:00:30,230 --> 00:00:27,810
true so my whole goal is to get people

11
00:00:31,999 --> 00:00:30,240
talking about it if you watch the movie

12
00:00:35,000 --> 00:00:32,009
you will come out of it

13
00:00:36,260 --> 00:00:35,010

knowing more about Bob and his story

14

00:00:38,569 --> 00:00:36,270

especially if you've never heard about

15

00:00:40,280 --> 00:00:38,579

it before even if you have there's at

16

00:00:44,299 --> 00:00:40,290

least seven points of new information in

17

00:00:48,110 --> 00:00:44,309

the movie my name is Bob Lazar I'm known

18

00:00:51,110 --> 00:00:48,120

for working at a classified base known

19

00:00:55,479 --> 00:00:51,120

as s4 Outland Nevada desert near area 51

20

00:00:59,389 --> 00:00:55,489

and there we reverse engineered alien

21

00:01:02,900 --> 00:00:59,399

spacecraft and it's changed my life

22

00:01:05,700 --> 00:01:02,910

a lot you know it's probably changed

23

00:01:07,760 --> 00:01:05,710

every aspect of positive early

24

00:01:11,390 --> 00:01:07,770

[Music]

25

00:01:14,890 --> 00:01:11,400

well for the most part negative I mean I

26

00:01:17,870 --> 00:01:14,900

it's really difficult to find positive

27

00:01:19,700 --> 00:01:17,880

aspects of that I mean I'm sure there

28

00:01:23,539 --> 00:01:19,710

are some here and there but most of them

29

00:01:24,890 --> 00:01:23,549

were we're negative so that's important

30

00:01:26,990 --> 00:01:24,900

that everybody watches the movie but why

31

00:01:29,510 --> 00:01:27,000

it's so important now that you hear Bob

32

00:01:32,330 --> 00:01:29,520

Lazar story is because in December of

33

00:01:35,060 --> 00:01:32,340

2017 we heard our government had a UFO

34

00:01:36,680 --> 00:01:35,070

program that was called a tip advanced

35

00:01:39,830 --> 00:01:36,690

aerospace threat identification program

36

00:01:42,050 --> 00:01:39,840

however there was a mother program it

37

00:01:44,120 --> 00:01:42,060

was called awesome advanced aerospace

38

00:01:45,320 --> 00:01:44,130

weapon system application program that

39

00:01:49,219 --> 00:01:45,330

was a Defense Intelligence Agency

40

00:01:52,249 --> 00:01:49,229

program to study related phenomenon to

41

00:01:54,469 --> 00:01:52,259

UFOs so why Bob story's so important now

42

00:01:56,419 --> 00:01:54,479

we have Lou Elizondo who's a head of

43

00:01:59,300 --> 00:01:56,429

this government program to study UFOs

44

00:02:01,010 --> 00:01:59,310

there's a UFO program not just Project

45

00:02:02,719 --> 00:02:01,020

Blue Book like the new series that's out

46

00:02:05,450 --> 00:02:02,729

and all that stuff it's an old program

47

00:02:07,669 --> 00:02:05,460

96-98 ended there's a new program Bob

48

00:02:09,109 --> 00:02:07,679

Lazar says he worked in a government

49

00:02:11,449 --> 00:02:09,119

program to work on power and propulsion

50

00:02:14,060 --> 00:02:11,459

so not UFO identification for the

51
00:02:15,880 --> 00:02:14,070
military but another program I will tell

52
00:02:20,090 --> 00:02:15,890
you here now and I've said it before

53
00:02:23,539 --> 00:02:20,100
there are a multitude of UFO programs

54
00:02:26,090 --> 00:02:23,549
currently and from past that are

55
00:02:28,970 --> 00:02:26,100
actively studying different elements of

56
00:02:32,509 --> 00:02:28,980
the UFO phenomenon from biology to crash

57
00:02:34,670 --> 00:02:32,519
retrieval so I think in time what I'm

58
00:02:35,960 --> 00:02:34,680
saying now will be proven maybe there'll

59
00:02:39,289 --> 00:02:35,970
be these four programs I mentioned

60
00:02:41,900 --> 00:02:39,299
before that are named let's see yeah but

61
00:02:43,060 --> 00:02:41,910
there are more than that and I think

62
00:02:45,740 --> 00:02:43,070
over time we're gonna learn that

63
00:02:48,620 --> 00:02:45,750

historically the bob was our testimony

64

00:02:50,750 --> 00:02:48,630

is important and so you be the judge of

65

00:02:52,340 --> 00:02:50,760

