6
00:00:23,630 --> 00:00:21,750
sort of government agent I'm just a kid

7
00:00:26,929 --> 00:00:23,640
from Bakersfield 21 years old I worked

8
00:00:29,240 --> 00:00:26,939
for a full-time student I'll show you

9
00:00:33,799 --> 00:00:29,250
around my little my my government

10
00:00:35,270 --> 00:00:33,809
conspiracy bedroom here's my Oval Office

11
00:00:37,910 --> 00:00:35,280
got the Pink Floyd poster on the wall

12
00:00:40,479 --> 00:00:37,920
guns with roses poster over there and

13
00:00:43,010 --> 00:00:40,489

then you've got the Blizzcon here's the

14

00:00:45,790 --> 00:00:43,020

music station you guys I have a little

15

00:00:48,889 --> 00:00:45,800

bit of entertainment I've got the

16

00:00:51,260 --> 00:00:48,899

station right here this is where all the

17

00:00:53,060 --> 00:00:51,270

secret government stuff happens

18

00:00:54,740 --> 00:00:53,070

did you joke and I mean you know people

19

00:00:57,110 --> 00:00:54,750

have been saying all over the Internet

20

00:00:59,779 --> 00:00:57,120

that this was started by a deep state

21

00:01:03,529 --> 00:00:59,789

government conspiracy the United States

22

00:01:07,160 --> 00:01:03,539

military that is that not the case are

23

00:01:08,809 --> 00:01:07,170

you just a dude from Bakersfield I mean

24

00:01:09,169 --> 00:01:08,819

tell me the truth tell me what's going

25

00:01:14,179 --> 00:01:09,179

on

26

00:01:17,449 --> 00:01:14,189

I'm just a dude from Bakersfield and

27

00:01:19,699 --> 00:01:17,459

then I was playing some video games at

28

00:01:21,349 --> 00:01:19,709

around 2:00 a.m. and in one of the games

29

00:01:24,469 --> 00:01:21,359

I was playing there's a stone called

30

00:01:26,029 --> 00:01:24,479

area 52 I flew over that zone and when I

31

00:01:28,940 --> 00:01:26,039

flew over that zone it clicked

32

00:01:32,569 --> 00:01:28,950

I was like man I have did it for the

33

00:01:33,949 --> 00:01:32,579

page and of course it was area 51 is

34

00:01:35,839 --> 00:01:33,959

already in the back of my mind after

35

00:01:38,300 --> 00:01:35,849

watching the Joe Rogan podcast with you

36

00:01:40,750 --> 00:01:38,310

and Balthasar then I had watched your

37

00:01:42,640 --> 00:01:40,760

film with that all in mind and just

38

00:01:44,470 --> 00:01:42,650

I ended up creating that a bit and it

39

00:01:46,600 --> 00:01:44,480
just completely took off after like

40

00:01:49,600 --> 00:01:46,610
three days what does it feel like to be

41

00:01:52,240 --> 00:01:49,610
you know an individual that just got

42

00:01:53,710 --> 00:01:52,250
inspired to shed a light on UFO secrecy

43

00:01:56,320 --> 00:01:53,720
from seeing the Joe Rogan podcast

44

00:01:58,390 --> 00:01:56,330
watching the the film on Bob Lazar

45

00:02:01,450 --> 00:01:58,400
hearing Bob's account how has your life

46

00:02:04,180 --> 00:02:01,460
changed I know you've avoided all media

47

00:02:05,440 --> 00:02:04,190
networks you called me back and we've

48

00:02:09,100 --> 00:02:05,450
been talking for a while but what does

49

00:02:10,750 --> 00:02:09,110
that feel like dude it's really surreal

50

00:02:12,820 --> 00:02:10,760
just the sheer amount of attention

51
00:02:14,500 --> 00:02:12,830
normally I'm not only kind of quiet I

52
00:02:16,780 --> 00:02:14,510
keep to myself a lot of the times and

53
00:02:18,760 --> 00:02:16,790
you saw the station I played a lot of

54
00:02:20,980 --> 00:02:18,770
video games that's most of my time spin

55
00:02:22,900 --> 00:02:20,990
I play a lot of music I don't really

56
00:02:24,730 --> 00:02:22,910
communicate outside of my small circle

57
00:02:27,940 --> 00:02:24,740
of friends so to have just like the

58
00:02:29,590 --> 00:02:27,950
entire Internet wanting to talk to me in

59
00:02:31,630 --> 00:02:29,600
the entire world just wanting to hear my

60
00:02:33,010 --> 00:02:31,640
side business it's kind of surreal it's

61
00:02:34,090 --> 00:02:33,020
not something I've ever experienced

62
00:02:36,910 --> 00:02:34,100
before and it's not something I ever

63
00:02:39,160 --> 00:02:36,920

expected but in a way it's kind of cool

64

00:02:41,350 --> 00:02:39,170

but like you said with the void in the

65

00:02:42,880 --> 00:02:41,360

media I've reached out to you and I

66

