NEW & EXCLUSIVE
30 YEARS AGO TODAY
THE TRUTH ABOUT UFOS & ALIENS

BOB LAZAR
AREA 51 & FLYING SAUCERS

1
00:00:08,500 --> 00:00:04,809

[Music]

2
00:00:13,360 --> 00:00:08,510

imagine a place between shadow substance

3
00:00:15,980 --> 00:00:13,370

the place where the world is just then

4
00:00:21,019 --> 00:00:15,990

not many pass through here they just

5
00:00:23,349 --> 00:00:21,029

tend to get burned up in fact it is the

6
00:00:27,920 --> 00:00:23,359

islands was corrosive

7
00:00:30,160 --> 00:00:27,930

an acid the mind can unwrap sure you're

8
00:00:32,359 --> 00:00:30,170

gonna want to keep your wits about you

9
00:00:35,510 --> 00:00:32,369

you gotta feel great

10
00:00:39,590 --> 00:00:35,520

impatience they say the seeker as a

11
00:00:41,229 --> 00:00:39,600

finder sometimes that's true you better

12
00:00:43,880 --> 00:00:41,239

hope that's true

13
00:00:46,500 --> 00:00:43,890

welcome to the world extraordinary

14

00:00:46,510 --> 00:01:11,460

[Music]