it he's told you his story because he

66

00:02:54,259 --> 00:02:52,350

felt it's important for you to know that

67

00:02:55,880 --> 00:02:54,269

there is a science and a technology that

68

00:02:57,830 --> 00:02:55,890

is being held from you and that

69

00:02:58,970 --> 00:02:57,840

technology can change the world and we

70

00:03:00,979 --> 00:02:58,980

already know about it and it's

71

00:03:03,530 --> 00:03:00,989

non-terrestrial and I think that's what

72

00:03:05,240 --> 00:03:03,540

he wants you to know take it or leave it

73

00:03:06,590 --> 00:03:05,250

Bob just wants to live his normal life

74

00:03:08,780 --> 00:03:06,600

ie he never wants to do this that I

75

00:03:10,280 --> 00:03:08,790

begged him to do it so I think he's I

76

00:03:12,259 --> 00:03:10,290

think he's done I think he's told you

77

00:03:14,599 --> 00:03:12,269

his story again I'll try to get him for

78

00:03:16,610 --> 00:03:14,609

some Q&A is when I when I show my movie

79

00:03:19,039 --> 00:03:16,620

or that kind of thing but he just wants

80

00:03:21,210 --> 00:03:19,049

to live his normal life but he felt it

81

00:03:23,490 --> 00:03:21,220

important to untwist

82

00:03:24,780 --> 00:03:23,500

his story the way people have twisted it

83

00:03:26,730 --> 00:03:24,790

over 30 years I keep saying this and I

84

00:03:28,410 --> 00:03:26,740

mean it you know the his critics have

85

00:03:31,080 --> 00:03:28,420

had the mic from for more than 30 years

86

00:03:32,760 --> 00:03:31,090

and we took the mic back and that's the

87

00:03:34,320 --> 00:03:32,770

point telling you his side of the story

88

00:03:36,510 --> 00:03:34,330

you're telling me there's a different

89

00:03:38,220 --> 00:03:36,520

physics that was your job you were

90

00:03:39,720 --> 00:03:38,230

working on that the science was

91

00:03:42,060 --> 00:03:39,730

something we were trying to figure out

92

00:03:44,370 --> 00:03:42,070

but we knew how the devices would

93

00:03:47,460 --> 00:03:44,380

operate you know for instance the

94

00:03:50,250 --> 00:03:47,470

propulsion of the craft everything that

95

00:03:55,410 --> 00:03:50,260

we have whether it's a propeller plane

96

00:03:57,480 --> 00:03:55,420

or a jet or a rocket it throws something

97

00:04:00,630 --> 00:03:57,490

out the back either high speed exhaust

98

00:04:02,790 --> 00:04:00,640

or a large volume of air it's an action

99

00:04:04,920 --> 00:04:02,800

reaction force the action is you throw

100

00:04:07,350 --> 00:04:04,930

something out the back and it moves you

101
00:04:10,350 --> 00:04:07,360
forward so everything works this is the

102
00:04:12,990 --> 00:04:10,360
first time there's a craft that's it's a

103
00:04:15,330 --> 00:04:13,000
reaction --less craft it's a field

104
00:04:17,699 --> 00:04:15,340
propulsion craft and what it does is it

105
00:04:20,250 --> 00:04:17,709
creates a distortion in space and time

106
00:04:23,700 --> 00:04:20,260
in front of it where space actually

107
00:04:26,490 --> 00:04:23,710
bends and my analogy to that has always

108
00:04:28,890 --> 00:04:26,500
been put a bowling ball in the middle of

109
00:04:30,690 --> 00:04:28,900
your bed and then a foot in front of it

110
00:04:32,670 --> 00:04:30,700
take your fist and push down on the

111
00:04:34,740 --> 00:04:32,680
mattress the bowling ball will roll

112
00:04:36,450 --> 00:04:34,750
towards it and that's exactly how the

113
00:04:38,340 --> 00:04:36,460

craft works it creates a distortion

114

00:04:40,230 --> 00:04:38,350

right in front of it and the cat craft

115

00:04:42,450 --> 00:04:40,240

falls forward there so there's a

116

00:04:44,670 --> 00:04:42,460

different physics the weird well the

117

00:04:47,070 --> 00:04:44,680

science that explains how the technology

118

00:04:50,640 --> 00:04:47,080

works I mean it's all encompassed is one

119

00:04:53,550 --> 00:04:50,650

thing alien technology and science what

120

00:04:57,060 --> 00:04:53,560