00:02:45,430 --> 00:02:42,890

reached out to you George Annette app as

67

00:02:47,290 --> 00:02:45,440

well because I felt like you two were

68

00:02:50,080 --> 00:02:47,300

the ones that would do my story justice

69

00:02:51,670 --> 00:02:50,090

I I didn't really want to put too much

70

00:02:53,920 --> 00:02:51,680

trust in a lot of the other media

71

00:02:56,020 --> 00:02:53,930

stations just because with

72

00:02:57,670 --> 00:02:56,030

sensationalist headlines and things like

73

00:03:01,000 --> 00:02:57,680

that I didn't want them to take my story

74

00:03:04,960 --> 00:03:01,010

cut my voice apart and then we have some

75

00:03:07,810 --> 00:03:04,970

agenda that is just not there storming

76
00:03:10,240 --> 00:03:07,820
area 51 where conspiracy theorists think

77
00:03:12,100 --> 00:03:10,250
the government has aliens on ice it

78
00:03:13,030 --> 00:03:12,110
appears the US Air Force is taking these

79
00:03:15,910 --> 00:03:13,040
threats seriously

80
00:03:18,190 --> 00:03:15,920
a Facebook post an avowed fake designed

81
00:03:20,620 --> 00:03:18,200
to get likes announced a plan to raid

82
00:03:23,199 --> 00:03:20,630
the Air Force Base in Nevada known as

83
00:03:25,780 --> 00:03:23,209
area 51 which has been at the center of

84
00:03:28,210 --> 00:03:25,790
UFO and alien conspiracy theories for

85
00:03:30,490 --> 00:03:28,220
decades more than 1 million people have

86
00:03:32,460 --> 00:03:30,500
signed up it's been enough to spook the

87
00:03:37,660 --> 00:03:32,470
Air Force

88
00:03:40,300 --> 00:03:37,670

trespass on the base they are worried

89

00:03:42,160 --> 00:03:40,310

some might be killed quote any attempt

90

00:03:44,440 --> 00:03:42,170

to illegally access military

91

00:03:46,929 --> 00:03:44,450

installations or military training areas

92

00:03:49,179 --> 00:03:46,939

is dangerous there has been renewed

93

00:03:51,490 --> 00:03:49,189

interest in UFO sightings since it was

94

00:03:54,339 --> 00:03:51,500

revealed earlier this year the military

95

00:03:57,369 --> 00:03:54,349

has spent 22 million dollars to research

96

00:03:59,289 --> 00:03:57,379

UFOs it's not clear the 1.1 million

97

00:04:02,619 --> 00:03:59,299

Facebook followers who said they are

98

00:04:05,470 --> 00:04:02,629

going to storm area 51 are real and not

99

00:04:08,979 --> 00:04:05,480

Russian BOTS clarified for everybody so

100

00:04:12,300 --> 00:04:08,989

this started off as kind of a joke for

101
00:04:24,400 --> 00:04:12,310
you right that this whole storm area 51

102
00:04:27,100 --> 00:04:24,410
idea of what was a joke right earlier

103
00:04:30,339 --> 00:04:27,110
I'm playing a video game called World of

104
00:04:34,029 --> 00:04:30,349
Warcraft so I'm not going to plan this

105
00:04:36,939 --> 00:04:34,039
huge government facility raid at this

106
00:04:40,210 --> 00:04:36,949
point in the hour right so it started

107
00:04:43,420 --> 00:04:40,220
out as a joke and people will have just

108
00:04:45,040 --> 00:04:43,430
made it into something huge and there's

109
00:04:46,540 --> 00:04:45,050
all sorts of conspiracy theorists

110
00:04:48,279 --> 00:04:46,550
thinking that that Russians are behind

111
00:04:51,100 --> 00:04:48,289
it and chumps behind you but at the end

112
00:04:54,129 --> 00:04:51,110
of the day it was an idea that I had

113
00:04:57,219 --> 00:04:54,139

from a mean page that had like 62 people

114

00:04:59,020 --> 00:04:57,229

following it so I tried to make it seem

115

00:05:00,580 --> 00:04:59,030

as the satirical as possible like I've

116

00:05:03,189 --> 00:05:00,590

mentioned natural running which is the

117

00:05:04,899 --> 00:05:03,199

dude from the Japanese anime they throw

118

00:05:06,520 --> 00:05:04,909

their arms far in the back supposed to

119

00:05:08,290 --> 00:05:06,530

make it run faster but they really only

120

00:05:10,930 --> 00:05:08,300

did that just to cut production parts so

121

00:05:14,589 --> 00:05:10,940

they don't have to animate the arms and

122

00:05:17,230 --> 00:05:14,599

then it's posted by meme page it's a

123

00:05:19,719 --> 00:05:17,240

joke it started as a joke and it's a

124

00:05:22,149 --> 00:05:19,729

joke to me now just people have made it

125

00:05:24,250 --> 00:05:22,159