15

00:01:16,290 --> 00:01:14,250

area 51 the secret of spots on the

16

00:01:18,000 --> 00:01:16,300

planet is located on the northeast edge

17

00:01:19,950 --> 00:01:18,010

of the Nevada Test Site and is said to

18

00:01:21,900 --> 00:01:19,960

be where numerous top-secret weapon

19

00:01:24,630 --> 00:01:21,910

systems have been tested over the years

20

00:01:26,670 --> 00:01:24,640

according to some UFO researchers it's

21

00:01:28,230 --> 00:01:26,680

also where the government is test flying

22

00:01:30,060 --> 00:01:28,240

alien spacecraft

23

00:01:32,400 --> 00:01:30,070

it sounds pretty far-out but some Las

24

00:01:35,190 --> 00:01:32,410

Vegas residents report having seen these

25

00:01:37,020 --> 00:01:35,200

flying saucers a local scientist who

26
00:01:38,970 --> 00:01:37,030
says he worked at Groom Lake and saw the

27
00:01:40,830 --> 00:01:38,980
saucers joins us in tonight's interview

28
00:01:43,380 --> 00:01:40,840
he has asked that his identity be

29
00:01:44,880 --> 00:01:43,390
shielded sir how do we know you are who

30
00:01:46,530 --> 00:01:44,890
you say you are and that you actually

31
00:01:49,020 --> 00:01:46,540
have knowledge about what's going on at

32
00:01:53,070 --> 00:01:49,030
Groom Lake well I guess there's no way

33
00:01:54,870 --> 00:01:53,080
you could really know there's really no

34
00:01:56,520 --> 00:01:54,880
way I can prove it without revealing my

35
00:01:57,920 --> 00:01:56,530
identity and getting myself into more

36
00:02:00,930 --> 00:01:57,930
trouble than I have already

37
00:02:05,310 --> 00:02:00,940
exactly what's going on up there well

38
00:02:07,080 --> 00:02:05,320

there's several actually nine flying

39

00:02:09,330 --> 00:02:07,090

saucers flying discs

40

00:02:13,760 --> 00:02:09,340

that are out there of extraterrestrial

41

00:02:16,590 --> 00:02:13,770

origin and they're being test flown and

42

00:02:19,970 --> 00:02:16,600

basically just analyzed you say there's

43

00:02:23,280 --> 00:02:19,980

nine saucers how are those tests going

44

00:02:25,800 --> 00:02:23,290

as far as what as far as whether they're

45

00:02:28,380 --> 00:02:25,810

successful and and that sort of thing oh

46

00:02:32,010 --> 00:02:28,390

well some of them are a hundred percent

47

00:02:34,170 --> 00:02:32,020

intact and operate perfectly the other

48

00:02:36,180 --> 00:02:34,180

ones are being taken apart I was

49

00:02:38,370 --> 00:02:36,190

involved mania in propulsion and the

50

00:02:40,410 --> 00:02:38,380

power source where did we get these

51
00:02:41,940 --> 00:02:40,420
saucers how did they come into the hands

52
00:02:43,620 --> 00:02:41,950
of the government I haven't the

53
00:02:45,210 --> 00:02:43,630
slightest idea and you have to

54
00:02:48,990 --> 00:02:45,220
understand the information is very

55
00:02:51,090 --> 00:02:49,000
compartmentalized and I was only allowed

56
00:02:52,770 --> 00:02:51,100
information that pertained particularly

57
00:02:54,420 --> 00:02:52,780
to what I was involved in but I mean

58
00:02:55,740 --> 00:02:54,430
couldn't couldn't our government have

59
00:03:00,449 --> 00:02:55,750
made them as opposed to getting them

60
00:03:02,880 --> 00:03:00,459
some alien beans totally impossible the

61
00:03:04,830 --> 00:03:02,890
propulsion system isn't a gravity

62
00:03:07,410 --> 00:03:04,840
propulsion system the power source is an

63
00:03:09,540 --> 00:03:07,420

antimatter reactor this technology does

64

00:03:10,979 --> 00:03:09,550

not exist at all in fact one of the

65

00:03:13,320 --> 00:03:10,989

reasons that I'm going forward with this

66

00:03:14,850 --> 00:03:13,330

information it's not only a crime

67

00:03:16,860 --> 00:03:14,860

against the American people is a crime

68

00:03:18,630 --> 00:03:16,870

against the scientific community which

69

00:03:20,430 --> 00:03:18,640

I've been part of for some time or

70

00:03:22,260 --> 00:03:20,440

actively trying to duplicate these

71

00:03:24,420 --> 00:03:22,270

systems yet they are in existence now

72

00:03:25,260 --> 00:03:24,430

and basically in the hands of the

73

00:03:26,700 --> 00:03:25,270

government

74

00:03:28,140 --> 00:03:26,710

what would happen to you if the

75

00:03:30,290 --> 00:03:28,150

government learned that you were giving

76

00:03:32,400 --> 00:03:30,300

us this information

77

00:03:35,520 --> 00:03:32,410

anything could happen I don't know it's

78

00:03:37,950 --> 00:03:35,530

uh I haven't the slightest idea well you

79

00:03:39,770 --> 00:03:37,960

said you were referred to getting into

80

00:03:40,980 --> 00:03:39,780

trouble have you had some repercussions

81

00:03:43,800 --> 00:03:40,990

already

82

00:03:46,350 --> 00:03:43,810

yeah I've been threatened with being

83

00:03:47,910 --> 00:03:46,360

charged with espionage I've had my life

84

00:03:51,510 --> 00:03:47,920

threatened by them my wife's life

85

00:03:52,650 --> 00:03:51,520

threatened by them and I I mean I don't

86

00:03:54,420 --> 00:03:52,660

know where else you can go from there

87

00:03:56,040 --> 00:03:54,430

well we want to thank you for joining us

88

00:03:57,840 --> 00:03:56,050

pretty interesting stuff you've got to

89

00:04:00,000 --> 00:03:57,850

say thank you thank you sir

90

00:04:01,830 --> 00:04:00,010

well more news in just a moment now

91

00:04:04,380 --> 00:04:01,840

first we go to Dan Rather in Beijing for

92

00:04:15,570 --> 00:04:04,390

a look ahead at the CBS Evening News CBS

93

00:04:17,640 --> 00:04:15,580

Evening News from China the live

94

00:04:19,680 --> 00:04:17,650

interview with the shadowy dentist drew

95

00:04:22,110 --> 00:04:19,690

international attention portions were

96

00:04:24,330 --> 00:04:22,120

broadcast by radio and six European

97

00:04:27,720 --> 00:04:24,340

countries and in a nationally televised

98

00:04:29,910 --> 00:04:27,730

TV special in Japan despite numerous

99

00:04:32,370 --> 00:04:29,920

inquiries and feelers dennis has

100

00:04:34,470 --> 00:04:32,380

remained anonymous until now his real

101
00:04:36,960 --> 00:04:34,480
name is Robert Lazar he says he was

102
00:04:39,420 --> 00:04:36,970
hired to work at an area called s4 which

103
00:04:42,000 --> 00:04:39,430
is a few miles south of groom Lake at s4

104
00:04:44,310 --> 00:04:42,010
he says our flying saucers antimatter

105
00:04:46,290 --> 00:04:44,320
reactors and other working examples of

106
00:04:49,230 --> 00:04:46,300
technology that is seemingly beyond

107
00:04:53,860 --> 00:04:49,240
human capabilities work nap Eyewitness

108
00:05:13,350 --> 00:05:06,480
[Music]