is the big picture what are the what is

121

00:05:00,210 --> 00:04:57,070

the takeaway of your story after you're

122

00:05:02,700 --> 00:05:00,220

gone you're not a rebel kid with it with

123

00:05:05,370 --> 00:05:02,710

the jet car at Los Alamos today today's

124

00:05:06,660 --> 00:05:05,380

the different bob lazar right right what

125

00:05:08,760 --> 00:05:06,670

have we learned what's what's the

126

00:05:11,940 --> 00:05:08,770

message of your story what a big thing

127

00:05:15,530 --> 00:05:11,950

is the suppression of extremely advanced

128

00:05:19,770 --> 00:05:15,540

technology and the suppression of

129

00:05:23,820 --> 00:05:19,780

unknown science that's it those two

130

00:05:26,430 --> 00:05:23,830

things to me is the only thing that's

131

00:05:26,750 --> 00:05:26,440

important about what was going on out

132

00:05:35,040 --> 00:05:26,760

there

133

00:05:37,170 --> 00:05:35,050

and like I've said before that's a crime

134

00:05:40,740 --> 00:05:37,180

not to tell humanity about that but

135

00:05:43,010 --> 00:05:40,750

that's a separate thing meaning there is

136

00:05:45,719 --> 00:05:43,020

something different in science

137

00:05:50,430 --> 00:05:45,729

dramatically that we're not allowed to

138

00:05:53,659 --> 00:05:50,440

know right right that is a true

139

00:05:55,830 --> 00:05:53,669

statement yeah that's a true statement

140

00:05:58,200 --> 00:05:55,840

the fact that there is another

141

00:06:00,240 --> 00:05:58,210

intelligent technologically advanced

142

00:06:04,730 --> 00:06:00,250

civilization we have some of their

143

00:06:07,589 --> 00:06:04,740

objects that is really the pinnacle that

144

00:06:10,080 --> 00:06:07,599

there is another civilization in

145

00:06:12,149 --> 00:06:10,090

existence that's intelligent that we

146

00:06:15,570 --> 00:06:12,159

know about and we actually have

147

00:06:19,350 --> 00:06:15,580

artifacts from them that can operate so

148

00:06:21,330 --> 00:06:19,360

I mean that's that's a big big deal but

149

00:06:25,529 --> 00:06:21,340

in my mind that's there's a lot to deal

150

00:06:29,809 --> 00:06:25,539

with that however the science and the

151
00:06:32,219 --> 00:06:29,819
technology can change us dramatically

152
00:06:37,110 --> 00:06:32,229
you can change the way the entire world

153
00:06:40,140 --> 00:06:37,120
operates the economy everything so those

154
00:06:44,730 --> 00:06:40,150
stick out in my mind is being critically

155
00:06:47,939 --> 00:06:44,740
important when we have it know we have

156
00:06:53,040 --> 00:06:47,949
them do you don't have to believe it but

157
00:06:54,570 --> 00:06:53,050
we do when you see more I've seen it and

158
00:07:02,760 --> 00:06:54,580
you've touched it

159
00:07:04,559 --> 00:07:02,770
I've dismantled it real a few gets

160
00:07:05,820 --> 00:07:04,569
calmed down a little bit I am sure

161
00:07:07,980 --> 00:07:05,830
knowing you you have another project

162
00:07:12,360 --> 00:07:07,990
right on the on the back end I do what I

163
00:07:14,790 --> 00:07:12,370

can tell you this time let's go I know

164

00:07:16,680 --> 00:07:14,800

there's so much going on right now and

165

00:07:18,330 --> 00:07:16,690

there's so much more to tell I have so

166

00:07:20,100 --> 00:07:18,340

much more to give from the footage that

167

00:07:21,959 --> 00:07:20,110

I haven't released yet mm-hmm you're

168

00:07:22,980 --> 00:07:21,969

gonna find a lot like I really sent to

169

00:07:24,540 --> 00:07:22,990

my youtube channel stuff like that

170

00:07:26,700 --> 00:07:24,550

you're gonna find a lot of content and

171

00:07:28,709 --> 00:07:26,710

information coming out in the next year

172

00:07:31,080 --> 00:07:28,719

from me thank you so much Jeremy Korbel

173

00:07:32,430 --> 00:07:31,090

everybody for joining us congratulations

174

00:07:34,810 --> 00:07:32,440

on the movie on we will see you guys

175

00:07:40,620 --> 00:07:34,820

next week and

176