into some kind of movement but it was

126

00:05:26,620 --> 00:05:24,260

born from a real curiosity you had I

127

00:05:29,379 --> 00:05:26,630

mean there's a part of you that really

128

00:05:31,060 --> 00:05:29,389

wants to know the truth about UFOs you

129

00:05:33,339 --> 00:05:31,070

want to shed a light on UFO secrets you

130

00:05:35,620 --> 00:05:33,349

want to know there's a lot of genuine

131

00:05:36,790 --> 00:05:35,630

curiosity and not only me but a lot of

132

00:05:38,200 --> 00:05:36,800

people and I think that's why it's

133

00:05:40,480 --> 00:05:38,210

exploded so much people want to know

134

00:05:42,700 --> 00:05:40,490

what's in there there's a there's

135

00:05:44,650 --> 00:05:42,710

there's a there's a need for knowledge

136

00:05:45,940 --> 00:05:44,660

there's a need for knowledge and

137

00:05:49,030 --> 00:05:45,950

I feel like there's a lot of knowledge

138

00:05:50,200 --> 00:05:49,040

that's being withheld from people and I

139

00:05:52,390 --> 00:05:50,210

think that's why they've been really

140

00:05:54,490 --> 00:05:52,400

took off what did you think of the

141

00:05:57,640 --> 00:05:54,500

official response from the United States

142

00:05:59,830 --> 00:05:57,650

military because of your meme what what

143

00:06:03,000 --> 00:05:59,840

did you think of that it's just been a

144

00:06:05,530 --> 00:06:03,010

week full of firsts but as far as

145

00:06:07,900 --> 00:06:05,540

unexpected I can't really say it was

146

00:06:10,450 --> 00:06:07,910

surprising because the military has to

147

00:06:12,970 --> 00:06:10,460

take any threat seriously whether it's

148

00:06:15,100 --> 00:06:12,980

posted by a meme page or whether it's

149

00:06:17,050 --> 00:06:15,110

posted by a radicals page at the end of

150

00:06:18,640 --> 00:06:17,060

the day a threat is still kind of a

151

00:06:21,670 --> 00:06:18,650

threat so I'm not really surprised that

152

00:06:24,310 --> 00:06:21,680

they responded to it but I would like to

153

00:06:24,880 --> 00:06:24,320

make clear to them that it is in fact a

154

00:06:27,760 --> 00:06:24,890

meme

155

00:06:31,240 --> 00:06:27,770

there are thousands of celebrities that

156

00:06:34,000 --> 00:06:31,250

are retweeting memes about this area 51

157

00:06:36,970 --> 00:06:34,010

thing and making personal comments you

158

00:06:38,200 --> 00:06:36,980

know I'm hoping Seth Rogen is gonna join

159

00:06:41,860 --> 00:06:38,210

in he was one of the first guys that

160

00:06:44,560 --> 00:06:41,870

wrote about the December 2017 article

161

00:06:47,800 --> 00:06:44,570

about the government UFO programs memes

162

00:06:50,860 --> 00:06:47,810

have before made worldwide news however

163

00:06:54,550 --> 00:06:50,870

I don't know of a meme where the United

164

00:06:59,950 --> 00:06:54,560

States military has directly responded

165

00:07:02,110 --> 00:06:59,960

to Amin it's wild it's huge in a way

166

00:07:05,290 --> 00:07:02,120

it's kind of cool to me it's like it's

167

00:07:07,330 --> 00:07:05,300

the pinnacle of the mean like I can't

168

00:07:09,610 --> 00:07:07,340

say I'm surprised by it but it's cool

169

00:07:11,920 --> 00:07:09,620

it's cool I just hope that I didn't piss

170

00:07:13,720 --> 00:07:11,930

too many government officials off you

171

00:07:15,880 --> 00:07:13,730

can't please everybody please Lisa real

172

00:07:19,090 --> 00:07:15,890

man because like I told you earlier I'm

173

00:07:21,670 --> 00:07:19,100

just I'm a college kid I kind of keep to

174

00:07:24,040 --> 00:07:21,680

myself so just the amount of attention

175

00:07:26,140 --> 00:07:24,050

is really kind of surreal the people

176

00:07:28,960 --> 00:07:26,150

have really made this into what it is

177

00:07:30,340 --> 00:07:28,970

because I can create a million Vince on

178

00:07:32,080 --> 00:07:30,350

Facebook but I'm gonna be the only

179

00:07:34,090 --> 00:07:32,090

person interested it's all the other

180

00:07:35,920 --> 00:07:34,100

people that have made it into what it is

181

00:07:38,500 --> 00:07:35,930

it struck a nerve with everybody because

182

00:07:40,540 --> 00:07:38,510

everybody wants to know what's going on

183

00:07:43,120 --> 00:07:40,550