109
00:05:18,210 --> 00:05:15,390
when somebody understands fission and

110
00:05:21,179 --> 00:05:18,220
fusion and the inner workings of nuclear

111
00:05:23,550 --> 00:05:21,189
reactions they can't not know how to

112
00:05:36,180 --> 00:05:23,560
make a bomb out of it and just make a

113
00:05:55,640 --> 00:05:46,480

[Music]

114

00:06:01,010 --> 00:05:58,010

it was like a Twilight Zone episode just

115

00:06:03,350 --> 00:06:01,020

kept getting stranger the fact that that

116

00:06:04,150 --> 00:06:03,360

was happening at all was the weirdest

117

00:06:07,760 --> 00:06:04,160

part

118

00:06:11,840 --> 00:06:07,770

look it's been 30 years and all of a

119

00:06:13,640 --> 00:06:11,850

sudden you raised it to this level you

120

00:06:15,980 --> 00:06:13,650

know this is a powerful technology

121

00:06:22,310 --> 00:06:15,990

fearsome technology and you just don't

122

00:06:24,530 --> 00:06:22,320

want everyone to have they will become

123

00:06:27,170 --> 00:06:24,540

obvious how to make constructive as well

124

00:06:30,290 --> 00:06:27,180

as destructive devices from it it's my

125

00:06:33,080 --> 00:06:30,300

only guess as to why they have never

126

00:06:34,430 --> 00:06:33,090

released information it's kind of

127

00:06:37,190 --> 00:06:34,440

difficult once you release the

128

00:06:39,200 --> 00:06:37,200

technology to be analyzed and give it to

129

00:06:41,480 --> 00:06:39,210

everyone they can just run with it you

130

00:06:44,990 --> 00:06:41,490

really can't keep the weapon potential

131

00:06:47,450 --> 00:06:45,000

hidden you really can't look with et

132

00:06:50,600 --> 00:06:47,460

technology you can literally rule the

133

00:06:53,060 --> 00:06:50,610

world you're going to an investigative

134

00:06:56,420 --> 00:06:53,070

reporter and a news station and you are

135

00:07:00,110 --> 00:06:56,430

outing the most secret project rank

136

00:07:01,700 --> 00:07:00,120

higher than the h-bomb and you're

137

00:07:03,770 --> 00:07:01,710

essentially putting your face and voice

138

00:07:06,440 --> 00:07:03,780

on the news although you did a shadow

139

00:07:08,150 --> 00:07:06,450

interview first you put yourself out

140

00:07:10,700 --> 00:07:08,160

there that's because you were scared ya

141

00:07:13,040 --> 00:07:10,710

know no question a it's easy to joke

142

00:07:16,130 --> 00:07:13,050

about or laugh or remember just the good

143

00:07:18,680 --> 00:07:16,140

times now almost 30 years later but at

144

00:07:21,140 --> 00:07:18,690

the time yeah I was petrified this was

145

00:07:23,480 --> 00:07:21,150

no joking around I mean it was hard to

146

00:07:27,200 --> 00:07:23,490

sleep ahead of people wait up at night

147

00:07:29,540 --> 00:07:27,210

and keep an eye out it was crazy it was

148

00:07:31,850 --> 00:07:29,550

crazy it absolutely destroyed my life I

149

00:07:33,740 --> 00:07:31,860

mean I weighed like a hundred and

150

00:07:35,900 --> 00:07:33,750

nineteen pounds for something then I was

151

00:07:37,420 --> 00:07:35,910

stressed out all the time it's safe to

152

00:07:40,400 --> 00:07:37,430

say your employees were pissed as [h__\h]