00:07:46,870 --> 00:07:43,719

nothing good comes from geo field for

177

00:07:50,890 --> 00:07:46,880

him this is a reluctant UFO Messiah he

178

00:07:52,870 --> 00:07:50,900

changed his life this week we've heard

179

00:07:54,490 --> 00:07:52,880

the contention of UFO researchers that

180

00:07:57,580 --> 00:07:54,500

there's a secret government within our

181

00:08:02,020 --> 00:07:57,590

government well there's several actually

182

00:08:04,629 --> 00:08:02,030

nine flying saucers flying this that are

183

00:08:06,670 --> 00:08:04,639

out there of extraterrestrial origin the

184

00:08:08,770 --> 00:08:06,680

live interview with the shadowy dentist

185

00:08:11,350 --> 00:08:08,780

drew international attention portions

186

00:08:13,570 --> 00:08:11,360

were broadcast by radio and six European

187

00:08:16,990 --> 00:08:13,580

countries and in a nationally televised

188

00:08:19,180 --> 00:08:17,000

TV special in Japan despite numerous

189

00:08:21,670 --> 00:08:19,190

inquiries and feelers dennis has

190

00:08:24,670 --> 00:08:21,680

remained anonymous until now his real

191

00:08:27,129 --> 00:08:24,680

name is Robert Lazar he says he was

192

00:08:29,589 --> 00:08:27,139

hired to work at an area called s4 which

193

00:08:32,170 --> 00:08:29,599

is a few miles south of groom lake at s4

194

00:08:34,510 --> 00:08:32,180

he says our flying saucers antimatter

195

00:08:36,490 --> 00:08:34,520

reactors and other working examples of

196

00:08:38,709 --> 00:08:36,500

technology that is seemingly beyond

197

00:08:40,659 --> 00:08:38,719

human capabilities I did not believe

198

00:08:44,260 --> 00:08:40,669

that this should be a security matter

199

00:08:47,610 --> 00:08:44,270

some of it sure but just the concept

200

00:08:49,930 --> 00:08:47,620

that there's definite group we even have

201
00:08:54,160 --> 00:08:49,940
articles from another world another

202
00:09:09,980 --> 00:08:54,170
system you just can't not tell everyone

203
00:09:12,830 --> 00:09:09,990
[Music]

204
00:09:15,950 --> 00:09:12,840
it was like a Twilight Zone episode just

205
00:09:18,320 --> 00:09:15,960
kept getting stranger the fact that it

206
00:09:19,090 --> 00:09:18,330
was happening at all was the weirdest

207
00:09:22,700 --> 00:09:19,100
part

208
00:09:26,630 --> 00:09:22,710
look it's been 30 years and all of a

209
00:09:28,880 --> 00:09:26,640
sudden you raised it to this level you

210
00:09:31,070 --> 00:09:28,890
know this is a powerful technology fears

211
00:09:34,790 --> 00:09:31,080
of technology and you just don't want

212
00:09:37,040 --> 00:09:34,800
everyone to have they will become

213
00:09:39,650 --> 00:09:37,050

obvious how to make constructive as well

214

00:09:42,800 --> 00:09:39,660

as destructive devices from it it's my

215

00:09:45,590 --> 00:09:42,810

only guess as to why they have never

216

00:09:46,910 --> 00:09:45,600

released information it's kind of

217

00:09:49,670 --> 00:09:46,920

difficult once you release the

218

00:09:51,590 --> 00:09:49,680

technology to be analyzed and give it to

219

00:09:53,960 --> 00:09:51,600

everyone they can just run with it you

220

00:09:57,470 --> 00:09:53,970

really can't keep the weapon potential

221

00:09:59,930 --> 00:09:57,480

hidden you really can't look with ET

222

00:10:06,710 --> 00:09:59,940

technology you can literally rule the

223

00:10:10,010 --> 00:10:06,720

world well I am telling the truth I've

224

00:10:11,780 --> 00:10:10,020

tried to prove that what's going on up

225

00:10:15,650 --> 00:10:11,790

there could be the most important event

226

00:10:19,250 --> 00:10:15,660

in history you're talking about contact

227

00:10:21,290 --> 00:10:19,260

physical physical contact and proof from

228

00:10:24,020 --> 00:10:21,300

another another system another planet

229

00:10:26,360 --> 00:10:24,030

and other intelligence that's got to be

230

00:10:29,310 --> 00:10:26,370

the biggest event in history period and