there because if there's a button that

184

00:07:45,400 --> 00:07:43,130

says do not push you're gonna want to

185

00:07:47,800 --> 00:07:45,410

push that button no matter what you

186

00:07:50,470 --> 00:07:47,810

believe that the American public in the

187

00:07:55,820 --> 00:07:50,480

global public has a right and a need to

188

00:07:58,740 --> 00:07:55,830

know about what's going on with UFOs I

189

00:07:59,460 --> 00:07:58,750

absolutely dude it's not the Cold War

190

00:08:01,740 --> 00:07:59,470

anymore

191

00:08:04,050 --> 00:08:01,750

we're not at war with the Soviet Union

192

00:08:06,180 --> 00:08:04,060

we don't need so much secrecy

193

00:08:10,290 --> 00:08:06,190

surrounding this especially when it

194

00:08:12,870 --> 00:08:10,300

comes to UFOs and just UFO secrecy in

195

00:08:15,660 --> 00:08:12,880

general I believe that is just it's a

196

00:08:17,730 --> 00:08:15,670

it's to tight-fisted information about

197

00:08:20,070 --> 00:08:17,740

UFOs is not something that's gonna start

198

00:08:21,690 --> 00:08:20,080

a war it's not something that's going to

199

00:08:24,120 --> 00:08:21,700

fuel a war it's not something that's

200

00:08:26,310 --> 00:08:24,130

gonna feel a public outcry I think it's

201
00:08:27,780 --> 00:08:26,320
just information that people want to

202
00:08:31,290 --> 00:08:27,790
know and once they get that information

203
00:08:33,960 --> 00:08:31,300
it'll be like I knew it the UFO

204
00:08:34,650 --> 00:08:33,970
phenomenon is real it's happening it has

205
00:08:36,450 --> 00:08:34,660
happened

206
00:08:38,400 --> 00:08:36,460
the world is changing and now we're

207
00:08:41,190 --> 00:08:38,410
getting more of light shed on it you

208
00:08:42,990 --> 00:08:41,200
don't feel like a stigma about UFOs you

209
00:08:45,030 --> 00:08:43,000
feel like you can talk about this and

210
00:08:47,490 --> 00:08:45,040
say hey there's a real issue here our

211
00:08:49,200 --> 00:08:47,500
military is engaging them they have

212
00:08:53,370 --> 00:08:49,210
propulsion systems that we don't know

213
00:08:55,140 --> 00:08:53,380

about you feel in 2019 that you can

214

00:08:57,150 --> 00:08:55,150

speak openly about that's one of my

215

00:08:59,700 --> 00:08:57,160

favorite parts of that this has gone

216

00:09:03,720 --> 00:08:59,710

viral is that that stigma has definitely

217

00:09:09,990 --> 00:09:03,730

been lessened because area 51 got a

218

00:09:12,600 --> 00:09:10,000

drink by the way and UFOs are all in

219

00:09:15,180 --> 00:09:12,610

mainstream media and I think now that

220

00:09:17,610 --> 00:09:15,190

it's literally everywhere I think the

221

00:09:18,990 --> 00:09:17,620

people that have had experiences are the

222

00:09:21,810 --> 00:09:19,000

people that would like to talk about

223

00:09:24,630 --> 00:09:21,820

UFOs can do so in a more welcoming

224

00:09:26,550 --> 00:09:24,640

environment compared to say maybe a year

225

00:09:28,830 --> 00:09:26,560

ago I'm gonna blame Joe Rogan for

226

00:09:31,380 --> 00:09:28,840

piquing my interest on the on the UFO

227

00:09:34,080 --> 00:09:31,390

secrecy anyways by but by inviting Bob

228

00:09:35,970 --> 00:09:34,090

Lazar others are as is definitely the

229

00:09:38,520 --> 00:09:35,980

main culprit and peeking my curiosity

230

00:09:40,800 --> 00:09:38,530

but Joe Rogan inviting him to his

231

00:09:42,210 --> 00:09:40,810

platform is what got it out to millions

232

00:09:44,100 --> 00:09:42,220

of people and that's how it reached me

233

00:09:45,990 --> 00:09:44,110

so I created this little video from

234

00:09:49,170 --> 00:09:46,000

Family Guy there's standing in the

235

00:09:50,490 --> 00:09:49,180

elevator and Peter farts and he turns

236

00:09:54,070 --> 00:09:50,500

the other guy the only other guy in the

237

00:10:02,079 --> 00:09:54,080

elevator he goes it was you

238

00:10:02,410 --> 00:10:02,089

ah it was you the funniest thing so

239

00:10:05,500 --> 00:10:02,420

anyway

240

00:10:08,199 --> 00:10:05,510

I blame Joe Rogan for all of this him

241

00:10:10,569 --> 00:10:08,209

bringing him onto the show shed a lot of

242

00:10:11,980 --> 00:10:10,579

light on the UFO secrecy and it speaks a

243

00:10:14,110 --> 00:10:11,990