153

00:07:42,200 --> 00:07:40,410

obviously they were pissed what was the

154

00:07:45,080 --> 00:07:42,210

beer from at that time I was really

155

00:07:48,050 --> 00:07:45,090

afraid of the people that worked at us

156

00:07:50,840 --> 00:07:48,060

for I had no idea how far they would go

157

00:07:55,280 --> 00:07:50,850

how angry they were with me was made

158

00:07:58,340 --> 00:07:55,290

really clear so there are so many things

159

00:08:00,470 --> 00:07:58,350

that happened I mean people breaking

160

00:08:04,010 --> 00:08:00,480

into my house searching my car even when

161

00:08:06,230 --> 00:08:04,020

I went gym to workout and I mean I had

162

00:08:09,380 --> 00:08:06,240

friends with me that saw things like

163

00:08:11,810 --> 00:08:09,390

this happening and even they were

164

00:08:19,340 --> 00:08:11,820

afraid so I yeah I left in constant fear

165

00:08:21,350 --> 00:08:19,350

at the time this is a hard part of the

166

00:08:23,990 --> 00:08:21,360

story for people understand it said they

167

00:08:26,000 --> 00:08:24,000

they they don't really get a sense of

168

00:08:28,040 --> 00:08:26,010

what it was like because literally you

169

00:08:30,350 --> 00:08:28,050

had to be there for some of this I lived

170

00:08:32,510 --> 00:08:30,360

through it I know what it was like what

171

00:08:34,400 --> 00:08:32,520

Bob was going through at that time they

172

00:08:35,900 --> 00:08:34,410

were breaking into his house and playing

173

00:08:37,910 --> 00:08:35,910

mind games you know they'd leave the

174

00:08:40,400 --> 00:08:37,920

doors open they leave drawers open

175

00:08:42,830 --> 00:08:40,410

nothing's taken and write things on his

176
00:08:45,470 --> 00:08:42,840
black board or erase things move things

177
00:08:47,720 --> 00:08:45,480
around he goes to the gym with us with

178
00:08:50,180 --> 00:08:47,730
his buddy and he's kind of scared so

179
00:08:52,040 --> 00:08:50,190
he's got an Uzi in his car he comes out

180
00:08:54,140 --> 00:08:52,050
an hour later after working out the

181
00:08:57,110 --> 00:08:54,150
doors to the car opened the windows are

182
00:08:58,550 --> 00:08:57,120
down the glove box is open and the Uzi

183
00:09:00,530 --> 00:08:58,560
is laying there on the front seat

184
00:09:02,000 --> 00:09:00,540
wasn't a burglary that was somebody

185
00:09:04,340 --> 00:09:02,010
messaging with him that stuff really

186
00:09:06,710 --> 00:09:04,350
happened I can remember getting calls

187
00:09:08,720 --> 00:09:06,720
from Bob and in the night of just that

188
00:09:10,790 --> 00:09:08,730

he had somebody in this house messing

189

00:09:13,190 --> 00:09:10,800

with him I go over to see him to calm

190

00:09:15,860 --> 00:09:13,200

him down and he's walking around with a

191

00:09:18,980 --> 00:09:15,870

Z peeking out the windows sounds

192

00:09:20,300 --> 00:09:18,990

paranoid but but as the old saying goes

193

00:09:22,280 --> 00:09:20,310

just because you're paranoid doesn't

194

00:09:24,140 --> 00:09:22,290

mean somebody isn't after you and in

195

00:09:26,590 --> 00:09:24,150

this case they were they were messing

196

00:09:31,670 --> 00:09:26,600

with him that was real it's both

197

00:09:33,440 --> 00:09:31,680

frightening and infuriating do you feel

198

00:09:36,830 --> 00:09:33,450

that you have been utilized in this

199

00:09:39,170 --> 00:09:36,840

mechanism of information release I think

200

00:09:41,240 --> 00:09:39,180

I'm doing something that somebody wants

201
00:09:43,220 --> 00:09:41,250
done I think I have been used in that

202
00:09:45,170 --> 00:09:43,230
regard I think somebody maybe not all of

203
00:09:47,390 --> 00:09:45,180
them but some of them wanted this stuff

204
00:09:49,340 --> 00:09:47,400
out they wanted to see how it would fly

205
00:09:51,950 --> 00:09:49,350
I think that's why Bob Lazar was hired

206
00:09:53,480 --> 00:09:51,960
out there I think on many levels it does

207
00:09:56,660 --> 00:09:53,490
not make sense that they would put him

208
00:09:58,700 --> 00:09:56,670
in that job but the fact is they did he

209
00:10:00,260 --> 00:09:58,710
was out there and he was working on this

210
00:10:02,480 --> 00:10:00,270
stuff for a short period of time I think

211
00:10:04,190 --> 00:10:02,490
they probably selected him because they

212
00:10:07,250 --> 00:10:04,200
knew he wouldn't keep his mouth shut and

213
00:10:09,050 --> 00:10:07,260

that story would come out and then I did

214

00:10:11,180 --> 00:10:09,060

my part of it and telling it to the

215

00:10:12,540 --> 00:10:11,190

world I suspect that they figured I

216

00:10:14,250 --> 00:10:12,550

would quit

217

00:10:16,560 --> 00:10:14,260

and that I would give up and I wouldn't

218

00:10:18,720 --> 00:10:16,570

continue it for another 25 years and

219

00:10:21,090 --> 00:10:18,730

still be plugging away at it but in the

220

00:10:22,500 --> 00:10:21,100

in the larger context I think I was

221

00:10:24,780 --> 00:10:22,510

probably doing something that they

222

00:10:27,390 --> 00:10:24,790

wanted done let's get this story out

223

00:10:28,830 --> 00:10:27,400

there see if people freaked out and then

224

00:10:31,740 --> 00:10:28,840

we can always pull it back we can

225

00:10:34,820 --> 00:10:31,750

discredit the guy I do think that there

226

00:10:37,320 --> 00:10:34,830

have been attempts to discredit me that

227

00:10:40,830 --> 00:10:37,330

that they've tried to make a run at me

228

00:10:42,900 --> 00:10:40,840

with false information if Bob worked at

229

00:10:44,880 --> 00:10:42,910

Los Alamos in any kind of sensitive or

230

00:10:46,440 --> 00:10:44,890

classified position then it becomes

231

00:10:49,950 --> 00:10:46,450

reasonable to say he could have worked

232

00:10:52,950 --> 00:10:49,960

out at s4 all the stuff about his

233

00:10:55,050 --> 00:10:52,960

educational credentials aside if he was

234

00:10:57,390 --> 00:10:55,060

there I don't really care whether he

235

00:10:58,980 --> 00:10:57,400

went to MIT or not and I think we

236

00:11:00,990 --> 00:10:58,990

established beyond any question that he

237

00:11:02,070 --> 00:11:01,000

was there I mean I interviewed people

238

00:11:04,410 --> 00:11:02,080

that he worked with who said he was

239

00:11:08,010 --> 00:11:04,420

there we had him in the phone book we

240

00:11:10,170 --> 00:11:08,020

had him in the in the newspaper I had

241

00:11:12,540 --> 00:11:10,180

confirmation from the company that that

242

00:11:14,130 --> 00:11:12,550

recruited him Kirk Meier that said that

243

00:11:15,600 --> 00:11:14,140

yeah we hired him and they were gonna

244

00:11:18,690 --> 00:11:15,610

give me the records and then they said

245

00:11:20,880 --> 00:11:18,700

no I know that the lab lied to me I know

246

00:11:22,350 --> 00:11:20,890

that they they thwarted my attempts to

247

00:11:24,660 --> 00:11:22,360

prove that he was there but he was there

248

00:11:26,760 --> 00:11:24,670

and one of the reasons I know he was

249

00:11:28,350 --> 00:11:26,770

there is cuz he took us in we went there

250

00:11:31,290 --> 00:11:28,360

on a weekend my photographer and I

251
00:11:34,740 --> 00:11:31,300
Bryant Blackburn flew to Los Alamos and

252
00:11:37,860 --> 00:11:34,750
went to the lab and Bob took us in was

253
00:11:39,090 --> 00:11:37,870
like a a rabbit in his burrow I mean he

254
00:11:41,250 --> 00:11:39,100
was taking us through buildings

255
00:11:45,240 --> 00:11:41,260
obviously he knew his way around we were

256
00:11:46,590 --> 00:11:45,250
there he took us in I guess you know I

257
00:11:49,020 --> 00:11:46,600
guess there might be some other

258
00:11:50,910 --> 00:11:49,030
explanation for how he was able to have

259
00:11:52,030 --> 00:11:50,920
that access but I'd like to know what it

260
00:11:58,460 --> 00:11:52,040
is

261
00:11:59,870 --> 00:11:58,470
reason he came out to talk to us again