lot about to Joe Rogan about his

244

00:10:16,360 --> 00:10:14,120

character to take somebody who's such a

245

00:10:18,550 --> 00:10:16,370

controversial figure in the media at

246

00:10:20,319 --> 00:10:18,560

least on to this show and actually just

247

00:10:22,360 --> 00:10:20,329

sit down and talk with a guy to get his

248

00:10:23,920 --> 00:10:22,370

true story so I respect her open a lot

249

00:10:25,269 --> 00:10:23,930

for that why did you decide to come out

250

00:10:27,519 --> 00:10:25,279

forward with George Knapp with your

251

00:10:30,130 --> 00:10:27,529

public identity first compared to

252

00:10:32,769 --> 00:10:30,140

anybody else I have heard more about

253

00:10:36,220 --> 00:10:32,779

George Knapp and the kind of person that

254

00:10:38,769 --> 00:10:36,230

he is more than I have about anybody

255

00:10:41,590 --> 00:10:38,779

else there's thousands of news reporters

256

00:10:43,810 --> 00:10:41,600

across the country but the one name that

257

00:10:46,210 --> 00:10:43,820

everybody knows is George Knapp George

258

00:10:49,600 --> 00:10:46,220

Knapp is the man that came out with Bob

259

00:10:52,090 --> 00:10:49,610

Lazar story originally in 1989 so I knew

260

00:10:54,430 --> 00:10:52,100

if he handled the Bob Lazar story he

261

00:10:57,250 --> 00:10:54,440

would be the perfect person to handle

262

00:10:59,650 --> 00:10:57,260

the storm area51 story so I wouldn't I

263

00:11:02,170 --> 00:10:59,660

felt like he really wouldn't take my

264

00:11:03,970 --> 00:11:02,180

story and twist it at all which is what

265

00:11:06,639 --> 00:11:03,980

I was afraid of from a lot of the other

266

00:11:09,579 --> 00:11:06,649

media outlets you basically ghosted

267

00:11:11,769 --> 00:11:09,589

everybody yeah absolutely I have so many

268

00:11:15,250 --> 00:11:11,779

people in the page in box that are

269

00:11:17,500 --> 00:11:15,260

saying like hi I'm a reporter with you

270

00:11:19,329 --> 00:11:17,510

and I just I haven't opened the messages

271

00:11:21,130 --> 00:11:19,339

just because I don't want my story to

272

00:11:22,780 --> 00:11:21,140

get twisted I don't want people to make

273

00:11:25,329 --> 00:11:22,790

me into some kind of monster that's

274

00:11:28,269 --> 00:11:25,339

trying to lead this genocide I just want

275

00:11:31,269 --> 00:11:28,279

people to know the real reason I made

276

00:11:33,699 --> 00:11:31,279

this was as a joke and also out of

277

00:11:38,260 --> 00:11:33,709

curiosity out of true curiosity of what

278

00:11:42,850 --> 00:11:38,270

the truth is about UFOs right or yeah if

279

00:11:44,980 --> 00:11:42,860

there wasn't a curiosity there I could

280

00:11:47,319 --> 00:11:44,990

have made an event to storm North Korea

281

00:11:48,819 --> 00:11:47,329

or something but I'm not curious about

282

00:11:50,439 --> 00:11:48,829

what's in North Korea we're curious

283

00:11:52,240 --> 00:11:50,449

about what's here at home like five

284

00:11:54,069 --> 00:11:52,250

hours away from me I want to know what's

285

00:11:55,960 --> 00:11:54,079

in there the United States wants to know

286

00:11:57,370 --> 00:11:55,970

what's in there and apparently now the

287

00:11:59,230 --> 00:11:57,380

rest of the world wants to know what's

288

00:12:00,939 --> 00:11:59,240

in there so there's a lot of curiosity

289

00:12:03,100 --> 00:12:00,949

surrounding that tell me a little bit

290

00:12:05,170 --> 00:12:03,110

about Bob Lazar and how he's influenced

291

00:12:06,910 --> 00:12:05,180

your thought process I think he is

292

00:12:09,190 --> 00:12:06,920

incredibly brave to come

293

00:12:11,560 --> 00:12:09,200

forward with that story even if he's

294

00:12:13,060 --> 00:12:11,570

using it as a form of insurance I think

295

00:12:15,460 --> 00:12:13,070

it's incredibly brave to come forward

296

00:12:17,079 --> 00:12:15,470

with it just knowing how much backlash

297

00:12:19,629 --> 00:12:17,089

that there could possibly be because

298

00:12:22,329 --> 00:12:19,639

it's huge information to digest your

299

00:12:23,980 --> 00:12:22,339

movie was absolutely fantastic I saw him

300

00:12:27,129 --> 00:12:23,990

on next clips I think it's Bob Lazar

301
00:12:29,980 --> 00:12:27,139
UFOs are Bob Lazar area 51 in flying

302
00:12:31,389 --> 00:12:29,990
saucers it was it was freakin fantastic

303
00:12:33,519 --> 00:12:31,399
to all the viewers I'd say absolutely

304
00:12:35,980 --> 00:12:33,529
watch it there's a lot of information

305
00:12:37,960 --> 00:12:35,990
that you could find all over the

306
00:12:41,170 --> 00:12:37,970
internet but it is condensed into this

307
00:12:43,300 --> 00:12:41,180
thing hour and a half long film it's

308
00:12:46,660 --> 00:12:43,310
incredibly entertaining it's incredibly

309
00:12:48,490 --> 00:12:46,670
educational it's just an overall really

310
00:12:50,889 --> 00:12:48,500
well-made film with a lot of information

311
00:12:53,530 --> 00:12:50,899
also Mickey Rourke

312
00:12:55,960 --> 00:12:53,540
fantastic narrator you nailed it with

313
00:12:57,460 --> 00:12:55,970

him thanks man yeah it's funny you know

314

00:12:58,960 --> 00:12:57,470

praise or blame it doesn't really matter

315

00:13:02,949 --> 00:12:58,970

about the film I just like that people

316

00:13:04,720 --> 00:13:02,959

are watching it so what did you learn

317

00:13:09,160 --> 00:13:04,730

anything from watching the film that you

318

00:13:10,930 --> 00:13:09,170

didn't know before I had no idea it was

319

00:13:12,370 --> 00:13:10,940

never something I read about it's not

320

00:13:14,860 --> 00:13:12,380

something I've ever really heard about

321

00:13:18,040 --> 00:13:14,870

and then watching the film I learned

322

00:13:19,960 --> 00:13:18,050

about element 115 and how key of a role

323

00:13:22,329 --> 00:13:19,970

it is how they tried to synthesize it

324

00:13:25,360 --> 00:13:22,339

but it's unstable and then at the end of

325

00:13:27,790 --> 00:13:25,370

the film with when you go and talk with

326

00:13:30,730 --> 00:13:27,800

Bob Lazar about element 115 he gets

327

00:13:32,769 --> 00:13:30,740

rated the next day like that's pretty

328

00:13:35,650 --> 00:13:32,779

wild and that sheds a lot of truth on a

329

00:13:38,740 --> 00:13:35,660

lot of things there's a little bit of

330

00:13:40,960 --> 00:13:38,750

ambiguity there but like just speaking

331

00:13:43,210 --> 00:13:40,970

about it had the FBI at his house so

332

00:13:44,319 --> 00:13:43,220

that's something I learned about and I

333

00:13:46,449 --> 00:13:44,329

think that's something that's really

334

00:13:48,970 --> 00:13:46,459

interesting that the public should know

335

00:13:51,069 --> 00:13:48,980

about what what do you hope for Bob

336

00:13:53,439 --> 00:13:51,079

Lazar after hearing his account of what

337

00:13:56,740 --> 00:13:53,449

happened him I just hope Bob Lazar is

338

00:13:59,620 --> 00:13:56,750

where he is able to live a happy and

339

00:14:03,280 --> 00:13:59,630

comfortable life because he's been

340

00:14:05,769 --> 00:14:03,290

through a lot he has had a lot of media

341

00:14:08,199 --> 00:14:05,779

attention and he's had a lot of federal

342

00:14:10,870 --> 00:14:08,209

attention in the negative sins and I

343

00:14:12,879 --> 00:14:10,880

just I just hope the man gets some peace

344

00:14:14,259 --> 00:14:12,889

to just sit at this house and not have

345

00:14:16,600 --> 00:14:14,269

to worry about the doors being better

346

00:14:19,300 --> 00:14:16,610

down has the FBI visited you are you

347

00:14:21,819 --> 00:14:19,310

worried in any way about the FBI kind of

348

00:14:24,129 --> 00:14:21,829

or any federal agency the DIA the CIA

349

00:14:25,660 --> 00:14:24,139

anybody kind of coming after you when

350

00:14:29,439 --> 00:14:25,670

you a little bit worried when this all

351

00:14:32,650 --> 00:14:29,449

went down at first I was I was a little

352

00:14:34,509 --> 00:14:32,660

bit worried about it because it could be

353

00:14:36,519 --> 00:14:34,519

taken in the very wrong light even

354

00:14:38,889 --> 00:14:36,529

though it is said very tongue-in-cheek

355

00:14:40,629 --> 00:14:38,899

satire like I try it's posted by me page

356

00:14:43,179 --> 00:14:40,639

I mentioned Naruto running which is

357

00:14:47,290 --> 00:14:43,189

mimin itself so it was kind of a joke

358

00:14:49,119 --> 00:14:47,300

but at the same time I it looks like I'm

359

00:14:51,160 --> 00:14:49,129

putting together this event to storm a