262
00:12:03,260 --> 00:11:59,880
is cuz I bugged him about it

263
00:12:05,540 --> 00:12:03,270

relentlessly and he finally relented and

264

00:12:08,150 --> 00:12:05,550

came out but he wasn't happy about it

265

00:12:10,040 --> 00:12:08,160

nothing good comes from the UFO field

266

00:12:13,070 --> 00:12:10,050

for him it does nothing but cause him

267

00:12:16,460 --> 00:12:13,080

trouble if he had to do it over again I

268

00:12:18,620 --> 00:12:16,470

suspect he wouldn't do it because he

269

00:12:20,060 --> 00:12:18,630

changed his life and there was a part of

270

00:12:21,410 --> 00:12:20,070

him that would really like to still be

271

00:12:24,560 --> 00:12:21,420

working on that stuff I mean is really

272

00:12:27,650 --> 00:12:24,570

amazing technology the most amazing

273

00:12:30,199 --> 00:12:27,660

technology he's ever seen the

274

00:12:31,639 --> 00:12:30,209

descriptions of the golf ball experiment

275

00:12:35,920 --> 00:12:31,649

we throw a golf ball at this force field

276

00:12:39,230 --> 00:12:35,930

and it bounces off or the that this this

277

00:12:42,050 --> 00:12:39,240

demonstration where it freezes time it

278

00:12:45,949 --> 00:12:42,060

freezes a flame how the flame could

279

00:12:49,220 --> 00:12:45,959

still be burning without moving and

280

00:12:50,030 --> 00:12:49,230

without consuming this this candle how

281

00:12:53,900 --> 00:12:50,040

does that work

282

00:12:55,820 --> 00:12:53,910

even if he has been led down a path and

283

00:12:58,850 --> 00:12:55,830

and me along with him that they have

284

00:13:00,889 --> 00:12:58,860

shown him glimpses of something for

285

00:13:03,620 --> 00:13:00,899

their own reasons running up a flagpole

286

00:13:06,500 --> 00:13:03,630

let's see how how the public reacts and

287

00:13:08,990 --> 00:13:06,510

then discredit him down the line he

288

00:13:10,400 --> 00:13:09,000

acknowledges that's possible and I and

289

00:13:13,550 --> 00:13:10,410

I've thought about it all the way along

290

00:13:16,699 --> 00:13:13,560

that were we were being played with but

291

00:13:20,120 --> 00:13:16,709

the idea that bob was a disinformation

292

00:13:23,960 --> 00:13:20,130

agent or part of a program to mislead

293

00:13:25,220 --> 00:13:23,970

the public is wrong he's not and I can

294

00:13:27,440 --> 00:13:25,230

say that for knowing the guy for a

295

00:13:29,720 --> 00:13:27,450

quarter of a century the story he told

296

00:13:31,430 --> 00:13:29,730

then is the story he tells now he didn't

297

00:13:34,340 --> 00:13:31,440

add to it he's not making it more

298

00:13:35,990 --> 00:13:34,350

elaborate he's not remembering new parts

299

00:13:38,060 --> 00:13:36,000

of it it's the same story it's

300

00:13:39,530 --> 00:13:38,070

consistent all the way through he's

301
00:13:43,889 --> 00:13:39,540
telling me something that really

302
00:13:48,970 --> 00:13:46,509
the mounds appear to float on dry

303
00:13:51,430 --> 00:13:48,980
lakebeds like spaceships from another

304
00:13:53,980 --> 00:13:51,440
world they seem to ride on a viscous

305
00:13:56,730 --> 00:13:53,990
material channel through empty space by

306
00:13:59,920 --> 00:13:56,740
heat that rises and separates it

307
00:14:03,730 --> 00:13:59,930
vitrified everything it contacts like a

308
00:14:05,860 --> 00:14:03,740
like a green glass honey and goddamn

309
00:14:11,009 --> 00:14:05,870
psychedelic liquid drowning the

310
00:14:16,780 --> 00:14:14,019
this desert is pocked and punctuated by

311
00:14:19,360 --> 00:14:16,790
a thousand gaping holes created in a

312
00:14:23,590 --> 00:14:19,370
thousand atomic blasts that define an

313
00:14:26,439 --> 00:14:23,600

era what are they building in the desert

314

00:14:27,790 --> 00:14:26,449

north of Las Vegas what are they hiding

315

00:14:28,179 --> 00:14:27,800

what are they hiding [\h__\h] are they

316

00:14:37,569 --> 00:14:28,189

hiding