360

00:14:54,040 --> 00:14:51,170

military base so I was kind of worried

361

00:14:55,809 --> 00:14:54,050

about some kind of federal visitation or

362

00:14:58,179 --> 00:14:55,819

I was kind of worried about just getting

363

00:15:00,939 --> 00:14:58,189

contacted by the federal any kind of

364

00:15:03,400 --> 00:15:00,949

federal agency in general but after as

365

00:15:06,759 --> 00:15:03,410

much as it's blown up and then actually

366

00:15:08,379 --> 00:15:06,769

coming out on camera to George Knapp I

367

00:15:10,600 --> 00:15:08,389

haven't been very worried it's just been

368

00:15:12,699 --> 00:15:10,610

more exciting to me than anything tell

369

00:15:14,980 --> 00:15:12,709

me your vision of what occurs on

370

00:15:17,079 --> 00:15:14,990

September 20th the date that you set

371

00:15:19,389 --> 00:15:17,089

with the UFO Visitor Center and the

372

00:15:20,980 --> 00:15:19,399

local community you know we understand

373

00:15:22,119 --> 00:15:20,990

there's a lot of public interest the

374

00:15:24,939 --> 00:15:22,129

people have spoken

375

00:15:28,090 --> 00:15:24,949

what do you want to see happen on

376

00:15:31,509 --> 00:15:28,100

September 20th the first event in a

377

00:15:33,939 --> 00:15:31,519

global series of events most likely a

378

00:15:35,799 --> 00:15:33,949

national and international holiday how

379

00:15:38,230 --> 00:15:35,809

does this play out for you in the very

380

00:15:41,350 --> 00:15:38,240

first event I want to make it a really

381

00:15:45,460 --> 00:15:41,360

cool music arts festival I want to have

382

00:15:46,869 --> 00:15:45,470

stages for speakers like the Navy pilot

383

00:15:49,030 --> 00:15:46,879

that came out I can't remember his name

384

00:15:49,900 --> 00:15:49,040

but I'm sure you know it commander David

385

00:15:51,819 --> 00:15:49,910

Freiburger

386

00:15:53,920 --> 00:15:51,829

I'm actually the one that was speaking

387

00:15:56,799 --> 00:15:53,930

him years before the New York Times

388

00:15:58,689 --> 00:15:56,809

article and he came out but I did report

389

00:16:00,549 --> 00:15:58,699

on it twice before the New York Times

390

00:16:03,929 --> 00:16:00,559

that's commander David flavor you'd like

391

00:16:06,429 --> 00:16:03,939

to see him at the event I would like to

392

00:16:08,860 --> 00:16:06,439

because he's a huge figure he's

393

00:16:10,540 --> 00:16:08,870

first-hand experience I think that would

394

00:16:13,059 --> 00:16:10,550

be somebody that would be great to speak

395

00:16:15,519 --> 00:16:13,069

and then aside from having people speak

396

00:16:17,739 --> 00:16:15,529

I'd also like to have some music out

397

00:16:19,299 --> 00:16:17,749

there I'd also like to have a bunch of

398

00:16:20,739 --> 00:16:19,309

artists out there doing - maybe

399

00:16:22,419 --> 00:16:20,749

something like painting or something

400

00:16:24,519 --> 00:16:22,429

like that and then I'd also like to have

401
00:16:25,989 --> 00:16:24,529
some really cool art structures I just

402
00:16:29,650 --> 00:16:25,999
wanted to be more of a cultural festival

403
00:16:32,500 --> 00:16:29,660
because this event has reached I think

404
00:16:34,390 --> 00:16:32,510
the post Reach is like 9.2 million

405
00:16:36,430 --> 00:16:34,400
there's a ton of people that have seen

406
00:16:38,620 --> 00:16:36,440
this from every single walk of life so I

407
00:16:40,180 --> 00:16:38,630
want people to show up in mass to the

408
00:16:42,070 --> 00:16:40,190
desert but I want them to show up and

409
00:16:44,920 --> 00:16:42,080
master the desert with the intention of

410
00:16:48,430 --> 00:16:44,930
having a fun educational experience with

411
00:16:49,930 --> 00:16:48,440
new people old people just people that

412
00:16:51,700 --> 00:16:49,940
never mention people that they know I

413
00:16:53,500 --> 00:16:51,710

want it to be a fun experience rather

414

00:16:54,880 --> 00:16:53,510

than rushing a base at 3:00 in the

415

00:16:57,520 --> 00:16:54,890

morning because I think that is a

416

00:17:01,930 --> 00:16:57,530

misguided idea so hold on your post

417

00:17:04,840 --> 00:17:01,940

reached 9.2 million people yes 9.2

418

00:17:08,319 --> 00:17:04,850

million people as of right now as of