317

00:14:39,999 --> 00:14:37,579

I knew the date of a specific test we

318

00:14:42,910 --> 00:14:40,009

rented a car took my wife a few friends

319

00:14:45,069 --> 00:14:42,920

and drove out to this this place and

320

00:14:50,559 --> 00:14:45,079

turn the lights out and snuck into a

321

00:14:52,269 --> 00:14:50,569

little area and we all watched it what

322

00:14:54,129 --> 00:14:52,279

made you start showing your friends

323

00:14:56,679 --> 00:14:54,139

exactly where and when the test flights

324

00:14:58,840 --> 00:14:56,689

were gonna be why did you do that start

325

00:15:00,370 --> 00:14:58,850

showing people the flying saucer Oh at

326

00:15:02,620 --> 00:15:00,380

that time I was beginning to worry that

327

00:15:04,780 --> 00:15:02,630

I was gonna suddenly disappear or

328

00:15:07,179 --> 00:15:04,790

something like that so I finally broke

329

00:15:09,550 --> 00:15:07,189

down and told my close friends really

330

00:15:12,550 --> 00:15:09,560

what my job didn't tell what I was doing

331

00:15:15,069 --> 00:15:12,560

and I use a test flight schedule so I

332

00:15:17,350 --> 00:15:15,079

knew when to go out what time to go out

333

00:15:19,449 --> 00:15:17,360

and brought them there at that time and

334

00:15:21,040 --> 00:15:19,459

on schedule the craft came up you know

335

00:15:23,650 --> 00:15:21,050

that incredible maneuvers and flew

336

00:15:25,929 --> 00:15:23,660

around and then then landed so I wanted

337

00:15:28,120 --> 00:15:25,939

them to witness always so there'd be

338

00:15:30,220 --> 00:15:28,130

something backing up what I was saying

339

00:15:33,249 --> 00:15:30,230

and certainly witnessing the craft

340

00:15:35,379 --> 00:15:33,259

actually being tested was you know what

341

00:15:38,139 --> 00:15:35,389

turned them on you the people that you

342

00:15:40,269 --> 00:15:38,149

worked with at s4 what turned that

343

00:15:42,490 --> 00:15:40,279

administration of people against you

344

00:15:44,019 --> 00:15:42,500

when did it become dangerous for you why

345

00:15:45,790 --> 00:15:44,029

did you become a mystery I think that

346

00:15:47,679 --> 00:15:45,800

the start of it was the fact that they

347

00:15:50,129 --> 00:15:47,689

were monitoring my phone calls and at

348

00:15:53,290 --> 00:15:50,139

that time my wife was having an affair

349

00:15:53,900 --> 00:15:53,300

because she thought I was having an

350

00:15:56,150 --> 00:15:53,910

affair

351
00:15:59,210 --> 00:15:56,160
by disappearing at night going to this

352
00:16:02,360 --> 00:15:59,220
job and they were monitoring that now

353
00:16:07,519 --> 00:16:02,370
one of the requirements for clearance at

354
00:16:10,840 --> 00:16:07,529
this level is having a stable family

355
00:16:13,730 --> 00:16:10,850
life you can't have some you know

356
00:16:15,920 --> 00:16:13,740
tumultuous situation going on so they

357
00:16:17,990 --> 00:16:15,930
want you know just a a happy calm normal

358
00:16:19,879 --> 00:16:18,000
person I was beginning to move out of

359
00:16:22,100 --> 00:16:19,889
that category when they saw that this

360
00:16:23,990 --> 00:16:22,110
you know affair was taking place felt

361
00:16:25,600 --> 00:16:24,000
this is going to be a problem so let's

362
00:16:28,939 --> 00:16:25,610
not have him come into work anymore

363
00:16:32,120 --> 00:16:28,949

until this resolves it so and that's

364

00:16:34,819 --> 00:16:32,130

when I started bringing some friends out

365

00:16:36,019 --> 00:16:34,829

going they're not asking me to come up

366

00:16:38,449 --> 00:16:36,029

to work anymore and they're not just

367

00:16:40,670 --> 00:16:38,459

gonna let me go with all this knowledge

368

00:16:42,889 --> 00:16:40,680

that they gave me so that's when I

369

00:16:44,629 --> 00:16:42,899

decided to show the close group of

370

00:17:11,059 --> 00:16:44,639

friends what was going on just in case I

371

00:17:13,909 --> 00:17:11,069