419

00:17:10,990 --> 00:17:08,329

this weekend 9.2 million people have

420

00:17:12,640 --> 00:17:11,000

seen the original Facebook post not even

421

00:17:16,240 --> 00:17:12,650

dealing with global media and all of

422

00:17:18,490 --> 00:17:16,250

that is that correct yes it's no small

423

00:17:21,069 --> 00:17:18,500

number and I think it's a really cool

424

00:17:24,040 --> 00:17:21,079

statement just the percentage of people

425

00:17:26,230 --> 00:17:24,050

that have seen that and versus the

426
00:17:29,110 --> 00:17:26,240
percentage of people that have seen that

427
00:17:31,300 --> 00:17:29,120
and then actually said hey I want to

428
00:17:33,670 --> 00:17:31,310
know what's going on in there and it

429
00:17:35,620 --> 00:17:33,680
it's a lot of people so I think that

430
00:17:38,530 --> 00:17:35,630
alone in itself is kind of a statement

431
00:17:42,250 --> 00:17:38,540
do you see September 20th globally as

432
00:17:44,200 --> 00:17:42,260
being a protest I don't really think

433
00:17:45,550 --> 00:17:44,210
September 20th is gonna be a protest

434
00:17:49,360 --> 00:17:45,560
I think protest is probably not the best

435
00:17:51,970 --> 00:17:49,370
way to put it I see it more as just

436
00:17:54,160 --> 00:17:51,980
being a statement like hey we have all

437
00:17:56,140 --> 00:17:54,170
these people out here that want to know

438
00:17:58,570 --> 00:17:56,150

rather than having a bunch of people out

439

00:18:01,540 --> 00:17:58,580

there with picket signs saying show us I

440

00:18:04,060 --> 00:18:01,550

think just showing that there's interest

441

00:18:06,730 --> 00:18:04,070

rather than demanding the interest is a

442

00:18:09,190 --> 00:18:06,740

better idea I think it's the best way we

443

00:18:11,740 --> 00:18:09,200

can go about getting more information on

444

00:18:16,290 --> 00:18:11,750

UFO secrecy I like the idea of the

445

00:18:17,980 --> 00:18:16,300

question leading to more answers era 51

446

00:18:24,010 --> 00:18:17,990

area 51

447

00:18:25,990 --> 00:18:24,020

I got to drink twice now so if you had a

448

00:18:29,290 --> 00:18:26,000

laundry list of people you'd like to see

449

00:18:31,390 --> 00:18:29,300

show up to the September 20th event

450

00:18:33,520 --> 00:18:31,400

where we're not storming area 51

451
00:18:34,900 --> 00:18:33,530
you know who's on your bucket list who

452
00:18:41,140 --> 00:18:34,910
would you like to see participate

453
00:18:43,360 --> 00:18:41,150
musically why so he has to show up he's

454
00:18:44,830 --> 00:18:43,370
just obligated to show up [\h__\h] Dave

455
00:18:47,420 --> 00:18:44,840
Navarro

456
00:18:49,100 --> 00:18:47,430
that guy's better show up I would be

457
00:18:52,610 --> 00:18:49,110
pretty disappointed if he doesn't and

458
00:18:55,190 --> 00:18:52,620
then [\h__\h] Tom DeLonge I don't care

459
00:18:57,200 --> 00:18:55,200
who he plays with huge fan of Angels and

460
00:18:58,850 --> 00:18:57,210
Airwaves so I would love to see Tom long

461
00:19:00,980 --> 00:18:58,860
and whatever musical act you'd like to

462
00:19:03,890 --> 00:19:00,990
bring I'd like to see Bassnectar out

463
00:19:07,340 --> 00:19:03,900

there dream big brother gonna drag how

464

00:19:09,110 --> 00:19:07,350

to do it if he floaters still around I'd

465

00:19:10,820 --> 00:19:09,120

love to see them so me got Roger Waters

466

00:19:13,400 --> 00:19:10,830

white why couldn't he play he played out

467

00:19:15,530 --> 00:19:13,410

in the desert by where I live in

468

00:19:18,620 --> 00:19:15,540

pioneers and he played out in the desert

469

00:19:26,030 --> 00:19:18,630

recently I officially be called out at

470

00:19:28,510 --> 00:19:26,040

471

473

00:19:41,570 --> 00:19:40,170

it'll have our personal website linked

474

00:19:43,580 --> 00:19:41,580

on there there's a lot of posts in the

475

00:19:45,410 --> 00:19:43,590

discussion when we actually have more

476

00:19:46,700 --> 00:19:45,420

00:19:48,740 --> 00:19:46,710

there and you can also visit

478

00:19:50,150 --> 00:19:48,750

extraordinary beliefs calm there'll be a

479

00:19:52,010 --> 00:19:50,160

lot more information coming there as

480

00:19:53,780 --> 00:19:52,020

well this is my personal page I got a

481