did suddenly disappear or something your

372

00:17:16,039 --> 00:17:13,919

life has been under a microscope every

373

00:17:17,419 --> 00:17:16,049

word you said for 30 years recorder has

374

00:17:19,279 --> 00:17:17,429

been under a microscope and that's

375

00:17:21,529 --> 00:17:19,289

that's affected you yeah of course it it

376

00:17:24,620 --> 00:17:21,539

could affect anybody how is it affected

377

00:17:27,230 --> 00:17:24,630

you in the way I talk and how much I do

378

00:17:29,049 --> 00:17:27,240

I'd rather not you know in a public

379

00:17:31,130 --> 00:17:29,059

forum I'd rather just not say anything

380

00:17:34,750 --> 00:17:31,140

why do you think people are so obsessed

381

00:17:37,159 --> 00:17:34,760

with every word that you say about your

382

00:17:40,190 --> 00:17:37,169

experiences you know we're just looking

383

00:17:42,049 --> 00:17:40,200

for a way to to look for an inaccuracy

384

00:17:44,659 --> 00:17:42,059

and and to be able to discount the whole

385

00:17:46,279 --> 00:17:44,669

thing when we sit this one time and said

386

00:17:47,870 --> 00:17:46,289

it's slightly different this time you

387

00:17:49,610 --> 00:17:47,880

know obviously he's making it up

388

00:17:51,000 --> 00:17:49,620

no that's just the first word that

389

00:17:52,770 --> 00:17:51,010

entered my mind

390

00:17:59,340 --> 00:17:52,780

you know I don't put that much snot into

391

00:18:01,950 --> 00:17:59,350

it when I'm saying it like is as much as

392

00:18:04,620 --> 00:18:01,960

a lot of people hate it this stuff

393

00:18:06,180 --> 00:18:04,630

really happened I mean if it bothers you

394

00:18:08,250 --> 00:18:06,190

that's too bad

395

00:18:10,590 --> 00:18:08,260

I think that's just hard for people to

396

00:18:13,049 --> 00:18:10,600

accept I mean so yeah it would be

397

00:18:15,120 --> 00:18:13,059

look I fully understand I would feel the

398

00:18:16,710 --> 00:18:15,130

same way I'm not sure I would believe my

399

00:18:19,980 --> 00:18:16,720

story oh boy there's not enough evidence

400

00:18:20,620 --> 00:18:19,990

you know but I couldn't discount it

401
00:18:41,900 --> 00:18:20,630
either

402
00:19:05,310 --> 00:18:58,810
[Music]

403
00:19:07,560 --> 00:19:05,320
you saw alien ships yeah you worked on a

404
00:19:09,150 --> 00:19:07,570
gravity wave amplification system trying

405
00:19:10,590 --> 00:19:09,160
to figure it out right a propulsion

406
00:19:12,600 --> 00:19:10,600
system and a power source that's

407
00:19:15,060 --> 00:19:12,610
completely unknown to mankind and

408
00:19:16,650 --> 00:19:15,070
there's no way human beings could evade

409
00:19:18,480 --> 00:19:16,660
it there is no way human beings could

410
00:19:22,020 --> 00:19:18,490
have made it under any circumstances in

411
00:19:23,610 --> 00:19:22,030
any country anywhere period and for 30

412
00:19:26,700 --> 00:19:23,620
years you've you are telling us the

413
00:19:42,140 --> 00:19:26,710

truth you bet this [h__\h] happened you got

414

00:19:42,150 --> 00:19:46,220

[Music]

415

00:19:52,980 --> 00:19:48,860

reality simply isn't what it used to be

416

00:19:56,820 --> 00:19:52,990

things are not what they see everything

417

00:19:58,670 --> 00:19:56,830

around us is a mental construct in

418

00:20:02,670 --> 00:19:58,680

reality

419

00:20:05,400 --> 00:20:02,680

breaking that down it's hard to do and

420

00:20:05,790 --> 00:20:05,410

once it's done there ain't no coming

421

00:20:36,430 --> 00:20:05,800

back

422

00:20:43,190 --> 00:20:40,850

but it's true it's true

423

00:20:45,370 --> 00:20:43,200

what I have seen is true I don't know

424

00:20:49,100 --> 00:20:45,380

about the big story where they came from

425

00:20:51,529 --> 00:20:49,110

what they're like and and but certainly

426

00:20:53,210 --> 00:20:51,539

in these crafts came from another not

427

00:20:56,720 --> 00:20:53,220

just another planet another solar system
